Vacancies on the Advisory Committee were created by the retirement of Mr. Ben Plumer, who resigned last fall as Chairman of the Alberta Wheat Pool; Mr. Roy Marler, former President of the Alberta Federation of Agriculture, and Mr. Chris Hansen, former President of the Saskatchewan Farmer's Union.

Mr. Churchill said that all three gave distinguished service, not only as members of the Advisory Committee but in the field of agriculture generally.

The continuing members of the Advisory Committee are: Mr. J. H. Wesson, President, Saskatchewan Wheat Pool; Mr. J. H. Brownlee, President, U. G. G., and Mr. W. J. Parker, President, Manitoba Pool Elevators Ltd.

GIDEON MEMORIAL BIBLE PLAN WELL UP OVER LAST YEAR

EDMONTON – Increased use of the Memorial Bible Plan helped put the Edmonton Camp of Gideons $300 over its 1957-58 quota, treasurer Crawford McClennan stated at the annual meeting held recently.

Total receipts for this year to aid the work of the non-profit organization devoted to distributing portions or complete Bibles in northern Alberta were nearly $4,900.

R. Jorgenson, minister of public welfare, reported that his committee has distributed 4,858 youth testaments to 86 city schools. Everett Wickens, rural testament distribution committee chairman, said 3,535 testaments had been distributed in 12 large school divisions in northern Alberta.

Arnold Williams, Memorial Bible Plan chairman, said more interest in plan which encourages relatives and friends of departed ones to dedicate bibles to their memory for placement in hotels, hospitals and prisons, explains the boost in contributions.

Highlight of the year was the placing of 600 bibles at the University of Alberta and the presentation of the first dedicatory bible to a university president, Dr. Andrew Stewart.

Presentation of a photograph of an Alberta wheat field in which stands an oil derrick was made to retiring western field secretary Hugh Coldridge. Mr. Coldridge's territory extended from Kenora, Ont., north to Whitehorse, Y. T. and to the B. C. coast.

His successor, Joe Hitchin, former hardware store owner from Victoria, was present at the meeting attended by 34 members and their wives.

Newly elected president Bill Mohr, who succeeds Mr. Jorgenson, was in the chair.

How To Avoid Being Struck Out On Canadian Highways

Summer motoring can be both pleasant and safe, declares the Canadian Highway Safety Conference. Urging drivers to 'Slow Down and Live', it bases its optimism on a liberal time allowance for reaching one's destination and regular stops for relaxation and coffee.

Without these precautions a driver has two strikes on him, claims the Conference which identifies the strikes as speed that disregards weather and road conditions, and insidious fatigue.

Fatigue can build up as a result of any one of these heedless acts: starting on a trip without having slept well the night before, failure to stop for coffee breaks and a stretching of the muscles, and a determination to establish the all-Canadian daily mileage record. "Pile up trip mileage and you pile up in a ditch", says the Conference.

It doesn't make sense that supposedly intelligent citizens of a free country should destroy as many lives as they do on our highways. Last year 1,014 lives were lost in traffic accidents across Canada during the Slow Down and Live Campaign. This number could be substantially reduced if every driver would take the wheel only when rested and relinquish it the moment he feels tired.

June Tea Praised At Mannville

MANNVILLE. — The Happy Hour W.A. were most satisfied with results of their June tea held recently, which drew many favorable comments from those present. Responsible for the attractive decorations were the G.A. group which lent a festive air to the occasion. These girls also did most of the serving at the tea with ladies of the Happy Hour assisting whenever necessary. Apron and home cooking tables did equally as well as the tea tables.

Three Hundred Delegates Attend Elks Annual Convention

Over 300 delegates from the 13,000 Elks in 102 Alberta Lodges took over the town of Drumheller for their 31st annual convention June 5th to 7th, overrunning streets and hotels in their spotless white and purple regalia.

Gordon Taylor, Edmonton M.L.A., Minister of Highways and Transport for the province, and a native Drumheller son, struck the keynote of the conference "community service", in his opening speech. Displaying a medal he had won in an Elk-sponsored speaking contest when he was eleven years old, he commended Elks for the variety and scope of their projects which make their communities "better and more interesting for children and adults alike, and for their consistent support of the underprivileged".

Tendering his town's hospitality, Mayor Eneas Toshach announced all cars with convention stickers might park without meter money. "It is a pleasure to give in a small way to those who have so largely donated service and money to so many 'good works'. The town, the hills and the dinosaurs within them are all yours."

The two days were packed with Elk rituals, patrol competitions, parades, festivities and impromptu fun sandwiched between the serious business of annual reports and elections.

W. A. Ilkiw, District Deputy Grand Exalted Ruler of Alberta District No. 10, in his annual report at the recent Alberta Elks convention in Drumheller, said this district was the largest in Alberta, and third largest in Canada.

It included Vegreville, Vermilion, Mundare, Hairy Hill, Two Hills, Myrnam, Derwent, Lloydminster, Mannville and Marwayne.

In District No. 10, eight lodges maintain their own Elks building; all sponsor community service; many actively promote community sports; Two Hills for example, and Vermilion, which promoted hockey teams in the winter and now ball teams; Mannville, Derwent and Marwayne are active in junior sports and Cub work, and Mundare assisted other organizations to erect a cenotaph. Vegreville, one of the most active, have a renovated hall which is an asset to themselves and the community. They maintain a school patrol in uniform and the Elks ward in the hospital.

Check that date on your label.

Christ Church W. A. Has Picnic Meeting

MANNVILLE. — On Wednesday of last week in the afternoon, members of Christ Church W.A. gathered for their regular meeting at the home of Mrs. R. Whitson, after which members and their husbands and families enjoyed a picnic supper. This was held indoors due to the cool inclement weather. According to all reports, a wonderful time was had and the 'eats' were taken care of in true picnic style. Gratification was expressed at the meeting for the financial success of the bake and sewing tables held in conjunction with the June tea earlier in the month. A hearty sing-song concluded a happy afternoon.

Most of the worry a man has in this world is carried around under his hat.

Self made men are sometimes poor examples of unskilled labor.

AH CHOO! — At the root of the hay fever problem, declares The Financial Post, is the fact that ragweed control measures were started years ago when the nuisance was purely an agricultural one. Hay fever is a medical matter and control of ragweed in metropolitan areas should become primarily the responsibility of health authorities, backed up by all the legislation they require to make that control effective.

"ALL IS NOT GOLD THAT GLITTERS"
— *(Author's Name Below) —

Recently our government found it necessary to take action against certain door-to-door salesmen of vitamins and other medicines. In their eagerness to make a sale, these agents were making claims that were untrue. Their prices were found to be excessive.

Your health is too important to entrust to people with no medical or pharmaceutical knowledge. Physicians and pharmacists consider your welfare more important than immediate profits.

Be safe. Let your physician tell you what to take, and depend on us pharmacists to make certain your vitamins and medicines are of high quality and fairly priced.

GRANDPA OFTEN THOUGHT ABOUT HIRING A MAID

Someone to help Grandma with the cooking and the washing, the ironing and the polishing, the scrubbing and the dusting, and all the other chores. Grandpa always told her that when they got rich they would hire a maid.

It's so different nowadays. You don't really need a maid, with so many electrical servants, that don't need any wages. Good servants like your electric range, washer, dryer, vacuum cleaner and floor polisher. Grandpa would never have thought about hiring a maid . . . had he lived electrically.

Canadian Utilities

"Power for Alberta's Progress"

Paradise Valley

The Paradise Valley Girls' Cooking club held their achievement day on May 13th in the school auditorium with a small crowd in attendance — not very [illegible] some parents [illegible] to something so important in their girl's club year. There was a short program with Ellen Teasdale as chairman and [illegible] accompanist on the piano. This was opened with "O Canada", 4-H Pledge and 4-H Song by the girls. The secretary's report of the year's work was given by Mildred Teasdale. Sharon Dobson gave the treasurer's report. The [illegible] joined the girls in singing a few club songs. Another demonstration was then given by Sharon Dobson and Judy Rasmussen on "Table Setting". Miss Craig, district Home Economist, who judged the work complimented the girls on their display and demonstrations. She spoke on the method of marking used, and showed the girls just how their work could be improved. After singing "The Queen" Mrs. Kragnes and Mrs. Gunn gave out the prizes which were as follows:

Project Books — 1. Linda Stepanoff; 2. Mildred Teasdale; 3. Edith Teasdale.

Cakes — 1. Sharon Dobson; 2. Ellen Teasdale; 3. Edith Teasdale.

Collection of Work — 1. Linda Stepanoff; 2. Sharon Dobson; 3. Ellen Teasdale

The efficiency winner was Sharon Dobson, with Mildred Teasdale second and Edith Teasdale third. The first two girls are too young to attend the short course in Vermilion in July but Edith has been chosen to go. Sharon Dobson efficiency winner last year in the 4-H Sewing club received the T. Eaton award of a very fine pair of pinking shears. Each year one girl earns the T. Eaton award which is given out the following year when she is expected to be in 4-H Club work. Congratulations girls. The girls served tea and lunch demonstrating the "Informal Method of Serving Tea". Mrs. Kragnes and Mrs. Don Levitt assisted in pouring.

Busy Bee Bible Camp for children 8 to 15 years will begin June 30th and continue through the week. Classes, singing, handiwork, recreation and good meals — plus the adventure of sleeping out in tents. Camp fee is only $2 for the week. The closing program will be held on Friday, July 4th at 8 p.m. and will be followed by the film "Queen Esther". This camp is sponsored by the Paradise Valley Church of God. Campers should bring warm clothing and bedding. Send for an application form or write Rev. H. Johnson giving name and age. Completing a busy week there will be general services at the church Friday, Saturday and Sunday with a morning, afternoon and evening service each day. Meals will also be served. Rev. Dewey Johnson of Vancouver will be the guest speaker and Rev. H. C. Gardner of Alberta Bible Institute will also be with us. The public is invited to take in these meetings and enjoy the singing, preaching and fellowship. A special feature of Sunday's activities, July 6th, will be a service at 3 p.m. when the new parsonage will be dedicated. "Open House" and lunch will follow.

The Paradise Valley W.A. will hold their annual Strawberry Tea and bazaar on June 19th.

Ladies, please remember the clean-up day at the church and Sunday school hall on June 26.

Mr. and Mrs. Roy Geddes and Buddy of Oliver, B.C., visited at the home of Mrs. Geddes' [illegible] Mrs. R. Smith, and her [illegible] Mrs. T. Raymen and [illegible] Henry, over the last week end, returning on Monday. Mrs. Smith and Mrs. Raymen accompanied them back as far as Edmonton.

Mr. and Mrs. M. Hoskins returned on Tuesday from an extended holiday spent at Port Nelson, B.C., with their daughter and son-in-law, Mr. and Mrs. Herb Feswell and family. Mrs. E. Branag[illegible] joined the Hoskins in Edmonton for the trip. On their return they visited at Edmonton, Calgary and Viking. Mossie returned to part time work at the elevator on Saturday.

Patients at the hospital are Mr. J. Raymen, Mrs. Arnold Nickle and Lloyd Thomas. We wish them a speedy recovery.

Mr. and Mrs. Murray McDonald spent the week end at the E. Kragnes home.

Mr. and Mrs. R. W. Adam and family left on Friday for a holiday at Jasper and Banff.

Mr. and Mrs. Minot McLeod of Wainwright visited at the Gunn home on Friday.

Nowadays a man is known by the money he manages to keep.

Value of Home Ec. and Shop Work Demonstrated at Mannville School

MANNVILLE. — Monday evening, June 9th was Achievement Night for the Home Economics room and that of the Industrial Arts of the Mannville high school, and a display of projects made by all classes during the year was [illegible] by both rooms. Those who had perhaps entertained previous doubts as to work done in these two rooms must have had same dispelled after viewing the incredible display.

Displays in the Home Economics room were as follows: [illegible] finishes, [illegible] blouses, [illegible] in the sewing department, while a demonstration was given on one of the [illegible] Singer automatic sewing machines of all the latest attachments. Use of the Elna machine was demonstrated by Lillian Pahuchie, and of the Singer by Ellen McLaughlin. Foam rubber was used in the flowers from which Phyllis Gor[illegible] made a cushion. Bed-making was seen done properly, and Lillian Schock explained the working of the garbage disposal unit. Further articles of sewing seen were dresses. In the gym were knitted articles, as socks, angora mitts, hot water bottle covers, oven gloves, aprons, crocheted displays and embroidery work as well as sewing baskets cleverly designed. In the Fashion Parade girls modelled their own sewing as Jackie Hasinoff and Shirley Swenson did a good job as commentators. Seen in the dress parade were gowns for work, play (beach type), evening and sports wear. Noted were a variety of jumpers, all colors, which were most practical. Even the widely discussed sack dress was modelled and looked most attractive on its model.

Quiet, cultural music was played during this Fashion Show. Baby doll pyjamas came in for their share of admiration and were nicely modelled.

Display in the gym of the Industrial Arts Shop was most amazing, and there were [illegible] exclamations of appreciation heard by way of comments. From grade 8 to grade 11 there were coffee tables, end tables, book cases, magazine racks, etc. From grade 9, mail boxes, funnels, carved bowls, pulchitrude lamps, and laminated book ends and serving trays. Noticed and receiving much praise in the Grade 10B section were modern desks. One of these needs special mention, typed as a modern Shadow Desk. Greatly admired also was the [illegible] table [illegible] grouse inlay, a butler's coffee table and unfinished [illegible] coffee table in the shape of an S. Corner shelves were also displayed, and a bedside table, gun rack and an eyecatching piece of work in the [illegible] inlaid gun stock.

From the grade 11 group came revolving coffee tables, step tables and ash stands, cedar chests, extension coffee tables (these were evident in all three grades). Special mention in this group was made by those assembled of a tropicana Mahogany coffee table. Corner tables, book-cases, trays of all sorts were noted, with nut bowls, sandwich trays, and wall shelves. All were identified but due to the crowd it was difficult to get complete data on all the articles displayed. However, let it suffice to say that one could easily lose one's trail of thought in such a huge display from the Mannville, Minburn, Innisfree and Buffalo Coulee students.

One thing remains uppermost in your reporter's mind and that is that these teachers have done a real job, and it was a wise day of decision when the Vegreville School Division decided to have a Home Economics Room and an Industrial Arts shop. As in the Home Ec room, pupils were on hand to explain the use of various machines and saws, types of wood and finishing, etc.

Tea was served in the gym to the large crowd of people present by girls from the Home Ec. room in a most capable manner.

A watch to suit the graduate, the bride, the groom . . . a gift for any occasion.

OBITUARY

BERNARD POWELL

Requiem mass was celebrated by Rev. Father Landrigan at Holy Name church for the repose of the soul of Bernard Powell, who died in the Vermilion hospital on June 7th. He is survived by his two brothers both living in the United States.

Mr. Powell, known to all as "Barney", was born in the year 18[illegible]. He came to Vermilion in 1907 and farmed in the Turkey Hill district until 1947. He also, in days gone, worked in Stephens' store. Many also knew Barney when he worked for the Co-operative store and lived in Vermilion at [illegible].

In 1951 he moved to the former Evans homestead where he resided at the time of his death.

Barney was famous for his hospitality and generosity to all and his great love and kindness to children.

Pall bearers were Raymond Mercer, Arnold Maggs, Charles Burt, Leo Noonan, Tommy Sherwood and William Walker.

Moyers were in charge of the funeral arrangements.

Spiritual offerings: Betty and Frank Minard; Gregorian [illegible], Mrs. [illegible] Powell and [illegible]; Mr. and Mrs. Henry Powell; Mrs. Nora Carey; Mr. and Mrs. Richard Chrisp and family; Mrs. Dennis Noonan and family; Mrs. Annie Kirk; Mr. and Mrs. Chas. Burt [illegible]; Leo, [illegible] and Mary Ann; Mrs. Anna Fisher; Mr. and Mrs. John Toner and family; Leona and Billy McLaughlin; Mr. and Mrs. Pat O'Neill; Mr. Romuald Mercier and family; Mr. Ed Dardis and family; Mrs. Simonet Sr.; Dick and Betty Arnold and family; Mr. and Mrs. Harry Butler and family; Mrs. H. McGaughey; C. Gannon Family; James Carey; Mr. and Mrs. [illegible] Butler, Sr.; Mr. and Mrs. Jack Carey and family; Mr. and Mrs. Barney Klashinsky; Mr. and Mrs. John Rochford and family; the Sullivan Families; Paul Gauthier and family; Mr. and Mrs. Jack McLaughlin; Mr. and Mrs. Jim McLaughlin; Mr. and Mrs. James Rochford and family; Mr. and Mrs. Thomas Rochford and family; Mrs. Frances Kehoe; Mr. Archie McAleese and family; [illegible] Young; Beth and George Mullen; Alma Cameron, Mr. and Mrs. John Doherty; May and [illegible].

Cancer Fund: Elsie Preston, Joe, Anne and Bobby Green; George and Ina Webb; Mr. and Mrs. Roy Jory; The Hawley Family; Tom Chrisp; Mr. and Mrs. Wm. Walker; Charles, Hazel and family; Alex Galloway; Duff and Mary McGrath; J. C. Schaumleffel and family; Mr. and Mrs. Logan; Mr. and Mrs. P. M. Ruud; Hazel Batke.

Cemetery Fund: Myrtle Kehoe.

Crippled Children's Fund: Mr. and Mrs. Tom Davis; Marion, Arnold and family; Mr. and Mrs. George Lyons; the Gurney Family; Fred and Larry; Mr. and Mrs. Knutson, Harold and Margaret.

Floral offerings: Frank and Thelma and Margaret and Bryan; Don, Jean and family; [illegible] Margaret, [illegible].

St. [illegible] Memorial Fund: Mrs. K. A. King and Keith.

Sympathy cards: William, Fred and Gertie Maddex; Mr. and Mrs. George Lind; Beatrice and Charles Mix, [illegible] Larry; Kenny, Emmett and family; Arnold, Marion and family; Mr. Minard; Mr. and Mrs. B. Hernon; Mr. Peter Gauthier.

CARD OF THANKS

We wish to extend our sincere thanks to Rev. Father Landrigan, Dr. King and the nurses of the Vermilion hospital staff, for their care of Barney Powell during his illness and to all our friends and neighbors for their many kindnesses, spiritual offerings, floral tributes, memorial donations and sympathy cards.

Frank and Betty Minard

DEWBERRY NEWS

(Intended for last week)

At the time of writing, Monday June 9th it seems as if the weatherman has the seasons mixed up — more like winter today.

The Birthday club held their June party at the home of Mrs. Isert. There were 13 members and two visitors present. Two contests and bingo were played. After a delightful lunch a box of chocolates sent by Mrs. A. Stuart of Mannville was passed around and very much enjoyed. Thank you Mrs. Stuart, we all missed you at the meeting. The next party will be at the home of Mrs. Philbin July 15th.

A large crowd attended the Farmers' Day picnic Saturday June 7th. The horse events were the big attraction and were very much enjoyed. Of course the ball games had their quota too of faithful followers. Children's races went over well, also the humorous running commentary of the M.C. John Anderson at [illegible] they [illegible].

John Misiak is clerking in the Co-op and Frances Saville in the [illegible].

Virtue may be its own reward but too often it's a long wait until pay day.

Health Unit Notes

TUBERCULOSIS

Tuberculosis is caused by a germ, the tubercle bacillus. The infection more commonly occurs in the lungs though it can occur in other parts of the body, for instance, bones and joints. None of us would like to develop tuberculosis but it is comforting to know that it can be cured and more quickly in its early stages. Treatment usually takes at least six months but it can be longer. It is much better to discover tuberculosis early, when it is easy to cure properly, and to get well as fast as possible. Almost all who die from this disease could live by finding their tuberculosis early and by having it treated correctly.

SYMPTOMS

Often the patient does not feel sick but a periodic consultation with your doctor and if he suggests it a chest X-ray will discover Tuberculosis early, when it can be cured more readily. Another mode of diagnosis is the tuberculin test, a simple skin test. In some cases, symptoms such as lassitude, weight loss, night sweats, loss of appetite, raised body temperature, cough, and spitting up blood occur. If you have these symptoms seek the advice of your doctor. Your symptoms may not be those of tuberculosis but make sure.

HOW DO YOU CATCH TUBERCULOSIS?

It is not inherited but it is got by: 1. Breathing air containing the tubercle bacillus; 2. By kissing someone with active tuberculosis; 3. By putting objects in your mouth which have not been sterilized after being used by someone who has active tuberculosis.

The most serious danger of infection comes from the person who has tuberculosis but does not know it and from the person who knows he has tuberculosis but will not follow his Doctor's orders. You can develop the disease at any age.

VACCINATION

There is a vaccination called B. C. G. which affords some protection. In Canada B. C. G. is used mainly in special groups when there is a special danger of developing the disease.

TREATMENT

1. REST — in hospital is practically essential.
2. GOOD FOOD — the important thing is a well balanced diet.
3. MEDICINE — of which there are a good number, streptomycin is an example.
4. SURGERY — in certain instances operations are advised.

AFTER CARE: A person who has had tuberculosis will always have to take good care of himself and have regular check-ups, but we all should do this. Usually he will be able to lead a normal life. These patients often get training in hospital so that they can find easier jobs when they get better and often this training helps them to get better jobs at more pay too.

PREVENTION OF T. B.

1. Keep in good general health. Eat a balanced diet. Get enough exercise, rest and sleep.
2. Have a chest X-ray and check-up with your Doctor every year.

RE: POLIO VACCINATION

Our attention has been brought to the fact that the high level of public interest in the vaccination is not being maintained at a desired level. Evidence that three doses of vaccine gives a highly effective protection against paralytic poliomyelitis continues to be accumulated. The Dominion Council of Health recommends in the strongest possible terms that the people of Canada between the ages of 3 months and forty years avail themselves of the protection of poliomyelitis vaccine. It is essential that three doses of the vaccine be given if maximum protection is to be obtained. Ample supplies of vaccine are available and vaccination is carried out by private physicians and public health clinics throughout Canada.

BABY & PRE-SCHOOL CLINICS

Monday, June 23 — Vermilion (Health Unit Office) 2 to 4 p.m.
Tuesday, June 24 — Wainwright (Office) 2 to 4 p.m.
Thursday, June 26 — Albert (School) 2 to 3 p.m.
Friday, June 27 — Irma (Rest Room) 2 to 4 p.m.
Friday, June 27 — Paradise Valley (United Church Basement) 2 to 3 p.m.

FOURTH LARGEST SOON?

Population of Jasper Place is now 19,200, according to a census completed in May. This places the town fifth among Alberta centres following Edmonton, Calgary, Lethbridge and Medicine Hat. Latest figure for the southern city is 20,737 but Jasper Place officials expect their town to reach 22,000 by the [illegible].

WHEN YOU DRIVE, DRINK WATER—

One place in Alberta where a roadside drink . . . of water gets everyone all excited is Nanton. The Stop-And-Have-A-Drink idea there has caught on to the extent that more than 1[illegible] people signed the guest register nearby last year. This year, to spurt their excellent Adam's Ale, the town is putting in a proper fountain — a good promotion gimmick.

Why Millions Call Him "HOLY FATHER"

Catholic loyalty to the Pope is the cause of never-ending [illegible] to many non-Catholics.

They wonder how an exclusively spiritual leader can command the devotion of nearly four hundred millions of people. They cannot explain why this vast religious family . . . representing every race, color, language and political belief on the face of the earth . . . lives and grows through the ages, while man-made empires have their day of glory and then disappear.

What is there about this one man that causes people to speak of him in a hundred tongues as "Holy Father"?

We find the answer, of course, not necessarily in the holiness of the man himself, but in his Christ-given office. The answer is found by tracing the history of the Catholic Church . . . the history of 262 successive Popes . . . back through nearly 2,000 years to Christ Himself.

We know as a matter of historical fact that Christ did establish His Church . . . that He commissioned the Apostle Peter as its first head . . . that He sent His Apostles forth to teach men to observe all things He had commanded.

We know from the New Testament that the Church was actually organized . . . that it was governed by the Apostles under the leadership of Peter . . . that it was teaching Christ's truth far and wide, long before the last book of the New Testament was written and the books of the Bible were collected into one volume.

Christ's purpose in organizing a Church was to make certain that the good news of Redemption would be preached to all men . . . even to the end of the world. To accomplish this with fallible men, required that He establish a Church — divinely protected from error in transmitting His teaching through the centuries.

The Catholic Church traces its unbroken history back to the Apostles—back to Christ. And Catholics today call Pope Pius XII "Holy Father" because he is the lawful and historical successor to Peter, the first Pope. He is in our time . . . as Peter was in the first century . . . the Vicar of Christ on earth.

Would you like to know more about the Pope . . . why the promises made by Christ to Peter and his successors make the Pope the most important man in the world? Then write today for a pamphlet which we shall send you free and without any obligation. Ask for Pamphlet No. 4-N.

TEST THE ZIP of a new Fargo pick-up!

Come over this week! Take one of these stylish new Fargo models out on the road. See how much ZIP it puts in a trip . . . how free and easy it handles . . . and how relaxed YOU feel in the cab!

Worth a little of your time? Well, sir, it sure is! After all, your next pick-up will be your work partner every day! You need the liveliest, thriftiest, workingest one on wheels. And Fargo is all that — and more!

For one thing, Fargo's big Power-Dome V-8 gives you the get-up-and-go you need in traffic. So does its peppery L-head Six. And you can manoeuvre well in tight places, too, thanks to Fargo's advanced-design steering system.

These trucks have a low loading and unloading height, which saves you a lot of strain. They have plenty of road clearance. On lowest tonnage models you get a new "passenger car" ride—rear springs automatically adjust tension to varying loads. You can get a new Sure-Grip differential on these models, too, which prevents loss of traction in mud, sand, snow or ice.

Come over for that test-ride soon. You'll like Fargo's new style . . . big, roomy cab with 5-way adjustable seat . . . cost-cutting performance . . . and other extra-value features. There are three wheelbases and body lengths—one's just right for you. Pick it out. Price it . . . you'll like what you hear!

Look for these Fargo features, too, when you "test the ZIP"!
- New easy-shift manual transmission
- [illegible] transmission
- Driver-adjustable independent parking brake
- Full-opening alligator-type hood
- New safety-centre steering wheel
- New dual headlamp system
- [illegible]
- New, higher G.V.W.'s for greater payload

RED DEER POPULATION

Population of Red Deer is now 16,591, an increase of 2,651 over the 1957 total. In addition to natural increase the chief reason for the 21.5% jump is the lands annexed to the city on January 1st. There are 1,800 people living in these sections.

SUMMERFALLOW EARLY

Summerfallow stores up rainfall; thus failure to kill early weed growth in the spring may seriously reduce the amount of moisture that is retained and stored in the soil. Plan to start summerfallow operations early, preferably as soon as seeding is completed. It will pay to do so.

WILDMERE WORKS

With the passing of another old timer in the person of Barney Powell a very pleasant, cheery person has left our midst. To the relatives and Mr. and Mrs. Frank Minard with whom he made his home, we along with the community extend our deepest sympathy. One by one the old faces who pioneered these parts are now leaving us. May we never forget their many kindnesses and good deeds.

Wildmere W. A. held the June meeting in the Wildmere Church. All were very pleased to see several of the four Auburndale W. A.'s attend and hear the splendid report that Mrs. Cooper of Clandonald gave on the Red Deer United Church conference. Mr. and Mrs. Cooper called and brought along Miss G. Craig of Vermilion. Mr. E. Robinson and Mr. Holte also attended so they were company for Mr. Cooper. During the time the collection was being taken, Mr. Robinson favored us with a cornet solo which everyone enjoyed very much. Mrs. George Eyben on behalf of all the Auburndale groups heartily thanked Wildmere ladies for inviting them over. Afterwards lunch was served and everyone departed homeward. Thanks again Mrs. Cooper for coming so far to speak to us.

Laurence Graham, who has worked the past several months at Dawson Creek, B. C. visited a few days at his home in Wildmere.

Bobby Graham is at present working at the Army Camp at Wainwright. He spent the week end at his home here.

This week will see school out for grades ten and eleven. Everyone is busy with exams now. Teachers and pupils alike will welcome the holidays after the long grind.

A nice turn-out to the Auburndale picnic and bazaar on Friday, June 13 . . Farmer's Day. Ball games and races made up the biggest share of sports. The many articles of sewing etc. were very nice and sold very quickly as did the home baking. The C. G. I. T. girls also had a table of sewing and homemade candy.

A good supper was sold on the grounds. We were very [illegible] to visit with Rev. Leonard Musto and his wife and baby from Lamont. Mr. Musto was a student minister in our district not so many years ago. It was nice to see Mr. Howard Plant, who was our student three years ago. He is on the Cadogan field this year. All these men had been invited but only two attended. Mr. Breighaupt is at Morning Side, Alberta this year and Rev. Blaine Smith is at Prince Albert, Sask.

Congratulations to Mr. and Mrs. Tommy Lysons on the birth of a baby son and Mr. and Mrs. Fred Krause (nee Ruth Marfleet) on the birth of a son, a brother for Freddy; and to Mr. and Mrs. Russell Cruthers of Burnaby, B. C. on the birth of a daughter. Beula [illegible] both grew up in this part of Alberta themselves.

The writer attended the wedding of her husband's niece on Saturday at the First United Church in Vermilion when Rev. Mackay performed the marriage rites of Sharla Handlay and Julian Dack. The bride looked lovely in a white lace cocktail length dress with a shoulder length veil. Three bridesmaids and two little flower girls really made it a colorful wedding. Her step-brother, Mr. Handlay gave her away. Later, a reception was held in the new Elks Hall at Myrnam. The bride's mother, her four brothers and her grandfather M. Jas. Ackley of Trail, B. C. and Mr. and Mrs. Jas. Summers, Christine Summers, Mr. and Mrs. Teddy Cosick of Stony Plain and Onaway, Alberta attended the wedding and reception also. We wish the happy couple many years of happiness together. Mr. Brown played the [illegible].

J. C. Wallington is the official enumerator for the Egg Marketing Plebiscite in part of ranges 4, 5 and 6. He will be calling on you people soon.

Baillie Holte of Wildmere and his uncle John Wilson of Vermilion attended the Air Show at Cold Lake on Saturday.

From all reports there was a big crowd at the Lea Park bridge opening on Friday. We were sorry to hear of the severe frost damage up that way to crops and gardens. No frost at the writer's, in fact very little in the district.

Having to send the notes in a bit early makes it awkward but we will get adjusted to it in time.

PAID YOUR SUB. LATELY?

Onion Lake News

Saturday, May 10th was a [illegible] day for the Calf Club members. Mr. Oscar Peterson and Mr. Alec Marsh loaded the eleven boys and girls into their two cars and [illegible] to inspect the eleven different [illegible]. Dinner consisted of a [illegible] roast by the lakeshore.

For the past two weeks Confirmation classes have been held in the Roman Catholic church here in the village. Special Confirmation day ceremonies were held on Wednesday, May 21st.

The Onion Lake W.A. held their usual monthly meeting last week at the home of Mrs. Chas. McAdams. Seven members were in attendance. It was decided to hold a sale of sewing and fancy work in the village hall on Saturday, June 14.

The fishing season has now officially opened. Mr. and Mrs. Frank Funk and family spent week end of May 17th to 19th at Meadow Lake where they enjoyed some good fishing. Mr. and Mrs. John Welina and Constable and Mrs. Tony Hagymasi were [illegible] two-day visitors to the [illegible] lake country on a fishing trip.

Mrs. Johnnie Lovell drove to Lashburn on Friday to bring [illegible] home for the week end. Her mother Mrs. Gardiner accompanied them for a short visit with relatives and friends at Onion Lake.

A shower was held for the Maurice Skidmore family on May 22nd at the Greenvale Community hall. The playing of whist was much enjoyed by many.

'Bud' Grant has finished his course in surveying and wrote exams recently. He arrived home from Calgary on Sunday for a short visit before going back south to work.

Mr. and Mrs. David Learmonth are the proud parents of a baby boy. Mrs. Learmonth is the former June Nellis.

The [illegible] held on May 9 for the Maurice Skidmore family was very successful. There was a large crowd from all the surrounding districts. Everyone enjoyed dancing to the music of the Frenchman's Butte orchestra. The sum of $[illegible] was realized.

The school children appeared to enjoy the long week end of May 17th to 19th. Onion Lake pupils were lucky in having an extra day Tuesday when their teacher attended a Teacher's Institute meeting at St. Walburg.

Dewberry Calf Club Held First Achievement Day

DEWBERRY — The Dewberry Calf Club held their first achievement day on June 2nd in Dewberry. Judges were Mr. Lyle Robinson and Mr. Morley Douglas, assistant District Agriculturist at Vermilion.

[illegible] Craige received the Grand Champion prize, also $5 donated by the Dewberry Co-op., a lariat donated by the Hereford Association and the [illegible] prize of $1.50 for showmanship, donated by the Dewberry F.U.A.

Iris Hawrylak was the winner of the Reserve Champion, also $5 donated by the Dewberry F. U. A. for best showmanship and an album donated by the Hereford Association. This album was decorated with the 4-H crest.

Both June and Iris received special ribbons for best quality and finished calves.

There were four calves for the club members to judge and the first prize of $5, donated by Neil Jones, went to Norman Poitras; 2nd prize of $1.50, donated by the Dewberry F.U.A., was won by Garth Sweet.

Special mention for choice calves was received by Stanley Garnier, Norman Poitras and Dennis Lemp, and good animals were shown by Wayne Garnier, Norman Stone, Shirley Garnier, Sonia Garnier, Bob Wilson, Lee Anderson and Garth Sweet.

A large crowd was in attendance. In all probability there would have been more but some had not heard just when the show was to be. The original date of Friday May 30th was the day of the heavy rain, so no show. Congratulations to the winners and leaders of this club. To the losers — try again, next year you may be the winner. Club leader is Donnie Braithwaite and his assistant Ernest Garnier.

Don Braithwaite brought his Hereford bull along. Guesses were taken as to the weight of the animal. Correct guesses of 2,160 pounds were made by Mrs. Joe Braithwaite and Mr. Allen Bensmiller. Both names were put into a hat and Allan Bensmiller's name was drawn out, for which he received a lovely riding bridle. No one knew the correct weight of the animal until he was weighed in at the stockyards.

Nelson-Hill Hardware Sold To Westlock Man

One of the largest and surprising business transactions to take place in Vermilion for many years is the sale this week of the Nelson - Hill Hardware store. The new owner and proprietor is Mr. Rudolph Renauld of Westlock.

Mr. Renauld comes of a hardware family as his father and brothers are operating a hardware store at Westlock and in which he himself was interested. The change in ownership of the Vermilion business is effective on July 15. It is understood by the Standard that the present staff will be retained.

Asked as to plans, Melvin Hill, owner and manager of the present Nelson-Hill store since 1924, said that he has nothing definite in view beyond taking a good holiday. During this vacation, he and Mrs. Hill will make up their minds as to their future actions. It may mean a move from Vermilion and it may not. Mr. Hill is at present mayor of Vermilion.

Sale of this hardware business recalls to the Standard that it was in 1924 that Melvin Hill and J. H. Nelson came to Vermilion and purchased the business from Walter B. Nellis. Mr. Nelson passed away in 1948 and following his death Mr. Hill purchased the balance of the business and has since been sole owner and manager.

MAYOR MELVIN HILL

—who this week announced the sale of his hardware business which he has operated in Vermilion since 1924. Mr. Hill's record of public service in Vermilion is a long and meritorious one. He came to town from Enchant in the Tabor area of southern Alberta where he had practically been raised in a hardware store. Reaching manhood he had done some farming and ranching, and opened two branch stores prior to coming to Vermilion.

Looking back over the years, Melvin began promoting a dam across the Vermilion valley and lake back in 1930, and these plans almost came to fruition during the depression years as a relief project. He was many years later to see this dream come true. Ever since the development of the park here he has been chairman of the local committee which actually manages the park.

He was also instrumental in setting aside land for the airport and did much to develop the landing field there. As fire chief for many years he instituted the plan of inspection of premises so necessary during the days of coal and wood fires, and which resulted in preventing many losses.

Mr. Hill served on the council for a number of years at various times, and four years ago this spring was elected mayor by acclamation an office which he still fills. His term expires this fall as elections have now been changed to November.

Mrs. Hill has also taken her place in the life of the town. At the present time she is an active worker in the I.O.D.E., the W. M. S., and has through the years been prominent in musical circles.

While their many friends wish them many happy years of retirement, they do hope these years will be spent in Vermilion.

Vermilion Hotel Now Under New Management

Martin Shalka, manager of the Vermilion Hotel since January 15, 1951 wishes to take this opportunity to thank all of his friends and acquaintances for the patronage given the hotel for the past seven years, and hopes that the same will be extended under the new management.

Mr. Dan Lutzak who will be the active manager commencing on July 1st, comes very highly recommended. He has managed hotels in North Battleford and Prince Albert.

Mr. Lutzak wishes to take this opportunity to welcome old patrons and new ones, and hopes to give equally as good, or better service, than has been given in the past.

Youths Make History — Row to Vermilion

MANNVILLE. — In their 11 by 3 foot boat, painted red, and constructed entirely by themselves, two 13-year-old youths from Mannville, Ralph Pedersen and Stuart Forsyth, christened, launched and paddled their boat from Mannville, leaving at 6 p.m. to Vermilion via the Vermilion River, covering an approximate distance, as the river flows, of 30 miles. Camping overnight, the boys took ample supplies of food, bedding and a tarpaulin which stood them in good stead during the Friday night rain storm. Taking to the water again, after phoning a message home as to their well-being, the boys arrived at Vermilion Park lake at 8:35 Saturday night where parents awaited them. The boys encountered most of their trouble with heavy bullrush growth and beaver dams. However, on rushing the latter the boat was found to be soundly constructed and a hole was punched through the dam. Mannville people are wondering if this trip made history, as no one recalls any such trip by young adventurers heretofore by rowboat.

PONY LEAGUE PLAY-OFFS TO COMMENCE HERE THIS FRIDAY

With the completion of school examinations Pony league baseball swings into action Friday evening.

In the first round Vermilion Elks will host Islay with game time 6:30 at the Vermilion Athletic park.

Mannville and Buffalo Coulee pair off in the other half but date of this game has not been confirmed.

Vermilion Foresters, winners of the league race, are waiting in the final bracket to play the winner of the elimination series.

Attend these games and treat yourselves to some real ball thrills. Watch for dates.

Little League Play Completed; Rotarians League Champions

The final game of the Little League was played Thursday last week with Knights of Columbus crashing the win column by downing Kinsmen 7 runs to 5. The game was a dandy with the Knights overtaking a Kinsmen lead and hanging on for the victory.

Owing to the lateness of the season, play-offs have been eliminated, thus the Rotary team, with a perfect win average are "The Champs". Final league standings were:

Team	P	W	L	T	%
Rotary	6	6	0	0	1.000
Legion	6	3	2	1	.583
Kinsmen	6	1	3	1	.250
K. of C.	6	1	5	0	.167

Two all-star teams have been selected 'A' and 'B' and these two teams are presently playing each other. It is from these that Vermilion representatives in tournaments, sports days, etc

Road Tips

By "ROAD KNIGHTS"

WATCH the car ahead, and DON'T follow too closely.

Bereaved by Death Of Both Parents

Mr. Martin Shalka and Mr. John Shalka were bereaved by the death of both parents on Saturday, June 21st.

Mr. Mathew Shalka, aged 80 and his wife Mrs. Theresa Shalka, aged 75, of Fort Kent passed away. Mr. Shalka, who was a patient in St. Joseph's hospital for only five days, suddenly took a turn for the worse. While the family was travelling to Edmonton to visit him, Mrs. Shalka died at her home at Fort Kent. Mr. Shalka passed away a few hours later.

Left to mourn their loss are seven children, Mrs. John Pardell of Edmonton; Mrs. Helen Dingos of Fort Kent, Alberta; John and Martin Shalka of Vermilion; Joe and Edward Shalka of Fort Kent; Mrs. Anne Pochinay of Edmonton. There are 18 grandchildren and eight great grandchildren.

Funeral services were held on Wednesday, June 25th at St. Joseph's in Fort Kent, with interment in the church cemetery.

F.U.A. District No. 7 Convention Here

The annual convention of F. U.A. District No. 7 will be held in Vermilion on Thursday, July 3rd at the School of Agriculture. A very full program has been planned for the day's session.

School Term Ends Friday

Schools in the Vermilion division will close for the two months summer vacation on Friday afternoon, June 27th. In the meantime examinations are being completed and school work generally wound up.

Vermilion Const. W. I.'s To Hold Conference Here

The constituency conference for the Women's Institutes of the Vermilion area will be held in the Vermilion School of Agriculture on July 5th at 10:00 a.m.

Mrs. Howes, A.W.I. president, will speak on her trip to Ceylon to attend the World Conference. Mrs. Bielish, District Convener, will speak on W. I. work.

Miss Donna McCauley and Miss Margaret Goodwin will entertain the guests during the afternoon session.

There will be a handicraft display and a banquet at noon. Anyone interested in this conference is welcome to attend the sessions.

Greenlawn Picnic Leading Attraction For July 1st Holiday

The Greenlawn Old Timers' picnic has rapidly become one of the leading attractions for the July 1st holiday and this year a more varied program than ever has been planned.

The spectators will be able to see Junior baseball, softball for men, ladies and school students, chuck wagon races, chariot races, pony races of various kinds, as well as foot races for everyone especially the kiddies.

The large variety of the program really attracts the crowds. The annual event is completed with a dance in the Greenlawn hall at night.

The picnic grounds are in a beautiful spot five miles north of Dewberry.

Tuesday, July 1
Dominion Day

Tuesday, July 1st is Dominion Day and a public holiday. All stores and business places in Vermilion will be closed.

Hen Duck Tames Wild Drake

A lone domestic duck hen on the farm of Mr. and Mrs. Ray Nicholson west of Mannville, didn't believe in living in solitary splendor. A recent gift to the Nicholsons, the duck hen soon began making daily trips to a nearby slough. After a few days she came back with a real prize. Following along behind waddled a wild mallard drake.

The ducks quack to each other and no doubt are nesting nearby. The two ducks, tame and wild, are together much of the time right in the farmyard. They make quite a contrast as the domestic duck is all white and large, while the greenhead is only about half the size, but nevertheless is very proud of his spouse.

Mayor Hawrelak To Speak On "We Look Forward"

All is now in readiness for the annual spring banquet of the Vermilion Board of Trade which will be held in the Legion hall this Friday evening commencing at 6:30 sharp. Guest speaker is Mayor Wm. Hawrelak of Edmonton and his topic will be "We Look Forward".

Guests on this occasion will be the presidents and secretaries of Boards of Trade of neighboring towns and villages.

Tickets are still available from any of the business men around town or see Jim Champion.

Geo. Grabas Elected To Minburn Council

George Grabas of Innisfree was elected to the Minburn municipal council for division 4 in the by-election held on June 19th. The by-election was made necessary by the death of Mr. Paul Kaminsky, a former reeve. Results of the three-way contest were: George Grabas 168; Mike Hlushak 146; Wm. Martyniuk 136. All the candidates are from the Innisfree district.

STOCK CAR RACES SUNDAY

Another exciting program of stock car races with all the thrills and spills, tricky and expert driving, will be held at the Golden Speedway, Vermilion, on Sunday afternoon, June 29th commencing at 2 p.m. Several new drivers from neighboring towns will try their skill while rumor has it that local drivers will be sporting at least two new and speedy cars.

Vacation Bible School at Chapel

The Daily Vacation Bible School of the Alliance Chapel will be conducted from July 2 to the 5th, and July 7th to 11th. A very fine group of teachers will be holding classes each morning at 9 a.m. for any children from age 4 to 14.

The title of the lessons is "Exploring God's Wonders" with the beginner department theme being "God's Word and God's World". The primary age theme is "God's Family" while the Junior classes will study "The Christian's Time and Talents". For pupils entering grades 8 and 9 there will be a very interesting series of lessons on "Answering Why's of Young People".

Each day of the school there will be lively singing and interesting new games. The hand work for the Junior and Intermediate pupils will be copper tooling.

All children between the ages of 4 and 14 are invited to attend. Pre-school registration will be held at the Alliance Chapel on Saturday, June 28th at 2 p.m.

Board of Trade Recesses for Summer

Following the meeting Wednesday the Vermilion Board of Trade recessed for the summer months. No more weekly luncheons will be held until Wednesday Sept. 3rd. The executive will hold meetings in the interim.

Thrill Drivers Didn't Appear

The Thrill Drivers didn't appear in Vermilion Tuesday evening as advertised and the Standard has received no explanation as to why the engagement was not filled. Members of the Standard staff were deluged with phone calls on Tuesday evening, many people coming from as far as forty miles away to see the show.

1958 Fair Promises Many Features of Unusual Interest

Vermilion's 1958 Exhibition is scheduled for Thursday, Friday and Saturday, July 24, 25 and 26, and the program that is being arranged is one of which the entire district might well be proud; interest is being keenly manifested in exhibits, both in livestock and in hall exhibits and the junior members of the community appear keen to show their handiwork in the School Fair Sections.

Entertainment features have been well taken care of and the [illegible] agency of Des Moines has a show lined up that is expected to overshadow even the splendid programmes of recent years, with sufficient material to provide different shows for afternoon and evening. Jimmie Sullivan's midway has been revamped and will have thrills and fun galore for all ages.

Some special attractions have been arranged and are, for the time being, being kept under cover as they will feature the Vermilion Fair and no other in Western Canada this season.

PARADE TO START THE GALA THREE DAYS

All businessmen and organizations in the area have been cordially invited to take an active part in the parade which will feature Thursday, July 24. Three bands have been arranged to provide music and district youngsters are invited to decorate their bicycles and to enter the parade: notification of decorated bicycles, clown groups etc., need not be reported to the Secretary, but all organizations entering floats are asked to do so in order that the line of march be effectively organized. Cash prizes are to be awarded the children with fine rosette ribbons to be placed on the various types of floats.

It is generally admitted that Vermilion Fair is virtually a Board of Trade in itself, bringing to Vermilion each year large numbers of people, not only for the Fair but for the various educational features which are held under the auspices of the Agricultural Society which is said to be one of the most active in all Western Canada.

HIGHLAND GAMES COMPETITION NEW FEATURE

Ever since the St. Andrew's Society found it necessary to forego the annual Highland Games competitions several years ago, there has been a [illegible] demand for [illegible] and this year the Fair Board in cooperation with the members of the Reserve Army, are staging the competitions and invite highland dancers, pipers and others for whom classes are available, to take part. The competitions will be confined to Saturday afternoon, July 26 and a number of fine medals and trophies are available for competition.

Enquiries are being received from places as far away as Regina, Saskatoon, Edmonton and Calgary and locals interested would do well to start their practice early and thus be in a position to maintain the enviable records established in former years.

Entries should be sent to Mungo Forbes of Vermilion and contestants will be notified as to time of their respective classes.

BOYS & GIRLS CAMP FILLED

With a total registration of 124 young farm girls and boys, the 1958 Summer Camp, held at the School of Agriculture with the fine co-operation of the staff of the school, has now been filled and it is regretted that a considerable number of young people had to be refused admission this season. The week at the 'College' is a highlight in the life of many of our farm girls and boys and is eagerly sought after each year. Accommodation is limited to 8 groups of twenty pupils each, so that classroom facilities are available for individual instruction. The youngsters are guests of Vermilion Fair for three days and are invited to attend a grand stand performance at the discretion of the Directors.

CALF CLUB SHOW & SALE

The Society is again assisting in the work of the 4-H Club groups by sponsoring the show and sale of calves of the Vermilion, Mannville and Derwent Calf Clubs. The show and sale will be held on the first day of the Fair and the public is cordially invited. Special prize awards are also being given by the Society for Thematic Displays made by the various 4-H Club groups throughout the area. The Society is proud of its achievements along agricultural and educational lines and needs the co-operation of the public at large if funds are to be available for the conduct of the work.

Advance tickets will again go on sale about the first of July, so that the public will have an opportunity of securing in advance, tickets which are [illegible] and [illegible] for Vermilion Fair patrons to attend their B. [illegible] fair at much lower cost than prevails at any other exhibition in the west.

The dates of the big fair, July 24, 25 and 26 should be kept in mind. Intending exhibitors are advised that ENTRIES THIS YEAR CLOSE ON JULY 16 so that the fair staff may have an opportunity of properly cataloguing entries. This is a departure from previous years and should be carefully noted.

Sudden Death Of Well Known Derwent Lady

Mrs. Mary Zuk, beloved wife of Mr. Alex Zuk of Derwent, passed away suddenly in an Edmonton hospital on June 22nd. She was 57 years of age. Death followed a very short illness.

Besides her husband she is survived by four daughters, Mrs. Anne Bielech, Vermilion; Mrs. Katie Klziak, Derwent; Mrs. Olga Wynnyk, Vermilion; Adeline at home. There are two grandchildren.

She also leaves six brothers and four sisters, Mike, Nick, Steve and Andy Jacula of Vermilion, John and Peter of Derwent, Mrs. Anne Klutz and Mrs. Sophie Wasylik of Vermilion, Mrs. Katie Kurawski of Edmonton, Mrs. Eva Chernowski of Vegreville, and her mother Mrs. Katie Jacula in Vermilion.

Prayers will be held on Friday, June 27th, 1958 at 8 p.m. at the Derwent National hall. Requiem Mass will be celebrated on Saturday, June 28 at 10 a.m. at the Ukrainian Catholic Church at Derwent. Rev. J. Charkowsky will be the celebrant and interment will take place in the church cemetery.

Mungo M. Fraser Dies at 86 Years

There passed away in an Edmonton hospital on Tuesday, June 24 at midnight, an esteemed farmer and citizen of Vermilion in the person of Mungo M. Fraser at the age of 87 years and 9 days.

Funeral services will be held in the United Church, Vermilion, on Saturday morning, June 28 at 11 o'clock under the auspices of the Canadian Legion. Interment will follow in the Soldier's Plot in the Vermilion cemetery. Mr. Fraser is survived by his sorrowing wife.

Born in Dundalk, Ont., on June 16, 1871, Mr. Fraser came west to High River in Southern Alberta in 1902 where he worked at his vocation of accountancy. He also worked in Calgary and served overseas in the first World War with the 56th Edmonton Highlanders. On his return he was employed as accountant and stockman for Burns and Co. in Edmonton prior to moving to Vermilion.

In 1922 he purchased land in the Campbell Lake district and carried on farming operations successfully until retiring in 1950. He and Mrs. Fraser moved into Vermilion at that time and have resided here since.

Mr. Fraser was the last member of a family of seven sons. Besides his loving wife he is survived by nine nieces and three nephews.

Moyer's are in charge of funeral arrangements.

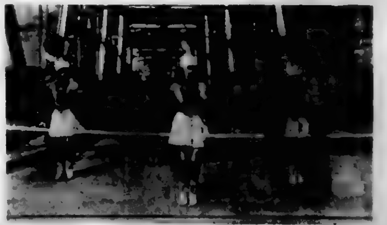
Mrs. Ethel Thompson Elected Honoured Royal Lady of O.O.R.P.

An impressive ceremony took place in the Elks hall on June 19th when District Deputy Honoured Royal Lady Bushko of Vegreville installed the officers of District No. 108 of the Order of the Royal Purple for the ensuing year.

The ladies thus honoured were as follows:

Past Honoured Royal Lady — Marian Davis
Honoured Royal Lady — Ethel Thompson
Assoc. Honoured Royal Lady — June Jones
Lecturing Lady — Margaret Tough
Secretary Lady — Ann Winters
Treas. Lady — Nellie Jensen
Conductress Lady — Edith Wadenberger
Inner Guard — Rosella Nels
Outer Guard — Lou Rosenquist
3rd, 2nd and 1st year Trustees respectively: Jean Cross, Edna Reinhard, Violet Gibbons.
Chaplain Lady — Mary Keyes
Historian — Lillian Smith
Pianist — Helen Bell

The ceremonies were witnessed by a number of brother Elks, and fittingly climaxed a very busy and successful year for the ladies, during which they all worked together to further, in all ways possible, the charitable cause of Royal Purpledom.



LEA PARK BRIDGE

Young majorettes of the Lloydminster Citizens' Band twirl their batons just prior to the official opening of the new bridge across the Saskatchewan river at Lea Park. Quite an excellent view of the interior of the bridge is seen in the picture.

A SALUTE TO CANADA ON HER 91st BIRTHDAY, JULY 1

Once again our national holiday is upon us. On Tuesday next, Canada will celebrate her 91st birthday. What have we as Canadians accomplished in the past and what course should we lay out for the future? These are questions we would do well to consider.

Canada has come a long way since confederation. In the decade that followed World War II her development was the envy of the world.

Peter C. Newman, one of Canada's greatest economists, reported in 1956 in Maclean's Magazine: "For fifteen jittery years Canada has been growing faster than any county in the world. Most of the economists regard the long range outlook as unmistakably bright. If we continue the present economic gallop we could overtake the now higher U. S. standard of living by 1975, then go on to become the world's most prosperous people.

In recent years the U. S. research bureau has issued a report that Canada occupies a most favorable position in possessing a high ratio of resources to population. Present trends suggest that Canada may become a nation of 30 million people or more by the year 2000.

Canada's resource potential is tremendous. Her vast mineral deposits are still not completely explored. Her forests are a great natural asset. 'No country in the world has such great potential in hydro-electric power.'

'In terms of technology for resource development, Canada stands second to none.'

While our economic system functions unevenly at times and with certain deviations from what might be termed sound policy, Canada remains one of the greatest of all producing countries and we still enjoy the highest standard of living second only to the United States.

We have reason to celebrate our birthday. We can take our place with the other nations of the world and stand solidly on our own feet. We can face the future with confidence and optimism based on the reality of our [illegible]

Let the spirit of our national consciousness breathe Liberty, Equality and Fraternity, and we shall have the cement to build our nation, united, free and strong and we shall complete the noble edifice that we have planned, that we and our children may occupy it with pride. 'Canada, our Home our Native Land.'

—C. W. N. A.

THE WATERY GRAVE

Many a summer holiday in Canada which has been looked forward to with eager anticipation during the winter months ends in tragedy. In some cases a well loved child loses his or her life, sometimes the father, the mother or the entire family. In summertime the toll soars into thousands. People who can't swim, dive into deep water and can't get out, or hit their heads on submerged rocks through not investigating first. Grown men will stand up to change places in boats in deep water and drown one by one.

The Health League of Canada advises to be aware of safe swimming and boating practices at all times. Secondly to learn methods of artificial respiration to revive those who have been under water long enough to lose consciousness. This last point is of great importance for drowning victims will often exhibit symptoms of death and be given up for such, when artificial respiration will help. The victim may stop breathing and have no apparent heart beat and no eye reflexes.

On file at The Health League of Canada are cases where people have been brought back to life after being immersed for half an hour.

There are cases where people have been restored to life after eight hours of artificial respiration. Artificial respiration should be begun immediately the victim has been removed from the water, and not stopped, even in an ambulance on the way to the hospital until he comes around, or rigor mortis sets in. Four hours of artificial respiration is the least amount of time that it should be given.

The Health League of Canada advises people to learn artificial respiration methods. It can be learned in a couple of hours. Contact the St. John Ambulance Association, they will be most happy to give any information or instruction.

A man had seed oats for sale and he needed lumber. Another man had lumber and he needed a tiller. A third man had a used tiller but he needed seed oats. The first man traded his oats for the lumber, the second traded the oats for the used tiller and everyone was satisfied. That's one way of escaping the income tax.

GOOD-BYE TO ALL THAT!

THE Homemaker

EDNA E. CRAIG
District Home Economist
Wainwright, Alta.

Last week I included some tips for packing. This week I'd like to continue with this subject with a few more tips.

When Packing your suitcase pin the pocket flaps, collars, cuffs, on dresses and blouses in place so they'll be neat when you take them out.

Put cosmetics in unbreakable plastic containers. (Plastic is lighter than glass, too.)

Tuck in some wooden clothes pins (handy for hanging skirts, slacks, etc.); A worn out turkish towel cut into squares for disposable wash clothes on trains or in hotels; Plastic bags for lingerie, hose, gloves, shoes, cosmetics, swimming clothes, etc., take an extra one for soiled clothes; Those little extras like needle, thread, solid cologne, an emery board, band aids, small clothes brush, scissors, etc.

PARTY TREAT

If you're planning a shower party or a party for any occasion, try this party dip. It's good on potato chips or crackers.

CALIFORNA DIP

1 Pkg. dehydrated onion soup.
1 pint sour cream.

Thoroughly blend onion soup with sour cream. Cover and refrigerate until served. Keep leftovers refrigerated also.

ANNOUNCEMENT

This is the last newspaper column I will be writing for The Standard as I am leaving my position at the end of June in order to travel to British Columbia. I have enjoyed living and working here and will not forget the many friends I've made.

Before leaving I would like to thank you a through The Standard for your kindness and cooperation. Perhaps in the future I may meet some of you again. A new District Home Economist Miss Donna Shantz, will be taking over this position. You will meet her next week through this column.

Health Unit Notes

ACCIDENTS IN THE HOME

More adults and children have accidents at home than elsewhere. In the age group 1 to 14 years, 40% of fatal accidents happen in the home. An average of one person dies every 30 minutes as a result of a home accident. In addition, many are permanently or temporarily disabled.

Every child is curious, this is normal and it is wrong to discourage this inquisitiveness. The correct thing to do is to direct the child's curiosity into safe channels.

KITCHEN SAFETY

See that matches, knives, and poisons such as cleaning fluids are away from a child's reach. Watch pots and pans on the stove and turn the handles to the back to prevent serious scalding by the child overturning them on himself. Carefully watch electrical appliances and do not use frayed cord. Unplug all electrical appliances at the outlet when you've finished.

BATHROOM SAFETY

Leave medicines out of reach of your child and discard unwanted medicines and used razor blades. Never leave a child alone in a bathtub, a child can drown in the time it takes to answer the doorbell or telephone.

ROOM SAFETY

Good lighting in your home prevents falls and this is of the greatest importance on stairs and in hallways. Never leave children alone in a house, this carelessness often causes tragedy. Unscreened fireplaces are a constant source of severe burns.

Loose scatter rugs which cause many falls should be fastened down or equipped with non-skid attachments.

STAIRWAYS

Keep stairways well lighted always. Keep them free of articles such as toys over which people might fall. Loose stair coverings or stair treads account for many injuries.

PREVENTION OF HOME ACCIDENTS

Set a good example, and by teaching and showing your children safety in their home, you will be well rewarded.

Give your child an opportunity to do things in a safe way. If you let him light your cigarette occasionally he will be less inclined to sneak off himself to play with matches.

Not chance but carelessness is the reason so many youngsters die by accident in their own homes.

List the following telephone numbers: Doctor, hospital, taxi, fire department and police department, and keep this list by the telephone.

Prepare a first aid kit containing at least the following: Absorbent cotton, soap to be used with water for cleansing wounds, sterile gauze pads, bandages of one and two inches; adhesive, 1 inch, antispectic solution, scissors, band aids for minor cuts.

Wednesday, July 2 — Vermilion Health Unit Office) 10 to 12 noon; 2 to 4 p.m.

Thursday, July 3 — Derwent (School) 12 to 12:30 p.m.

Thursday, July 3 — Clandonald (School) 1:30 to 2 p.m.

Friday, July 4 — Dewberry (School) 1:30 to 2 p.m.

Goodbye and my best wishes to you.

Mrs. C. Sinclair Elected President Marwayne Home and School

MARWAYNE. — The last meeting for this season was held on Tuesday, June 10th with a smaller than usual attendance. The meeting opened with the reading of the Home & School Creed by the president, Mrs. Culford.

In view of the fact that our school is being enlarged and a new auditorium also, a motion was made that we keep our [illegible] and then see what is needed the most.

Mr. Gardiner is to contact the chairman of the local board, Mr. Hancock in regard to getting the teeters and swings fixed.

Some old unfinished business was brought up re name plaque for the school. The executive is to contact several schools that have plaques up and get information from them.

It was decided to buy a brief case for the secretary. Mrs. Culford then thanked all committees for their help the past year.

Election of officers followed:

President — Mrs. Cecil Sinclair

Vice-Pres. — Mr. R. C. Golightly (re-elected)

Sec.-Treas. — Mr. Jim Hale

The election of committees was left until fall owing to the small number present.

Mr Gardiner's class won the book for the month.

There will be a few more books available on the rental scheme for the lower grades this next term.

A short report and discussion on 'Teacher Housing' followed. Mr. Gardiner said that one teacherage will be built here this summer on the lot between Swan's and Spencers'.

The first meeting for the 1958-59 term will be held the second Tuesday in September, the 9th.

'The Bible Today'

A housewife and mother from the State of Sao Paulo, Brazil, took part in "The Sky is the Limit", a radio and television quiz show. She was the first contestant in the history of the program to answer questions on the Bible, and she also reached the highest level in the program's history, answering correctly a question worth about $6000.

In reporting the incident, the Commission Magazine said — "People were profoundly impressed with her knowledge of the New Testament and with the simple testimony which she always gave. The televiewers in general were seeing something they had never seen before — a lay-woman who reads the Bible regularly and uses it as a guide to her every day living."

The master of ceremonies of the show said that she had made more propaganda for the Bible than she had for the product which sponsors his program.

Last year more than 3,800,000 Scriptures were distributed by the Bible Society in Brazil.

Delene Dargatz Wed In Beautiful Double-Ring Ceremony

On June 14th at 2:00 p.m. a very beautiful double ring ceremony was solemnized in St. Paul's Lutheran Church, Mannville, when Delene Hermina Dargatz became the bride of Joseph August Smela. Delene is the oldest daughter of Mr. and Mrs. Herman Dargatz of Vermilion and Joseph is the only son of Mrs. A. Smela and the late Mr. Smela of Edmonton. Rev. E. O. Walker performed the ceremony.

The church sanctuary was very beautifully decorated for the occasion with baskets of carnations and cedar, while the altar was adorned with bouquets of carnations and fern.

The bride, given in marriage by her father, looked charming in a floor-length gown of Chantilly lace and nylon net over satin, with a Princess Grace neckline and lily point sleeves. Her matching fingertip veil was held in place with a coronet of white orange blossoms and pearls. She carried a beautiful bouquet of American Beauty roses, with streamers of rosebuds tied in white satin ribbon.

Attending the bride were Olga Polak of Edmonton, as maid of honor, dressed in yellow; first bridesmaid Mary Chestakouski of Edmonton, dressed in blue, second bridesmaid Helen Sadlosky of Edmonton dressed in rose and junior bridesmaid Diane Bauer of Mannville, dressed in nile green. The dresses of the bridal party were all styled along Princess lines and they wore matching headpieces and nosegays of apple blossoms and lily of the valley.

Attending the groom as best man was Alec Owcharuk of Beverly and supporting the groom were Andy Schumacher of Mannville, Mike Melchuk of Jasper and Larry Dargatz of Vermilion. The men of the bridal group wore boutonnieres of carnations.

Karen Bauer of Vermilion was flower girl and was lovely dressed in pink. She carried a basket of orange blossoms and lily of the valley. Randy Gavel, nephew of the bride was ring-bearer.

Ushers were Eddie Schrader and John Bader, both of Mannville.

During the signing of the register, Eleanor Watkins of Vermilion sang very beautifully "A Wedding Prayer".

Mrs. Lugg of Mannville was organist.

Following the wedding ceremony a reception for 175 people was held in the Legion hall Vermilion. The bride's table was covered with a linen table cloth, a three tiered wedding cake centred the table and on each side were double copper candle holders with white candles and bouquets of pink and white carnations. The wedding cake was embedded in white tulle and rosebuds.

Master of ceremonies was Mr. Ivor Eckland of Edmonton and toastmaster was Mr. Gus Lapp also of Edmonton.

The happy couple will make their home in Edmonton.

Out of town guests were: Mr and Mrs. Max Wiwchar of Athabaska, Diane Best and Herman Hamilton, Mr. and Mrs. Lornie Dargatz, Mr. and Mrs. Adolph Dargatz, all of Wetaskiwin, Mr and Mrs. Harvey Seuft, Lacombe; Mr Bill Dargatz, Entwistle, Mr Arden Pomeranz, Chilliwack, Mr and Mrs Gerald Lang, Talbot; Mrs. Gus Knapp, Hay Lakes; Mr. and Mrs. Leonard Knapp, Bertha Robins, Mr and Mrs Ed Meisner, Mr and Mrs. Gus Lapp, Mr and Mrs Ivor Eckland, Mr and Mrs Gibson, Mr and Mrs. McGinis and girls, Mrs A. Smela, Fred and Mary Sims, Mrs. Steve Pandura, all of Edmonton and many many friends from Mannville and district.

NEWS from ISLAY

The school teachers of this Division held a picnic Sunday afternoon at Lake Whitney.

Don and Grace Schaffer went to Waseca on Sunday evening on the Dayliner. They will spend a week with relatives.

Mrs. Helen McCaughan has her sister from Chilliwack, B.C., spending some time with her. She and a friend motored here, the friend going on to points in [illegible]

Mrs. Amy Baxter spent some days among old friends, stopping at the home of Mr. and Mrs. Bill Purves. Mrs. Sadie Beecroft tried out the new Dayliner and came down for over the week end. Both left Sunday morning, Mrs. Beecroft intending to spend a day in Vermilion with an old friend, Mrs. Harry Elliott.

Sunday school is discontinued for two summer months, reopening in September.

George Machell leaves Wednesday on a trip to Vancouver, from there by boat down the coast to one stop in California, then through the Panama Canal, to Trinidad, on to Le Havre, France, and England, arriving there July 21st. He leaves England on September 10th on the Saxonia to come home. George says to make arrangements for such a tour one would think it would take considerable time but Bill King had it arranged in six days. George goes on the Orient line.

On Friday evening Mr. and Mrs. Ev Inman and Gerald and Gladys and Muriel Stone attended Mrs. Batty's music recital in Kitscoty. Gerald taking part played "Rose Marie". It was a very lovely program.

The Teakey family were Edmonton visitors last week end.

Vast Multi-Million Gas Program for Alberta

Watch for a multi-million gas recovery program in Alberta that will involve construction of a gas cycling plant, extensive pipeline gathering systems and plenty of additional drilling, writes W. L. Dack in The Financial Post.

It is being planned by a three-company team: Hudson's Bay Oil & Gas, Canadian Fina and Pan American Oil Co.

The project, representing a possible ultimate expenditure of $93.5 million, would be designed to process wet-sour gas from established reserves in the team's 1.1 million acre spread in the Whitecourt area, some 100 miles northwest of Edmonton.

Bride-Elect Is Showered at Islay

ISLAY. — On Sunday afternoon a gathering of some 125 people gathered at Kenilworth for the usual summer picnic — which after supper materialized into a shower in honor of a bride-elect, Miss Gladys Svean, and fiance Mr Harold Roebuck. This was a complete surprise to the young couple. It took considerable time to open the many parcels and by that time they had collected their thoughts and regained their nerve. Harold spoke well, thanked the many friends and neighbors in a very fitting speech and Gladys also rose to the occasion and said "she couldn't be any happier and was delighted with the many beautiful gifts". Mr. and Mrs. Svean and the family from Rivercourse were present and met many of the folks. They too were delighted with the most happy afternoon.

The supper took the form more or less of a 'pot luck supper' and it was very much "luck", salads of every description, meats, cold chicken, home-made buns and good farm butter, pies, cakes, and more cakes and the best tea and coffee you ever drank. One big family, all sitting down together, a most enjoyable time was had. The men had a game of ball before and after supper and those who didn't play enjoyed a visit. Mr and Mrs Bill Roebuck of Vermilion and their daughter Marion of Edmonton with her two children, were also present.

Attends Session of Provincial Board

Sixteen of the 18 members of the Alberta Provincial Industrial Development Board, wound up their one day semi-annual meeting in Waterton Lakes National Park recently. They discussed all phases of industrial development and promotion in Alberta. Chairman of the meeting, and Deputy Minister of Economic Affairs, Ralph Moore said that although the National Parks in Alberta have been open only a few weeks, figures indicate that tourist travel in Alberta this year will be a new record.

Daniel Astavefly a statistician with the Department of Industries and Labour, said that towns and industries in the Province are not making full use of the statistics available in his department. Figures which he said could do much to attract more industry to Alberta.

Ken Ford, Calgary's Industrial Commissioner, stressed the importance of Public relations in Industrial Development.

Dr. J. S. Gregory of the Alberta Research Council emphasized that water is one of the essential raw materials of all industry, a commodity which some day may be in short supply. He said that some industries are presently re-using their water 3 or 4 times, so as not to place too much of a strain on the City's Distribution System.

The gathering lead by Richard Martland, Alberta's Industrial Commissioner, spent much of the afternoon finalizing plans for the 'Buy Alberta' Conference, being held in Edmonton June 17th. All resolutions that were approved at the meeting of the Provincial Industrial Development Board are passed to the Alberta Cabinet after Committee study.

Among those attending this conference was D. R. Mitchell, a member of the Provincial Industrial Development Board.

Teachers Feted At Derwent

DERWENT.—A farewell party was held for Miss Nellie Beber and a shower party for a bride-elect, Miss Jean Krashowski, at the home of Mrs. Alice Wysocki. Miss Beber was presented with an overnight suitcase and cup and saucer, and Miss Krashowski was presented with a set of stainless steel flatware and cup and saucer on behalf of all the ladies who gathered on that occasion.

Miss Beber and Miss Krashowski have been on the Derwent teaching staff for a number of years.

A three-act Ukrainian comedy play was well presented by the Buenvalien Catholic Women's League at the Derwent National Hall. A good crowd was in attendance.

Shower Over Campbell Lake

Heaviest precipitation over the farm home of Mr. and Mrs. Patrick McCambridge, Campbell Lake.

Caught in the shower and taken completely by surprise was Miss Doreen McEwan, eldest daughter of Mr. [illegible] M. McEwan of Lloydminster, and her fiance, Mr Robert McIntyre, elder son of Mr. and Mrs. Wm. McIntyre of Vermilion.

Upwards of thirty-five guests supplied the rain of good wishes and beautiful gifts with which this popular young couple was deluged.

A loaded B. A. truck, cleverly designed and made by Mrs. George Richardson ground to a stop in front of the bride elect and the gifts were unloaded and unwrapped. She was assisted by Miss Mary Ellen McIntyre and Miss Janet Hall.

Games and contests provided the silver lining, and a bountiful lunch brought the happy event to a close. Mrs. Orton Strome was in charge of the entertainment.

The good wishes of their many friends go with this happy young couple, may showers of blessings descend on them through a long and happy married life.

June Bride Honored At Shower

The home of Mrs. Curtis Wilson was the scene of a happy afternoon gathering recently in honor of June bride-elect Miss Cora Mahan. Co-hostesses were Miss June Gunderson and Mrs. G. Jensen. After a short time of games, Cora was presented with volume 1 and 2 of 'Volumes of Good Wishes' by two of the school teachers present, Misses Florence McKenzie and June Gunderson. The books when opened proved to hold many useful gifts of good wishes to the young couple. Cora then graciously thanked each one on behalf of herself and Fred.

An enjoyable lunch was served by Mrs John Wilson, Mrs. Len Noonan, and Mrs. George Jensen which brought the afternoon to a close.

Failings Take Two From Cardinals

Edmonton Failings Fastball ladies took both ends of a double header from the Vermilion Cardinals on Sunday. Both games were played on the diamond at the park and attracted good crowds of spectators.

WILDMERE WINKS

[illegible] was a nice attendance at church Sunday evening. Mr. Robinson had his parents and little brother here visiting him from Moose Jaw and they attended service too. They left Wednesday morning to spend a few days at a summer resort north of [illegible] before returning [illegible] to Moose Jaw. They took in Army day at Wainwright on Tuesday.

Also visiting at the Holte home over the week end were Mr. and Mrs. L. Latta of Edmonton. Mrs. Latta is Mr. Holte's sister. They too attended church at Wildmere Sunday evening.

We are indeed sorry to hear Mrs. Wm. Whitlock of Triangle is a patient in the hospital. All your many friends wish you a speedy recovery Ethel.

The annual meeting of Preston Central Home & School was held at the school Tuesday evening with a good attendance. In the election of officers Mrs. L. Alexander was voted president, vice-president Mrs. Forest Seale, secretary Mrs. J. Wallington; Program committee — Mrs. C. Cruthers, Wildmere, Mrs. Gilbert Harrison for Battleview, Mrs. F. Gibson for Brawood and one to be chosen for Triangle. The business was arranging for a school picnic for Friday, June 27th. Thorncliffe will also attend as there are only a few children there. Cliff Cruthers is in charge of the booth. Mr Leighton will look after the boys' and men's sports, Baillie Holte, the ladies' ball teams and races. Everyone is to bring lunch for the pot luck supper. Plan to attend and make it a day. Picnic is to start at 2:30.

[illegible] evening Wildmere [illegible] namely Frank [illegible] Albert Holte and Mrs. Wallington, also Mrs. Gibson and Mrs. Holte, was invited to attend a meeting at Mr and Mrs. Lloyd Everett's home in [illegible]. Mr. Powell, superintendent of Home Missions was present and gave a very interesting talk on his work. He is in charge from south Calgary to Whitehorse, Hay River and Yellowknife in the north. 43 students are under his supervision. Burton Seale, chairman of the Auburndale board thanked Mr Powell for his enlightening message. While lunch was being prepared Mr Robinson favored us with a few solos. A pleasant visit was enjoyed over a good cup of coffee and a tasty lunch. Mrs. Lloyd Everett is now the secretary of Auburndale church succeeding Mrs. Wear who retired this spring after fourteen faithful years of service.

Several from our corner took in the first day of Wainwright Stampede. All reported a huge crowd and a good program.

The writer visited on Thursday at the Cruthers' home. Mrs. Ken Shepherd is visiting with her parents this week while Ken is working out of Marlboro.

Mr and Mrs. Frank Gibson of Rosewood attended the music recital in Vermilion Friday evening under the leadership of Mrs. Roebuck. Mary Gibson studied music under the supervision of Mrs. Roebuck.

J Wallington attended the annual school meeting held at Kitscoty Saturday.

A watch to suit the graduate, the bride, the groom . . . a gift for any occasion.

E. GORLEY

Quality Jeweller

Vermilion, Alta.

Sixteen Years Ago

JUNE 26th, 1942

Heavy rain practically all day Tuesday gave way to intermittent showers on Wednesday and Thursday. 1.30 inches of rain had fallen by Thursday morning. 1.02 inches fell last week.

Red Cross campaign manager, W. P. Pilkie, announced on Wednesday that Vermilion and district's objective of $2,000, in the current Red Cross drive has been exceeded.

There are now fourteen producing oil wells in the Vermilion oil field. A total of 118 tank cars of fuel oil have now been shipped from the plant since the start of its operations on January 21. 118 cars mean some 27,000 barrels of oil.

At the annual track meet of the Vermilion School Division held at Kitscoty, Streamstown won the trophy for the highest aggregate standing.

32 Years Ago

JUNE 25th, 1926

On Tuesday the cream receipts at the Vermilion creamery were 203 cans, for which the company paid out in cheques the substantial sum of $1200.00. This establishes a record for one day at the local plant.

400 [illegible] lists for the school fair to be held in the fall have been printed and sent out to the various schools entered in the event.

An exceptionally heavy rainfall of 1.4 inches fell during the week.

300 acres of new breaking has been done in the Union district.

48 YEARS AGO

JUNE 23rd, 1910

At a meeting of citizens arrangements were completed for holding the big annual sports day and horse races on July 4.

Raymond Norton arrived from Carstairs and is at present residing on his homestead west of town.

West Bros. handsome new auto carriage has been doing [illegible] up brown around town and is much admired by everybody.

Editor Cooper's retriever Brownie gave birth to a little family of 14 fine healthy puppies last week. Another evidence of the phenomenal productiveness of sunny Alberta.

Rev H Day is having a large stable with loft and a driving shed built on the Anglican Church grounds. It is the intention to move the rectory to the front of the lots.

Albert West of Olds has accepted a position with Craig Bros., general merchants.

Letters to the Editor

The Standard does not hold itself responsible for opinions expressed by correspondents

Vermilion, Alberta,
June 23rd, 1958.

The Editor,
Vermilion Standard.

Dear Sir:

May I request, once again, the use of your valued space and time, to reply to the letter written by Mr. W. F. Stewart on behalf of the Vermilion Local, A. T.A.

Re Expenses of the track meet in relation to receipts. Don't you think, that by [illegible] the meet in a large centre [illegible] more money [illegible] during the day by more admissions, more concession sales etc., in catering to a larger crowd? As to an extensive project of grounds improvement, I ask "Why?". It appears to me that one of the best athletic parks anywhere is located in Vermilion. This combined with all the school diamonds would give a set-up second to none, without any "extensive project of grounds improvement".

As to distance. If these were days of country trails and horse and buggy conveyances, that would hold water. But with the modern vehicles, good gravelled roads and a black-topped highway, only minutes are needed to travel from the east-west boundaries of the division.

Now to deal with time, three-inning games, and the charge that I was inconsistent in regards to same. I pointed out [illegible] diamond was used so [illegible] and long [illegible]. To run off 7 [illegible] it takes 6 draws. Mr. Stewart says one hour and 15 minutes for a 3-inning game. Using one diamond that means 7½ hours of playing time with plenty of idle time for waiting teams.

On the other hand 5 inning games, on the same basis, would take 3 hours and five minutes—but — by playing those where facilities are to be had, use 3 diamonds to start, 2 for the second round and one, of course, for the final. This means three draws of 2 hours and 5 minutes which gives a total of 6¼ hours or a SAVING of 1¼ hours over the short 3-inning games and also eliminates any tedious five or six hour waits for teams to play. I can't see where combining facilities, eliminating waiting, and playing regulation games and still cutting down actual time is being inconsistent. This also makes the suggestion of a two-day meet superfluous as was the hint that track events be dropped. This certainly is not my wish.

As to turning over the event to [illegible] other organization — call [illegible] remark 'bait' or 'trade psychology', but it usually pulls out a reply and this is what was wanted.

Thank you, Mr. Editor. I have had my say in this matter and truly hope it has not gone amiss.

Yours sincerely,
"Slugger".

Break-In At Park Lake Booth

Attempted break in at the refreshment booth at the Vermilion park beach was discovered on Wednesday morning this week. The window had been pried open but for some reason nothing was disturbed. It is thought that the would be thieves were frightened off, possibly by a police patrol car.

The R. C. M. P. are making frequent patrols of the park areas and buildings.

Mrs. Tom Davis is operating the park concession this summer.

LOCAL NEWS

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Conrad Svean of Rivercourse announce the engagement of their second eldest daughter, Gladys Mildred, to Mr. William Harold Roebuck, son of Mr. and Mrs. W. L. Roebuck of Vermilion. The wedding to take place on Saturday, July 12th at 3:30 o'clock in Grace United Church, Lloydminster.

ENGAGEMENT ANNOUNCED

Mrs. Katie Jarosh announces the engagement of her daughter, Florence, to Mr. David Kaiser, son of Mr and Mrs. Albert Kaiser of Vermilion. The wedding will take place at the Holy Name Church, Vermilion, on Wednesday, July 16th, 1958 at four o'clock in the afternoon.

ENGAGEMENT ANNOUNCED

Mrs. Mary Deford of Clandonald wishes to announce the engagement of her eldest daughter Iva Mary, to Mr. Henry A. Dyker of Lethbridge. The marriage and reception will take place on Wednesday, July 9th at Clandonald. Friends and neighbors please accept this as your invitation.

The many friends of the family of Mr. and Mrs. James J. Part were interested to learn of the forthcoming marriage on July 7 of their eldest son, James William, to Miss Dolores Mary Ann Prefontaine. The wedding will be solemnized in the church of St. Therese of the Infant Jesus at Lisieux, Saskatchewan.

Mr. John Malek, his son Mike, Mrs Mike Malek and family were visitors to Vancouver where they visited Valerie Hillcox, daughter of Mr John Malek. The trip was made in Mike's '58 Chev. Valerie has just completed her senior matriculation, and has also purchased a new duplex house.

Mrs. A. Beecroft of Edmonton is spending some time in town renewing former acquaintances. While here she is a guest at the home of Mrs. Harry Elliott.

Mr and Mrs. Percy Willes plan to leave on July 11 via TCA for Brussels, where they will attend the World's Fair for a week. They will then visit in London, Scotland and possibly return to the continent for a further tour there. They will be away for six weeks. Only sixteen hours flying time is required for travelling from Edmonton to Brussels.

Mr. and Mrs. Wm. Isaac and children of Regina spent several days recently visiting at the home of Mr. and Mrs. Jas. Smith. While here they attended Air Force Day at Cold Lake. On their return to Regina they took with them two lovely Colorado green spruce grown by Doug Cooper in his nursery here.

Allan Sullivan, a graduate of the V.H.S. has now received his Master's Degree in Chemical Engineering. He and his father are presently on their way to Montreal for a visit following which Mr. Sullivan Sr. will go to see his sister in New Hampshire. Allan will be joined by a friend and they will go on to Brussels to attend the World's Fair. On his return to Canada Allan has accepted a position with Canadian Industries Ltd.

Recent guests at the home of Mr. and Mrs. G. W. Sutherland were the former's brother and wife, Mr. and Mrs. R. A. Sutherland and little daughter Lynda of Westlock.

John Barnes of the Canadian Bank of Commerce staff has received word of his imminent transfer to the new branch of the Commerce in Edmonton.

Rev. Father Lanirigan plans to leave soon by Canadian National for a trip to his old home in the Maritimes. On the return he will stop at Oshawa and pick up a new car for his journey home.

Mrs. Victor Kusek and baby son Murray Duane of Grande Prairie, are spending two weeks at the home of the former's parents Mr. and Mrs. Ashley Cooper. Vic also spent the past week end here, returning as far as Wagner where he is working this week.

Miss Betty Giles was an Edmonton visitor over the week end.

Mr. and Mrs. Leonard Giles are away on a two week vacation.

Mrs J. T. Fyfe of Edmonton is a guest of Mrs. Lloyd McFadden this week, and is renewing many old friendships.

Mr. and Mrs. Melvin Hill were in Saskatoon last week end to visit Mr Hill's brother who is ill.

Mr and Mrs R. J. Elliott of Lodgepole, Mr Clarence Elliott of Edmonton and Mr. Arthur Elliott of Fort Saskatchewan were in Vermilion last week end visiting their father Mr. A. W. 'Wib' Elliott who is in hospital.

James Mundy of the Livestock and Poultry Division of the Canada Dept. of Agriculture, was transferred this month from P. E.I to Ottawa. Mr. Mundy is well remembered locally as he is a graduate of the Vermilion School of Agriculture.

Wally E. Duncan, Vermilion's Dairy inspector, will discuss "Dairy Situation and Outlook" at a Dairy Field Day at Mallaig on Friday June 27th.

Miss Frances Puckett, nurse-in-training at the General hospital in Edmonton, is spending this week in town. On Sunday Frances and sister Margaret will leave by Canadian National for a three weeks' vacation in Vancouver and other coastal points.

Mrs. Osiuchuk and granddaughter Sylvia plan to leave this week end for Toronto where they will visit the former's son.

Mrs. A. Cameron returned to her home on Sunday from a three weeks' visit to Haney, B.C. where she visited her daughter and family Mr and Mrs. John King. While she was there Mr. and Mrs King received an official invitation to be among those B.C. citizens to be presented to the Princess Margaret on the occasion of her coming visit to Victoria at the Government reception. Mrs Cameron says that all the B.C. towns and cities are gayly decorated for the Centennial celebration.

The many former friends here of Mr and Mrs. Jas B Bell former high school principal will be interested to learn of his recent transfer to Warner, Alberta from Spirit River in the north country.

Mrs. G. Lovell of Edmonton is visiting at the homes of her sons north of Clandonald for a few weeks. She says it's nice to get out into the country again at this time of the year.

The following additional donations have been received in memory of the late Mr Barney Powell: Cemetery Fund Logan Gow, Myrtle and Larry Kehoe. Spiritual offering Mr and Mrs. Ed Toner; Sympathy card: Camille Goutier and family.

The name of Camille Goutier and family was omitted from the list of those making spiritual offerings for the late Mr Bernard Powell.

WATER SKIING

Salter, Calgary.

HOTRODDING DANGEROUS
Sitting in front of a 25 or 30 horsepower motor is a wonderful form of summer fun. But remember, hotrodding on the water is just as dangerous as it is on the highway. Play safe for more fun afloat. tf

TOLLAND PICNIC
Picnic at Tolland on Wednesday July 2nd, softball, kiddies' races, dance at night. Sponsored by the Tolland F. U. A. Supper booth on the grounds.

News from Tulliby Lake

Stanley Walterhouse left last week for Uranium City where he will seek employment. Stan has made arrangements with Doug Cooke to take his crop off this fall.

Mr and Mrs. Walter Barnett are down from Uranium City visiting friends and relatives in the district.

Many local residents attended the official opening of the Lea Park bridge on June 13. We were pleased to hear Dean Benson singing along with his guitar on the local talent portion of the program.

Mr and Mrs. Floyd Larson of Winnipeg are renewing acquaintances in the district.

Mr and Mrs. Frank Fox have their daughter Elsie, visiting with them.

Mr J E. Adamson, Art Adamson and Mr. Doug Donnelly of Meadow Lake were visitors in the district over the week end.

Mr and Mrs. Forbes Park are the proud owners of a new Studebaker car.

Mrs. Tom Belshiem took her sister back to Edmonton recently. She was accompanied by Mrs Bjarne Belshiem.

Here is further information on the Tulliby Lake 4-H Calf Club [illegible] day held on Saturday, May 24th. Johnny Marsh came out on top with his sister Kathleen winning second. Denny Maas received third. Johnny was awarded two additional prizes, a cup and a lariat. Kathleen received one extra prize, a picture album. The judging contest was won by Denny Maas. Bertha Dyrvik was second. The prize for showmanship was won by Denny Maas, and Jeanne Belshiem received the prize for the best groomed calf. After the show the single fellows played the married men in a game of softball and were defeated by a score of 9 to 4. Several races were also run off.

Mr and Mrs. Gordon Larson of Ponoka are visiting their many friends and relatives in the district.

Roger Morris was unfortunate to hurt his hip while swinging at school. After spending two weeks in the Elk Point [illegible] he is now convalescing at [illegible].

Mr and Mrs. S A Marshall [illegible] down from Edmonton last week end for a short visit.

Douglas Adamson is home. He is employed at a branch of the Royal Bank in Edmonton.

Saturday May 31st was field track meet day for the schools of the Vermilion S.D. The children of Tulliby Lake Central school journeyed to Streamstown to take part in the various events such as jumping, races, etc. Then on Friday, June 6, the winners all travelled to Kitscoty to take part in the finals there.

After visiting his many friends and relatives in the district, and attending to some business matters here, Gordon Walterhouse has returned to his home at Sardis, B.C.

Mr and Mrs. Eddie Rodgers and family of the Fort Pitt district were visitors in the home of Mrs Mollie Behrens last Sunday evening.

Ian Forbes is giving a helping hand at the Ingvar Belshiem residence.

With the official opening of the fishing season many of the local people are planning expeditions to their favorite fishing haunts in efforts to land that 'big' one.

On Sunday, June 8th we happened to notice Charles Gullickson, Eric Rotherham and Leslie Ferris motoring up to Ross Lake. They reported a catch of two dozen frying - pan appetizers, a few of which they gave away to some folk who had not been so lucky that day.

The local employees keep moving about. Leslie Ferris has left his job with Cecil Trimble.

Sorry to report that Judy Carmichael has not been feeling too well lately.

PIONEER AUTO WRECKERS — We are wrecking the following cars and trucks with all parts available — Chevrolets, 1957, 1953 hardtop, '53, '51, '49; Fords, 1953, '50, '49; 1950 Monarch; Dodges, '54, '49, '46; 1949 Prefect. TRUCKS — 1949 Austin ½-ton; Fords '51 1 ton, '50 ½-ton, '49 1 ton, '[illegible]; Dodges, '49 1 ton, '51 [illegible]; Internationals, '49 ½-ton, '[illegible] ½-ton. Many others, both cars and trucks of all years. [illegible] parts are now available. PIONEER Auto Wreckers, Lloydminster, ph. [illegible] (after hours phone [illegible]). [illegible]

Canadians Are Not Fashionable But Always In Style

"Canadian women don't dress fashionably, but they're always in style."

So says Charlotte Whitton, the ex-mayor of Ottawa, whose judgment and wit are equally sharp. In this case, however, she was parodying Elsa Maxwell's epigram regarding the late Queen Mary.

Miss Whitton, like Canadian women across the country, has at heart the interest of four Canadian housewives whose fashion sense and sewing skill are now on trial in New York.

Competing with 31 U. S. contestants in the Third Annual $124,000 Singer Sew-Off, these four Canadians have their hopes set on top prizes of $25,000, $10,000, $5,000, $2,500 and $1,500. They are at present fashioning a dress for a professional model. Winners will be announced June 11th.

Canadian sewing aces are Mrs. Marcel Lamoureux, Preville, Mrs. W. E. Cuff, North Bay, Mrs. Ronald Havelock of Calgary and Mrs. Currie Carmichael, Toronto.

Miss Whitton, whose grandmother was an expert needlewoman, has noticed an increase in the quantity and quality of sewing at church bazaars. Accounting for this, she feels is the fact that today's women are seeking a more satisfying use of their spare time.

WATCH THOSE CLOUDS
A good skipper always watches the weather. When a storm threatens, head for the closest safe anchorage. If a storm overtakes you on the lake, stay low, throttle down, and head into the waves. Play safe for more fun afloat. tf

Marwayne News Items

Mr and Mrs. Walter Barnett of Uranium City are spending a three week vacation visiting relatives and friends in the district and they also attended the opening of the Bridge.

Mrs. Mina Hunter, St. Paul, Minn., one - time resident of the Elgin district, is visiting her sister Mrs. Elmer Parker and other relatives here.

Visitors at the Berg home are Mrs. Berg's brother and his wife, Mr and Mrs. Imrie of Vancouver while Mrs. W. W. Shaw has been visiting with her sister Mrs. Ashworth and also spent a few days with Mrs. Holmes.

Sorry to report that Mr. C. Hollington has been seriously ill in the Islay hospital, however he is now making satisfactory progress.

Congratulations go to Dr. and Mrs. Berg and to Mr. and Mrs. R. Gipps (nee Myrna Bacon) on the birth of sons and to Mr. and Mrs. Art Bobroski and Mr. and Mrs. H. Pashniak on the birth of daughters in Lloydminster hospital.

Miss Jean Milne, Edmonton spent the week end at the home of her parents Mr. and Mrs. R. Milne.

Iona Parker, Lamont, along with a friend had one day at her home.

Miss Eunice Gray is attending Farm Young Peoples Week at the U. of A. sponsored by the Marwayne F. W. U. A.

Dates to remember this week are the F. W. U. A. Tea and Bake Sale in the Elks Hall Friday afternoon, June 27 and the Anglican W. A. Lunch and Bake Sale on Saturday evening, June 28 in Mr. Elliott's office.

With the Little Leaguers, Islay defeated Marwayne 11 - 5 on Friday evening in Marwayne.

LIGHTS ON BOATS
Did you know that ALL boats, including canoes, rowboats and sailboats, must carry lights on the water after dark? Find out what the regulation lights are for your craft. Never take a boat out at night unless it has the proper lights required by law. Play safe for more fun afloat. tf

Marwayne Wolf Cubs Report Active and Enjoyable Year

MARWAYNE. — The Cubs have met weekly on Thursdays at 7:30 p.m. in the Grade 4 room of the school under the leadership of Mrs. Martha Hutchinson with the Misses La Quienne Baldwin and Irma Hannis as assistants.

Cubs who went up to scouts in January were Dwight Berg, Arthur Crichton, Jackie Culford, Donnie Curtis, Stanley Moorehead and Walter Fairbairn.

There are now 20 Cubs ranging in ages from 8 to 12 years. 7 more have now reached the age for going into Scouts this fall, they are Allen Johnson, Wayne Hale, Robin Elliott, Jim Burla, Herbie Manson, Denny Fleming and Wesley Shaw.

Proficiency badges worked for are Collector, Gardener, Artist, Homecraft, Toymaker, House Orderly and Team Player.

A tobogganing party was held after school in February at Johnsons, after which they returned to the school for a hot supper.

On May 29th a Father and Son banquet was held in the Elks hall at which there were 61 present.

Official guests at the banquet were Mayor John Spence; Rev. A. E. Potter, Scoutmaster; Mr. Ted Carson, assistant Scoutmaster; Mr. Lloyd Berg and Mr. J. Gardiner as members of the Group Committee. Mr. Gardiner is also a Cub father.

Wesley Shaw said 'Grace' before they sat down to a sumptuous supper on tables decorated with lilacs.

A toast was made to the Queen: Rickie Hutchinson proposed the toast to the parents which was ably replied to by Mr. R. Johnson.

Second Stars were awarded to Wayne Hale and Rickie Hutchinson by Cub Leader M. Hutchinson and proficiency badges awarded to those who merited them.

A presentation was made to the Cub Leaders.

Larry Hillaby gave the closing prayer.

Since this date more Cubs have passed their tests qualifying them for the Second Star.

There will be no more Cub meetings until September.

The three leaders deserve very high praise and thanks for their time and work so willingly given for the little boys.

The Cubs are sponsored by the Elks Lodge while the Scouts are sponsored by the Home and School Association and there were two group committees. This, the Scout Commissioner said, was an odd arrangement and not too satisfactory, so a joint committee was formed of Elks members and Home and School members which is now functiong and is responsible for both Cubs and Scouts.

NEWS from KITSCOTY

Visitors one day last week at the home of Mrs. A. McClelland were her nephew and niece, Mr. and Mrs Mason McClelland of Winnipeg.

Miss Sylvia Sheppard of Edmonton spent the week end here visiting with her parents, Mr. and Mrs. C. H. Sheppard and sisters Donna and Patti.

Mr and Mrs. Carl Franke of Fort Saskatchewan were week end visitors here at the home of their parents Mr and Mrs. A Franke and Lloyd.

Mr. and Mrs Bill Govier and girls of Edmonton spent the week end here visiting with their folks Mr. and Mrs. A. W. Govier and family.

Congratulations are extended to Miss Jean Moore, daughter of Mr. and Mrs Everett Moore who was awarded the Ladies Auxiliary to the Canadian Legion Kitscoty Branch annual twenty-five dollar scholarship for a grade nine pupil on Thursday, June 19 in the Tracy memorial hall. Mrs. Cliff Miller, vice president made the presentation to Jean after which the L. A served lunch to the fifteen grade nine students and two of the teaching staff who were present, i.e. Mrs. R D Trask and Mr C A Richardson, principal of the High school.

Congratulations are extended to Mr and Mrs. August Johnson (nee Miss Lois Graham) of the Kinnaird district who were married on June 20 at Lloydminster in Grace United Church.

We regret to report Mrs. J F. Finlin is again a patient in the Lloydminster hospital. Best wishes are extended to her for a complete and rapid recovery.

The afternoon and evening group W A of St John's Anglican Church will hold a Strawberry Tea, bazaar and bake sale on Friday, June 27 in the Tracy Memorial hall from 3 to 5:30 p.m.

A cordial invitation is extended to all so please come and bring a friend.

Unsinkable Boat

The Financial Post reports an unsinkable plastic boat which weighs only 15 pounds, yet even when completely filled with water it can still support a 250 pound person. It measures only 5 feet long and 2 feet 5inches wide.

WATER SKIING
Water skiing is lots of fun. But remember, there must be two people in the boat — one to drive the boat and the other to watch the skier. tf

Mannville and District Local News

Recent visitors to Mannville were Mr and Mrs R. Allen, accompanied by Jim Ryan.

Rev Shell, Mrs Shell and the family were visitors to the capital last week.

Mannville is getting its face lifted as most of the business places are having their exteriors painted, and are taking on a new look which is most attractive.

Mr and Mrs George Henry (nee Ella Towne) were Mannville visitors here on Monday of this week.

A number of Mannvillites were represented at the Wainwright Stampede held last week and are reported as enjoying the occasion.

James Croft is home for part of his holidays, having spent some of them at the coast. He visited Mr. and Mrs. Sen Arnold and Mr and Mrs E. Ambler while there and enjoyed Victoria very much.

Stellaville W A ladies held a tea, bake sale and sewing sale on Saturday last in the Anglican parish hall. Keeping open after the piano recital proved a wise decision and a good sum was realized from the day's work.

Mr and Mrs George Jackson celebrated their 47th wedding anniversary on Sunday last having been married in 1911 in the coronation year of George V and Queen Mary.

At a recent shower held for Maryanne Gartner many useful and beautiful gifts were received for which the bride elect thanked all present in a few well chosen words.

A good rain has again been received by Mannville and district.

Paradise Valley

The Paradise Valley W.A. met at the home of Mrs. G. Venner on June 3rd at 8 p.m. with Mrs. H. Deaville as co-hostess. There was a good attendance of members and one visitor. The Christian Citizenship committee reported that there had been a very good response to the Salvation Army donations of used clothing. The last load was much too large to be taken by car and Mr Tucker Rayson very kindly took it in by truck for which the W. A. wish to extend sincere thanks. Plans were made for the annual Strawberry tea and bazaar which was held in the United Church basement on June 19th. This was a big success and the W.A would like to thank all who helped in any way.

Final plans were made for catering to the Block wedding on June 8th. Help from the Blocks in taking down tables on Saturday afternoon was appreciated.

It was decided to clean the church and Sunday school on the afternoon of June 28th.

The next W.A. meeting will be held in the United Church Sunday school room on July 2 with Mrs. G Guy and Mrs. C Ball as hostesses. This will be in the evening at 8 o'clock. Please note change of days on account of the holiday.

United Church Sunday School picnic will be held on the sports grounds on June 29th. Everyone is welcome.

Here's a tip for week end skippers — Don't overpower your boat.

World's largest-selling chassis lubricant
it stays on the job!
TEXACO MARFAK
Scientific farmers everywhere prefer Marfak chassis lubricant for their tractors, combines, trucks and cars. They give these 5 good reasons:
1 Marfak sticks to bearings and wear points better, longer.
2 Marfak seals out dirt and grit.
3 Marfak won't wash out, jar out, squeeze out.
4 Marfak prolongs life of bearings.
5 Marfak allows longer periods between lubrications.
No wonder more than [illegible] million pounds of TEXACO MARFAK have been sold!

Lose Wedding Presents in Fire

Mr and Mrs. Joseph Smola who were married recently in Mannville, had the misfortune to lose all of their wedding gifts, valued at approximately $1000, in a fire while the gifts were being taken to the newlyweds' home in Edmonton. The bride's father Mr Herman Dargatz, and her brother Larry were taking the wedding presents to Edmonton packed in the van of their light truck. On crossing the bridge at Beverly smoke was noticed coming from the back of the truck and investigation revealed the entire interior of the truck box a mass of flames and smoke with all the contents destroyed. Travelling along the highway had kept the smell of smoke and the fire from entering the truck cab. Mrs. Smola is the former Delene Dargatz.

Wilf Carter Coming To Lloydminster

The always popular Wilf Carter show is coming to Lloydminster Saturday July 5th at 9 p.m. This marks the 9th year Wilf has been touring Canada and he will have with him his two very talented daughters, Carol and Sheila. Carol is now 13 and Sheila is 15 years old. In this year's Wilf Carter show the girls do singing, yodeling, ballet, tap dancing as well as playing the accordian and guitar. The throngs who have attended Wilf's shows other years will be anxious to see how the two Carter girls have progressed.

Also in the all-star supporting cast will be the return appearance of well-known Ward Allen, the champion old-time fiddler on Sparton records. Ward receives many requests for his recordings both at radio stations and the record stores.

Bob King and Joe Brown — both recording stars, are in the Wilf Carter show. Bob King records for R.C.A. Victor and Joe Brown is on Sparton records.

Ken Davidson and Vince Lohnes are two other very versatile musicians in the troupe of ten. Also an added attraction of two beautiful dancing girls from Carol and Sheila's dancing class in Winter Park, Florida. This all adds up to another evening of family entertainment at its best. As Wilf Carter says, "The Family show with the folks you know". 50-1

BIRTHS

McKINNON — Mr and Mrs. Seymour McKinnon, Vermilion, on June 20th, a daughter, Gloria Joan.

BRER — Mr. and Mrs. Fred Brer, Kitscoty on June 20th, a son.

MOORE — Mr and Mrs. Shirley Moore, Vermilion, on June 21, a daughter.

Funeral Services for Edwin Throndson

Funeral services for Edwin Albert Throndson, son of Mr. and Mrs. Gus Throndson, were held on Wednesday June 25 at the First United Church, Vermilion at 2 o'clock. Interment followed in the Vermilion cemetery. The Rev C. W. MacKay officiated.

Edwin, the second son of Mr. and Mrs. Throndson was born here and grew up on the family farm at Clandonald. Two years ago he rented out the farm which he had purchased from his parents, and went to Yellowknife where he has since been working.

On Sunday, June 15, Edwin, in company with two friends, Mike Kolson and Peter Beachamp, went on a fishing trip to a point some 25 miles north of Yellowknife on the Yellowknife river at a point near Cameron Falls. Apparently a boating accident took place and all three men lost their lives. There are rapids in the river at that point. When the men failed to return, an aircraft sighted the wreckage of the boat near the falls. The bodies were not recovered for some time, first that of Kolson, then Beachamp and lastly on Sunday afternoon, a week after the accident, that of Throndson.

Edwin was not married. Kolson leaves a wife and seven children and Beachamp a wife and six children.

Edwin is survived by his parents in Vermilion, 2 brothers Alvin of Clandonald and Theodore of McMurray, and two sisters, Mrs Enoch Lundblad of Valleyview and Mrs Ralph Strome of Clandonald.

Miss Ileen Shattuck left by North West Airlines from Edmonton last Friday to attend the American Home Economics Association Convention, with a two day stop over at New York City on the way to Philadelphia, Penn., where the convention is to be held, June 24 to 27. On the return trip, two days will be spent visiting with Miss Vivian Lui of Hawaii who is a Holy Names College Dietetic graduate, now interning at the Walter Reed Army Hospital in Washington, D. C.

Ileen was chosen by her Home Economics club, Chi Delta Chi, to represent the club and Holy Names College, Spokane, at the national convention. Chi Delta Chi awarded Ileen the club honor, 'Miss Homemaker of 1958.' This is awarded to a senior in Home Economics, who has contributed most to club in her four years at college.

On her return she will continue working with Canadian Utilities until fall, when she will return for her masters degree in electrical living at Ames, Iowa.

Rotarians Talk Senior Ciizens Home To M. D. Council

It was all business and no entertainment at the Rotary Club meeting last Friday noon.

President-elect Jim Robson reported that a delegation from this club interviewed Vermilion River Municipal Council recently about building a senior citizens' home in this area. They were very well received and it is hoped that this municipality will join with M. D. of Minburn and the Town of Vermilion in establishing this long needed institution in the district.

Bill Sutherland reported that following the appearance of the North Battleford band on July 6 bands had been arranged for every second Sunday. A silver collection will be taken up at the park. Money collected is passed over to the band to help meet expenses.

Alex Palin reported that the Little League baseball team sponsored by the Rotary Club had won six games out of six starts.

Carl Heckbert introduced two guests, Bill Wagner and Jack Taylor of Edmonton. Alex Palin had as his guest Ed Rogers, Dean of Men at the School of Agriculture, Olds, Alberta.

Ben King reported that the Rotary Club at Lloydminster is planning on having a club meeting and outing at Vermilion Lake on July 6th.

Reg Mitchell, past president of Vermilion Club, was chairman of the meeting.

Many Attractions Planned For Visitors' Day at Vermilion Park

Many attractions are being planned for a special visitors' day at the Vermilion Park, Sunday, July 13th. Besides the softball games featuring the "Falling Supplies" ladies' team from Edmonton, diving and swimming exhibitions, boating, a horseshoe tournament and a number of other features are in the process of arrangement.

Among the visitors present will be Dan E. Campbell, Director of the Alberta Travel Bureau.

A film for the evening is being planned by Mr Bell of the National Film Board, Edmonton.

The refreshment booth will have in addition to regular supplies, hot coffee, hamburgers and hot dogs.

A registration desk will be provided on the beach area at which all visitors will be requested to register. From this register, the various prize-winners for visitors will be picked.

Mayor M. Hill will officially welcome the visitors in a short informal ceremony at 2 p.m.

Horseshoes for the day are in charge of Elmer and Leo Kreller.

Programs, listing the many events of the day, will be printed shortly.

DeMille's Masterwork "Ten Commandments" Hailed Greatest Production in Film History

Cecil B. DeMille's Production "The Ten Commandments", acclaimed by the nation's press, advance audiences and ministers of all faiths as an overwhelming motion picture experience and the all-time pinnacle of movie-making, will begin its local engagement on Friday, June 27th at the Columbia theatre.

Ten years in the planning, three years in research, three years in the writing and more than a year in the actual shooting, the masterwork of the screen's master showman is by far the biggest production in film history. Utilizing the talents of a massive cast of top stars and the best technicians the industry has to offer, the Paramount picture backgrounds an eternally dramatic and meaningful story with spectacle that has been called colossal in its scope.

The dramatization of the Book of Exodus stars Charlton Heston as Moses, Yul Brynner as his implacable enemy, Rameses II, Anne Baxter, Edward G. Robinson, Yvonne De Carlo, Debra Paget and John Derek.

Starring also are Sir Cedric Hardwicke, Nina Foch, Martha Scott, Judith Anderson and Vincent Price, with even the "supporting" roles played by a long list of stars. Extras number upwards of 25,000 and were hired for the Egyptian location shooting by the tribe.

Running three hours and 39 minutes the Vista Vision, Technicolor film is the account of the life of Moses from the time his mother set him afloat on the Nile, through his years as a mighty general in the Pharaoh's army, to his betrayal and exile to the desert, and finally his deliverance of the Israelites and his receipt of God's Commandments. Many scenes were made on Mount Sinai itself, on the shores of the Red Sea and on the very desert sands that felt Moses' footsteps.

From its premiere performances on, the film has been receiving extraordinary acclaim for its awe-inspiring re-creations of the building of the Pharaoh's treasure city, the Plagues, the Exodus, the Pillar of Fire, the etching of the Commandments in the stone of Sinai by the fiery finger of God and the miracle of the parting of the Red Sea.

Death and Funeral Of William Holmes

The community of Paradise Valley was shocked at the sudden passing of William Holmes which occurred on June 2nd at his farm home. Mr Holmes had suffered from a heart condition for several years. He was born at Madoc, Ont., Dec 4, 1907, the son of Ernest and Pearl Holmes. One brother [illegible] died in early childhood. Mrs. [illegible] Teasdale (Jennie) the only sister survives. Bill came West in the spring of 1918 with his mother and sister. On [illegible] 2nd, 1938, he was married to Iva Phillips at Marmora, Ont. Two dau[illegible] were born to this union, [illegible] and Phyllis. He leaves to mourn his death death a loving wife, daughters Isobel and Phyllis, one sister Jennie, one brother Harvey and stepfather Ira McLeod.

Funeral services were held from the United Church, Paradise Valley. Interment was in the Orville cemetery. Rev. Mr. Potter of Kitscoty conducted the service. W J Sirett Sr was at the organ. Pall bearers were Messrs Charlie MacKay, Earl Dow, Robert Adams, Arnold Nickle, Francis Wiley and W.A. McLean. Moore's Funeral Home of Lloydminster had charge of arrangements.

A very large number of floral tributes and memorial donations were received.

CARD OF THANKS

Iva Holmes, Isobel and Phyllis and all members of the family wish to express their deep gratitude to everyone for the sympathy and help during their bereavement. This kindness will long be remembered by the family.

Hon. Gordon Taylor Addresses Rotary Club At Evening Dinner

The minister of Highways and Telephones, Hon. Gordon Taylor spoke to the Vermilion Rotary Club at Friday's dinner meeting. The club was entertaining 16 contestants in the car rodeo held during the same afternoon so it was [illegible] appropriate that the minister [illegible] present to speak to them.

Mr Taylor said that the road, the [illegible] and the driver were the [illegible] important items to consider in any programme of accident control and reduction. There were 3,000 deaths in Canada last [illegible] from [illegible] accidents.

Mr. Taylor said that the better the roads, the fewer the accidents, so his department is building safety into the highways of the province. Regarding vehicles he stated that the owner of the vehicle is responsible for the road worthiness of his car or truck in case of accident. A driver must have his vehicle under control at all times. Many drivers are too daring and foolish in operating cars and trucks.

Mr Taylor went on to say that everyone requesting a driver's license for the first time in Alberta must pass the driver's test. It is expected that all drivers will be called up in due time to take this test as well new drivers.

The speaker was introduced by Ashley Cooper who related the historical record of the minister from the time he went to school in Calgary until the present. Reg Mitchell thanked Mr. Taylor on behalf of the club for his very fine address.

Mr Jack McKay, Director of Safety Education, Edmonton also addressed the meeting. Mr. McKay said that the winners of the three contests would be eligible to compete in the provincial finals to be held later on this year. Mr McKay complimented the winners and all the contestants for their good driving and high scores.

Another guest at the dinner was R. J. Lawson, Traffic Inspector for the Department of Highways.

The only visiting Rotarian at Friday's meeting was Archie Miller of Lloydminster. Archie brought a friend by the name of Julius Toth with him. Kirk Alfke introduced George Law who had charge of Beaks's Drug Store for the past couple of weeks.

Geo. Webb was chairman of the meeting. He thanked the speaker and welcomed the guests and visitors.

MARWAYNE

Edmonton visitors and former district residents at the Bridge opening were Mr. and Mrs. Fred Marfleet, who stayed at the Rea home; Mr and Mrs. Robert Alton; Mr. Alex Peterson; Mr. George Gray; Joyce McLean; Mrs Bernice Mathews; Mrs. L. Johnson; Ken Atkinson; Marion and Norman Murray and Grace Brown; and Bernice and Mack Hancock from Wainwright.

Pleased to report that Mrs. MacDonald Sr. and Mrs. Jno. Doull are home from the hospital. Mrs. Jno. Boyce, Mayo Landing, Yukon, is visiting her parents Mr and Mrs. Jno. Doull.

Mrs. Carpenter, Riverton, spent a week with Mrs. Hackel.

Mrs Bobroski, after spending some time with daughters and sons in and around Edmonton, came back by car with Mr. and Mrs Walter Bobroski.

In the Senior hard ball game on Tuesday, night, Fort Pitt won over Marwayne 5 -4.

In the 1st game of the Little League series, Marwayne defeated Dewberry 9 - 3 at Dewberry on Wednesday evening. The next game in this series will be in Marwayne on Friday the 20th with Islay.

Congratulations to Mr. and Mrs. R. F. Tyner on the birth of a son Donald Earl in the Lloydminster hospital.

Mr. Pat Freehill is staying at the home of his daughter and son in law, Mr and Mrs. F. Wheat.

In the awards for the 4 - H Clothing Club, Jackie Crichton received the highest number of points for her work but owing to Jackie being an efficiency winner in the calf club last year, and having had the week at V. S. A. this honor has been passed on to Betty Ann Murray, who had the second highest number of points. Jackie will receive the pinking shears donated by the T. Eaton Co., in September, if she continues in the club.

The doll raffled on June 13 by the F W U A was won by Wanda Ratcliffe of Marwayne. The F. W. U. A Conference will be held in Marwayne School on Sat., June 21 and visitors are cordially invited to attend the afternoon sessions. The regular F. W. U. A. meeting was held on Monday, June 23rd at the home of Mrs. Ollie Midgely.

St George's Anglican Church is holding a parish picnic at the farm of T Burke on Friday evening, June 20 at 7:30. All members are cordially invited to attend.

Dates to remember: The Altar Society's Bake Sale on Saturday, June 21, the F W. U. A. Tea with proceeds going to J Papp on Friday afternoon, June 27 and the Anglican W. A. Lunch and Bake Sale on Saturday evening, June 28.

Wm. Novak Guest Speaker At Mannville Commencement Exercises

MANNVILLE. — Interest was quite apparent in Education as a large crowd attended the Junior High Commencement exercises held in the high school gymnasium Thursday evening last. The master of ceremonies was the genial A. Toronchuk, Industrial Arts teacher.

The program commenced with the singing of "O Canada." Mr. Toronchuk made all those present very welcome on this occasion, and expressed pleasure at the number in attendance.

The students entered the gym through the side door and filed in to their places on the stage to suitable music played by Miss Donna McCauley, the music teacher. Mrs. Park of the teaching staff introduced the students as follows: Clarence Majeau, David Clennett, Harry Rathje, Bernice Pollakowski, Beatrice Chrysler, Richard Watling, Donna Hansen, Harvey Phillip, Edna Patterson, Dianne Mytrunec, Edna Patterson, Evelynne Jackson, John Duffy, Allan Manz, Jim Sargeant, Annie Sywenky, Ian Vandusen, Doris Lynch, Loretta Brokop, Robert Panter, Ron Fleming, Gene Schreyer, Tom Laidler, Karen Nicholson, Edna Winters, Jean Wright, Lorne Miskiw, Doris Schroeder, Eleanor Keuschnig, Myrna Whitson, June Weaver, Evelyn Ross, Audrey Modin, Gordon McLaughlin, Ken Mercer, Allan Doherty, Einar Christensen, Donald Gausvick, Janet Gerhart, Victor Pedersen, and Jacob Smart, forty students in all.

Rev Ian Holter offered the Prayer of Invocation. R. Whitson, M.L.A., and school trustee, while congratulating students on nine years of achievement, urged them to finish their schooling, and expressed the hope that he would see the same faces on the stage again in three years time when they should become high school graduands. Mr. B Facey, superintendent of schools for the division, expressed deep pleasure at being present, and spoke of his first visit to Mannville when many of the present students were in grade 3. They were now grade 9 students and as such had been assuming more responsibilities, and here, with a touch of humor, they would sometimes act like adults now and then like children. Mr Facey wished them success in their exams with the hope that they advanced to University.

A vocal solo by Kenny Johnson was beautifully rendered.

Mr. H. Doherty, school principal, introduced the guest speaker of the evening, Mr. Wm. B. Novak, principal of Vermilion junior high. Mr. Novak began by stating that though anecdotes may be used by guest speakers, 'Commencement Exercises' were a serious matter. He expressed himself as most impressed by these same exercises. Taking as his theme "What is your job attitude?" Mr Novak stressed loyalty to teachers, advocated honesty to oneself, and told students to be prepared to do a little more. Asking the question "How long should I attend school?" and in answering the speaker advised "until the authorities advise you to leave". "Be co-operative, aim for the top, hitch your wagon to a star", said Mr Novak, glancing in agreement to the commencement theme in decorations.

Following presentation of the awards, a vocal duet was very sweetly sung by Ruth Hughes and Doris Stewart "I'm Forever Blowing Bubbles" their voices blending beautifully throughout.

Class Valedictorian was Eleanor Keuschnig who spoke of the extra special feeling of students who wish and hope to become high school students. Like graduands, she said, of high school, they too are entering a new phase of life. With these students on stage nine years were spent, many of them being rough ones, bumps and bruises were received over this period of time, but "what path" asked Eleanor "to success is not rough?" Speaking with a touch of nostalgia regarding the past years she expressed a wish that she might see the same familiar faces in high school as she did in grade 9. She reminded students as had other speakers before, that to continue meant success. The address was given with sincere conviction. The grade 9 pupils wish to thank all those who helped make their big night such a success. The girls on the lunch committee also thank most wholeheartedly the mothers who came out so willingly to help them with the sandwiches.

A much enjoyed dance followed.

Bowtell Bulletin

Since writing our last news we have had some nice rains and lovely sunshine. The crops and gardens are coming along very well.

Jack Semeniuk is noticed at the wheel of a nice new G.M.C. truck.

Quite a number from this district enjoyed the square dance at Camrose Saturday night.

Mr and Mrs. D Harrison visited Friday evening at the home of Mr and Mrs. J Repp.

Some fifteen enjoyed a birthday supper with all the trimmings on the lawn at the Robinson home Sunday. The occasion was Margaret's 15th birthday.

Mr and Mrs Freestone and family enjoyed a fishing trip over the week end while visiting relatives at Cold Lake.

Alcoholic beverages can now be purchased on the Super Continental and the Continental in all provinces except Saskatchewan.

DEWBERRY NEWS

BRIDGE OPENING

Dewberry was well represented at the Lea Park bridge opening on the 13th. Several of our old timers were introduced to the public. Sunny weather favored the proceedings, and the parade was a lengthy and spectacular one. Congratulations to the people of Marwayne for their all-out effort. Much hard work and thought was needed to make the event the success it was.

The writer was honored to be introduced to the Hon. Premier and Mrs. Manning, also Mrs. Aalborg. The Hon. Anders we already knew.

BRIDE ELECT SHOWERED

A shower was held in the United church on the 9th for Miss Doreen Fluney prior to her marriage to Mr. Ronnie Johnston. Around twenty-five ladies attended. Assisting the bride-to-be in opening the gifts were Mrs. A. Russell and Mrs. D. Bowman. Mrs. Margaret Fry recorded the gifts which were in a large box nicely decorated white and pink paper. After the many beautiful and useful presents were passed around and admired, Doreen thanked everyone for their kindness and thoughtfulness, and invited all to the wedding reception. A bountiful lunch was served by the ladies who had arranged the shower.

SWIMMERS HAVE EQUAL RIGHTS

Boating is fun, but remember that swimmers have EQUAL rights on Canada's waterways. Don't fool around and show off near swimming areas. Approach a dock with care and at low speed. Play safe for more fun afloat. tf

Heat Resisters

Heat - resisting plastics may prove to be a better long-range bet than super-alloys and ceramic combinations, reports The Financial Post. Some researchers believe that their resilience and light weight will be determining factors in missile work that is now a major industry.

Pupils of Miss Donna McCauley Present Piano Recital

MANNVILLE Pupils of Miss Donna McCauley and those of Mrs. H. Allen and Miss E. Gadke presented a most delightful recital of musical numbers varied with piano, vocal solos and piano accordion selections.

Once again, Douglas Livingstone starred in the role of master of ceremonies, and there was never a dull moment, even after he had a bout with the Bubble Gum Band's chewing gum back stage. Vocal solos were rendered during this programme by the following: Frankie McCauley well sung and accompanied by Donna McCauley. Faye Ellen Peden, sweetly sung, good interpretation, accompanied by her mother Mrs. R. Peden. Walter Prill accompanying himself did a well liked number and with assurance. Brian Scoggins, in his usual popular and clever style accompanied by Donna, and Audrey Polishak accompanied by Sharon Polishak. Piano accordian numbers were offered by Gordon Watling with good time and very well played. Robert Christianson, good expression. Dean Jacula, much enjoyed by all. The Bubble Gum Kids Band was composed of piano accordians, xylaphone, drum, flutaphone and piano and the rhythm was excellent as was their musical ability.

"Jack and the Beanstalk," another musical presentation was very good with Doris Johnstone as narrator. Mavis McCauley, an extremely young artist amazed guests with her own piano composition called "Flight of the Satellite." No one will be surprised to see her name in lights if she continues in this manner.

Pupils assembled were from Minburn, Vermilion and Mannville district and taking part in all the numbers were Shirley Hauck, Richard Ackerman, Barbara Woywitka, Georgia Watling, Donna Prill, Charlotte McLaughlin, Lorraine Watling, Jan Evans, John Evans, Betty Coulter, Connie Keating, Audrey Tomyn, Gertrude Prill, Marty Park, Linda Willes, Judy Gerhart, Brian Scoggins, Janet Clark, Bonnie Proudfoot, Thelma Rustad, Mary Anne Noonan, Dianne Whitson, Ruth Hughes, Frank McCauley, Karen Hubbard, Walter Prill, Helen Pheasey, Glenda Brennan, Geo. Pheasey, Joanne Leitch, Pamela King, Dawn Kreiler, Berna Cotter, Lynn Kreiler, Allan Doherty, Dianne Yaceyko, Arline McLaughlin, Kathleen Barlow, Gordon McLaughlin, Sharon Polishak, Myrna Whitson, Douglas Livingstone, Dean Jacula, Betty Willis, Kenny Mercer, Ellen McLaughlin, Elaine Rea, Murry Ross, Jackie Hasinoff, Faye Ellen Peden, Edith Gadke, Mavis McCauley, John Bauman, Russell Willes, Audrey Polishak, Richard Brennan, Judy Allen, Nadine Hart, Doris Johnstone, Rose Anne Feenstra, Lorene Ross.

Perfect attendance for the following was rewarded by Miss McCauley promising the first lesson in September free for Jackie Hasinoff, Allan Doherty, Myrna Whitson, Dean Jacula, Gordon McLaughlin, Judy Gerhart, Robert Christianson, Lorene Ross and Nadine Hart. Flowers in the form of a bouquet of carnations were presented to Donna from her pupils and also a gift from her Vermilion, Mannville and Minburn pupils. Pictures of the pupils were taken at the conclusion of the recital. Donna is to be congratulated as well as the assistant teachers on the success of the recital which showed many hours of careful preparation.

EQUAL RIGHTS ON WATERWAYS

You're a lucky guy if you own a high-speed outboard runabout. But remember that the canoe, rowboat and sailboat have equal rights on Canada's waterways. Slow down when passing other boats, or docks where boats are moored. Play safe for more fun afloat.

Here's a tip for week end skippers — Don't overpower your boat.

NEWS from ISLAY

The track meet at Kitscoty on June 6th was quite a day. Islay brought home three medals, won by Raymond Kowalski, Sharon Redmond and Jim Shaw and the girls' ball team won the 'B' cup.

For the Little League ball games on June 11th, Marwayne won over Dewberry and Islay won over Kitscoty.

We had a good look at a big beaver in the slough south of Mr Podzilka's home — the birds were surely avoiding him.

Mr Dave Buchanan enjoyed an outing one day recently when Jack McNeely and George Machell took him by wheel chair around the town. After 18 months he thought it still looked much the same.

The monthly meeting of the United church was held at the home of Mr. and Mrs. William Waterfield. It was a lovely day and a good attendance was recorded. As it was the last meeting at which Mrs Lois Karlsson would attend, a parting gift was presented to her, a souvenir of Islay in the form of a special wooden jewel box presented by the secretary, Mrs. Schafler. Mrs. Karlsson replied fittingly. Though not long with us, she will be greatly missed as she had been most helpful at all of our events and with her shorthand and typewriter made quick notes when the occasion arose, which was quite often during the past few months.

The W.A. was pleased to have such a good attendance at the Strawberry social. Among the many were three ladies from Lloydminster radio station, Mrs. Libby Young, Mrs. Brown and Mrs. McKay. The W.A. wish to thank the Little League ball players for changing their game from Wednesday to Thursday for our social.

The flowers in the church on Sunday June 8th were in memory of the late Mr. Neil McEachern, placed by the family from Ontario, Mrs. McEachern, Catherine and Mary.

Mayor Hawrelak Commends Board For Neighborly Banquet

Mayor William Hawrelak of Edmonton pleased an audience of 124 ladies and gentlemen at the spring banquet sponsored annually by the Vermilion Board of Trade, giving an entrancing talk which he titled "We Look Forward". He commended the Vermilion Board for conceiving the idea of such a neighborly gathering as was evidenced. "Nothing", he said, "is as important as being neighbors together as this leads to common understanding". Mr. Hawrelak in his address first looked backward to Dominion Day 1867, when the Fathers of Confederation came together to plan for the kind of tomorrow, we, their descendants, are enjoying today. Truly they showed great vision, they built well, they built a structure of the kind we want. He traced the development of Canada from the union of Upper and Lower Canada, to the coming in of the tenth province only 9 years ago, touched on the development of industries, stating that agriculture continues to be our basic industry because it continues to produce the basic requirements of life.

He too, painted a vision of Canada's tomorrow from where we stand today — of northern development, of a second trans-continental highway, the Yellowhead route, the causes of oil and natural gas in Alberta and our responsibility for the use of these for Albertans and Canada generally. Two old-fashioned convictions, "Hard Work" and "Planning for Tomorrow" can well be kept in mind. Build the kind of future we would like to see tomorrow. A great opportunity lies in the hearts and minds of of all of us as they did in the hearts and minds of the Fathers of Confederation in 1867. If we can foresee as well, there is no doubt of the future of our great nation.

At the conclusion of a truly remarkable and inspiring address, Mayor Hawrelak was suitably thanked by Mr. Tom Watts who spoke for the entire audience when he said he hoped that Mr. Hawrelak would soon again address a gathering here.

SIXTEEN COMMUNITIES REPRESENTED

The second feature which contributed to an outstanding occasion was the attendance of representatives from every one of the Boards of Trade, Chambers of Commerce, Community Associations and municipal districts invited. These guests were warmly welcomed and were introduced individually by Mr. Ashley Cooper as follows:

Islay Community Assoc. — W. McLean, Ivan Inwan.

Dewberry — Neil Jones, Alf Purstr.

Kitscoty — Milton Christofferson, Clarke Richardson.

Wainwright — J. Morgan, John Davidson.

Vegreville — Joe Fedechko, W. Pidruchney.

Lloydminster — Harold Fossey, Russell Robertson.

Innisfree — John Pahyk, Wm. Taylor.

Marwayne — John Spence, John Reinheimer.

Elk Point — Dr. D. Didow, Ronnie Barwick.

Mannville — A. E. Williams, Maurice Mercer.

Derwent — George McConnell, John Franko.

Myrnam — Carl Navalkowsky, R. Conner.

Clandonald — Peter Thiessen, Wm. Davis.

M. D. of Minburn — Castle Scott, Roy Hay.

M.D. of Vermilion River—Reg Kay.

Town of Vermilion — Mayor Hill and C. E. Thompson.

Mr. Cooper also introduced Mr. A. E. Shortell of Lloydminster, 2nd vice-president of the Alberta Associated Chamber of Commerce; Mr. Russell W. Whitson of Mannville, member of the Alberta legislature for Vermilion constituency, and Mrs. Whitson.

Mr. E. A. Locke, president of the Vermilion Board of Trade was chairman for the enjoyable occasion. In his remarks he thanked the ladies of the Legion W. A. for the delicious turkey banquet, and commended the entertainment committee of Jas. Champion, Mr. Kaiser, Leo McKernan and secretary F. J. Richardson for the well-arranged and promoted event.

A very enjoyable sing-song was led by Mr D. C Folk with Mrs. Folk playing the piano accompaniment. Following the singing Mayor Melvin Hill suitably introduced the guest speaker Mayor Hawrelak.

The final speaker on the program was an old friend Mr. A. E. "Bert" Williams of Mannville, who lauded the Vermilion Board of Trade for their activity, and expressed ably and well, on behalf of all the visitors present, sincere appreciation and thanks for holding such an enjoyable event.

Town Gets Increased Grant From Provincial Government

The $15,000,000 distributed to municipalities by Alberta's Social Credit government in the form of grants amounts to approximately $12.93 per capita. This compares to $8.25 per capita distributed in 1957 and $1.90 per capita in 1956.

The grant to the Town of Vermilion this year is $24,043; to the M.D. of Vermilion River $189,791; M.D. of Minburn $141,250.

A list of the grants to surrounding villages of the area will appear in the next issue of the Standard.

Bible School At United Church Starts July 7th

The United Church will hold a vocational Bible school under the direction of Mrs. Blanche Christianson commencing on Monday, July 7th at 9 a.m. The school will be held daily except Saturday from July 7 to 18.

The sessions last from 9 to 12 noon each morning. All children from 4 to 14 years are invited to attend.

To Supervise Kiddies' Playground

Miss Merlyn Smith, daughter of Mr. and Mrs. J. A. Smith, is at Red Deer Composite school this week taking a course in playground supervision. Merlyn was sponsored by the local Kinsmen club and will be in charge of the Kinsmen wading pool and kiddies' playground on her return this week end.

Sponsor Car Driving School Here

A car driving school will be conducted in Vermilion commencing Saturday, July 12th under the joint sponsorship of the Alberta Motor Association and the Vermilion Rotary Club. Dual control cars are used with expert teachers supplied by the A.M.A.

Application forms may be obtained from the local R.C.M.P. or from D. R. Mitchell, secretary of the Vermilion Rotary Club.

Les Brown, Mannville, and Fred Muzichuk Split $1,000 Prize

Les Brown of Mannville and Fred Muzichuk of Punnichy, Sask., each went home from the Vermilion Curling Club bingo last Saturday night $500 richer. Les came from Mannville especially for the bingo while Fred was visiting friends in town for the week end and accompanied them to the rink for the event. They were the only two to bingo for the $1000 in cold cash.

Fourteen other lucky winners took home either $50 or $25 cash prizes as follows: $50 winners were — Matt Leslie, Clandonald; Duncan Locke, Edmonton; Mrs. Wm. McGinnis, Vermilion; Mrs. Nick Wasylik, Vermilion; Mrs. Pauline Nadurak, Myrnam; Mrs. B Rowley, Lloydminster; Jim Moses, Vermilion; Paul Wasylichen, Vermilion. $25 or split prizes went to Mrs. Ethel Thompson, Vermilion; Mrs. E. Pankatrow, Derwent; Mrs. Geo. Reasbeck, Vermilion; Mrs. Wm Hall, Vermilion; Fred Brooke, Buffalo Coulee; Mrs. Wm. Scales, Vermilion; Herman Rohrer, Vermilion.

The crowd was not as large as one month ago but the Club expects to net some $300 on the effort.

Home Building Lots Continue In Demand

The regular meeting of the Council, Town of Vermilion, was held on Monday, June 16th with Mayor Hill and Crs. Cooper, Locke, Rowe, Sutherland, Thompson present.

Correspondence: The Town of Vegreville re Northwestern Utilities Ltd.; Board of Trade re Spring dinner meeting; Harris, Fingarson & Co., re audit; R.C.M.P. re pay period; Dept of Industries and Labor re E. H. license; L. J. Rasmussen re arena entertainment; Hospitals re capital charges; I.O.D.E. re tag day.

Lot Sales: Nick Stoyko, Lot 11, Blk. 28, Plan 635V; Roy Pedersen, Lot 6, Blk. 34, Plan 635V; A. M. White, Lot 8, Blk. [illegible]

Building Permits: Mrs. Annie E. Terry addition at Lot 21, Blk. 13, Plan 6847S; Harvey Tebbutt, garage on Lot 12, Blk. 28, Plan 635V.

Other business: Mrs. E. Doherty rental Lot 7, Blk. 29, Plan 635V. Appoint enumerator.

The following motions carried:

That I.O.D.E. be granted permission to hold a tag day the second day of Vermilion fair, July 25th.

That a license be granted to E. H. Smith to operate the service station on highway 16, known as "Crossroads Service".

That Nick Stoyko be sold Lot 11, Blk. 28 Plan 635V for the sum of $150, subject to by-law covering sale of lots.

That Lot 6, Blk. 34, Plan 635V be sold to Charles Roy Pederson for the sum of $300, subject to by-law covering sale of town lots.

That Annie E. Terry be given a permit for addition to her house on Lot 21, Blk. 13, Plan 6847S as per specifications.

That building permit be granted Harvey Tebbutt to construct a garage on Lot 12, Blk. 28, Plan 635V, as specified on application and subject to building by laws.

That H. J. Payne be appointed enumerator for Town of Vermilion for 1958 voters' list.

That Gordon Williams be engaged half time, or 22 hours per week to look after parks and lawns, effective June 15.

Meeting adjourned.

Monarch Manager Is Transferred

Mr. Bob Watt, manager of the Monarch Lumber Company here since that firm purchased the business from R. H. Norton, is being transferred and will return to a point in the province of Manitoba. Prior to commencing his duties at the new town, Bob has been given two months leave of absence. Consequently, Mr. and Mrs. Watt and the three children, Joanne, Ken and Bill, will leave this Thursday for a trip to the west coast. En route they will spend a few days at the Calgary stampede while visiting relatives there. They will then go to New Westminster B. C., on to Victoria and Duncan B. C.

Relieving manager at the Monarch here until a new appointment has been made is Mr. Darrell Iverson.

W. M. S. Officials To Preside At Opening of New Cold Lake Hospital

Mrs. C. Maxwell Loveys, Home Missions Secretary of the W.M.S. of the United Church of Canada, accompanied by Mrs. C. R. Patterson, 1st vice-president of the Dominion board of the W.M.S., will arrive from Toronto early in July to open the new Cold Lake hospital on July 8th at Cold Lake, Alberta.

It was necessary to build a new hospital to replace the old Cold Lake hospital, named after Rev. John Neil of Toronto and opened in July, 1928. The new hospital will accommodate 25 patients and will serve not only Cold Lake but also the surrounding districts.

Miss Leah Rogers is the superintendent of this new Cold Lake hospital and Dr. Margaret Savage is the Medical Missionary serving there.

Heavy Penalty for Wasting Fish

It has come to the notice of Game Officers that fish are being caught in the Vermilion park lake and left lying on the bank. Party or parties doing this are guilty of an infraction of the law which states that it is unlawful to catch fish and waste them. There is a very severe penalty for those violating this regulation. Game officers have informed The Standard that a strict watch will be kept on the fishing in the Vermilion lake and river, and anyone found catching fish and wasting them will be dealt with severely.

On one occasion this past week a young man caught twelve fine jackfish. He killed each one as he caught it, and then left them all lying on the bank with the remark that he didn't want the fish, he just caught them for the sport of it.

From now on violators of the law, if apprehended, will be dealt with most severely.

Catch only what you can use — let the rest live!

Complete Mastery Over Lloyd. Jockeys

Jones, Pollard and Allen Sweep Stock Car Races Here Sunday

Last Sunday at the Golden Speedway in Vermilion saw rambling Ray Jones introduce his new car to local fans with a bang as he had a field day at the expense of competing drivers.

Jones handled his powerful new 'iron' beautifully and placed in the money in every race in which he ran. After the dust had settled, Ray had driven off with two firsts, a second, a third and a tie in the Australian tag, and had jumped from second last to third in the point standings.

Earl Pollard, the circuit's top man, once again won the feature race and in addition picked up a second and a third.

Running second to Pollard in the point parade is Gordie Allen and Gordon had another good day as he drove his black 'bomb' to a first, second, third and fourth place finishes.

Sunday's races proved to be the best of the year and the management and drivers all did their best to make the day what it was. They are to be congratulated on a fine show.

Another feature of the day's racing was the Vermilion Drivers apparent mastery over the Lloydminster jockeys, as all day long the locals were out - driving the boys from the 'greatest stock car racing city in the west.'

The following is a list of the season's top point men: — Pollard 25 points: Allen 18, Jones 12, Harrower 9, Kohn 3.

All Stars Win At Mannville Sports

At the Mannville sports on Tuesday the Vermilion All Stars team won the men's fastball tournament, first prize being $80.

In the ladies' fastball the Edmonton Truckerettes team took first and Viking was second.

The pony league ball event saw the Mannville pony-leaguers win first money.

Vermilion All Stars won 4 straight games to cop the big $80.00 prize in the men's fastball at Mannville on Dominion Day. They defeated Triangle 10 - 6; Irma 7 - 5, Lavoy 18 - 5 and the Garneau Indians 8 to 3. In this final game Murray Millar pitched a four-hitter, an extraordinary achievement in men's fastball. Murray pitched the first and final games with Andy Redford hurling the centre two.

Masons of Three Lodges Instal Officers Here

Masons of three lodges, Kitscoty; Hope Lodge, Mannville, and Vermilion installed their new officers at a joint ceremony held in the Masonic Temple in Vermilion on Tuesday evening. The installation was in charge of Hope Lodge, Mannville, with Wor Bro J Shaw as installing officer and Wor Bro. O L Myhre as director of ceremonies.

Following the installation, refreshments were served by Vermilion Lodge. The newly installed masters, immediate past masters, grand lodge officers in attendance, and visitors from other than the three lodges directly interested, were called on for remarks. The toastmaster for the evening was Bro. Harry Hamilton, newly installed Junior Warden of Hope Lodge, Mannville.

The officers installed for each of the lodges for the ensuing year are:

Farm Women's Week Offers A Holiday That's Different

Information about a variety of interesting and important subjects to women will be offered ladies attending Farm Women's Week at Vermilion's School of Agriculture. Time is set aside for fun and relaxation too. Dates are July 7-10 but you can come for one or all four days. Baby sitters will be in attendance.

Monday's program includes: "Drawn Fabric Embroidery" by Miss Helen Mosseson, Clothing Specialist and 'Landscaping and Home Gardening' by P. D. McCalla, Alberta's Supervisor of Horticulture.

The next day caters chiefly to personal beauty with headings like "Housework Can Keep You Young," by Mrs. Bernice Hucal, Home Economist. 'Your Duty to Beauty' by Miss Mosseson, and "Foundation Garments" by Miss Alberta Braugh, Johnston Walkers Ltd. Edmonton, just to mention a few.

Want to find out about sweet doughs and quick breads, shopping intelligently, mental health for your family or even laying of a lino tile? These are Wednesday's talks and another one is 'Make the Most of Your Freezer and Frozen Foods.'

The last day covers tips on Millinery, and 'Charm' by Kay Adams, Director of Peggi Adams School of Self Improvement. 'Suggestions from a Lawyer' will be given by R. Vernon Johnson, Barrister and Solicitor, Edmonton for the ladies and their husbands. Husbands are invited to the special program and banquet on Thursday. Write to the Principal of Vermilion School or your District Home Economist for an application and program.

Pioneer Museum Opens, Elk Point; 5,000 Antiques

ELK POINT — The Pioneer Museum at Elk Point will be open to the public on Sunday, July 5th from 1 to 10 p.m.

This museum which is becoming well known over a wide area, consists of over 5000 articles including pioneer objects, antique guns, Indian relics, mounted life, fossils, historical musical instruments, a 1908 automobile, a high-wheeled bicycle as well as many other articles of historic interest.

Anyone having any articles they would like exhibited are asked to bring them along.

Successful In Music Exams

The following is a list of successful candidates in examinations held recently by the Royal Conservatory of Music of Toronto in Vermilion. The names are arranged in order of merit:

GRADE V THEORY
Counterpoint
Honours — Donna McCauley

GRADE IV THEORY
Harmony
Honours — Donna McCauley

GRADE III THEORY
Harmony
Honours — Jean Holman.

GRADE II THEORY
First Class Honours — Sharon R. Isley, Gordon McLaughlin, Elizabeth A. Willes, Edith C. Gadke, M. Merlyn Smith.
Honours — Jean Pus.
Pass — Sharon Polishuk, Ellen McLaughlin.

GRADE I THEORY
First Class Honours — Julia A. Kaiser.
Pass — Sharon Martin.

Two Vermilion High students, Elliott Urquhart and Dave Smith are working for Canadian Utilities for the summer. They will make their headquarters at Bonnyville.

Two-Year Course For Girls Re-instituted At The V. S. A.

A year of instruction in the domestic sciences prepares the way for efficient homemaking but because of the importance of clothing, foods and home management it is felt two years will be still more profitable. Consequently a new arrangement will take effect at the Schools of Agriculture at Olds and Vermilion this fall, announces J. E. Hawker, Superintendent of Alberta Schools. Girls will have the opportunity of taking a 2 year course, or a one year course providing they have 70 credits and a 'B' standing.

Graduates from 1957 and '58 who took the 1 year course may, if they so desire, add still more to their skill and knowledge by taking an extra year.

Elective high school credits obtainable are increased from 16 for the first year course to 20 for the 1st year of the two year course and 23 for the second year. Twenty - two credits are available for the 2 in 1 course.

Annual Fair Promises To Be Gala Event

A mere three weeks away, Vermilion's annual exhibition is shaping well with exhibit interest being exceptionally keen. Some of Alberta's and Saskatchewan's outstanding light horses will be on hand to add to the already keen competition of the Vermilion Light Horse Show which has achieved an enviable reputation in recent years and it is expected that the heavy horses will also be well represented. This year a lady, Mrs. M. Ellard of Calgary, one of Western Canada's keenest horsewomen will place the awards in the light horse sections.

Competition in cattle and other livestock will be high and judging from the number of enquiries in regard to the school fair and the ladies' classes the exhibit halls will be filled to capacity. Miss Jean Allanach of Mannville has kindly consented to permit the showing of her magnificent collection of dolls from practically all countries of the world and an unusual opportunity will therefore be given to all patrons of the Fair to see this fine collection, many of the individual dolls having been the gift to Miss Allanach from members of the Royal Families of various countries or from prominent personalities.

PARADE WILL START THE EXHIBITION

All district organizations, business men and young folks are invited to take part in the monster parade which will be held at eleven a.m. on Thursday July 24; three bands will be available to enliven the proceedings and awards will be made at the grounds immediately the parade reaches the race track in field. It is hoped that floats from all businesses and organizations will be taking part and it is pointed out that only three weeks must elapse before the Fair is here.

GRANDSTAND ATTRACTIONS OUTSTANDING

Word reaching the Fair office from Weyburn and Estevan where they have already started the Western Canada circuit indicates that the Tom Drake Agency of Chicago has an outstanding group of performers gathered together to provide entertainment for the large crowds expected to attend the Fair; a resume of the attractions will be given in next week's issue of the Standard and a fine program is assured. The Jimmie Sullivan midway will again provide entertainment for old and young and a number of entirely new features have been added to the midway to make it more attractive than ever.

HIGHLAND GAMES ON SATURDAY

The Fair Board, in conjunction with the members of the Reserve Army have taken over the St Andrew's Highland Games, due to demand for their continuance and the Saturday afternoon of the Fair will largely be given over to these competitions. Members of various Highland Societies from all over the west have indicated that their members will be competing and a number of splendid trophies will be available.

ADDED FEATURES

The Vermilion Kinsmen Club will again offer tickets on a fine new car and the draw will take place on Saturday evening, July 26. Members of the club should be contacted for tickets. In addition to having the opportunity to win a car, all who contribute will be assisting in the desirable community work for which the club has earned an enviable reputation.

The famous Sheep Dog Trials will be held and offered to the public at no extra charge; Scotch collies trained to the highest degree are almost human in their work with the sheep and this performance alone will be worth a trip to Vermilion's big Fair on Thursday, Friday and Saturday, July 24, 25 and 26.

ADVANCE TICKETS AGAIN AVAILABLE

Despite ever rising costs of the operation of the annual exhibition the Directors of the Agricultural Society have decided to make advance tickets available at four for $1.00; these tickets are good for gate and grandstand and will be offered for sale starting on Saturday of this week. The number of tickets printed has been limited, so that all who desire to effect a saving in taking an entire family to the Fair would be well advised to secure their tickets early. A single strip costing only one dollar, is good for admission at main gate and grandstand for an adult and this cost is very considerably lower than at other fairs on the circuit; the Vermilion Board has always believed that low cost admission makes it possible for entire families to attend, and although operating costs have vastly increased over the year, no increase in admissions have been brought into effect up to the present time. Cash admissions at the gates will be fifty cents for an adult and twenty - five cents for children over 12; grandstand admissions will be one dollar for an adult, or three advance tickets, while a child over 12 will be required to produce two advance tickets or 75 cents and a child under 12 one advance ticket or fifty cents. In view of the limited grandstand accomodation, it is essential that everyone pay at the grandstand and a review of prices at various fairs will reveal that the charges at Vermilion are little more than half those of any other fair in the west.

The Vermilion Standard
VERMILION, ALBERTA
S. R. P. COOPER — — — FOUNDER
ESTABLISHED 1909

Published Every Thursday at the Office, Main Street
Authorized as Second Class Mail, Post Office Dept., Ottawa
COOPER BROS. — PUBLISHERS
VERMILION, ALBERTA, THURSDAY, JULY 3rd, 1958

The Standard Begins Fiftieth Year of Publication . . .

This is the first issue of volume 50 of The Vermilion Standard. This means that this newspaper has served the town and district for forty-nine complete years and this issue sees a start made on the golden anniversary year. Forty-nine years is a large portion of a lifetime and that period in town places The Standard among the pioneer businesses. Indeed only three other firms have never changed actual ownership, Stephens Ltd, Craig Bros. and Long's Drug Store during that span of years.

Looking at the first issue back in 1909 and perusing the advertisements it is noted that Stephens and Craig's were the big advertisers then, as now. To the best of the Standard's knowledge while other firms have come and gone these two have never missed advertising in a single issue of The Standard.

From the number and variety of the advertisements in the opening issues it was quite apparent that every business man, retail service and professional was anxious to impress on the general public that Vermilion was the place to come to do business of every kind and that every firm was prepared to do its part in helping The Standard to advertise Vermilion.

Of Many Things . .

By AMBROSE HILLS

ADVERTISING

The other day a merchant in a small town told his editor that he had decided to stop his advertising and save money.

The editor had an answer for him and a darn good answer.

Okay said the editor. "And while you are at it why not stop your watch and save time?"

The merchant, fortunately got the point. He is advertising more heavily than ever which means he is doing what is necessary to make money rather than lose money. You don't save any money by stopping advertising any more than you save time by stopping your watch.

Of course if you have a poor watch, you ought to change it. And if your advertising is not paying off you ought to make it better. Too many merchants get less results than they should from their advertising because they give it so little of their attention.

Advertising ought to be prayed over. I've known merchants with very little education, who could prepare an advertisement as well or better than some of the experts on Madison Avenue. They do a lot of thinking about their customers and what the customers would be looking for at each season.

When an advertisement appears it is always wise to clip it and show it in the window of the store together with some of the items it talks about. This combination of advertisement and display has been making money for the big stores for the last twenty years. Why some of the smaller merchants neglect it, I cannot understand. Some retailers are merchants of apathy not of products!

Retailers in small towns miss too many opportunities. Do you know for example that nowadays the trend is for farm families to own a boat and an outboard motor? They load them on a truck or trailer and hit for the nearest lake to bath and swim after a day in the fields.

That's a trend in the States and it will come to Canada. Why let these farmers go to the city for such requirements? Many a local hardware could make good money selling boats and motors in Canada this summer to farmers, if they'd stock up and advertise. Farmers, too, are going in for water works. Show them how, advertise pumps and motors and tell them how little it costs and you'll be pleasantly surprised.

I picked up a fine weekly paper just now, published in a good district in Southwestern Manitoba. Everything is good about it except the shortage of advertising. I wish I could get the merchants of that town together in one place and I'm sure I could prove to them that they've a gold mine among them and they're not sinking the shaft. They've got a fine newspaper and they don't know it. Or else they are just not interested in making money.

WHY TOURISTS?

Money problems are like a toothache. When you have one it overrides all else.

This might be the reason why many farmers facing their own financial difficulties still look with jaundiced eye on the costly encouragement being given to the country's tourist industry.

Naturally those directly involved in the tourist trade stand to make their tidy profit or they wouldn't be in the business, but it can also be a blessing in disguise for the farmer.

W. Gordon Wood, President of the Canadian Tourist Association, made this point recently. He said that about 7,300,000 Americans came by car into Canada last year to stay for more than two days. If each had been encouraged to remain for just another fifteen minutes to buy a fried egg sandwich, they would have consumed an extra 623,000 dozen eggs, 740,000 loaves of bread and 120,000 pounds of butter.

From the point of view of the farmers this could become pretty big business. Farmers are not generally concerned with the tourists themselves, but their moral support for the tourist industry and its development would not be at all misplaced. A tourist is an unusual animal, with a hearty appetite for food and goods, who buys almost anything and competes with the farmer for almost nothing.

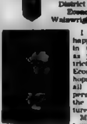
The Homemaker

DONNA SHANTZ
District Home Economist
Wainwright, Alta.



I am very happy to be in this area as your District Home Economist. I hope to meet all of you personally in the near future.

My home town is Wetaskiwin. I have lived on a farm there all my life. I graduated from the University of Alberta this spring and have been learning the ropes of extension work for the last month.

I am happy to be here and am looking forward to working with you. In case some of you are not familiar with the services offered by the District Home Economist, I will list them.

1. Give lectures or demonstrations to any organized women's group. (Topics will be listed in August news letters.)

2. Write newsletters which are mailed to secretaries of women's clubs or individual home makers. These letters contain hints, recipes, etc. If you have not been receiving one and would like one, please phone or write my office and your name will be put on the mailing list.

3. There are nutrition courses, home designing courses and sewing clinics available to women's groups.

4. The girls 4-H Clubs are under the guidance of the District Home Economist.

5. Assistance in home planning or remodelling can be obtained. There are some very good books of plans that may be borrowed from the office.

6. Home visits on clothing, decorating, remodelling, foods and equipment will be made upon request.

7. Office interviews, phone calls or letters requesting information are welcomed and suggested solution given.

8. There are many bulletins on various subjects available on request.

9. Short courses are held in conjunction with District Home Economists in different centres.

10. Help is given in Farm and Home improvement plans.

My office is in the Municipal building one block west of the clock, on 2nd ave. in Wainwright.

I hope I may be of service to your community.

Viking Car Bingo

Number drawn on Saturday, June 28: O 71

The following is a list of the numbers drawn to date in the Viking Curling Club's car bingo:

B — 4, 1, 13, 2, 3, 12, 7, 10, 9
I — 16, 21, 29, 20, 25, 18, 22, 27, 26, 17, 19
N — 35, 43, 44, 31, 34, 37, 38, 41
G — 51, 54, 57, 60, 46, 50, 48, 59, 59, 53, 49
O — 65, 61, 69, 73, 65, 74, 75, 64, 71

"GREEN ACRES"

There was not enough rain this spring for the pasture and hay crop. There is not much we can do about it except wait for rain. We can, however, cut the hay crop at the right time, that is when the sweet clover and alfalfa flowers begin to show colour and the grasses are just coming into head. There may not be much to cut but should good rains come later there will be a far better growth than if the field is left uncut. There is more than twice as much feed value in hay and legumes cut at the right time than when left too long.

PROTECTION FROM LIGHTNING

Many farm buildings are struck by lightning every year. Usually it is the tallest buildings that are struck, the house and the barn. See your hardware for equipment that can be erected to protect your family, livestock and buildings from loss.

COCCIDIOSIS

Some losses in young chicks have been reported from Coccidiosis. This disease seems to start up in hot, humid weather when the litter is damp and droppings are not cleared out. Chicks become droopy and lose weight with some dying. Sodium salts of sulpha drugs can be obtained at the drug store. Feed it by adding to the drinking water as directed on the container.

SPRAY THE GARDEN

My garden, both vegetables and flowers is sprayed weekly with malathion. Any insects and aphids are easily killed with malathion or DDT. Besides eating the plants, insects carry disease virus from one garden to another and from one plant to another. If everybody would spray regularly throughout the growing season we would all have much better gardens.

GRAIN MITES

Grain mites have been found in a few granaries in this area. Anyone who has grain carried over from last year or the year before ought to check it carefully for insect infestations. If insects are found, send in or bring in some of them for identification.

Also there are reports of grain heating in the bin. In hot weather granaries should be checked regularly.

GRASSHOPPERS [illegible]

Two outbreaks of grasshoppers were reported to this office recently. After a farm visit the grasshoppers were found to be only a small species common in Northern Alberta. These grasshoppers do practically no damage and should not be confused with the roadside or lesser migratory species which are troublesome [illegible]

Plan Visit Of Princess Margaret To Alberta

The visit of Her Royal Highness, Princess Margaret to Alberta, will be marked by a week end in Banff and a short visit to Calgary.

Hon. A. Russell Patrick, Minister in charge of arrangements, today released details of the Royal Visit. Princess Margaret will arrive in Banff in the late evening of Saturday July 26th travelling from B.C. She will be welcomed by the Hon. Dr. J. J. Bowlen, Lieutenant-Governor of Alberta, Premier E. C. Manning and Parks Superintendent G. H. L. Dempster.

Her Royal Highness will inspect an 80-man Guard of Honor comprising cadets attending the National Cadet Camp in Banff. The guard company will be selected from cadets representing all ten provinces. During her stay in Banff, Her Royal Highness will reside at a private lodge.

On Sunday, July 27 Her Royal Highness will attend Divine service in Banff.

On Monday she will take a scenic drive of 28 miles through Banff townsite and the adjacent areas of interest. Her expressed desire is to see the people and be seen by them. Princess Margaret will be the guest of honor at a Government of Alberta dinner at the Banff Springs hotel on Monday evening, July 28th.

Her Royal Highness will leave Banff by train Tuesday, arriving in Calgary in the forenoon. She will view a miniature stampede, followed by a ceremonial drive through the streets of Calgary. Her departure from the Calgary airport will be timed in compliance with the necessity of fitting into the national schedule.

Vermilion Elks Newspaper Bingo

Number drawn Friday, June 27th: G 52.

B — 1, 9, 13, 14, 5, 12, 10, 2, 6, 7
I — 16, 18, 19, 20, 22, 21, 24, 20, 30, 26, 27, 25, 17, 26
N — 32, 35, 39, 41, 36, 44, 38, 42, 39
G — 48, 50, 55, 56, 53, 46, 59, 60, 58, 52
O — 61, 65, 72, 73, 62, 69, 66, 74, 75, 68, 64

All prizes have been won now except the blackout.

The following prizes have been won: 4 corners; St. Andrew's Cross; St. George's Cross.

The grand prize is a 1958 Dodge Crusader.

Mannville bingo cards sold in Vermilion by Walter Fisk.

Historians are uncertain as to the discoverer of the Hudson Strait, the sea passage from the Atlantic to Hudson Bay; John Cabot may have been in the Strait in 1498, or Portuguese sailors may have entered it a few years later.

NEWS from ISLAY

NICE DISPLAY OF FISH

The Isman's were at Lake Hubert fishing over the week end and were successful in making a very good catch. On display they have three Northern Pike, weighing in at 17, 18 and 14 pounds, besides other fish which would look mighty big in other company. The fishermen were [illegible] thrilled with the big fellows and with the battle each put up before they were close enough to gaff.

The Anderson family have returned after a ten-day visit to Roland, Man., where they attended a golden wedding celebration. Ralph says that the Islay country looks fine and green after the dried out portions of Manitoba and Saskatchewan through which they travelled.

Mrs. Cavers arrived to visit at the home of her brother Geo. McNabb of Kelsoe.

Mr. and Mrs. Jim Allan, Gladys and Muriel Stone, had dinner with Mr. and Mrs. Carr of Borradaile, on Wednesday and enjoyed the day very much.

Mr. and Mrs. Albert Beck were in Edmonton last week.

Mr. Bob Hume of Kelsoe rode to town Saturday on a saddle pony. He will be 79 on July 12, born in Manitoba at Poplar Point. Says he hopes to make the 100 mark.

Church service of the four points of the Kitscoty charge at the church camp, Lake Whitney, was a most enjoyable one. The day at early morn didn't appear very pleasant but before the service was over the sun broke through making it very pleasant. At a very conservative estimate 180 people attended. After service tables were spread and food served cafeteria style. A very good dinner it was too. Coffee was made in the camp kitchen, very handy. It appeared Bill Hancock and Charlie Gray were in charge of that part and they surely know how to make coffee.

Sitting on the sand talking, or bathing at the different beaches was much enjoyed and no serious accidents. One lady did get really wet though, falling backwards while paddling around in the water. We think Bill Ansley may have gone to her rescue as he was wet to the knees. He thought his trousers were shrinking, his shoes too, from being wet. Bill Terrance had a hand in the rescue too we are told.

Mr. and Mrs. McCaughan have gone on a holiday to Wadena, Sask. Mrs. Ford is in charge of the store.

98c DAYS
Friday to Monday, July 4th, 5th and 7th

Ladies' Summer Dresses
—Choose from washable polished Cotton or drip-'n-dry fabrics. Sun dress styles with jackets, sleeveless or cap sleeve style. Full or sheath skirt. Sizes 12 to 20, 16½ to 22½. Reg. to $7.95.

Clandonald W. A. Meets at Home of Mrs. H. Cooper

The June meeting of the Clandonald W.A. was held at the home of Mrs. Opal Cooper with 13 members present and 2 visitors. Mr. Hugh Farber, student minister, was present.

After discussion it was decided to build a porch on the church.

Mrs. Nancy Feenstra gave the devotional which was wonderful.

Members were saddened by the passing of their oldest member, Mrs. Sarah Filgate.

Mrs. Mary Thompson donated a stuffed kangaroo and baby kangaroo for the fall bazaar. They are real cute.

The hostess then served a delicious lunch assisted by Mrs. R. Feenstra and Mrs. L. Goddard.

Next meeting will be held at Mrs. Nancy Feenstra's on July 10th at 7:30 p.m.

Norma McLuckie Honored At Mannville Shower

MANNVILLE — Showers come not only in the form of rain, as Miss Norma McLuckie found out on Wednesday evening of last week, when approximately 42 ladies gathered in Christ Church parish hall at a miscellaneous shower for her. Many who were unable to attend sent presents also and Norma was the recipient of many lovely gifts, all of which were presented to her in a decorated grocery cart drawn in by Doris Johnstone. Norma was lauded for her success in life thus far and wished the very best for the future in her new life. Responding in well chosen words the bride-elect thanked all for the gifts and invited them to visit her if possible. Lunch was served to conclude the evening of games during which Lynne Kreller was selected as the best-dressed bride by one group. Dresses were all made from newspaper and it was amazing to see the results.

Harvesting the Hay Crop

"To get the greatest value from your hay crop, cut it early" says O. G. Bratvold, Supervisor of Alberta's Crop Improvement. Highest yields and greatest nutritive value are obtained by cutting grasses just after heading and legumes when in the early bloom stage.

Careful storage of the hay crop is important so as not to lose the time and money invested in producing the crop. Whether you bale or loose stack, place the hay in safe storage as soon as possible after curing. Bales will shed some water, but exposure to bad weather for long periods of time will almost certainly result in some spoilage within the bale he says.

Perhaps one of the reasons why baled hay is so often left in the field is the labor involved in moving heavy bales. There are many mechanical bale loaders and stackers on the market today that will take the heavy work out of stacking bales. The difference between saving or losing a good crop of hay may make the investment well worth while.

Mr. and Mrs. Ronald William Johnson of Clandonald

Lovely Wedding Unites District Couple At Vermilion Church

Vases of lilacs and other summer flowers banked the altar of the First United Church, Vermilion, on June 11th when the Rev. C. W. MacKay officiated at the double ring ceremony which united in marriage Muriel Doreen Fluney, second daughter of Mr. and Mrs. George Fluney of Dewberry and Ronald William Johnson, son of Mrs. Johnson and the late Mr. Oscar Johnson of Clandonald.

The beautiful music of Lohengrin's Wedding March flowed through the church as the bridal party proceeded down the aisle.

Given in marriage by her father the bride looked radiantly lovely in a floor-length gown of nylon net and lace over satin. The full skirt was trimmed with rings of irridescent sequins down the front panel and had three deep tiers of lace on sides and back. The lace bodice was buttoned down the back with tiny buttons and had lily point sleeves. The square scalloped neckline and front of bodice were lavishly trimmed with pearls and sequins. A tiara of pearls and irridescent sequins to match the trimming on the dress held in place her butterfly-trimmed veil of illusion net. She carried a cascade bouquet of red roses and fern.

Miss Mae Fluney, sister of the bride was maid of honor and Miss Iris Christman, cousin of the groom, was bridesmaid. Mae's dress was of blue nylon styled with tiers. She carried a colonial bouquet of red carnations. Iris wore a pink nylon and lace dress complemented with a lace bolero. Her bouquet was of pink carnations in colonial style. Both wore circular veils and nylon mittens to match their cocktail length dresses.

Little Deanne Fluney, sister of the bride was flower girl. She looked dainty in a dress of yellow nylon and carried a basket of mixed flowers.

The groom was attended by George Fluney, brother of the bride and Alvin Throndson.

Ushering the guests to their ribbon-trimmed pews were Ed Lyons and Allen Russell, brothers-in-law of the groom.

As the vows were being spoken Mrs. Laird of Clandonald sang "The Wedding Prayer" and as the register was being signed she sang "The Wedding Hymn". Mrs. West was the organist.

For her daughter's wedding the mother of the bride wore a navy and white striped dress with red and white accessories and a corsage of red carnations.

The groom's mother chose a dress of navy and white with white accessories and a pink carnation corsage.

A reception was held in the Dewberry hall where 150 guests sat down. The bride's table was covered with a white damask cloth decorated with pastel rosettes and centered with a three-tiered wedding cake topped with a miniature bride and groom and flanked by vases of roses and four pink candles. The cake was made by the bride's mother and iced by Mrs. Vic Dennill.

Mr. Hugh Hagen said the invocation. Mr. Laird proposed a toast to the bride to which the groom fittingly replied. Mr. Allen Russell also spoke and read some telegrams.

Mrs. Iris Hodgson sang "Because" and "Bless This House" during the reception. The accompanist was Mrs. Webstale.

The Ladies' Aid catered to the reception and the serviteurs were the ladies of the aid and friends.

For a honeymoon trip to Banff and Jasper with a plane trip to B.C. if time permits, the bride wore a tan flecked suit with white accessories.

The young couple will make their home on the groom's farm.

Out of town guests were Mr. and Mrs. Ross McKinney of Wilkie and Mr. and Mrs. Allen Russell of Red Deer.

Mannville Home and School Hears Reports of Delegates

MANNVILLE — With a fair crowd in attendance Mannville Home and School met at the gym on June 19 with President J. Misik in the chair and Mrs. Edith Pedersen as secretary. Mrs. R. Forsyth presented a most informative and interesting report on the annual Home and School conference held recently at Edmonton, points of interest being stressed with fervor. The theme for the Annual which was "Quest For The Best" met with enthusiastic favor by the Mannville group and all agreed that Mrs. Forsyth had done an excellent job as delegate in bringing back such a comprehensive account of all that transpired. The applause that greeted the conclusion of this report should have assured Mrs. Forsyth of Mannville's appreciation for her efforts.

"Apartment To Share" was the title of the play chosen by the Grade 8 students for the meeting's entertainment, which was well cast with good direction, and exceptionally good acting. When boys and girls are given the same Christian names matters can become exceedingly complicated and when it comes to girls almost accepting an offer to share an apartment with a boy due to corresponding by letter only well. However with the arrival of mother and dad everything became sorted out and explained as Jean turned out to be a boy. This was a most enjoyable comedy, and much appreciated by the audience. Taking part in the play were Doris Stewart as the mother, Emery Tokas as father, Emil Misik "Dean", Stuart Forsyth "Jean", Barry Weaver as Jean's chum, Ruth Hughes as Mrs. Biggs, the landlady, Gary Croft as Mr. Popovich, the janitor; "Leslie" Kathleen Veitch. Make-up was by Ruth Hughes, and sound effects by Betty Coulter and Brian Hastnoff.

Hearty applause was given the grade 8 students for this play which was so enjoyed by all present.

Officers elected for the coming term are as follows:

President: Mrs. R. Forsyth
Vice-President: Dr. Hastnoff
Secretary: Mrs. G. McReath
Treasurer: Mrs. I. Holter

Suggested for the programme convener was Mrs. C. Finlay and for the members' convener Mrs. E. Pederson. Social Convener Mrs. G. Younge. Bus representatives are to be chosen at a later meeting when the list may be completed. Names were suggested for same and are to be contacted. A vote of thanks was tendered the retiring officers of 1957-58.

'The Bible Today'

This gift of a Bible comes from the simple and sincere hearts of the people of the Baptist Church of Punata, said Pastor Garcia, the Bolivian minister, as he presented a Bible to Dr. Herman Siles Zuazo, President of Bolivia, when the national leader visited Cochabamba in celebration of the fourth anniversary of Agrian reform. Mr. Garcia added: "We desire that God may bless you abundantly and that he may lead you to govern this country with wisdom that He alone can give."

Canada supplies about 60 per cent of the world's asbestos, most of it comes from mines in Quebec's Eastern Townships but northern Ontario and northern B.C. have one mine each.

Change in Alberta Liquor Laws Will Be A Lengthy Procedure

EDMONTON — Alberta's new liquor laws went into effect last Sunday, June 1 but it will be a month or more before the public notices anything different.

In addition to the time it takes for license granting machinery to get rolling under the new laws, there is a strong possibility that residents of many communities will have to decide the drinking question all over again in local option votes.

If no local option votes are demanded, about the [illegible] date for licensing restaurants and cocktail lounges is July 15. The big hotels in the national parks may be the first to qualify, because they are anxious to be in operation for at least part of the tourist season, and will have their applications in shortly.

The railways were expected to be the first to take advantage of the new laws, because they aren't subject to local option votes. Under the laws, liquor can be served on trans-continental trains passing through the province. The facilities are already there so all it means is that the bar will remain open in Alberta, leaving Saskatchewan the only dry province for rail travelers.

The question of local option votes is in the hands of the province's temperance groups. Rev. A.L. Sanderson, general secretary of the Associated Temperance Forces of Alberta said last week his group plans to take action in areas where the dry forces think they have a chance of winning.

There are areas where the chances of a dry vote are good. Although the province as a whole voted strongly in favor of relaxed liquor laws in last fall's plebiscite, there were individual constituencies which voted 'No'. Mr. Sanderson said it will be up to local groups to decide whether they will take action.

Under the new laws passed this year a local option vote must be held if a petition demanding it is signed by 500 persons or 10 per cent of the qualified voters in a community, whichever is less.

The provincial cabinet last week put the finishing touches on regulations under the three new liquor acts.

Under the regulations, when an application for a license is received, it must be advertised on two occasions, at least five days apart and then there is a 30-day waiting period before a license is [illegible].

So far nearly 300 inquiries have been received by the liquor board. Copies of the new laws and the regulations were being sent out this week to all who inquired.

In a statement of policy issued last week, Premier Manning said the liquor board policy will be to 'proceed with caution in licensing in order that the transition to new outlets may be accomplished in an orderly fashion and in keeping with the objective of maintaining the highest possible standards.

NEW NATIONAL LEADER NEEDED

Social Crediters are looking for a new national leader. Solon E. Low, 58, last week announced his retirement from the post. He made the announcement at — of all places — a Progressive Conservative meeting in Ottawa.

Political pundits are wondering who will get the job. In the past it has been rumored that Premier Manning might consider going into federal politics. Asked about the possibility last week, the premier replied: "How many times do I have to answer that question?"

Someone said he didn't have to answer it again as long as the answer was the same. "I'll let you know as soon as it's different" he said. You'll note he didn't say he wouldn't take the job, and some observers are still insisting it's a possibility.

There are other candidates for the national Socred leadership. Among those mentioned are Orvis Kennedy, the national organizer, and Ambrose Holowach, who represented Edmonton East in the [illegible] until last March. Observers have discussed the possibility of any British Columbia type Social Credit-er taking over.

SEEDTIME and HARVEST

By E. J. Mather, B.Sc., Assistant Director, Line Elevators Farm Service, Winnipeg, Manitoba

Sponsored by the following companies: Federal, Pioneer, Alberta Pacific, Canadian Consolidated, Paterson, McCabe, Parrish & Heimbecker, Inter Ocean, Ellison Milling and Quaker Oats

THE WEED WAR CONTINUES

At the Western [illegible] Weed Control Conference held in Victoria, B.C. recently, the results of research work carried out during the past season were discussed. Based on these [illegible] the [illegible] for future research work and recommendations regarding weed control, which will guide the extension worker and farmer in the [illegible] 1958 were drawn.

Herbicides Used. A great deal of experimental work with weed control chemicals was carried out in 1957. Weed workers are striving for [illegible] chemical that will kill weeds in one application. In this [illegible] have not always been successful. Canada thistle and sow thistle, for instance, will defy any [illegible] treatment, except [illegible] and [illegible]. A combination of [illegible] and cultivation is giving good results on these weeds. It is expected that this approach will be stressed until more completely effective chemicals are found.

Wild Oats Still No. 1 Problem. Wild oats are still our number one weed problem in Western Canada. So far no chemical has been found which will control this weed on land which is to be cropped to cereal [illegible]. Delayed seeding is still the best means of control. And with up to 70 [illegible] of wild oat seeds per acre [illegible] some fields it is obvious that a successful control program will require several years to complete.

Use Chemicals Properly. In the use of 2,4-D and MCP two points were stressed at the Conference: (1) Farmers, in many instances are not applying enough chemical to obtain maximum weed control. Too often they do not consider the harder-to-kill weeds present in their field, or do not make allowance for the stage of growth of the weed, or the effect of weather conditions. (2) Farmers are spraying too late in the season. In many cases, the effect of weed competition has already reduced crop yields before the field is sprayed, and it requires more chemical to kill weeds in the later stages of growth.

"Get them early and hit them hard" is a good motto in chemical weed control.

EFFICIENT FEEDING AND LIVESTOCK MANAGEMENT

R.C.M.P. Musical Ride Feature Of 1958 Edmonton Exhibition

Feature attraction of the 1958 Edmonton Exhibition July 14 to 19 will be the world famous RCMP Musical Ride. The 'mounties' will perform each evening in front of the grandstand. They will also lead the mammoth "Salute to Youth" parade to be held in downtown Edmonton on Monday, July 14th, opening day of the Exhibition.

The RCMP Musical Ride this year returns to Edmonton after an absence of more than 20 years. The colorful display of horsemanship combined with intricate executions of riding ceremonial has appeared on an international scope since the Coronation of King George V. The redcoated 'mounties' with their fine horses have brought Canada to arenas and horse shows throughout the world. To millions they have become the symbol of Canada.

The famed Musical Ride dates back to the year 1874 when the order went out from the [illegible] quarters of the then North West Mounted Police to begin training for two ceremonial rides. The two rides were to be distinctly different in that one was to carry swords and the other lances. The Musical Ride known to millions today is the lance-bearing ceremonial, the survivor of the original two ceremonials.

The appearance of the RCMP Musical Ride at the Edmonton Exhibition complete with its own band will prove popular with regular fair-goers and tourists alike. The famous Ride's return to Alberta has already aroused intense interest throughout the province. When they sound the keynote to the 1958 Edmonton Exhibition Monday, July 14 as they lead the parade through the streets of downtown Edmonton they are bound to cause the same sensation they have sparked during at least three coronations and in areas and showplaces throughout the world.

Hog Marketings Are Up Over 1957 Figures, Says Dept.

A substantial increase in the number of hogs marketed across the country over the same period a year ago is shown in Canada Department of Agriculture figures.

Gradings for the past seven week have averaged a little over 114,000, about 10,000 more per week than at the same time in 1957, Ralph K. Bennett, head of merchandising section, livestock products, Marketing Service, pointed out.

This is an increase of about 11 per cent.

At the same time prices have been higher averaging about 33 cents at Toronto for the seven weeks, compared to about 30¾ cents a year ago.

At the present time, Mr. Bennett said, hog prices are largely determined by the balance between the runs and the domestic demand because price levels in this country are above the equivalent of the U. S. price.

Canadian Cattle Exports Set Rapid Pace for 1958

Canada's cattle export have been setting a rapid pace so far this year in direct contrast to the same period in 1957, Ralph K. Bennett head of merchandising section, livestock products division, Marketing Service Canada Department of Agriculture indi[illegible].

He pointed out exports have been the equivalent of about 8,000 cattle a week, or nearly 20 per cent of marketings.

This total of 180,000 cattle has been made up of the weekly averages of 1,300 slaughter cattle, 5,200 feeders and 1,800 in the form of dressed beef.

This, he said, is compared with very little export or the first five months of last year.

Exports of slaughter cattle have been fairly steady right through this year, said Mr. Bennett.

However, since the middle of April, the movement of feeder cattle south has dropped off sharply. More export demand was reported this week.

Of Many Things . .

By AMBROSE HILLS

MOONLIGHT BAY

Driving home from a country week end, rather late I switched on the radio. Some gainst was singing through his nose, so I changed stations, only to bring forth a raucous noise called rock 'n' roll. I leaned forward to switch the darn thing off.

Then, as if the years had suddenly rolled away, sweet music started coming out. 'We were sailing along,' sang the voice, 'on Moonlight Bay. We could hear the voices singing . . they seemed to say. . . .'

Beside me, my wife began to hum the melody. Soon the youngsters in the back seat joined in. It was a treat.

'When I was a lad,' I told the kids, 'we used to sing that song around the camp fire at Buck Lake. Sometimes young folk would go out in a boat, and we could hear them singing that song. Sounds swell coming across the water. Odd that it should be back on the hit parade.'

I wish I could say the [illegible] which followed were [illegible] as good, and that we enjoyed a sing-song all the way home. Frankly, that was about the only recording worth the wax that it was engraved on. It was followed by the Eight Legged Purple People Eater, You Send Me and a similar barrage of infantile noise which sent my hand to the switch for [illegible].

Of course it is just [illegible] that I'm an old fuddy-duddy, and that twenty years from now folk like me will sigh with delight when Eight Legged Purple People Eater is played. They'll sigh and say, 'Ah, the old songs were the good songs.' In a purple people eater's eye they will!

I asked my teenage daughter what her favorite songs are. She named a half a dozen — and virtually all were revivals, songs brought back from the good old days.

Radio disc jockeys, I think, are being led along by their noses these days. Record companies, disc pluggers, and the melody merchandisers have them in their pow. — A disc jockey will play almost anything, if told that it is one of the top ten or the top fifty.

Some day, some smart disc jockey is going to sit down and listen to all the new records and play only those he truly likes — not those that he thinks he ought to like because Billboard or Variety or some show magazine tells him so. Then radio will come into its own as an entertainment medium. People driving home at night will want to listen, and will sing along with the radio. Now even teenagers are tired of the trash.

Let's hear more from Moonlight Bay.

New Ice Age? Glaciers Advancing

It's too early to start planning cotton plantations for Saskatchewan, advises The Financial Post. The latest [illegible] from weather and glacier [illegible] too [illegible] up of the [illegible].

In the [illegible] one area of the United States experts have been measuring glaciers. Until recently these great fields of ice were believed to be receding and there was [illegible] that the recession was permanent with consequent benefit to northern agriculture, tree growth and arctic fishing. But now a former University of Washington glaciologist says that these great, thick sheets of ice are moving forward again.

Of 73 major glaciers in the U.S. northwest, he reports that 50 are advancing and at considerable speed. Emmons Glacier, on Mount Rainier, which is the largest in the U. S., is reported to have advanced 147 feet last year, and a total of 600 feet in the past four years.

Four Candidates for New Leader Of Alberta Liberal Party

EDMONTON — The race is on to choose a new leader for the Alberta Liberal party.

Last week four members of the Legislature announced that they will be in the running for the position made vacant by the recent resignation of Edmonton lawyer J. Harper Prowse.

They are Richard Hall, Liberal M. L. A. for Athabaska riding; Abe W. Miller, M. L. A. for Edmonton; J. Harold McLaughlin, M. L. A. for Stony Plain, and J. W. Grant MacEwen, M. L. A. for Calgary.

For the record, here is a brief biography sketch on each of the leadership hopefuls:

Mr. Hall, serving his first term in the Legislature, is a native of Edmonton, but has been in Athabaska for a number of years, as a merchant and theatre operator. He served six years as mayor of Athabaska before being elected to the Leg[illegible].

Mr. Miller, an Edmonton lawyer, was a city alderman from 1951 until he retired from civic politics last year. He also is in his first term as an M. L. A. Active in welfare and community work, he also served on the municipal hospital board here from 1950 to 1954.

Mr. McLaughlin, also a first-term M. L. A., was born in Edmonton and now lives in Spruce Grove. He's a registered seed grower, has been active in the Agriculture Institute of Canada, and is an enthusiastic outdoor sportsman.

Mr. MacEwen, first elected to the House in 1955, is a former dean of agriculture at the University of Manitoba and has been a Calgary alderman since 1953. In the Legislature, he often leads the Opposition's attacks on government agricultural policies.

Liberal party officials said other candidates have been asked to let their names stand for the leadership, and announcements are expected shortly. Among names mentioned as possible contestants are Mayors William Hawrelak of Edmonton and Don Mackay of Calgary.

Of the four who have entered the race so far, Mr. MacEwen was the only one who had been mentioned previously. He is one of the more talkative members of the Opposition, and when he takes part in debate his speeches are often lengthy.

Mr. Hall, on the other hand, is always brief and to the point. He can be critical without being nasty and he doesn't speak unless he has something to say. As a result, government members listen attentively when he speaks.

Mr. McLaughlin also is a man of few words, but when he has something to say he puts it across in no uncertain terms. He often takes the government to task on fish and wildlife management policies.

Mr. Miller is the Liberal party's one-man commando force. When he criticizes the government on any issue, he uses his quick wit, his sharp tongue and his nimble vocabulary.

DRIVING GLASSES

A U. K. firm is producing glasses which, it claims, reduce dangerous dazzle in night driving and improve visibility in fog, reports The Financial Post. They are fitted with sodium (yellow tinted) lenses which reduce light reaching the eye by about 13%, by filtering out blue end of the spectrum. Cuts glare from incoming headlights and other sources while permitting eye to see comfortably by light at the yellow end of the spectrum.

LIGHTS ON BOATS

Did you know that ALL boats, including canoes, rowboats and sailboats, must carry lights on the water after dark? Find out what the regulation lights are for your craft. Never take a boat out at night unless it has the proper lights required by law. Play safe for more fun afloat.

SEEDTIME and HARVEST

By E. J. Mather, B.Sc., Assistant Director, Line Elevators Farm Service, Winnipeg, Manitoba

Sponsored by the following companies: Federal, Pioneer, Alberta Pacific, Canadian Consolidated, Paterson, McCabe, Parrish & Heimbecker, Inter Ocean, Ellison Milling and Quaker Oats

BLACK BLIZZARDS AGAIN

This spring soil drifting has reached proportions not equalled since the Dirty 30's. The result is that thousands of tons of our best top soil now fill road and drainage ditches or are piled along fence rows. These deposits are only the coarser particles of soil. Countless tons of the finer soil particles have been carried away by the wind. This represents a tremendous loss to western agriculture. And worst of all it is a loss which could have been largely prevented if the soil drifting control measures developed during the "30's" had been consistently used by western farmers. Tests carried out at the Lethbridge Experimental Farm confirm the permanent nature of the loss. In 1952 a field badly damaged by soil drifting in the 30's produced 12 bushels of wheat per acre, whereas a field alongside, which had not been damaged produced 30 bus per acre.

Waste Not Want Not. No natural resource in Canada is of greater importance than our western soil. And no individual has the right to destroy it. The soil losses this spring should be a sufficient reminder to anyone who is in any way responsible for this resource, that something must be done to prevent a recurrence of the problem.

Soil Drifting Can Be Controlled. During the "30's" simple, effective methods of controlling soil drifting were developed. These methods, trash cover and strip farming, saved the West during its worst soil drifting period. They can be equally effective now. This fact has been amply proved by Manitoba's 800 members of Soil Conservation Clubs. They have practically eliminated soil erosion through the use of trash cover and strip farming plus field shelter belts and forage in crop rotations.

It can be done, all we need is the will to do it. Start now to plan your erosion control program for the future.

Break-ins Reported

Two break-ins were reported over the week end but apparently nothing was taken. The break-ins were at Ken's Service and the Imperial Oil office, both in the east end of town.

Canada supplies about 60 per cent of the world's asbestos: most of it comes from mines in Quebec's Eastern Townships but northern Ontario and northern B. C. have one mine each.

Breath of Life — Artificial Respiration

Knowing what to do for a victim drawn from the water might help strip drowning of its rank as the number 4 cause of all accidental deaths.

If the victim is unconscious and shows no breathing movements, his chances of ever breathing again depend on how fast he gets artificial respiration, says an article in the medical magazine Pfizer Spectrum. The [illegible] between life and death is measured [illegible].

Kneeling with the victim's head between his knees, the operator places both hands on the victim's back, thumbs touching and heels of hands just below the armpit level. The operator forces the victim to exhale by slowly rocking forward, straightarm, until his arms are about vertical so that slow, even pressure is exerted on the chest.

The patient is made to inhale by slowly rocking backward, sliding the hands under his arms just above the elbows and raising the arms until resistance and tension are felt at the patients shoulders. The cycles are steadily repeated 12 times a minute, each phase occupying about equal time. When artificial respiration is in process, material can be [illegible].

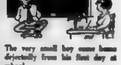
When the patient begins to gasp, the operator should time his efforts with the patient's until he starts to breathe effectively. Then the victim should be taken to a hospital.

How long should artificial respiration be kept up when a drowned person shows no response at all? At least half an hour, most experts advise.

HAVE FUN!

An Irish tramp approached a prosperous looking individual one day, soliciting alms. When he saw the man put his hand in his pocket the tramp cried out, "May the blessing of God follow you all your life." But when the wealthy one pulled out only his handkerchief, the tramp immediately added, . . . "and never overtake ye."

A railroad agent in Africa had been bawled out for doing things without orders from headquarters. One day his boss received the following startling telegram: "Tiger on platform eating conductor. Wire instructions."

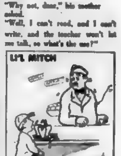


The very small boy came home dejectedly from his first day at school.

"Ain't goin' tomorrow," he sputtered.

"Why not, dear," his mother asked.

"Well, I can't read, and I can't write, and the teacher won't let me talk, so what's the use?"



Mr. Rumplemeyer . . . I plumb forgot to tell you . . . I have no money

Good News for Homemakers

Anne Marshall

HERE'S A SATURDAY MEALTIME SPECIAL

It's the time of year when Saturday becomes an extra busy day at home . . . especially for working folks.

There's gardening . . . [illegible] . . . spring house-cleaning and a dozen and one chores to be done. Yet with all this, there's lunch and supper to prepare. Rely on the pantry shelf for a quick and easy meal. Make it one that requires little effort on your part.

Canned beans and pork with tomato sauce combined with dried apricots and prunes or with orange sections makes a 'something special'. Both recipes are easy to prepare . . . one done in a skillet on top of the range, the other in a casserole in the oven.

Served with canned steamed brown bread and a crispy cabbage salad with sour cream dressing, Lunch or supper will delight everyone.

For dessert . . . cup cakes (made from a mix) with chocolate sauce. And to go along . . . lots of hot coffee.

FRUITED BEANS AND PORK

- 1 cup chopped dried apricots and prunes
- ½ cup water
- 2 cans (15 ounces each) beans and pork with tomato sauce

Cook dried fruit in water in covered saucepan until water is absorbed. Stir in beans; heat. Makes 4 generous servings.

BEANS AND PORK WITH ORANGE TOPPING

- 2 cans (15 ounces each) beans and pork with tomato sauce
- 1 orange, peeled and cut into sections
- [illegible] cloves (2 per orange section)
- 2 tablespoons brown sugar

Pour beans into a shallow pan or casserole. Stick cloves into orange sections; arrange on top of beans; sprinkle with brown sugar. Bake in a hot oven (400°F.) about 20 minutes. Makes 4 servings.

Sleepy Driver Is Highway Menace

On modern highways, the sleepy driver is as much of a hazard as the drinking one.

This warning comes from the American Medical Association, which adds that while dozing at the wheel is commonly associated with night-time driving, many 'fatigue' accidents occur in broad daylight.

The following recommendations are issued as practical ways and means of guarding against drowsiness and keeping alert:

1. On long trips rest every two hours and have a cup of coffee to stay alert.

2. The night before you drive, refrain from taking a sleeping pill — or any medicine that may make you drowsy. Simply retire early.

3. Whenever you feel the least bit sleepy while driving, pull up and rest up. A nap may save your life!

W. M. S. Entertain Baby Band

The W.M.S. of the First United church under President Mrs. Neil McLean and helpers Mrs. C. Barr, Mrs M. Barr and Mrs. W. L. Robinson were hostesses at a tea for the baby band members and their mothers. The enjoyable event took place on the lawn at the United church with fifteen mothers and thirty-one babies present.

The kiddies enjoyed a peanut scramble, races, and were shown slides in the basement of the church.

CARD OF THANKS

Mr. and Mrs. J. Smela wish to take this means of extending their sincere thanks to the many kind persons who gave them wedding presents, as the record of the donors was lost in the fire which destroyed all the wedding gifts. We wish also to express our appreciation to all who helped during the reception.

Mr. and Mrs. J. Smela.

LOCAL NEWS

Mr. and Mrs. Jack Bell and the two children, Miss Jackie and Graham, left Vermilion last Friday and after a short business trip to Saskatoon will move to Chilliwack, B.C. where Mr. Bell has a position in a drug store.

The many friends here of Mr. and Mrs. Ted Dall regret their departure this week for Lloydminster where Ted will be with Phillips men's wear store. He was in charge of Craig's men's wear department while here.

Business visitors at the School of Agriculture on Monday were Mr. Robert Putnam, deputy minister of agriculture and Mr. E. Hawker, superintendent of agricultural schools in the province.

Mr. and Mrs. Charles Mooney of Prince Albert were visitors at the home of the latter's sister, Mrs. E. M. Stewart on Wednesday on their way home from a trip to Calgary.

Mr. and Mrs. Darwin Houston of Edmonton spent a short time in town on Tuesday evening renewing acquaintances.

Mr. and Mrs. J. W. Waldenberger were guests over the holiday week end at the home of Mrs. William McCrae at Drumheller. They were on their way to Calgary to attend the wedding of their grandson.

Mrs. Wm. J. Pettigrew spent the holiday week end at Regina visiting her son-in-law and daughter, Mr. and Mrs. Garry Giebelhaus. The trip to and from Regina was made by plane from Lloydminster.

Mr. and Mrs. Wm. Boulton have as their guests the latter's parents from England who are holidaying in Vermilion.

Mr. and Mrs. E. J. Isley and the children from Bowness are visiting the former's father Mr. John Isley and brothers in town and district this week. They will also visit relatives of Mrs. Isley at Irma before returning to their [illegible].

Mr. and Mrs. Ashley Cooper were pleased to receive an invitation to the commencement exercises at the Stephen F. Austin high school at Austin, Texas, from which Miss Sally Anderson is graduating. Sally is the daughter of Mr. and Mrs. Wm. D. Anderson. "Bill" is a former Vermilion boy and a graduate of the V. H. S. Congratulations to Miss Sally.

A sense of humor is a never failing help in time of trouble.

Guests at the home of Mr. and Mrs. Ross Boake from Saturday to Tuesday were Mr. and Mrs. Donald Cameron and three children of Calgary, Mr. and Mrs. D. McKeague and three children also of Calgary, and Mr. and Mrs. Rex Boake of Edmonton.

The following name and office was inadvertently omitted from the list of recently installed O. O. R. P. officers - Loyal Lady Ruby Larsen.

Rev. and Mrs. C. W. MacKay and the four boys left by car on Sunday for Burnaby, a suburb of Vancouver where they will spend the ensuing four weeks. While there Mr. MacKay will fill the pulpit of the Burnaby United Church.

Arthur K. Butler, manager of the branch of the Bank of Commerce at Drumheller, is the newly-elected president of the Drumheller Rotary Club. "Art" is a former Vermilion man and was very active in curling and tennis circles when here.

Mr. and Mrs. Bob Harle and children of North Surrey, B.C. are vacationing here for two weeks, guests at the home of Mrs. Harle's brother Maurice Long and aunt Miss MacWilliams.

Mr. and Mrs. E. M. Stewart and family and Mr. and Mrs. Gordon Ross and family spent the holiday week end at the Stewart cottage at Jackfish Lake, North Battleford.

Mr. and Mrs. Mike Kupin and son Russell enjoyed a motor trip to Jasper, Banff, Calgary and home over the Dominion Day week end, leaving Sunday morning and returning Tuesday night. Rain was encountered everywhere except Vermilion.

Guests at the home of Mr. and Mrs. George Senz this week were the latter's brother and family, Mr. and Mrs. Jim Bouey of Carrot River, Sask. They are on an extensive motor trip which will take them to the west coast and down into the U. S.

Mr. and Mrs. Jim Smith spent from Friday to Wednesday at Cold Lake staying in the Dale summer cottage there.

Mrs. Harle and Norma were visitors in the city for Sunday, while Miss Connie Harle of the University hospital spent Sunday evening to Tuesday in town.

Friends of Roy Hitchcock will regret to learn that his father passed away at the family home at Brandon, Manitoba on July 1. Roy and family had reached there several days before the death.

[illegible] has informed the Standard that the Harris Hi-Fi house has been moved to Lloydminster with the possibility that it will be re-opened this coming fall.

Mrs. Victor Tillett and the two girls plan to leave Vermilion shortly for a trip back to the former's old home in England. The trip to England will be made by C. N. R. and boat with the return trip by plane. They sail on board the steamship Sylvania on July 11.

John David Beatty is in town from Medicine Hat visiting his sister Mrs. Stewart Barr and family and generally renewing old friendships around the town.

Mr. and Mrs. George Capatos spent Sunday in Edmonton visiting Mr. and Mrs. Ronnie Bashell.

Stewart Cooper came from Radium Hot Springs to spend the Dominion Day week end at the family home in town.

Mr. and Mrs. Ed Corley have as their guests their daughter and son-in-law Mr. and Mrs. Bob McIlwaine and family from Medicine Hat.

Lee Coyne of Drayton Valley visited his parents and the family for the long week end.

Mr. and Mrs. Charlie Upshall and family are away to Vancouver and other coastal points for a two week vacation. The trip is being made by Canadian National.

George Webb Sr. left by T.C.A. last Friday for Moncton, N.B. where he will visit old home scenes.

Robert Glanvill of the R.C.A.F. visited boyhood scenes here last week on his way from the air force station at Trenton to Cold Lake. Robert is now a married man with a son and daughter. His parents, Mr. and Mrs. Wm. Glanvill live at Winnipeg and his [illegible].

Mr. and Mrs. Johnny Maxwell are in Banff attending the Square Dance Institute, where they will learn all the latest trends in square dancing.

Sixteen Years Ago

July 2, 1942

Former Vermilion teacher, Miss Eden Corlette will leave Edmonton Tuesday for Waterways on the first stage of a three weeks journey to Aklavik. She has been engaged as a teacher at the Anglican residential school at that far - north point. From Waterways she will go by boat.

Malcolm Urquhart, Islay, Alberta, graduate in honors, economics from the University of Alberta has become an instructor at the Cambridge (Mass.) Institute of Technology. He will instruct in [illegible] of the [illegible].

A giant mushroom grown on the farm of A. Link measures 16 inches across the top and stands seven inches high.

Two new wells are now on production in the Vermilion oil field, two more have been completed and another spudded in, while a derrick is being erected on another location.

32 Years Ago

July 1, 1926

The U. F. A. Government was returned to power in Alberta with a substantial majority of members. Hon. R. G. Reid was elected in Vermilion constituency.

A farewell party was held for Rev. C. E. Bishop and Mrs. Bishop. They have accepted the pastorate at Provost.

O. Burns is erecting a six room bungalow in the west end of town just east of the English church for S. R. P. Cooper.

Posters are out for the big annual picnic and sports at Claysmore.

48 YEARS AGO

June 29, 1910

Returns up to midnight show that Premier Sifton, Liberal, has been returned in the Vermilion by - election over J. G. Clark of Irma, the conservative candidate.

Departmental exams are being held this week with 22 candidates writing.

Barley in this district is 26 ins. high and wheat 22 inches.

Shower Popular Young Couple At Tolland

A surprise shower — (was it really a surprise, Irene?) — was held at the Tolland hall in honor of Miss Irene Wolters whose marriage to Mr. John Wasylik will take place on July 12th.

The schoolhouse was filled with friends and the Melody Ranch orchestra furnished the music. Many of the songs were appropriate for the occasion.

Irene and John, with their parents, sat before an arbor and following the presentation by Mr. Bill McGrath, opened their many gifts.

Irene thanked her friends for the presents, inviting them to visit her at her future home.

At that time it was announced that John's birthday was the next day and a beautiful wardrobe case was given to him by his parents while everyone joined in the singing of "Happy Birthday to You".

Lunch was served and Mr. and Mrs. Wes Funnell and Mr. Milton Allen entertained with songs. Mr. C. Marklund was the master of ceremonies for the evening. At the conclusion of a very happy and enjoyable evening all joined in singing "For They Are Jolly Good Fellows".

Surprise Shower for June Gunderson

A surprise shower was held in the elementary school on the afternoon of June 9th in honor of Miss June Gunderson whose marriage to Mr. Ron Mix took place on June 24th. There were approximately 19 ladies present at the shower which was held in the same room that June had formerly taught in. Miss Gunderson was the recipient of many useful and lovely gifts for which she very graciously thanked all [illegible] present.

After a few games and contests the most enjoyable afternoon closed with the serving of a delicious lunch.

Mrs. Louise Lang of Calgary is home on vacation visiting her parents Mr. and Mrs. Tom Davis.

Visiting in town from Viking for the holiday was Pat Bentley.

Mrs. Amalia Bauer had her brother and wife, Mr. and Mrs. John Maron of Consort, also her niece and husband Mr. and Mrs. Jacob Suchotzky of Veteran, as house guests for a few days during the past week.

Mrs. H. Elliott, Mrs. Doug Cooper and son Dene are guests this week at the home of Mr. and Mrs. Tom Stack in Redwater.

Mr. and Mrs. E. T. Rooks have motored to Toronto where they will attend the graduation of their daughter Sylvia and son Roger from the Salvation Army training school.

Mr. and Mrs. R. Calvert and Dr. and Mrs. R. Payment are away on a trip to Vancouver via [illegible] and Vernon.

DENTIST OFFICE CLOSED

Dr. Payment's office will be closed until July 21st for holidays. 1-4c

Annual F. W. U. A. Conference Held At Marwayne

MARWAYNE. — On June 21st the ninth annual conference of the F.W.U.A. was held in the school at Marwayne with 34 ladies in attendance. In addition to the conference there was a very fine display of handicraft which attracted much interest.

Addresses were given by Mrs. Teteranko on "Mental Health" and by Mrs. Bond on "Retarded Children". It is hoped to have a classroom opened in Lloydminster for retarded children from the ages of 6 to 14 years.

During the noon hour a picnic dinner was served on the lovely lawn of Mr. and Mrs. Jim Hale, with all members pooling their picnic baskets.

Films were shown by Mr. Milo Fleming of the Alberta Wheat Pool entitled "Jim's Choice" and another on "Arthritis and Rheumatism".

Among those in attendance were Mrs. G. W. Finlay, 2nd vice-president. Mrs. Paul Belik, F.W.U.A. director of District No. 7 was chosen a director by acclamation for the coming term.

Next year's pre-conference is to be held in Streamstown and next spring's conference in Marwayne.

IN MEMORIAM

In loving memory of
WILLIAM K. McCRAE
—who passed away July 10, 1957.
"He had a nature you could not help loving
And a heart that was purer than gold,
And to those who knew him and loved him,
His memory will never grow cold."
—Lovingly remembered by his wife, Mrs. Wm. K. McCrae.

Check that date on your label.

Applications in the Mails For Second Annual Alberta Citizens Dividend

Postal delivery of more than 320,000 application forms to every household in Alberta, for the second annual Citizens Participation Dividend under the Oil and Gas Royalties Dividend Act, began last week. The dividend this year is for the sum of $17.50.

Basic requirements for eligibility this year are the same as for last year. Applicants must be a Canadian or British subject, not less than 21 years of age, a current resident of Alberta and resident for the immediately preceding two years and for a total of not less than 10 years.

Procedure for obtaining the dividend this year varies from last year. Completed application forms, Form 'A', must be sworn before a Justice of the Peace, Notary Public or Commissioner for Oaths in and for the province of Alberta, and mailed to Citizens Dividend Branch, Legislative Buildings, Edmonton, Alberta. Dividends will be paid by cheque mailed to the applicant's address.

Approved fee for attesting application forms is set by provincial statute at 25 cents.

Where an applicant cannot appear before a Justice of the Peace, Notray Public or Commissioner for Oaths, a special Form 'B' may be employed. This is obtainable from the Citizens Dividend Branch, Legislative Buildings, Edmonton.

Other special forms, Forms 'C' and 'D' are also available at the Citizens Dividend Branch. These may be used for incapacitated persons under care of a trustee or a responsible person. Details may be had on enquiry at the Dividend Branch.

No application will be considered if delivered or mailed after December 31, 1958.

WATCH THOSE CLOUDS
A good skipper always watches the weather. When a storm threatens, head for the closest safe anchorage. If a storm overtakes you on the lake, stay low, throttle down, and head into the waves. Play safe for more fun afloat. tf

The town of Gimli, Manitoba was named after the resident of the Icelandic god Odin and the word means 'the place where all good and brave men go after death.'

the Snapshot Guild

As a time like this, the more cameras in action the better. There can't be too many pictures of a moment like this.

The Bride's Always a Picture

To be sure of having the most complete album of wedding pictures her budget will allow, almost every girl who gets married today hires a professional photographer.

Such pictures generally supplement the traditional posed studio portrait of the bride. They consist primarily of informal photos of the bride and groom with their families and guests, both in the church and at the reception.

Many of these albums are handsomely assembled collections, ranging in dimension from those suitable for wallet-size pictures to 11" x 14" or even larger. Small "accordion-type" albums, which unfold to display all the pictures at one time, are becoming quite popular.

One of the current favorites in albums is white leatherette with a gold-colored border. Usually, the pictures are mounted on heavy white paper, with a few inches of white space all around to give a framed effect. In other albums we've seen, [illegible] acetate envelopes hold the pictures flush to the edge, without mounting.

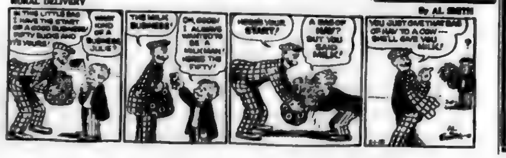
You'll find that today many wedding photographers offer a special "package deal", too. For example, one 8" by 10" white leatherette album of 24 pictures, plus one duplicate 5" x 7" brown leatherette album, may cost about $125. But for only $25 more, the same photographer will include these additional items: six identical 8" x 10" group pictures of the newlyweds, and 50 thank-you notes bearing their picture.

Stereo color slides have also become popular for wedding coverage. And with these as well, the price quoted is for a minimum number—usually 20 or 24.

But remember, all you picture-taking relatives and friends of this season's bride-to-be, there's no reason to leave your own cameras at home just because a professional photographer's on the scene. Your pictures of the little incidents and happenings—offbeat and full of human interest—can make a wonderful wedding album all their own.

—John Van Guilder

RURAL DELIVERY



IN THIS LITTLE BAG I HAVE THE START OF A GOOD BUSINESS, FIFTY BUCKS AND IT'S YOURS!
WHAT KIND OF A BUSINESS, JULE?
THE MILK BUSINESS!
OH, GOODY! I ALWAYS WANTED TO BE A MILKMAN! HERE'S THE FIFTY!
HERE'S YOUR START!
A BAG OF HAY? BUT YOU SAID MILK!
YOU JUST GIVE THAT BAG OF HAY TO A COW — SHE'LL GIVE YOU MILK!
By AL SMITH

WILDMERE WINKS

A very nice attendance at church on Sunday, June 22. Mr Robinson would like to see more children in the choir and when this number reaches fifteen he will play a cornet solo. Turn out folks, half of our student's Sundays are gone already.

Mr and Mrs R. Lake and baby son are visiting at Mrs. Lake's parents' home, Mr. and Mrs. L. Fadden. Ronnie is working on an oil well near Wainwright at present.

Maureen Cruthers worked for a couple of days this week at the home of Mrs. George Stewart of Claysmore, helping out as Mr and Mrs. Stewart were preparing to go for a holiday.

All the school children are now on holidays. We are sure they and the teachers are glad of the vacation.

On Friday afternoon a nice crowd attended the closing school picnic sponsored by the Preston Home and School at the Preston Central school. Cliff Cruthers was in charge of the booth and it being a hot afternoon sold lots of soft drinks and ice cream. The teachers lined up all the children and they were treated with free ice cream, including pre-school kiddies and visitors. Ball games, fathers against the boys, married ladies versus the girls, were played. Races were run off. Supper, pot luck, was enjoyed inside the school as it was too windy outside. Before supper Mrs. L. Alexander called the group to order and presented a nice electric lamp to Mr and Mrs. Leighton, and a cup and saucer to Miss J. Kent. We are sorry Mr. and Mrs. Leighton are leaving our midst to reside in Paradise Valley where they will operate a store. We have enjoyed having them with us. Both Mr. and Mrs. Leighton heartily thanked everyone for all the kindness shown, as [illegible] Miss Kent. We hope Miss Kent will consider staying on at Preston school. Everyone did justice to the well laden tables and then another ball game was enjoyed. All in all it was a very successful day.

We are pleased to hear Miss Craig that your W.M.S. pin has been found.

Mrs. Chas. Morand, daughters Gloria and Iola, and granddaughter Brenda of Calgary, are here this week end visiting her brothers Bill, Adam and Albert and sister Mrs. C. Cruthers.

There are more than one and a third million women in Canada with paid jobs, and the largest group of women workers is in manufacturing.

CHEMICALS for weed and insect control. 2,4-D's, MCP's, T C A, Dowpon and other specialized products. A free catalog on request. National Grain Company Ltd. 48-0-2

TENDERS FOR FENCING

TENDERS will be received for fencing 3 sides (east, south and west) of Preston Central School yard. Posts will be ten (10) feet apart set in two and one-half (2½) feet, with double bracing on corners. Job must be completed by Sept. 1st. All material is supplied and delivered to the [illegible].

TENDERS will also be received for mowing the grass.

Tenders must be in writing not later than July 10th.

Lowest or any tender not necessarily accepted.

Mrs. Frank H. Gibson,
Secretary, R.R. 3, Vermilion. 1x

Farewell For Navy Recruit

MANNVILLE — A family farewell was held Sunday at the C. Swain home for Alan Swain, youngest son of Mr. and Mrs. Swain, who are in business in Mannville. A weiner roast was much enjoyed in the family yard, and all reported a good time. Alan leaves for Cornwallis on Friday of this week to begin training in the Navy.

If you're in the need for a statistic, here's a pleasant one. Tourism, as a Canadian industry, ranks third in importance, just behind newsprint and wheat. Ottawa says 1956 visitors total was $27,700,000 and 1957 was nine percent higher. Forecast for 1958 is for an even greater increase.

Many a good argument is knocked down and run over by [illegible].

Had this picture been shot from greater distance, the story it tells would have been lost and you wouldn't have the fun of guessing what this is all about.

"How Close? It Depends . . ."

Should you ask a professional photographer how close you ought to be when you snap a child's picture, chances are he'd say, "Close enough to see what's going on!"

It's a good rule for any kind of snapshot, too. But it's doubly important when you're snapping the small fry to move in as close as you possibly can without cutting off any main element of the picture.

Let's say that the reason for a particular picture lies entirely in the expression on a child's face. The child might be cuddling a pet, examining a flower, popping bubble gum, or reacting to a new food. The best place for your camera to be is just as close as it is capable of making a sharp picture. With box cameras this distance is about six feet—until you slip a close-up attachment over the lens. Then, you may move in to a more desirable three and a half feet. At this range, the zone of sharp focus is rather narrow so you'll do well to measure your camera to subject distance with a little care.

Where the picture situation depends on what the full figure of the child is up to, step back a pace or two in order to catch the entire subject in your viewfinder. If there's even the slightest chance that your subject might change position, back up an extra foot or so to allow a safety zone.

Often the meaning—the special mood—of a picture will depend to some degree upon the background. When this is the case, include as much of it as you need, but no more. Generally speaking, snapshots of this kind call for simple but sharply focused backgrounds.

In most cases, however, we feel that interest will be concentrated in the expression on your small subject's face. And that's why a close-up is your best bet. But a snapshot of a youngster can be close and sharp and still miss its mark in effectiveness. This happens when you stand stiff-backed in all of your height and shoot down at a child who's less than half your size. All you catch is a good shot of the top of his head—and not much else. His expression—which tells so much of the story—is completely lost to view. Here's a case where you should keep your camera down low even if it means bending, kneeling, stooping, squatting or sprawling. 673 —John Van Guilder

Letters to the Editor

The Standard does not hold itself responsible for opinions expressed by correspondents.

Vermilion,
June 30, 1958.

BY-LAWS . . . BIG JOKE!

Dear Editor:

Please allow a few lines to elaborate a little on the subject of laws and by-laws.

Laws and by-laws didn't come from heaven ready made, I'm sure. Did it not take hours, days and months to shape them up? Then what happens?

Joke No. 1: Well, [illegible] half the local motorists are speeding, directly on our streets if you please. Yes, 40 to [illegible] miles per hour is not uncommon in the residential districts in daylight and even more popular in the wee hours of the morning. The loud exhausts combined with such speeds appear to make the motorist more "popular" it seems. The name "Speedway Avenue" should replace 49th Avenue.

Someone mentioned the other day that they had clamped down on some of the boys. That is really a joke! They must have been doing over a hundred or driving on the sidewalk.

Joke No. 2: What about the so-called "Truck Route". Maybe there is no by-law for this, or maybe the signs are upside down? What are small trucks, other trucks (some 100 feet long), Greyhound buses, etc., doing on 49th Avenue again doing over 25 m.p.h.

Joke No. 3: A recent issue of the Standard contained a by-law on dogs, yet the same dogs keep on upsetting the same barrels, running across the same gardens, barking at the same cars. Maybe their custodians were convicted, the paper doesn't say, but the by-law does not say what will become of the dogs. This by-law is due for a [illegible].

Joke No. 4: Kids are kids and kids on bicycles on sidewalks will always be a problem. You can't blame them for pulling off to the side, but here again they are a menace to small children and old people. What does the by-law have to say?

Now to sum this up, it appears that everything has gone haywire.

To remedy the situation I would suggest discipline, strict and persistent enforcement of all by-laws by proper authorities, "ghost cars", spot checks at any hour on any day with infractions published in the local paper.

This, I believe, is what is needed to save your child and mine from the front page headlines.

This is my beef.

"Nuff Said"

Mannville and District Local News

Mrs. Gould (nee Gertie Reisch) and family have been spending some holidays with her aunt and uncle, Mr. and Mrs. A. Reisch.

Alan Swain recently joined the navy. The best of success is wished him in his new life.

Wes Sargent, Jim Panter, Ken Scoggins and Dar Enfield attended the ball tournament at Lacombe on Friday. The first named three men went by car, while Dar Enfield went by bus, which waited ten minutes for him as he had difficulty getting a driver for his school bus that day. However, Lloyd Boe obliged and Dar's clothes were brought from home and he dressed for the trip while the bus was held for him.

Mrs. Alex Bigelow and Miss Blanche Chrysler from Kirkland Lake and Toronto respectively, sisters of Jack Chrysler, have been visiting he and Mrs. Chrysler. Mr. Chrysler drove the ladies to catch the train home on Saturday.

Mr. and Mrs. Danny Swain and Brian have moved to the Mix ranch, where Danny has become employed.

Visitors at the J. Chrysler home Sunday were Mrs. Emma Sargent and family, her daughter Betty Flagler and husband of Edmonton as well as Bob and Blanche Chrysler and their daughter.

Mr. and Mrs. M. Malin and daughter left Sunday for Penticton B.C. where they will spend their holidays. Accompanying them on the trip are Mr. and Mrs. Whiting of Lloydminster, [illegible] mother and father. Sons Gerry and Ronnie are stopping in Lloydminster until their parents and grandparents return, their [illegible].

Visiting relatives here and at the home of his mother is Eddie Meere from the U.S.

Sunday visitors at the home of Mr. and Mrs. J. Johnstone were Mr. and Mrs. T. Otto and Jim's father, W. Johnstone, 'Scotty' to all Mannville.

Among those noticed from out of town attending the McLuckie-Tardif wedding were Carol and Bruce Bennett, Bob and Lil Bennett, Clayton Wood and his wife Vivian and Norman, Greenwood, Audrey (Hughes) Thompson, Mrs. M. Purdue, Jim and Marian Miller, James Croft and Mrs. L. Croft.

Mr. and Mrs. R. Forsyth, Stuart and Bill, along with Ralph Leitch are taking advantage of the holiday week end to visit at Porcupine(?) [illegible], Sask.

Clarence and Ross Ewing left on Sunday for Saskatoon on a short visit.

Mrs. A. Gerhart recently entertained at a tea in honor of Gertie (Reisch) Gould, a number of neighbors being present.

Mrs. F. Richardson and family are moving to Hay River in order to be with [illegible] who works for [illegible] Construction.

Lyle and [illegible] Kreller leave the beginning of the week for [illegible] where they will spend their holidays at the home of Mrs. Kreller's mother.

[illegible]

Pleasant Valley

It is really nice these days with a few showers to keep things fresh, but we could do with a lot more rain for crops and gardens. The wild flowers, particularly roses are lovely, blooming by the thousands along the roadside. Everyone should take time off and drive out into the country, the summer is very short you know.

The Reid family from Edmonton were week end visitors at Christie Gould's home.

The writer met Mrs. Fyfe in Lloydminster one day last week and had a nice chat with her. It was quite a surprise.

[illegible] and the writer drove out to Bob M[illegible] last Sunday to see his beautiful horses and colts. Bob is really proud of these fine animals. They certainly are very intelligent.

The fishermen of the district returned home with some very fine fish. The heaviest one was quite a fish, weighed [illegible] pounds.

Harold McClelland and family visited their parents on the farm during the long week end.

It's time now folks to start your rose cuttings from your favorite rose bushes. It saves you a lot of money for not having to buy new bushes every year. Place a jar over the cutting and leave it until spring.

The Timid Soul

How about your SUB?

SQUARE NOTES From Circle 8

On June 28 the Circle Eight Square Dance Club held their second open-air square dance at the Lake. The weatherman didn't give his full co-operation and blew a brisk wind on us all evening, however it is hoped that he will provide a very nice evening for our next dance July 5.

Walter Parker of Dewberry will be our next guest caller and his first opportunity to call a whole evening at Vermilion so do turn out in full force. Dancing again on July 5 will be at the bandshell from 9 to 1 with weather permitting and at the [illegible] Community Hall should it rain.

Our local caller, Johnny Maxwell and wife Cora are away at the Square Dance Institute this week at Banff to collect all the newer things out in square dancing so that they may be able to pass it on to us in the fall when we start our regular dancing season again.

Our secretary, [illegible], now has the membership cards which are one dollar per season. In the fall [illegible] at least for the five dances. We know of no other [illegible] looking forward to [illegible].

Happy square [illegible] bandshell on Saturday [illegible] 9 p.m.

Shady reputations are due mainly to the [illegible] of reflections.

United Church W A and W M S Rally Held At Kitscoty

The annual sectional Rally of the eastern part of St. Paul United Presbyterial was held at Kitscoty on Tuesday afternoon by Kitscoty W. A. and Marwayne W. M. S. The Marwayne W M S gave the devotional. Mrs R.A. Johnson spoke on the school for United Church women in Edmonton in August and of the leadership course for young people held each Easter in Alberta College. Mrs. Shortt told of the missionary from India who spoke at the Presbyterial on the work done there in the country areas. Mrs. T. Sheppard sang a solo and the guest speaker, Mrs. McKay of Vermilion spoke on "You as a Missionary." In this interesting address, she said not all missionaries go to a foreign country. Each one of us can be a missionary to our neighbor and in our community to help them and us build a better community and a better world.

Lunch was served to a goodly number from Lloydminster, Islay, Vermilion, Kitscoty and Marwayne, which brought the Rally to a close.

V. S. A. Grad Appointed

Hon. L. C. Halmrast announces that O. G. Bratvold has been appointed Supervisor of Crop Improvement with the Field Crops Branch. He takes over the position from R. L. Pharis who recently resigned to enter commercial advertising.

Mr. Bratvold, a former 4-H Club winner and graduate from both the Vermilion Agricultural school and the University of Alberta, has had wide experience in encouraging and promoting crop improvement work in Alberta.

Alberta Farmers Borrow Least

Farmers in Western Canada took loans amounting to $35,161,504 on farm-stored grain in the six-month period ending May 31. The amount of money loaned was far below early expectations. Loans were made under legislation passed last fall. A total of $21,515,240 had been refunded by May 31. A breakdown of loans by provinces, follows:

Manitoba — $7,111,232 loaned to 11,719 farmers for an average of $607.

Saskatchewan — $21,798,988 loaned to 28,728 farmers for an average of $759.

Alberta — $6,250,084 loaned to 9,870 farmers for an average of $634.

This information was given in the house of commons by Trade Minister Churchill.

WILDMERE PICNIC

Wildmere Curling Club annual picnic will be held on Friday, July 11 at the picnic grounds located ½ mile west of Jim Wallington's farm. Ball games and races. Booth on grounds. Supper will be served. Everyone welcome. (1 & 2)

AUBURNDALE PICNIC

F.U.A. and Community Centre picnic will be held on Wednesday July 16th at the Auburndale community centre picnic grounds. Baseball, races, horse races will take place. Everyone welcome. 1-8

Rainfall for June totalled only 1.49 inches. This compares with 1.94 for June, 1957, another light precipitation month.

It's A Shame!

Every year the beautiful flowers in the elementary school garden are the object of much admiration by the public, and this year was no exception. The peonies were especially large, colorful and beautiful. That is, they were, until some time Wednesday evening when a number of children went to work in earnest on the flower plots and destroyed scores of the beautiful blooms. The flowers were knocked down, walked on, pulled out and generally destroyed. A complaint has been made to the police.

Parents are asked to question their children to find out who were responsible so that timely and deserved warnings may be given.

Caretaker Harry Scott discovered the vandalism when he went to the school Thursday morning.

Baby Ducks Are Hatched in Town

A mother duck has hatched out a brood of ducklings right in town, and close to the source of a good wheat supply, in the yard of the Alberta Pacific Grain elevator. Now nearby neighbors are much perturbed over the fate of the little fellows as they scurry to and from across the busy road at that point. On Thursday the downy ducklings seemed to have been deserted by their mother and were rounded up by Mrs. Clark who gave them temporary sanctuary in the bathtub. What to do with them is the next big question. Any suggestions folks?

Open New Tire Shop Here

The Civic Tire Shop, a new business for Vermilion, has been opened in the premises recently vacated by Moren Electric. Owner of the business is Mr Kay Strate of Lloydminster who operates a similar shop there while the local manager is Mr Arnold Uerulik.

Attention of readers is directed to the large opening announcement ad on page 4, section 2 of this issue.

Kay Strate is no stranger to Vermilion people as he is the well known hockey player and has often been seen in action on Vermilion ice.

Heinsburg Boy Is Accepted For Army Training Plan

GRIESBACH, Alta. — George L. Sihora 16, son of Mrs. Helen Sihora of Heinsburg, Alta., has applied for and been accepted for Apprentice training under the Army's Apprentice Training plan. He has been assigned to the Royal Canadian Army Service Corps, and will attend the RCASC Apprentice School at Camp Borden, Ontario, in September.

The Apprentice Plan provides two years Academic and Trades training, the emphasis being placed on the academic side, and qualification as an Army tradesman prior to commencement of a five years enlistment in the Regular Army.

Walking from Ottawa to Vancouver George Potvin Reaches Mannville

MANNVILLE. — Ottawa resident George Potvin, wearing the pin of Saskatoon Chamber of Commerce, who is on a self-imposed pilgrimage to British Columbia's centennial celebration, stopped over at Mannville this week end, arriving at Linda's coffee bar at 6 p.m. Saturday. When asked why the Saskatoon pin Mr. Potvin explained he was once in business there in 1951, and upon returning in 1953 he found a membership drive in full swing and thus became affiliated. George, as one found it easy to call him, is a most friendly and charming personality, and has walked 1800 miles of a possible 3400, taking rides only when asked — he does not thumb. He has not walked more than 28 miles in any one day, and rests over Sunday, worshipping in churches of many denominations. He attended Christ church (Anglican) service of Holy Communion Sunday morning at Mannville.

Calling on all mayors in towns where he stops, George collects signatures and greetings from them to B.C.'s Centennial. Mayor A. E. Williams from here being the 58th one he had contacted. George gave as reason for doing this, when interviewed by the Standard, "This plan is in accordance with my deeply rooted principles, and as an act of faith in the inherent goodness of the Canadian people, whether born so or naturalized and as an act of thanksgiving to God, who has been so good to me." Relaxing at Linda's, he expressed sincere appreciation for the way Mr. and Mrs. K. Scoggins had taken him in to their private quarters, and was assured more than ever that his convictions had been right. He has received utmost co-operation from press and radio as well as T.V. stations on the way.

George intends to write a book on experiences when back home, and has promised to return to Mannville for a visit, but by car next time. George keeps in touch with all whom he contacts on the way by means of post cards and letters. Giving up an excellent job to carry out this desire, George claims that he has reached this far due to people befriending him.

George carries with him a lighter picked up on Highway 11, between Burk's Fall and Sandridge Ontario. Upon reaching Mannville he was impressed with the manner in which the town is laid out and noted the many new buildings two of which were churches, also the new school buildings. Having lost about 18 pounds, he finds the going tough at times, but continues on to his goal, staying overnight at hotels, motels or private homes, as the case may be. As Mannville bade good bye to this debonair, slim figure dressed in beret, heavy army style shoes, durable clothes, all wished him godspeed, and his farewell to us was "God Bless You."

Pictures were taken of him with the mayor after receiving the greeting to B. C. With Mr. Potvin there goes a message from Mayor Williams to "His Worship the Mayor of Vancouver, B.C.: May I extend to you and through you to all the citizens of your city and province, hearty congratulations on your centennial, and hope and trust that it will be a happy event for all. Wishing you personally continued success. (Signed) A. E. Williams, Mayor, Mannville, Alberta."

Farewell President Of Mannville Girls' Auxiliary

MANNVILLE. — It takes more than heat to dampen the spirits of Mannville G.A. when a member is leaving town, as the entire group met at the home of their leader, Mrs. Joan Lugg, and by means of a little subterfuge succeeded in luring Marilyn to her house, in order to surprise the young lady. This they did, as she had no idea of the plan, and upon arrival, was escorted to the front room of the Lugg home to see something 'special'. As other members were hidden there, Marilyn soon found out that a weiner roast was planned, and despite an extremely hot day, fun was had sitting around the campfire while buns, weiners, potato salad and cakes were enjoyed. The members presented Marilyn with a five-year diary complete with wooden box and key and "Mannville" inscribed thereon. She thanked the girls most graciously and expressed the hope she would find girls in Edmonton who were as much fun as Mannville girls had been. She had been president of the G.A. for the past year.

MEDICINE HAT TRICK

Does it do any good to preach to people about safe driving and walking, or is a certain number of accidents statistically certain anyway?

Experience of Medicine Hat shows that preaching does help, says The Financial Post, provided it's persistent enough. The Alberta city has not had a traffic death in three and a half years, and this is a better record than can be shown by any other community in North America with 20,000 people or more.

WOODVALE NOTES

We seem to begin every news bulletin with belated congratulations to new parents! We just heard about your baby boy, Murray John, Margaret and Tommy Lyons, after our last news was mailed. We hope to see him soon.

Mrs. Dora Lyons spent a week with her daughter Mrs. Mable Crooks and family at Airways.

Mrs. Belle McGrath is staying a week and maybe longer with her long time friend Mrs. Stranahan.

Rev. and Mrs. George Anderson of Chauvin and daughter Margaret visited with Mr. and Mrs. O Walters. Mr. Anderson preached last summer at the Tolland hall where Mr. H. McAvoy is drawing a nice attendance of 30 to 40 people on Sunday mornings now. All seem to enjoy his sermons. This is the largest attendance for several years and it would be very nice to see it continue.

The Woodvale Mutual Telephone Co. held its annual work bee on June 24 and 25 and quite a few miles were reset with new and stronger poles. The line must have resented all that activity as it has put up quite a howl ever since. Who volunteers to find the cause for that now?

The directors and committee members of the Vermilion Savings and Credit Union held their monthly meeting at the home of Mr F. Van Wagoningen. They brought their wives and families and enjoyed a weiner roast afterwards.

Dean Eggenberger from Calgary is spending his holidays with the Van Wagoningen family.

The school year ended with a picnic and ball games Friday afternoon with the little boys and girls who will start to school in September as guests.

Many of her old neighbors were glad to meet Mrs. Wilson Ford at the shower in Tolland hall.

Vacation Bible school will be held at Watson hall starting on Monday, July 14th under direction of Mr H. McAvoy. It is for children from 4 to 12 years.

Time of church service will be changed to 2:30 p.m. from Sunday July 20th to Sunday Aug. 17, but July 6 and 13 will still be at 11 a.m.

Wilf Carter Coming To Lloydminster

The always popular Wilf Carter show is coming to Lloydminster Saturday July 5th at 9 p.m. This marks the 9th year Wilf has been touring Canada and he will have with him his two very talented daughters, Carol and Sheila. Carol is now 13 and Sheila is 15 years old. In this year's Wilf Carter show the girls do singing, yodeling, ballet, tap dancing as well as playing the accordian and guitar. The throngs who have attended Wilf's shows other years will be anxious to see how the two Carter girls have progressed.

Also in the all-star supporting cast will be the return appearance of well-known Ward Allen, the champion old-time fiddler on Spartan records. Ward receives many requests for his recordings both at radio stations and the record stores.

Bob King and Joe Brown — both recording stars, are in the Wilf Carter show. Bob King records for R.C.A. Victor and Joe Brown is on Spartan records.

Ken Davidson and Vince Lebano are two other very versatile musicians in the troupe of ten and also an added attraction of two beautiful dancing girls from Carol and Sheila's dancing class in Winter Park, Florida. This all adds up to another evening of family entertainment at its best. As Wilf Carter says, "The Family show with the folks you know". 30-1

Marwayne F.W.U.A. Appoint Delegates to Vermilion Convention

MARWAYNE. — The regular meeting of the Marwayne FWUA was held at the home of Olive Midgley on Monday, June 23rd with Doris Tupper and Janet Hancock as co-hostesses. There were 24 members and four visitors present.

The meeting opened with the singing of "The More We Are Together" and roll call was answered by "the bulb I intend to plant this fall".

Those appointed to attend the July convention of District No. 7 in Vermilion are Betty Hale, Della Protsch and Doreen Allen.

Doris Tupper and Dorothy Milne will attend Farm Women's Week July 7 to 11 at the V. S.A. sponsored by Marwayne FWUA.

A motion was made to donate $25 to J. Papp along with the proceeds of the tea. Proceeds of this tea, held June 27th were $117. Another motion was made to give a carton of cigarettes to A. Protsch for making the doll chest and to H. Hutchinson for the extra janitor work on Centennial day.

The next meeting will be held on Monday, July 28th when plans will be completed for the Horticulture show which is planned for Aug. 12th. Hostesses will be Alice Milne, Betty Hale and Frances Leslie, the place yet to be decided.

Money collected and sent to the Canadian Mental Association was: 4-H Grain Club, $5; 4-H Beef Club $5; 4-H Sewing Club, $5; Ladies' Aux. $5; Willowlea Welfare Club $30; O.O.R.P. $10; FWUA $10; tag day $1.37. Total $141.37.

The Spring Conference of the FWUA was held in Marwayne school Saturday, June 21st with 34 present. Only Dewberry, Marwayne and Stapledene were represented.

Mrs. Ballik, of Edgerton, director of District No. 7 was chairman and Mrs. Harold Craig of Dewberry, secretary-treasurer.

A report of the year's work was given by each local and Mrs. Ballik gave a report of her work since taking office of director. Mrs. Theranka of Lloydminster gave a talk on retarded children and Mrs. Bond continuing on this subject told of their efforts in Lloydminster to establish a school for trainable retarded children.

Mrs. Rita Finlay, 2nd vice-president of the FWUA, told of the work of CARS, or Canadian Arthritis Rheumatism Society. Mr. Fleming, field man for the Wheat Pool, showed the film "Never Surrender" on this subject. Also shown was a film entitled "Timmie's Choice", depicting farm life with a family in 4-H clubs.

A motion was made that the Conference be held in Marwayne again next year. A picnic dinner was enjoyed by all on the lawn at the home of Betty Hale. Tea was served in the school after the Conference was over.

Make a noise like a dollar and some man answer the call of duty.

Clandonald Man Dies In Kelowna

Harry Vance, a former well known farmer of the Clandonald district, died suddenly at Kelowna, B.C., recently.

Born in Fredericton, N.B. Mr. Vance went to Edmonton in 1904 where he helped on various construction jobs until he went to homestead in the Landonville district north of Vermilion.

In 1915 he married the former Florence Grossman and the couple resided on a farm at Clandonald until they moved to Edson and later to High Prairie.

Besides his widow he is survived by one son, Clarence of Edmonton, and five daughters, Mrs. A. Maclean and Mrs. F. Pilot, both of Kelowna; Mrs. S. Seaborn, Clinton, B.C.; Mrs. C. Marriott, Bonnyville and Mrs. G. Gordon, Valleyview.

MR. AND MRS DONALD M. OLSON

Lillian Woyewitka Bride Of Donald Olson in Afternoon Wedding

At a late afternoon ceremony in the First United Church, Vermilion on June 7th, Miss Lillian Woyewitka, daughter of Mr. and Mrs. Dmytro Woyewitka of Vermilion, became the bride of Mr. Donald Morris Olson, also of Vermilion.

Rev. Holter of Mannville performed the ceremony after the bride was escorted to the altar by her father.

For her wedding the bride chose a full-length gown of lace with lily point sleeves and the neck was outlined with sequins and seed pearls. Her shoulder-length veil was held in place by a crown of seed pearls. She carried a bouquet of red roses arranged with streamers and rose buds.

Miss Iris Lakusta and Miss Alice Dach attended the bride, wearing blue and pink cocktail-length gowns with matching bandeaux. They carried bouquets of pink carnations and white daisies.

Best men were Mr. Robert Olson and Mr. Walter Youer. Mr. Orest Woyewitka was usher.

Mr. Jack Brown played the wedding music and Mr. John Webb was soloist.

For her daughter's wedding, Mrs. Woyewitka wore a blue and white print silk dress with white accessories and a corsage of white roses. Mrs. Olson chose a dress of navy blue with white accessories and a corsage of white roses.

At the reception following the wedding, in the Elks hall, Rev Holter proposed the toast to the bride. After a honeymoon to Waterton Lakes and Banff, Mr and Mrs. Olson are making their home in Vermilion.

Dewberry Home and School Hold Final Meeting of the Year

DEWBERRY. The June meeting of the Dewberry Home and School was quite well attended. Mrs. Oxton gave a very interesting and thorough report of the convention which was held in Edmonton in May. Mr Jaycock is our new provincial president and Mrs. Allen is again our regional director.

Head office has had many inquiries regarding bingo, wondering why they did not approve of using this method for raising funds. Since bingo is still not legal, and since we, as H. & S. are trying to bring up our children to respect the law, it cannot as yet be sanctioned. Until the law has been repealed bingo is out. It is understood that some changes in laws regarding bingos may shortly be made.

Convention date next year will be from June 8th to 14th.

The meeting was then declared open for nominations for officers for the following year, resulting as follows:

President — Mr. Whiteside

Vice-Pres. — Mrs. Mary Mathieson

Secretary — Mrs. Oxton

The question, "Would you be in favor of a nine month term for the school year? If not for all grades, how about grade 1?" was then discussed. Most agreed that for grade one it might be feasible but for the rest of the grades with so much work to cover, it was felt that it would not work without lowering the standard. It was suggested that students with a high average could probably be dismissed two weeks early. This would give the teacher a better chance to concentrate on the student needing extra help. One person suggested, with a touch of humor, that with a three-month holiday in the higher grades we'd never get them back to school — as by that time they would all be married!

As 'food for thought' during the summer months, it was felt that rather than serve food in the gym after parties, etc., there is a need for a dining hall.

All were then invited by Mrs. Witzaney to view their model town which was constructed by the Junior high pupils. It was very nice.

Coffee and lunch were served as is the usual custom, bringing to an end a very successful H. & S. year.

The writer would like to take this opportunity to thank the editor and staff of the Vermilion Standard for giving space for these monthly reports.

GREENLAWN Goodwill Club

The monthly meeting of the Greenlawn Goodwill club was held at the home of Mrs. M. Maddox with 23 members and 3 visitors present.

The main discussion for the afternoon was the annual Goodwill Club picnic to be held at Whitney Lake. It was decided that July 6th would be the day. Half of the members are to bring cake and buns and the other half pie and salad.

The July meeting will be at the Greenlawn hall. Films, sponsored by the Canadian Utilities will be shown. Invitations were sent to the Martin Goodwill Club, the Frog Lake Ladies' Club and the Riverton Ladies' Club.

It was decided to have a weiner roast at the home of Mr and Mrs. Harlan Green and take up a collection to help pay for Bob McGill's hospital bill, as due to injury this spring, he is unable to work.

The secretary read an invitation for the club to send a delegate to the Farm Women's week at Vermilion. Berta Lumley was the chosen delegate.

During the winter the club sent an apron around to all members to sew a patch over a donation for the Crippled Children's fund. Beth Grant was the lucky winner for having the neatest patch. The proceeds for the Crippled Children's fund was $20.18.

The secretary brought remnants which Simpsons-Sears and Eatons had kindly donated to the club. Some of the members took home pieces to make up for a bazaar which is planned for this fall.

Due to the late hour other business was tabled until next meeting.

The hostess prize was won by Mrs. Nicholson.

A very dainty lunch was served by the hostess assisted by her mother, her sister and Betsy Lumley.

Some folks waste lots of time waiting for words of encouragement.

At the Opening of the Lea Park Bridge

Long-to-be-Remembered Scenes at Lea Park Bridge Opening

(Contributed)

No one who attended the official opening of the Lea Park bridge on June 13th by the Hon. E. C. Manning, Premier of Alberta, will ever forget the wonderful mile-long parade made by the many points in the area in tribute and congratulation to this superb structure.

This observer wishes to make special mention of just two of these outstanding and colorful displays as seen from the beautiful natural setting on the sloping bank opposite the speakers' platform erected on the Legion Stampede grounds. The platform backdrop was a silent tribute to the past and the present. Surmounted by a lovely white satin banner displaying in color the words, "Alberta, Canada", surrounded the provincial coat of arms and the floral emblem above a huge Union Jack. On each side of this 12-foot flag were two long streamers on which were inscribed "165 years of progress" . . . David Thompson came by canoe in 1793; Fort Vermilion Trading Posts, 1808; the pioneers coming into the district by show on the Saskatchewan in 1908; the first ferry crossing the river at this point in 1908 and finally the Lea Park bridge completed in 1957.

At the front corners of the speakers' platform were the Union Jack and the Red Dragon flag of Wales, deposited by the "Welsh Woman" as a special tribute to David Thompson, that son of humble Welsh parents who became the world's most famous inland geographer and map maker of Western Canada, 1793 to 1810, who was loved and respected by the Indian who called him Koo Koo Sint. Tribute is also paid to this very early settler in the 12-page souvenir booklet "The Bridge Where Two Rivers Meet", specially compiled for this occasion and which contains a map and 22 pictures of great historical interest from 1870 to 1957. This booklet may be obtained for 50 cents per copy.

Another item of special interest was the float of the Marwayne branch of the Canadian Legion. "Lest We Forget" those who made our freedom possible by their service and supreme sacrifice.

In the centre on a green sward was the grey cenotaph flanked by two standard bearers and the Legion President in centre back with two other Legion members with bowed heads on each side of the silver cross and a mother facing the cenotaph in tribute to and mark of sympathy for all those homes bereaved in war.

Yes, it was a day to remember, with thanks to all who made it possible.

Agriculture, Youth and Farm Front Will Be Features of Edmonton's 1958 Exhibition

Agriculture, youth and the farm front in general will have more emphasis than ever before at the 1958 Edmonton Exhibition July 14 through 19.

Federal Minister of Agriculture Douglas Harkness will sound the keynote to western Canada's greatest agriculture show when he officially opens the 1958 Exhibition at the evening grandstand show Monday, July 14. Mr Harkness will also participate in the giant 'Salute to Youth' parade on the streets of downtown Edmonton which starts off at 10 a.m.

Among the features of general interest to farmers will be the annual Operation Tractor which during the past five years has drawn competitors from all parts of the province. Scheduled to open on Farmer's Day, Tuesday, July 15, Operation Tractor will continue through Wednesday and Thursday with the finals on Friday July 18th.

Operation Tractor is a competition in tractor operator efficiency and safety and winner of the event will be awarded the Alberta Safety Council Trophy which is significant of top operator performance. Winner of the 1957 event was Roland Teulie of Legal who is expected to compete again this year.

Livestock has long been one of the strong features of the Edmonton Exhibition and a record number of entries has been received for the 1958 event. The stock barns at the Edmonton Exhibition have always been a meeting place for Alberta's leading breeders and the prize stock exhibited has earned the Exhibition the reputation as one of Canada's leading stock shows. The horses, cattle, sheep and swine to be found in the sales pavilion in accommodations unmatched in western Canada are a true tribute to the calibre of the Edmonton Exhibitions farm emphasis program.

The Junior Farmers and 4-H activities which in recent years have increased tremendously at the Edmonton Exhibition this year will be of great interest to the youthful farmers with the presence of James Moore, secretary manager of the Council of 4-H work in Canada. Mr. Moore will be on hand to give personal advice and guidance to 4-H groups attending the exhibition.

The farm boys' and girls' camp commencing Tuesday of Exhibition week will once again be a feature of the 1958 Exhibition and during this event 30 boys and 30 girls are the guests of the Edmonton Exhibition Association Board and room commencing Tuesday morning through Friday noon is provided free of charge but boys and girls are required to supply their own bedding, running shoes, soap and towels. Transportation to and from the Exhibition is the responsibility of the youths.

The boys' and girls' farm camp is both an educational project and a holiday with those attending taking part in the various demonstrations and lectures. They are guests at the annual banquet held Thursday evening and compete for the Edmonton Rotary Scholarship. The scholarship is awarded to the winners in each of the boys' and girls' divisions and is applicable at either Olds, Vermilion or Fairview Schools of Agriculture for the amount of $100.00. Winners of the 1957 Rotary Scholarships were David Powley of Inland and Adeline Medynski.

The three prairie provinces were the first to grant women the right to vote in provincial elections in 1916.

LIGHTS ON BOATS

Did you know that ALL boats, including canoes, rowboats and sailboats, must carry lights on the water after dark? Find out what the regulation lights are for your craft. Never take a boat out at night unless it has the proper lights required by law. Play safe for more fun afloat. tf

NEWS from KITSCOTY

W O John Kropinak and Mrs. Kropinak of Edmonton spent the week end here visiting with their parents, Mr and Mrs L. E. Speelman.

Guests the previous week end at the Speelman home were their old friends Mr and Mrs. Carl Jensen of Trochu, Alberta.

Mr and Mrs Walter Conarroe of Victoria B. C. were recent visitors to the Cecil Conarroe home. Last Sunday a family reunion was held at Clear Lake near Edgerton for the Conarroe clan when thirty five members of the family were in attendance.

Mr and Mrs. Russell Sutton of Calmar were recent visitors here to Marie's mother Mrs. P. Miles and sister Margaret.

Mr and Mrs Ken C. Gray, Don and Gloria spent three days this week at their cottage at Cold Lake boating and fishing.

Mr and Mrs J. McCorry were Edmonton visitors for two days [illegible]

Congratulations are extended to Mr and Mrs Stefan Wish (nee Adelle Smith) who were married June 28 in Lloydminster. Adelle was on the staff of the Vermilion River M. D. No. 71 here for the past three years and her many friends wish them much happiness in their married life.

Rev. F. T. Nelson, Mrs. Nelson, Marjorie and Lorell accompanied by Ruth Johnstone are attending the Tabernacle Bible Camp at Moose Lake for a month.

Mrs. John Dorian and family of Estevan, Sask., spent the past two weeks here visiting with Mr and Mrs J. (Shorty) Blair and the boys.

A recent visitor at the home of her brother and sister-in-law Mr and Mrs. Leonard King of the Kinnaird district was Mrs. A. Busher of Reading, Berks, Eng.

Mrs. William Long and Judy left last Saturday to spend the summer holidays at New Westminster B. C. with her daughter and son-in-law Mr and Mrs. Eddie Jacobs.

Mr E. Moss returned home on the week end after spending the past two weeks visiting friends at Moose Jaw, Sask.

Mr and Mrs. J. C. Potter received word recently that their son David had been promoted to AB. Potter, R.C.N. At present Dave is on the H. M. C. S. New Glasgow, cruising in the Queen Charlotte Islands.

Mr Lawrence Watt is spending a holiday in Creston, B. C. where he joined Mrs. Watt and will visit with their daughters and their families for the next ten days.

Mr and Mrs. D. Framere of Edgerton visited here with their old friends Mr and Mrs. E. Joy one day last week.

Miss Marlene Bootsman has accepted a position in the Vermilion municipal hospital for the summer months.

Guests at the home of Mr. and Mrs. Wilf Clifford for the Dominion Day long holiday week end were Mr Clifford's mother, father and his brother and his wife from Lucky Lake, Sask.

Congratulations are extended to Mr. and Mrs. 'Terry' Beek, who are proud parents of a new son, born in the Vermilion hospital one day last week.

St. John's Anglican Church W. A. groups wish to thank everyone who helped in any way to make their Tea, Bazaar and Bake Sale a success on Friday, June 27.

MARWAYNE

Mr. and Mrs. Gordon Hodgson (nee Jean Doull) of Edmonton visited at her home last Saturday.

A birthday party and family gathering was held on the lawn at Jim Hale's last week for Joe and Jim's aunt of Cando, Sask., who was 81 years old.

Mr. Ralph Currie and his grandson Wayne of Pennsylvania have been visiting at the homes of his brothers Chance and Billy Currie, also back for a visit are Mrs. Bessie Kay (nee Currie) and small son Bruce from Victoria, B. C.

Mr. and Mrs. C. Currie, Mrs. L. Isert and boys left for the Hot Springs and then on to Kelowna B. C. where the Curries will have a family reunion.

Congratulations go to Mr. and Mrs. Ron Mix (nee June Gunderson) who were married in Vermilion on Tuesday and also to Mr. and Mrs. Merle George, married in Vermilion on Saturday.

Mr. and Mrs. Dan Ure are giving up the dairy business the end of this month and we will have to get the milk from Lloydminster.

Mr. and Mrs. Reinheimer and Judy are leaving for 3 weeks vacation at points west. Irwin Bobroski of Lloydminster is acting manager in Mr. Reinheimer's absence.

Wayne Laird has just returned from two weeks holiday spent in Manitoba.

Mr. and Mrs. T. Burke and Jimmie are off in their new Austin for a week holiday in which they plan to visit the Pioneer Exposition in Saskatoon.

Congratulations to Mr. and Sam Murray on their 25th wedding anniversary.

Mrs. Rea is returing to Mannville for another month's nursing in the hospital there.

Riding at the Imperial Ranch at Byemoor this past week, Louise Parker won the title of 'Miss Rodeo Queen of Central Alberta.' She will compete this fall in the south for the title of 'Miss Rodeo Queen of Canada.'

The new Canadian Utilities office is under construction next to the Co-op warehouse.

Congratulations go to Mr and Mrs. Ed Viteychuk, our Utilities assistant, on their marriage in Lloydminster on Saturday. They will live in Mrs. W. W. Shaw's house.

In baseball action, with the Little League in Kitscoty on Wed evening Kitscoty 14 and Marwayne 13. The same evening in Marwayne, the seniors played North Fend the score being 6-1 for the local boys.

On Thursday in Marwayne Alcurve defeated Hazeldine in a fast ball game.

Mr. and Mrs. Jas. Lowrie, Mr and Mrs. F. Graham and Mr and Mrs Lloyd Van Camp motored to Edmonton on June 21st to attend the 25th wedding anniversary of Alf and Mildred (Van Camp) Tannis in the McKernan hall. Eighty guests had been invited, almost all former Marwayne folks, and a very enjoyable time was had by all.

Mr. and Mrs. G. Sitch, Port Arthur, Ont., last week visited her uncle Mr. R. A. Sonley and her aunt, Mrs. F. A. Hancock. Two friends Mr and Mrs. T. Klak accompained them. They are motoring to Jasper and Banff and on to Calgary Stampede on the way home.

Mrs J. A. Wilecam, San Jose Cal. has been visiting her sister Mrs. Jos. Ure. Shirley Rutherford, nurse at Lloydminster hospital, also spent a few days at the Ure home.

Mr. and Mrs. H. B. Holstein of Carbon are visiting the latter's sister, Mrs. E. A. Meiklejohn, Bill and Joan Meiklejohn and two boys.

Gordon and Elva Hancock, Larry and Connie have gone on holiday to Kamloops. They are meeting Ralph Page and family and doing some fishing there.

Mrs. Lucas is motoring to B. C. from Edmonton with her sister and will visit her daughter in Vancouver and son Gerry on Vancouver Island.

Don and Marie Irwin and family are visiting her parents Mr. and Mrs. J. Ramsey. Marie and children will stay the summer.

TULLIBY LAKE

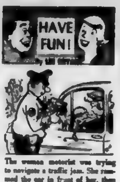
Those beavers are on the rampage again. This time they have entered Bob's Little Lake on the property of Mrs. Mollie Behrens. Can't quite understand their move this time as there is no running water there. The beavers seem to be very optimistic about their new home as the trees have been falling quite frequently.

The last three years have indeed been miserable ones for Mrs. Ruth Ferris and Will Newcombe as far as obtaining fodder is concerned. The main hay meadow has been flooded by excessive drainage from the neighboring north area. The Alberta government's chief drainage expert has recommended that the local municipal authorities make arrangements to have a bridge at the main drainage point on the Mar[illegible] Lake. This is intended as a precautionary measure to prevent any further flooding.

Many Tulliby Lakeites enjoyed the rodeo at Lea Park on the afternoons of June 17 and 18. We were all very pleased to witness the appearance of two local boys, Vernon Fr[illegible] and Jimmie Hines on the day's program.

Mr and Mrs S. A. (Art) Marshall and family of Edmonton have been visiting friends and relatives in the district.

Mrs. Ruth Ferris and Bill Newcombe left on Tuesday to journey by car down to Oregon and Nebraska. There they will visit friends and relatives and have a well earned holiday.



The woman motorist was trying to navigate a traffic jam. She rammed the car in front of her, then tried to back up and knocked down a pedestrian. Then she tried to move over to the curb and ran into a hydrant.

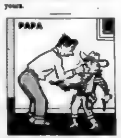
A policeman came up. "Okay, lady let's see your license."

"Don't be silly," she groaned; "who'd give me a license?"

TODAY'S CHUCKLE: My wife reports her year-old nephew is at the dangerous age—he can turn on the TV set by himself.

A worker in East Berlin was fired when he showed up at work on time. He was accused of buying an American watch.

You can always tell a well-informed man: his views are the same as yours.



Lets blow your nose pardner . . . before that final attack . . .

Farewell Mannville Couple

MANNVILLE — About 25 friends and neighbors of Frank and Margaret Richardson gathered at the home of Mr. and Mrs. J. Goshko to honor and bid farewell to them. A gift of an electric clock was presented to Mr. and Mrs. Richardson who are leaving for Hay River, N.W.T. where Frank is employed by the Stony Plain Construction Co. They plan to make their home there for some time.

How dignified some men can get on such small capital.

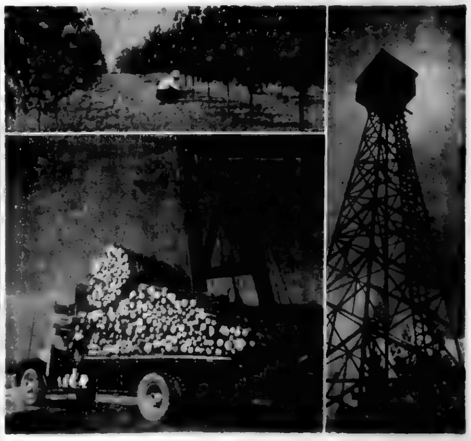
Grow, Harvest, and Protect say Forester Farmers Planning For Future

Research too Plays Big Role in Modern Forest Development



A forest researcher [illegible] at a commercial forest plantation on Manitoulin Island in Ontario's Lake Huron. These trees were planted [illegible]. By the following mid-summer, when this photo was taken, they were more than six feet tall. [illegible] trees which may be ready to harvest in ten years. (Lower Left), Eight foot pulpwood [illegible]. They are part of the annual harvest from Canada's woodlands. (Right), a fire tower, [illegible] of forest protection [illegible] against a clear summer sky. Forest protection also includes insect and disease control.

Montreal — Fifty years [illegible] for a single crop. [illegible] how long it takes for most trees to grow from seedlings to maturity.

During their long growing period, trees, just like a farm crop, must be tended and protected. When the crop is mature it must be harvested. If it is not, the trees will be wasted as they rot in the forest or fall prey to insects, wind storms and disease.

These are the facts of forest management about which professional foresters and woods operators talked at the 40th annual meeting of the Woodlands Section of the Canadian Pulp and Paper Association, held recently in Montreal.

The Woodlands Section of C P P A plays an active role in the management and protection of the forests. Working committees of the Section participate in research projects, investigate new protection techniques and help design new logging equipment.

Forest management as it was discussed at the meeting, is more than a conservation and protection program. It is creative. It includes and makes use of advanced scientific research. It provides the continuous and overlapping cycles of natural reseeding, growing and harvesting that will bring forth sustained annual crops to enrich Canadians and the nation.

Commenting on the future of Canada's forest resources in his announcement of the Montreal conference, W. A. E. Pepler, manager of the Section, said, "Over the next twenty five years Canada will have the exciting opportunity of doubling its output of pulp and paper and, at the same time, increasing by some 40 per cent its output of other forest products. Most of [illegible] forest resources are sufficient to sustain such an output [illegible] earn [illegible] for Canada through sales abroad [illegible] of such extensive forest development.

In terms of wood volume, [illegible]," Mr. Pepler continued, "the [illegible] will naturally create some problems for forestry officials and woods operators," he said. "That is why the Woodlands Section, and its members throughout the pulp and paper industry, continually strive to improve all aspects of their forest management and harvesting operations. Our concern is for future as well as for immediate harvests."

Mannville Boy Hurt When Bottle Thrown

MANNVILLE — Brian Upton, son of Mr and Mrs. Don Upton of Mannville, suffered a nasty cut on his head when a bottle thrown without any malicious intent, into the air, struck him, cut through his cap and inflicted the deep gash. Several stitches were needed to close the wound when Brian was taken to hospital. He is at home recovering from his unfortunate experience.

Health Unit Notes

SLEEP

Adequate sleep is very necessary for all of us. It gives our bodies a chance to recover from tiredness and fatigue. Tiredness is a blessing and a safety valve since without it we would wear our bodies out and die.

Use of our muscles produces a [illegible] which is removed by the [illegible] acid which produces the sensation we know as fatigue. As with muscles so with all other processes of the body, activities leads to fatigue and recovery comes only by rest. Both mental work and emotional activity can tire the whole body.

When the body gets tired, we become sleepy and gradually lose consciousness. In sleep the activity of the mind (except in dreams) quietens, muscles relax, the heart beats fewer times per minute and respiration slows down. During sleep waste products are removed and the 'wear and tear' repaired. We also lose around a pound in weight.

Loss of sleep affects speed, accuracy, alertness and learning capacity. These are of temporary nature but lack of sleep may injure permanently. Growth is rapid in boys between the ages of 13 and 18 and in girls between 14 and 17, and if fatigue consumes energy then growth in size and strength is likely to suffer. Many children are underweight not because of poor feeding but due to lack of rest. When such children spend long hours in sleep and take rest periods during the day, they promptly gain weight. Lowering of body resistance is another injurious effect of fatigue and the body is left defenceless against infection and particularly T. B. It is significant that between the ages of 15 and 25 the death rate from TB rises sharply.

A healthy tiredness produces the best sleep but over tiredness leads to restlessness and insomnia. The activities of the day should be turned off gradually during the evening hours, and exacting games and movies, bloodcurdling detective stories cannot do that. Routine is very important and if one forms the habit of being in bed at a certain time each night, slumber will come more quickly.

The bed mattress and surroundings are most important for a good night's sleep. The mattress should be at least 30 inches wide, the bed should be neither too hard nor too soft, coil springs are best. Sleeping on a very hard and stiff spring robs the sleeper (next day) of about 12 per cent energy as measured by his ability to do severe mental work. Sheets and blankets should be wide enough to hang over the bed and should not be tucked in too tightly. Finally the surrounding should be carefully considered. Coolness, quiet colors and slender bodie relaxation. Noises and light are the enemies of sleep.

THE QUANTITY OF SLEEP

Generally speaking, growing children should have about ten hours and youths in their teens at least eight hours sleep.

The use of sleeping powders in tablets should never be used in health, but only when prescribed by a Doctor. If in spite of normal living, sleep is poor, a Doctor should be consulted.

Tiredness is the signal for rest and tiredness carried to the point of fatigue is damaging. Adequate sleep is vital for mental and physical fitness.

ADULT POLIOMYELITIS VACCINATION

All adults up to the age of 40 years who are due for second or third injections of poliomyelitis vaccine may receive this at the following centres.

This is also the last opportunity for any adult wishing to commence the course of injection at present.

Monday, July 7 — Paradise Valley (Church Basement) 11 to 12 noon.

Tuesday, July 8 — Edgerton (Doctor's office) 10 to 12 noon.

Wednesday, July 9 — Irma (School) 11 to 12 noon.

Wednesday, July 9 — Kitscoty (Office) 10 to 12 noon.

Thursday, July 10 — Lloydminster (Tweteens) 1 30 to 2 p.m.

Thursday, July 10 — Chauvin (Town Hall) 1 to 2 p.m.

Friday, July 11 — Marwayne (Hall) 1 to 2 30 p.m.

Friday, July 11 — Wainwright (Office) 1 to 4 p.m., 7 to 8 p.m.

Saturday July 12 — Mannville (School) 10 to 12 noon.

Saturday, July 12 — Vermilion (Health Unit Office) 10 to 12 noon.

Plan Huge Show Of Shorthorns, Calgary

The Western International Shorthorn show to be held at Calgary, July 10th, looms up as Canada's largest show of 1958 and one of the largest on the continent.

The top herds of the Western provinces will be out in full force. Many of these herds have supplied stern competition at other big shows such as the Royal Winter Fair, Toronto, and the International at Chicago in the past few years.

A number of Ontario's top herds will be entered in this strong show. Also, present entries show that a larger number of United States herds of both polled and horned Shorthorns will be on hand than ever before in any Canadian show.

Death and Funeral Of Henry MacKay

PARADISE VALLEY — Once again we are called upon to record the passing of an old friend and early settler of the district in the person of Henry MacKay who died at the home of his nephew, John MacKay at Lloydminster on the morning of June 17. He had been suffering from a heart condition for several years. Although his condition was considered serious, his death came so suddenly that it was a shock to us all. We feel we have lost a good friend as we have known him ever since he came to the district in 1911. He was born in New Glasgow, Nova Scotia on April 26, 1887. He leaves one brother Eddy MacKay of Pictou, Nova Scotia, one niece Mrs. Reg Dobson and two nephews, John and Charlie MacKay all of Lloydminster.

The funeral was held from the United Church at Paradise Valley on Friday, June 20 with Rev. Morris of Lloydminster conducting the service. W. J. Strett played the organ and pall bearers were Messrs. W. A. Nickle, D. B. Baxter, F. Wood, A. Weeks, H. Plumb and J. Fanthorpe.

Interment was in the Oxville cemetery. A rather unique coincidence is that the Oxville cemetery was part of Mr. MacKay's original homestead, so Henry is resting on his home ground.

Many flowers and donations were received in memory of Mr. MacKay.

Historians are uncertain as to the discoverer of the Hudson Strait, the sea passage from the Atlantic to Hudson Bay; John Cabot may have been in the Strait in 1498, or Portuguese sailors may have entered it a few years later.

— Quick Canadian Facts.

OUR LETTER FROM EDMONTON

Cutback in Exports Have Serious Effect on Alberta Oil Industry

by KEN MASON

EDMONTON — One of the biggest problems facing the Alberta government is the continuing slow - down in the oil industry due to declining sales in the U.S.

Diminishing sales mean diminishing revenue for the provincial treasury, and if it continues it could mean drastic cutbacks in next year's budget expenditures.

On top of that, the slowdown has a depressing effect on the whole exploration and development program, and that means less money being pumped into the Alberta economy by oil companies.

Last week the premier said the situation appears to be growing worse instead of better. Anticipated demands by oil companies for the coming month are down, indicating the province has lost another big chunk of the U. S. Pacific - Northwest market.

Perhaps the most aggravating feature of the problem is that apparently nothing can be done about it. Alberta oil is being displaced in the U. S. by tanker shipments from the Middle East and Venezuela.

One of the main reasons for this, according to observers, is that the oil companies want to keep tankers busy bringing oil to North America while Middle East and South America crude is still available. With world conditions unsettled as they are, these supplies of oil could be cut off rather quickly.

In the meantime, Alberta is a nice convenient storage tank. Money in the bank, so to speak, against the rainy day when it's needed.

Large scale export of natural gas could have a bolstering effect on provincial royalty revenues, but that still appears uncertain and can't be counted on to help matters this year.

The province may have to dip into its reserves again this year to make ends meet. Last year the government raided its piggy bank to the tune of more than $28,000,000. However, the treasury is far from broke. At the end of January reserves totalled more than $300,000,000.

Diminishing revenues have already hit [illegible] budgeting. While actual expenditures for [illegible] are up, the government changed its financial policy to eliminate municipal and school loans, which put the overall budget figure below that of last year. Provincial Treasurer Ted Hinman said at the time that unless revenues are higher [illegible] tures will have to be cut next year.

Premier Manning's efforts to strengthen oil markets have had no results so far. On several occasions he asked Prime Minister Diefenbaker to approach Washington with a request that more Canadian oil be permitted into the U. S.

More recently he spoke to Ottawa about the possibility of making the rich Montreal area market [illegible] to Alberta crude oil by restricting imports of U. S. oil. So far, he's heard nothing more about it.

The long range outlook for the Alberta oil industry is good because there is no doubt that the oil will be needed, but for the time being things may be rough. In the meantime, the government must be happy to know it has all that money salted away in accumulated reserves.

Tulliby Lake Home and School

The Tulliby Lake Home and School Association held their regular meeting in the Central school at Tulliby Lake on the evening of June 11. The chairman, Mrs. Elna K. Eidsvik called the meeting to order and asked the secretary-treasurer, Mrs. Forbes Park, to read the minutes of the previous meeting, to which request she responded.

Next the chairman called upon all the members to stand and read together the Home and School and Parent - Teacher Creed.

The feature of the evening was the presentation of several speakers. These discourses proved to be very informative to both the parents and pupils alike. Clayton Reeves from Lloydminster gave a very descriptive epitome of the training needed for various commercial positions. Mr. Pelin from the Vermilion School of Agriculture then explained the curriculum followed at the school. He also showed slides pertaining to activities at the Vermilion school. Next, the principal of the Tulliby Lake Central school, Emile [illegible], showed the necessary qualifications that must be had by a teacher. The nursing profession and its necessary qualifications were outlined by the local district hospital nurse, Elna K. Eidsvik.

After adjournment of the gathering lunch was served to all present.

READ and USE THE

Canada supplies about 60 per cent of the world's asbestos: most of it coming from mines in Quebec's Eastern Townships but northern Ontario and northern B. C. have one mine each.

— Quick Canadian Facts

Of the 12 men who have served as Prime Minister since Confederation, nine have been lawyers.

Mrs. Edith Gunn Wins Award in Rotary Courtesy Contest

Mrs. Edith Gunn, manager of the ladies' wear department of Craig's, has been announced as the winner of the courtesy trophy awarded annually by the Vermilion Rotary club. Last year's winner was Miss Rita Majeau.

The award is made on the basis of courtesy, efficiency and general demeanor to the public at large. The judging is carried on quite unknown to the clerks.

Shown in the photo from left to right are Mr. E. M. Stewart, of Craig's Ltd. This firm, as the employer of the winner, receives the custodian of the large trophy for one year. Mr. Gerald Stephens is seen presenting the individual trophy to Mrs. Gunn which becomes her personal property; on the right is Mr. Gil Rampling who was chairman of the meeting.

Only visitor was Cpl. Harry Alme, RCMP, of the Vegreville Rotary club.

—Photo by Photocraft.

Eleven Houses Now Under Construction

Eleven better class homes are under construction in Vermilion at the present time, with four more locations staked out, and applications still being made to town council for lots and building permits. It is estimated that the year will see at least 20 new homes occupied in Vermilion.

Four of the residences on which work is progressing are in the hospital subdivision where eight homes will be built this summer. One is in the west end, one on the south side, and five in the east end of town.

Kitscoty Girl Will Be Presented To The Queen

Miss Sheila McCorry, daughter of Mr. and Mrs. James McCorry of Kitscoty, will be presented to Her Majesty Queen Elizabeth at a Commonwealth party in London, July 10th. Miss McCorry has been travelling in the British Isles and on the continent since University examinations in May. The presentation to Her Majesty will be the highlight of the summer holiday for Miss McCorry.

School Attendance by Zoning Not Feasible In Town

After two months of study of the question from every angle by the local school board, principals and school superintendent, it has been decided that school zoning is not feasible in town. With the opening of the new composite high school which grades 7 to 12 inclusive will attend, it was thought that the present east and west end schools would be ideal for a grades 1 to 6 set - up in each. Children thus wouldn't have very far to go to reach school.

However it was found on studying the matter that by far the largest percentage of children live in the east quarter of the town, and that in order to balance attendances some would have to come from within a half block of the east schools to the west end schools.

As there is considerable advantage to having children of similar age groups together, it was thus decided, not without regret, to forego the idea of zoning. Grades 1 to 3 will now attend the present elementary and primary schools in the east end. Grades 4, 5 and 6 will go to the present west end buildings.

JAMES R. ROBSON

INSTALLED AS PRESIDENT

At a meeting of the Rotary Club on Friday last, president-elect Jim Robson officially took over the gavel, succeeding Tom McPherson. Jim is a charter member of Vermilion Rotary. In the first year of Rotary he was a director, last year he was secretary, and now he has been unanimously selected as the club's president for the ensuing year.

The following officers were also installed at the meeting: Ross Boake as vice-president; Gordon Park, Israel Miller and Carl Heckbert as directors. Reg Mitchell becomes secretary of the club, and Ben King is the sergeant-at-arms.

Retiring directors were Ashley Cooper, Simon Simonson, Gil Rampling and Bill Sutherland.

Rotarians Cecil Bellward, Jim Hemstock, Archie Miller, Rudy Mayer and Harold Elliott all of the Lloydminster club attended the meeting. Also present were Ross Lane, president of the Peace River club, and Lorne Thompson, supt. of the C. N. R., Edmonton Division.

Since 1945 inflation has reduced the buying power of the Canadian dollar by about 37½%.

Outstanding Program Arranged For Visitors' Day At Park Sunday

Everything is now in readiness for the visitors' day at Vermilion Park, scheduled for Sunday July 13th. The program has been arranged by Dr Ben King and includes softball games, diving and swimming exhibitions, boating, horseshoe tourney, pipe band, movies and prizes.

The program will get underway at 2 p.m. sharp with welcomes from Mayor Hill and Wm. Sutherland of the Parks Board. The Pipe Band of 'A' Coy., L.E.R. will then lead off with some soul stirring music and the day is on.

The swimming is in charge of Syd Moore instructor; Tom Wilson Jr. is arranging the softball games with teams being brought in from Edmonton to provide opposition to the locals; the band is in charge of Bob Allan and horseshoes being looked after by Les and Elmer Kreiler.

Besides all this there are new scenic drives of several miles, fishing anywhere and some of the loveliest picnic spots in Alberta are to be found within the confines of the park. Boats are available for rent right at the beach. There is a refreshment booth operated daily which provides hamburgers, hot dogs and French fries as well as the usual run of confections and soft drinks.

Prizes are being awarded and everyone should register at the desk on the beach, you may win a prize. A very interesting, entertaining and altogether lovely day is anticipated. See the display advertisement for full details of the program.

Province Completes 39 Picnic Sites

Thirty - nine picnic grounds were established along Alberta highways this spring as part of a federal-provincial program to combat unemployment.

This, according to J. R. Johnston, chief provincial highways maintenance engineer, brings to 44 the total number of picnic sites in the province. Six more are planned.

In this area new picnic grounds have been built near Kitscoty, at Long Lake, Whitney Lake and Vermilion Park.

Listing of Egg Producers Finishes July 11; Revision July 17, 18

Enumerators have about completed the listing of farmers in this district for the vote to be taken in August for the egg marketing plan.

E. H. Buckingham, District Agriculturist, Vermilion, is returning officer for this area.

Mr. Buckingham wishes it to be known that anyone who thinks he was missed in the canvass can get his name on the electoral list by informing his office. Only those producers who have 50 or more laying hens will be entitled to vote.

The voting lists can be seen in the homes of enumerators on the afternoons of July 17 and 18. Any additions or corrections can be made at this time and place.

Enumerators are as follows: Wm. Giles and A. Vaughan Smith, Marwayne; W. R. Cornish, Mannville; Jim Wallington, Allan Cunningham, Norman Armstrong, Roy Jory, Vermilion; Jack Hardstaff, Russ Buchanan, Albert Beck, Islay; Lyle Finlin, Kitscoty; [illegible] Stockwell, Clandonald; R. D. Heath, McLaughlin; John Foy, Streamstown.

Many Visitors At Elk Point Museum

Two hundred and nine visitors registered their names at the Pioneer Museum, Elk Point on Sunday, July 6th, between the hours of 1 to 10 p.m.

Of this total 42 were from St. Paul and 24 from Vermilion. Other visitors came from Wainwright, Grand Centre, Clandonald, Derwent, Dewberry, Vegreville, Mannville, Myrnam, Vilna, Lafond, Myrnam, St Eduard and Beaver Crossing.

The museum, operated by Steve Andrishak, Elk Point theatre owner will hold periodic Sunday openings from time to time and will notify the public through the news columns of the Vermilion Standard and St. Paul Journal.

Music Students Pass Exams.

The following is a list of successful candidates in examinations held recently by the Royal Conservatory of Music of Toronto in Vermilion. The names are arranged in order of merit.

GRADE VIII PIANO

Pass — Janice M. Omness, Elizabeth M. Robinson; Carmie Ferris.

GRADE V PIANO

Honours — Louise Shalka, Frankie McCauley.

GRADE IV PIANO

Honours — Nita J. Clark; Marilyn R. Kaiser.

GRADE 1 PIANO

First Class Honours — Rose A. Feenstra.

GRADE 10 - SINGING

First Class Honors - Miss Margaret Goodwin.

Stock Car Racing Sunday, July 20th

Another program of stock car races will be run at the Golden Speedway, Vermilion, on Sunday, July 20th. Watch next week's Standard for full particulars. 2

Ten Buffalo Coulee Scouts Attending Alberta Jamboree

(Buffalo Coulee News)

Ten Boy Scouts and their leader, Hennig Haveralew, left Wainwright with others from Chauvin, Edgerton and Camp Wainwright on Friday morning to attend the 2nd Alberta Scout Jamboree being held at Banff from July 5 to 12. Boys from here making the bus trip were: Keith Marfleet, Colin Kennedy, Ronnie Kennedy, Eddie Kochan, Donald Stone, Roy McInnis, Vernon Smith, Lyle Gabrielson and Grant and Roddy Haveralew. Owing to there being too many for the bus, Hennig had to take his truck at the last minute to transport all the luggage, which made quite a load in itself with a bedroll and suitcase for each of the 36 making the trip and three large patrol boxes of supplies and tenting equipment.

Mannville Pioneer Passes Away

A well known and highly esteemed pioneer of Mannville Robert Bruce Hanning passed away in Edmonton on Wednesday July 2. He was 78 years of age. He is survived by his wife, three sons, Don of Mannville, Ned of Dawson Creek, B. C. and Frank in Edmonton, one daughter Mrs. A. L. (Helen) McCallum of Edmonton. There are three grandchildren.

Wrestling at Arena Saturday, July 19

The first wrestling card to be seen in Vermilion for many a year will be presented in the arena on Saturday July 19th, commencing at 9.00 p.m. Some of Western Canada's best known grapplers will be in action.

Heading the list will be none other than Al "Murder" Mills, Bulldog Anderson, the Grizzly from Alaska, Osborne Brothers, as well as lady wrestlers to round out a top notch program.

The wrestling card is being sponsored by the Knights of Columbus in Vermilion, and full particulars will appear in next week's Standard. 2-3

Farm Forums from North Alberta Attend Picnic at Vermilion Beach

(Buffalo Coulee News)

Auburndale and Edenvale Farm Forums attended the Forum picnic at the Vermilion Park last Friday. There were not many from Auburndale but Edenvale was out in full force, all in costume. Sack dresses in all materials, colors and trims were worn by all including the men and children. The Waskawa Forum again won the shield dressed as Indians, even had old Dobbin along. All Forums answered the Roll Call in the bandshell with a suitable jingle or song. There were races for all, young and old, and a softball game. A picnic supper was enjoyed up on the hill.

Following the presentation of the shield to Waskawa a hearty vote of thanks was extended to the North Vermilion and Derwent Forums under their leaders Ross Taylor and Peter Sawler for the enjoyable day which they had sponsored. Dan Giebelhaus, chairman of the Northern Alberta Council and Mrs. Irene Ziegler, chairman of the Northern committee spoke briefly asking for the continued co-operation of all the Forums.

Vermilion Girl Guides Complete Active Year with Afternoon Tea

The 1st Vermilion Girl Guide Company held a tea in the Scout hall on Wednesday afternoon, June 25th, bringing to a close the year's activities. Special guests were the mothers of the Guides and the "Badge Testers". Deanna Currie welcomed those mothers present, after each one was presented by her daughter with a corsage. Louise Klashinsky then welcomed the "Testers" who also received corsages. Mrs. Clendenning, Guide Captain, reviewed the year's work, introducing each one of the eighteen Guides: Susan Young, Helen Mayhew, Sue-Ellen Clendenning, Judy Russell, Betty Jones, Joan Taylor, Wendy Wright, Sharon Madill, Tenderfoot Guides; Connie Raun, Shirley Jones, Judy Long, Louise Klashinsky, Joyce Gordey, 2nd Class Guides; Donna Boltorff and Margwynne Clendenning, 1st Class Guides. The later had also earned her "All Round Card". Others working on their 1st Class were Deanna Currie, Louise Klashinsky and Helene McMeekan. All were presented with their badges and a gift. As Susan Young and Joan Taylor were leaving to live elsewhere, they were given gifts by their patrol leaders.

Expressions of appreciation were voiced by Mrs. R. Mitchell on behalf of the "Testers" and Mrs. M. Taylor from the mothers.

A project of the Guides this year was assembling of baby layettes for Arab refugee mothers. One of these was on display.

A dainty lunch served by the leaders, Mrs. A. Jones, Mrs. J. Wright and Mrs. E. Clendenning rounded out a pleasant afternoon.

Scouts Enjoy Four-Day Hike

During the past year the Scouts have been taken on several overnight hikes, some of which took place during the winter months.

As a closing exercise, Mr. Swain took the boys to Moose Lake for a four day camping trip.

They returned home very sandy looking, but reporting a very wonderful time.

Mr. Swain is to be commended for getting the boys out on these trips and the boys have certainly enjoyed it.

Cubs Win Stars

As a closing exercise, the cubs were taken down to the Lake for a wiener roast. They reported a grand time with [illegible].

Many thanks to the mothers for their help and co-operation on planning and carrying out this treat for the boys.

Awards handed out were:

1st star — Terry Lynn, Roger Kruschinski, Richard Cooper, Robert Reid, Dene Cooper, [illegible], Wayne Arnold and Charles Russell.

Toymaker's Badge — Billy Callas.

Those who received their second star and House Orderly Badge were: - Glen Hemmingway, Richard Brennan, Bob Christiansen, David Tilsbury, Brian Keen. These five boys are going into Scouts in the fall.

The leaders have done a grand job with the boys and are to be highly commended.

Making Up for Fifty-one Years

Shown in the picture are Vivian Cooper left, of Pilot Mound, Manitoba, and his brother Sextus R. P. Cooper of Vermilion, renewed acquaintances after a separation of 51 years. Mr Cooper was here on his first visit and was accompanied by his son Walter. The brothers last saw each other in 1907, the year 'S.R.P.' left Manitoba to come west to Vermilion. Incidentally, the Vermilion Cooper is 85 years of age while brother 'Viv' is 88.

Vivian Cooper left Ontario before his younger brother, going to Manitoba to Pilot Mound some 110 miles south of Winnipeg, where he taught school. He was joined there in 1900 by brother Sextus who subsequently started a newspaper in the neighboring town of Baldur Man. In 1907 he sold the paper to come to Vermilion and never managed to get back to Baldur or vicinity, and Viv didn't reach this part of the west in any of his travels. As a result the two had much to talk over during the all too short visit here.

The trip was made by car from Pilot Mound in company with his son Walter. A stop was made at Herbert where they visited their daughter and sister Mrs. Peter Dalke who is the editor of the Herbert Herald. The return journey was started on Tuesday morning.

Join The Fair Parade July 24

Vermilion's 53rd annual Fair will open its gates to the public Thursday, July 24 and be in operation for three gala days. Starting off the annual event with a bang will be the big parade which will be held Thursday morning July 24 lining up in the west end of town starting at ten o'clock and moving off for the fair grounds at 11 a.m.

An advertisement appearing elsewhere in the Standard indicates that awards will be made for the best decorated family car, the best business or commercial float, the best float entered by an organization as well as for the best clown and the best decorated bicycle so that there is ample scope for all to take part. Those entering floats or decorated cars should notify Ken Greenwood or phone the Fair office No. 206. Children entering their bikes do not need to advise the office but should go to the skating rink area on Thursday morning when they will be directed as to their place. The band of the Princess Patricia's Canadian Light Infantry from Calgary, the band of the local unit of the Edmonton Regiment and a midget band from the midway will provide music for the parade. Make sure you contact local stores for decorating material as early as possible.

CALF CLUB AND SALE

The annual Calf Club Show and sale of the Vermilion, Mannville and Derwent Clubs will be held at the Fair Grounds on Thursday and junior judging will also take place. Curly Gurlock of CJCA will be on hand for a 'live' show at the grounds and there will be [illegible] shows at 3 and 7.30 p.m. The P.P.C.L.I. and Pipe Bands will play during the afternoon and evening.

GRANDSTAND ATTRACTIONS PROGRAMME

Reports from Weyburn, Estevan and Portage la Prairie indicate that the Grandstand Show for 1958 is par excellence. Tom Drake one of the best known managers of the United States is to direct the show while the Master of Ceremonies will be the charming Hazel Randall of Chicago, this is the first time we've had a lady M. C. and as she has plenty of experience and ability she is said to be "tops" in her profession.

The acts to be performed in front of the grandstand are too numerous to mention but include Kelly the Wonder Dog, Tom and Tiny Twist in their inimitable acts, Jimmy Troy Comedy King of the Air, Tarzan a remarkable animal act, Tom Garry and Sherry known as the King and Queen of Variety, the Marimba Darlings who will delight audiences with their wonderful music, Nelson Thomason, the Upside Down Man, Marge Kelly's Little Stars on Strings, Shorty James, the Tight Guy on the Loose Wire and many others. This show should not be missed by anyone in the district. Performances will be held each afternoon and evening. On Saturday afternoon a limited number of acts will be interspersed with the fine programme of the Highland Games.

JIMMIE SULLIVAN'S MIDWAY

Best known midway operating all over Canada will be on hand under the direction of the well known and popular Jimmie Sullivan to provide fun and thrills for old and young, the fine new and thrilling rides being brought here by this enterprising showman will have an appeal for all and some of his comedy items such as the Monkey Hot Rodders will bring down the house, let's all meet at the midway for three days of real fun.

ST ANDREW'S HIGHLAND GAMES

To meet the demand from our fine Scotch friends throughout the West, the St. Andrew's Highland Games have been revived and will be held on Saturday afternoon July 26 beginning at noon and running through entire afternoon, a large entry has been received from Manitoba, Saskatchewan and Alberta and well known judges will be on hand to place the awards. Advance tickets will be accepted for admission to the Highland Games or for other performances during the three big days.

HORSE SHOW

The Vermilion Light Horse Show has won renown all over Western Canada and will be bigger and better than ever this year, some of the West's finest horses will be 'on parade' at Vermilion and you are cordially invited to see them in action. In addition to the lights some of the finest heavy horses still in existence will be on display, the fine strings of Bryden Brothers, Mannville, Bill Giles of Marwayne, Bobbie Burns of Pickardville, Alex Mitchell of Lloydminster and the Wyllie Brothers of Vegreville will delight large houses during the Vermilion Fair.

SEE THE SHEEP DOGS IN ACTION

As a special feature of the Fair this year we have secured the services of the famous George Armstrong of Calgary, for many years a rancher in the southern part of the province. His dogs are almost human in their intelligence and his show will not, however, cost anyone anything; it is being offered as part of the grandstand performances as an added feature without any increase in the price of grandstand admission. It would be a shame not to have the kiddies see the sheep dogs in action.

ENTRIES CLOSING EARLIER THIS YEAR

In order to render better service than ever before, entries are being closed on July 16 so as to give the Fair staff an opportunity to have all entry tags ready for distribution early. Those showing in the Ladies Classes are advised that a slight error is apparent in the Prize List; it should be noted that Embroidery sections are from Section 441 to 447 inclusive while sections 448 to 464 are classified under Miscellaneous. District ladies are cordially invited to exhibit and all exhibits will be carefully protected while on display.

DOLL DISPLAY

Miss Jean Allanach of Mannville has kindly consented to permit the display of her fine collection of dolls, gathered from all over the world, many of them the gifts of Royalty or persons in high places, this display alone is worthy of the attention of all and will be shown at no cost to patrons of Vermilion Fair, July 24, 25 and 26.

The Kinsmen Car will be raffled on Saturday night in front of the grandstand.

Singing Family from Regina At Alliance Chapel Sunday

The Singing Family of Regina, the Kinchelow Children's Quartette and their father, the Rev. R. M. Kinchelow, M.A., preacher and Bible teacher, will present a program of gospel music and message at the Alliance Chapel in both Sunday services, 11:30 a.m. and 7.30 p.m., July 13th.

The program will feature quartettes, trios, duets and solos by the children; a chalk drawing and missionary message by the eldest daughter and a gospel message by Mr Kinchelow.

The Singing Family comes from the Canadian Bible College of Regina where Mr Kinchelow is instructor in Bible, Greek, Theology and Speech. The children, Eloise 15, David 14, Jonathan 12 and Carol 11, have been singing the gospel to church audiences in the U.S. and Canada for the past seven years. Mr Kinchelow accompanies them at the piano.

Tough Year Ahead

More taxes and higher prices are in store for us, reports The Financial Post. Cost accountants, looking at the outlook for business, heard that:

Another substantial deficit budget is certain in 1959.

Provinces and municipalities are going to be seeking more money — in Ontario, perhaps by a retail sales tax.

The long term holds no promise for tax cuts unless there is a bout of inflation.

Labor unions will be going for all they can get in the way of wage increases.

These explains The Post, were highlights of speeches heard at the 37th annual cost and management conference in Toronto of the Society of Industrial and Cost Accountants of Canada.

May Share Cost Of North Roads

The provincial and federal governments are reporting nearing an agreement on the sharing of cost for roads leading to natural resources areas. Highways Minister Gordon Taylor says he hopes an agreement will be signed within a month.

Under a federal offer Ottawa will pay 50 per cent of the cost to a maximum of $1,500,000 per year for five years.

Alberta has several projects in mind. One is paving of the Mackenzie Highway from Grimshaw to Hay River. Also planned is a new road from McMurray to Lac la Biche, along with roads from Athabaska to McMurray and from Fairview to Hines Creek.

"GREEN ACRES"

THE RAT INVASION

Last week a check was made in township 49 range 1 for rats. They were found on eight farms in this township. It is almost certain that the situation is similar all along the 4th meridian from the Saskatchewan River to the Battle River. It was found also that a number of farmers were not keeping fresh bait in bait stations as required by law. This is not the kind of cooperation that is expected of farmers living in range one. The bait is supplied free and all that is asked is for people living in range one to put it out.

WEED INSPECTORS

Two weed inspectors have been hired for dealing with the weed situation in M. D. of Vermilion River. Anyone concerned about noxious weeds, whether the weeds are on your own farm or some other farm can inform the municipal office and one of the weed inspectors will check on the problem. The worst weed we have to fight is Toad Flax. Farmers can get Sodium Chlorate at one third cost to kill out small patches of Toad Flax. Now is the time to apply weed killer before the patches get too big and it is too costly to use chemical. Sodium Chlorate is stocked at Kitscoty and at Reg Ireland's Implement business, Vermilion.

P. F. R. A

A good many farmers south of here have built stock watering dams and dugouts. They consider them to be worth a lot more than the trouble and cost to make them. The P.F.R.A. will give assistance up to $150.00 for each dugout. If you are interested get an application from this office. An engineer will call at your place and give you advice about building dams or dugouts and choose the best place to build them. Grants are paid only when the engineer approves of the projects before hand.

TRASH COVER

A lot of the summer fallows in this district are too black for safety. We know what happened in Southern Alberta last winter and Manitoba last spring. Great clouds of black soil were blown away. We can never get it back again but we can hold it here. Everybody knows that trash such as straw and stubble worked into top soil gives us trash cover to protect the soil from being blown away by high wind. Plows bury the stubble oneways put it down too deep, cultivators and blade weeders leave it at or near the surface.

Rotarians In Publicity Gimmick

Neatest publicity gimmick we have seen for a while involves Grande Prairie, Texas, and Grande Prairie, Alberta. The Southern Rotarians taped some tall Texas tales and some data on their community and sent it to the north. The Alberta Rotary Club did likewise. Anyone want to bet that, within a year or so, these tapes with their favorabel comments, won't result in a visit or two by residents of one area to the other?

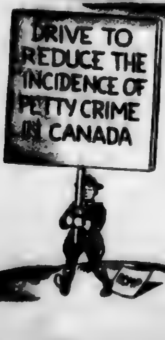
A GOOD SIGN



DRIVE TO REDUCE THE INCIDENCE OF PETTY CRIME IN CANADA

The Homemaker

DONNA SHANTZ
District Home Economist
Wainwright, Alta.

With picnics and the many summer activities now clothes seem to get dirty very quickly. Of course, when don't they?

Wash and wear, or drip-dry fabrics are a real time-saver in these busy days. I hope these 'Ten Commandments for the Care of Wash and Wear' will be helpful. If you obey them faithfully, I'm sure it will pay in the appearance and life of your garment.

1. WASH FREQUENTLY — Wash and wear garments stay fresher looking during wear, so there is a tendency to postpone laundering. Don't. Once these fibers and finishes become heavily soiled or stained, they won't come off easily. Pretreat stains and collar and cuff lines with soap or detergent before washing. Sponge grease stains with dry-cleaning fluid.

2. WATCH THE ITEMS WASHED TOGETHER — Some fabrics tend to pick up color and lint from others. Wash like fabrics together (put whites in a separate load.

3. DO SMALL LOADS — Crowding the washer causes wrinkling. (With hand washing do one item at a time; change water frequently.)

4. CHOOSE CORRECT WATER TEMPERATURE For moderate soil, cold water is effective and produces the least amount of wrinkling. For heavier or greasy soil, use hot or warm water. Use any laundry soap or detergent in hot or warm water, a liquid detergent is good in cold water. Do not use chlorine bleach on wash and wear garments unless label suggests it.

5. SHORTEN HANDLING OR MACHINE AGITATION — It should not be necessary to wash more than five minutes. If slower agitation speed is provided on washer, use it to reduce wrinkling.

6. RINSE IN LUKEWARM OR COLD WATER — Add water conditioner (Calgon) to first rinse, unless water is already soft. A fabric softener (Fleecy) in the last rinse avoids clinging and harsh feeling.

7. IF NO DRYER AVAILABLE — Remove garment from final rinse, hang to drip dry. (With cold water washing of highly wrinkle resistant garments a short spin or squeeze is possible.) Never wring. Before dryer drying, do spin or squeeze out excess water.

8. DRIP DRY CAREFULLY Be sure to hang garment on a non-rusting hanger. Shape it on the hanger by smoothing seams, collar, cuffs, button bands, etc., with fingers. Hang trousers by cuffs on a spring - clip hanger.

9. DON'T OVERDRY — Use the medium (140 to 160 Deg F.) or 'wash and wear' setting. If it is a one heat dryer [illegible] quite hot, remove the [illegible] while they are slightly damp. When drying in very small loads, add a few clean towels to help tumbling action. Remove the garments, and place them on hangers immediately or they will rewrinkle.

10. TOUCH UP WHEN IT IS NECESSARY — Use a steam iron or a regular iron on 'low' for synthetics and blends, 'medium' for cotton, use a dry press cloth when needed to prevent shine.

These commandments were listed in the Good Housekeeping Magazine. I thought they were so good I would pass them on to you.

Farm Women's week is currently being held at the Vermilion School of Agriculture. It is possible to attend for just one or two days, so why don't you drive over during the next two days? The last day is Friday, July 11.

Lulled To Sleep

There is no need for sleeping pills before you hit the sack, says The Financial Post, which reports that a U.S. firm's electronic sleep inducer produces a sound of falling rain. The unit also can be used at work to drown out disturbing noises. It weighs only four pounds, should last for 60 years, company says. It is powered by four flashlight batteries.

Viking Car Bingo

Number drawn on Saturday, July 5: N 45.

The following is a list of the numbers drawn to date in the Viking Curling Club's car bingo:

B — 6, 1, 12, 2, 5, 12, 7, 10, 3
I — 16, 21, 20, [illegible], 25, 18, 22, 27, 24, 17, 19
N — 35, 43, 44, 31, 34, 37, 38, 41, 45
G — [illegible]
O — 66, 61, 68, 73, [illegible], 74, 75, 64, 71

Prizes left to win are letter H and car.

Cards are available from Walter Fisk in Vermilion.

Not Monkey Hot Rodders Too?

You indeed, your eyes are not deceiving you — this young fellow is actually a real hot rod driver. He appears in the popular Monkey Thrill-A-Rama on the gigantic midway of the World's Finest Shows. He and several of his fellow motor maniacs do all sorts of weird and terrifying stunts. This candidate for the morgue is racing his souped racing car, all by himself around the perpendicular wall of the high motordrome. One motor failure or wrong turn could mean sure disaster. However this does not seem to worry our friend and his associates. They have been well trained to race cars and even delight in flying small sized airplanes. This presentation is, of course, a real joy to the children, as well as a delight to the older patrons. It is one of the more than forty big thrilling rides and amazing shows on the mile long midway of World's Finest Shows, who are, again this year, featuring more new rides and shows than ever before as well as America's biggest Kiddieland.

See the Monkey Hot Rodders at Vermilion Fair, July 24, 25 and 26.

Alberta Gas Trunk Line Offers Thirty Million Dollar Bond Issue

A thirty-million dollar issue of first mortgage sinking fund bonds of The Alberta Gas Trunk Line Company Limited will go on sale this month.

The probable date of issue is July 15th, J. C. Mahaffy, Q.C., General manager, said today. Applications for the purchase of bonds may be placed through recognized investment houses, chartered banks, and Alberta Government Treasury branches.

The issue has been underwritten by a group of Canadian investment houses under the joint management of Tanner Bros. Limited and Nesbitt, Thomson and Company, Limited. The underwriting and banking group will include: Tanner Bros., Ltd.; Nesbitt, Thomson and Co., Ltd.; Dominion Securities Corp., Ltd.; James Richardson & Sons; Wood, Gundy & Company Limited; Osler Hammond & Nanton Ltd.; McLeod Young, Weir & Co. Ltd.; Royal Securities Corp. Ltd.; A.E. Ames & Co. Ltd.; W. C. Pitfield & Co. Ltd.; Carlile & McCarthy Ltd.; Gairdner & Co. Ltd.; D. M. Duggan Investments Ltd.; Sydie, Sutherland & Driscoll Ltd.; C. S. Robinson Investments Limited; Toole, Peet Investments, Ltd.; Ringland, Meredith & Co. Ltd.; Locke, Gray & Company; H.M.E. Evans & Co. Ltd.; Ralph M. Smith Investments Ltd.

The Company was incorporated by special act of the Provincial legislature four years ago to provide a gas gathering grid system within Alberta and, at the request of the Company, efforts are being made to give Alberta residents priority in the purchase of these bonds.

The bearer bonds will be offered at 99 and accrued interest, and will bear interest at the rate of 5¾% maturing in May, 1981, in denominations of $100, $500, $1,000 and multiples of $1,000.

The Alberta Gas Trunk Line Company is initially constructing and will operate a natural gas gathering and transmission system over a distance of about 546 miles. The system will carry natural gas and will supply Alberta consumers as well as Trans Canada's main pipeline serving other parts of Canada.

The first stage of the construction program was completed during 1957 at a cost of $10,913,344 and the second stage, costing $25,851,772 will be completed during 1958. Total cost of the presently planned system is estimated at $54,000,000 and the Bond issue will be used to finance the construction program.

Application for the new issue of bonds will be accepted by investment dealers, banks and the Alberta Government Treasury branches.

NEWS from ISLAY

Mrs. Faulks and son Dick of Victoria, B.C., made a surprise call at the home of Mr. and Mrs. Moncrieff, Monday. Mrs. Faulks is Mrs. Moncrieff's aunt.

Mr. and Mrs. Rich of Vancouver have been visiting at the Bill Waterfield home the past week. Mrs. Rich is a cousin of Mrs. Waterfield, the former Eileen Smith, daughter of Mr. and Mrs. Alex Smith who lived here some years ago. Mr. and Mrs. Rich operate a meat market and say they cut up 20,000 pounds of meat a week, one of their boys cuts nothing but steaks and pork chops. A lot of meat, we'd say.

On Friday afternoon Lila entertained for her cousin. [illegible] were Mrs. Linton, Mrs. [illegible] Mrs. Gillies, Mrs. [illegible] Linda, Mrs. Swert, [illegible] and Mrs. Capston of [illegible] Misses Muriel and Gladys [illegible]. A very pleasant [illegible] was spent.

On Sunday many of the Islay folk had a surprise call from Mr. and Mrs. Jack Bristow of Edmonton, son Dalton bringing them by car. Both are looking very well. They found some changes, specially the great growth of the trees throughout the village.

Mrs. Clarence Robertson, accompanied by Wayne and Sharon went to Calgary for the Stampede. Pat Moncrieff also went and will visit with his uncle, aunt and cousins.

Mr. and Mrs. Bill King, Cathie and Cherryl are on holiday. Mrs. King had gone previously to see her father, Mr. Jones, off on a plane trip over the north route to Wales.

Mr. and Mrs. Neil McLennan and Ken made a one-day visit to Edmonton Sunday to see Neil's sister Margaret.

Don Schaffer is spending some time with relatives at Wasera.

Mumps are on the go — even the oldsters having them. Wellington and Jim Barnett are the latest victims.

Mr. and Mrs. L. S. Potter of Burnaby, B.C., have been renewing old acquaintances the past week. They spent a night at Keith Kent's, called on the Hancock families, had afternoon coffee at the Beck's, called at the P.O. and the Martin's. The Potters at one time lived on the farm now occupied by Mr. and Mrs. Bill Hancock.

HOTRODDING DANGEROUS

Sitting in front of a 35 or 50 horsepower motor is a wonderful form of summer fun. But remember, hotrodding on the water is just as dangerous as it is on the highway. Play safe for more fun afloat. tf

Mannville Elks Newspaper Bingo

Numbers drawn in the Mannville Elks Newspaper car bingo on Friday, July 4: I 23.

Former Islay School Teacher Dies in Edmonton

Funeral services were held on Saturday, July 5 for Miss Eleanor Bertha Goodwin who passed away in Edmonton on July 3 following a lengthy illness. She is survived by her father Dr A. H. Goodwin one of the first dentists in Edmonton who later moved to Vegreville, and by one sister in Edmonton, and who is now retired Mrs. H. R. Walker of Calgary. Interment took place in the Evergreen Memorial Gardens, Edmonton.

Miss Goodwin was born in Edmonton, grew up in Vegreville, and taught school for many years at Islay, Jasper and Grande Prairie before retiring due to ill health.

BUFFALO COULEE ACTIVITIES

We're still looking for those showers but with a number of people starting to hay maybe they'll arrive.

Most of the community activity has been centred around picnics. The B. C. curling club picnic was not as well attended as usual due to one being held at Preston on the same day.

Quite a few people went over to the Triangle picnic and report a very good time, particularly in the softball games.

The F. U. A. picnic is being held at the community centre next Wednesday July 16.

The Pony League ball team went to Mannville July 1 and played against the Vermilion Foresters and once again were on the short end of the score.

Rex Cunningham has been attending the boys camp at Lake Whitney this last week. He made the trip with Mr. [illegible] who has been a camp leader for the week.

Mr. and Mrs. Lawrence Samuelson who have been holidaying in Vancouver are expected home this week end.

Mrs. Ruth Haverslew and Mrs. Ken Kennedy with their children motored to Edmonton on Sunday to spend a few days with relatives.

Mrs. Stuart Little and baby daughter are spending the summer at Frank Eyben's while Stuart is attending summer school. They will be going to Beaverlodge in September where Stuart has been appointed assistant principal of the school there.

Mr. Jack Bauman and family are in the city. Jack is also attending summer school.

The school corner is now very quiet with all the teachers away. Shortly before school closed, the ladies of the community surprised Miss Allen one afternoon by descending on the school with a wishing well full of gifts and best wishes on her forthcoming marriage. Lily Anne, although completely surprised, very fittingly thanked all present, and a delicious lunch was served.

Mr. and Mrs. Frank Eyben attended the exhibition of old time machinery, road equipment, fashions etc., held at Saskatoon recently and report a most interesting time. They were accompanied by Mr. and Mrs. Elmer Samuelson.

Mr and Mrs. Henry Eyben and children also spent several days holidaying at points in Saskatchewan.

Mr and Mrs Bill Crabb have been on holidays for the past ten days, also in Saskatchewan. Eddy Fraser has been staying at the store at night.

Betty Burningham is spending a month with her father Harold Barlow and family while Ken is taking a course at the army camp in Wainwright.

Autumn Leaf W. M. S. group met last Thursday at the home of Miss Lily Eyben with a good attendance, including visitors from Wainwright. It was decided to send pillow cases to the linen shower for the new Cold Lake hospital.

Heatherbell group meets this week at the home of Mrs. Robert Woodruff.

The Auburndale Church is having power installed this summer with the contract going to E. Schurman of Vermilion. The ladies hope to complete the varnishing of the Sunday School rooms this week.

Announcement

Canadian Utilities wishes to announce that
Mr. Frank Schmidt
will be
Salesman for the Vermilion District.

Shower Held For Bride Elect At Clandonald

Around seventy five were in attendance at the Orange Hall in Clandonald on the evening of July 6 when the [illegible] and Allandale communities had a miscellaneous shower for Miss Ivy Deford.

Mrs. Arnold Olson on behalf of the communities and those present very kindly presented the honored guest with a table laden with lovely wrapped gifts.

Our bride elect and her helpers passed the beautiful gifts around to be seen by all.

Ivy and Henry very graciously thanked all for the lovely gifts, their kindness and efforts and said that they wished to see everyone at their wedding and reception.

Lunch was served by the ladies during which time Mrs. Mildred Haldock sang a solo 'Beautiful Heaven', Mrs. Norma Laird and Mrs. Ivy Lefevre a duet, 'I Love You Truly,' and Miss Leona Michael a solo, 'Whispering Hope,' all accompanied at the piano by Miss Marilyn Brake. A very enjoyable evening for all.

'The Bible Today'

The Bible, with its concept of God, man, and the Universe, has had a lage part in bringing to birth a new nation, Ghana.

It is interesting to note that Christian missionary work there began in a Bible class and in a request for Bibles. Now a high proportion of the members of the Cabinet governing that country are Christian.

It is only 12 years ago that Thomas Birch Freeman, one of the missionary pioneers first entered Kumasi. The people were fierce and warlike and their language had not been put in writing. It was a land where human sacrifices took place and the very name of the city "Kumasi" meant "the city of blood".

The country has now become the Dominion of Ghana and becomes a member of the Commonwealth of Nations.

During the year the Bible Society has completed a New Testament in 'Twi', one of the languages of the people.

54th Annual Dominion Day Sports A Success At Mannville

MANNVILLE — Mannville's 54th annual sports day for July 1st was a success financially despite cool weather and the interest of the crowd in the baseball tourney was evident by the fact that approximately 400 people paid admission at the gate before dinner. There were about 1,000 in attendance all together as the day advanced. There were some very good ball games before lunch, and at 1:30 the Mannville Drum Majorettes were piped over to the grounds by the Vermilion pipe band, starting from the Bank of Commerce Building. The girls looked smart in their short skirts, bobby sox and white blouses, wielding batons in artistic rhythum, while marching in perfect time with intricate step. Led by Miss Pat Tennant, the girls though clad in scanty attire which was most becoming, reported themselves as not too uncomfortable, while on the other hand it was noted with amusement that the Pipe Band exchanged short sleeved tunics for army jackets. This caused the query to be heard regarding the 'weaker sex' with the usual good natured rivalry. The Vermilion band excelled themselves as usual, and could easily be heard from downtown across the tracks, the pipes ringing sweet and clear. After reaching the Fair Grounds, the Band and Majorettes proceeded to the east ball diamond where they were piped through a presentation of drills and formations which were exceptionally pleasing to the public and well executed.

At the Fair Grounds there were several popular booths, two of which were the hot dog and coffee stand, as well as the potato chip booth these being the most patronized due to the chilly atmosphere at times when Old Sol went under a cloud. An office was set up on the grounds at which information was given out regarding ball games, and prize money handled. Races were run by the kiddies, and some grown-ups for which prizes were awarded. A list of winners was not kept. Horseshoes were practised but not enough interested to compete.

Phil May of the Alta Theatre provided plenty of entertainment with the show 'Deep Six' which was run consecutively from four o'clock on till midnight and much enjoyed. Winners of the senior men's baseball were North Edmonton Rockets with a score of 8 - 5 against Viking. To get in the playoffs they beat Marwayne and then Mannville. Viking had to win over Vegreville in order to play against Edmonton, and some extremely good games were witnessed. George Fisher and Bill Inkin of Irma were the Umpires for the finals. The prize money was $200.00.

In the men's Fastball event, Vermilion won over Lefield and Lavoy to come up against Edmonton Garneau Indians in the finals with a winning score of 8 - 3, capturing $100.00 prize money. To advance into the finals the 'Indians' beat Vegreville, French line and Warwick with Cleland Swain as umpire in chief. Alan Swain umpired in the morning games.

Ladies fastball games saw Edmonton Fallings defeat Vermilion while the Truckettes emerged victorious over Minburn and as Manville beat Viking with a score of 26 - 8, they had to play Edmonton Fallings in finals and the Truckettes took the final and also the $40.00 prize money with a score of 16 - 9 over the Fallings.

The Pony League competition was won by Mannville who defeated Vermilion Elks while Vermilion Foresters beat Buffalo Coulee and finally the Foresters battled it out with Mannville who won with a score of 6 - 4. There were 25 teams in all registered for the ball tournament.

Bingo was played but as there was no building to shelter the players it was decided not to play further games in the open.

The committee report the day as being successful from a financial standpoint and the crowd appeared to get their money's worth at the ball games as well as the concessions.

Wood Families Hold Reunion, Mannville

MANNVILLE. It was decided by members of the Ed Wood family that while his niece Grace and husband Les Ransom and nephew Louis Andrew were here from Mountainside, Man., and Boissevain, respectively, to hold a picnic get-together at Vermilion park. This they did and a most happy time was had visiting each with the other. Making their headquarters at the home of Mr and Mrs. E Wood the visitors are spending time calling on all relatives and expect to leave Tuesday for their homes travelling back by way of Banff and Jasper.

As a man thinks he acts — and that's why so few ever act.

Travel accessories now on the market take up little space in a suitcase yet make for carefree holidays. This young lady is prepared for hotel-room laundry with an elastic clothes line. She is also packing (left to right): unbreakable polythene cosmetic bottles and soap dish (excellent for carrying jewelry), a shoeshine kit; folding plastic hangers for drip-drying clothes; a tube of toilet soap that doubles as hair shampoo, packages of detergent, moist towelettes for freshening up on the road, sewing kit for emergency repairs and extra polythene bags to hold everything from shoes to a wet bathing suit.

Mr. and Mrs. Orley Omness Enjoy Trip To Famous Sun River Crossing

On June 13th Mr. and Mrs. Orley Omness and daughter Orlene Whelan and family, motored to Edmonton to the home of their daughter Delia Walsh's. Paul Whelan arrived the next morning by plane from Whitehorse, N.W.T. and all journeyed that day to Calgary. On our way it was good to see Mrs. Rob Hagen and mother at Blackfalds. The Whelans have a lovely home at the R.C.A.F. station in the southern city.

On Tuesday we resumed our trip to Sun River and Great Falls Montana. Our second cousin Helen, and Wayne Christensen live there. Helen is doing genealogy on both sides of the family and has a huge book, so interesting, history and photos, years back. That evening our cousins Mr and Mrs. Hickman from Great Falls met us and we spent two wonderful days sightseeing.

Fort Benton about 40 miles down the Missouri Valley (our, my twin brother and my birthplace). There in a beautiful park, stands an old fort, erect, others have crumbled, also a cannon, that were used in the early days of fighting the Indians. In a building are old relics of yesteryear, when Fort Benton was then the end of navigation down the Missouri river. A lovely swimming pool and camping facilities are located here. Though our aunt and uncle have passed on, it was good to see their lovely big home. It was their daughter we stayed with in Great Falls. Their hospitality and kindness will never be forgotten.

Great Falls is a large city situated in the Missouri Valley with the Bear Paw mountains [illegible] the north, High woods on [illegible] east and the Rockies on [illegible] south. The American Copper Mining Company there has the largest smoke stack in the world it is said, and can be seen for many miles around. There too is the [illegible] Air Force base. The 'Giant Springs' pour 6,300,000 gallons of water an hour into the Missouri and are the largest of their kind in the world. We saw lovely trout there, protected by law and very unafraid. A fish hatchery is situated on the banks and was very interesting.

In the valley strip farming is carried on and we saw beautiful stands of wheat, all headed. There are no houses on the farms, so they live in town.

When the great homestead boom began in Montana about 1910, Chouteau County and the Fort Benton area received their share of new and inexperienced farmers. Gradually these either quit farming or learned the new conditions and a more stable agricultural industry grew. In the mid 20's Chouteau County became the biggest wheat producing county in Montana and has pretty consistently raised about 10 per cent of the U.S. total ever since.

Ranching isn't completely in the Sun River valley; the Christensen's have a dairy herd of around a hundred milk cows and on the ranch around 600 Herefords. Helen Christensen took us through the valley on a tour and we viewed old forts, cannons and an old hangman's tree, truly huge and rugged.

The following story is written by Mrs. Helen Christensen, a second cousin of the Nelson's.

Sun River Crossing as the town of Sun River was called in pioneer days, was the transportation hub between Fort Benton and south-western Montana. All who travelled from the west and northwestern Montana to Fort Benton, crossed here. The Mullan Road coming from Fort Walla Walla, Wash., at the head of navigation on the Columbia River system to Fort Benton on the Missouri passed through Sun River Crossing. The Mullan Road from Sun River connected in Fort Benton with the "Whoop Up Trail", the commerce lane between Fort Benton and Fort McLeod in Alberta. In its heyday years this trail carried one-third of all the freight coming into Fort Benton.

There was little farming in Sun River Valley at this time, freighting, large scale cattle ranching, store keeping and such supplied the income for most of the early day [illegible]. One of these was J. C. Adams who had a general store in Sun River. The Adams' place, now the Christensen Brothers Ranch, a mile and a half east of Sun River town, became a show place of the valley, especially after its large stone barn was completed in 1885. This event was reported in an early issue of the Great Falls Weekly Tribune, June 13, 1885. "J. C. Adam's new barn near Sun River is the finest structure of its kind in the territory. It is made of [illegible] cost $5000. We understand Mr. and Mrs. Adams will hold a dance in it shortly."

The barn is a two-storey structure, about 32x120 feet. The stones for the outside walls were hand chiselled from the hills across the Sun River on the southern part of the ranch. They were hauled in wagons across the Sun River Crossing to the site of the barn. The big upstairs has a heavy plank floor where dances were held. In the lower floor is a large 'ref' cooler reaching to the ceiling. Ice was put in the top part of the cooler and meat in the lower part. Adams made trips through the valley selling fresh meat. He also had a government contract to furnish meat for the Indian school.

On top of the barn is a life size iron horse. It was made by a blacksmith in Sun River according to measurements from an actual saddle horse. The barn was used as a stable and overnight stopping place for horses and horse-drawn vehicles. The large house housed many people in its day, on their way to Fort Benton, many on their way to Canada.

This stone barn, topped by the black life-sized iron horse has been a Montana landmark to four generations, ranchers, farmers and tourists.

Edmonton Chamber Decision Unpopular In Peace River

This would be a poor time for the Edmonton Chamber of Commerce to send one of its 'Friendship Train' tours to the Peace River country. The chamber last week came out in favor of the McMurray - Waterways route through northeastern Alberta for the proposed Northwest Territories Railway.

Reaction from the Peace River area was immediate and bitter. Peace residents want the railway to go through Grimshaw in [illegible] western Alberta. There was even talk of Peace residents burning in effigy members of the MacGregor Royal Commission on northern development, which recommended the McMurray route.

Premier Manning still hasn't changed his stand, but he suggested last week that all the fighting over the route might give Ottawa an excuse to delay building the railway.

DERWENT THEATRE

Showing at Derwent theatre on Sat. and Mon. July 12 and 14, "Mister Cory" in color with Tony Curtis, Martha Hyer and Chas. Bickford, a truly remarkable performance by Curtis in this production; July 19 and 21, "Last of the Badmen" western drama full of suspense [illegible]

The carvings and painting on the totem poles of our west coast Indian families relate ancestral legends and also honor the family's totems, or favorite guiding spirits.

OBITUARY

MUNGO MORRISON FRASER

Funeral services for the late Mr. Mungo Morrison Fraser were held in the First United church, Vermilion, on Saturday, June 28 with interment following in the Vermilion cemetery. The Rev. C. W. MacKay officiated. The Canadian Legion Post 11 was in charge of the arrangements.

Mr. Fraser had passed away in Edmonton on June 24th. Born at Dundalk, Ont., June 16th, 1871, he came west to Alberta in 1902. After living at High River and Calgary Mr. Fraser served overseas in the first world war. On his return he worked in Edmonton, following his vocation as an accountant. In 1921 he purchased land in the Campbell Lake district north of Vermilion and carried on farming operations until retiring in [illegible] when he and Mrs. Fraser moved into Vermilion.

Mr Fraser was the last member of a family of seven sons. Besides his sorrowing wife he is survived by nine nieces and three nephews.

The pall bearers were Messrs. W J McIntyre, W. L. Hall, E. Burdett, Thos. Thompson, J. Wright and Walter [illegible].

Members of the Legion formed a guard of honor at the church and at the graveside, as a part of an impressive farewell to an esteemed couple, esteemed comrade.

Moyers were in charge of the funeral arrangements.

Beautiful floral tributes and memorial donations were received from:

Loving Wife; Mr. and Mrs. MacIntyre; Mrs. Carroll, Russell, Evelyn and girls; Mr. and Mrs. R. Mead; Mr and Mrs. George Webb.

Cancer fund: Ort, Jessie and Beverley Strome; Mr and Mrs. W. S. Dougan; Mr and Mrs. Hank MacKinnon.

First United Church Memorial Fund: Mr and Mrs. R L. Good.

Heart Fund Mrs. MacFadden.

Canadian Arthritic Fund: Mr. and Mrs. P. McCambridge and Leo; Princess Anne W I.

Crippled Children's Fund: Nell, Syd, Ann and Bev; Hilda and John, Betty and Gerry; Mrs. G. Throndson, Mrs. Simonet; W L. Hall.

Cemetery Fund John Anderson, Grand Forks, N.D.

Flowers to the home: Mr and Mrs. H. Scott; Mrs. Larson and Gladys; Mrs. Wm Smith; W.M. United Church.

Cards and messages of sympathy: The Johnsons; Mrs. A. Cameron; Mr and Mrs. Dunsmore; Pat, Lizzie and Leo, E. Filgate; Princess Anne W. I.; Mary Simonet; Miss Craig; Mr. and Mrs. Evans; Mr. and Mrs. Meyer; Mrs. A. J. Little; Mrs. Larson; Mr. and Mrs. George Richardson; Beryl and George Seaffert.

Generous Grants To Towns, Villages And M. D.'s

Helping materially to keep tax rates from soaring are the grants made to towns, villages and municipalities by Alberta's Social Credit government. Grants received recently for points in this part of Alberta for 1958 were:

Vermilion $34,043; St. Paul $28,681; Vegreville $29,319, Wainwright $34,674.

Villages — Derwent $3,058; Dewberry $2,078; Elk Point $6,650; Innisfree $3,228; Kitscoty $3,342; Mannville $6,713; Minburn $1,349; Myrnam $4,813.

M.D.s — Wainwright $108,486; Vermilion River $180,791; Minburn $141,250.

The grants this year were made on the basis of $12.83 per capita. This compares with $9.25 per capita in 1957 and $7.80 in 1956.

To Start Mailing Alberta Dividend Cheques in July

The provincial government's new royalty dividend branch has processed some 30,000 applications for this year's $17.50 dividend, and cheques will begin moving out in July. About 190,000 applications have been received so far. Some 10,000 have been returned to applicants, mostly because they weren't sworn before a commissioner of oaths.

Civil Servants Get Wage Increase

Albertans will be paying their civil servants another $2,000,000 or so per year as a result of a salary increase granted last week. The increase for the more than 8,000 civil servants averages out to eight per cent. Last year, salaries cost the province a total of around $24,100,000. The increases range from $240 a year in the lower end of the schedule to as much as $900 a year in the upper brackets.

CARD OF THANKS

I would like to express in this way my appreciation of all the many kindnesses shown to me in this, my time of sorrow and bereavement.

To Russell Carroll for taking me to see my dear husband; for the many kind deeds, words and flowers from friends and neighbors; for the comforting words and prayers of Rev. Mr McKay; to the B.E.S.L. for their kindness in arranging the service. I can only say a few simple words, so from a very full and aching heart "Thank you, one and all."

Mrs. M. Fraser

YOU are invited to make this Provincial Park your summer Playground. Bring your family and friends for a day . . a night . . or a week.

Pleasant Valley News

The weather is good for haying but we certainly could do with a good heavy rain.

Several ladies visited at the home of Lila Waterfield on Friday where an enjoyable afternoon was spent. Lila's cousin and her husband were there, visiting from the coast. They left for home on Monday.

Allen Coutts, Edith and Frances Sherwood are holidaying at Jasper and Banff. They also visited Calgary in time to take in the Stampede.

Bill and Betty Shaw have gone to the coast for a three week holiday.

Our country is beautiful just now despite lack of rain, wild flowers are blooming in profusion in a great variety of colors.

On Sunday yours truly and Mrs. Gillies journeyed out to Elk Point for the day and we certainly saw some lovely country and farm land. We travelled on highway 45 and thought it to be the best gravelled road in Alberta.

Gordon Gould's were supper guests at brother Lloyd's home on Sunday.

Don't forget to gather all the rose petals folks, there are plenty to be picked.

Wild berries are now ripening. Come down and pick them folks.

LOCAL NEWS

On First Leg Of Trip To Europe

Dr. and Mrs. Harold J. Clarke left by car on Tuesday morning on the first leg of a trip which will take them on a tour of Europe. On the way east they will visit relatives at Dundurn Sask., visit son Don and family in Toronto where they will leave their car while away, and son Bob and family who are at Chalk River. They will be joined by Mr. and Mrs. S. C. Hecbert in Montreal on August 4 and leave for Europe by steamship that day.

Mr. and Mrs. Peter Jensen returned last week from a trip to [illegible] Minnesota where they visited Mrs. Jensen's sister, Mrs. Mary Glen. Mrs. Glen had undergone a very serious operation recently but is now well on the way to a complete recovery. From there Mr. and Mrs. Jensen went to Brainerd, Minn., visited at the home of Mr. and Mrs. E. S. Rankin, another sister of Mrs. Jensen's. While there, they attended the wedding of the Rankin's daughter Doris. The holiday was completed at the home of Walter Rankin, a brother of Mrs. Jensen who lives at Motley, Minn. The holiday proved a most enjoyable one everywhere. The trip away from home was made in company with Mr. and Mrs. Robert Rankin, and the return was by train to Wainwright.

Friends in Islay and Vermilion of Mr. and Mrs. Norman Lambert will be interested in the recent marriage of their daughter Helen Joan to Mr. Thomas McMahon at the Rundle United Church, Edmonton. The bridesmaid was Miss Gloria Lambert, and the bride's cousin Iris Anson of Islay, daughter of Mr. and Mrs. Lyle Anson was the flower girl.

APPRECIATION

We wish to thank our friends of the Preston district for the lovely gift and kindness shown to us during our stay in your community.

Hugh and Shirley Leighton.

APPRECIATION

The Clandonald C.W.L. wish to thank all those who helped to make their picnic a success. Also special thanks to the Vermilion Pipe Band for playing and Mr John Nowakowski for showing his colored pictures.

CARD OF THANKS

I wish to express my sincere thanks to Dr King nurses and staff for their care and attention I received during my stay in Vermilion hospital and to my friends and neighbors for help during [illegible]

Sheldon May

IN MEMORIAM

In loving memory of
IVAR LARSEN
who passed away July 14, 1957.
"Like falling leaves the years slip by
But loving memories never die.
He lives with us in memory still
Not just today — but always will."
—Ever remembered by son Gordon and Ruby.

IN MEMORIAM

In loving memory of
IVAR K. LARSEN
who passed away July 12, 1957
"Gone is the face we loved so dear
Silent the voice we loved to hear.
Too far away for sight or speech
But not too far for thoughts [illegible]
Sweet to remember who once was here
And who though absent is just as dear.
Never was nature more loving
Never was heart more true
We're proud you were our father,
We thought the world of you.
Sleep on dear father and take your rest,
In all the world you were the best
Dear is the grave where our father was laid
Dear is the memory that never shall fade.
Sweet is the hope that again we shall meet
Kneeling together at Jesus' feet.
—Always remembered and sadly missed by loving wife and family

---

CLANDONALD HALL

Showing at the Clandonald Hall on July 11 and 12: "Elephant Walk" in technicolor starring Elizabeth Taylor, Dana Andrews and Peter Finch. July 18 and 19: "Until They Sail."

Did you know that ALL boats, including canoes, rowboats and sailboats, must carry lights on the water after dark? Find out what the regulation lights are for your craft. Never take a boat out at night unless it has the proper lights required by law. Play safe for more fun afloat.

ENGAGEMENT ANNOUNCED

The engagement is announced of Janet Lorraine Bell, eldest daughter of Mrs. Hilda Bell and the late Mr. R. H. Bell of Islay, to Mr. Jerry Grant, son of Mr. James Grant and the late Mrs. Grant of Vermilion. The wedding will take place on Saturday, July 26 in St. Saviour's Anglican Church, Vermilion at 3 o'clock in the afternoon.

Mrs. Bryan Ford and little son Kevin, accompanied by the former's mother, Mrs. Clyde Hicks, left on Tuesday for Uranium City, Sask. by plane. Mrs. Ford and Kevin will join Bryan there and reside in [illegible] while Mrs. Hicks will visit with them and with Mr. and Mrs. Edwin Hicks for the next month.

Miss Pauline Skrenkowich, Mrs. Helen Waltz (nee Helen Skrenkowich), Lorna Marshall and Elsie Backer all of Edmonton were visitors at the Skrenkowich home north of Clandonald on July 1. All enjoyed the holiday at the Old Timers Picnic at Greenlawn.

Mr and Mrs. R. L. Hickman, of Great Falls, were visitors in Fort Benton last Wednesday, being accompanied here by their cousins, Mr. and Mrs. Orley Omness, of Vermilion, Alberta, Canada. Mrs. Omness was a niece of the late Mrs. Olema Reichelt, a pioneer resident of this county. Mrs. Omness was born in Fort Benton but had not visited here in many years. — "The River Press" Fort Benton, Montana.

Mr and Mrs. Fred Stewart and daughter Patricia attended the 75th anniversary celebrations of Fred's home town of Nepawa, Manitoba during the past week. They plan to return home this week end.

Mr. and Mrs. Jim Kinney had as their visitors for two days last week, Jim's father and his brothers Charlie and Tony. The trip was made by car from the West coast.

James A. Smith is spending this week visiting his parents in Seattle.

Mr. and Mrs. Victor Kuzek and little son Murray returned home to Grande Prairie by car on Sunday. Mrs. Kuzek had spent two weeks at the home of her parents Mr and Mrs. Ashley Cooper while Vic arrived on Friday evening to take the family back home and to attend the wedding of Miss Margaret Wilson.

Mrs. Edith McTaggart of Kitscoty was a business visitor in Vermilion last Friday

---

Mr. and Mrs. Charles Heckbert, Doug and Jane are holidaying at the coast, making the trip by car.

Mrs. F. Jones of Vermilion was bereaved by the death of a nephew John Poole of Viking who died suddenly in Edmonton from a heart attack after taking in a truck load of cattle to the city.

Mr. Tom Brown arrived from Saanichton V. I. on Tuesday and is planning to spend a month in town and district. The trip from the island was made by plane as passenger boats are still not being operated due to the strike.

Mr Bernard Kern of Vancouver was a recent visitor at the home of his sister Mrs. F. Holdsworth and Mr. Holdsworth.

Attending the recent wedding of Miss Shirley Chrapko and Mr Richard White in Edmonton were Mr and Mrs. Clarence Algot, Mr and Mrs. M Charchun, Mr. and Mrs. E. Charchun, Mr. and Mrs. M. Hanasyk, Mr and Mrs George McConnell and Donna, Mr. and Mrs. C Noster, Mr. S. Dobransky, Mr W. C. Bober, Mrs. J. Palinka, all of Derwent. Miss Chrapko is a former Derwent girl.

To Return Home After 48 Years

A well known old timer of Vermilion and district, William Ansett, plans to leave Edmonton this Saturday for Montreal where he will board the steamship 'Empress of Britain' on July 13 bound for Northern Ireland. This will be Bill's first trip home since coming to Canada 48 years ago. He will be away three months and while in Ireland will visit his four brothers and four sisters and their families.

The Misses Joan and Marilyn Maxwell, daughters of Mr. and Mrs. Douglas Maxwell, returned to Edmonton recently following a very enjoyable two weeks holiday spent in Honolulu where they were the guests of Miss Noreen Dougan, formerly of Vermilion, who is nursing there. Joan and Marilyn made the trip by plane and on their return to the city were met by Mr. and Mrs. Maxwell.

Travelling via Canadian National Mr. and Mrs. L. Coe left last Friday for the west coast where they plan to holiday for two weeks.

Mrs. Everett White and daughter Barbara of Fairview, Alberta, are visiting at the home of the former's parents Mr. and Mrs. J. Kuzek.

Mr. and Mrs. Rod Sample enjoyed new potatoes from their own garden in town on Friday, July 4th. Everyone should take a look at this lovely garden located on Riverview Drive.

Mrs. George Mihalcheon, her daughter Frances and Anne Snaychuk have left this week for two weeks' vacation at the West Coast.

HEREFORD BULL, better than average. Quiet and guaranteed. Apply George Bland, ph. 2622. 3-3

Provide Poultry With Fresh Water Daily

Poultry flocks are vastly different from the camel in water requirements. They cannot drink large quantities of water once or twice daily or every few days but must refresh themselves many times a day. Hence numerous large containers with water where the liquid may tend to go flat or get dirty over longer periods, are not as good as a continuous fresh water supply, says R. H. McMillan, Alberta's Poultry Commissioner. Water lines and automatic floats are not so common, but the farmer can still save himself many steps by elevating a drum with an outlet over the fount to supply water by gravity.

CHEMICALS for weed and insect control. 2-4-D's, MCP's, T.C.A., Dowpon and other specialized products. A free catalog on request. National Grain Company Ltd. 49-0-2

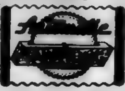
LOTS 3 and 4, Blk. 23. Water, sewer and gas right into basement. $850. Phone 14, Mannville. 2-4

Laying birds need plenty of water to produce eggs. Insufficient amounts lead to big production drops. Water is also essential for carrying on all other body functions and in summer is especially important since it regulates body temperatures.

Provide pure, fresh water in clean containers for better production and livability.



DEPARTMENT OF CITIZENSHIP AND IMMIGRATION

Indian Affairs Branch

SEALED TENDERS addressed to the Director, Indian Affairs Branch, Department of Citizenship and Immigration, Ottawa, Canada, will be received until 3:00 p.m. (E.D.S.T.) on July 29th 1958, for the construction by contract of:

1. An Agency Staff Residence at Saddle Lake Reserve, Saddle Lake Indian Agency, Alberta, Plan Index No. 1401.
2. Two Agency Staff Residences at High Prairie, Lesser Slave Lake Indian Agency, Alberta, Plan Index No. 1401.

To receive consideration a separate tender must be submitted for each project.

Contractors shall tender in complete accordance with the drawings, specifications, and tendering documents supplied by the Department for that purpose. Contractors may tender on one or more of these projects.

The drawings, specifications and other documents will be exhibited at the following points from July 9th, 1958 until July 25th, 1958 inclusive

1. R. F. Battle, Esq., Regional Supervisor of Indian Agencies, Room 716 Federal Building, 107th Street and 99th Avenue, Edmonton, Alberta.
2. S. C. Knapp, Esq., Superintendent of Saddle Lake Indian Agency, St. Paul, Alberta.
3. A. H. Murray, Esq., Superintendent of Lesser Slave Lake Indian Agency, High Prairie, Alberta.

General Instructions to Tenderers, Drawings and Specifications are obtainable at the above offices upon deposit of Twenty Dollars ($20.00) for each set of documents in the form of a certified cheque made payable to the Receiver General of Canada. This deposit will be refunded upon return of the drawings and specifications in good condition to the Chief, Engineering and Construction Division, Indian Affairs Branch, Department of Citizenship and Immigration, Ottawa, Canada, within one month from the date on which tenders close.

To receive consideration, tenders must be submitted on the tender forms provided and must be accompanied by a certified cheque drawn on a chartered bank in Canada, payable to the Receiver General of Canada in an amount equal to ten per cent (10%) of the tender price or Bearer Bonds of Canada or of the Canadian National Railway Company and its constituent companies, as specified in the form of tender.

The Department reserves the right to reject any or all tenders, and the lowest tender will not necessarily be accepted.

H. M. Jones,
Director,
Department of Citizenship and Immigration.
June 26th, 1958. 2

BOWTELL BULLETIN

The meeting for July of the Leader's Lodge was held at the home of Mrs. C. Clarke with eight members and two visitors. The latter were Mrs. Gillies and Mrs. McClellan of Islay. The August meeting will be held at Mrs. Bert Gould's.

A good three day rain is needed to help the crops.

It was nice to have Jack Coward of Emsyford visiting on his way to B. C. to see Mr. and Mrs. Dadelly.

Ye writer was pleased also to see Mr. and Mrs. R. Hellen and family Saturday from the U.S.A. Ronald left the Bowtell district when a small baby. His mother is better known to many as Thelma Smith who attended Bowtell school in the early twenties.

Mr. and Mrs. Chas. Pierman and family spent a few days recently at Greenshields.

Frances Sherwood is away on a holiday with her cousins Allan and Edith Coutts. They are attending the Calgary Stampede then on to Jasper and Banff.

Miss Maybelle Knutson left Sunday also to see the Calgary Stampede then to Jasper and Banff.

Miss Margaret Robinson leaves Thursday to visit her aunt and uncle in southern Saskatchewan for an extended holiday.

Mr. B. Ronaghan of Red Deer spent the week end visiting Les and Rena. Congratulations on that new baby Bud.

Miss A. Carey was a patient recently in the Vermilion hospital having her appendix removed.

Two New Exciting Rides At World's Finest Shows Here July 24-25-26

Pictured here are two of the newest rides with World's Finest Shows this season. In the foreground may be seen the new "Helicopter" ride with its eight smaller replicas of the actual famous aircraft. In the background may be noted the new "Roundup" ride as it raises its big swiftly moving platform into a straight up and down position.

Each of the planes on the Helicopter may be operated at will by the pilot. Each will sweep up or down or remain stationary as the giant arms whirl the planes around by the movement of the control lever or "stick."

These two new additions bring the number of thrilling rides and shows with World's Finest to well over forty. As always, the World's Finest are featuring America's biggest Kiddieland and besides the Helicopter, (daddy can ride it, too), there are two Merry-Go-Rounds, the Kiddie Turnpike Ride, real live Western ponies and mules, real boats in sky blue water, the Commando Tank Ride the Pony and Cart Ride, the Miniature Scenic Railway, the Swing ing Airplanes, the Sky Fighter Ride and the ever popular Tub O' Fun. By far the biggest and best midway they have ever produced, World's Finest Shows promise to provide plenty of fun and amusement to the thousands of people who await this yearly occasion. Plan to take the whole family to Vermilion Fair, July 24th, 25th and 26th.

Mannville and District Local News

Gwen, Bob and Susan Allen were Mannville visitors on Sunday and attended the Irma Elk's barbecue. They took Bob Ramsey to Edmonton for a few days holiday.

Mrs. Buff Johnstone is holidaying with her son and wife who have taken her to visit her daughter at Georgia, U. S. A.

Mrs. A. Rutherford has as her guest, Mrs. B. K. Jones, who was a former resident of Mannville.

Among those seen at the Sports Day celebrations on July 1 were A'lan Williams, Laura, Roy and Alex Leeson, Greg and Dorothy Bodard, Stan McGreavey, Ken McCauley, Sandy and Beth Hogan, and Jim Summers.

Mr. and Mrs R. McCullough and daughter Mrs. Desjardin of Irma were visitors at the E. Hubbard home on July 1st.

Pat Ambler and Gordon Cartier were recent Mannville visitors.

Miss Arline Leitch is spending some holidays at her parent's home.

Ross and Helen Leitch visited their daughter Maxine near Calgary over the holiday week end.

Some of the members of the Elk's Lodge and Royal Purple of Mannville supported the Irma Elk's barbecue on Sunday.

Mr. and Mrs. R. Scott and R. Leitch attended the Chailey Little Helper's Rally Sunday.

Sympathy of town and district is extended to the relatives of the late Bruce Hanning.

Visiting at the home of her parents is Nita Johnson (nee Majeau) and family.

Mr. and Mrs. W. Howorko accompanied by their daughter and son - in - law Mr. and Mrs. Mike Kochan, have left on a trip to Banff and Jasper doing the well known loop.

NEWS from KITSCOTY

Mr. and Mrs. F. O. Seward were recent week end visitors at the home of their son, Rev. O. C. Seward and Mrs. Seward of Bentley.

Mr. and Mrs. J. McCorry left for their annual holiday last Wednesday. They plan to visit several points of interest in Alberta.

Congratulations are extended to Serg. Ken Finney and Mrs. Finney (nee Margaret Mathewson) who are the proud parents of a new daughter, born July 1 in a Winnipeg hospital.

Mr. and Mrs. R. S. Pidcock left for their holiday last Thursday. They will visit at several points in Saskatchewan and Alberta.

Mr. and Mrs. W. Sage and family of Edmonton spent the week end here with their parents Mr. and Mrs. A. W. Govier. Miss Margaret Sage is spending the next two weeks here with her grandparents at the farm.

Miss Ruth McCourt left last week end for Deer Lodge, Lake Louise, where she will be employed for the summer months.

Congratulations are extended to Mrs. Della Blair who recently celebrated her 87th birthday. Mr. and Mrs. Lee Jackson and Vera of Galahad were visitors at the Ed Blair home to help celebrate Grandma's birthday.

Rev. Potter, Scout leader in Kitscoty district, left last Friday, July 4 for Banff to attend the Scout Jamboree. Several of his troop are also attending.

Mr. and Mrs. Fred Dzus and Peter spent five days at Loon Lake last week.

Mr. and Mrs. Mathewson left last Saturday to visit their son George and family at Heath.

Mr. and Mrs. C. N. Gray left Sunday for Jarvie, and were accompanied as far as Westlock by Mrs. Cliff Miller.

Arlene Joy spent the week end visiting her home south of Kitscoty.

Included in her trip to Europe Miss Sheila McCorry will have the honor of being presented to Her Majesty the Queen. Her parents Mr. and Mrs. J. C. McCorry received the news from Sheila recently.

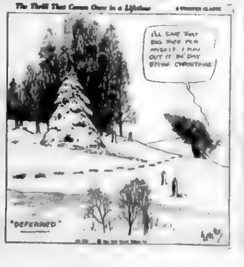
Gail Walker and friend of Saskatoon visited over the week end with Gail's grandfather Mr. John Dale.

Mr. and Mrs. Pinder and Yvonne from Lashburn visited with Mr. and Mrs. Henry Joy on Sunday.

Peter Dzus and Lloyd Franke left Monday for a trip to Banff and the U. S.

Mrs. Nancy Delowsky of Port Arthur, Ontario visited with her sister Mrs. Dzus over the week end.

The Thrill That Comes Once in a Lifetime



I'LL SAVE THAT BIG TREE FOR MYSELF. I CAN CUT IT THE DAY BEFORE CHRISTMAS
"DEFERRED"

Funeral Services For Robert Wade

Mr. Robert Wade, beloved husband of Mrs. Mary Wade, passed away in the General hospital, Edmonton, on June 14th at the age of 69 years after a very painful illness. Funeral services were held in the St. Andrew's R. C. church, Edmonton, on June 17th, with interment in the St. Joachim's cemetery.

Left to mourn his loss are his loving wife; one son, Robert, Edmonton; three daughters, Mrs. W. Monaghan (Hannah) Mrs. Ernest Garnier (Peggy) and Mrs. Erven Garnier (Monica), Dewberry; one brother Joseph, in England; two sisters, Mrs. Hannah Lamb, Chicago, Mrs. Elizabeth Ann Humphrey, England. There are 19 grandchildren.

Mr. Wade came to Canada from England with his wife and family in 1929 and farmed for several years north-west of Dewberry. On moving to Edmonton with Mrs. Wade he was employed at the Oliver Institute until the time of his illness.

Bob, as he was familiarly known, was a well known amateur singer and entertained at house and school parties in the thirties.

Pallbearers were Messrs. McGaughey Baldwin, F. McGeough, Ernest Garnier, Erven Garnier and Ed Garnier.

Floral tributes — For the house: Charles Camsell hospital cemetery Loving wife and family; Charles Camsell hospital; Mr. and Mrs. Roy Finlay and family; Mrs. Hannah Lamb sister; Mary and Jim Algeo and Tommy Wade. Mr. Rod McDonald, Scotty and Dorothy; Civil Service Association, Oliver Institute; Mr. and Mrs. Statisko.

Mass Cards: Loving wife, Mr. and Mrs. W. Monaghan and family, Robert, Bridget and family; Beatrice and Bobby Wad and Shirley, Monica and Erven and family, Peggy Ernest and girls, Tommy Wade, Johnny and Joan Monaghan; Mary Monaghan; Ed Garnier John and Melle Maltais; Gus Garnier; Mr. and Mrs. Geo. Convey; Mr. and Mrs. James [illegible], Nora and Philip Lemp; Mr. and Mrs. J. McGeough; Mr. and Mrs. P. Dynes, Mabel and Bernie Garnier, Mr. and Mrs. P. Lenahan; Felix and Janet McGeough and family, Pat and Kay McGeough and family, Dewberry C.W.L., Leo J. Letain, St. Andrew's C.W.L., Mr. McDonald, Scotty and Dorothy.

Cancer fund: Mr. and Mrs. H. Craige and family.

Many sympathy cards were also received.

CARD OF THANKS

We would like to thank Dr. Meltzer, Sisters and nurses of the General hospital for their kindness in looking after our loved one while he was a patient there. Also a special thank you to Jerry Conlon for his kindness, thoughtfulness and help. Thanks also to all who sent floral tributes, mass cards, sympathy cards and donations to the Cancer fund and to Father MacDonald and the Connelly & McKinnty Funeral home.

SQUARE NOTES From Circle 8

Saturday evening the Circle Eight square dance club and their visitors again danced at the band shell. Walter Parker was our caller and everyone was really kept on their toes to his snappy calling. After a wonderful evening of dancing, coffee and sandwiches were served in the camp kitchen.

July 19 there will again be a dance at the band shell from 9 p.m. to 12 p.m. and Johnny Maxwell will be calling. To all visitors and former members of the Circle Eight club a sincere invitation is extended to come and dance on July 19 as square dancing is fun.

It's a proven fact that economy is never really fashionable.

Mrs. Nick Scraba Passes Away

On July 4th, Mrs. Vera Scraba of Elk Point passed away in Edmonton at the age of 45 years. She is survived by her loving husband Mr. Nick Scraba of Elk Point, [illegible] six daughters Ernie of Elk Point, Mrs. Jean Edward of Edmonton, Evangeline of Edmonton, Mary of Toronto Lois, Vianna, Gail of Elk Point. Three brothers and three sisters. Funeral services were held on Monday, July 7th at 2 p.m. at the Greek Orthodox church, Elk Point.

The man who is positive he is always right loses many bets.

Skinny men, women gain 5, 10, 15 lbs.
What a thrill! Bony limbs fill out; ugly hollows fill up; neck no longer scrawny; body loses half-starved, sickly "bean-pole" look. Thousands of girls, women, men, who never could gain before, are now proud of shapely, healthy-looking bodies. They thank Ostrex Tonic Tablets. [illegible] At all druggists.

Piano Recital At Heinsburg By Pupils of Mrs. J. Braithwaite

A piano recital was held recently in the Heinsburg auditorium with Mr C. Seleginka acting as master of ceremonies.

A very appreciative crowd was in attendance.

The program opened by the singing of "O Canada" accompanied by Karen Buck. The following pupils took part in the recital: Beverley Buck, Sharon Juba, Gail Howerth, Connie Buck, Keith Sanders, George Sanders, Gail Nelson, Donna Franko, Barbara Hunt, Karen Buck, Johnny Kapjack, Paula Buck, Peter Seleginka.

Beverley Buck on behalf of the Heinsburg music pupils very fittingly presented [illegible] teacher Mrs. J Braithwaite with a gift to show their appreciation for the past year.

Mrs Braithwaite thanked her pupils for their kindness and words of appreciation were also given by Mrs. Braithwaite to pupils, parents and teachers who co-operated so well also a special thank you to Mr Seleginka who made all the arrangements for the music lessons that were taken during school hours.

'God Save the Queen' was sung, accompanied by Barbara Hunt following which coffee and doughnuts were served.

All Branches Represented At Constituency W. I. Convention

The Vermilion Alexandra W. I. Constituency Conference was held in the Vermilion School of Agriculture on Saturday, July 5 with all ten branches, Kitscoty, Hazeldine, Princess Anne, Five Point, Creighton, Claysmore, Saltaux, Ramsey, Wildmere and Vermilion well represented. Miss Joan Hughes from the Wildmere Brever's Girl's Club was also present.

Mrs Perry Sloan, constituency convener, conducted the meeting which opened with 'O Canada' and the repeating of the Creed. Mrs R. Bang was the Conference secretary and Mrs. Wm. Ball acted as pianist and Mr. Alec Palin, acting principal of V. S. A. welcomed the ladies.

Mrs Clark of the Vermilion W. I. gave the address of welcome which was replied to by Mrs. Frank Gibson of the Wildmere W. I.

Mrs. Sloan introduced the guest speakers Mrs. T. Howes of Millet A. W. I. President and Mrs. J. Bielish of Warspite, District Director.

Committees were appointed and the delegates gave the branch reports.

Mrs. Sloan then gave the Constituency Convener's report and the financial statement.

During a short recess, Miss Donna McCauley talented young pianist entertained the ladies with two beautiful piano selections after which the standing committee reports were heard. Mrs. E. Mead gave a summary of the brief on education presented to the Cameron Commission.

After dinner which was served in the College dining room, the handicraft display was inspected by the ladies. At 1:30 the group again met in the classroom to hear the judges of the handicraft give their report. Five Point again won the cup with a total of 34 points. Mrs. R. Bauer won first in the made over garment display.

Mrs. T. Howes gave a very interesting talk on her journey around the world to attend the W. I. World Conference held in Ceylon. A great many countries were visited and Mrs. Howes collected a spoon from each place she visited. She hoped this visit by the women of Canada would bring a bond of friendship between nations and help to establish world peace.

Mrs. Bielish, district convener, gave a very interesting and informative talk on all phases of W. I. work and answered the questions in the question box.

Miss Margaret Goodwin sang two beautiful solos after which tea was served to the ladies.

During the election of officers, Mrs. Sloan was returned as constituency convener for another two years while the standing committee representatives elected were Mrs. R. Bauer for Canadian Industries and Agriculture and Mrs. Geo. Richardson for United Nations and exchange.

The report of the courtesy committee was given followed by the adjournment of the meeting and the singing of 'God Save The Queen.'

HERE'S ONE FOR RIPLEY

Here is one for Ripley's book on rare happenings —

On May 13 Canadian National grain car No 503762 was loaded at the U.G.G. elevator in Vermilion with wheat and shipped to Vancouver. On June 9th the same car was returned to the same elevator, loaded with wheat and again despatched to Vancouver.

The oddity is that there are approximately 10,000 grain cars in use on the C.N.R. and there could be 10,000 elevators in western Canada. There is no set pattern for car distribution — yet the same car was returned to the same elevator to be loaded with the same kind of grain and then shipped to the same terminal. It would be interesting to know just what the odds are against this happening.

BABY & PRE-SCHOOL CLINICS

Monday, July 14 — Vermilion Health Unit Office 2 to 4 p.m.

Tuesday, July 15 — Wainwright (Office) 2 to 4 p.m.

Tuesday, July 15 — Ranfurly (Hotel) 11 to 12 noon.

Tuesday, July 15 — Innisfree (Office) 2 to 3:30 p.m.

Thursday, July 17 — Edgerton (Office) 2 to 4 p.m.

Friday, July 18 — Mannville (school) 10 to 12 noon.

Friday, July 18 — Minburn (School) 2 to 3 p.m.

Smaller Cargoes

Low water levels in the Great Lakes are proving costly to ore and grain shippers, reports The Financial Post. One Lakehead company has made sharp cuts in cargo tonnages due to 8-inch drop in level of Lake Superior.

People who take themselves too seriously seldom enjoy life.

Jail Term Follows Damage to Park At Olds, Alta.

The final chapter in the Westward Ho Little Red Deer park outrage was written by Magistrate R. N. Yates in Police Court in Olds, Friday.

The three young men involved, Earl Kaiser, Wetaskiwin; Stanley Schmidt, Bergen, and Leo Kuzyk of Harmattan, were each fined $100 and costs and given a one month jail term without option.

In default of payment of the fines, they were each sentenced to two months additional in jail. The fines were all paid.

Two girls, both minors, were fined $50 and costs while one other girl, a juvenile, was made a ward of the provincial government.

The charges against the six young people arose out of an all night drinking and swimming spree at the park site west of Olds now being developed.

—Olds Gazette.

CALENDAR OF EVENTS

DANCE AT ISLAY

Islay Community Association is sponsoring a dance in Islay Community hall on Friday, July 11th featuring Len McDonald and his Saddle Tramps from Edmonton. Dancing 10 to 2. Lunch served. Admission $1. 2-3

Clandonald Girl Receives R.N. Degree

Miss Helen M. Masyk of Clandonald, who graduated from the General Hospital School for Nurses, Edmonton, in May of this year, received her R.N. degree in June.

Miss Masyk is a daughter of Mrs. A. Masyk of Clandonald.

Cards and Kitscoty Split Double-Header

Vermilion Cardinals, ladies' football team, won the opener of a doubleheader at the park on Sunday by a 9-8 score from the Kitscoty ladies. In the second game the visitors ran in five runs in the 8th inning and this was enough to subdue the homesters by a close 5 to 4 count.

Both were hang up ball games with a goodly crowd of fans on hand.

In the past five years sales of foreign goods in Canada have exceeded the value of Canada's exports by $2.5 billion.

Clandonald Couples Are Honored On Silver Wedding Anniversary

A most enjoyable evening was held at the Columbus hall in Clandonald on the evening of June 14th when over one hundred persons were in attendance to celebrate the silver wedding anniversary of Mr. and Mrs. Nelson and Mr. and Mrs. Johnny Nelson. This was a surprise put on by the families of both parents. Corsages and boutonnieres were given the honored couples by their children and congratulations extended.

Dancing was enjoyed for a few hours, music ably supplied by Mrs. Lenora Little and her brother Mr. Michael.

Mr. Hugh Hagen, a very efficient master of ceremonies, paid a heart-warming tribute to the Nelson brothers' dad, the late Mr. Lee A. [illegible], who passed away in February, 1922. For the humorous side Hugh had some very good sketches of the boys' courtship days and praised the families for their work and effort in the community.

Mr. Hagen then, on behalf of the gathering, presented the honored couples with lovely gifts from the immediate families. Others were received from relatives and a large purse presented to each from the surrounding communities. The Nelsons in turn thanked all very kindly for the gifts and for the kindness and hospitality shown them on this special day.

The families of the honored guests had the table centred with two pillared wedding cakes baked and decorated by the Nelson brothers' sister, Ellen Oseness, who did their wedding cakes 25 years ago.

Moving pictures and flash snaps were taken during the evening.

Lastly a delicious lunch and social hour were enjoyed. Mrs. Mildred Baldock sang a solo, "Love Sends a Little Gift of Roses", and Mrs. Norma Laird sang "When Your Hair Has Turned to Silver", accompanied on the piano by Mrs. Mossy McPhee.

Famed R.C.M.P. Musical Ride at the Edmonton Exhibition

The troop of 32 men and horses of the Royal Canadian Mounted Police musical ride are shown above as they execute one of the many intricate and colorful figures in the ride, which will be a special attraction of the 1958 Edmonton Exhibition, July 14 to 19.

Lady M. C. At Lloydminster Exhibition Grandstand Revue

The 1958 Grandstand Show at the Lloydminster Exhibition, on July 21, 22 and 23rd will be Tom Drake Agency's 'T. V. Stars Revue' starring Hazel Randall, the first lady M. C. to ever appear in Canada.

MARIMBA DARLINGS
A 5 PEOPLE ACT

This act consists of 5 very charming young ladies on Marimbas. They do outstanding classical numbers as well as top tunes along with rock and roll. Their wardrobe is worth coming out to see. These girls will give good music, beauty, and charm in this show. One of their feature numbers is all done in black light with dolls attached to their wrists that appear like the dolls dancing on the top of the marimbas. This is a very unusual number and the first time it has ever been presented.

TOM & TINY TWIST

America's most versatile novelty team. Tom and Tiny Twist the incomparable. This is one of the most unusual acts in show business today, performing their daring and dangerous tricks 30 feet in the air without any guy wires or safety devices. Can perform on or one side of stage near grandstand and can be seen. Here you are folks, something very different.

JED STARKEY & THE SOUTHERN GENTLEMEN QUARTET

Mr. Starkey featured act on National Barn Dance, Ozark Jubilee, NBC network, with Red Foley, Brush Creek Follies, C. B. S. Network, R. K. O., 20th Century Fox movie called 'Wait Till the Sun Shines Nellie,' Missouri, Kansas, and Arkansas State Fairs, Grand Ole Opery, and many more. Jed Starkey is Hollywood's favorite comedian. Mr. Starkey along with his four southern gentlemen will present to you, singing, playing and joking. This act has a lot of variety and will prove to be a favorite with your audience. 2 & 3x.

CLANDONALD HALL

Showing at the Clandonald Hall on July 11 and 12: "Elephant Walk" in technicolor — starring Elizabeth Taylor, Dana Andrews and Peter Finch. July 18 and 19: "Until They Sail."

DERWENT THEATRE

Showing at Derwent theatre on Sat. and Mon. July 12 and 14, "Mister Cory" in color with Tony Curtis, Martha Hyer and Chas. Bickford, a truly remarkable performance by Curtis in this production; July 19 and 21, "Last of the Badmen" western drama full of suspense as a time bomb. 2

Check that date on your label.

Mannville Cemetery Presents Neat Appearance

MANNVILLE. — Anyone entertaining doubts about giving to the cemetery fund at Mannville, for funerals, should avail themselves of the opportunity to visit same and see what a difference from bygone days. The grass is neatly cut, trees are trimmed, graves kept up and posts surrounding graves have been painted silver and present most attractive appearance. Mr. E. Wood was caretaker until ill health forced him to retire, and was responsible for the well-kept grounds until that time, now A. Christensen has carried on the good work and one can easily see that their money is being well spent and we are beginning to have a cemetery which we may well be proud of. A gas-powered lawn mower is now owned and put to good use on the grounds.

LADY GOLFERS TO MEET

A meeting of the Ladies' Golf club will be held at the home of Mrs. Ken Rowe on Monday, July 14th. Plans will be made for catering to the men's tournament and to set the date for the ladies' tournament. The meeting is called for 8.00 p.m. All lady golfers are urged to attend. 2x

NOTICE

The Canadian Oil bulk plant will be closed Saturday, July 12 all day. 2

AUBURNDALE PICNIC

F.U.A. and Community Centre picnic will be held on Wednesday July 16th at the Auburndale community centre picnic grounds. Baseball, races, horse races will take place. Everyone welcome. 1-2

STARTS MONDAY, JULY 14th

'Teen Age Drivers To Compete For Canadian Championship

A few days from now a dozen teen-agers, who represent the top drivers in their age group in Canada, will be on pins and needles as they await the judges' decision as to who will be the winners in the Third National Teen-Age Safe Driving Road-e-o, to be held in Medicine Hat, North America's 'safest city', July 10 to 12.

The twelve young men are the pick from some 10,000 youngsters who have competed in Teen-Age Safe Driving Road-e-os in 150 cities and towns across the country. Oddly, 11 of the finalists come from communities with less than 10,000 population, which might appear to indicate that the teen-age driver in the smaller Canadian centres is a better driver and more safety-conscious than his cousin in the larger [illegible].

The Road-e-o is sponsored by The Junior Chamber of Commerce of Canada and All Canada Insurance Federation, a national association of some 300 companies in the fire, automobile and casualty insurance business in Canada. The Road-e-o is designed to make Canadians conscious of the need for more careful drivers and the education of the teen-age population in safety laws and techniques.

The national finalists, who will be competing for college scholarships worth $1,750, face a six phase program. They have to undergo a written test of driving knowledge; a performance test in four obstacle-type exercises; a road-check for in-traffic performance; a driving attitude scale; a psycho-physical examination and a personal interview. The three high-scoring contestants will receive $1000, $500 and $250 scholarships respectively.

It will not be all work for the contestants however. Social activities lined up will include a visit to the Hargrave Mitchell Ranch, industrial tours and a dance with the climax being an 'Awards Banquet', to be attended by civic, provincial and federal government dignitaries. At the banquet J. B. Humphrey, chairman of the public relations committee and vice-president of All Canada Insurance Federation, will announce the winners and present the awards and trophies.

BREAK-IN AT ONION LAKE

Entering by way of a basement window, thieves broke into the H.C. "Buster" Fleming store in the early hours of last Saturday morning.

They broke into and robbed the till, took a quantity of clothing and nearly a dozen good watches, and the safe, which contained several thousand dollars in currency.

R. C. M. P. are investigating.

This is the fourth break - in that the Fleming store has experienced during the last four years. The previous break - in netted the thieves only a small quantity of clothing and groceries. They were apprehended in short order by the local detachment of the R. C. M. P.

OUR LETTER FROM EDMONTON

How Effective in Alberta National Hospital Insurance Plan

by KEN MASON

The new national hospital insurance plan went into effect in Alberta on July 1, but for the most residents of the province there was no noticeable difference.

Under the program, the province will receive approximately $1,000,000 a month from the federal government toward operating costs of the hospital treatment scheme.

The plan differs in only one respect from the new program introduced by the provincial government on April 1st — all residents of the province are automatically covered, no matter how long they have lived here. Before the federal contributions started, a year's residence was required before coverage was given.

Hospital patients will continue to pay $1.50 to $2 a day for treatment and for certain extras. The rate depends on the size and classification of the hospital.

Health Minister Dr J. Donovan Ross signed the hospital insurance agreement with the federal government a few days before the plan went into effect.

Signing of the agreement was delayed by Ottawa's refusal to concede two points which would have meant more money to Alberta.

One involved the $1.50 to $2 daily co-insurance fee, which is expected to contribute around $3,000,000 toward costs of the plan this year. Alberta felt this amount should be considered a part of the overall cost of operating the plan, and that Ottawa should regard it as such in computing its share. It would have meant around $1,000,000 more for Alberta this year.

In other provinces where the plan has been introduced, residents are compelled to buy insurance contracts and pay premiums and their contribution is figured into the overall cost. Dr Ross points out that the advantage of the Alberta plan is that the citizen doesn't pay a cent until he needs hospital service, but the penalty which goes along with the advantage is losing out on some federal aid.

Alberta also argued that capital costs are part of the overall cost of providing a hospital treatment, but federal officials would not play ball.

For the time being, this leaves municipalities responsible for capital costs of hospitals over and above grants already available from federal and provincial governments.

However, relief may be in sight for municipal governments contemplating hospital construction. The Alberta hospitalization act permits the government to contribute toward capital costs.

There's a good chance that the province will begin capital grants next year in amounts equal to what municipalities now contribute toward operating costs of the hospital insurance plan.

MUNICIPAL FINANCING

Municipal finance is far from dead as a hot issue in Alberta, and the government will be hearing more about it, especially if next year is an election year.

The latest development is that a number of municipalities are having trouble selling their debentures on the open market. In some cases, the government has stepped in and granted capital loans. One of the biggest was $240,000 in debentures from the town of Jasper Place.

The government is charging the municipalities 6% — the same as they would pay on the open money market.

All this [illegible] about the abrupt suspension earlier this year of the Municipal Finance Corporation. At the time it was suspended, the government said it was not needed because municipalities should have no trouble obtaining money for capital works on the open market.

The reason for forming the MFC in the first place was to borrow on behalf of municipalities. With the government guaranteeing principal and interest, it was believed M F C would get reduced interest rates.

Opposition parties are bound to pounce on the current municipal difficulties as a major issue, continuing the controversy over municipal finance which has raged for several years.

MARWAYNE

Eunice Gray, while attending Farm Young People's Week at the U. of A. in Edmonton, won a $200 scholarship in Agriculture for General Proficiency.

The annual open air Communion Service of St. Gregory's Mission of the Anglican church, will be held at Blackfoot at 11 a.m. on Sunday, July 13. A picnic will follow after dinner.

Mr and Mrs. D. Kvill and Mr. and Mrs. W. Kvill attended the wedding of a nephew at Metiskow last week end.

Mr. and Mrs. Gordon Hillaby (nee Eunice Quist) and family, of Edmonton, are visiting at the O. H. Quist home.

Mr and Mrs. Bernard Bobroski and family of Victoria, B.C., are here on a two months' vacation visiting with Mrs. Bobroski and other members of the family.

A shower was held for Muriel Hames at Lea Park school on Thursday afternoon July 3rd in honor of her coming marriage to Harold Berry July 11th.

Alec Bacon was home for the July 1st holiday week end. Alec is working under a Veterinarian in Saskatchewan and has one more year at the Guelph College before he finishes as a Veterinarian.

Much concern has been felt in this area over the condition of Tring cemetery. For those interested, a strong spray has been applied as an all-out effort to kill the brush. The next step will have to be decided upon when the results of the spray are known.

A party was held at the home of Mr. and Mrs. R. Bendixen on Sunday afternoon June 29th in honor of Mr. and Mrs. S. Murray on their 25th wedding anniversary.

On Friday evening July 4th in Warwickville school Mr. and Mrs. V Lowrie were honored by their neighbors and friends on their 25th wedding anniversary. Congratulations folks.

Mr and Mrs. W Ashworth and girls are spending their vacation on a trip up the Alaska highway.

Sincere sympathy is extended to Mrs. E. A. Rainboth and family in the death of husband and father Mr E. A. Rainboth.

There was a good turn out at the church service of the Kitscoty pastoral charge including Kitscoty, Islay, Marwayne and Dewberry, at Whitney Lake on Sunday at 11 a.m. After service there was a picnic lunch with hot coffee provided and then a tour of the cabins, new ones and the others which have been fixed up, also the United Church camp pavilion. During the afternoon most went bathing, some very unexpectedly while others went around the lake in motor boats.

Nearly sixty boys are in residence at the camp which started last Wednesday. This area is fortunate in having the church camp so near for our young people to attend. It is owned by the St. Paul United Church Presbytery.

The Boy Scouts got away Friday morning on their way to the second annual Alberta Provincial Jamboree at Banff. At 8 o'clock they paraded to the school and did exercises in the yard then to the Community hall where Mayor Spence presented each with a cap with "M" on it. The Board of Trade [illegible] the boys with spending [illegible]. The Mayor wished them a good trip and said the town was proud of them. Mr. S. Murray accompanied by B. Murray took them in the school bus.

Donnie Norcross of Rocanville is visiting with Bobbie Hines.

Scotty and Howard Hines and Alvin Parker rounded up their cattle on the lease they have north of the river on Monday.

On Tuesday they had many visitors to see them brand and treat the cattle.

Quite a number of folk from this part took in the Old Timers' picnic at Greenlawn.

Mrs. Ferguson spent a week in the Lloydminster hospital but is now able to be home.

Mrs. Retshus and Miss Hanis have gone to summer school and Miss Howe to Red Deer.

Mr. H. Petryshen is correcting papers in Edmonton.

Mr. and Mrs. Don Irwin are meeting his brother Foster and wife in Edmonton and then are going on a trip to Trail, and to the Calgary Stampede on the way home.

Mr. and Mrs. R. A. Johnson and children have gone to visit her people at Red Deer.

Mr and Mrs. Wm. Bell, Vermilion, spent July 1st at the Edgar Bell home.

Some of those home for the holiday were Mr. and Mrs. Johnny Ramsey, Kate and Betty Lou Rooks, Mr and Mrs. C. Brown, Mr and Mrs T. Spence, Mr. and Mrs. Cleve Rea.

Postmaster Roy Piment is visiting in Edmonton and then intends to go on to Vancouver to visit his brother Cliff and other relatives.

Mr and Mrs. C. [illegible] and family of [illegible] Sask., are visiting with his [illegible] Mrs. West.

Mrs. Parker and Mrs. E. Hunter are visiting with Mrs. Reichenbaugh.

Mrs. Hines and Mrs. L. Van Camp went to Watrous to visit Marion and her husband.

Islay Little Leaguers defeated Marwayne 10 to 4 Wednesday at Islay.

Mrs. Harold Van Camp and children are visiting at her home the Hines' while Harold is stationed at Wainwright.

Tractor Care — How Do You Rate?

Many farmers don't take proper care of their tractors. This charge was made by an agricultural engineer at the University of Illinois who surveyed sixty tractors in operation in that state. He and associates checked on five important maintenance points. Here's what he found:

Tire pressure: Guilty in 51 out of 120 rear tires; 33 out of 120 front tires were overinflated. If a rear tire is underinflated four pounds its life will be shortened one-fourth. Checking tires is a twice-a-month job.

Crankcase breathers: Guilty in 32 out of 54, and 12 breathers were plugged with dirt. Breathers let gases that slip by the pistons escape. If plugged, the pressure may blow a gasket. Check the breather every month.

Air cleaners: Guilty in 17 cases out of 60. Cleaners need daily care.

Ignition systems: Guilty in 27 cases out of 55. Power loss, fuel loss and hard starting are the penalties. Points should be checked a least three times a year.

Batteries: Guilty in 27 out of 60 cases. Sixteen batteries had no liquid above the plates. When the water is low, the battery is permanently damaged. Water should be checked every two weeks.

YOU CAN FIX IT

by GENE VON

INLAID DESIGNS

To inlay names or designs in wooden boxes, like the one illustrated, lay out the letters with a sharp knife, then cut the outline about one-sixteenth inch deep with a sharp knife. Inlay with any contrasting wood, mitering the joints wherever possible, and gluing the pieces into place. When the glue has dried, sandpaper, and finish.

CFRN-TV Completes Engineering Survey For Satellite Stations' Project In Northern Alberta

Confirmation was given this week that an extensive engineering survey investigating satellite television stations in Northern Alberta has been carried out.

The announcement was made in Edmonton by G. R. A. Rice, president and general manager of the Sunwapta Broadcasting Company Ltd.

Investigation, said Mr. Rice, covered regions which might be served by C. R. F. N. - T. V. - Edmonton through satellite stations.

If satellites were established in certain communities it would also provide television reception to communities and rural areas within range of the satellites.

The survey has been in progress for the past six months and extended east and west of the city of Edmonton and into northern regions. To assist company engineers in the project the services of George Mather and Associates of Toronto, consulting electronic engineers have been retained.

Mr. Rice stated that the investigation was begun as a means of benefitting fringe areas already served by C. F. R. N. - T.V., as well as part of an expansion program designed to make television available in more remote sectors of Northern Alberta which would not otherwise enjoy the entertainment and educational benefit.

In making the [illegible] Mr. Rice emphasized that there are certain obstacles and [illegible] ties yet to be overcome before the operation of satellite stations could be made effective. He said the first step in the process was obtaining the engineering survey and data necessary to determine the [illegible] involved. The next is the fulfillment of government requirements and regulations. Comprehensive engineering briefs explaining company proposals must be submitted to the Department of Transport for its investigation.

The Department must be satisfied that the plans would be able to give reliable television coverage in proposed new service areas on a year - round basis.

"It is not sufficient to say that we will provide a good clear signal at all times," added Mr. Rice. "We are obliged to prove by engineering data that we can deliver our proposals."

"Only then will the government agency give us the necessary recommendations to carry out case before the C B C Board of Governors."

The president of the Sunwapta Broadcasting Company indicated that preliminary measures have been met.

The company now proposes to begin discussions with the Canadian Broadcasting Corporation and Mr. Rice said a representative will be in Ottawa, at the next scheduled meeting of the Canadian Broadcasting Corporation Board, and the entire subject of television coverage to the outlying districts served by Edmonton will be carried forward at that time.

NEWS from ALLANDALE

Sorry folks, some of these items will be a little late.

Weather — June 9th a frost took a lot of the garden stuff. Some showers have been experienced but a general rain is what is needed.

Orley found a child's canvas shoe size 6 and practically new, between the church and community centre.

Congratulations to the newlyweds Mr. and Mrs. Ronald Johnson.

Idelore Nelson has just completed the installation of a water system in his home.

Allandale W.A. met June 12 at the Alvin Throndson home. All members were present. The July meeting will be held at the Idelore Nelson home. Lunch by Mrs. Verna Armstrong and Mrs. Ellen Omness.

The same evening work was done on the church yard by a number of willing workers.

Congratulations to the Nelsons, Idelore and Elsa, and Johnny and Barbara who celebrated their silver wedding anniversaries on July 10th.

Our deepest sympathy to the family and relatives of the late Mrs. Filgate. "God saw the road was getting rough and the hills were hard to climb, so He closed your weary eyelids and whispered 'Peace be Thine'."

Mr. and Mrs. Gus Throndson were very efficient caretakers on the Omness farm while the latter were away on holidays.

Happy and safe driving to Mr and Mrs. Louis Baldock who are driving a new '58 Chev. They were recent visitors to the city at the home of Beryl and Tommy.

On June 14 Mrs. Lucy Lundblad, daughter of Mr and Mrs. Gus Throndson, from Valleyview, motored to Vermilion in a new 1958 Cadillac to attend the Nelsons' silver wedding anniversary. Mrs. Evelena Wilson accompanied her from the city. She is an old friend of the Nelson families.

TV is enjoyed very much at the Baldock home. One evening a channel from Cedar Rapids, Iowa, was very good.

June 30th at Kindersley Sask., we learned of the sad news of the death of our nephew Edwin Throndson. We drove on home leaving Great Falls that morning, travelling around 600 miles home. "The blow was great, the shock severe, we little thought his death so near, only those that have lost can tell, the sorrow of parting without farewell."

On June 25th Mr and Mrs. Theodore Throndson from Ft. McMurray, Mrs. Delia Walsh of Edmonton, accompanied Mrs. Lucy Lundblad from Valleyview to Vermilion to attend their brother and cousin's funeral. Also from the city were Mr and Mrs. W. Currie, Mr. Tom Souder and Mr Keith Chalmers.

June 29th was a happy day at the Wm. Armstrong home when all the families were here. Son Albert arrived the day before from Uranium. Mrs. Violet Dwyer and family, Mrs Ruth Butler and family from Edmonton, Joyce and Ronnie Poraykо from Royal Park, Myrtle and Norman Anderson and family from Lloydminster, May and Warren Edwards and family from town, and from near home were Mrs. Thelma Armstrong and family and Jimmy and Verna and family.

On June 20th Mr. and Mrs Gerald Omness and family, Joanne, Sheryl, Maureen, Wendy, Lorraine and Danny from Kindersley, Sask., Mr and Mrs. Jack Hobbis and family from town, Mr and Mrs. Don Wilson and family and Tommy Ross gathered at the Omness home for a wiener roast and visit. Jeanne, Gerald and family stayed the night and visited in the district the next day.

The proceeds from the W.A. supper on July 3rd were very gratifying. To all who made it such a success, and to all the helpers, many thanks.

Mr and Mrs. Auburn Kepke from Greenwood, B.C., daughter Joan Darling from Spring Park and Auburn's mother Mrs Gertie Swanson from Elk Point were visitors at the Wm. Armstrong home July 4th. They had been visiting Auburn's sister Florence and Raymond Hammond at Lashburn and were on their way home to Elk Point.

On July 4th Mr. and Mrs. Jack Hobbis and family from town and Mr. and Mrs. Gerald Omness and family from Kindersley motored to Elk Island park where they met mom and dad Omness (Rufus and Ruth), and sisters Janice and Irene for a picnic. They were highly impressed with the facilities and hospitality at the park and had a wonderful day. The children were thrilled to see buffalo, elk and a moose. Mr and Mrs. Omness had just returned from a short trip to B.C. Their ideal spot was Kelowna where they visited with nephew Lawrence and Vera Swanson and family.

Mrs. Stella Mayers returned home June 27th after spending ten months at the Calvert home at Chipman. Her sister Mrs. Mabel Lee of town was out and stayed a few days with Mrs. Mayers on the farm.

Mr and Mrs. George Crosby and daughter Joan called at the Omness home July 3rd on their way to Dewberry to attend Miss Joyce Parker's wedding. Congratulations to the newlyweds.

Also to Mr and Mrs Gordon Bell who were married July 5, congratulations and best wishes.

Mrs. Beryl Greaves and family arrived from the city on July 7th for a short holiday at the home of her parents, the Baldock's.

Leonard McPhee, Keith David, Bent and Abe Hanson left last Saturday to attend the Calgary Stampede.

Mrs. Marian Bluck and family Kathleen, Marlene and Johnny from Calgary were visitors at the Omness home on July 7. Marian taught school at Allandale in 1946-47.

Mr and Mrs. Jimmy Walsh and family of Edmonton are spending a week's holiday at the home of Mrs. Walsh's parents, Mr. and Mrs. Omness.

Closing thought: "To have a good friend is one of the highest delights of life; to be a good friend is one of the noblest and most difficult of undertakings."

Tips on Touring

By Carol Lane

Women's Travel Authority

You can ease the burden on your budget by making sure your car isn't guilty of gasoline guzzling. If your automobile eats up more gas than it should, the fault may be yours and not the car's.

Here are some proven and practical hints to help you save gasoline:

1. Don't race the motor. Stepping on the accelerator unnecessarily while the motor is idling and gears are in neutral forces more gasoline to the engine than necessary.

2. If your car is equipped with "over drive," use it when you are in the country on a high gear highway. This permits reduced engine speed and and greater mileage per gallon.

3. Drive at a calm, even speed. Excessive speed, by spurts and jerks, burns up more gasoline. You'll get more mileage out of a gallon of gas at moderate speeds than you will as the miles per hour mount.

4. Turn off the motor when your car is parked at the curb. An "idling" motor uses a cup of gasoline in 10 minutes.

5. Keep your tires firm and round. Soft tires overwork the engine.

6. Remember that driving in low gear and excessive use of the choke burns up gasoline.

7. An incorrectly adjusted carburetor is a gasoline glutton. Have a first-rate mechanic check and adjust your carburetor when necessary.

8. Sluggish spark plugs, dirty carburetor, leaky fuel line and a slipping clutch all waste precious gasoline.

HAVE FUN!
By LEE BRYANT

"Why, Casey, you a policeman! How did you come to join the force?"

Former Grocery Clerk: "I've always wanted to be in a business where it's the customer who's always wrong."

The young woman greeted her husband affectionately on his return from the office.

"Poor darling," she soothed, "you must be tired and hungry. How about some tender juicy chops with golden brown potatoes, fresh green peas, and delicious mushrooms on toast?"

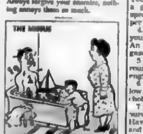
"No, dear," he said firmly, "let's save money and eat at home."

A happily married man's personality remains unchanged whether his wife is with him or not.

The ferocious lion ate a bull. Afterward he felt so wonderful he roared and roared. A hunter heard him, came and shot him.

Moral: When you're full of bull, you had better keep your mouth shut!

Always forgive your enemies, nothing annoys them so much.



"You just can't see the child happy, can you!"

Health Unit Notes

CARE OF YOUR CHILDREN'S EARS

Formerly more than half of adult deafness resulted from neglect of ear infections in childhood. Medical attention when a child shows signs of ear trouble can check the infection and guard against loss of hearing.

There are two chief causes for serious ear trouble and defective hearing in children. One is an acute infection of the middle ear and the other is a milder chronic infection which causes mild inflammation of the ear drum.

Acute ear infections are usually a complication of some infective disease of childhood, such as measles or scarlet fever. The symptoms of acute infection include earache, rise in temperature, difficulty in hearing and if the child is younger, restlessness, crying with pain and occasionally pulling at his ears.

A doctor can often check the infections before serious damage is done.

If an abscess occurs in the ear, pressure from the pus may burst the eardrum and the pus escapes from the outer ear. This is what we call a running ear and a doctor must treat this infection to prevent it becoming chronic and to save the child's hearing. Untreated, the discharge may cease in a few days and the child's hearing MAY return to normal. In most untreated cases, however, the discharge persists for weeks and eventually becomes a chronic middle ear infection. Head colds and damp weather may cause the ear to run again with a progressive loss of hearing with each attack. In such cases there is often an unhealed hole in the ear drum. In this [illegible] of a doctor can do much to clear it up.

When the ear is discharging do not place absorbent cotton in it but allow the pus to escape freely, wiping it off as required with absorbent cotton moistened with warm water. If there is a hole in the ear drum, do not let water into the ear as it sets up an irritation which may result in a fresh discharge hence the reason for ear plugs when swimming.

Mastoiditis is serious but due to modern medicine less common complication of acute ear infection. This is [illegible] by an increase in temperature (often the initial temperature has subsided and the discharge has subsided and the discharge has slowed down and ceased) earache and tenderness sometimes with swelling behind the affected ear. In this case the infection has spread to the bone behind the ear. Since the collecting pus cannot now escape, operation is [illegible].

A type of deafness called obstruction deafness seen more commonly in older children is caused by mild infections in the nose and throat. The difficulty in hearing is caused by infection in the nose and throat. The difficulty in hearing is caused by obstructing the Eustachian tube (which runs from the throat to the middle ear). Your doctor can usually check the infection and relieve the obstruction, and this results in an improvement in hearing. Enlargement of the adenoids may also block the Eustachian tube resulting in some difficulty in hearing. Removal of the adenoids will relieve the symptoms in such cases.

Another common cause of defective hearing in children is the pressure of some object in the outer ear canal. Sometimes this is due to wax which can swell up overnight and produce sudden deafness. This wax can be removed by syringing the ear. In smaller children they may push small stones and such like [illegible] ears. No attempt except by a doctor since you may injure the ear lining or the ear drum.

ADULT POLIOMYELITIS

All adults up to the age of 40 years who are due for second or third injections of Poliomyelitis vaccine may receive this at the following centres.

This is also the last opportunity for any adult wishing to commence the course of injection at present.

Monday July 14 — Innisfree (Office) 10 to 12 noon.

Tuesday, July 15 — Ranfurly (Hotel) 10:30 to 11 a.m.

Friday, July 18 — Minburn (School) 2 to 3:30 p.m.

People who take themselves too seriously seldom enjoy life.

TULLIBY LAKE

Mrs. Ruth Ferris and Bill Newcombe are visiting friends and relatives down in Nebraska and Oregon. During their absence, Leslie is holding down the fort.

The Tulliby Lake Central School closed its doors for the summer holidays on June 27. A picnic was held that afternoon at the school grounds for the parents and pupils.

Jimmie Lee has once again left the district, this time to bale hay down near Lethbridge.

At present the municipal authorities are constructing some more badly needed all-weather roads in the district. The location this time chosen is from Forbes Park's east gate proceeding northward by Adamson's and Marshes' and concluding at Mollie Behrens' south east corner. This road will be used by Tom Carmichael's school bus next fall.

We are pleased to record the returning of Mrs. Louise Huntly from the Lloydminster Hospital. She received treatment on her previously broken hip and seems to have improved considerably.

Mr and Mrs. Allan Hewitt were Sunday visitors at the Charles Gull[illegible].

Tom Heishlem is in the process of doing a sizable quantity of brushpiling and breaking on the old Delahunty Ranch.

The Larson's and Park's organized a 'Trail Ride' last Saturday which was immensely enjoyed by all participants.

About 20 horseback riders journeyed over the virgin land of Leonard Park some 13 miles north of Onion Lake. The highlight of their day was a wiener roast taking place at the old Billy Woods log sh[illegible].

Charles Gullickson and Leslie Ferris made two trips to their favourite fishing spot on Ross Lake, coming home each time with a catch of 14.

[illegible] Johnson has a new house under construction. Willard's Electric of Marwayne are doing the wiring.

S. A. (Art) Marshall called briefly in the district last week.

Many Tulliby Lake sport enthusiasts enjoyed themselves on July 1st at the Onion Lake Indian sports day. Does seem too bad that cold air winds and rain always come along on that day.

What's On Your Mind?

You Can Discuss Your Problems in Confidence with
MARY KENNEDY

Travelling Daughter

Dear Mary Kennedy:

I am a twenty two year old girl, and the only child in the family. My parents are quite well off and have always given me the best of everything.

For the past five years I've been working as a secretary and I'm beginning to find the work dull. I thought of going to England for a change, find a job there and perhaps stay for a year or two. I have a couple of girlfriends who have gone over and they are anxious for me to join them. My parents are very opposed, and are trying to dissuade me. Although I can see their side, I feel it is time I was on my own for a bit. What should I do? I don't like the thought of disappointing them. 'Undecided'

Dear 'Undecided':

You pose the ever-recurring problem of the child who wants out of the nest and the parents who want to keep her under their wing. That statement is in fact unfair to the bird family who are only too ready to push their young out into the world and let them fly. It is the humans who tend to resist this normal process.

This reluctance takes many forms from 'you're not experienced enough to handle your own money', to 'suppose you were sick while you were away from us', to 'you owe it to your parents to stay with them.' However, before we are too hard on parents, let's remember that they have had many a worry about bringing up children, and from the vantage of their experience they are prone to see trouble ahead only too easily. As you have to grow up nevertheless, I think that while you should understand your parents' fear of losing you, you must also feel free to act as an independent person.

How best to set about it? One young girl of nineteen who came to me with a similar problem of achieving independence by keeping her own pay cheque. Previously she used to give all her money to her mother who provided her with everything. She decided instead to give a reasonable amount for room and board, and announced that in future she would buy her clothes to save on her own. Surprisingly her parents accepted this quite well, and began to treat her as an adult member of the family.

In your case, as you say your parents are quite well off, why don't you suggest to them how nice it would be for them to meet you for a holiday in Europe next year. This way, while carrying out your plan you turn your trip into an asset for the whole family by arranging a pleasant vacation for all. When after a few months you can show your parents around Europe, they will end by feeling proud of their travelled daughter.

* * *

You can write to Mary Kennedy, Mental Hygiene Institute, 531 Pine Avenue West, Montreal 18, enclosing a stamped addressed envelope.

Little sympathy goes to the man who feels sorry for himself.

All Aboard For The Big Fair Next Thursday, Friday, Saturday

Plans are now complete for Vermilion's 53 Annual Exhibition which will swing wide the gates on Thursday, July 24 and run for three gala days. Valuable improvements have been made in the grounds and entries are taxing every facility to the limit. Some of Western Canada's finest livestock will be seen and the hall exhibits and displays appear on the way to surpass all previous records.

BOYS AND GIRLS CAMP

One hundred and twenty-five boys and girls will register at the School of Agriculture on Monday, July 21 and will be here for the week, taking practical instruction under the guidance of Principal Palin and his staff. Entertainment features have not been forgotten and altogether the youngsters are assured of a wonderful five days.

They will be guests of the Fair Board for the three days of the Fair and will be special guests at a grandstand performance on Thursday evening.

GRANDSTAND ATTRACTIONS

Mr. Monte Adolphe, President of the Weyburn Exhibition Association was in Vermilion on Sunday last and states that the people of the Weyburn District are most enthusiastic about the wonderful shows staged by Tom Drake of Des Moines, Iowa in front of the grandstand. He makes no bones about stating that the 1958 attractions are the finest ever presented in Western Canada.

Being too numerous to mention individually, the acts have been moulded into two hours of real enjoyment for old and young and all district people are cordially invited to attend Vermilion Fair and to see the attractions [illegible] on Thursday at 2 and 7:30 o'clock, on Friday at 2, 7 and 9 o'clock and on Saturday evening. During Saturday afternoon some acts will be staged to give the judges of the Highland Games opportunity for placing their awards. If necessary two entire shows will be held Saturday evening.

JIMMIE SULLIVAN'S MIDWAY

The old stand by, J. P. Sullivan has new rides and shows to thrill our people and extends a cordial invitation to visit the midway whenever the opportunity offers. His Monkey Hot Rodder present a show that in itself is worth a trip to the Fair and there are other shows of the greatest interest.

SHEEP DOG PERFORMANCES

The famous George Armstrong of Calgary, former rancher and sportsman will be at Vermilion Fair for the entire three days and will have his marvellous dogs handle sheep just exactly as they should be handled. These performances will be held daily in front of the Grandstand at no extra cost to the patrons: the show will be included in the low cost grandstand admission at the regular prices. The sheep dogs will not be at any other Fair in the West during this season.

THE GRAND PARADE

Business men, organizations, owners of family cars and others are urged to take part in the monster parade, scheduled to line up in the WEST END of town NOT LATER THAN 10:30. the parade will move off under the direction of the well known marshall, Robert Allen promptly at eleven o'clock. Judges will place awards as the parade progresses and awards will be made at the grounds immediately the parade arrives.

Children with decorated bicycles, the family car and floats of any and all kind are altogether welcome and the parade should be the starting gun for Vermilion's finest fair in more than half a century.

THE HIGHLAND GAMES SATURDAY AFTERNOON

Answering a demand for the continuation of the St. Andrew's Highland Games the Fair Board, in co-operation with the local unit of the Army will conduct the piping and dancing events on Saturday afternoon, starting just before noon: numerous competitors have entered for the [illegible] and the swirl of pipes and the dancing feet of accomplished Scots will thrill all comers. The grandstand attractions will intersperse acts as required to enable competition judges to place their awards.

THE FAMOUS JEAN ALLANACH DOLL DISPLAY

Miss Jean Allanach of Mannville has kindly consented to permit a showing of her marvellous collection of dolls from all over the world: many of the dolls have been the gifts of persons in high places in the various countries of the world and every mother should arrange to have her daughters see this wonderful aggregation of dolls of every land. It will be on display daily at no cost to Fair patrons.

KINSMEN CAR DRAW

The local Kinsmen Club will hold a raffle for a car, the draw to be made in front of the grandstand as the closing event of the show on Saturday night: make sure to be on hand to see the magnificent grandstand attractions and to pick up the key for the smart little car which will be on display during the entire Fair.

Vermilion's 53rd Fair promises to be the best ever, all that is needed is for you to be on hand to greet old friends from far places and to enjoy a good clean show, replete with fun, frolic and solid entertainment.

Wrestling Card Saturday Night Attracting Wide Attention

The wrestling card that is to be presented in the Vermilion arena Saturday night, July 19th starting at 9:00 p.m. is creating considerable interest around the town and district.

The main event will be a tag match and best 2 of 3 falls with a one hour time limit with Al "Murder" Mills and Clem St. Louis taking on the Osborne Brothers.

A semi-final match will feature lady grapplers with Fanny Taylor of Vancouver and Yvonne Ormis of Portland tangling in the best of three falls with a one hour time limit.

Preliminaries will feature 30-minute bouts between the Grizzly from Alaska and Bulldog Anderson.

There is talk around town that promoter Jim Champion is trying to arrange a curtain riser bout with Billy McLaughlin taking on Lou McKernan and featuring Angus MacMillan as referee. If a contract can be signed in time this will be well worth the price of admission in itself.

So, folks, follow the crowds and join in the fun this Saturday night at 9 p.m. in the Vermilion arena. Admission: Adults $1.00 students over 10, 50c, children under 10 years free.

Educational Leadership in Local Communities Subject Of Address

Simon Simonson, school division superintendent and a member of the Rotary club, was the speaker at Friday's meeting. He spoke of the recent three weeks works conference of school superintendents from all over the continent, which he attended in Toronto.

The whole object of the conference, as Mr. Simonson expressed it, was towards the betterment of educational methods, curriculums, and to obtain more uniformity throughout the Dominion. Perhaps the greatest value of the course lay in the opportunity it provided for inter communication of educational ideas and practices between widely separated areas in Canada.

Seventy educationalists attended, coming from all over Canada with a few from the United States. It was the sixth such annual conference.

The speaker was introduced by Jack Kneale and thanked by Ashley Cooper.

Visiting Rotarians were Hans Bestvater of Lloydminster who was on his way for a vacation in California, Mel Lavold also of Lloydminster and Archie Good of Innisfail, an old timer of this district.

Other guests were Dr Bob Anderson introduced by Ross Booke and Louis Roy of Edmonton, introduced by Bill Cross.

The newly elected president Jim Robson was in the chair.

Prov. Park Rules

As a further service to readers, and in response to numerous requests, THE STANDARD will run a weekly feature of one Provincial Park rule.

Abide by these regulations and make the Vermilion Provincial park a spot for everyone to enjoy. It is for you to use — not to abuse.

No person shall deface ANY object in a Park, whether of natural formation or otherwise.

Lloydminster Band and Majorettes Here This Sunday, July 20

Vermilion and district people are in for a rare treat on Sunday, July 20 when the Lloydminster Citizens' band will play at the band stand in the park commencing at 2:30 p.m. Accompanying the band will be their Majorettes who gave such a smart display at the Lea Park bridge opening and in Edmonton Monday of this week at the Exhibition parade.

BEST MARCHING BAND IN THE PARADE

Taking part in the opening fair day parade in Edmonton Monday the Lloydminster band was adjudged the best marching rural band in the parade, so the crowd at the park on Sunday is assured of some exceptional entertainment. A collection will be taken to help defray expenses.

The entertainment has been arranged by the Vermilion Rotary Club.

New Cars in Stock Car Races Sunday

Sunday, July 20 will be another big day for local and surrounding district people as it will afford them an opportunity to see their favorite stock car drivers in action again. There is a big schedule planned for this day, with colorful "Fergy" flagging the boys on. Still more cars have been built and entries are coming in from Wainwright, Edmonton, Fort Saskatchewan, Marwayne, Lloydminster, Vermilion. Make this an outing for the whole family and enjoy the newest most daring sport ever. Starting time is scheduled for 2:30 and those who wish to have parking room for their cars around the track should come early to get the choice locations. So let's see you all at the Golden Speedway in Vermilion on Sunday, July 20.

Everyone Co-operates But The Weatherman For Park Program

Everyone co-operated but the weatherman for the visitors day at the Park on Sunday. Interest was high, the crowd was amazing for the type of day, the program was very good ... but oh that weather! A high chilly wind blew all day, the sky was overcast, a light drizzle fell off and on, but not enough to do any good. The weather prevented any swimming or boating, and wasn't too conducive to picnicking.

PIPE BAND DOES NOBLY

Filling in for longer sessions and doing nobly at entertaining the huge and appreciative crowd was the 'A' Co. Pipe band with Bob Allan as M.C. They played at two different times during the day rendering a wide variety of selections.

The program had been designed to allow ample time for swimming, boating and picnicking. [illegible] the weather [illegible] the Pipe Band [illegible] to keep the crowd interested [illegible] daylight hours.

In [illegible] Mr. MacPher[illegible] showing three interesting films, the screen being [illegible] in the band shell. [illegible] the films were [illegible] but [illegible] for the people from [illegible] parking space in front of the band shell being at a premium.

MANY REGISTER

People took a great interest in registering at the desk on the beach provided for that purpose. The number of visitors from distant points was amazing. Practically every province was represented as well as many of the States.

The prize winners for the day were: Largest family — Mr and Mrs Armand Bedard and 14 children from Tangent, Alberta in the Peace River country. They left three of their seventeen children at home. They also won the prize for those attending from the furthest north point.

Furthest east — Don Fawcett of Williamsburg, Ontario.

West — Marie Speer, Seattle, Washington.

South — Eugene Warren, San Francisco, California.

Oldest married couple — Mr and Mrs. Bert [illegible] of Vermilion [illegible]

[illegible]

Roy Jory, Veteran Grain Buyer Retires

W. R. "Roy" Jory, veteran grain buyer for the Searle Grain Company, has been superannuated after being in the trade for some 46 years. Roy has been an esteemed citizen of Vermilion since 1932, serving the Searle here for 26 years.

It was 46 years ago in Manitoba that Mr. Jory first commenced as grain buyer. Between then and now though he has taken time out for farming and for studying veterinary science at Kingston.

During the years that he has been here, most of the time during which Vermilion and district were without the services of a veterinary, Roy was called on constantly to help out the livestock men and farmers. This he did willingly and cheerfully regardless of weather or roads.

Before coming to Vermilion he was Searle agent at Islay from 1929 to 1932 and Vermilion agent from 1932 to the present time. Prior to his Islay appointment he had been at Hilliard, his first elevator after coming to Alberta.

Mr and Mrs Jory will continue to live in Vermilion which is truly home to them, and all their multitude of friends and acquaintances are pleased with their decision to remain here.

New Searle Grain Agent Takes Over

Succeeding W. R. Jory who is now retired Mr. Kl Killen is the new grain buyer at the Searle elevator in Vermilion. A married man with two children Mr. Killen comes to Vermilion from [illegible] near High River, Alberta. He brings to Vermilion some twenty years experience in the grain trade. He commenced his new duties here July 12th.

Split Fastball Double Header

Chilly, wet weather failed to [illegible] of the [illegible] that was on hand to watch the two [illegible] between the Vermilion Cardinals and the Edmonton Fallings on Sunday. In the first game Edmonton defeated the local ladies [illegible]. Lineup for [illegible] in this game was Betty Robinson pitching to Lil Thompson with Doreen McDougall at first, Pat Tyler at second, Edna Martin third, Eva Gordey short-stop and Hazel Barr, Roseanne Nelson, Lucille Thompson, Lila Porter and Helen Novak in the field.

In the final game Cardinals came back to defeat Fallings 9 runs to 5, much to the delight of the local fans. This game saw veteran Eva Gordey hurling to Lil Thompson, with the same girls backing them up.

Sylvia, Roger Rooks Commissioned At Salvation Army Training College

For the past nine months Sylvia and Roger Rooks, daughter and son of Mr and Mrs. F. T. Rooks of Vermilion, have been training for officership in Toronto at the Salvation Army College with 61 other cadets. Every year the session is given a name and this was known as the 'Courageous Session'.

On June 28th in Massey Hall Toronto the commissioning of cadets took place. Nearly 3000 people gathered to witness the ceremony. The commissioning was conducted by Col. Wiseman, Chief Secretary for Canada and Bermuda. At this ceremony each cadet was given the rank of Pro Lieutenant and told where they would be appointed to. Some were sent to social institutions with others going to field appointments or corps work.

Each year three or four girl Pro-Lieutenants are selected to stay in college as Sergeants, also two men Sergeants. Cadet Sergeant Sylvia Rooks along with three other girl Sergeants will stay in the school for the next session which will be known as the 'Pioneer Session'. This will commence on Sept. 9th.

During the summer months sergeants are sent out to take charge of corps while the commanding officers are on vacation. Pro Lieut. Roger Rooks will be travelling through the west as assistant to a previous sergeant.

On Sunday following the commissioning, June 29th, service was held in the Salvation Army Temple corps, Toronto. There was a dedication service in the afternoon when each young officer dedicated their lives for full time service to God as Salvation Army officers.

On Monday June 30th the Pro-Lieutenants had a final supper together with the staff. The next day some of the young officers left for the west to go to their appointments or for a few [illegible], others went east. They all appeared as one big happy family out to make others happy by the help of God.

Mr and Mrs F. T. Rooks and son Herbert of Vermilion attended the commissioning and dedication services.

Woodvale Couple To Live in Russia

(From Woodvale News)

Sgt. and Mrs. Bernard Port[illegible] of Ottawa have spent two weeks with their parents, Mr and Mrs. Harry Portsmith of the Woodvale district before sailing in August for Moscow, U.S.S.R. where Bernard will be attached to the Canadian Embassy. He has taken Russian language courses this past year specializing [illegible]. They travel [illegible] to London England and from there to Leningrad [illegible] and by train to Moscow.

[illegible] success is wished Sgt. [illegible] in his special assignment with best wishes for good luck, good health and a happy [illegible] two years while there. Everyone will be interested in hearing of their impressions and experiences when they return.

Dr. Richard B. Miller, Elk Point, Sweeps Prizes at Veterinary College

DR. RICHARD B. MILLER

Dr Richard Bell Miller, the youngest son of Dr and Mrs. Fred Miller of Elk Point, has graduated from Ontario Veterinary College, University of Toronto, with the degree of Doctor of Veterinary Medicine with first class honours.

In obtaining this high standing Dr. Miller made practically a clean sweep of the major awards including the following:

Andrew Smith memorial medal — awarded to the student of the graduating class deemed most proficient in the theory and practice of veterinary medicine.

Second General Proficiency Prize.

Small Animal Medicine and Surgery Award.

Holstein Friesian Prize.

This brilliant student has accepted a position with the University of Toronto for the coming year.

Dr Miller took his public and high schooling in Elk Point. He went from there to the University of Alberta where he spent four years, graduating with the degree of B.Sc in Agriculture. He then obtained actual experience in agriculture by farming in the Elk Point district near Long Lake, for four years. Finding that his interest centred in the care and welfare of livestock he registered with the Ontario Veterinary College, University of Toronto and has now completed the five-year course culminating in the degree of Doctor of Veterinary Medicine being conferred on him at the annual convocation.

Vermilion Air Cadets To Attend Sea Island Camp; Leave July 25

Twelve Vermilion Air Cadets will leave for the annual two weeks camp at the RCAF station, Sea Island B.C. on Friday evening July 25th. Prior to leaving each cadet is given a thorough medical examination.

The program to be followed is: Vermilion Cadets will meet at F. L. Manyluk's house on Friday evening July 25 at 8:30. From there they will travel by car to Wainwright where a sleeping car will be parked in advance awaiting the Vermilion squadron. This car will be connected to a special CNR train with cadets coming from Manitoba and Saskatchewan. It will leave Wainwright at 2:20 a.m. arriving in Edmonton at 6 a.m. Cadets from Mundare and Cold Lake will board the train there. It will leave Edmonton at 9:30 a.m. Saturday, July 26th and arrive in Vancouver 7:30 a.m. Sunday.

F. L. Manyluk of Vermilion has been detailed to act as officer commanding the train for the Alberta division of the RCAC, by Tactical Air Command headquarters.

Sea Island is an operational air station of the RCAF. The Cadets being right in Vancouver will receive many tours around the city and adjacent country.

The following LAC's are attending their first camp — D. S. Ackerman, W. A. Dixon, J. G. Ferguson, K. H. McDonald, A. Pool, T. R. Park, R. J. [illegible], M. [illegible] Ross, W. R. Watt.

The following boys are attending their second camp — LAC Dixon, LAC W. Brower, Cpl. A. Alfke.

The conducting officer is F. L. S. H. Manyluk.

INFORMATION re CLOTHING

The following is a suggested list of clothes necessary for the cadets to take to camp: running shoes, bathing trunks, 2 towels, sweater or windbreaker, service raincoat, button polish (silver), shoe polish, black shoes, belt, needle and thread, personal toilet articles including toothbrush, shaving kit, soap, etc.; T-shirts, gym shorts, lock with 2 keys.

The Cadets will wear their full dress blue uniforms to camp.

At camp the boys will be issued with summer fatigue clothing consisting of khaki pants and shirts for wear on the station.

FOR PARENTS: The following will be the proper way to address mail to the Cadets:

Air Cadet .... (Name).
No. 97 RCAC Squadron,
Air Cadet Summer Camp No. 3,
RCAF STATION Sea Island,
VANCOUVER, B.C.

(The above information on behalf of the Air Cadets is another public service rendered without remuneration by your community minded newspaper "The Standard".) 3-4

Sudden Death of Wm. Clark, Triangle

William Clark, aged 68 years, well known farmer of the Triangle district, died suddenly while on his way into the Vermilion hospital Monday, July 14. He had lived here since 1929.

Funeral services will be held on Thursday, July 17th at 2:00 o'clock in the afternoon at the First United church, Vermilion. Mr Hugh Farquhar, Clandonald student minister, will officiate.

Mr Clark is survived by his loving wife Margaret, four sons, William of Vermilion, Frank at Drayton Valley, Ian at Wainwright and James in Vermilion; two daughters, Mrs. Lou Matlock of Drayton Valley and Mrs. Howard Lumley of Derwent. There are four grandchildren.

Moyers are in charge of arrangements.

LEGION ACTIVITY

There has been a lot of activity around the Legion lately. First the hall was decorated so now we have a first class place for meetings, dinners, dances, etc. Then the Legion members and ladies' auxiliary members are busy on a float for the parade.

Road Tips

By "ROAD KNIGHTS"

When making a turn on the green light, right-of-way MUST BE GIVEN TO PEDESTRIANS crossing on the same light.

Canadian Legion Picnic Planned

The Vermilion Branch of the Canadian Legion is putting on a picnic at Vermilion Lake on Sunday, July 20th. It will be held at the baseball diamond starting at 1 p.m. There will be races, jumping, etc. for the children. Coffee will be available at 5 p.m. and ice cream for the youngsters. All Legion members, honorary members, ladies' auxiliary members and families will be welcome.

The regular fortnightly social evening will be held on Saturday July 19th starting at about 8 p.m.

Human Failure Is Basic Cause Of Farm Accidents

Alberta's third successive Farm Safety Week has been proclaimed by the Provincial Government as July 20 to 26. In their proclamation they express the hope that local authorities, farm organizations and farm families join in the campaign to reduce farm accidents and the accompanying economic loss and grief for those concerned.

Pointing to the 1957 toll of 62 farm residents killed, W. J. Perkins, Farm Safety Director, notes that 20 of the victims were below 10 years of age and another twelve were between 10 and 19. These accidents could have been avoided, he said. "We have to jolt people from an apathetic complacency towards farm safety so that it becomes a vital part of farm living."

Human failure is the basic cause of accidents. In nearly every case failure to foresee and correct a hazard is the real cause [illegible] loss of life or limb. Human shortcomings include hurry, improper care and use of equipment, false confidence and lack of knowledge.

During Farm Safety Week farm people are urged to check farm premises and practices, ever mindful that "when you work for safety ... safety works for you."

Double Hazard

Heavy drinking of hard liquor combined with heavy smoking boosts the risk of cancer of the throat and mouth, declares Dr. Ernest L. Wynder of the Sloan-Kettering Institute for Cancer Research, New York, mentioned in a report received by the Health League of Canada. A statistical study shows ten times the risk as compared with heavy smokers who drink moderately or not at all, he told the American Cancer Society. Pipe and cigar smokers who drink apparently are more susceptible. Beer and wine drinkers have not yet been studied.

The Average Lifetime

World wide progress has been made recently in lengthening the average lifetime, according to a report of the Metropolitan Life Insurance Company, received by the Health League of Canada.

Gains, generally, have been greatest in countries which formerly had the least favorable record, it is reported. Examples are Puerto Rico in which average length of life has increased by more than 22 years in a 15 year period, and Ceylon, where the increase has been even more dramatic, 17 years in an 8 year period. Mexico, Brazil and Thailand have also achieved marked gains amounting to about one year annually.

The increase has been only about a quarter of a year annually in India. The expectation of life at birth varies from a low of [illegible] years in India, 1941-'50, to a high of 72.5 years in the Netherlands, 1953-'55. Other outstanding records are 72.0 for Sweden in 1951-'55 and 71.0 for Norway in 1946-'50. Close behind follows Israel, England, New Zealand and Canada with 69.9 in 1957. The U.S.A. figure is 69.5 and the Soviet Union 64 years.

Sixteen Years Ago

July 16th, 1942

Rock Mead suffered a very badly crushed hand on Monday when he unknowingly placed it on the top of a fence post which was being driven down with a post maul. Rock thought the operations of that post had been finished. He was brought in to the hospital where the injured hand is being treated.

Vermilion's importance as an oil producing centre is gaining national recognition and this area is making a distinct contribution to the war effort. Tons of freight are being transported across Canada today by means of power generated by Vermilion oil.

Dr. Hume, Dominion geologist, visited the field this week and made a careful inspection of all operations.

The Vermilion and Myrnam Air Cadets left on the Sunday morning train for camp at Battleford.

The town of Vermilion is planning to provide a means of entertainment for the girls training here in the C. W. A. C. at the school of Agriculture.

32 Years Ago

July 13th, 1926

Miss Lillie Reid has been promoted to the principalship of the Vermilion public school, succeeding Mr Gourlay, resigned.

One Vermilion senior ball team took second at Vegreville sports on the first while another team gathered in second at Mannville.

C. W. Aikman, a former Vermilion tennis player, has been selected to represent the province of Quebec in the Dominion tennis championships to be played in Victoria. Mr Aikman was a member of the Bank of Commerce staff and won the Alberta tennis championship while here.

The temperature has consistently remained between 85 and 90 [illegible].

48 YEARS AGO

July 13th, 1910

Following the Mannville - Vermilion baseball game Monday evening "Jud" Brimacombe, the popular pitcher of the town team, was surrounded by members of both clubs and manager Glasford presented him with a cut glass water ewer and half a dozen glasses.

W. G. Waugh of the Brunswick and engineer of the town died here Sunday following a brief illness.

The building gang of the C.N.R. are at work here erecting a standard sized section house and accompanying outbuildings on the railway property just west of the depot.

On Monday before 18,000 people Jack Johnson, the colored champion defeated Jas. J. Jeffries after a hard fought battle of 15 rounds. Jim was trying to stage a comeback.

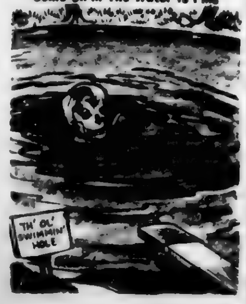
"Come On In The Water Is Fine"



"GREEN ACRES"

CUT HAY CROP EARLY

The [illegible] Experimental Farm has just announced that hay in dry years should be cut early even if the cut is light. When the hay is cut early a second cut is much better if the usual late summer rains arrive. Furthermore, the hay crop after blooming becomes very coarse and woody. There is not nearly as much feed value per acre now as there was two weeks ago so why wait any longer? There are a lot of hay fields in this district where haying has not been started yet. More money lost.

PURE BRED SIRE AREA

A year ago last May an order-in-council declared that swine be added to the Pure Bred Sire Act for the Municipal District of Vermilion River. It has now been agreed that this ruling shall come into effect on Nov. 1, 1958. This means that after that date no boars can be kept in the M.D. unless registered papers are in the possession of the owners.

It is understood that cross bred boars (Landrace and Yorkshire) are being purchased for use. This would be a violation of the Act.

FEWER HERDS, MORE PIGS

Reports from all over Canada indicate that fewer farmers are raising more pigs. It is cheaper to produce pigs in large numbers with labor saving devices and efficient feeding and management. Many pig producers will soon be raising litters from 20 sows or more. A number of farmers are operating 100 sow units now. The big operators have about taken over production of eggs and broilers and now it appears that pigs are going to be big business also.

FARM SAFETY WEEK

From July 20th to 26th we are having a Farm Safety Week in Alberta. This means one thing only — that we all be specially careful during safety week. In fact during haying and harvest we ought to aim at no accidents whatever. Take no chances. Even if you are tired take two steps and be safe.

The Homemaker

DONNA SHANTZ
District Home Economist
Wainwright, Alta.

Nature is just through freezing (we hope) and it is just about time for us to start. If you are planning to invest in a freezer this year, I'd suggest you do it soon, rather than wait till fall when fruits and vegetables are out of season. For the homemaker who is fortunate enough to have a freezer I have a few pointers on packaging. All frozen foods must be tightly [illegible].

MOISTURE — Vapour containers or wrappers to keep the moisture in and the air out. Please remember cellophane and plastic bags used in stores for packaging clothing and foods are not moisture-vapour-proof and not suitable for freezing. The same is true of ordinary household aluminum foil. Foods which are improperly wrapped will quickly develop freezer-burn, will become unattractive in appearance and lose flavor.

Use only packaging materials which are good. There is really no saving in inferior materials. The tried and true packaging materials include waxed wrapping (mostly in wrapping of meats) polyethylene, cellophane and pliofilm, aluminum foil (freezer weight) and the many freezer cartons.

Polyethylene and moisture-vapour proof cellophane can be obtained in [illegible]. Saran wrap is one type which is readily available. Most polyethylene and cellophane wrapping may be sealed by applying a warm iron to a sheet of paper placed over the wrapping.

Freezer cartons available are [illegible] or glass. The cardboard [illegible] quite popular as are the polyethylene. The latter are quite a bit more expensive but may be used many times.

Cartons which are round, have flared sides, or raised bottoms, waste freezer space. Glass jars are suitable but glass is very brittle when frozen. Leave ample head space and avoid bumping the jars against packages in the freezer. Another problem is that food must be thawed before it can be removed from containers with openings narrower than the body of the container. An excellent publication "Preserve By Freezing" is available from this office. Often your freezer has a good book with it. Follow the manufacturers' instructions for the care of your freezer and you will be repaid in frozen foods that are good.

Vermilion Elks Newspaper Bingo

Number drawn on Friday, July 11th, G 49.

B — 1, 9, 13, 14, 5, 12, 10, 2, 6, 7, 8

Ralph Rudd Raises Roof

MANNVILLE — That is literally what Ralph Rudd, local Treasury Branch agent was doing at Lake Wapasu, Innisfree, where he is constructing a cosy cottage. Casey Anderson of Edmonton also intends to build near the Coxford and Rudd locations.

The Rudd cottage will have two bedrooms, a wash room with sink and a kitchen, dining and sitting room with picturesque windows which will afford a beautiful view of the lake. The Coxford cabin amid the trees has undergone considerable improvement. Tile is now covering the floor, and the bedroom of knotty pine, striated plywood and other types of wood, is most attractive. Knotty pine is seen in the living room, while wallboard has been painted in becoming colors.

WOODVALE NOTES

Week end winds and dark clouds, but no moisture to speak of, while everyone is hoping they might yet get a real good rain, we certainly don't want one of those tornado-like washouts the Arnot Brown family encountered on their way back from the Calgary Stampede between Castor and [illegible]. Crops were flattened and washed into the ditches and water was running over the road.

There are quite a few who have taken long or short holidays, among them being Herman Wolters and Ethridge Webber who went by car to Dawson Creek and from there south through the State of Washington, going over more passes than ever before and seeing the Pacific for the first time in their lives; Mr. and Mrs. R. McQuid and their three boys taking a trip by car to Glacier National Park; Bill and Fred McGrath with Elmer and Frank Wolters went to see the Pioneer Exhibition at Saskatoon, finding it very interesting, also striking a very hot spell there; Chris Thomson had a look at the Peace River country while Mr. and Mrs. Cliff Oldenberg spent two weeks at Loon Lake in Saskatchewan with their two boys.

We also have quite a list of visitors to the district and imagine there must have been many more. Mr. and Mrs. Everett Isley and their two boys of Bowness were seen at the Tolland picnic — not always recognized by their old neighbors; John Portsmith of Port Coquitlam, B.C., stayed with his brother Bert and visited with his other relatives here; Mr. and Mrs. J. Halton of Camrose and Mr. and Mrs. Benoit of Vegreville and their four children came to see Mrs. Benoit's parents, Mr. and Mrs. Paul Goutier; Mrs. Joyce Knight of Champion and Miss Dorothy Wilson of Kelowna, B.C., both here for the wedding of their niece Irene Wolters; Mr. J. W. Coward of Easyford and Gordon Clark of Saskatoon were recent guests at the home of Mr. and Mrs. O. Wolters.

Mr. and Mrs. Harold Webber of Edmonton were down to take in the Rose Ball at the V.S.A. recently when they were among the special guests who graduated there 25 years ago. They visited at the home of Harold's mother, Mrs. Mabel Webber.

Mr. and Mrs. V. E. Bedard of Tangent, arrived in their truck accompanied by 13 of their 16 children at home, to see their daughter Antoinette, Mrs. Camille Goutier and family. This was their first visit to this part of Alberta and they enjoyed the trip very much. The boys had great fun snaring gophers, these being unknown in the Peace River country — but very plentiful here this year!

Mrs. Mary McGrath underwent an operation in Edmonton and was well enough to leave the hospital to stay with her sister a few days later. It is hoped she will be home again this coming week end.

Mrs. A. Anderson also was a hospital patient recently and is now home again.

When Mrs. Bill Wells was crippled by a rheumatic shoulder after a bout with the mumps, her grandmother Mrs. J. Ross came to help her and enjoyed looking after her three little granddaughters. Mumps are still around, Betty Ann Lyanns becoming a victim right after the Tolland picnic.

Elmer Wolters met with a painful accident when at a ball game someone jumped with their spiked shoes on his arm. After medical treatment and a rest it is healing well.

The Tolland picnic held on a beautiful day, July 2nd was attended by a record crowd who enjoyed the ball games and especially the last one, a very thrilling and well played contest between Tolland and Paradise Valley, the former team being victorious. There were more children competing in the races than in years past and a junior ball game between Preston and Woodvale was played, with the Woodvale boys winning. The booths did a record business and were pretty well sold out by 9 o'clock in the evening. We know the Red Cross ladies had only some coffee and four pieces of pie left and made a profit of around $96 as was revealed at their meeting on July 10, held at the home of Mrs. Van Wageningen. Nine members and two visitors were present. We were grateful for your help on the quilt Marjorie and yours with making sandwiches Margaret. It was decided to send the last three quilts made to the Unitarian Service committee, also $11 to CARE for a parcel needed in backward countries. Next meeting will be held on Aug. 7 at the home of Mrs. D. Seitz.

Now we conclude with very best wishes to Irene Wolters and Johnny Wasylik who were married on July 12th and at whose wedding many Tolland and Woodvale friends were in attendance.

The beaver has been known to build dams in Canada up to 14 feet high and several thousand feet long.

—Quick Canadian Facts

Mannville Lady, Pioneer of District Celebrates Her 95th Birthday

MANNVILLE — Belated bouquet is offered to Mrs. Elizabeth Gardiner who was 95 years young on July 1st. She was a [illegible] guest on that day at the home of an old friend and neighbor, Mrs. C. Mercer.

Born Elizabeth Johnstone in Dundee, Scotland in the year 1863, she [illegible] in [illegible] land till a young lady and then decided she would very much like to become a missionary. However, this was against her mother's wishes and she respected the same, registering instead for a course in nursing, which was not completed due to Dan Cupid taking a hand in matters. Meeting James Gardiner, whom she later married, proved an adventure for Elizabeth Johnstone, as they emigrated to New York in 1903, having relatives living there, and later, in 1906, to Canada — and naturally Mannville. While Mr. and Mrs. Gardiner waited for their homestead, their only house was a tent which boasted a board floor and walls but which became chilly oftimes. However, not too much time elapsed 'ere the Gardiners were owners of a farm in Forest Hills, north and east of Mannville. They became engaged in mixed farming in the good old days, Mrs. Gardiner going in for chickens in a big way. At one time she raised 700 of them in one year and that was really news in those days. Mr. Gardiner found that he had no ailing lady on his hands as they worked side by side to prove their land. They remained in Forest Hills district until the death of James Gardiner in 1937, and Mrs. Gardiner remained on the farm for one lonely year, then sold the property and stock and purchased a house in the town of Mannville. In 1939 she went on a trip to visit the relatives in New York, who would have liked very much for her to have made her home with them, but, says Mrs. Gardiner, "I wouldn't leave Canada or Mannville regardless of their pleas."

Following her mother's death, her father came to live in Canada where he stayed for the remaining twenty years of his life. Both he and James Gardiner are buried in the Mannville cemetery where stones have been erected for them.

Mrs. Gardiner has led a full life, is an ardent church worker and attends the services of the United church here. Despite failing eyesight, she knits beautifully, her socks last year winning a prize at the Hobby Fair in the Over Eighty class. She is able to distinguish forms but relies on people's voices to tell who they are. This 95-year-old woman is seen uptown every day, shopping and attending to daily needs. Her deportment is likened to that of the late Queen Mary, her back is actually that straight. When asked to what she attributed her longevity, Mrs. Gardiner had no special reason other than a good clean life. She has neither aches nor pains and her hair, naturally waved and silvery, makes her a picture as she wends her way downtown with a smile and a word for all. Mrs. Gardiner does all her own cooking and follows no special diet, eating what appeals to her taste.

As she graciously accompanied this reporter across her lawn, Mrs. Gardiner left one with the feeling that Mannville has something of which it may be very proud — it's early pioneers, and this one who was an example in her 95th year and still living alone. However, with the host of friends she has acquired over the years, Elizabeth Gardiner will never be alone.

TO

ALL HOLDERS OF

VICTORY BONDS

HONOURABLE DONALD M. FLEMING, MINISTER OF FINANCE

of the Government of Canada, announces an offer to replace all unmatured 3% Victory Bonds with new 4½% 25-year bonds, or with other shorter term bonds at other interest rates in accordance with the terms of the offering.

This Canada Conversion Loan of 1958 represents the largest financial operation ever carried out in Canada in time of peace or war. It is designed to re-organize over 40% of the National Debt on a basis which will provide a higher income for those investors taking advantage of it, and at the same time reduce for the Government the volume of financing to be done in 1959 and subsequent years through 1966.

All holders of unmatured 3% Victory Bonds (Canadians now own a total outstanding amount of $6,416 million) are now offered the opportunity to convert into the new non-callable

CANADA CONVERSION LOAN

OF 1958

4½% 25 YEAR BONDS

In addition

you receive an immediate

cash adjustment

In no case is the bondholder required to make any payment to convert into the new longer term bonds on which he will receive higher interest than on the old bonds.

YOU are urged to consult immediately with your investment dealer, bank, trust or loan company or other financial adviser about the terms of the conversion offer.

ALSO AVAILABLE:

- 4¼% 14 YEAR BONDS
- 3¾% 7 YEAR BONDS
- 3% 3¼ YEAR BONDS

Applications may be filed and cash adjustments received now. Be sure you share to the full in this unprecedented opportunity.

OFFICIAL CAMPAIGN BEGINS AUGUST 5TH FOR A LIMITED PERIOD

APPRECIATION

I wish to thank Dr. King, the matron, nurses and staff for their very fine care and kindness during my stay in the hospital. A special thanks to my relatives and friends who came to see me, and for the letters, cards and fruit received.

Mrs. M. Ruud.

Recent guests at the home of Jim and Bert Duncan were their two sisters Mrs. Robert Taylor from Toronto and Mrs. Chas. Foster of Creemore, Ont., and their youngest brother George Duncan of Dundalk, Ont. [illegible] Taylor was accompanied by [illegible] husband, and Mr. Duncan by [illegible] wife.

LOCAL NEWS

Old Timers To Celebrate Diamond Wedding

Mr. and Mrs. R. A. Brown, formerly of Vermilion and now of Edmonton, will be married 60 years and will be 'at home' to their friends and acquaintances at the home of their daughter Mrs. H. D Curtis at 12803-108th street, Edmonton, on Thursday, July 24th. Mr. and Mrs. Brown lived in Vermilion from [illegible] to [illegible].

Lieut. Dickson Farewelled

On Wednesday, June 23rd the members of the Home League of the Salvation Army met in the usual way. After the routine of business a social time was spent under the able leadership of Mrs. [illegible] and her committee. The program consisted of music and [illegible], then a presentation was made to Lieut. Dickson who has left to continue her work in Calgary. All regret her departure but her influence and Christian example will follow on.

Pro. Lieut. Vera Merrick will be here in the near future to assist Lieut. Morgan.

F/Lt. Steve Pus and Mrs. Pus from Montreal are spending their vacation in Vermilion, guests at the home of the former's parents, Mr. and Mrs. M. Pus.

Mrs. Bert Mead and family of Dartmouth, N. S. are visiting relatives in town and district this week. They will be joined later by Lt. Commander Mead of the R. C. N.

Guests at the home of Mr. and Mrs. W. H. Duncan this week are the latter's sister Mrs. A. D. MacDonald and daughter Mrs. Bertha MacMillan both from Ottawa.

Mr. and Mrs. Archie Good and the family from Innisfail were in town for a few days last week to attend the Roebuck-Svean wedding. Others in town for that happy event were Mr. and Mrs. Roland Roebuck of Creston, B.C.

Mrs. Nora Carey is in Fort Saskatchewan at present taking courses in typing and office procedure. While there she is staying with her brother Henry and Mrs. Powell.

Mr. and Mrs. Lee Hathaway spent from Monday to Wednesday at Miette Hot Springs.

Mr. and Mrs. J. H. McAuley and four children including the 1½ year old twins left on Sunday for their return trip home after visiting at the home of Mrs. McAuley's parents, Mr. and Mrs. W. B. Mix for two weeks.

Mr. and Mrs W. H. Little returned over the week end from a very enjoyable trip by car to Ottawa and Cornwall in Eastern Canada where they visited numerous relatives. At Cornwall they saw the vast St. Lawrence seaway project. On the return trip the visited the Case factory at Racine where Bill puts it, they saw how to make the best tractors better. Crops in the U S. looked very good, while those in Sask. are just the opposite due to lack of rain. A scene which they will long remember was that of the Gatineau drive in Que. where you obtain a view of some fifty miles of the Ottawa valley.

Rotarians and Little Leaguers Lock Horns

Members of the Rotary Club a hand picked crew, locked horns in a real baseball game with the team the club sponsors in the Little League. The fixture was played on the park diamond and was a rough tough play - no favors contest from start to finish.

Bill Sutherland lined up the senior Rotarians with a team that looked like a sure winner all claimed that they had played ball once upon a time. The old boys started out well and ran up an early lead but creaky joints and so-called old injuries showed up before too long with the result that the Little Leaguers came from behind to tie the score in the last inning at 7 all. No extra innings were played.

The Little Leaguers battery was Ross Marion to Kenny Friesell; old timers, Ben King and Jim Robson to Gordie Park.

On Thursday last, all of the Vermilion Rotarians and their wives who attended the convention at Grande Prairie this spring, were invited to the summer cottage of Mr and Mrs. Marshall Tindall at Sandy Beach, north of Lloydminster. There was a picnic lunch and then movies taken of them all on the bus trip north and home again, were shown by Mr. and Mrs. Tindall. Altogether a very fine time was enjoyed, thanks to the host and hostess.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. George Seuffert announce the engagement of their daughter Alice Beryl, to Mr. Claus S. Heckhausen of Vegreville. The wedding will take place at the First United Church, Vermilion, on Saturday, August 2nd, 1958, at three o'clock in the afternoon. Reception will follow in the church hall at 4 p.m. Friends and acquaintances please accept this as your invitation.

Mr. and Mrs. Tom McPherson and family from Red Deer arrived last Friday and are spending a week of their vacation encamped at the park lake.

Miss Dorothy Taylor has arrived from New York and will spend some time at the family home in town.

Mr Don Taylor, Diane and Robert are away on an extensive motor trip to eastern Canada. After spending some time visiting Clayton Taylor and family in Toronto the tourists continued on to Quebec and Montreal.

Mr. and Mrs. Louis Roy from Edmonton visited in town for a day or two last week.

Visiting old home scenes which she left 41 years ago was Mrs. Lily Calbick of Nelson, B. C. She is the daughter of Mr and Mrs. Alex Ioanin, homesteaders in the Vermilion district in the very early days. The family left here for Prince George and then went to Nelson B. C. Mrs. Calbick was only eight years old when she left here and had not been back since. She was accompanied by her husband Mr. E. A Calbick and their daughter

Mr. and Mrs. W. A. Dixon motored to Calgary for the last day of the Stampede, Saturday.

Bill Eckford spent last week end in Vermilion. He has recently sold his fur farm at the coast and his future plans are uncertain.

Recent visitors at the home of their cousin and wife, Mr and Mrs Alex Marion, have been Mr. and Mrs. Eugene Warren, Janice and Bobbie, and Marie Speer, all from Seattle, Wash. They also visited a sister Mrs. Wasslasko at Minburn. While here they enjoyed the Vermilion park beach very much and took home a prize from the picnic for the persons coming from the most westerly point.

Mr. and Mrs. E. Rooks and son Herbert attended the recent commissioning of Sylvia and Roger Rooks in Toronto. After attending the ceremonies they visited Niagara Falls, and then proceeded to Chicago where they called on Mrs Rooks' aunt, last seen in 1930 and other friends. The next stop was Gillman, Ill., the birthplace of Mrs. Rooks and where she grew up. The road then led through the badlands, the Yellowstone National park and home.

Rev and Mrs. Lester Fair and the children of Beck, Minn., are visiting in town for two weeks, guests at the home of Mrs. Robt Fair.

Mr and Mrs Freeman French, sons Jack and Dwight left Tuesday by car to visit at Kelowna and Victoria.

Mr and Mrs. Charlie Upshall and family returned last week from a very enjoyable holiday spent in Vancouver.

Mr. and Mrs. Stewart Wells of Walla Walla, Wash., were recent visitors at the home of the former's brother Mr Bert Wells and Mrs Wells.

Attends F. U. A. Meetings

Ralph Wilson was in Saskatoon recently attending a meeting of the Interprovincial Farm Union Council. Present at the meeting were delegates from Ontario, Manitoba, Saskatchewan and Alberta. Ralph was attending in his official capacity as a director for FUA District No 7.

Immediately following he went to Edmonton to attend a meeting of the Provincial FUA board.

Notice re Dining Hall at Fair

In order to assist in planning for the operation of the dining hall at the fair the conveners for the different days are listed below:

Thursday — Vera Barr, Ethel Rooks, Madge Callee.

Friday — Dora Caron, Eva Corley, Kay Stewart.

Saturday — Joan Manyluk, Vera Rampling, Helen Bell.

It would be greatly appreciated if those able to work would contact one of the conveners.

Pies and more pies are needed — please let one of the committee know on which day yours will be ready to be picked up. 2-2

Many Showers Honor July Bride

Miss Margaret Wilson was feted at a number of showers prior to her marriage to Mr. Gordon Bell.

In Edmonton Mrs. Millar Palmer and Mrs. Frederick Palmer entertained fifteen ladies at a miscellaneous shower at which Margaret received many lovely and useful gifts. After the gifts were opened and admired, a delicious lunch was served by the hostesses.

A surprise shower was held in Margaret's honor at the Namao community hall which was beautifully decorated for the occasion. Seventy ladies were present and all had a most enjoyable time. Following the unwrapping of the gifts the bride-to-be thanked all present and invited them to the wedding.

Mrs. E. H. Bell entertained a number of friends and neighbors at her Edmonton home at a tea held in honor of Miss Margaret Wilson.

FETED AT VERMILION

Mrs Ruth Barr, Mrs. Donna Kuzek and Mrs. Ashley Cooper were co-hostesses at a miscellaneous shower held at the home of the latter in honor of Miss Margaret Wilson, a July bride. The guests included a number of school chums of the [illegible].

Games and contests were played. The gifts were then presented in a prettily decorated basket.

After appropriate expressions of thanks by the guest of honor, the serving of lunch topped off a very happy occasion.

Visitors at the Clarence Wilson home for their daughter Margaret's wedding were the Misses Vic and Viv Sullivan, Mrs. Alice Davis and Eunice, Mrs. Radesh, Mrs. Mary Brass, Mr and Mrs. Tommy Knight, Pat and Kelly, Mr. and Mrs. E. H. Bell and Miss Donna Bell, all of Edmonton, and Miss Pat Hutchinson of Wetaskiwin.

DID YOU SAY YOU GOT THE MILK DIRECT FROM YOUR OWN COW?
I SURE DID! I JUST BOUGHT THE COW LAST WEEK.
WELL THEN SOMEBODY STUCK YOU WITH A DRY COW!
SLAM
GEE, I KNOW IT'S MIGHTY DRY HERE BUT ARE YOU A DEHYDRATED COW?

Happy Centre W.I. Win Cup

MANNVILLE — At the recent W. I. annual district conference, Happy Centre W. I. brought honor to Mannville by 'bringing home the bacon' in the form of a handsome cup to be in their possession one year. At this conference held this year at Vegreville, eleven W.I. groups competed for the cup. Submitted for judging were, a date loaf, a dress with set-in sleeves, knitted slippers, pillow cases and pot holders as well as a novelty entry. Happy Centre chose to make a simple Xmas table centre. Out of their six entries only one received second prize, the remaining ones winning first. So, a tip of the Standard hat to Happy Centre W. I.

Mannville Residents Enjoy Trip To New Seaway

MANNVILLE — Mrs. Townsend and Beckett Thompson have recently returned from a most enjoyable trip to Eastern Canada by car, after visiting relations there, and visiting the much discussed seaway while the opportunity presented itself. With them they brought best wishes from former Mannville residents to friends and relatives here, as follows: From Helen and Edgar Heggarty, to Aunt Martha and Uncle George; likewise from Leona and Bill Heggarty, to all friends, especially Mr. and Mrs. Buff Johnstone. Helen sent best regards to Mrs. Rutherford from herself and Beatrice, the latter being Mrs. Rutherford's goddaughter, and Edith and Jim Johnstone. The Eastern scenery was well appreciated by the Mannville citizens and they report the trip as being most worthwhile.

Northern Alberta Hereford Club Annual Tour

Monday, July 28 — 9:00 a.m.

DIRECTIONS: Tour will assemble at GEORGE GOLDEN'S "G Bar E" Ranch, located 25 miles East of the EDMONTON CITY LIMITS on Highway 14 to DEVILLE CORNER, then 3 miles North. (Tour sign will be placed at Corner.)

Special Attraction! Band of Registered Quarter Horses and Cutting Horses will be on display.

From "G Bar E" Ranch the Tour will proceed to CHARLIE'S PLACE, Tofield, then to the following Breeders' in the order they appear on this advertisement: 1, George Golden; 2, Earl Moore and Son; 3, C. J. Kallal and Son. DINNER. 4, Paul Kallal; 5, J. H. Brown and Sons, 6, Verlyn Moss; 7, I. Schacher and Sons; 8, Harold Weatherill; 9, Mel Wood.

SPECIAL NOTE: Following the inspection of the Moore and Kallal Cattle, dinner will be served, compliments of the above Breeders, at the farm of C. J. Kallal and Son at noon.

Immediately following dinner, the Tour will proceed to Paul Kallal's, Brown's and so forth, as listed.

DEAR FRIENDS — On behalf of the Northern Alberta Hereford Club, may I take this opportunity to extend a very hearty invitation to all — particularly to Breeders, Farmers, Ranchers, and a special invitation to 4H Club members.

Prizes drawn for throughout the day.
See You . . . TOUR DAY!
Yours,
HAROLD PAUL, President.

PURE BRED SIRE AREA

SWINE

Under date of November 9th, 1956 the Agricultural Service Board of this Municipality recommended the inclusion of Swine under the Pure Bred Sire Act. This recommendation was approved on January 8th, 1957 by this Council. The Provincial Government passed Order-in-Council No. 729 on June 1st, 1957, approving the same.

Therefore, it is now announced that Swine will be included under the Act from November 1st, 1958. It will be required from this date that owners of all boars of serviceable age must have registered papers for them.

HARWAYNE

At a christening service recently in the United Church, the following children were christened: Deborah Doris, daughter of Mr. and Mrs. Joe Tupper; Gregory Allen, son of Mr. and Mrs. W. Meiklejohn; Mardee Lynn and Mark Lionel, children of Mr. and Mrs. L. Arsenault and Kelly Blaine, son of Mr. and Mrs. Mac Hancock.

The weather was perfect and a good time was had by all when the Lea Park school had their annual Picnic on Friday, June 27.

Congratulations to Mr. and Mrs. Albin Swanson on the birth of a son, Grant Albin in Lloydminster Hospital, Sunday, July 6.

Mr. C. Barnes, Mrs. Barbara Franklin and family left by car last week with R. A. Swanson, driving to visit relatives in Michigan, U.S.A. R. A. Swanson will visit relatives in Chicago.

Congratulations go to Mr. and Mrs. Harold Berry on their marriage at Grace United Church in Lloydminster on Friday.

Also to Mr. and Mrs. John Spence on their Silver Wedding Anniversary on Thursday, July 17.

Mr. and Mrs. Ted Quist and family also Sidney and family have just returned from Salmon Arm B. C. where they attended the wedding of their son Freddie to Miss Sylvia McClean. Congratulations go to the young couple, Sylvia and Freddie are planning to attend Bible School for another term to complete their course.

Ella Doull has arrived home by air, from her 2 years teaching in Germany. The Doull family had a family reunion at Vermilion Park on Sunday, July 13, all the family being there with the exception of Vivian's husband J. Boyce.

Mr. and Mrs. John Spence are visiting with Tyson and Donna in Vegreville for the week end, and Mrs. Spence is going on to Edmonton.

Mr. Curtis was in Edmonton on a business trip. Roland Ford is working in Edmonton.

Mrs. Florence Homes is on holiday and Mrs. Reichenbaugh is taking her place in the Co-op store.

Mr. Fred Flewell has passed away in the Lloydminster hospital. He had gone to visit his old home in North Dakota but took ill while there and was brought back in serious condition.

One of Alvin Parker's prize winning Palominos 'vanished in the night' at the lease north of the river. No trace has been found.

A shower was held for Miss L. Baldwin in the Legion Hall on Wednesday, July 9 in honour of her marriage to E. Bodnar on July 19.

The F. W. U. A. meeting will be held Monday, July 28 at the home of Betty Hale. Plans will be completed for the Horticulture Show which will be on August 15.

Mrs. Doris Tupper and Mrs. Dorothy Milne attended Farm Women's Week at V. S. A. July 7 to 10th. Several more F. W. U. A. members went up for the last day and stayed for the banquet.

Lake Whitney will be echoing and re-echoing to the shouts and screams of the 100 girls this week who are attending the United Church camp there.

Canon Freeman held service in St. George's Church on July 6 when Rev. Potter was with the Scouts at Banff. There will be no service in St. George's on July 20. Mr. F. Ball will be here for service on July 27.

Mrs. H. Tupper returned recently from a week spent at Westlock looking after her daughter Olive's children when they went on holidays.

Islay Hospital Board Holds Monthly Meeting

The regular monthly meeting of the Islay Municipal Hospital board was held in the hospital on Thursday, July 3, 1958 at 2 p.m. with Messrs. Shirreff, Shaw, Garnier, Beckett and the secretary present.

Minutes of June 3 meeting and the financial statement were adopted as read.

Matron's Report. In hospital 8, admitted 19, discharged 20, remaining July 1, 7. Out-patients 7, births 2, deaths 0, operations, minor 2, X-rays 22, receipts $3463.91.

Meeting adjourned to meet on Aug. 5th at 2 p.m. in the hospital.

Bank Bal. June 1	$10,685.61
June Receipts	3,463.91
TOTAL	$14,149.52
June Accts. Payable	$ 2,942.70
Bank Bal. June 30	$11,206.82
Earnings Unp'd June 1	$ 4,840.87

'The Bible Today'

Imagine the surprise for a missionary arriving at his station in Africa to find a church building had already been erected and Christians had been at worship some ten years before he arrived.

Dr. W. J. Platt of the British and Foreign Bible Society said: "When first I personally visited the Adjurkru tribe I found that dozens of small churches had already been built before the arrival of any missionary. In many of them were English Bibles they had bought in local stores, but few, if any, of the folk could read them. Amongst the Aviam tribe I found one large church built under orders of the Chief toward which every member of the community had to contribute. For ten years they had awaited the coming of the missionaries. Now the Gospel of Christ is available in their own mother tongue.

This year a Gospel of St. John in Adjukru, and St. Mark in Avikam, has been made available.

NEWS from ISLAY

Rev. Stuart and Mrs. Faulks and son Eric called on his cousin Mrs. Moncrieff one day last week. They were on holiday from Burnaby, B. C.

Miss Betty Martin was home on the week end from Edmonton, also noticed Catherine Grout here too.

Mumps, child's disease? Not anymore when Jim and Wellington Barnett have just had them and they're both Grandpas. Also heard of another Grandpa who had measles. Times and circumstance change!

Congratulations to Gerald Inman who won honors in Grade 5 piano examinations. He is a pupil of Mrs. Batty of Kitscoty.

Word received from George Machell who is on a trip to England, going from Vancouver via Panama, is that he is having one grand time. 'Tea brought to your cabin every morning.' He met some fine travelling companions so is having a very pleasant [illegible].

Mr. and Mrs. Fred Glover and boys visited at the home of Mr. and Mrs. Jack McNeely on Sun [illegible].

Mrs. Edith Hutton returned from spending a week with her daughter and son - in - law, Mr. and Mrs. Iaert.

Mr. Bill McLean and Raymond Kowalski went to Edmonton on the week end taking the Thematic Display of the 4-H Grain Club to enter it in the Exhibition.

Miss Isobel Kennedy is attending summer school classes towards a degree.

Mr. and Mrs. Dalton Torrance and Linda were in Calgary for the week end.

Fill 'Em Up

Crackdown from Ottawa may hit candy makers who use packages too big for their content, warns The Financial Post. Government sources state that 70% of packages are 'slack filled'. Meanwhile, with sales lagging the candy makers are planning some major promotions.

Council of Vermilion River M.D. Deals With Many Matters

The Council of the Municipal District of Vermilion River held their monthly meeting at the office at Kitscoty on July 8 and 9, 1958. Present during the entire meeting were Reeve, J. H. Kelly, and Councillors J. W. Gordon, J. D. Stone, D. E. Wilson, P. McGuigan, F. H. Wheat and J. C. Anderson.

Having disposed of the minutes of the previous meeting the Council got down to the business of general administration. First of all they discussed the Court of Revision on farm land which had been held the week previously. The decisions of the Court of Revision were made available to the Council and discussed in general terms. Several minor adjustments were made to the assessments but on the whole nothing startling developed.

A by-law for the disposal of a legal sub-division of land formerly purchased for a gravel pit and no longer used as such was passed and another by-law for the purchase of a gravel pit was passed. A by-law providing for [illegible] for a power line on [illegible] Highway 41 [illegible] 15 in [illegible] was passed and a motion of [illegible] was given to the Canadian Utilities for an extension of the [illegible] R.E.A.L.

A by-law was passed concerning the purchase of land to provide for extra road width in the [illegible] road widening and [illegible] projects.

[illegible]

A [illegible] was [illegible] and a by-law for the sale of [illegible] was passed.

A [illegible] letter was sent to the Board of Public Utility Commissioners indicating that the Municipality did not wish to be represented at the hearing of the board in connection with the application by Canadian [illegible] Limited for the right of [illegible] part SW 29 [illegible]. A letter from the Board of Public Utility Commissioners for Alberta outlining the procedure to be adopted in making representation [illegible] the increase in rates for natural gas service by Northwestern Utilities Limited was read to the Council. The matter was ordered to be tabled and a copy of the letter sent to secretary of the Islay Community Association.

A letter from Westeel Products Limited concerning the exemption from Sales Tax of culverts purchased by the Municipality was read to the council. The news was received with pleasure by the council and it was ordered that letters of appreciation be sent to this company and to the Alberta Association of Municipal Districts.

It was moved that a committee be appointed to interview the Council of the Village of Kitscoty in connection with arranging for sewer and water service to the Kitscoty shed. It was also moved that a letter of appreciation be despatched to Vermilion Agricultural Society in acknowledgement of complimentary tickets received by Council for attendance at the annual Fair of the Society.

The report of C. V. Conarroe, road superintendent concerning his activities for the month of June was made available to the Council.

A motion passed to the effect that the necessary steps be taken to accomplish the widening of the C.N.R. crossing at the west approach of Kitscoty.

A by-law was passed concerning the purchase of a Domer Elevating Grader from Kramer Tractor Co. Ltd. of Saskatoon.

A letter was received from Richardson Road Machinery enclosing old documents pertaining to the cost of constructing roads in 1925 and these were made available to the Council. Instructions were given to file the documents in the Minute Book and a letter of appreciation sent to the Company supplying them.

It was moved and passed that [illegible] Anderson and T. Stock [illegible] be appointed Weed Inspectors to enforce the provisions of the Noxious Weed Act for a period of two months during 1958. A Pest Control Officer was appointed in the person of Horace Cunliffe for the Municipal District, his duties to commence on August 1, 1958.

A report concerning the activities of Paul Schaffer, gas inspector, for the month of June was made available to the Council.

A letter from J. K. G. Austin in charge of Administration of Homes for the Aged and Infirm Act concerning the cost of establishing a home in co-operation with other governments in the area and containing valuable statistics on the aged population was read to the Council who ordered it placed on file. The following motion was passed:

Whereas at present there is far more accommodation at Jubilee Home at Lloydminster than is at present required and whereas the cost of maintaining the aged from the Municipality in this home is comparatively reasonable and whereas the Jubilee Home in Lloydminster will accept persons from this Municipality as residents of the home now therefore be it resolved that the residents of this municipality be encouraged to avail themselves of the accommodation available and offered by the Jubilee Home and that the matter of providing for their accommodation for the aged in this area be tabled until such time as there is a proven need for another home of this type in this region.

Alberta Premier Seeks To Regain Alberta's Lost Oil Markets

Premier Manning has returned from another trip to Ottawa where he discussed Alberta's ailing oil industry with federal government officials.

Prime Minister Diefenbaker and Trade Minister Churchill gave him a sympathetic hearing, he reported, but they made no promises regarding federal action to regain some of the markets Alberta has lost for crude oil.

Mr. Manning said even most optimistic forecasts don't hold much hope for the future unless the Montreal area market is opened to western Canadian crude.

According to conservation board forecasts, available markets in 1965 will still absorb less than 50 per cent of Alberta's productive capacity. The premier says there must be a market for at least 60% to keep the oil industry healthy. He sees the Montreal refining area as the only market.

But the problem is this: Alberta crude must be transported to Montreal at prices competitive with crude from the Middle East, Venezuela and the U. S.

It would require an 1,800 mile $400,000,000 pipeline, but this wouldn't be feasible unless markets were guaranteed. If necessary, the premier says, Ottawa should create markets by restricting imports of foreign oil.

He says Ottawa may be waiting for an interim report from the Borden commission on energy before adopting a policy on the matter.

Meanwhile the case for Alberta oil, on which so many municipal grants depend, has been receiving little or no support from the seventeen Conservative members from Alberta. According to Hansard not one has uttered a peep in support of new markets for Alberta oil. The only champion of western problems has been Hazen Argue, CCF member from Saskatchewan.

Streamstown Farmer Dies

Frederick Flewell of the Streamstown district, passed away in the Lloydminster hospital on July 14th at the age of 74 years. Funeral services will be held on Wednesday morning at 11:00 o'clock at the United church in Marwayne with interment in the Marwayne cemetery. The Rev. J. Shortt of Kitscoty will officiate.

Mr. Flewell who had lived in the district since 1916, is survived by his loving wife Martha, four sons Clayton at Paradise Valley, William, Clarence and Ray all of Streamstown; four daughters Mrs. Walter Cruthers, Marwayne, Mrs. Alex Lattimer, Streamstown; Mrs. Gordon Leighton, Kitscoty, Mrs. Nels Peterson, Rayleygh, B.C. There are 22 grandchildren and fourteen great grandchildren.

Moyers are in charge of arrangements.

AIR CADETS TO PARADE

No. 97 Squadron, Vermilion Air Cadets, will parade in the Fair parade on the opening day of the fair, July 24th. Please fall in at the armories, 10:30 a.m. Full dress uniform.

Health Unit Notes

EARLY VISITS TO THE DENTIST

By the time Junior is 2½ or 3, he is ready for his first of many regular twice-a-year visits to the dentist. Why start so young? Cavities don't wait for children to grow up. Sixty per cent of 3 year old children already have tooth decay. If these cavities are filled while they are small, they won't get big. If they are neglected, the child may lose some of his first teeth before the permanent ones are ready to come in. This sometimes means that the second teeth are crooked, making it easy for tooth decay and gum disease, to develop.

Many mothers don't realize that the primary teeth are far less sensitive to pain than permanent teeth, and small fillings are practically painless. It's a good idea to start your child on the habit of regular dental visits at an age when they can be pleasant experiences. The child who makes a friend of his dentist at an early age, and who keeps having his teeth repaired while decay is in the first stage, will never fear dental work.

TOOTH DECAY

Tooth decay is most active during childhood, yet it is then that the growth of the teeth and jaws goes on. It will save many discomforts and even illnesses in later years, to see that the child's teeth are always in first class condition.

Regular maintenance of the teeth usually makes it possible to bring a child to adulthood without the loss of a single tooth. In Canada today, the average 16 year old has already lost two permanent teeth. This is needless, and is often the cause of teeth growing crooked, not meeting properly and not being able to chew well. Neglected mouths often suffer from gum disease, too, and it is a tragic, but no uncommon sight, to see people in their early twenties with complete sets of false teeth.

MOTHER'S PART

It is mother who makes the appointments, and it is also Mother who prepares her child for his dental date. It should be treated as a matter of fact, not a subject for discussion. It should be described like any excursion. Above all, Mother should not give her child the idea of fear. Many adults like to exaggerate their sufferings in the dental chair which may have been real enough in the days before the local anaesthetics were widely used. Never frighten your child by tales of torture or threats of the drill or anything else so silly. If you do, you will be storing up trouble for him and for yourself.

It is not hypocrisy, but quite true, to tell a child that if he goes to the dentist regularly and looks after his teeth at home he will enjoy his dental visits. Children brought up this way look forward to sessions with their friend the dentist.

Never try to fool your child. Don't tell him 'we are just going downtown', then suddenly swing him into the dental office without warning. If he is faced with corrective work like straightening the teeth, don't pretend that it won't be a nuisance. If your child trusts you he can take bad news.

DENTAL HYGIENE

Of course you have been telling your child to brush his teeth or rinse his mouth after every meal ever since he had teeth. But now the dentist will tell him too and Junior will begin to think that maybe there's something to it. It will be years before he will brush his teeth without urging but it should be possible before long to have him head for his toothbrush at the first reminder.

The reason it is so important to brush your teeth immediately [illegible]

BABY & PRE SCHOOL CLINICS

[illegible]

Near Record Crowd At Greenlawn Old Timers Picnic and Sports

A near record crowd attended the Old Timers' picnic on July 3. It proved a very enjoyable day despite being a little on the cold side.

The events started off with a peanut scramble for the under 6 year olds. Harold Curtis and Gerald Boyce scattered the peanuts. Races followed for boys and girls; also a free-for-all for the men and one for the women.

Horse racing, chariot racing and the 'event' of the day chuck wagon racing, were watched with keen enthusiasm. The ball games too had a goodly share of supporters.

The Dewberry ladies won all their games, beating the up till then unbeaten, Edmonton ladies 8 to 4. They will travel to Edmonton soon to play the Edmonton girls again.

The Dewberry Juveniles defeated Lloydminster and the men's ball team tied their game.

Results of the racing are as follows: Most of the names mentioned are the owners of the horses:

Boys' Pony Race — 1. Butz; 2. Laurenson; 3. Lynn Parr.

Men's Pony Race: 1. A. Bensmiller; 2. A. Bensmiller; 3. Vern Kaast.

Girls' Pony Race: 1. Carlson; 2. Judy Butz, 3. C. Grant.

Free-for-All — Three prizes to the A. Bensmiller horses.

Saddle Horse — 1. Malcolm Gray; 2. A. Bensmiller; 3. Ray [illegible].

Half Shetland Race: 1. Johnson; 2. Garry Mathison, 3. Garnier.

Shetland — 1 and 2. Bensmiller; 3, Dovey.

Work Horse Race — 1. Wayne Garnier; 2. Gilbert Mathison, 3. A. Gray.

Trot & Run — 1. G. Mathison, 2. Allen Gray; 3. W. Garnier.

Relay Saddle Race — 1. R. Butz; 2. Tom Ryan; 3. Ed West.

Shetland Trot & Run — 1. Stan Hartwell, 2. Dale Bensmiller; 3. Sharon Bensmiller.

Stake Race — 1. Tom Ryan; 2. Fred Sidener; 3. Gerald West.

Chariot Race — 1. A. Bensmiller; 2. Carlton; 3. R. Butz.

The chuckwagon race only had two entries, Carlton and Bensmiller. First was won by Carlton, 2nd Bensmiller. Both teams were well trained and well handled and it was a pleasure to watch them.

The announcer was Mr. John Anderson. The management has to repeatedly ask for the track to be cleared. It would be much better for contestants and onlookers too if the track was kept clear at all times thus eliminating any chance of a serious accident taking place.

Wrestling at Arena Saturday, July 19

The first wrestling card to be seen in Vermilion for many a year will be presented in the arena on Saturday, July 19th commencing at 9:00 p.m. Some of Western Canada's best known grapplers will be in action.

Heading the list will be none other than Al "Murder" Mills, [illegible] Anderson [illegible] Grizzly from Alaska, Osborne Brothers as well as lady wrestlers to round out a top notch program.

The wrestling card is being sponsored by the Knights of Columbus in Vermilion and full particulars will appear in next week's Standard. 2-3

C.G.I.T. Group Has Successful Year at Mannville

MANNVILLE — Princess Margaret Rose C.G.I.T. have received their chevrons for a successful year's work. Main highlights of the year were the study on Japan, a car wash, daffodil sale and culmination evening, not to mention several very gay parties. Daffodils which were sold came from Mr. Harold Hunter of Victoria, a former Mannville resident, who kindly donated the flowers to the girls. Miss Wlnik, Lillian Schock, Miss Gamble and the girls wish to thank all those who helped them achieve their purpose.

The Mission Band Explorers and Y.P.A. have also had a most pleasant and profitable year under the capable leadership of Mrs. J. Panter, Mrs. L. Kreller, Mrs. A. Rostron and Miss Elaine Rea and Rev. J. Holter.

CLANDONALD HALL

Showing at the Clandonald hall this week end Fri. and Sat. July 18 and 19 'Until They Sail' with Jean Simmons, Joan Fontaine and Paul Newman. Next week end July 25 and 26 a double feature "Hot Cargo" a thriller and "I Am From Missouri" a comedy. 3

G. J. ALPERS — MANAGER

Ottawa Walker Geo. Potvin At Banff

MANNVILLE — The genial George Potvin who is walking from Ottawa to Vancouver sent a letter to Ken and Linda Scoggins, which they received last Thursday, from the Banff Springs Hotel. According to the letter, George had given up hope of reaching his destination on July 5 as he had been delayed owing to the July 1st holiday, which he had overlooked. He sent best wishes to all with whom he had come in contact with on his visit to Mannville.

Kitscoty News

Mr and Mrs Gus Potter and family from Edmonton were visitors at the home of Mr. and Mrs Jack Potter and family.

Mr and Mrs Larry Watt, Gail and Daryl, were visitors at Biggar from Thursday till Sunday, visiting with Pearl's family there.

Mrs W Cowler went to Edmonton on business last week.

Mr and Mrs E. Joy were visiting their friends Mr and Mrs Fronmer at Edgerton for a few days during the week.

Mrs R Milligan and Robert were visitors at Mr. and Mrs. Henry Joy's over the week end. Robert remained down, for a further visit on the farm.

Mary and Hilbert Kuehn have been visiting for a few days last week with their parents at Neilburg and Kitscoty. Hilbert has graduated from his course and is now on the City of Edmonton police force.

Mrs Jackson from Trail B. C. and her two boys are also visiting with Mrs. Jackson's parents, Mr and Mrs. J Manson.

Mr and Mrs Norman McDonald were Kitscoty visitors at the week end.

Mrs Bert Dougan and two children are visiting with Mrs. Dougan's parents, Mr and Mrs Charlie Quinn.

Mrs. Manson was guest of honor at a tea given by the west-end ladies at the home of Mrs. M [illegible]. Mrs. Manson was the happy recipient of some luggage from these friends to use on her trip to see her son down east.

Little ladies can become tomboys in a flash but no harm can befall a party dress of "Terylene" which is easily washed and ready for wear with little or no ironing. This one with the demure ruffles is tied at the back with a big bow.

WILDWOOD EAST

Mr and Mrs Ben Ralston of Vancouver are renewing acquaintances in the neighborhood.

Mr and Mrs Aaron Horpestad are visiting their sons and families in the district.

Mr and Mrs. Ralph Shane of Edmonton are spending the week end with Alberta's parents, Mr and Mrs. D. A Drysdale.

Mr and Mrs Ernest Jack had a holiday at Cold Lake recently.

Mr and Mrs. Glen Shook and son Gerry of Vancouver are visiting Helen's parents Mr and Mrs. N. B. Bowen and other relatives here.

Mr. and Mrs. Alf Jack and Mr. and Mrs J. G. McKay are on a holiday to points west and north.

Miss Debra Pittman is visiting her grandparents Mr. and Mrs. Dick Sheldice.

Miss Eileen Jack is at present visiting her grandparents. She has obtained a year's leave of absence from the Edmonton School Board, much of which she intends to spend in Europe.

Master Howard Stoddart is holidaying with his grandparents, Mr and Mrs D. A. Drysdale.

The Payne children of Edmonton are vacationing with their grandparents, Mr and Mrs. Geo. Jack.

The Church service will begin at 2:00 p.m. this Sunday in Wildwood while the student minister Mr MacAovy is supplying in Lloydminster for Mr. Morris.

Vacation Bible school is being held in Watson hall July 14 to 18.

TORNADO RISK

Canada is lucky says Leonard Bertin, in The Financial Post. It lies right on the northern edge of twisterdom.

There are too few tornadoes each year of any magnitude for it to be worth the while of the weatherman even to keep count of them.

But there are a few that are indelibly stamped upon living memories.

They have left behind them trails of dead and dying, of wrecked farms and homesteads, useless crops.

There was, for example, the mid-June day in 1946 when the roar of a thousand rail cars thundered over the same area around Windsor and killed 17 people.

There was too the day in August, 1944, when a twister destroyed most of the town of Kamsack, Saskatchewan.

The oldtimers in Saskatchewan will tell you of a tornado in June 1912 that killed 28 and caused $5 million of damage.

What's On Your Mind?

You Can Discuss Your Problems in Confidence with MARY KENNEDY

OLDER PEOPLE

Among the problems that come our way, one of the hardest and at times the saddest is what to do for older people. All of a sudden mother, who got on very nicely despite her seventy years and a touch of high blood pressure, develops an incapacitating illness and can no longer carry on in her old way. Or the long, intimate companionship of marriage is broken by the death of one of the partners and how is the one left behind going to get along? Or grandfather has retired and just hates it, as he has always resisted the idea of leaving regular work and has refused to prepare for [illegible] leisure. Secretly he has [illegible] to die in harness.

The difficulty in [illegible] people is by no means usually because children are hard hearted and unloving. Often they just don't know what to do. And sometimes they want to do too much, tending to take over the lives of older family members. This is easier said than done. Parents who have been used to managing their own affairs just [illegible] automatically [illegible] and [illegible] others decide. They prefer their own way, even if their children are convinced it's bad for them.

One letter I have received says in part: "My parents have recently become a great problem to their married children. Both are in their late 70's living in an apartment and are independent and very proud, refusing to allow anyone to help manage their affairs or even keep the house in order. They won't listen to our advice that they give up the home which is too hard for them to keep up. Recently my mother has become absent-minded, calling us at all time of the day and asking the same questions repeatedly. She becomes upset about little things, harping on them constantly. She claims her memory is failing her but when something is sufficiently important to her she remembers it perfectly. This is very upsetting to us."

Now what comes across is a feeling of helplessness, anxiety and some irritation. The children seem to be pushing hard for a plan which looks good to them and they feel the parents are being most unreasonable by refusing to be helped in the way the family thinks best. The parents in their turn, feel hurt because they are not consulted and they are apprehensive at the idea of an unwelcome change.

Mrs. 'L' is right in feeling that the family have a [illegible] and I don't think they should hesitate to insist that their parents must have some help. For [illegible] people to accept the realities of life when they are placed reasonably and consistently before them, especially by those who love them. But why not, in this case leave the actual solution as much as possible in the hands of the parents. As they so very much want to stay in their own home, isn't it possible to stipulate only that they must have reliable household help? The mother has been able to manage till now, and the chances are that she can continue with assistance. It is often better as well as kinder, for older people to remain in their own setting. Moving them unwillingly can be very hard on them.

Mrs. 'L' doesn't say much about her mother's physical condition and I wonder whether she is getting good medical care. Is her diet adequate? Poor nutrition can in itself result in confusion and some loss of memory. We learn more every day about how to deal with the disabilities of older people, and the kind of care that keeps them as healthy as possible.

What I am trying to point out is that desire to fall in with the [illegible] of others where possible, an understanding of how painful abrupt changes can be, and some imagination, can often do wonders.

I would like to hear more from our senior citizens on this. I am sure they have some useful ideas. We can certainly do with more information and help on this subject.

You can write to Mary Kennedy, Mental Hygiene Institute, 531 Pine Avenue West, Montreal 18, enclosing a stamped addressed envelope.

500 Farm Fatalities Each Year

National Farm Safety Week July 20-26

It is the general custom to pause briefly and reflect, out of respect for the dead. Frequently at various functions such procedure is carried out in honour of those who have passed away. Would that your pause during Farm Safety week would be to thoughtfulness, that you might prevent death.

Thoughtlessness is the greatest contributing factor to the some 500 farm accident fatalities occurring throughout Canada each year. More and more the Canadian people are becoming aware of the evermounting number of fatalities on the farm. The numerous intensified safety campaigns continually being waged against motor vehicle accidents have so saturated everyone that the time-worn phrase, 'Better safe than sorry' has lost much of its punch. It is, however, most gratifying to realize that both town and country people all over Canada and the United States are actively concerned with farm safety.

The Province of Saskatchewan's Department of Public Health has concerned itself with this rural condition since 1952. The Province of Ontario's Department of Agriculture is now developing a farm Safety Council within its own activities. Saskatchewan, from its experience, headlines 'Tractors, Not Farm Beasts, Now Cruel Risk.'

Farm Safety Week — July 20 to 26, 1958, has been instituted on a national basis by he Canadian Federation of Farm Equipment Dealers, assisted by its Provincial Association affiliates. These dates are also the corresponding dates for the National Farm Safety Week proclaimed by President Eisenhower for the United States, making this an international cause. Primarily, the motivating power behind this movement was the Farm Equipment Institute based in Chicago, an organization embracing the manufacturers of farm equipment. Farm Safety, as is well known, has spread to become one of the chief concerns of numerous Association, Organizations and Government bodies.

Canada's Farm Safety Week is supported by Prime Minister Diefenbaker on behalf of the Government of Canada and by each of the Provincial Premiers. Statements by these honourable gentlemen as well as parliamentarians and social and business leaders will be made, leading no doubt to increased support and activity.

When it comes to designating various weeks to such and such causes, it must appear to many people that the 52 weeks in a year are barely enough. Regardless of all other, the intent, purpose, and desire of Farm Safety Week is most certainly worthwhile. In fact, one week is by no means sufficient.

Tragedy through accidental deaths, and hospitalization caused by accidents, brings sorrow and suffering to such a vast number of Canadians annually, that any effort at reduction would be welcome. This age of mechanization, when applied to agriculture, has been a great blessing to farm people: for it has reduced the working time, the arduous labor and the almost unsurmountable tasks, to succeed in increased production so badly needed. Agriculture has always been Canada's mainstay, and in such an expansive country, with unlimited possibilities for the agriculturist, he must be protected.

Continually we are being informed that Canada's farm population is dwindling. Let us never hesitate to at least put forth every effort to protect those who do choose the production of food for the nation as their chosen vocation.

The foregoing might possibly create the inference that the farm equipment industry interests itself in the matter of farm safety because of a feeling of guilt. This most definetly is not the situation. Designers, engineers, manufacturers, distributors and retailers, use the utmost ingenuity to build and produce equipment that is the ultimate in safety. Because of their close proximity to the actual happenings and the ever present demand for their interest, they are much more conscious of the need for an educational programme.

Available information reveals that the majority of farm accidents are the results of improper use or thoughtless employment of the machinery. The declaration of National Farm Safety Week is therefore designed to alert the greatest number of people to the requirements and need for an ever present sound of warning and an educational policy to increase the efficiency and decrease the fatality.

NATIONAL FARM SAFETY WEEK

July 20th to 26th

Don't Let Neglect Cause An Accident On Your Farm

Most farm accidents can be prevented.

Surveys show that the basic cause of farm accidents is human neglect. Coupled with haste, false confidence and lack of knowledge, the greatest hazards are improper equipment, improper care and use of machinery, and "putting off" needed repairs on the farm buildings.

Tractor Care — How Do You Rate?

Many farmers don't take proper care of their tractors. This charge was made by an agricultural engineer at the University of Illinois who surveyed sixty tractors in operation in that state. He and associates checked on five important maintenance points. Here's what he found:

Tire pressure: Guilty in 51 out of 120 rear tires; 33 out of 120 front tires were overinflated. If a rear tire is underinflated four pounds its life will be shortened one-fourth. Checking tires is a twice-a-month job.

Crankcase breathers: Guilty in 32 out of 54, and 12 breathers were plugged with dirt. Breathers let gases that slip by the pistons escape. If plugged, the pressure may blow a gasket. Check the breather every month.

Air cleaners: Guilty in 17 cases out of 60. Cleaners need daily care.

Ignition systems: Guilty in 27 cases out of 55. Power loss, fuel loss and hard starting are the penalties. Points should be checked a least three times a year.

Batteries: Guilty in 27 out of 58 cases. Sixteen batteries had no liquid above the plates. When the water is low, the battery is permanently damaged. Water should be checked every two weeks. tf

ALBERTA FARM SAFETY WEEK JULY 20-26

- FALLS cause most Farm Home Accidents.
- STAIRWAY falls can be prevented.
- PROVIDE adequate lighting for stairways.

KEEP STAIRWAYS CLEAN AND WELL LIGHTED

GOING UP OR DOWN—Look where you step and use the handrail. Keep stairways well lighted; when you have to use a dark stairway, hold the handrail and feel your way from step to step. Walk—never run. Take extra care when wearing high heels, mules or clogs.

CARRY OBJECTS SO THAT YOU CAN SEE where you are stepping. Never try to carry anything else when you are carrying a baby on stairs—keep one hand free to hold the rail. Use a covered container to carry scalding liquids; be especially careful when carrying glass or sharp objects.

KEEP CHILDREN FROM PLAY ON STAIRS, sliding on banisters, or climbing on stair railings. Where there are toddlers, install gates at head and foot of stairways. See that young children don't carry glass or sharp objects. Teach them to keep their toys off stairs and landings.

When You Work For Safety - Safety Works For You

News from Dewberry

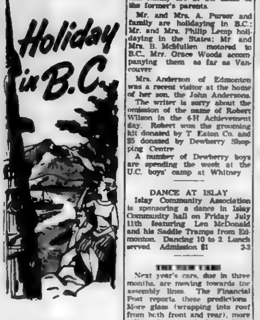
Prime Minister Endorses Farm Safety Week

Prime Minister John Diefenbaker has issued the following statement regarding National Farm Safety Week:

"I am pleased to endorse and support Canada's National Farm Safety Week, being sponsored by the Canadian Federation of Farm Equipment Dealers, July 20 to 26.

"The initiative taken by this organization comes at a most opportune time. I appeal to all farm people to consider seriously the responsibility which is theirs in the care and operation of farm equipment and in coping with the other hazards that effect the safety of the farm population.

It is my earnest wish that every Canadian citizen will support this campaign towards the protection of life and limb in the pursuit of agriculture."



Holiday in B.C.

Go CNR . . . The Scenic Jasper Route!

British Columbia . . . Canada's Pacific Coast Paradise . . . famous for its invigorating sunshine and balmy ocean breezes . . . offers a "holiday bonus" this year with province-wide Centennial celebrations.

There's sports and entertainment, colorful pageants . . . The Festival of the Arts, The Naval Review, The Pacific National Exhibition . . . and many other events.

Travel Canadian National Railways — the easy, relaxed way — and thrill to the breath-taking mountain beauty of the picturesque Jasper Route.

CNR

Congratulations to Mr. and Mrs. Bob Braithwaite on the birth of twins, a girl and a boy, Brenda and Bobby. Also to Mr. and Mrs. James Elliott on the birth of a ten pound boy.

Congratulations to Mr. and Mrs. Neil Thomas (nee Joyce Parker) who were married on July 3rd.

A speedy recovery is wished Nixie Curtis, Jim Ryan and Betty Mathison who are patients in the Islay hospital.

Jim Ryan hurt his leg at the Old Timers' picnic July 1 when he jumped off his horse while he was a contestant in the relay saddle pony race.

Mr. and Mrs. Jim Munro and boys of North Battleford, are visitors at Jim's parents home. They also visited Mrs. J. Munro's mother who is a patient in St. Joseph's hospital, Edmonton.

Mr. and Mrs. Philip Maddex and family of Wainwright visited at the latter's parents, Mr and Mrs. Mulgrew, and at Philip's relations.

Miss Diane MacGillawee was a visitor at the MacGillawee home.

Mr. and Mrs. Clarence Axley and family are at the home of the former's parents.

Mr. and Mrs. A. Purser and family are holidaying in B.C.; Mr. and Mrs. Philip Lemp holidaying in the States; Mr and Mrs. B. McMullen motored to B.C., Mrs. Grace Woods accompanying them as far as Vancouver.

Mrs. Anderson of Edmonton was a recent visitor at the home of her son, the John Andersons.

The writer is sorry about the omission of the name of Robert Wilson in the 4-H Achievement day. Robert won the grooming kit donated by T. Eaton Co. and $5 donated by Dewberry Shopping Centre.

A number of Dewberry boys are spending the week at the U.C. boys' camp at Whitney.

DANCE AT ISLAY

Islay Community Association is sponsoring a dance in Islay Community hall on Friday July 11th featuring Len McDonald and his Saddle Tramps from Edmonton. Dancing 10 to 2. Lunch served. Admission $1 2-3

THE NEW CARS

Next year's cars, due in three months, are moving towards the assembly lines. The Financial Post reports three predictions: More glass (wrapping into roof from both front and rear), more solid colors, much lower lines, same price. One certainty. Many small changes will be made to get away from this year's look.

TULLIBY LAKE

A few evenings ago when Mrs. Everett Morton was looking through a paper she found a rhyme that went something like this:

'Black Magic' I cried with a chuckle,

While visiting old farmer Scudder.

To stuff hay in one end of a beast

And draw milk from the udder.'

Raymond and Demase Nolin are preparing the cement foundation for their new house.

Mr. and Mrs Gordon Brown of Edmonton are visiting friends and relatives in the district.

Several Tulliby Lakites journeyed down to Lloydminster on the evening of July 5 to see and enjoy Wilf Carter and his group.

July 9 saw several from this area enjoying the rodeo at Onion Lake.

Miss Freda Morris is spending a one month holiday at home.

Many local residents paid their last respects to Dr. Elizabeth Matheson on July 9.

Mr and Mrs Arthur Fortin Jr and family left Friday for Calgary where they will visit with Mrs. Fortin's parents, Mr and Mrs R. W. Connochie and attend the world famous Calgary Stampede.

Confession?—Ask The Man Who Goes There!

Catholics go to Confession to a priest for one reason only: to obtain divine forgiveness for their sins.

But why, you ask, go to a priest? Why not confess our sins directly to God?

Ask the man who goes to Confession and here's what he will tell you: Sin is an offense against God, it must be forgiven by God. It is God, not man, who determines how forgiveness must be obtained. Christ plainly pointed this out when He empowered His Apostles and their successors to forgive sins or to refuse forgiveness.

"Whose sins you shall forgive," Christ said, "they are forgiven them; whose sins you shall retain, they are retained." (John 20:21-23). Thus Christ authorized the Apostles, and their successors, to pardon or to deny pardon as they judged the sinner worthy or unworthy. To do this they had to know what they were forgiving . . . the secret dispositions of the sinner . . . his sorrow and willingness to repair the wrong done to his neighbor by his sins. Who could make this known but the sinner himself—and what is this but Confession?

But Confession—the Sacrament of Penance—is only one of the seven Sacraments Christ left in His Church. Yes, seven—no more and no less! Christ's religion is not merely a message to be accepted, but a life to be lived—from the cradle to the grave. Christ's seven Sacraments are the answer to man's seven basic needs.

Man is born, but he needs to be reborn a Christian in the Sacrament of Baptism. He is nourished, but he needs Christian nourishment in Holy Communion, the Sacrament of the Eucharist. He grows, but he needs to grow and be strengthened in Christian life by the Sacrament of Confirmation. He is cured of disease, but he needs a remedy for sin, so destructive of Christian life, and this he finds in the Sacrament of Penance.

Man lives in society which needs officials to promote the common good—and for his life in the Church, he finds officials provided by the Sacrament of Orders. He perpetuates the human race in marriage, which Christ made the Sacrament of Matrimony. And at death, he needs consolation and strength for the last dread hour which he finds in the Last Anointing—the Sacrament of Extreme Unction.

Would you like to know more about each of the seven Sacraments? How they can help you to meet the seven basic needs of your life? Then write today for a free pamphlet which gives important information concerning them. Ask for Pamphlet No. 5-N.

WILDMERE WINKS

Sorry folks, no Winks last week as we were so busy with picnics and conference we could not wedge them in, but will try and catch up with the 'doings' in our corner this issue.

On Sunday June 29th Miss Benta Hill of Moose Jaw, Sask., who was visiting at the Holte home gave the children's story at church. Later she and Mr Robinson sang a duet which everyone enjoyed. Church services are fast slipping by folks. Do make an effort to come out and give encouragement to our student. See you all Sunday.

Rev. Blaine Smith of St. Walburg Sask., made a couple of flying trips to Wildmere last week. He also called in at the Tolland picnic. He purchased a smart orange colored Volkswagen car in Lloydminster and is coming to visit around in these parts in a couple of weeks.

Everyone is pleased to hear that Mrs Geo. Symes who has been so ill for a long while is showing some improvement after a recent operation in Edmonton. All her friends and neighbors wish her a speedy return now to health and home.

On Monday June 30th a nice crowd attended the 4-H Calf club meeting held at Frank Gibson's farm. Mr Buckingham gave some good advice to the girls and boys on preparing their calf for [illegible] ring. Later a picnic supper was enjoyed on the lawn.

Tolland picnic was held July 2 with a nice attendance. There were some good ball games and races. Preston school team won second. A good booth was on the grounds. A dance in the evening brought the day to a close. Congrats Mrs M. Webber on winning the heifer.

We are all sorry to hear that Mrs. M Rund of Tolland and Mr Wilson Ford of Vermilion have both been hospital patients suffering from jaundice. Both have returned to their homes again. Mr and Mrs. Ford had been visiting their daughter and family Mrs F Gibson of Basswood when he took ill. Good luck to you both from all your friends.

Mr and Mrs. Roy Dibben of Basswood took a few days holidays going out as far as Jasper. Mrs Geo Dibben stayed with her grandchildren while their parents were away.

Mr and Mrs W J Garnett of Basswood accompanied by their daughter Anne and son Roy also took a short holiday last week.

Six members of the Wildmere W. I. attended the Vermilion-Alexandra conference held at the Vermilion Agricultural college. Mrs. A. Holte was Wildmere delegate and Joan Hughes for the Wildmere Beavers Girls' club. We are pleased to report that Mrs P Sloan is constituency convener for another two years. Handicraft was much improved this year. Hearing Mrs. Howes' cheery report of her trip to Ceylon and last but not least the good dinner with no dishes to wash afterwards made the conference very enjoyable and much worth while.

Mrs J M Smith of Vancouver is here visiting her sons Bill, Adam and Albert and daughter Mrs C Cruthers. She is accompanied by her niece Mrs N. Millar of Victoria, B.C., and Mrs. Millar's two grandsons Roderick and Alexander Millar.

Jimmie Dibben and George Garnett both of Basswood attended the church camp at Lake Whitney both going up with Mr. [illegible]

Robert Dibben of the University hospital is here visiting his brothers and sister Mrs. W. T. Garnett. We hope our hot sun is beneficial to you Robert.

Miss Maureen Cruthers is at present working at the home of Mrs O Strome north of town; Marie Smith is working at the Gibson home in Basswood; Betty Smith is working for Mrs Geo. Webb Jr in Vermilion; Helen Newman is helping out at the L. Howard home in Wildmere.

Miss Marlene Smith, nurses aide at Claresholm hospital is home for a month's holidays with her parents, Mr and Mrs. Albert Smith of Basswood.

Mrs. Thos Cairns of New Westminster, B.C., who has been visiting at Saskatoon and Edmonton came to Wildmere with Mr and Mrs. W. J Garnett on Friday July 4th and has been visiting at the Holte home. She spent Thursday afternoon at the Wallington home and is going to visit Mrs Jim Ross of Turkey Hill district before returning to the coast. Mrs. Cairns lived for many years in Wildmere. It was nice visiting with her again.

Wildmere curlers held their annual picnic on Friday, July 11 with a nice attendance. Two ball [illegible] thus making it hard for the sports committee to keep things going. However the Little Leaguers of Auburndale and Wildmere gave lots of amusement. The ladies furnished a good supper on the grounds and a well stocked booth was in operation. Wildmere W.I. held a small bingo. A dance in Basswood community hall in the evening brought this yearly event to a close. Jeff and Fred Martin furnished the music for the dance and Clem Sweeney was M.C.

Congrats to Mr and Mrs. R. Lumley (nee Alice Clark) on the birth of a daughter.

Several children out this way are taking swimming lessons at Vermilion park again this summer.

Little Diane Smith of Edmonton, daughter of Mr and Mrs. Norman Smith, is spending her holidays with her aunt Mrs. Cruthers and family.

Kenneth Schroeder of Surrey, B.C. is visiting his aunt and uncle Mr and Mrs F Gibson of Basswood.

Mr and Mrs Wm Coburn and family of Vancouver Island have been visiting Mr Coburn's sister and family Mrs. Lloyd Howard of Wildmere and his brother Howard Coburn and family of Battleview district.

July Bride Showered At Dewberry

DEWBERRY — Close to fifty ladies gathered at the Parker home on June 30th to honor Joyce Parker bride-elect for July. After a couple of contests Mrs. W Curtis presented a box filled to overflowing with gifts and expressed the wish of all present for the future happiness of the bride and groom.

[illegible] the groom, Neil Thomas, is a fish and game warden. Mrs. Stuart Woods made the box of white and green to represent a forest and decorated it all around with cut outs of wild animals and fish. The groom was called in to see it and he along with all present, admired the beautiful work.

Mrs. Parker mother of the bride and Miss Leona Mathison, helped Joyce to open the gifts. Miss Lily Krawchuk, herself a bride-elect for July, recorded the gifts.

Joyce and Neil both thanked all for the beautiful gifts and invited everyone to the wedding dance on July 3rd.

A delightful lunch was served by the co-hostesses Mrs. Curtis and Mrs A Purser assisted by several ladies.

OUR LETTER FROM EDMONTON

1959 Looming As Probable Provincial Election Year

by KEN MASON

EDMONTON — If [illegible] was [illegible] doubt about next [illegible] being a provincial election [illegible], it should be dispelled by the news [illegible] the Social Credit party is busy lining up candidates.

The only one chosen so far is Marion Kelts, who will run in the Acadia - Coronation riding, but plans are being made for several more nominating conventions this fall.

Social Credit has a lot of catching up to do after the 1955 election, and the strategy appears to concentrate first on ridings the Socreds lost at that time. Party officials last week said their plans call for early nominations in constituencies which were snatched away by the Liberals in 1955.

Acadia - Coronation was a Socred stronghold for 20 years until three years ago when Liberal Lee Sims beat out Clarence Gerhart, former provincial treasurer.

Meanwhile, party officials are working hard on bolstering the S.C. organization for an all - out drive to recapture the seats lost in 1955 and to counteract any effects of Social Credit's annihilation in the federal field last March.

C. C. F. NOMINATE 4

Not to be left out, the C. C. F. party is also busy preparing for a vote next year. Four candidates have been nominated so far: Robert Carlyle, Lacombe riding; Archie Olstad, Camrose; David Garland, Wetaskiwin and Chas. Kelly, Lac Ste Anne. The first three are in ridings held by Social Credit, while Lac Ste Anne is in the Liberal camp.

NEED LEADERS

Liberals and Conservatives meanwhile, have to find provincial leaders before they can start girding for battle. Constituency organizations of both parties are naming delegates for leadership conventions that are scheduled for later this year.

By the end of the year, the province should be well on the way to a rousing election campaign, although the government probably won't call a vote officially until the Legislature meets again.

Likely issues of the campaign: municipal finance (again), oil and gas royalty dividends, and proposed increases in the domestic price of natural gas.

EGG BALLOTS TO BE MAILED AUGUST 4

Voters lists for the August egg marketing plebiscite were completed last week. Some 350 enumerators have been calling on farmers, and this week they are staying at home to add the names of those who were missed.

Ballots will be mailed out to producers on August 4, and must be returned not later than August 30.

The poultrymen will be voting for the second time in less than a year on a question which could have a big impact on their future. If 51% or more of those eligible vote in favor, it will clear the way for formation of a compulsory board to control marketing of all commercial eggs produced in the province. In a similiar plebiscite last fall, the vote was just short of the necessary mark. A new vote was called when farm organizations claimed last year's enumeration was faulty.

No Way To Solve The Wheat Glut

Statistically wheat will be in a stronger position as a result of the widespread drought on the prairies this summer. A major crop failure this year could result in slashing our present top-heavy surplus by as much as 50%.

But this is the worst possible way to solve our wheat marketing problem, declares The Financial Post. It is far more serious than the disaster that faces the merchant whose top - heavy inventory is suddenly destroyed by a fire. At least the merchant will get some insurance money. But there's nothing for a crop that does not grow.

For the individual farmer and for the local merchant and others who depend directly upon his prosperity for their own, a major crop failure is a disaster, no matter how it may ease things temporarily for those responsible for our marketing woes.

The date your subscription to the Standard expires is shown on the label after your name

Pleasant Valley

It tried very hard to rain on Sunday but we only got a light sprinkle. It turned very cold too.

Some folks have been out picking berries but they certainly are drying up fast due to lack of rain.

We hear Sylvia Gould is down in California visiting old friends, the Trumbles.

Tillie Gould is visiting her dad and brothers while she is busy painting the rooms.

There has been some activity around here of late, a crew is drilling for oil this morning and a derrick has been set up right on the top of twin hill. Maybe we will have natural gas blowing from the top of it soon.

Still looking for that ride Isabel — don't keep me waiting too long!

Royal Guardsman

Among members of a 100-man guard of honor now training at RCAF Station, St Johns, P.Q., which will be inspected by HRH Princess Margaret in Toronto and Ottawa, is Leading Aircraftsman James G. Anderson, son of Mr. and Mrs. W. K. Anderson of Vermilion.

Annual Fair Off To Good Start

Thursday saw the opening of the 53rd annual exhibition in Vermilion and judging from the enthusiasm displayed in all departments the three-day event [illegible] to break all records. [illegible] Club show and sale met with a splendid response from the public and the fine showing made by its youthful exhibitors was well worth the effort which has gone into the 4-H program in the area.

Friday morning will see the actual commencement of judging and the following judges will officiate:

Heavy Horses — Carl Hanson, Brightview; Light Horses — Mrs. M. Ellard, Calgary; Beef Cattle — Ed S. Anderson, [illegible]toon and Roy Ballhorn, W[illegible]win; Dairy Cattle — Owen G. Richards, Red Deer; Sheep and Swine — W. R. Cornish, Mannville; Ladies' Work — Miss Christine McIntyre, Mrs. L. Usher and Mrs. J. Miller, Edmonton.

Reports from previous fairs regarding the grandstand attractions program were indeed well founded and the show this year can safely be said to maintain the excellent standard that has been established in recent years over the B Circuit of Western Canada.

The magnificent showing of livestock and handiwork at the fair is well worth the attention of all district people and the Highland Games on Saturday afternoon are expected to draw a record Saturday afternoon crowd.

Provincial Ladies' Fastball Semi-Finals Billed For Vermilion

The Provincial Ladies Fastball semi-finals will be played in Vermilion on Sunday, Aug. 10th with three teams, Kitscoty, Lloydminster and Vermilion competing.

The two winners from this district meet the two winners from the Fort Saskatchewan play-off area. After the play-off between these four teams the overall winner tavels to Calgary on Labor Day for the Provincial finals.

So remember, Vermilion fastball fans, keep this date, Aug. 10 in mind as there will not be a Standard to remind you again before that time to keep you in touch with things. Turn out and cheer on your local Cardinals who will be sporting spanking new black and red uniforms.

Country Folk Invited To Leave Kiddies At Kinsmen Playground

Vermilion Kinsmen are issuing an invitation to all country folks to leave their kiddies, up to 7 years of age, at the Kinsmen playground and wading pool in the west end of town during fair days, Thursday, Friday, Saturday this week. The kiddies will enjoy themselves more at the pool and parents will enjoy the fair to a much greater degree. The playground is in charge of Miss Marilyn Smith, a trained supervisor, from 1 p.m. to 5 p.m. daily. So while at the fair or in town shopping, leave the little tykes at the Kinsmen playground and wading pool.

If you appreciate this playground and service given by the Kinsmen, as well as their other community enterprises, purchase a ticket or two on the car which the Kinsmen are raffling at the fair.

This is the means the Club takes to raise money for their community projects.

New Owners Take Over The Nelson-Hill Hardware Here

After thirty - four years under the management of Melvin Hill, the hardware store bearing his name was taken over by the new owners, R. A. "Rudy" Renaud and Gordon Casey last week end. The name of the new firm is Renaud and Casey Hardware.

The new owners are both young men, but bring a wealth of experience to the business. Both come from Westlock, Alberta where Mr. Renaud practically grew up in the hardware business. His father who is Mayor of Westlock and four brothers continue to operate the hardware store there and Rudy was a member of the family firm until the purchase of the Vermilion business. A married man with five children, he is now interested in obtaining a house in town.

Incidentally, Mr. Renaud is already well known to many of the curling fraternity in town as he is a regular contender at the Edmonton bonspiel.

Mr. Gordon Casey is not a complete stranger in Vermilion. He was formerly employed by the International Harvester Co. and travelled through this territory as a blockman. Prior to coming to settle in town he was interested in I. H. C. agencies at both Barrhead and Westlock. He too, like his partner, is desirous of obtaining a house.

Mr. Melvin Hill, Mayor of Vermilion who sold them the hardware business after operating it for 34 years, has not any definite plans for the future. He expects that he will remain in Vermilion, but does plan to do some travelling.

Fine Results Are Obtained in Music Exams

The following are the results obtained by pupils of Miss Donna McCauley in the recent examinations conducted by the Royal Conservatory of Music of Toronto.

Grade 1, First Class Honors — Rose Ann Feenstra.

Grade 2, Honors — Carol Rostron.

Grade 3, Honors — Connie Keating, Gertrude Prill, Betty McLaughlin, Audrey Tomyn.

Grade 4, Honors - Bonnie Proudfoot.

Grade 5, Honors - Glenda Brennan, Helen Pheasey, Dianne Whitson and Frankie McCauley (equal); Pass — Gordon McLaughlin.

Grade 6, Honors — Sharon Polishuk, Myrna Whitson; Pass, Douglas Livingstone.

Grade 7, First Class Honors — Mavis McCauley; Pass — Elaine Rae.

Grade 8, Pass - Allan Doherty, Jacqueline Hasinoff.

Returns To Visit England After Fifty-four Years

Mr. Walter Cooper, a long-time resident of Vermilion and district since 1909 leaves this week end for a visit to his old homeland of England, the first return since leaving 54 years ago.

Mr Cooper plans to meet his brother Sydney Cooper of Tisdale, Sask., at Saskatoon. On Monday the two will fly from there to Toronto where a third brother will be visited. The trip will then be made by air to London, England, where two other brothers reside.

The combined age of the five Cooper brothers is 400 years. The youngest is 75 and the oldest is 86 years of age.

2,000 Hear Lloyd. Band At Park

A crowd estimated at 2,000 people heard an exceptionally fine program rendered by the Lloydminster Community Band on Sunday. Despite the very hot day the bandsmen did not spare themselves and really pleased the very large crowd. The program contained a variety of selections, marches, and sacred music.

The three ultra smart Majorettes proved great favorites with the audience and were called on for a repeat performance of their number.

The Sunday program was arranged by the Rotary club here with Gil Rampling as convener of the committee in charge. Thanks of the club as well as of the general public go to the Lloydminster Band for giving such excellent entertainment.

As mentioned in the Standard last week, the Lloyd band won the Birks trophy in the Edmonton Exhibition parade, awarded to the best marching rural band.

Ray Jones Wins At Lloyd. Fair

Raymond Jones, local stock car driver, won the feature race at the Lloydminster fair race program on Wednesday. Another of the Vermilion oval track demons, Earl Pollard, took two seconds.

Much History Of Area Outlined In Lea Park Booklet

A souvenir booklet commemorating the opening of the bridge across the Saskatchewan at Lea Park contains much interesting history of the area, names and locations of trading posts and forts, remains of several can still be seen, explorers, traders, etc. One of the highlights is a map of the area, drawn by the author of the booklet, Mrs Rosina Dudlyke of Marwayne, who put in countless hours of work on the whole project.

These interesting booklets are on sale at Boake's Drug store, Long's Drug store and the Vermilion Standard office at a cost of 50 cents each. Proceeds from the sales are for the Marwayne Legion Cenotaph fund.

Kitscoty Students Obtain High Marks In Music Exams

KITSCOTY — At a recent Royal Conservatory of Music of Toronto examinations held in Kitscoty, the following pupils of Mrs. Elsie Batty were successful.

Piano, Grade 2 — Honors: Shirley Mackay

Grade 3 — 1st Class Honors: Sharon Johnson

Grade 4 Pass: John Page

Grade 5 Honors: Geraldine Skoreyko, Gerald Inman, Pass George Patrie, Wayne Hale

Grade 6 Pass Elaine Shirreff

Grade 7 - Pass Audrey Hancock

Grade 8 Honors Janet Swanson; Pass Phyllis Kent.

Grade 10 - Pass: Joan M Weeks

Vocal Grade 6 — Honors Patricia Hobart Pass Gwendoline Mackay

Mannville Girls Atend Garden Party, See Princess Margaret

MANNVILLE — Thrilled indeed were Lynn Kreiler and sister Dawn at getting a first-class view of the petite visiting Princess Margaret. Lynn, being old enough to attend the garden party held in honor of the Royal guest, was able to reach out and touch her as she passed by on a garden path, had she dared. About Margaret she said, "Oh, is she ever beautiful . . . she is so small and cute even more so than her pictures." After, on Sunday to be exact, both Lynn and Dawn watched the Princess leave for church service at the cathedral, and Dawn had her 'shining hour' as she got a close look at a Princess. Both girls are holidaying with their maternal grandmother at Victoria, B. C.

Town Council Sells More Lots, Grants Building Permits

A regular meeting of the town council was held on Monday, July 7th with Mayor Hill and Crs Cooper, Locke, McCormick, Rowe, Sutherland, Thompson, present.

Correspondence: M.D. Vermilion River re feed lot at auction mart; T. C. Marshall re road allowance lease; By law No. 7-58 re truck purchase; Hospitals re capital costs; Henry C. Runte & Co. re fire damage.

Lot sales: Nick Adams Lot 8 Blk. 1, Plan 5788AY; Robt. J. Rowe Lot 6, Blk. 4, Plan 5788 AY; Rowe & Sons, Lot 8, Blk. 4, Plan 6647S.

Building Permits: W. R. Lamport, residence on Lots 2 and 3, Blk. 31; W. E. Duncan, addition at Lot 8, Blk. 14, Plan 6647S; W. R. Lamport, garage on Lots 2 and 3, Blk. 31, Plan 635V; Wm. Krause, residence on Lot 3, Blk. 30, Plan 5619HW; Rowe & Sons, garage on Lots 7 and 8, Blk. 4, Plan 6647S.

By-law No. 7-58: That by-law No. 7-58 authorizing the purchase of a Ford truck No. F600 including still box and hoist ($3,664.65) be read a 1st, 2nd and 3rd time and passed.

That Lot 6, Blk. 4 Plan 5788 AY be sold to Robt. J Rowe for $350 subject to usual building restrictions.

That Rowe & Sons Ltd. be given a building permit as specified, on Lots 7 and 8, Blk. 4, Plan 6647S, covering an addition to their present premises.

That application of W. Krause to move existing house and construct addition according to the plans as submitted for residence on Lot 3, Blk. 30, Plan 5619HW be approved.

That W. E. Duncan be given a [illegible] for addition to existing [illegible] on Lot 8, Blk. 14, [illegible] as specified and subject to the building by-laws.

That W.R. Lamport be granted permit to erect a house and garage on Lot 3, Blk. 31, Plan 635V, as per specifications included in building application, to conform to building by-laws.

That Howard Robinson's name be substituted for Tony Dixon's as lifeguard at same rate of pay.

That four 825x20 10-ply rayon Hard Rock tires be purchased from Civic Tire & Battery Service Ltd. at $480.

Prov. Park Rules

Re: DOGS: The Provincial Parks Board does not have any objections to the public bringing their animals into the park. HOWEVER, the animals must be kept under control at all all times [illegible] the case of the larger type of [illegible] be kept on a leash.

G. H. Simpson New Manager Monarch Lumber

G. H. "Gerry" Simpson from Marsden, Sask., has been appointed manager of the Monarch Lumber Co. here succeeding Bob Watt. Mr. Simpson has already commenced his duties in Vermilion. Mr. and Mrs. Simpson are residing in the Company's residence in the west end of town.

A new member of the Monarch office staff is Miss Willa Bowman, daughter of Mr. and Mrs. Durward Bowman of Dewberry.

50 Trophies On Display At Craig's

An eye-catching display of 50 silver trophies donated as prizes by as many firms and individuals for a variety of classes at the 1958 fair, is on view in a window at Craig's store.

Each of the trophies has its own display card telling the class for which the cup is being awarded. Incidentally all 50 of the cards were hand-lettered by that old master of the brush, Albert M West, as a free contribution to the Fair board.

HOLIDAY TIME!
July 28th to August 11th
The Vermilion Standard will be closed for annual holidays from Monday morning July 28th, and will re-open Monday morning, August 11th. Issues of The Standard of July 31st and August 7th will be cancelled.

150 4-H Club Achievement Winners Attend Week At V. S. A.

The Vermilion School of Agriculture and Home Economics played host to 150 4-H Club achievement winners the week of July 14 to 19.

One of the real highlights of the week was the visit of the Montana delegation. This group consisted of a supervisor, publicity agent and four Montana 4-H Club delegates.

The 4-H Club Week at Vermilion is one of four similar weeks held in Alberta each summer. Approximately 450 achievement winners attend these weeks. The trip to a 4-H Club Week is in recognition of a high standard of work in the delegate's club. While in attendance at 4-H Club Week competitions are run and a scholarship examination is written in order to determine those winners for entrance scholarships to the Schools of Agriculture. This year the following boys and girls were winners of the $100 Wheat Board Surplus Monies Trust Fund Scholarships.

Girls — Emily Malowany, Star; Josie McDonald, Mannville; Nady Shomachuk, Cherhill.

Boys — Jim Christensen, St. Lina; Ardwyn Stonehocker, Cherry Grove; Wendell Lund, Hughenden.

The winners of these scholarships have three years in which to use them. Should they not be able to use them, alternates are named who will qualify in such an event. The alternates named at 4-H Club Week this year were as follows.

Girls — Mary Ertman, Oneway; Sophie Tkachuk, Coronado; Vivian Wawrykow, Thorhild.

Boys — Keith Poirier, Ft. Assiniboine; Bill Charchuk, Bellis; Walter Ulan, Blackfoot.

The scholarships are awarded on the basis of Club Achievement and work at 4-H Club Week. It is considered quite an honor to be elected to the Student Council at 4-H Club Week, and even a greater honor to be named president and secretary of that Council. Josie McDonald [illegible] Mannville was elected president and David Pawley of Vegreville was elected secretary. These two young people did a very fine job in their positions and were highly commended by Mr Usher and Miss Mewha, supervisors of the 4-H Clubs in Alberta.

The week's programme was brought to an end with a dinner at which Mr. A. A. Aldridge, supervisor of Guidance Department of Education, was guest speaker.

Annual Open Golf Tournament Of Vermilion Golf Club Aug. 3 - 4

The attention of all golfers in the area served by the Standard is drawn to the fact that the Vermilion Golf Club's annual tournament is just around the corner.

The civic holiday week end golfers spread out on Vermilion's beautiful golf course which has a well established record of being the sportiest and best laid out nine-hole course in northern Alberta and the continued rise in popularity of the annual two-day event is proof of this fact.

Tee-off time is 8 a.m., Sunday, Aug 3rd. Entries will be accepted up to 10 a.m.

Many beautiful prizes will be awarded, some of the best being reserved for the lower flights. Regardless of your average score, be it high or low there is a flight for you at Vermilion on August 3rd and 4th.

New Drivers Feature Golden Speedway Stock Car Races

Sunday afternoon at Vermil[illegible] Golden Speedway, the local stock car fans were again treated to some brilliant racing in all of the races as those year long favorites kept right on winning. Highlighted by the appearance of Bill Strong and his powerful car, this year's Bronze Cup winner, the entire program was run off in a smooth, pleasing manner, and races were the best seen in Vermilion this season.

In the first race of the day Gordie Allen grabbed an early lead and fought off every bid to breeze to an easy win. 'Long' Gord and his black No. 444 were complete masters of this event and, as usual, Allen was a threat all day.

Featuring Gerry Isley's new car, which he built in its entirety, the second race developed into a real dog eat dog affair involving Keith Maxwell, Lennie Kohn and 'Rookie' Isley. After the lead had exchanged hands many times Maxwell finally pushed his rod to the limit to grab first, Kohn picking up second and Isley finishing a fast moving third.

From here in the pace really quickened and many spectacular spin-outs and pile-ups became the order of the day.

The third race supplied the crowd with a real thrill as perennial threat Earl Pollard fought his way through a fast field to nip Irv Steeg of Lloydminster by a bumper. Steeg had taken an early lead only to have the 'Earl' sneak up from nowhere and grab the checkered flag.

Ray Jones and Bill Strong, the dandy from Ft. Saskatchewan, waged a real battle in the fourth race with 'Rambling Ray' leading all the way to rack up another big win.

The Le Mans start featured the fifth race and Bill Strong was not to be denied as he broke onto the track with an amazing start and led almost all the way fighting off a last minute bid by Pollard. In the Le Mans start, the drivers must line up on the opposite side of the track to their cars and at the starter's signal dash across the track, strap themselves in and start driving. In the opinion of many this supplied the best race of the day.

Peter Rachel and his iron won the feature race as he grabbed an early lead and kept out of trouble the rest of the way to win by half a lap. Earl Pollard ran second and Ray Jones, driving beautifully in his powerful No 97 finished third. Jones spun out once up onto the infield but came right back to finish in the paydirt. Gordie Allen drove a steady race to cop fourth.

[illegible]

Race No. 1 — 1. Allen; 2. Rachel, 3. Jones.

Race No 2 — 1. Maxwell; 2. Kohn, 3 Isley.

Race No. 3 — 1. Pollard; 2. Steeg, 3. Rachel.

Race No 4 — 1. Jones; 2. Strong, 3. Craig.

Race No 5 (Le Mans) — 1. Strong; 2. Pollard; 3. Jones.

Race No. 6 (Feature) — 1. Rachel, 2. Pollard; 3. Jones; 4. Allen.

Top points for the day — 8 points: Earl Pollard; 7 points: Peter Rachel and Ray Jones; 5 points, Bill Strong; 4 points Gordon Allen.

August Services

While the rector Rev K A Minchin is away on his holidays during the month of August, St Saviour's parish will consist of only one service [illegible] Sunday each to be held in the Vermilion parish church. Each Sunday morning at 11:00 o'clock a service of Morning Prayer will be held conducted by the following lay readers: Aug 3 Mr Mitchell Taylor, Aug 10, 17 and 24, Mr R F Armstrong, Aug 31 Mr Walter Hammett.

J R "ROSS" BOAKE

Purchases New Premises For Drug Store

J R Boake local druggist has purchased the valuable business property presently occupied by Macleod's Hardware and will eventually use it for commodious drug store premises. Owner of the building was Mr. Bert Everitt of Tofield who at one time operated a meat market here.

Macleod which firm occupies the building at present are planning to build this year. On their vacating Mr Boake will make the move from his present location. The new premises offers ample floor space and window display for an ultra modern drug store.

The structure has a 30 foot frontage and is 80 feet long.

Stores Close At 1:00 p.m. Friday

Just a reminder that stores in Vermilion will close at 1 p.m. on Friday July 25th, Citizens' Day at the Fair.

Corrected Church Notices

The following are correct notices for the United and Anglican churches. Please disregard service times appearing on page 3 for these two denominations.

Wildmere — 7:30 p.m.
Allendale — 11:30 a.m.
Clandonald — 7:30 p.m.

Need For Veterinary College in West, Says Rotary Speaker

Dr. Robt Anderson local veterinarian spoke at Friday's luncheon meeting of the Rotary club. The speaker related the history of veterinary practice and specially referred to recent developments such as the every day use of antibiotics and serums which have changed the treatment of sick animals greatly in recent years.

Dr Anderson mentioned that there are only two veterinary colleges in Canada, one at Guelph, Ontario and the other connected with the University of Montreal. It is hoped that a "vet" college can be set up in Western Canada and also that a Provincial Research Laboratory be set up in Edmonton.

In introducing Dr Anderson to the meeting Ross Boake said that Bob was born in Calgary and attended school there. He graduated from the University in Arts in 1946 and from University of Toronto in 1950. He has practised in Vermilion since graduation. Ross said Dr Anderson was recently elected to be District Deputy Governor of Kinsmen's Clubs for this area.

An interesting part of the programme was the introduction of two Montana 4-H club boys by Alex Palin, acting principal of the School of Agriculture. These club members were selected to represent the junior club movement in Montana at gatherings of young people in Alberta.

The two Montana boys were Phil Malcolm of Livingston and Gerald Berberette of Toston. They gave short reports on club work in Montana and how it compared with 4-H work in Alberta.

The Lloydminster band put on a good concert at the park on Sunday. Most everyone in Vermilion knows that the Rotary club sponsors the appearance of bands and other entertainment on Sundays throughout the summer. But what many people do not know is that all the collection taken at the park goes to the band to help meet expenses. Nothing is retained by the Rotary or the park committee.

Guests at the meeting were Morley Douglas introduced by Ernie Buckingham and Rod Herod introduced by Gil Rampling.

President Jim Robson was chairman of the meeting.

Road Tips

By "ROAD KNIGHTS"

A driver may accelerate slightly after entering a curve. The brakes CANNOT be safely applied AFTER a car has entered a curve.

A GENEROUS OFFER

During the war, many people bought Victory Bonds. They did so partly to help the war effort and partly, too, because it seemed a sound way of investing savings at a reasonable rate of interest.

Down through the years, millions of Canadians have kept their Victory Bonds, clipping the coupons every so often and feeling secure in the knowledge that a modest nest egg lay in reserve to be used in case of emergency, to help pay for the children's education or to help them on in their own retirement.

Last week the government issued an invitation to exchange old bonds for new ones of the Canada Conversion Loan. The reason it did so was that five of the old Victory Loans will mature over the next few years. Rather than wait for each in its turn to fall due it seemed more sensible to refund all five at the same time by means of a single new issue.

No one of course is compelled to accept the government's offer. It is a matter for each person owning the bond to decide for himself. But because a rate of interest higher than on the old Victory's is offered, and because the other basic attractions of government bonds remain unchanged, it seems likely that most people will accept. Within three days of the announcement over $1 billion of the bonds had been converted.

Experts in money matters say that besides refunding the old debt the new Canada Conversion Loan will also stabilize many factors affecting the borrowing of funds and clear up many uncertainties which now add to the difficulties of bond financing. This should make it easier for municipalities and other borrowers to obtain the new money they must have to pay for the growth of essential services.

This will come as welcome news to cities, towns and villages, many of whom have found it difficult in recent months to sell their own bonds.

Many Farm Young People Are Victims Of Accident Fatalities

Alberta farm accident fatalities are on the way to setting a new record, with tractor accidents more numerous than usual for this time of year. A preliminary survey made by Alberta Safety Council for the period January 1st to mid-July shows at least 30 farm residents killed, and 14 of these were victims of accidents involving tractors.

TRACTOR FATALITIES

In checking tractor fatalities more closely the fact emerges that far too many young lives are being lost in tractor accidents. Five young people between 12 and 20 have died so far this year, and a little five-year-old girl who fell off a tractor and was run over will never claim her birthright.

CHILDREN, LEFT ALONE, DIE IN FARM FIRES

Fire is again a leading cause of accidental death. This year to date 10 Alberta farm residents have lost their lives in fires, 9 of them children. Fire fatality surveys in other years reveal the same tragic fact that children are the most frequent victims in farm fires.

Two deaths occurred from electrocution, one from carbon monoxide, one from gopher poison and one from a farm animal.

During Farm Safety Week July 20th to 26th every means is being used to drive home the need for safe practices in farm operation. In some cases the farm organizations are taking a leading part in the effort.

Practical accident prevention methods are being urged much as they are used in other industries. People are asked to actually conduct hazard hunts around buildings and machinery to uncover dangerous conditions and correct them. They are also being strongly urged to review their working habits with the objective of forming safe work practices.

Sixteen Years Ago

JULY 23, 1942

Missing ten days in the wooded country south west of Heinsburg, 11 year-old Victor Kozak was found alive late Sunday, emaciated and with his feet and knees blistered but in otherwise good condition. He told his mother that he was kept alive by eating mushrooms and berries. His parents are Mr and Mrs. Ivan Kozak.

Don Taylor has been re-elected President of the Alberta branch of the Canadian Postmasters Association at the convention of that body held in Edmonton last week. This will be the fifth term in that eminent office for Don.

2¾ inches of rain fell last week bringing the total since April 1st to 8.02 inches.

Another Highway Casuality

WILDMERE WINKS

First of all we wish the Editor and staff a restful holiday from July 28 to Aug. 11 — and may they come back feeling fit to tackle another year's work.

Our community and surrounding ones too, were shocked on Monday July 14th when word was received that our good neighbor of Triangle, Mr Wm. Clark, had passed suddenly away early that morning. While all knew he had a heart condition no one thought his book of life was to close so suddenly. He was a good neighbor and friend ready with help at any time. The family came here from Scotland in 1929 and have resided on their farm ever since raising a family of four boys and two girls. He will be greatly missed by everyone who knew him. The large attendance at his funeral in the United Church in Vermilion bespoke the esteem the family hold both in town and in the country. Everyone joins with the writer in extending deepest sympathy to the sorrowing wife and family and to his sister who attended the funeral from Manitoba. Pallbearers were Lindy Fadden, Chas Good, Jim Wallington, Tom Wilson, Howard Frissell and Arthur Tuey. Honorary pallbearers were Tommy Thompson, Jack Baldwin, E Buckingham, Wm. Simmons, Elmer Lewis and Don McLelland. Last rites were carried out at the graveside by the Legion. Mr Farquson gave a nice message to the bereaved ones.

Messrs George and Fred Haines enjoyed a visit from their sister Helen and a cousin from Ontario. They had been sightseeing through the prairies and out to the coast calling here on their way back to Toronto.

Our heartfelt sympathy goes out to Mr and Mrs Glen Beckman of Wainwright on the loss of their infant son.

Miss Helen Newman daughter of Mr and Mrs W. I. Newman of Battleview is a patient in the hospital suffering from a sore knee. Speedy recovery, Helen.

We were pleased to have a short chat with Mr and Mrs. Bob Harle when they were here on a visit recently.

A nice crowd came to church Sunday July 13. Mr Robinson gave a very interesting sermon and sang a solo. Noticed Mrs. Smith, Mrs Cairns, Mrs. Millar and grandsons, also Mrs Webster out. Vacation schools will be held before the appearance of any more Winks. Have your children attend.

A good crowd took in the F.U.A. picnic at Auburndale on Wednesday. Some good ball games were played, especially by the Little Leaguers. Preston and Wildmere players looked nice in new uniforms supplied through kindness of Mr George Webb, Massey Harris dealer and Mr Reg Ireland, Wainoro Products. The League played the Pirates of the Army Camp at Wainwright. This ended in a tie with the boys too tired to go on. Other ball games were also enjoyed, races too. A good booth supplied all the wants of the crowd.

On Sunday July 6th Mr and Mrs. Earl Clark and family called at the writer's home on their way to visit the Auburndale cemetery where Earl's parents are laid to rest. Come back again folks.

Ideal crop conditions now prevail with wheat heading out rapidly and course grain crops making excellent headway. There is a heavy growth of weeds with stink weed predominating.

Harry Marfleet has been awarded the contract for the building of a 21 x 30 2 storey brick addition to the Mannville hospital. Contract for the excavation has been awarded to Irvin Gordon, also of Vermilion.

32 Years Ago

JULY 22, 1926

The contract has been let for a new $3000 telephone exchange building on Main Street, Vermilion. Work has already been started by contractor George Goldberry, Edmonton.

Miss Agnes Ehrhardt, a visitor from Chicago at the Sullivan home lost her life when she was thrown or fell from a horse she was riding striking her head on a stone on the roadway.

Mrs L. N. Benson and daughter Lillian have left for Victoria where they will make their home.

The stand of grain in the Vermilion district equals the best this territory has grown in the past 19 years.

A new school is being built at Triangle.

48 YEARS AGO

JULY 20, 1910

Frank F. Mead of Nebraska has purchased 320 acres of improved land in the Campbell Lake district, formerly known as the Harmon and Osborn places.

The water system for the town was again under considerable discussion.

The Board of Trade have had 10,000 pamphlets published in connection with the town's big publicity campaign.

Several gasoline outfits have been held up by gasoline famine in town, there being none available.

Continued rains and bright warm days with cool nights is the weather order.

The Homemaker

DONNA SHANTZ
District Home Economist
Wainwright, Alta.

High school exam results will soon be out. What is the future for your daughter or young friend in field of Home Economics? It is much greater than you think . . . I'll wager! Here are a few of the careers open:

1. For the girl with a flair for fashion — dressmaking, designing, or consultant and buyer in a dress shop or large store.
2. Interior decorator with a housing agency department or furniture store.
3. Testing foods and recipes for manufacturers or companies.
4. Dietitian with stores, hospitals, restaurants or airforce.
5. Government research work.
6. Work in fields of journalism, television or radio.
7. Teaching Home Economics in schools.

If you know any girls who might be interested in Home Economics as a career I would be glad to hear from you. I have information re courses qualifications and details on the openings available.

FINANCIAL ASSISTANCE

There are various types of bursaries available. In fact some scholarships go out of existence because no one applies for them.

Did you know that the Canadian National Exhibition is offering ten scholarships to the value of $750, one to be awarded in each province? This award is open to 4-H members and former members and is to be used for a course at University level.

The scholarship will be awarded to candidate wishing to enter a degree course in Home Economics, Agriculture, Agricultural Engineering or Veterinary Science.

The candidate must be at least 17 years of age by July 1 1958 and must have at least two years in 4-H club work. Leadership ability and interest in community affairs are considered as factors, also. Successful candidates may have five years in which to take up their scholarship.

Did you know that the Alberta Wheat Pool have scholarships available to 4-H Garden Club members wishing to enter the faculty of Home Economics?

Did you know there are several types of scholarships available to both boys and girls wishing to attend Alberta Schools of Agriculture?

Application forms and further information on these scholarships are available from my office.

"GREEN ACRES"

BEET WEB WORM

Several outbreaks of this insect were reported in the last few days in this district. These caterpillars eat pigweed and some other weeds. They make short work of gardens. They are about an inch long and all move in the same direction, hence some people call them army worms which is not correct. Fields can be sprayed with DDT or Endrin or a contact poison like Blackleaf 40 can be sprayed directly onto the invading worms. Derris or Pyrethrum can be used in gardens but do not use DDT or arsenic poisons on garden stuff that is to be eaten. This means do not put D.D.T. on cabbages, cauliflowers, cucumbers, etc. but you could spray the potato tops.

When once the caterpillars are into a garden it is too late to save very much. Some people plow a furrow around a garden and put some poisoned bait into the trench. Get a bulletin at your D.A. office on the control of the Beet Web Worm.

RED BACKED CUTWORM

This insect damaged a lot of good crops in this area last spring. Cutworms can be poisoned, of course by spraying growing crops with Endrin or other recommended poisons. The cost is between $1.00 and $2.00 per acre.

Perhaps the best control however is to have a clean summerfallow during the month of August and the first two weeks of September. It seems that moths of the Red Backed Cut Worm lay eggs in weedy summerfallow land from August 1st to September 15th. So the best control is to keep the summer fallow clean of weeds during August. If there are no weedy summerfallows the moths may lay eggs in weedy crops but we can't do much about that at this time of the year. It is another good reason, however, for spraying weedy crops early in the season.

Please do not confuse the control of Red Backed Cutworms with the control of Pale Western Cutworms. I have never seen Pale Western Cutworms in this district so I do not see any good reason to set out the control measures.

SWINE ERYSIPELAS

This disease of pigs is spreading rapidly in this district. Germs of Erysipelas can live in pig yards for more than a year so it is hard to get rid of the disease. Also, pigs are often carriers of the germs and not have the disease themselves. Sanitation is important in controlling Erysipelas. Isolate sick animals, kill the cripples and use lye to disinfect pens. If any animals contact the disease they should be given anti-serum injections and all other pigs on the place. If the disease is only suspected then bacterin can be given to all pigs at just under three months of age as a safeguard. Get a circular on this disease from this office and stop the losses.

GREENLAWN Goodwill Club

The July meeting of Greenlawn Good Will club was held in the Greenlawn hall with 17 members and five visitors present.

Mr Stafford of the Canadian Utilities showed three films on electrical home appliances which were enjoyed by all the ladies present. After the films were shown lunch was served provided by all the members. Following this a short meeting was held to make plans for a shower for Miss Lily Krawchuk in the hall on July 23rd.

Next meeting will be held at the home of Mrs. Harold Mathison.

Last Call For Phone Directories, Mannville

MANNVILLE — To those people who have not yet picked up their new telephone directories, they are short of them in the city and residents who have phones and who wish one had better call at the telephone office as they will be shipped in to the city shortly.

The area of Newfoundland is nearly three times the total of the other three Atlantic provinces combined.

ADVERTISING speeds the introduction of new products that are needed.

Marwayne 4-H Club Holds Achievement Day

The Marwayne Beef Club held their 'Achievement Day' at the sports grounds on Saturday, June 7th with 17 calves being shown. The Grain and Clothing club operated a booth which was very successful financially.

Following were prize winners: Grand Champion, Eunice Gray; Reserve Champion, Don Heathcote, 3rd, Donald Kvill; 4th, Gerald Kvill.

Showmanship — 1, Ron Golightly; 2, Gerald Kvill; 3, Donald Kvill; 4, Louise Parker.

Judging — 1, Louise Parker; 2, Glen Quist.

A calf exhibited by Allan Johnson provided fun for a very profitable weight-guessing contest.

On Monday June 9 the calves were shown and sold at Lloydminster.

The Marwayne Clothing club held their 'Achievement Day' on May 7th in the Elks hall.

The program was comprised of talks on "What I Get Out of 4-H"; "Why a Girl Should Learn to Sew"; "Etiquette at the Theatre, on the Street, and in the Restaurant". The club reporter outlined the year's work. An interesting and helpful dress review was given by five girls which showed the right and the wrong way of dressing. Demonstrations were given on different types of material, their cost and use, and how to clean white shoes. Musical numbers were played in between.

The District Home Economist Miss Craig and Miss Nickols judged the girls' work and gave short talks. They complimented the girls on their work and the program.

Jackie Crichton, who had the highest number of points, won the pinking shears, donated by the T. Eaton Co.

A gift was presented to each of the leaders, Mrs. Jim Hale and Mrs. H. Hutchinson in appreciation of their work.

One of the members of the audience took up a collection to help pay the expenses, which helped a great deal.

After the program a formal lunch was served with Mrs. A Johnson and Mrs. D Kvill pouring the tea and coffee.

Efficiency winners of the four clubs who attended the V.S.A. July 14th to 19th are: Betty Ann Murray, Clothing Club; Charlotte Tupper, Barley Club; Grace Hale Wheat Club, Donald Kvill, Beef Club.

SQUARE NOTES From Circle 8

A special thanks to all of the Circle Eight members who turned out so faithfully last week to completely roof the bandshell: it really is a splendid place to dance now.

The weatherman came forth with the best evening yet for our last dance on July 19. With absolutely no wind no one even needed a thin sweater on. Our caller, Johnny Maxwell passed on some of the many new dances that he learned at the first square dance institute at Banff the first part of July and a very fine evening was enjoyed by all. At the same dances we were pleased to have as our guests, Bob and Betty Repp's visitors from Ottawa who by coincidence are "Circle Eighters" of Ottawa, they praised our caller and dance as a whole and said they thought our park was really something to be proud of. We do hope we may dance with these folks again.

This week will find all of the carpenters' wives taking up the the art of flower making for our fair float. Thanks to all who have contributed to make our entry possible.

With the fair over and things more or less getting back to normal, the Circle Eight Club will sponsor another dance at the park with Art Zeigler of Vegreville as our guest caller on August 2. For these dances at the park only will lend ladies please bring sandwiches as our admission is only 50 cents. Dancing will commence at nine o'clock sharp so we will see you at the park one week from Saturday evening.

WOODVALE

The people in our district were saddened by the news report in the Edmonton Journal that a former Woodvale boy Hugh Potter was killed in a car accident at Claresholm on Wednesday July 16th. Hugh was 32 years of age grew up and went to school in our district, moved with his mother to Edmonton and was married last August. He was back for a visit two years ago bringing with him his grandfather Charles Friedland, an old timer of the Woodvale district now living in Cherry Grove. To all the bereaved ones we send our heartfelt sympathy.

George Machell is finally well on his way on his long-planned trip to England. We received a card from Trinidad telling us he sailed from Vancouver on the SS Orsova of the Orient line going via the Panama canal and enjoying every minute of his voyage. He hopes to arrive in London on July 21st.

The city of Moose Jaw Sask takes its name from an Indian word that meant "The place where the white man mended his cart with the jaw of a moose".
Quick Canadian Facts

Elk Point Lady Is Honored On Seventieth Birthday

ELK POINT — It was open house at the home of Mrs. Gertie Swanson on July 20th at Elk Point when around one hundred relatives and friends gathered to give congratulations and best wishes on her 70th birthday.

Among numerous gifts received was a lovely TV set and a hostess rocker. From her seven grandchildren at Red Deer came a large basket of beautiful flowers. A generous purse was also received.

Lunch was served during the afternoon. A delicious three-tiered and pillared birthday cake baked by her daughter Myrtle (Mrs. Robertson) from Provost, iced and beautifully decorated by an old time friend at Spring Park Mrs. [illegible] was truly enjoyed by all. Snaps were taken during the day.

The immediate families present were daughters Mrs Florence Hammond of Lashburn, Myrtle and Howard Robertson and family of Provost; sons Ernest Swanson, Red Deer, Earl, Mabel Kepke and family Edmonton; Rufus and Viola Kepke and family Spring Park. Son Lawrence and Vera Swanson and family phoned from Kelowna, B.C., sending birthday greetings. Greetings came also from son Auburn and Nellie Kepke, Greenwood, B.C.

Present from Vermilion was sister Mabel Lee and from Allandale Erna and Bill Armstrong, Stella Mayers, brother Orley and Ellen Omness. Sister Nora sent greetings from Islay and from New Sarepta came congratulations from brother Rufus and Ruth Omness and daughters.

That evening Mrs. Swanson returned to Vermilion to be with her sisters and to attend the fair this week. She will then go to Provost with Myrtle Howard and family and all will holiday at Waskesiu, Sask., going later to Red Deer to visit Ernest, Elinor and family and then to Edmonton to be with Earl, Mabel and family before returning home.

NEWS from KITSCOTY

Mr. and Mrs. Zadorozny of Winnipeg, visited with her brother Mr. Hugh Dzus and Mrs. Dzus.

Mrs. Bob Milligan and Arlene Joy were down for the week end to take little Robert back home to Edmonton.

Mr. and Mrs. Art Govier from Hamilton are visiting with their family at the home of Mr. and Mrs. Wm. Govier, Art's parents.

Mr and Mrs Jack McLean (Jr.) are visiting his father Mr. Jack McLean (Sr.) and also other relatives and friends.

Mr and Mrs. Ken Gray and family went to Cold Lake to bring back Dona and Judy Shepherd.

Mr and Mrs. C. N Gray have returned home from a holiday spent at Cold Lake.

Mrs. Lila East and children have been holidaying with Mrs S. Pidcock and is presently staying with her brother Charles on the farm.

Mr and Mrs Steven Gedick of Edmonton visited with her parents, Mr and Mrs L. Watt and on the farm with Larry and Pearl.

Last Friday evening, July 18, was the occasion of the marriage of Mrs. Ruby Matney to Mr Art Wynn. Good luck to both of you!

Miss Arlene Joy Is Showered At Kitscoty

KITSCOTY — Kinnaird school was the scene of a very pretty shower in honor of Miss Arlene Joy, whose marriage to Mr Cliff Pinder of Lashburn, takes place July 23.

A large number of friends attended and the bride-to-be was presented with a corsage and later with a "train load" of lovely gifts.

She thanked her friends in a suitable little speech and a lovely lunch was served to guests and friends. Dancing formed the evening's entertainment and all had an enjoyable time.

'The Bible Today'

Professor G. D. Kilpatrick of Oxford worked during eleven years with Dr. Erwin Nestle of Wurttemberg, and with other experts to publish an up-to-date text of the Greek New Testament in 1957.

It is felt this new edition is undoubtedly the best available text including as it does in its apparatus or alternative readings, materials drawn, for example, from the hitherto unpublished portion of the new papyrus of the Fourth Gospel known to have been written within fifty years of the actual writing of that Gospel.

An honest man may have a clear conscience, but he's apt to have some lonesome days.

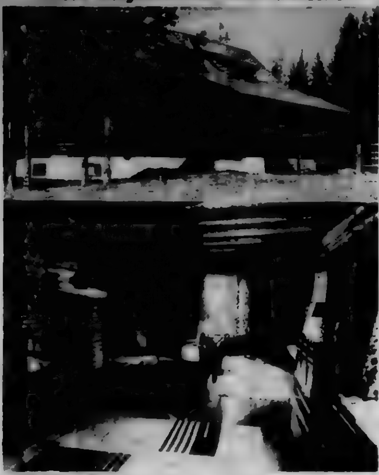
Princess Margaret's Home While in Alberta



Official residence of Her Royal Highness Princess Margaret while on a three day visit to Alberta will be Fairholme Ranch, pictured above. The 14 roomed lodge, privately owned and made available for the royal stay, is located outside Banff townsite. Lower photo shows the pleasantly furnished living room. A second floor balcony adjoining the master bedroom offers a sweeping view of the Bow River valley and surrounding mountain terrain. Princess Margaret is scheduled to arrive at Fairholme Ranch in the late evening of July 26 and will leave Alberta from Calgary airport shortly before noon, July 29. Included in the program of activities outlined for the royal visit is a dinner in Banff Springs Hotel, at which Premier E. C Manning and members of his cabinet will be hosts.

— Alberta Govt. Photos.

In the first nine months of 1957 Canadian corporation profits after taxes totalled $1,313 million, a decline of [illegible] million or about 6 per cent from the same period in 1956.

NEWS from ISLAY

During the summer months when Sunday school is on vacation time in CKSA at 10 a.m. and hear "Tell us a Story". Last Sunday was most interesting, an Indian story of the Cree and Blackfoot tribes when they made peace and Wetaskiwin (Hills of Peace) was named.

On Thursday Islay had a short visit from Mrs. Hilda Ireland and her friend Miss Hazel Birnie of Toronto. Mrs. Ireland is the wife of the late Rev. Charles Ireland, minister here of the United Church from 1932-34. Rev. Ireland became ill and died the next year back in his home in Alliston. Mrs. Ireland is principal of a large school for retarded children with a staff of sixteen. It was most interesting to hear her tell of the courses taught and how some go out to positions or to take over a home and its duties. The visitors were on their way by car to Jasper, Banff, Arlington, Wash., Yellowstone Park and then back to Toronto. They were doing it by easy stages. The longest day's drive was from Minneapolis to Winnipeg, some 500 miles. Mrs. Ireland does the driving. On Friday Misses Gladys and Muriel Stone spent a very happy afternoon when Mrs. Will Muir entertained at tea for Mrs. Ireland and Miss Birnie.

NATO has commissioned Mr. Earl Bowser of the U. of A. to Egypt for a year. He and his wife flew by Strato Cruiser from New York. They attended the Brussels World Fair and spent a week in Rome. Headquarters are Alexandria.

Mr. and Mrs. Dave Martin and Mr. and Mrs. Garfield Midgley spent Friday at the Edmonton Exhibition.

Wildmere W. I.

The last W.W.I. notes were omitted but here are a few of the highlights of the meeting which was held at the home of Mrs. Holte on July 3rd. Eleven members and four visitors were in attendance.

Letter and papers were received from Mrs. R. Mead on 'Education', as she is the convener of the W.I. committee for that subject.

It was decided to hold a bingo at the curlers' picnic and Mrs. Gibson and Mrs. Cruthers were named to buy the prizes.

Johnny Jump Up was won by Mrs. Howard. The topic was taken by Mrs. Gibson owing to Mrs. Garnett being away. She read a letter from Mr. and Mrs. N. N. Bentley written to the alumni of the V.S.A. Mr. Bentley is adviser to the Department of Agriculture in Cairo, Egypt. It proved a very interesting letter.

The August meeting will be held at the home of Mrs. Howard on Aug. 6th. Roll Call — International World News; Topic, by Mrs. W. T Garnett; Social, Mrs. N. Garnett; Lunch, Mrs. N. Garnett, Mrs. W. J. Garnett and Mrs. W. T. Garnett.

CLANDONALD HALL

Showing at the Clandonald Hall this week-end, July 25 and 26: a double feature. "Hot Cargo," a thriller and "I'm From Missouri," starring Bob Burns; August 1 and 2: "Seven Men from Now," a good drama, in Technicolor.

Since 1921 life expectancy of Canadian males has increased by 7.6 years. life expectancy of Canadian females has increased in the period by 11 years to 73 years.

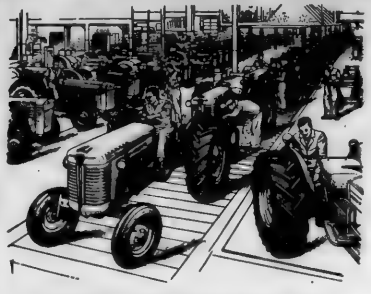
— Quick Canadian Facts.

Bill Bryden Drives Show Clydes In Edmonton Parade

MANNVILLE. — When Mannvillites journeyed to Edmonton on Monday last in order to see the parade which always precedes the exhibition, they were thrilled and surprised to see their own Bill Bryden driving his "show horses" which are well known to so many now. What Jim Johnstone would like to know is, how Bill kept his mind on his driving when there was such attractive scenery behind him on his float (the float was one submitted by the Edmonton Exhibition and featured 'Bathing Beauties'). [redacted] ever wary of all driving hazards, Bill kept eyes front, which all adds to an orderly parade. The musical ride by the R.C.M.P. was much enjoyed particularly in the parade, where it practically stole the show.

Present strength of the Canadian armed forces is about 120,000. 50,000 each in the army and air force and 20,000 in the navy.

—Quick Canadian Facts.



Canadian Company Initiates Vigorous Expansion Program...

NEW MASSEY-FERGUSON PLANT BUILDS 260 TRACTORS A DAY!

260 world-famous Ferguson System tractors every day . . . one in less than two minutes! A remarkable production figure that goes a long way towards proving this new Massey-Ferguson plant at Detroit one of the most advanced industrial facilities in the world!

Yet this is the output of only one of sixteen Massey-Ferguson factories that operate in seven countries—in Canada, the U.S.A., England, Scotland, France, Germany and Australia. Over 23,000 employees in these factories manufacture a complete line of farm and light industrial equipment that reaches markets in over 126 other countries.

The Detroit plant is part of a whole new series of developments ranging through product research, manufacturing and marketing, that have recently been put into effect by this dynamic 110 year old company.

The largest manufacturer of tractors and self-propelled combines in the world today, Massey-Ferguson—a Canadian company with a truly international outlook—looks forward to continued progress in the mechanization of agriculture throughout the world.

Former Vermilion Boy Killed In Highway Accident

Charles Hughie Potter, son of Mr. and Mrs. Clarence Potter of Edmonton and formerly of Vermilion, was killed in a highway accident in southern Alberta on July 16th.

He leaves to mourn his death his loving wife, Mrs. Kaye Potter, of 11814 125 Street, his parents, Mr. Clarence Potter and Mrs. Hulda Potter, both of Edmonton; one brother, Allan, Calgary; one sister, Mrs. Bob Erikson (Verna), Mercoal, Alberta, and his maternal grandfather, Mr. Charles Friedland, of Cherry Grove, Alberta.

The funeral service was held in the Chapel of Chimes, Edmonton on July 21st. Rev. Reid Vipond officiated and the interment took place in the Westlawn Memorial Park.

Vermilion Old Timer Dies In Vancouver

Robert Alexander Gaston, a well remembered old timer of Vermilion, who was employed by the C.N.R. during [redacted] here, died at Vancouver [redacted] July 1st. He was 78 years [redacted].

He was predeceased by [redacted] sons, Herman in Calgary and [redacted] of Edmonton. Surviv- [redacted] members of the family are: [redacted] loving wife Elizabeth; 2 sons, Norman, Jasper, Alta., and Donald, Edmonton; 1 brother James, Vancouver; 5 sisters, Mrs. W. Hinchey, Edson; Mrs. H. J. Kesley, Edmonton; Mrs. J. Wiley, Islay; Mrs. C. McGrath, Tolland; Mrs. Thos. Martin, Wyevale, Ont.; 8 grandchildren and 11 great grandchildren. Funeral service was held Thursday, July 3rd at 1 p.m.

The world is filled with people coming and going, but very few are arriving.

APPRECIATION

I wish to publicly express my sincere appreciation to my friends and customers who have made my business life in Vermilion so pleasant over the past thirty-four years.

I bespeak a continuance of this same generous patronage and friendliness for my successors, the Renaud and Casey Hardware.

MELVIN HILL

ANNOUNCEMENT

Having purchased the Nelson-Hill Hardware business, we wish to state our pleasure at being in the Town of Vermilion and to express appreciation for the welcome already received. We will endeavor to continue to serve the public on the same high plane established by Mr. Melvin Hill over the years.

We want to meet you all as friends, supply your needs in hardware, and to attain the fine place in the life of the community filled over the past 34 years by Mr. Melvin Hill and the Nelson-Hill Hardware. We are pleased that most of the staff, so well known to all of you, are remaining with us.

We extend to Mr. Hill best wishes for years of happy leisure to follow his many hobbies.

Mrs. Nelson Crowell and boys Jim and Murray of Calgary have spent the past two weeks at the farm home of her brother Jim Barr and family.

The world is filled with all manner of men . . . endowed with all [redacted]

In Memoriam

In loving memory of our only son

P/O "CHAP" COOPER
Royal Canadian Air Force
who gave his life for his country, July 21st, 1944.

"And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow nor crying neither shall there be any more pain, for the former things are passed away. And He that sat upon the throne said, 'Behold, I make all things new'."

Rev 21:4, 5.

Ever remembered by his [redacted] dear, Shirley Beverley and [redacted].

Cardinals Defeat Dewberry 9 to [redacted]

In an exhibition game played at the Legion picnic on [redacted] July [redacted], the local [redacted] defeated the Dewberry ladies by a score of 9 to 6. The Dewberry team were scoreless for five innings of play but when they did start hitting all six runs were made in one inning. The game was played under an extremely hot sun.

Mr. and Mrs. Alf Redman of Dewberry, Melvin Redman of Marshall, Sask., and the Redman brothers, sisters, Mrs R. J. Elliott of Lodgepole and Mrs. Mabel Medaskey of Steveport Wash., left Vermilion Wednesday by car to attend a re-union of the Redman family at the home of an aunt at Wallowa Lake, Oregon.

Mrs. Milo Fleming and children spent two weeks recently, visiting at the home of her parents, Mr and Mrs. N. Bingeman at Esther, Alberta. On July 12, a niece, Miss Shirley Bingeman returned with them to Vermilion. Guests at the Fleming home on the week end of July 19th were Mr. and Mrs. M. E. Bingeman and their four children.

Mrs. Guideo Sartore and the children, Della, 11, Mary, 9, and Johnnie 7, from Taylorville, Illinois, U.S.A. are visiting Mrs Sartore's parents Mr and Mrs. S. J. Wickham. They plan to return to their home Aug. 3rd.

Mr. and Mrs. Lorne Pockett returned home on Wednesday after an enjoyable trip by car to Jasper. They were accompanied by two of their children and Mrs. Pockett's young niece, Miss Marnie Huntley of Vancouver who is spending some time in Vermilion.

Of Many Things . .

By AMBROSE HILLS

DEAR UNCLE SAM

You are a good neighbor. We like you. Howls of anguish heard from this direction haven't really been directed at you; they've been aimed at our own politicians who, instead of dealing manfully with you, as good neighbors should, have been pussyfooting, or worse.

Take our Trans - Canada pipeline for example. One of your enterprisers invested heavily in it. Good for him. But the average Canadian was annoyed when Trans - Canada supported by our tax money, made a deal to sell gas cheap to an American company which happened to be friends of that same enterpriser. We didn't so much blame him for trying to make a deal of that kind: but we certainly did blame our government for appearing to help him to do it. Indeed, that was one main reason why we booted that government out and put a new one in.

We get annoyed too, when your labor leaders, with unmitigated gall, take pot shots at our judiciary and attempt to tell us how to run our railroads. That doesn't mean we're sore at the U. S. A. Presumably you are about as fed up with some of your labor leaders as we are, and you understand why we want none of their tactics here. Our own labor leaders can manage on their own.

We do register neighborly indignation about your wheat disposal program, and as your best customer we feel we have a right to do so. We appreciated the frank way your Mr Benson deals with such complaints from us, but unless you stop raiding our established markets with give-away deals, we'll complain and we'll act. You don't want a milksop for a neighbor do you?

We note that you protect your home industries and their domestic markets. We're not sore at you for that, but we have been annoyed at our own past government for not following a similar realistic practice for Canadian markets.

So, uncle Sam, talk that might have sounded anti-American is not meant that way. It's just that your neighbor has grown up. In the long run you'll be better off with a neighbor big and strong like you. Meanwhile, don't let our growing pains alarm you. We're your best friends.

More Humane Method Developed For Slaughtering of Hogs

Installation of carbon dioxide equipment to render hogs unconscious prior to slaughter has been completed and is now in use at the Toronto plant of Canada Packers limited.

Known as the Hog Immobilizer, this is the first installation of carbon dioxide equipment for animal slaughter in Canada and one of the very few installed to date in North America.

W. F. McLean, President of Canada Packers, said that it was the Company's intention to install similar equipment in all of the Company's plants across Canada just as soon as management was satisfied that the Toronto installation was completely workable.

The Hog Immobilizer which can operate at a capacity of 400 hogs an hour, or close to seven a minute, was purchased in Denmark.

Hogs enter the Immobilizer's travelling conveyor one at a time from a narrow runway, are carried down into a carbon dioxide chamber and return to the exit side unconscious. From here they proceed for further processing. The entire operation, from the time a hog enters the Immobilizer until it is slaughtered, takes about 75 seconds. Since the approximately fifth of a pound of carbon dioxide inhaled by a hog is enough to render it unconscious for from six to seven minutes, the operation is considered to be the most humane method of practicable slaughter known to modern science.

The carbon dioxide, which arrives by tank truck, is pumped into a storage tank at the plant for use as required. Capacity of the storage tank is 15,000 pounds, sufficient, at the rate of a fifth of a pound per hog, for 75,000 animals. Gas concentrate in the gas chamber of the Immobilizer remains at a constant 54 to 55 percent.

Canada Packers makes use of the captive bolt pistol to render cattle unconscious prior to slaughter.

"The captive bolt pistol is unsuitable for hogs, however," Mr. McLean said. "Hogs have always presented a problem in this regard and we have had the matter under study for a long period of time. The carbon dioxide method seemed to be the best solution and it was decided to install it at the Toronto plant. Once we are satisfied that it will work smoothly under varying conditions, we propose to proceed with the installation of similar equipment in all of our other plants."

EFFICIENT FEEDING AND LIVESTOCK MANAGEMENT

By Dr. Gustav Bohstedt
Emeritus Professor of Animal Husbandry
University of Wisconsin

Second Cutting of Hay Makes Good Winter Hog Feed

The second cutting of hay, usually much more tender and leafy than the first cutting, makes fine [illegible] winter rations for your brood sows and fall pigs.

Most years the first cutting of hay, legume or legume-grass mixture, is apt to be rather tall and coarse with few leaves. Also the first hay is usually difficult to cure in the field and may go into the barn or stack while still somewhat damp. The damp storage and resulting [illegible] in [illegible] does [illegible] quality and feed value of the hay.

Dr. Bohstedt

An experiment at the University of Wisconsin some years ago demonstrated the importance of the quality of the hay included in hog rations. A winter brood sow ration including 15 per cent by weight of good alfalfa meal resulted in vigorous, sleek looking litters of pigs, while a similar ration made with 15 per cent of only fair-to-poor quality alfalfa meal produced pigs that were weak at birth and after some weeks were still scurfy and miserable looking.

The brood sows and fall pigs depend primarily on good quality ground leafy hay for their carotene and other vitamins. In comparison with cattle and other ruminants, hogs require so little hay in their winter rations that this small amount of hay had better be very good. It should be primarily legume hay, leafy, green and sweet smelling.

When preparing the hay for brood sows [illegible] should grind through a [illegible] mill equipped with a quarter-inch screen, and use an eighth-inch screen if intended for pigs. This ground hay then can be readily mixed with the farm grain and supplement in a balanced ration. This ground roughage is a substitute for pasture during the season of snow and ice.

You can, of course, buy excellent grades of dehydrated alfalfa meal that are high in protein, carotene and other desirable vitamins. Such high quality meal needs to be fed in amounts of only from 3 to 5 per cent in fall pig rations to supply the needed [illegible] protection and to permit [illegible] growth.

The brood sows, however, do not need high-energy rations and you can feed them from 15 to 20 per cent or more alfalfa meal, even self-feeding a brood sow at the latter rate. In such cases you would not use the relatively high-priced, high-quality dehydrated alfalfa meal, but instead use your own, home-grown hay of good quality and properly ground.

Question: We've used phenothiazine salt for stomach worms and penicillin salt for bloat along with trace mineralized salt to guard against mineral deficiencies. Could salt be used also as a carrier of stilbestrol to boost gains in fattening rations for lambs and steers?

Answer: Yes, salt can be used as a carrier for stilbestrol. Actually, some experimental work is being carried on now. At the University of Minnesota wether lambs were self fed a ration that included salt with stilbestrol (30 milligrams per pound of salt) and they outgained by 8 per cent others on an identical ration but without stilbestrol. This method made it necessary to purchase a fortified protein supplement, to get the stilbestrol, when feeding a ration already high in protein.

Questions from readers will be answered in the column or by direct reply. Please send your questions to Dr. Bohstedt c/o Salt Institute, 33 North La Salle St., Chicago 2, Ill.

YOU CAN FIX IT

by GENE VON

Q.: How can I clean feathers on hats?

A.: Ostrich feathers can be washed by running them through the loosely-closed hand in lukewarm suds with white soap, then rinse in water of the same temperature. When hanging up to dry, tie a piece of string to the end of the quill and shake frequently while drying.

Q.: Is it injurious to moisten the hair with water too frequently?

A.: Yes, if this is done too often it causes the hair to become harsh and dry, making it break easily.

Q.: What can I use as a substitute for egg in puddings?

A.: One teaspoonful of gelatine dissolved in hot milk is a good substitute for two eggs when making puddings or cake.

Q.: How can I test hooks and eyes before making a garment, to determine whether they will rust when the garment is laundered?

A.: Steel hooks and eyes are liable to rust. Before using them test with a small magnet. If the magnet draws them they contain steel.

Q.: Should the gravy be poured over the meat when putting away in the refrigerator?

A.: No. The meat will keep better if kept separate from the gravy. The gravy is likely to sour more quickly and taint the meat.

Q.: How can I prevent costume jewelry from leaving greenish marks on the skin?

A.: Wash it in warm water and baking soda occasionally. Rinse and dry carefully afterwards.

Q.: How can I easily remove the string from beans?

A.: Every bit of string from the string beans can be removed if after thoroughly washing they are plunged into boiling water for 5 minutes and then drained.

PURE BRED SIRE AREA
SWINE

Under date of November 9th, 1956 the Agricultural Service Board of this Municipality recommended the inclusion of Swine under the Pure Bred Sire Act. This recommendation was approved on January 8th, 1957 by this Council. The Provincial Government passed Order-in-Council No. 729 on June 1st, 1957, approving the same.

Therefore, it is now announced that Swine will be included under the Act from November 1st, 1958. It will be required from this date that owners of all boars of serviceable age must have registered papers for them.

George Burdett, Marlene Hawley Married in Battleford Wedding

BATTLEFORD. — A wedding of wide interest to many friends in Battleford and Vermilion was solemnized on July 4 in the White Fox United Church when Rev. Bray united in marriage Marline Mae Hawley and LAC George Sidney Burdett. The bride is the daughter of Mr. and Mrs. Floyd Hawley of Love, Sask., and the groom is the son of Mr. and Mrs. Sidney C. Burdett of Vermilion, Alta., formerly of Battleford. The late afternoon ceremony was performed in a setting of mixed flowers, with Mrs. Bray officiating at the organ. The bride and groom exchanged rings.

Entering the church on the arm of her father, the lovely bride chose for her wedding day, a gown of white lace and net poised over crisp taffeta. Topped by a lace bolero, with high round collar and lily sleeves, the bodice of lace extended into the bouffant skirt, ending at knee length where it was deeply banded with satin which was caught in a bow at the back. Filmy net cascaded from the satin binding to sweep the floor over wide hoops. A halo headdress, studded with tiny hearts outlined with sequins held the bridal veil of fingertip illusion, and she carried a mauve orchid resting on a white Bible. The bride's only jewelry was a gold wrist watch, gift of the groom.

Miss Arlene Scott of Love, as bridesmaid, chose a turquoise gown of net over taffeta in ballerina length, the full skirt topped by a sleeveless bodice, which featured a low neckline outlined in net ruffles. Her ensemble was completed with tiny matching mittens and a small playboy hat. The bridesmaid carried a bouquet of mauve and white baby 'mums.

The groom was attended by his brother, Arthur Burdett of Battleford.

For her daughter's wedding, Mrs. Hawley appeared in a beige print gown with white accessories and a corsage of red roses. Mrs. Burdett, mother of the groom, chose a blue figured cotton and nylon model with bolero. Her accessories were white and her flowers a shoulder knot of red roses.

Reception guests were received following the ceremony in the Love Community Hall, where they were greeted by the bridal party and their parents. The bride's table was centered with a three tiered wedding cake topped by a miniature bride and groom encircled in a heart. Mixed flowers also graced the table. The toast to the bride was proposed by a long time friend of the family, Mr Tatlo, and a telegram of congratulations was read by Arthur Burdett.

Following the dinner, a wedding dance was held in the hall before the young couple left on their honeymoon trip to Prince Albert, Regina and Saskatoon.

The bride travelled in a grey suit complemented with white accessories and a mauve orchid corsage.

LAC and Mrs. Burdett will reside at Edmonton.

Reception Honors Newlyweds

BATTLEFORD — In honor of LAC George Burdett and his new bride, Mr. and Mrs. Arthur Burdett entertained a host of friends on Saturday evening from 7.30 to 10.00 p.m at their home. The guests were greeted on arrival by the parents of the groom Mr and Mrs. Sid Burdett of Vermilion, who introduced their new daughter-in-law the former Marline Hawley of Love, Sask., who, with her husband, also received.

A bouquet of mixed flowers decorated the living room where dainty refreshments were served by the host and hostess, assisted by Mrs. Ned Lane and Mrs. Bob Allan.

Mannville and District Local News

Mr and Mrs. R. Glen Pyle and small daughter Tanis, motored to Edmonton Friday evening to spend the week end with Glen's sister and brother-in-law, Mr and Mrs. C. R. Cowper. They also attended the Exhibition, returning home with a huge Panda Bear and a poodle dog which are much enjoyed by Tanis.

Mr and Mrs. A. Rostron and daughter Carol left for Victoria via C. N. R. train this week, where they plan to spend their holidays.

Mr. and Mrs. Harry Allen and family are spending their holidays at Lake Wapasu, Innisfree.

Eller McLaughlin is working at Linda's Coffee Bar during her holidays.

In the absence of the janitor (Mr Baker) Chris Hamilton has been relieving him.

Mrs. F. Hubbard is employed at the Post Office part time while the staff take their well-earned holidays.

Mrs. Edith O'Connor is spending part of her holidays at Cherry Grove and district.

Mr and Mrs F Matney spent the week end at Lac la Biche.

Mrs D Hasinoff and family, driven by Danny Hasinoff, are spending some time visiting relatives in Saskatchewan.

Mr. and Mrs. Alex Reid and family are holiday guests at the home of their aunt and uncle Mr and Mrs W Osborn.

Mrs. Bill Colborne (Elsie to all old timers) and daughter (Pat Blakely) with Elsie's grand children were Mannville visitors recently, enjoying the opportunity to talk to all old friends and relatives while here from Red Deer.

Mr and Mrs. J. I. Jones left last week end for their holiday trip by bus to various parts of the U. S.

Bert and Elsie Williams are on their way to Penticton, B. C. where Bert plans to fly across to visit with his daughter at Victoria. We wish our Mayor and wife a happy time.

Cpl. and Mrs. J. Batt were Mannville guests over the week end taking little Miss Daphne Hughes with them to the city with their family.

A guest of her sister Mrs. Ivan Smith and husband is Mrs. Prest of Vancouver.

Local C. N. R. agent Slim Hammond and wife Jean are holidaying at the West Coast, having visited in B.C. and Seattle already we understand. Mr Harry Ly[illegible]wyko is relief agent in Mr Hammond's place.

The house of Mr A. Grech is progressing at a rapid pace and will soon be ready for occupancy. It presents a most attractive appearance.

Mrs. Nafziger Sr. has purchased the John North house and plans to move in soon.

Billy and Stuart Forsyth spent a few days holiday at their aunt and uncle's home in Pierceland, Sask.

Mr and Mrs. N. McKinnon have their granddaughter visiting them at present.

Mrs Ellwood is visiting her granddaughter in Edmonton.

Mrs Vandusen and family were home to pack their belongings this week end, having moved to Edmonton where they were fortunate enough to purchase a house.

Mrs Harry Matthews and girls were Mannville visitors this week end from Edmonton.

Rev. Harold and Mrs Ricker are guests at the home of their mother and sister Mrs R. E. Cain and Abbie Cain. Janet was a former Mannville district resident.

Did you get your telephone directory? If not it's at the telephone office waiting for you to pick it up.

Rev Harry Mrs Shell and family left Monday of this week for two weeks holiday. Services at Christ Church Anglican are therefore cancelled until Aug 10.

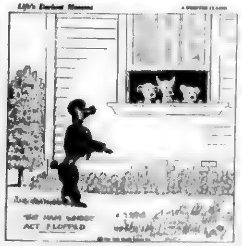
Hail has been reported in southern districts at Mannville doing considerable damage.

Marion Schock is in Edmonton where she attended the Exhibition there.

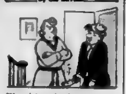
Mrs. Otto who is a patient in an Edmonton hospital is progressing as well as can be expected according to word received here office.

Mrs M Malin and boys are attending the Fair at Lloydminster this week, as well as her daughter Sheryl.

Life's Darkest Moment



THE HAM WHOSE ACT FLOPPED



"How did you break your husband of that habit of staying out all night?"

"When he came home late one night, I called out 'Is that you, Ralph?'—and my husband's name is John."

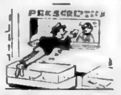
"Mother," said Tommy, "is it correct to say 'water the horse' when he is thirsty?"

"Why, certainly, dear."

"Well, then," said Tommy, picking up a saucer, "I'm going to milk the cat."

Freshman: "May I kiss you?"

Co-ed: "Jeepers! Another amateur!"

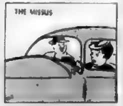


Someone just figured out what doctors scribble on prescription pads. It's a note to druggists: "I got my $5, he ought to be worth that much to you."

A ten-year-old boy rushed into the shop. "Father's being chased by a bull," he cried.

"What can I do about it?" asked the shopkeeper.

"Put some film in my camera," said the boy.



"Now press the button marked 'D' with the forefinger of your left hand."

Summer Vacation Bible School

MANNVILLE — The Missionary Alliance Tabernacle have recently sponsored a Summer Vacation Bible School which was well attended. Rev J. Schroeder was in charge of same. Friday evening saw the end of the school when the children staged a programme to which all parents and friends were invited. Sing-songs, and recitations were heard and much enjoyed by all present. A table of work accomplished while at the school was on display.

Victory Bond Holders Have An Opportunity To Exchange Holdings

Local residents who hold Victory Bonds worth $50 or more have an opportunity now to exchange their holdings for units of the new Canada Conversion Loan of 1958 announced recently in Parliament. It is estimated that more than 2 million Canadians hold one or more of the bonds the Government now offers to convert.

Copies of the prospectus and further information about the Conversion Loan may be secured at local banks or from any investment dealer, trust or loan company.

Described as the largest financing undertaking in Canadian history, the Canada Conversion Loan was launched on Monday with an announcement in Parliament by Finance Minister Donald Fleming and a combined radio-TV appearance by Prime Minister Diefenbaker and Mr Fleming on all Canadian radio and TV stations Monday evening.

Speaking directly to the people of Canada, Mr Diefenbaker and Mr Fleming stressed the importance of the loan in re-organizing the government debt as a contribution to financial stability in the country and an impetus to further economic expansion.

Under the terms of the Canada Conversion loan, anyone holding Victory Bonds worth $50 or more may exchange them. In return they will receive Bonds bearing a higher rate of interest and also an immediate cash settlement. This cash adjustment payment is expected to add to investor interest in the new bonds and constitutes a premium for a lengthening of term.

Any Victory Bond, all of which bear interest at 3%, may be exchanged for new 4½% 25 year bonds. Three shorter maturities are available at lower interest rate.

"We have to look beyond the needs of this fiscal year," said Mr Fleming announcing the loan in parliament.

"During the next few years there will mature in quick succession the whole of the remaining five wartime Victory Loans, totalling over $6,400,000,000. This constitutes more than 40% of our outstanding public debt excluding the special categories of Canada Savings Bonds and Treasury Bills. The conversion program is designed to refund these issues in an orderly way."

Sure was hot! and the Standard office was no exception. In fact for the first time in the experience of the Standard it was so hot that the rollers on one of the automatic presses simply melted away in the midst of a 25,000 run.

Of course the fact that the press was running at a speed of 3600 impressions an hour contributed to the heat phase.

The rollers are a composition rubber material.

Margaret Wilson and Gordon Bell Married In Double-Ring Ceremony

Miss Margaret Wilson, daughter of Mr and Mrs. Clarence O. Wilson became the bride of Mr Gordon Boyd Bell, son of Mr and Mrs Elmer H. Bell of Edmonton, in a pretty double-ring ceremony held at the First United Church, Vermilion, on the afternoon of Saturday, July 5. Reverend James Shortt performed the wedding ceremony before an altar banked with baskets of white and red peonies.

Given in marriage by her father, the bride chose a floor length gown of lace and net over taffeta, the fitted bodice was fashioned with lily point sleeves and boat neckline. Her head piece of seed pearls and iridescent sequins held in place her veil of nylon tulle. She carried a bouquet of red roses and stephanotis.

Miss Jeanette Wilson, sister of the bride, Miss Donna Bell, cousin of the groom and Miss Eileen Bauer were bridesmaids. They wore identical waltz length dresses of blue crystalline, chinese style hats and white nylon gloves. They carried bouquets of white shasta mums.

Mr Leslie Bell, brother of the groom, was the best man. The ushers were Mr Henry Wilson, brother of the bride and Mr William Horricks.

Mr Jack Brown played the wedding music and Miss Margaret Goodwin was soloist.

At the reception held for 125 in the United Church Hall, the bride's table was centred with a beautiful three tiered wedding cake made by the bride's mother and decorated by Mrs O. Ommen. Mr Donald Wilson, uncle of the bride proposed the toast to which the groom suitably responded.

Following the reception a wedding dance was held in the Elks Hall in Vermilion and was largely attended by friends and well wishers of the bride and groom.

For a honeymoon trip to Great Falls, Jasper and Grande Prairie, the bride changed to an aqua sheath dress and jacket, complemented with white accessories. Upon their return the happy couple will make their home in the Namao district.

George Mix Dies In Edmonton

George Mix, well known former Vermilion man passed away in Edmonton on Saturday afternoon last, July 19 at the age of 47 years. George grew up on the family farm north of Vermilion and for some years was connected with a trucking business in town. He has lived in Edmonton since 1949 and was interested in the Road Construction business.

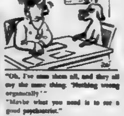
He leaves to mourn his early passing his loving wife, one son, eight daughters, six brothers and two sisters.

Funeral services were held on Wednesday July 23 from the Foster and McGarvey Funeral Home. Mr W. M. Murray officiated and interment was in the Edmonton Memorial Evergreen Gardens.

The neighborhood dogs were romping together one day when Scottie came along. "Heavens, Scottie, what's wrong with you?" asked the little Peke. "You look simply awful!"

"I feel awful. I'm nervous, can't sleep, have no appetite."

"You ought to see a good vet."



"Oh, I've seen them all, and they all say the same thing. 'Nothing wrong organically.'"

"Maybe what you need is to see a good psychiatrist."

"Oh, I couldn't—you see, I'm not allowed on couches!"

Laugh of the Week: A huge pile of statistics is available to show that business is getting better—especially for people who compile statistics.

The second tale concerns the poppa bear complaining: "Someone's been messing with my porridge." The second and third bears also complained: "Someone's been messing with my porridge." The mama bear finally replied: "Gripe, gripe, gripe—that's all you non-doers do around this house. The fact is I haven't even started to make the porridge."

Tenderfoot: "Why are hurricanes named after girls?"
Meteorologist: "Because they're [illegible]."

Sputniks Seen Here? Could Be Balloon

Several people have reported recently that they observed a light very high in the sky and wondered if it could be one of the sputniks passing over. The radio range informs the Standard that Raven Industries launched a hugh helium balloon from Neepawa airport. Diameter of the balloon was 212 feet and the floating altitude 103,000 feet with maximum altitude 30,000 ft. A flashing red light was attached to the base of the balloon. The flight of the balloon was terminated 50 miles southwest of Medicine Hat on July 23.

ADVERTISING helps stabilize a business.

Movies at the Park Every Sunday

Movies will be shown in the park band shell every Sunday evening as soon as it becomes dark. The programs commence with a couple of comedies for the children. A special attraction has been obtained for Sunday evening Aug 17th when a film entitled "Canada's Air Defence" will be shown. This is a picture of the Cold Lake air station.

Other films coming are "Story of Leduc Oil Production", "Industry and Resources of Newfoundland", "Religious Customs of India" and "Alberta Timberline" a travel through the mountains of our own province.

Does Step Dance On 88th Birthday

Arthur Snape who was the first man to file on a homestead in the newly opened office for that purpose in Vermilion, celebrated his 88th birthday on Monday, July 21. To show that he felt just as spry as in the old homestead days, Arthur did a lively step dance.

Fifty-five of the 88 years have been spent in the Vermilion district. Mr. Snape arrived from Hackington, Lancashire England before the town of Vermilion was started, or the arrival of the C N R.

At that time homesteaders had to travel to North Battleford to file their claims, an office for that purpose was opened here and Art was the first one through the door on the opening morning to name his quarter at the Vermilion office. His homestead was located just south - east of town.

The world is never drab and dreary to the man who has important work to do.

Federal Grants Asked for Education

OTTAWA — Calling for "courageous leadership" to end the impasse in education, a delegation from the Canadian Conference on Education, largest conference of its kind ever held in Canada, placed a far-reaching eleven-point program of federal aid before Prime Minister Diefenbaker and his cabinet.

"We believe the federal government can initiate moves that will meet with a generous measure of provincial acceptance and support," according to the brief submitted by a 15-member committee of groups who sponsored the education conference.

Noting the federal government already extends some education aid, K. R. Swinston, Toronto businessman, and Max Swerdlow, Canadian Labor Congress, who were spokesmen for the group, said they were "gravely concerned about the inadequate quantity" of the assistance.

Embodying resolutions passed at the huge conference held in Ottawa last February, the brief was carefully worded to avoid any suggestion of federal encroachment in the provincial field of education, and it called for joint federal-provincial co-operation to wipe out "inequalities of educational opportunity."

To launch an extensive federal-provincial program in education the brief recommended more financial aid for students, and the establishment of a national government committee to develop research in Canada, along with federal grants to help universities set up "institutes of research". There should also be a national organization to promote research in education itself, the brief suggested.

Asking that existing federal grants to universities should be made on a "more realistic and equitable basis" to help overcome rising costs, the brief also called for increased federal payments to the provinces to provide better and equal opportunities in elementary and secondary schools across the nation.

Other resolutions called for special grants to establish institutes of technology, along with extension of the present federal-provincial vocational training scheme to assist handicapped children. More aid was needed to improve school libraries, and the brief recommended a national fund for adult education.

"In the national interest, parliament and the provincial legislatures cannot afford to let matters of education reach an impasse," spokesmen told the cabinet.

They said other resolutions passed by the 850 delegates at the February conference, will be presented to the provinces.

During the presentation the Prime Minister met Miss Caroline Robins, past-president of the Canadian Teachers' Federation, who will be executive secretary of the Canadian Conference on Education continuing organization dedicated to obtaining federal and provincial action on the resolutions.

C. S. Smallwood, M. P., Reports From Ottawa

We have been in the Capital two months and are now sitting on different committees in the mornings, afternoons and evenings in addition to our regular hours of session and this week we are beginning to sit in session on Saturdays as well.

I feel sure that you will be interested as I am in the farm situation. The western members have had many conferences with the Minister of Trade and Commerce and the Minister of Agriculture and I feel sure that before the session is over these conferences will bear some fruit. However, we must realize that one cannot go into a field that has been full of weeds for a number of years and expect to reap a bumper crop the first year. I feel that as time goes on the farm problems of the West are going to be steadily improved under this government.

An interesting feature of the agricultural export trade picture is that Canada has been the only one of the four major wheat exporting countries namely U.S., Australia, Argentina and Canada, to have exports of wheat and flour in the current crop year at a higher level than at the same period a year earlier.

Exports of agricultural products in general this year are running about 12% above those in the corresponding period last year something which I think is a very encouraging sign indeed as far as the general agricultural picture is concerned in Canada in 1958.

The farm price situation has improved steadily in late 1957 and 1958 to a considerable extent, I think, since this Government came into office and instituted crop policies in connection with agriculture. Preliminary Dominion Bureau of Statistics estimates place the price index of farm agricultural products at 240.7 in April compared with 237.1 in March. April is the fifth consecutive month witnessing a rise in the index — in other words, in the past six months the general level of agricultural prices has been upward.

The Government is well aware of the price cost squeeze the farmers of Western Canada are placed in today. They realize that we have been neglected over the last period of years, a situation that cannot be remedied overnight. We are very interested in equalization payments (call it 'Deficiency Payments' or 'Supplementary Payments' as you like) and I have great hopes that before too long we will have an announcement of encouragement with regard to this matter.

I was in consultation with the Minister of Trade and Commerce for an extended length of time the other day, and I can assure you that he realizes our situation, and I am sure you will agree with me that deficiency payments or just payments to fill the gap. This Government is looking over a period of years into the future to bring forth legislation in the interest of Western Canada and the farmers in general whereby we will be entitled to our fair share of the national income of this country.

Platinum — a metal more costly than gold — will help Imperial Oil's Calgary refinery make gasolines for the cars of tomorrow. 8000 pounds of these tiny platinum-impregnated pellets costing $12 a pound, are to be used in a unit called a 'Powerformer'. The pellets act as a catalyst in a process which turns low octane gasoline into higher octane gasoline. This process is needed solely to satisfy the high compression engines which car manufacturers are turning out today and planning for tomorrow. The Powerformer is being built as part of a $17 million expansion of the refinery, the largest single construction job in Calgary's history.

APPRECIATION

I wish to thank the Allendale W. A. for the basket of fruit sent to me while a patient in the hospital and to Mrs. Thronson for the flowers.

Mrs. Jimmy Martin.

And when some people ease their minds they make the situation tense for others.

F. U. A. Officials Discuss Deficiency Payments in Ottawa

Alberta's Farm Union officials are in Ottawa meeting with members of Parliament and Government officials. Mr. A. W. Platt, President of the Farmers' Union of Alberta, said that "the discussions will centre around deficiency payments on western grain." Accompanying Mr. Platt are Mr. Ed. Nelson of Brightview, executive member, and Mr. Wayne Anderson of Bow Island, a member of the central board.

The decision to press for action at this time was made at a meeting of the Interprovincial Farm Union Council held in Saskatoon last Wednesday and ratified by the Board of Directors of the Farmers' Union of Alberta, in session at Edmonton last Friday.

Representatives of the Farm Unions of Saskatchewan, Manitoba and Ontario are expected to join with Alberta people in Ottawa. Jim Patterson of Winnipeg, Interprovincial president, will lead the group.

Mr. Platt said before leaving that "the economic arguments in favor of deficiency payments have been placed before government on several occasions. At this time we will press for immediate action," Mr. Platt said. There is no point in encouraging grain farmers to leave their farms and join the unemployed in our cities this fall. The long drawn out cost - price squeeze, restricted deliveries, and now drought over wide areas, has put many growers in the position that they cannot carry on without a change in national policy. I believe the government understands the situation and they plan to take action but I am deeply concerned that it may be too little and too late," Mr Platt added.

PROCLAMATION!

To the Citizens of

The Town of Vermilion

In accordance with a resolution of the Council of the Town of Vermilion, and by virtue of the powers vested in me as Mayor, I hereby proclaim

Monday, the 4th day of August 1958, as

A CIVIC HOLIDAY

in and for the Town of Vermilion; and I call upon all citizens to observe the same by closing their stores and usual places of business as is customary on such holidays.

MELVIN HILL, Mayor.

God Save the Queen!

Pretty Double-Ring Ceremony Held at Dewberry United Church

Dewberry United Church was the scene of a very pretty wedding on Thursday, July third at 2:00 p.m. when Joyce Margaret, second daughter of Mr. and Mrs. Walter Parker of Dewberry, became the bride of Mr. Neil Elliott Thomas of Stony Plain, Alberta.

Rev. Shortt of Kitscoty performed the double-ring ceremony. Vases of gladioli decorated the church.

The bride, given in marriage by her father, looked charming in a floor length gown with a fitted lace bodice, having a scalloped neckline and lily point sleeves. The skirt was sequin decorated nylon net over satin. Her matching fingertip veil was held in place by a dainty coronet of beaded pearls in a heart shaped design. She carried a beautiful cascade bouquet of American Beauty roses. Her only jewellery was a heart shaped necklace and earring set with blue stones.

The bridesmaids, Miss Leona Mathison, Miss Irene Parker, sister of the bride, and Miss Lily Krawchuk wore waltz length gowns of net over taffeta in pink, yellow and mauve with matching headdresses and gloves. They wore identical rhinestone necklace and earring sets, gifts of the bride, and carried Colonial bouquets of mixed flowers. Miss Kathy Heron of Stony Plain was flower girl. She wore a dainty blue nylon frock and a blue headdress with pink flowers and carried a bouquet of mixed flowers.

The men of the bridal party wore boutonnieres of white carnations. The groom wore a diamond stick - in which was a family heirloom belonging to his grandfather. He was attended by Mr Robert Parker, brother of the bride, Mr Arden Okerstrom of Lloydminster, and Mr. Floyd Sweet. The ring bearer was Ralph Davies, cousin of the bride and the usher was Mr John Mislak. Miss Cheryl Jones played the wedding music.

For her daughter's wedding, Mrs. Parker chose a blue dress with white accessories and a matching picture hat. Her corsage was of American Beauty roses.

Following the wedding, a reception was held on the lawn at the home of the bride's parents. Rev. Shortt gave the invocation. A toast to the bride was proposed by Mr. Floyd Sweet and the groom responded. Rev. Shortt read a telegram of congratulations from Mr and Mrs. H. Brown, the former being one of Joyce's high school teachers. Miss Evelyn Parker, sister of the bride, was in charge of the guest book.

The bride's table was centred with a three tiered wedding cake which was made by Mrs. Harold Mathison and beautifully decorated by Mrs. Vic Dennill. The cake was flanked by vases of gladioli.

Among the out of town guests at the reception were: Mr. and Mrs. Earl Geake, Hugh and David, Vermilion. Mr and Mrs Merv Heron, Myra and Kathy, Stony Plain. Mr and Mrs H Hemmingway, Lynne and Karen, Vermilion. Mrs. Johnson, Vermilion. Mr. and Mrs George Crosby and Joan, Edmonton. Mrs Angus Smith and Rae, Mannville. Mr and Mrs Milt Lee, Vermilion. Mr and Mrs. Charles Thompson, Vermilion. Mr. and Mrs John Nelson, Lloydminster. Mr. Arden Okerstrom, Lloydminster.

A dance was held in the Dewberry hall in the evening with music supplied by the "Combos." For a honeymoon trip to Alaska the bride donned a blue tailored suit with white accessories and a corsage of American Beauty roses. The groom's gift to the bride was a genuine leather hand tooled purse. The happy couple plan to make their home at Stony Plain.

Former Vermilion Teacher Is Married in Edmonton Ceremony

Grace United Church was the scene of a pretty wedding on Saturday, July 5, when Lois Anne, only daughter of Mr. and Mrs. L. O. Allen of Lloydminster became the bride of James Cuthbert Cooper of Edmonton, son of Mr and Mrs. J. F. Cooper of Ottawa, Ont.

Rev. R. R. Smith performed the ceremony.

Given in marriage by her father, the bride looked lovely in a floor length gown of tulle over taffeta. The full skirt was trimmed with ruffles of tulle and lace. The all - over lace jacket was fashioned with a small collar and lily point sleeves. Her finger tip veil of nylon net was accented with lace and sequins. She carried a cascade bouquet of Delight roses.

Mrs. Kenneth McCrae of Vermilion was matron of honor and wore a gown of coral chiffon and matching headdress. She carried a colonial bouquet of yellow and white carnations.

The groom was supported by Mr Lorne Barclay of Edmonton.

Mrs. Hemstock played the wedding music and soloist was Mrs Jack Allen who sang "Because" and "The Lord's Prayer."

The ushers were Mr Jack Allen, the bride's brother and Mr Alan Rowe.

Following the ceremony, a reception was held in the church parlor. Receiving with the bridal party were the bride's parents and Mr and Mrs. W. Cardiff, uncle and aunt of the groom. For her daughter's wedding Mrs. Allen chose a dress of pointed turquoise nylon taffeta and white accessories. Her corsage was of pink roses. Mrs Cardiff wore a brown figured suit with white accessories.

Miss Angela Chisholm presided at the guest book. The toast to the bride was proposed by Rev. Smith and duly responded to by the groom.

For their motor trip to Ottawa and points east the bride changed to a [illegible] dress and navy duster. Her hat and accessories were white and she wore a corsage of red roses.

Mr and Mrs Cooper will reside in Edmonton.

The bride was a member of the teaching staff at Vermilion for several years.

DERWENT THEATRE

Showing at Derwent theatre July 26 and 28 "Buster Keaton Story". A story of one of the greatest comedians of all time skillfully played by Donald O'Connor. Aug 2 and 4 "The Kettles on Old MacDonald's Farm", the most rollicking, laugh provoking comedy of this outstanding series; Aug 9 and 11, "The Warriors" an adventure epic featuring Errol Flynn. 4

CLANDONALD HALL

Showing at the Clandonald Hall this week-end, July 25 and 26: a double feature, "Hot Cargo" a thriller and "I'm From Missouri," starring Bob Burns. August 1 and 2 "Seven Men from Now," a good drama in Technicolor.

Betty Baddock Is Bride in New Westminster

NEW WESTMINSTER, B.C. A pretty summertime wedding took place recently in First Presbyterian church when Elizabeth Jean Baddock, daughter of Mr and Mrs. J. Baddock, of Vermilion, Alberta, became the bride of Philip Victor Lyne, son of Mr. and Mrs V. H. Lyne, 704 Sixth street, New Westminster. Rev. Kingsley King officiated at the double-ring ceremony.

Given in marriage by Captain Francis Northrup, the bride chose a flattering princess - style gown of brocaded taffeta with bouffant skirt swirling to floor length. A lace appliqued veil of French illusion was caught to a Queen Anne headdress, and she carried a cascading bouquet of red rosebuds and white carnations.

Attendants Mrs. Ralph Staples matron of honor, Mrs Barry Dill bridesmatron, and Miss Joy Sharvey, bridesmaid were similarly attired in chiffon dresses in the ballerina - length with matching picture hats. Rose hue was worn by the matron of honor while the bridesmatron and the bridesmaid wore Caribbean blue. Each carried a bouquet of shasta daisies in a complimentary shade.

Master Jed Steinbach acted as ring bearer.

Best man was Mr. Ralph Staples and ushering were Mr Barry Dill and Mr Dennis Lyne brother of the groom.

Toast to the bride was made by Mr Allen Eggins at the reception held at the Living Room.

The newlyweds plan to make their home in New Westminster after a wedding trip to Seattle.

Entertainment By L.O.B.A. Marks 12th of July

MANNVILLE. — Monday evening last the ladies of the L.O.B.A. entertained their husbands and friends at a social which followed immediately after their regular meeting. Games were played as well as bingo and cards for those who wished. Approximately 33 were in attendance to commemorate the nearest date to the 'Glorious Twelfth of July', as the men held their regular meeting Saturday evening July 12th. Further Orange notes advise us that Bert and Elsie Williams and Mrs. Manz accompanied Ralph Leitch to Gilt Edge on Sunday last for an Orange picnic sponsored by Gilt Edge. Mr and Mrs. Carmen Hughes and family also attended this picnic and despite the cool weather, a good time was reported.

Shower Honors Miss Baldwin

There were abouts 30 ladies present in the Legion Hall on Wednesday evening July 9 when Miss La Quinna Baldwin's marriage to Eddie Bodnar was honored by a miscellaneous shower.

After a contest in which all questions had to be answered by two words starting with L and B the bride-elect was dressed in a hard hat, long white coat and given a lantern and told to go seek her treasure. La Quinna found the treasure in boxes at the ends of strings which started at a beautifully decorated table. With the help of Mrs. Kay Hilla, by Eddie's mother she proceeded to open and pass them around.

A delicious lunch was served and enjoyed by all.

The hostesses were Mrs Marion Lowrie, Mrs. Dorothy Cook, Mrs Mary Petryshen, Mrs Helen Spence, Mrs. Martha Hutchinson and Doris Gudzowaty.

"IMAGINATION RULES THE WORLD"

— *(Author's Name Below) —

Scientists first use their imagination to figure out what can be the possible causes of a disease. Then they research each theory until they are positive of their basic facts.

Next, the chemists create a formula, or sometimes even a new man-made chemical, that will accomplish the desired result.

After it has been clinically tested for safe use, the new discovery is sent to our prescription departments. Your physician prescribes it, we pharmacists compound it and another disease can be treated better than ever before.

A great many people entrust us with the responsibility of filling their prescription. May we compound yours?

OBITUARY

EDWIN ALBERT THRONDSON

Funeral services for the late Edwin Albert Throndson, son of Mr. and Mrs. Gus Throndson, were held on Wednesday, June 25th at the First United church, Vermilion. Interment followed in the Vermilion cemetery. The Rev. C. W. MacKay officiated.

The pall bearers were four uncles, Idelore Nelson, John Nelson, Orley Omness and Ed Magistad, and two close friends, Wilbur and Fred Goddard.

Edwin lost his life by drowning in a boating accident on the Yellowknife River, at a point approximately 25 miles north of the town of Yellowknife, on Sunday, June 15th. He was 24 years of age.

He is survived by his parents in Vermilion, two brothers Alvin of Clandonald and Theodore of McMurray, and two sisters, Mrs. Enoch Lundblad of Valleyview, Alberta and Mrs. Ralph Strome of Clandonald.

Moyers were in charge of the funeral arrangements.

Beautiful floral tributes were received from:

In Loving Memory — Papa and Mama; Lucy, Enoch and girls; Theodore, Mabel and family; Delsie, Ralph and children; Alvin and Evelyn; Aunt Ellen and Uncle Orley; Jimmie and Della, Hilda and Don, Orlene and Paul; Delore, Aunt Elsie, Helen and Frank, Lee and Joan, Anna, Vernon and Leslie; Uncle Earl, Aunt Zanstrilo, Blaine, Lynda, George and Lorraine, and Shelly; Uncle Ed, Aunt Grace, Morley and Georgetta; Uncle Johnnie, Aunt Barbara, Alva, Jean, Art, Roger and Johnnie, Lorna and Tommy; Wilbur and Ellen Corrie and family; Tom, Georgie and Frank Souder; Hugh, Florence and Ann; the Sheppard Family; Clandonald Community; Doris and George Fraser, Grande Prairie; Max and Jill Bonitz, Edmonton; Curry Construction Co. and Staff, Yellowknife; Ruth and Joe McAreavy, Yellowknife; Mrs. Spencer; Mrs. Addie Mead; Mr. and Mrs. Curtis Martin; Steve and Stella Gordey; Joe and Allan Good; Mrs. Dorothy Johnson and family; Tom and Dorothy Watt, Audrey and Marvin; Mr. and Mrs. Gordon Dow and family; Mr and Mrs. H. Van den Dolder; Mr and Mrs. Vic Dennill, Hedley and family; Mr. and Mrs. Allan Mead.

Crippled Children's Fund: Mr. and Mrs. Geo. Farrell; Silas, Joyce and family; Billy, Yvonne and family; Mr. and Mrs. Milton Farland; Mr. and Mrs. Mayers; Mr Rogan and family; Mr. and Mrs. Fred Dougan; Mr. and Mrs. Jim McLaughlin; Mrs. Mabel Lee; Mr and Mrs. Geo. Maggs and family; Mr. and Mrs. Wm. Dougan; Mr and Mrs. Lawrence Mayhew; Mr. Ed Baldwin; Mr. and Mrs. M. Simonet; Mr and Mrs. A. J. Simonet; Bev and Anne Baldock and family; Milton and Eunice Lee; Marion and Mike Mayowski; Mr. and Mrs. Joe Parchewsky; Nancy and Harmen Feenstra; Earl, Zanstrilo, Blaine, Lynda, Georgie, Lorraine and Shelly.

Donations to the Cancer Fund: John Butler; Mr. and Mrs. R. Butler; Vic McKee; George and Anne; Allandale W.A.; John and Edna David; Jean and Eric Nelson; Mr. and Mrs. Hank McKinnon and family; Mr. and Mrs. Ochsrman and family; Joyce and Ronnie Forsythe; Warren and May Edwards and family; Angus and Gladys MacMillan and family; Ort and Jessie Strome; Mr. and Mrs. Geo. T. Chalmers; Betty and Keith Chalmers and family; Glen and Evelyn; Mildred and Louis; Mr. and Mrs. D. R. Mitchell; Hilda and Bill; Mr. and Mrs. Ray Jory; Hugh and Shirley.

Donations to the Arthritic and Rheumatic Society: Mr. and Mrs. Geo. Mead; Princess Anne W.I.; Mr and Mrs. McIntyre; Mr. and Mrs. Rock Mead.

Memorial Donations: Mr. and Mrs. J. H. Hardie; Mrs. Annie Cameron; Mr and Mrs. Jack Cross; Mr. and Mrs. R. L. Good; Clandonald Community.

Flowers to the house: Vermilion Old Timers' Association; Erna and Bill, Jim and Verna; Shirley and Tom Gilchrist, Winnipeg; Mr and Mrs. H. J. Payne and Ellen Hope. Mr. and Mrs. C. Laird and Mr. and Mrs. H. Schoonmaker; Mary, Woodrow and family; Bill, Freda and the boys.

Cemetery Fund: Mr. and Mrs. E. Strang, Lloydminster; Mr. and Mrs. L. Mayhew.

Crippled Children's Fund: Mr. and Mrs. John Tkachuk and family; Mrs. Pierce and family; Mr. and Mrs. Tom Foy Jr. and family; Mr. and Mrs Eddie Etherington and family; Mr. and Mrs. L. Garnier; Mrs. Malonek, Gordon and Frank; Joe and Cora Carlton; Mr and Mrs. R. Etherington; Mr. and Mrs. Donald McIntyre and family; Ed Stockwell, Fred and Lillian Goddard; Mr. and Mrs. Frank Molineux; Lorne and Norman McPhee; Mr. and Mrs. John McMorrow and John; Mr. and Mrs. Roel Feenstra; Mr. and Mrs. Arnold Olsen; Mr. and Mrs. Free; Mike, Martha and family; Harold, Opal and Dean Cooper; Mr. and Mrs. H. CARD OF THANKS

We wish to extend our heartfelt thanks for the many acts of kindness and help, and for the many floral tributes, memorial donations and sympathy cards received in our bereavement.

Mr. and Mrs. G. Throndson and family.

Health Unit Notes

FAMILY INFLUENCE ON CHARACTER

The chief purpose of family life is to protect children while they are unable to look after themselves and to train them so that they will be useful and happy as they grow up in the larger world outside the home. By your loving care you give your children the warm feeling of belongingness that will later develop into the knowledge that there is a place in the family circle that only they can fill and still later, that they have something within themselves to contribute to society.

The good physical care you give your children will help to make them safe and healthy. The habits and attitudes they acquire will influence the way they behave, the way their minds work, and the way they feel about things their whole lives long.

Since a child comes into the world without any habits, it is easy to see that he may just as easily learn good ways of doing things as poor ways. A child learns quickly to do the things he likes to do. For that reason acquiring good habits should be made as easy and as pleasant as possible.

A young child so often copies what he sees others do that it is important for other people in the family to behave as they want him to behave. A little child also absorbs the attitudes of those around him as a flower absorbs rain and sunlight. By your own attitudes you can help your little children to be free from unworthy fears, to be truthful and fair and to tackle their problems with resourcefulness and courage.

ADULT POLIOMYELITIS VACCINATION

In the past ten years, the incidence of paralytic poliomyelitis has shown an increase from the childhood to the adult age groups.

With regards to the fact that the virus of poliomyelitis is more easily transmitted during the warm weather, the Medical Officer of Health has decided to hold another adult polio session in Vermilion. Since most adults have now been innoculated against poliomyelitis, this will probably be the last opportunity for the adults to start the course. Any person up to and including the age of forty years who now wishes to commence the course or who is due for his second or third injection, may attend the following clinic.

Wednesday, August 6 — Vermilion (Health Unit Office) 10 to 12 noon.

Expensive Shooting

Planned potshots at the moon from the U.S. are probably going to cost a total of $80 million, estimates The Financial Post. Six have been ordered 'as soon as possible,' since the Russians are already preparing a moon vehicle of their own at a Caspian launching site. Chances of either country hitting the moon are rated around 25%.

The cornerstone of Canada's parliament buildings was laid in 1860 by the then Prince of Wales, who later became King Edward 7th.

Tractor Care — How Do You Rate?

Many farmers don't take proper care of their tractors. This charge was made by an agricultural engineer at the University of Illinois who surveyed sixty tractors in operation in that state. He and associates checked on five important maintenance points. Here's what he found:

Tire pressure: Guilty in 52 out of 120 rear tires; 38 out of 120 front tires were overinflated. If a rear tire is underinflated four pounds its life will be shortened one-fourth. Checking tires is a twice-a-month job.

Crankcase breathers: Guilty in 38 out of 54, and 12 breathers were plugged with dirt. Breathers let gases that slip by the pistons escape. If plugged, the pressure may blow a gasket. Check the breather every month.

Air cleaners: Guilty in 17 cases out of 60. Cleaners need daily care.

Ignition systems: Guilty in 27 cases out of 55. Power loss, fuel loss and hard starting are the penalties. Points should be cleaned at least three times a year.

Batteries: Guilty in 27 out of 60 cases. Sixteen batteries had no liquid above the plates. When the water is low, the battery is permanently damaged. Water should be checked every two weeks. tf

Last Rites Held For Bruce Hanning, Mannville Old Timer

MANNVILLE — Funeral services for Robert Bruce Hanning, who passed away in the University hospital in Edmonton, on July 2nd, were held Saturday, July 5 at the McQueen Memorial United church, Mannville. Service was conducted by Rev. Ian C. Halter, and interment took place in the Mannville cemetery.

Mr. Hanning was born in Fredricton, N.B. on Feb. 4, 1882. During the early years of his life he was engaged in the lumber business. He came to Alberta in 1904, continuing in his occupation until he moved to a farm in the Clovelly district in 1913. Mr. Hanning remained active in farming until only a few months prior to his death. He is survived by his loving wife Nina; three sons, Don of Mannville; Ned of Dawson Creek, B.C.; Frank of Edmonton; one daughter, Helen (Mrs. A. L. McCallum) of Edmonton, and three grandchildren. Pallbearers were Jim Bennett, Frank Scott, Harry Hamilton, Harvey Robertson, Bill McGinnis and Cumberland Clark.

Beautiful floral tributes were received from: Loving wife and family, Margaret, Joan, Grace and Ned; Johnny, Mae and Dolly; Mr. and Mrs. R. D. MacLaren; Mrs. Craft, Bob and Lil, Norman and Vivian; Chuck and Iola; the Bennett Family; Mrs. Burch and family; the McPhee Family; Mr. and Mrs. R. D. Hamilton, Harry and Allen, Audrey, Sheila and Lyle; Ma and Jack Shaw; Mr. and Mrs. R. G. Reid; W. P. Colbert; Mr. and Mrs. Lee Donnenworth and family; Mr. and Mrs. A. P. Crosby; Mr. and Mrs. Alex Smith; Mr. and Mrs. G. Rempel; Mr. and Mrs A. S. Gibson; Mary, Bruce and boys; Margaret and Walter Morgan; Mary and Rufus Curl; Creighton W.I.; Members and Staff of Mannville Co-op. Association; Geophysical Department Imperial Oil; Canesco Ltd.

Cancer Society: Mannville Old Timers' Association; Ross and Percy, Margaret and Graydon; The Bennett Family; Mr. and Mrs. Geo. Clark and Boys; Mr. and Mrs. Ivan Smith; Mr. and Mrs. J. I. Jones; Mrs. Nicoll and Gerald; Mrs. Rutherford, Edith and Jim; the Rossborn Family; Mr. and Mrs. Jack McLaughlin; Mr. and Mrs. E. J. Lagg; Mr. and Mrs. W. Osborn; Mr. and Mrs. Ronald Scott; Mr. and Mrs. J. B. Chambers; Mr. and Mrs. Dan Smith; Mr. and Mrs. J. Chrysler; the McFadzean Family; Sid Hinton and family; Alf Scott, Iva, Frank and family; Mrs. R. S. Ted and Maggie; Mr. and Mrs. R. White; Ralph and Ella Wagner; Mr and Mrs. Gus Maron; the Eschak Family; Andrew and Margaret Machin and family; Betty and Nelson Cundal and family; Eleanor and Ossie Bauer; Mr. and Mrs. Charles Clennett and family; Alan and Mary Rostron and Carol; Newt and Lucille Cooper; Mr. and Mrs. E. Whitson and girls; Mary and Joe Stafinski and family; John and Ruth McLeod; George Upton; Joan and Reg Lagg; Mr. and Mrs. A. Hess; Mr. and Mrs. Mike Mayr; Roy and Verna Wood; the Babij Family; Mr. and Mrs. Emmett McLaughlin; Stuart Bothwell; Mr. and Mrs. Art Phenney; W. McMinis; Chanasyk Family; Mr. and Mrs. R. C. Weaver and family; Carol and Bruce; Jerry and Julia Pulyk; Mr. and Mrs. Charles Lynch and family; Wallace and Ethel Chrysler and family; Mr. and Mrs. Doc Lagg; [illegible] Mercer; Irene and Irwin Finlay; Julian Pulyk; Mac and Len McLaughlin; Bob and [illegible]; J. Melville Bell; Ken, Linda and family; W. Noble; Mannville Motors.

Cerebral Palsy Association: Mr. A. Upson and Dorothy; Alice and Bill Walker and boys; Agnes Upson; Horace, Audrey and family.

[illegible] Memorial Fund: Mr. and Mrs. Charlie [illegible] and Mrs. Dorothy Bauer.

United Church Memorial Fund: Mrs. Bryden and Jack; Mr. and Mrs. Neil McKinnon, Mr. and Mrs. Del McFadden; Mr and Mrs. Jas. McCauley; the Torrance Family; Dudley, Peggy and family; Garnet, Mabel and family; Mr and Mrs. Eber McFadden; Mrs. Drayer; Mr and Mrs. Geo. Watling and family; Mr. and Mrs. R Holden and family; Mr. and Mrs. Harvey Robertson and family; Cynthia, Lloyd, and family; Clarence, Ross and Norma Ewing; Mr and Mrs. C. J Gamble and family; Mr. and Mrs. C. Meece, Myrtle and Roy Hay; Mae, Fred and girls; Erna, Alf and family.

Cemetery Fund: Thomas Family; Mr. and Mrs. C. W Jensen; Mr. and Mrs. W. McCauley and family; Bert and Elsie Williams; Sue Kwong and family; Myrtle and Wes Sargent; Ed and Will Barnes; Bill and Beth Mercer; Mrs. Cecile Mercer.

Anglican Building Fund, Mannville: Howard McLuckie; Mr. and Mrs. Harry Arnold; Joan and Reg Lagg; Ab and Peggy Hubbard; Mr. and Mrs. W Lawrenson; Jim and Muriel McLuckie; Mr. and Mrs. C Matson.

St. Helen's Memorial Fund, Stellaville — Mr. and Mrs. Jack [illegible]; Mr. and Mrs. George McGinnis.

Many cards of sympathy were also received.

TOUGH DEFENCE PROBLEM

Canada has many defence problems to resolve, but none is more basic and urgent than the question as to whether we should arm with nuclear weapons.

There would seem to be two alternatives, comments The Financial Post.

Either we must make nuclear weapons of our own, or we must ask the U. S. to set up stockpiles at Canadian bases that would remain under control of U. S. officers and armed guards.

Neither alternative may be very attractive, but here is an area in our defence effort that can't be settled by ignoring it.

Sir Alexander Mackenzie hoped that the Mackenzie River would lead him out to the Pacific, but when it took him instead down to the ice floes of the Artic Ocean he named it River Disappointment.

—*Quick Canadian Facts.*

NEWS from ALLANDALE

Weather — dry and hot, still no rain to date, July 16th.

On July 7th Nora was a visitor at the home of her brother Orley Omness. We just wonder why she wanted a catapault!

Mr and Mrs. Earl Nelson, son Blaine and daughter Lynda, their daughter Lorraine and George Hawkins and daughter Shelly from Vancouver arrived in the Allandale district July 7. They attended their niece, Ivy Deford's wedding, on the 9th and then left on the 10th for Athabasca to attend niece Maureen Peters' wedding on July 11th.

Mrs. Stella Mayers and her sister Mrs. Mabel Lee motored to visit their sister Mrs. Gertie Swanson on July 7th. That evening they attended a weiner roast at Spring Park at the home of their niece Mr. and Mrs. Morgan Darling's. It was a large gathering in honor of Mrs. Darling's (Joan) mother and father, Mr. and Mrs. A. Kepke, from Greenwood, B.C.

On July 10th Orley Omness accompanied by his son-in-law Jimmy Walsh and grandson Wayne motored to Muriel Lake and enjoyed a successful fishing trip. Wayne had his most thrilling moments, being on the water and catching his first fish — and six more!

A social afternoon was had at the W.A. meeting July 10th at the Idelore Nelson home. Mr. Farquer kindly lead devotional. Visitors were Mrs. Laird and her daughters Mrs. Beryl Greaves and family, Mrs. Joyce Lee and Lynda, Mrs. Thelma Armstrong, Darlene and Neil, and Mrs. Della Walsh and daughters. The August meeting will be held at the Wm. Armstrong home. Lunch, Mrs. Mossy McPhee and Mrs. Evelyn Throndson.

Mrs. Mabel Lee and Mrs. Stella Mayers were visitors at New Sarepta July 13th at the home of brother Sofus, Ruth Omness and girls. On their way home they visited relatives at Wainwright.

On July 13th Mr. and Mrs. Alvin Throndson spent the day at Cold Lake with the latter's parents, family and friends. Mr. and Mrs. Idelore Nelson, Anna and Leslie at daughter Helen and Frank Schmidt's in Lloydminster. Mr. and Mrs. Louis Baldock and daughter Beryl and family motored to Elk Island, met Tommy and all went on to the city.

July 11th Terry Rogers from town arrived to holiday with his pal Greg on the Lee farm.

Mr. Hugh Farquer's friend Miss Phoebe Redpath from Montreal arrived at Saskatoon by plane and by bus to Vermilion on July 11th. Miss Redpath is attending Dalhousie University at Halifax. She is visiting friends in the west.

Our congratulations and best wishes to the newlyweds, Mr. and Mrs. Henry Dyjur.

Congratulations to Mr. and Mrs. Harry Brake Jr. on the birth of a son on July 15th; also to Mr. and Mrs. Jimmy Martin on the birth of a son, July 17.

Miss Anna Nelson from Lloydminster is holidaying with her parents at the Idelore Nelson home.

Miss Edna Moore from town is on holidays, spending them with her parents at the Chas. Moore home.

Mrs. Mary Deford and sons Eugene and Dwayne accompanied their daughter Ivy and Henry Dyjur to Athabasca to attend the wedding of the former's niece Miss Maureen Peters on July 11th.

Closing Thought: "One who is free from hatred requires no [illegible]."

Information Concerning The Air Cadets Needs for Camp

The following is a suggested list of clothes necessary for the cadets to take to camp: running shoes, bathing trunks, 3 towels, sweater or windbreaker, service raincoat, button polish (silver), shoe polish, black shoes, belt, needle and thread, personal toilet articles including toothbrush, shaving kit, soap, etc.; T-shirts, gym shorts, lock with 2 keys.

The Cadets will wear their full dress blue uniforms to camp.

At camp the boys will be issued with summer fatigue clothing consisting of khaki pants and shirts for wear on the station.

FOR PARENTS: The following will be the proper way to address mail to the Cadets:

Air Cadet ......(Name).
No. 91 RCAC Squadron,
Air Cadet Summer Camp No. 3,
RCAF STATION Sea Island,
VANCOUVER, B.C.

MARWAYNE

The Boy Scouts returned from the Scout Jamboree at Banff on Saturday evening weary and tired after a very eventful and thrill packed week. They took part in the search that ended so happily for the little girl lost in the Banff area. The 9 boys that went from Marwayne were Donald and Gerald Kvill, Allen Midgley, Grant Spence, Edwin Anderson, Harvey Graham, John Bell, Eldon Giles and John Milne.

Another contingent of scouts are now camping at Lake Whitney with Scoutmaster Potter. This next week Ted Carson, assistant leader will be in camp.

Other campers at Lake Whitney are Mrs. Ted Carson and Mr and Mrs. Roy Hutchinson, and family.

Sincere sympathy is extended to Mrs. Flewell in the death of Mr. Fred Flewell an old timer of the Fenham district. The service was held in the Community Hall with interment in the Marwayne cemetery.

Mr and Mrs. Floyd George and family of Prince George B.C. are visiting with brothers and sisters and their families here.

Mrs. Delbert Tupper and children are now living in their own house on the farm as Delbert is unable to find suitable housing where he is working in Castor Alberta.

Mr and Mrs. M Kolryak and Gary of Gem, Alberta, were visitors at the home of J Gardiner this past week end.

The ladies Auxiliary are having a bake sale in Mr Elliot's office on Saturday evening Aug 16th.

Congratulations to Mr and Mrs Gordon Phillips on their marriage in Clandonald on Wednesday July 9th.

The foundation [illegible] for the [illegible] the Teacherage. A ready built house will be moved in when the cement is set.

Mr and Mrs John Spence held open house for their Silver Wedding Anniversary on Thursday July 17. Many guests congratulated them and partook of the [illegible]. Family guests were [illegible] Mr and Mrs [illegible] Spence of Vegreville and Mrs Thompson, sister-in-law and [illegible] Gerry of Vancouver.

Mr Dick Midgley of Vancouver Island, formerly of North Park, is here visiting with brothers and sisters and families.

Mrs Garfield Midgley attended the Edmonton Exhibition with Mr and Mrs D Martin.

Mr and Mrs W Hancock and family are having a holiday at Banff.

Mr and Mrs Norman and Mr and Mrs Bennie Murray of Edmonton were visitors last week end.

Traffic Deaths In Alberta For June Soar to Thirty-nine

Traffic accident statistics in Alberta for the month of June showed that while accidents were down below the figure for the same month last year and injuries very slightly higher, deaths soared to 39 from 19 in June 1957.

The figure of 39 deaths in one month has only been exceeded by that of October 1956 when there were 41 deaths. Accidents for the month number 1,738, injuries 740, deaths 39. The totals for the first six months of the year are accidents [illegible], injuries 2,526 and deaths 132. Accidents and injuries at this point in the year are only slightly higher than in 1957 but deaths are up 46% above the 90 for the first six months last year.

The increase in deaths has apparently been due primarily to accidents in which three, four and five people were killed at one time. Edmonton has had three deaths this year compared to 5 last year. Calgary has three in each year. Lethbridge has had one this year and three last year. The R. C. M. P. report 124 this year against 73 last year.

Edmonton continues to be the home of the careless driver with 672 accidents for the month of June against 630 reported by the R. C. M. P. and 338 reported by Calgary. Injuries reported in Edmonton were exactly doubled those reported in Calgary, with 160 for Edmonton, 80 for Calgary. The R. C. M. P. reported 290 injuries.

OUR LETTER FROM EDMONTON

by KEN MASON

Political Situation In Alberta Offers Many Interesting Angles

EDMONTON — More this week about the Alberta political [illegible].

[illegible] a provincial general election next year — and most observers agree there will be — it will provide a number of interesting angles.

[illegible] there is the [illegible] which was [illegible] years ago but [illegible] until an election [illegible]. The main departure in the new act is abolition of the transferable ballot system in favor of the straight "X" ballot.

Students of the intricacies of politics can have a field day studying the results of voting in past elections and determining what would have happened under the "X" system.

As far as the next election is concerned, it would be impossible to base a forecast on the results of past votes because the attitude of the voting public is the unknown factor.

But there have been cases under the transferable system where a candidate who is ahead on the first count drops back and finally loses after surplus ballots of other candidates are distributed. With the X system, there will be no distribution of surplus ballots. Whether this will change the balance of political power in Alberta is an intriguing question.

Social Credit lost five seats in 1955 after 2nd and 3rd choices outnumbered first choice ballots.

Another interesting aspect of the new election laws is the change in representation for Edmonton and Calgary. Under the old act Edmonton and Calgary were multiple member ridings, with Edmonton electing seven members and Calgary six.

In the past the voting in the cities has been on the proportional representation system — a complicated procedure involving a large number of counts and the distribution of surplus ballots. Often the surplus ballots made the difference in the final results.

If for no other reason the change in system is warranted for the cities because it will make things easier for the voters. Under PR the voter is confronted with a huge ballot containing maybe 30 names and if he marks it properly he'll write the numbers 1 to 30 beside the names in the order of his choice.

But the important thing about the old system is that the city members were elected for the city as a whole. Under the new setup Edmonton is broken into nine single member ridings and Calgary into seven. This gives Edmonton two more members and Calgary one.

Now the reason for all this background is to point up the problem facing the government. Premier Manning will have to stand for office in one of the nine separate ridings, and if he's to be elected he'll have to obtain a clear majority of ballots with the X beside his name.

This also presents a problem for the opposition parties. Assuming that they'll wait until they know where the premier will run, what will their strategy be? Would it be wise to run their most powerful man against the premier in hope of toppling him or would it be better to give that up as a lost cause and run a weak candidate in the expectation that he'll lose? Probably it will be a compromise — not the strongest candidate but a good one who will give the premier a run for his money.

We said most observers agree there will be an election next year but there is another school of thought. It contends that the government will wait until 1960 in order to [illegible] the federal [illegible].

The Social Credit party has announced dates for four more nominating conventions, in preparation for a general election expected next year.

A candidate for Bonnyville riding will be named August 9 at a meeting in Bonnyville while a nominating convention for Gleichen riding in the south will be held August 20 at Strathmore. The others will be at Andrew August 12 for Willingdon riding and at Mayerthorpe on October 29 for Lac Ste. Anne riding.

So far, Social Credit has named only one candidate for the next election. The nominee is Marion Kelts, Consort farmer, who will run in Acadia - Coronation riding.

WEDDING BELLS

HELM — TEASDALE

On July 11th at 2:30 o'clock, Paradise Valley United church was the scene of the double-ring wedding ceremony of Violet, the eldest daughter of Mr. and Mrs. John Teasdale, to Marvin, son of Mr and Mrs. Fred Helm of Burnstall, Sask. The Rev. A.E. Potter officiated.

The radiant bride entered the church on the arm of her father to the strains of the Wedding Hymn played by Mrs. M Hoskins. She wore a beautiful cocktail-length gown of white crystalline with scalloped neckline and short sleeves. Her fingertip veil was held in place by a crown decorated with rhinestones and mother-of-pearl sequins. She carried a white Bible and Cascade bouquet of red Sweetheart roses. Her only jewelry was a single strand of pearls, a gift of the groom.

Miss June Teasdale, sister of the bride, was maid of honor. Miss Delores Helm, sister of the groom, and Miss Sharon Walter were bridesmaids. They wore crystalline cocktail-length gowns of aqua, yellow and mauve, with matching headpieces and shoes. Their only jewelry was a pearl necklace, gift of the bride. They carried lovely bouquets of carnations.

The groom's attendants were Mr Johnny Alliston, of Edmonton, Mr Bill Teasdale and Mr. Don Churchill of Paradise Valley. The two ushers were Mr. Dennis Teasdale and Mr Ernest Walter.

Miss Gloria Baxter sang "Oh Perfect Love" while the register was being signed.

For her daughter's wedding Mrs. Teasdale chose a waffle knit jersey dress in light blue with pink and white accessories. She wore a corsage of pink Sweetheart roses.

The groom's mother wore a dark blue dress of nylon net with pink accessories and a pink corsage of Sweetheart roses.

Mrs. William Teasdale, grandmother of the bride, attended in a black - flowered dress with white accessories and a corsage of pink Sweetheart roses.

A reception for eighty was held in the Paradise Valley hall. Miss Gloria Baxter was in charge of the guest book. Mr. Dolph Teasdale proposed a toast to the bride to which the groom ably responded.

The bride's table was centred by a beautifully decorated three-tiered wedding cake, made by Mrs. R. Green, aunt of the bride.

An open house was held at the bride's home following the reception. A wedding dance followed, music supplied by the Silvertones of Wainwright.

For going away the bride chose a grey tweed suit with white accessories.

Out of town guests were: A. Rocchio, B. Pettinger, B. Joy, Mr. and Mrs. A. H. Ganton, all of Edmonton; Mr. and Mrs. J. Payne of Vermilion; Mr. and Mrs. E. Helm, Calgary; Mr. and Mrs. H. Frederick of Wainwright; Mr. and Mrs. W. Helm, Hay, Alberta; Miss E. Leppert, Calgary; Mr and Mrs. C. Helm, Mrs. A. McDonald, Mr. and Mrs. A. K. Groenie, Mr. W. A. Rebllinger, Mr. and Mrs. J. Frederick, Mrs. L. Sammelson, Mr. and Mrs. R. Schock, Mr. and Mrs. C. Leppert, and Mrs. J. Raine of Robson, B.C.

The happy couple will reside in Edmonton.

Vermilion Air Cadets Return From R. C. A. F. Camp

Members of No 97 Vermilion Squadron Royal Canadian Air Cadets recently returned from Air Cadet Summer Camp RCAF Station Sea Island, B.C. Cadets were in attendance from northwestern Ontario, the 3 Prairie Provinces and B.C. A busy program of drill, lectures on leadership, organized sports, swimming, tours, rifle handling and shooting and flying in RCAF twin engine Expeditors rounded out two weeks of activity at the West Coast RCAF station.

The cadets are: left to right, standing — LAC Tony Dixon, LAC Don Dixon, LAC Wally Brower, LAC Bert Risdale, Cpl. Ken Alfke, LAC Bob Park, LAC Jim Ferguson, F/L Stan Manyluk; Kneeling — left to right: LAC Murray Ross, LAC Andy Pool, LAC Glen Manyluk, LAC Keith McDonald. Missing from the picture but with the squadron, was LAC Bob Watt.

Two Lose Lives In Vermilion Park Lake

Two young men, both visitors in Vermilion, lost their lives in the park lake during the time the Standard was closed for holidays.

The first fatality was Flying Officer Melvin Wilfred Yanke of the R. C. A. F. station, Claresholm who died from a heart attack during excitement in the water on Sunday July 26.

F. O. Yanke was in swimming during the noon hour at the regular beach along with a friend, Miss Edith Bills of Calgary. The young lady was swimming from the diving platform to the H pier when she called for help. F. O. Yanke plunged into the water and swam to her, at the same time a life bouy was thrown to her and she reached it. She turned her head to tell Yanke that she was alright now and noticed that his face was chalk white and then immediately sank. His body was recovered and on examination was found to have no water in his lungs.

It is thought that the excitement of seeing the young lady in difficulty and exertion in swimming rapidly to her rescue caused a heart seizure. There is very little distance between the H pier and diving platform that cannot be bottomed by a person of average height.

The home of the deceased was in Melville Sask where his parents Mr and Mrs. Chris Yanke reside. Funeral services and interment took place at Melville.

DOUGLAS WALTER TAYLOR

The second fatality was also a very unusual case and occurred on Sunday, August 3 when Douglas Walter Taylor, aged 33 years, was drowned just at midnight.

Taylor, who works in Lloydminster was here with a party of friends, visiting mutual acquaintances in Vermilion. Just prior to midnight they had decided to go to the river for lunch as it was a very lovely night. The party went to the north side of the lake to the old swimming pool, and while the lunch was being prepared Taylor decided to go for a quick dip.

He was warned that the bank shelved off sharply into the old river bed but even then the sudden deepening apparently took him by surprise and he disappeared and never regained the surface. There was no struggle and those on shore looked for him to come up at a different spot thinking that he was playing a joke. After a very few minutes the men of the party hurried away for help as there was no one there who could swim.

The body was recovered the next morning just a few yards from the spot where he had walked into the water. Indications are that he was seized by a cramp, or else on stepping into water unexpectedly over his depth had swallowed a mouthful of water which had cut off his breathing.

Mr Taylor's parents reside at Turtleford and funeral services and interment took place there.

All golfers under 18 years are invited to play in Vermilion's Junior golf tourney on Sunday, Aug 24th. 5-6x

Vermilion, Kitscoty Play In Next Round Fastball Play-offs

Vermilion Cardinals and Kitscoty Clippers were the winners in the preliminary provincial ladies fastball play-offs on Sunday and this coming Sunday they will play in the next round in Edmonton.

Three teams competed on Sunday with the Lloydminster Flyers losing two games and thus being eliminated.

Game results in the order they were played on Sunday were: Lloydminster 9, Kitscoty 18; Vermilion 9 Kitscoty 6; Kitscoty 13, Lloydminster 7.

Calls Bingo For $1,000 Cash Prize

Ed Mathews of the Canadian Utilities staff Vegreville, is the first one to call bingo for the $1000 cash prize being offered by the Vermilion Elks in their newspaper bingo. Others who may be eligible are given another week to turn in their cards to the Elks committee. 58 numbers were drawn before bingo was called. A complete list of numbers appears elsewhere in the Standard.

Celebrate 25th Anniversary

On Sunday July 27th a very pleasant afternoon was spent at the home of Mr. and Mrs. B. Baxter when their friends met there to help celebrate their 25th wedding anniversary. Out of town guests were Mr. and Mrs. Safruk of Penzance Sask, Mr. and Mrs. Horace Cottrell of Fabyan, Mrs. Richardson, Gail, Rhoda and Mr. and Mrs. Cecil Conarroe of Kitscoty.

50-Lap Feature Race At Stock Car Races Sunday, Aug. 17

A fifty-lap feature race will highlight the program at Golden Speedway, Vermilion, this Sunday, Aug. 17th. A handsome trophy will go to the winning driver.

In addition to the 50-lap event there will be a complete program as formerly. The meet is slated to start at 2.30 sharp. It is expected that a record number of stock cars will be on hand for this big event.

Vermilion Golf Club Holds Record Breaking Tournament

The regular open tournament of the Vermilion Golf club, held each year over the Civic holiday week end, once again broke all existing records. A total of 130 golfers registered for the tournament, played on Vermilion's outstanding nine hole course and once again showed both the tremendous increase in the popularity of golf and the fame of Vermilion's scenic layout.

The weatherman got out every club in his bag of tricks and from sweltering heat the first day to curling sweaters and gloves the second day was the sort of treatment he handed out. In spite of this however, all sixteen flights completed play by six o'clock Monday evening.

The championship was once again taken to Vegreville by Dr Tommy Demco, with second in this flight to Norman Vaughn of Edmonton's Riverside. Consolation went to Sampson of Wainwright.

Members of Vermilion ladies' golf club were the heroes of the tournament, providing gallons of hot coffee and delicious meals to all comers. The thanks of the golfers and the executive of Vermilion club go to the hard working ladies.

The complete list of prize-winners in each flight is as follows:

Championship Flight and the Rowe Cup to Dr. Tommy Demco of Vegreville; 2. Norman Vaughn, Edmonton; Consolation — S. Sampson, Wainwright.

1st Flight — 1. Paul Jullion, Vegreville; 2. Jack Campbell, Vegreville; Consolation, Don Propp, Daysland.

2nd Flight — 1. Henry Bandura Vegreville, 2. H. Alexander Sedgewick; Consolation, Sam Bourne, Lloydminster.

3rd Flight — 1. D. Birmingham, Edmonton, 2. Bob Hanrahan, Daysland; Consolation, Curt Alfke Vermilion.

4th Flight — 1. Lloyd McKinnon, Provost; 2. Nick Josephison, Viking; Cons. Mac Simonsen, Vermilion.

5th Flight — 1. Wayne Scott, Lloydminster; 2. Glen Mead Edmonton; Cons. Rex Boake Edmonton.

6th Flight — 1. Squib Williamson, Edmonton, 2. G. Parrott, St. Paul; Cons. Bob Waldenberger, Vermilion.

7th Flight — 1. B. Collins, Mannville; 2. Carman Long, Vermilion; Cons. B. Bourgard, St. Paul.

8th Flight — 1. Al Scholton, Vegreville; 2. Joe Swaboda, Daysland; Cons., Mitch Taylor, Edmonton.

9th Flight — 1. Red Barley, Lloydminster; 2. Ron Inman, Vermilion; Cons. B. Conrad, Lloydminster.

10th Flight — 1. Keith Moss, Calgary; 2. Art Smythe, Edmonton; Cons. John Timich, Daysland.

11th Flight — 1. Gerry Marshall, Vermilion, 2. F. Squires, Lloydminster; Consolation, Bill Schwandt, Lloydminster.

12th Flight — 1. Ronnie Barwick, Elk Point; 2. R. Bedard, Bonnyville; Cons. Bob Seaton, Edmonton.

13th Flight — 1. F. Mitchell, Vegreville, 2. E. Jansen, Wainwright; Cons. W. Mitchell, Edmonton.

14th Flight — 1. Chuck McFadyen, Edmonton, 2. Keith Pointer, Daysland; Cons. L. Coe, Vermilion.

15th Flight — 1. V. Slavik, Viking, 2. H. Zienaman, Vegreville; Cons., Stan Nelson, Calgary.

Prize for low qualifying score went to Norman Robinson, Wainwright. Special prize for high qualifying score to Dr. E. G. Evans, Vermilion.

Rex Boake won the long drive competition with a tremendous drive of 322 yards.

The Vermilion club would like to thank all local business men who helped so much with contributions towards prizes and also to those who aided in making the tournament such a success. A special word of thanks too, to all competitors from district clubs, including the twenty fellows from Edmonton.

Lightning Sets Fire at Stan McCrae Home

Lightning struck at the Stan McCrae home on Saturday night causing fire to break out in the basement. Fortunately Mr and Mrs. McCrae were home at the time and the blaze was quickly extinguished. There is no doubt had they been away the fine farm home would have been destroyed.

Frankie Senz Breaks Leg

Frankie Senz, eight year old son of Mr. and Mrs. George Senz had the misfortune to break his leg while holidaying at Cold Lake last week. Frankie now has the injured limb in a cast but cannot move around very much, the break being a very severe one close to the ankle.

Edmonton Lady Wins Kinsmen Car

Mrs. Mike Fagan of Edmonton was the lucky winner of the Kinsmen car raffled at the Vermilion fair. Mrs. Fagan is the daughter of Mr. and Mrs. Les Hathaway of Vermilion, and Mr. Hathaway bought the winning ticket on behalf of his daughter.

K. of C. Sponsor Camp, Raft Lake

The Vermilion Knights of Columbus have sponsored what has proven to be a very popular camp for boys and girls on the east shore of Raft Lake some 4 miles north of Clandonald.

Work started in June when on each Wednesday members of the Knights of Columbus formed work parties to clear a beach and fence the 15 acres of land kindly donated by Brother Pat Convey of Clandonald. In a short period of time a kitchen, dormitory large enough to accommodate thirty boys or girls was completed as well as a play [illegible] and a ball diamond.

The camp was officially opened [illegible] the boys' week [illegible] August 3rd. A full program was arranged for them from the time they got up at 7 a.m. until lights out at 10 p.m. The program consisted of swimming, playing ball and small projects during the day with campfire singsongs and wiener roast in the evening.

Each day a knight was in charge of the camp assisted by four older boys. The cooking was looked after by Mrs. Rose [illegible] of Clandonald who is to be highly commended for the fine meals she provided for the campers.

This camp is for any youngster in the district between 8 and 14 years of age and judging from the comments of the boys and girls who attended this year the camp will be a popular one in years to come.

Macleod's Limited Plan Large New Store In Vermilion

Macleod's Limited has acquired property on Main Street in Vermilion one door west of their present location. Plans are now under way for the erection of a retail store on the site. The land purchased was formerly owned by R. G. Urquhart and Wm. Dyck of Oilfield Motors.

B. F. Rutherford, Vice-President in charge of store operations for Macleods, states that construction will commence as soon as blueprints have been finalized and contractors' tenders approved.

The building contemplated will have a fifty foot frontage with one hundred foot depth with full basement. The total sales and storage area will provide over three times the area in Macleod's present location on Main Street.

GREAT CONFIDENCE IN FUTURE OF VERMILION

Mr. Rutherford states that Macleod's Limited has great confidence in the future of Vermilion and the adjoining trade territory and with the new building will be better able to efficiently serve the community.

Junior Golf Tourney Planned Aug. 24

Attention all boys and girls 18 years and under. In recognition of the great interest being shown by so many younger people in the game of golf the Vermilion Golf club is sponsoring a Junior tournament on Sunday Aug. 24th commencing at 10 a.m.

All boys and girls are invited whether club members or not, experienced or novices. There will be a flight for everyone and prizes for each flight. An entry fee of just $1 will be charged which will be matched by the club and given back in prizes.

Be at the golf clubhouse at 10 Sunday morning Aug. 24th.

Say dad — how about making it a family affair? — come with your golfing son or daughter, bring mother too — watch the kids start off and then have your own Sunday game after they have teed off.

12,000 Fish Moved

Due to low water with none flowing over the dam, the water on the east side of the spillway became stagnant causing the death of some fish before game officer George Senz aided by Mr. Lowther of the Canadian Wild Life service transferred some 12,000 jacks across the spillway into the spacious waters of the lake. The water below the spillway was just teeming with gasping fishes.

Prize Winners In Exhibition Parade

The following were winners of the prizes for floats in the Vermilion exhibition parade. Judging was done by Mr. Ralph Rudd of Mannville.

ORGANIZATIONS: 1. Circle 8 Square Dance Club, 2. Canadian Legion, 3. Provincial Park.

COMMERCIAL: 1. S. C. and C. T. Heckbert, 2. Craig Bros. Ltd., 3. Alberta Wheat Pool.

DECORATED CARS: 1. Columbia Theatre, 2. Brunswick Hotel, 3. Shoprite.

Decorated Bicycles: 1. Sharleen Morris, 2. Donna Webb, 3. Eddie Alfke.

Movies of Cold Lake Air Port At Beach This Sunday

Movies showing features of Canada's Air Defence will be shown at the bandshell at the Vermilion Park beach next Sunday evening. These films have been obtained through the courtesy of F. L. Stan Manyluk of the local Air Cadets, and show mainly the R.C.A.F. base at Cold Lake.

Copy Held Over

As expected, the accumulation of news material proved too much for inclusion in one issue of the Standard. If you cannot find it in this issue it will appear next week for sure.

William English Dies At 82 Years

The town of Vermilion is again mourning the passing away of one of its pioneer citizens in the person of William Edwin English aged 82 years. His death took place very suddenly on August 9th in the Vermilion hospital, where he had been taken that same day. He enjoyed normal health up to his passing.

Mr. English was born at Leeds, England, on Dec. 16th, 1875 and came to Vermilion in 1909. For many years he was a member of the staff of the Canadian Bank of Commerce, retiring in April, 1948, ten years ago.

He leaves to mourn his loss one daughter Lucy of Vancouver and three sons Jack in Victoria, Frank and Arthur in Edmonton. He was predeceased by his wife and one son Charles. There are seven grandchildren and four great grandchildren.

Funeral services were held at St. Saviour's Anglican Church on Monday Aug. 11th at 2:00 p.m. Interment followed in the Vermilion cemetery. The Rev. Harry Snell of Mannville officiated.

Moyer's were in charge of the arrangements.

Wildmere Lad Suffers Serious Eye Injury

Little Grant Friesen, son of Mr. and Mrs. H. Friesen of Wildmere district, had the misfortune to run into a nail protruding from a board and the nail punctured the eyeball close to the pupil of the eye. Grant was rushed to a specialist in Edmonton where he was operated on at 3 a.m. Monday, July 28th. The accident happened the day before.

It will not be known for some six weeks if the sight of the eye will be impaired. Mrs. Friesen who is a graduate nurse stayed with her son in the city while her mother Mrs. Webster is caring for the other three children at home.

Road Tips

By "ROAD KNIGHTS"

Some skids would never occur if the driver was prepared to make allowances when driving on roads that are slippery.

Vermilion Man Directs Water Rescue Routine

Physical sports, creative drama and organization techniques were among the broad range of subjects covered by 137 students in a four week recreation leadership school recently concluded in Red Deer Composite high school. Murray Miller, Vermilion, is shown directing a water rescue routine being practised by fellow students, Miss Flo-Elle Craig of Medicine Hat; Billy Leflar, Stavely; Miss Teddy Young, Halkirk, Miss Ruth Moonen, Millet. The course emphasized development of student ability to teach as well as to perform. It was sponsored by the Community Recreation Bureau of the Department of Economic Affairs, Government of Alberta. Alberta communities hiring certified graduates in recreation may receive provincial government grants.

Prov. Park Rules

No person shall light fires out of doors except in the facilities provided for that purpose by the Parks Board.

Mannville Girl Wins 4-H Club Award

Carolee Bates of Vulcan, Joan Clennett, Mannville centre, and Virginia Witwicki, Radway are among 11 Alberta 4-H members chosen to attend National 4-H Club Week in Toronto and Ottawa Nov. 15 to 20. All have won awards for local club work and have capably filled various club executive positions. Miss Bates has been active in clothing and garden projects for an aggregate of eight years; Miss Clennett in clothing, beef and grain for an aggregate of 12 years and Miss Witwicki in clothing and garden for an aggregate of 11 years.

BEST STUDENTS EVER

If the Government is casting about ways to assist Canadian universities and students without offending provincial susceptibilities, it could do worse than study the workings of the last large-scale Canadian student aid plan declares The Financial Post.

This was the university training scheme under the Veterans Rehabilitation Act. By any standard it was an outstanding success and it could well serve as a model for a new measure.

In all, the Act sent 55,000 veterans to college. The Government paid their fees and gave each man a basic $60 a month living allowance. The universities got supplementary grants to provide facilities. Of the $134 million cost, $85 million went for allowances, $49 million for university support.

Because of their greater age and experience, the veterans, taken as a group, were the best students our universities ever had. Canada is — and so are they — the richer for their training.

Of Many Things . .

By AMBROSE HILLS

LIQUOR STORE WATCHER

When I moved to Winnipeg three years ago the only suitable office location was across from the Fort Street liquor store, and because I'm a non-drinker I was kidded about this by my more genial friends who take a drink once in a while, some of them twice or thrice in a while.

I've become an experienced liquor-store watcher. When inspiration fails me I sit and gawk from the window at the store across the way. I've become familiar with certain customer types.

First the sad, sombre hungover souls who line up regularly before opening time, waiting with nervous gestures to get their wine or straight alcohol in order to settle raw nerves. They make no pretence of being casual: when the door is opened they rush the counter. These are the addicts, and may God help them.

Second, and even more pitiful, comes the fairly well-dressed man, carefully timing himself to arrive a few minutes after opening time, trying not to appear over eager. When he comes out, however, clutching the brown-paper parcel, his nerves betray him and he walks quickly to some room or lane to take his "treatment." He is most to be pitied because he still has a distance to fall before he joins the handful of "regulars."

These are the problem drinkers about whom society must be concerned. Manitoba, I am proud to say, is now showing such concern, and the small band of lost souls grows smaller each month.

Indeed, Manitoba's program may, if it continues to be as successful as present results indicate, finally reduce the problem drinkers to almost zero by changing the drinking pattern of the province.

Already, under the new laws and as a result of the educational program carried on by the Manitoba Committee on Alcohol Education, there is far less home drinking, far fewer office parties and hotel-room entertaining. A commercial traveller tells me that he keeps no liquor in his room now: he prefers to take buyers down to the cocktail lounge or out to a restaurant for a drink. It is less expensive, more suitable, and the surroundings do not encourage the binges which sometimes left a bad taste in buyers' mouths.

I think most Manitobans are proud of the saner patterns of drinking that follow more liberal laws rigidly enforced. Now even private clubs which used to break the law must comply to the very letter of it but the law is reasonable. Bootlegging joints, I am told, have virtually ceased to exist. Teenage drinking has been curbed.

I hope that the day [illegible] I can look out my [illegible] window and see a sign over the liquor store reading "CLOSED FOR LACK OF CUSTOMERS." Meanwhile, any educational campaign, similar to the one being conducted in the Manitoba weekly papers by the Committee on Alcohol Education, has my ardent support. Education may succeed where compulsion failed. Let us hope so.

No larger than a cigarette package — that's description of tiny transistor radio which Japanese maker claims is world's smallest, says The Financial Post. Features built-in antenna and weighs only 9.5 oz.

Insurance Plan For Pool Members

An accident insurance plan for the protection of its member patrons has been placed in operation by the Alberta Wheat Pool, according to an announcement this week by G. L. Harrold, chairman of the Pool's board of directors.

Under the plan, which became effective on Aug. 1st, eligible members and their dependents are automatically insured against accidents occurring either on or off the farm on a year-round basis. No application forms are necessary but in the event of an accident a claim must be filed. The entire cost is being borne by the Wheat Pool. Protection may be extended to non-family farm workers upon application and the payment of a small annual premium.

The decision to implement this group insurance program was made at the Pool's last annual meeting in November and was the result of the need for low cost accident insurance for farm people who are engaged in one of the most hazardous of all occupations. Delegates recognized the fact that only a small percentage of farmers had adequate insurance protection.

In the event of death benefits under the plan range from $200 for small children to $1000 for adults. For the loss of limbs or eyesight the benefits run up to $1000. In addition, the plan will pay the cost of doctor bills, ambulance and nursing care incurred in any accident up to a total of $500 per accident, but excluding the first $50 of such expense.

To be eligible for the protection a member must have made [illegible] minimum deliveries of grain or forage seed to the Wheat Pool in the past 12 month period.

This insurance plan has been worked out and is being administered by the Co-op Fire and Casualty Company.

Alberta Wheat Pool agents have full information on this accident insurance protection for farm families.

Vermilion Elks Newspaper Bingo

July 25th. N 42.

A blackout has been called on this number. Any other blackouts must be reported to the Elks Bingo Committee Vermilion.

Mr. Ed Mathews of Vegreville has called the only bingo to date.

The complete list of numbers drawn is:

B — 1, 9, 13, 14, 5, 12, 10, 2, 6, 7, 8, 4
I — 16, 18, 19, 20, 23, 21, 24, 22, 30, 26, 27, 25, 17, 29
N — 32, 35, 33, 41, 38, 44, 36, 43, 39, 42
G — 48, 50, 55, 56, 59, 46, 53, 60, 58, 52, 49
O — 61, 65, 72, 73, 63, 62, 66, 74, 75, 68, 64

All prizes have been won now except the blackout.

Viking Car Bingo

Numbers drawn Aug. 11 were: O 67, B 11; I 29; I 26; O 70.

No blackouts have been reported as yet. If none are called by Aug. 16 then there will be two more numbers drawn on that date.

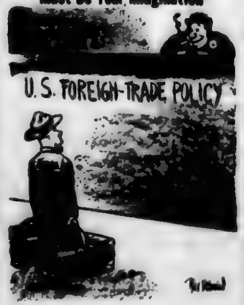
The following is a list of the numbers drawn to date in the Viking Curling Club's car bingo:

B — 4, 1, 12, 2, 5, 13, 7, 10, 3, 9, 11
I — 18, 21, 23, 20, 25, 19, 26, 27, 24, 17, 16, 22, 28
N — 35, 43, 44, 31, 34, 37, 33, 41, 45
G — 51, 54, 57, 53, 46, 52, 48, 59, 50, 58, 49
O — 66, 61, 63, 73, 65, 74, 72, 64, 71, 62, 67, 70

Prize left to win is the car.

Cards are available from Mr. Walter Fisk in Vermilion.

"Must Be Your Imagination"



THE Homemaker
DONNA GRANTZ
District Home Economist
Wainwright, Alta.

Believe it or not — school will soon be starting. Of course that means new clothes for the youngsters.

There are a few points to consider in children's clothing whether you are buying, making or remaking.

Consider the purpose of the garment, the laundering or cleaning. Make sure the material and pattern are practical and suitable.

Good fit is essential to appearance and comfort. Keep the following points in mind if you are remaking.

Consider the personality and coloring, the age and development of the child. Before you do a lot of ripping and sewing, remember that what suits you may not suit a child.

Children like color. Don't be afraid to restore or to change color by the use of dyes. Frequently better surface and color are obtained by turning the material.

Keep everything in proportion, when mother's coat is cut down to size 4, the big buttons and buttonholes no longer belong on it.

Make sure you can get your garment out of the old one by laying the pattern on before ripping or cutting.

If it is necessary to use joinings which can't be concealed, make them part of the design, not just seams at random.

Use finishes which will last the life of the garment. If necessary have buttonholes made for you. Set yourself a high standard.

DRIP DRY

Cottons should not be bleached. The chlorine in the bleach destroys the resin finish used to make the fabrics drip dry.

SCHOOL OF AGRICULTURE

The program for the 1958-59 year is out. Two year courses and the two-in-one course for students with 70 or more credits will be available for both boys and girls this year. The calendar and application forms are available from my office or may be obtained by writing to the Vermilion School of Agriculture.

NOTICE OF VERMILION DAY

I will be in the Vermilion area every Tuesday, starting Aug. 9th, 1958. If I can be of assistance in any way, please do not hesitate to contact me at the Department of Agriculture Office there.

OFFICE HOURS — 10:00 a.m. to 5:00 p.m.

Mannville Elks Newspaper Bingo

Numbers drawn in the Mannville Elks Newspaper car bingo on Friday, July 25: B 8; Friday, Aug. 1, O 69; Friday, Aug. 8, N 37.

The following is a complete list of the numbers drawn to date:

B — 10, 15, 12, 13, 3, 4, 14, 9, 11, 2, 6
I — 17, 27, 24, 20, 29, 21, 28
N — 37, 34, 41, 43, 39, 45, 38, 42, [illegible]
G — 47, 48, 54, 55, 59, 60, 56, 50, 53, 58, 57, 49
O — 61, 64, 68, 72, 73, 75, 70, 67, 63, 69

Prizes remaining to be won: Letter E; Outside Square and the Blackout.

The grand prize is a 1958 Dodge Crusader.

Mannville bingo cards sold in Vermilion by Walter Fisk.

"GREEN ACRES"

SCHOLARSHIPS AVAILABLE

Anyone thinking of attending the School of Agriculture should inquire at this office for information and application forms for bursaries and scholarships available. They are available to beginners and run from $75 to $135 each. There is one bursary of $100 for a son or daughter of an ex-serviceman to attend the Vermilion School of Agriculture and Home Economics. It is donated by the Canadian Legion annually and sometimes there is no application made for it. How about looking into all these offers available to young people in this district.

SPRAY FOR WARBLES

A new treatment for control of warble fly grubs will be on the market this fall. See your drug or hardware store. Cattle should be sprayed with this new chemical anytime during August or September. The name is "Co-Ral". The cost is about 40 cents per animal. Co-Ral also kills cattle lice.

MASTITIS CONTROL

This disease of milking cows causes a big loss wherever it is found. It spreads from cow to cow. Very often germs are carried by the milker from an infected cow to a healthy cow. Treatment is effective on new cases but very often one or more cases are lost before the disease is checked. The Alberta Department of Agriculture has an assisted plan for testing samples of milk from infected cows and checking on milk [illegible] other cows. Anyone who [illegible] cows infected with mastitis should apply to your district agriculturist for application forms for assistance.

HARVESTING BARLEY

Most of the barley in this district is cut too early. The kernels are big and plump so they look ready to cut. But they are mostly water which dries up leaving a thin, poor looking sample. Here is what Dr. Greavey says in "Seedtime and Harvest": "Barley should not be cut until the kernels are [illegible] and well matured."

BLACKLEG IN CATTLE

If any farmer has not vaccinated his spring calves for blackleg he ought to do it right away. Don't take chances on this disease, it may break out on farms where it never occurred before. The double-purpose vaccine should be used as it is hard to tell which disease is present, blackleg or malignant edema.

Princess Anne W. I. Notes

The June meeting of Princess Anne W.I. was held at the home of Mrs. Alan Mead with nine members and two visitors in attendance, Miss Jean West and Miss Audrey McIntyre. The roll call 'short cuts in cooking' was interesting and helpful.

The social service convener's report showed donations in memory of Edwin Throndson and Mr. Fraser and thank you letters from Mrs. P. Sloan and Ted Richardson. Our president, Mrs. G. Mead is to write to the M.D. council re an Old Folks' Home in Vermilion. Discussion of picnic plans, handicraft and Tweedsmuir History followed.

Our topic was "Hints for Saving Time" given by Mrs. A. Searle.

Mrs. G. Richardson gave a summary of the civil defence course she attended in Edmonton.

A delicious lunch was served by Mrs. A. Simonet and Mrs. M. Simonet.

More Zoom

Canadian oil refiners are now turning out regular grade gasoline with the highest octane levels available anywhere, says The Financial Post.

During the last two months the octane level has drawn abreast of, and then surpassed slightly, that of corresponding gasoline grades in the U.S.

Octane levels is a measure of a gasoline's ability to resist knocking.

Bible College Quartet, President To Appear at Alliance Chapel

Rev. Alvin Martin, B.Th., M.A., acting president of the Canadian Bible College at Regina, and the Four Parsons, will present a program of music and message at the Alliance Chapel, Vermilion on Monday, Aug. 18th at 8 p.m.

The Four Parsons, known to the TV audience of southern Saskatchewan, are young men training for the ministry at the Canadian Bible College, the official school of the Christian and Missionary Alliance in Canada. They are William McCarthy of Dawson Creek, B.C., Harvey Schroeder and William Dirks of Chilliwack, B.C., and James Ratzlaff of Waldheim, Sask. [illegible] will present a delightful, inspiring program of music, featuring various instrumental and vocal selections, and their famous repertoire of splendid quartette arrangements. The quartette travelled 4700 miles this spring with the Canadian Bible College choir. During the month of June they were travelling with the College Dean, the Rev. M. Downey, visiting the west coast a second time. By the end of the summer the Four Parsons will have travelled another 13,000 miles throughout the Dominion of Canada and the U. S. in the interests of the school and the Gospel of Christ.

Rev. Alvin Martin is a former missionary of the Christian and Missionary Alliance to the country of Israel. He is a graduate of the St. Paul Bible College, St. Paul, Minn., and of the Nyack Missionary College in Nyack, New York, where he received the B. TH. degree in 1947. That year he was sent to Jerusalem, and was in the Bible lands during the stirring days preceding Israel's rebirth as a nation.

For the past two years Mr. Martin has been on the faculty of the Canadian Bible College and is now acting president. This summer he will be receiving his B.D. degree from the Winona Lake School of Theology, Winona Lake, Indiana.

Throughout its 17 years, the Canadian Bible College has graduated 342 young people. Of that number, 118 graduates are serving the C. & M.A. and 53 serve other church bodies. 79 are serving as pastors and Christian workers in the home land, while 39 are ministering as missionaries in foreign countries.

The present campus, covering thirteen acres or four city blocks was purchased in 1953. It now includes men's and ladies' dormitories accommodating 150 students, and a spacious administration building in which is located a chapel seating 200 to 250. The faculty of the College represents 22 different schools and 64 aggregate years of training. The average student-teacher ratio at the college is 12 to 1.

Mr. Martin and the Four Parsons will be happy to meet young people who are interested in a Christ-centered education geared to meet the challenge of our times.

The pastor of the Alliance Chapel, Rev. J. Schroeder, extends a cordial invitation to the public to hear this unique program.

SQUARE NOTES From Circle 8

The last dance at the bandshell on Auguts 2nd was a tremendous success with the weatherman providing two perfect evenings in a row for our last two dances.

The entire bandshell has been covered and our bee of square dancers who put in so many evenings down there even provided to put a curtain across the front should we encounter a few brisk windy evenings like a couple we experienced earlier in the season.

With a few of our farm dancers commencing to cut their grain it seems that we shall have only one more dance at the bandshell before harvest will be in full swing. For those of you who can possibly spare the time please attend our last open-air dance this Saturday, August 16 at 9 pm with Johnny Maxwell as the caller. We have had a wonderful season at the lake and we sincerely hope our last dance will be as successful.

For those of you less fortunate ones who were unable to hear Joe Lewis of Dallas, Texas, you missed a wonderful evening. Five squares of us travelled from our club to Lloydminster on August 7. As well as being a top-notch caller, he is equally as good as an entertainer. He has his own special accordion and he provided entertainment for all even during supper hour.

Also to those members who haven't already heard — our float took first prize in the organization competition in the parade. Our prize, a red ribbon, is on display at Johnny Maxwell's house. Thanks again to those of you who worked so hard on our float with such short notice.

All golfers under 18 years are invited to play in Vermilion's Junior golf tourney on Sunday Aug. 24th. 54x

WILDMERE WINKS

Back again with the Winks — do hope the editor and staff enjoyed their holiday. We all missed the Standard and will be looking for it this week end.

The 1958 fair is past history. Would like to congratulate [illegible] Preston 4-H [illegible] club on their showing. Johnny Sweeney and George Garnett won reserve grand champion and grand champion placings for their [illegible]. All the calves sold very [illegible] too. Too bad a rain put a [illegible] to the parade Friday evening. School exhibits were excellent. Some Preston Central pupils won several prizes. Garden produce was not good, due to the dry weather. There were not many exhibits in the Handicraft building this year and we wonder if others thought the same as the writer in that it was poorly displayed, things piled on top of each other etc. Even if they can't all win prizes folks like to look at the display.

On July 19th the writer along with many others attended a shower put on by Mrs. R. Martin of Vermilion for Mrs. Claus Heckhausen (nee Alice Stuffert). Many lovely and useful gifts were received. After Alice and 'Nick' had opened the gifts they both heartily thanked everyone for all the kindness shown to them. A dainty lunch brought the evening to a close.

Mrs. J. M. Smith left Wildmere on July 27th to spend a few days visiting her sons Alex and Norman and families in Edmonton before returning to her home at the coast. She spent four weeks with her sons, Bill, Adam, Albert and daughter Mrs. Cruthers in Wildmere. Mrs. Millar, a niece of Mrs. Smith's was also visiting here leaving Aug 1st to meet an aunt in the city and flew back to the coast that evening. Roderick and Alexander Millar, grandsons of Mrs. Millar, returned also. They boys really enjoyed their visit on the farm.

Congratulations to Mr. and Mrs. Matt Majury of Buffalo Coulee for a long and happily married life.

Also congrats to Mr. and Mrs. Johnny Ruud of Triangle on the birth of a daughter July 28th.

On Monday evening Aug. 4th about 40 neighbors and friends charivaried Mr. and Mrs. Bill Smith of Wildmere. Bill and Mrs. L. Kerfoot of Vancouver were married in Edmonton on July 18. The happy couple were rudely awakened by a terrific din outside their bedroom window. The power switch had been thrown previously so there was no light. After the bride and groom appeared the lights were turned on again. Everyone very heartily wished this splendid couple many years of happiness. We have waited a long time Bill for this to happen! Dave Hughes played some amusing tricks on the newlyweds, much to the amusement of the gathering. A delicious lunch brought the pleasant evening to a close and everyone left amid wishes for the future happiness in our midst of Lil. (Mrs. Smith). They will hold a wedding dance in Basswood hall Aug. 22. (A shower will be held for them the same night.)

The Wildmere Vacation Church school is being held under the auspices of Mr. Robinson and his helpers. Please attend church on the 17th and see what the children have studied and done under these capable teachers.

Mr. and Mrs. Alex Smith and son Scott of Edmonton visited here Friday and Saturday with Mr. and Mrs. Bill Smith and brother Adam. They also visited Albert and family and sister Mrs. Cruthers. Later going to visit Mrs. Smith's mother Mrs. Cleland and boys of Auburndale.

Mr. and Mrs. D. Dibben and family of Basswood spent the long week end visiting at Red Deer with Mrs. Dibben's parents and with Dave's brother Robert in Edmonton, also other friends in the city.

Keep this date in mind folks and plan to attend Wildmere's W.A. "Musicfest" to be held at Preston Central school Aug. 20 at 8 p.m. Admission adults 50c, juniors 8 to 15 years 25 cents and under 8 free. Lunch will be served after.

'The Bible Today'

The Bible in 1,127 languages. As of the end of December, 1957, the British and Foreign Bible Society reported:

Languages in which the whole Bible has been published 125
Languages in which the complete New Testament has been published 270
Languages in which at least a [illegible] or some other whole book [illegible] Bible has been published 642
Total languages in which some part of the Bible has been published 1,127

There are some eighty or more languages in [illegible] short passages, or collections of passages have been published, but in which no complete book of the Bible has appeared.

Suggested readings for next week:

Sunday — Psalms 57:1-11
Monday — [illegible]
Tuesday — Psalms 94:1-23
Wednesday — Corinthians 1: 1-31
Thursday — 2 Corinthians 6: 1-18
Friday — Psalms 112:1-9
Saturday — Psalms 115:1-18

Congregational Picnic in July

Races, ball games and other amusements were the order of the day when the annual picnic of the Alliance Chapel congregations of Vermilion and Mannville was held at the home of Mr. and Mrs. Ralph Wilson on Wednesday July 30th. Children and parents, numbering 170, enjoyed a full afternoon and evening.

Races of all descriptions were run off, ball games played, contests for the adults were conducted and a tour made of the farmyard for the nursery class, all which encouraged good appetites for the open-air supper. This was followed by a sing song and devotions led by the superintendent Albert Mix and the pastor Rev. J. M. Schroeder.

The hot weather in no way hindered the enthusiasm for another ball game was enjoyed before departing for home.

A Special Announcement
to those HARD OF HEARING

H. J. Varlow

The Beltone Hearing Company have appointed Alberta Hearing Service Limited as distributors for Northern Alberta for their remarkable hearing aids. President of Alberta Hearing is Mr. H. J. Varlow, well-known hearing consultant, who has conducted many hearing clinics throughout the province, and who will continue to hold these helpful consultations in your locality periodically.

Starting the week of September 1st, Mr. Varlow will be available for free consultation and audiometer test. You can be fitted in our office or in the comfort of your own home. Clinic dates will be announced in rural areas by postcard and local newspapers. He will welcome the opportunity to show you the advantages of owning BELTONE HEARING, the largest selling hearing device on the market today.

What makes BELTONE so popular? Simply this! BELTONE hearing and hearing glasses provide full range, full dimensional, higher fidelity hearing in an attractive lightweight and most comfortable form, just as nature intended. Now you can stay actively happy in family, social, business and church life . . . enjoy living free from strain. Be sure to see and test these amazing examples of electronic science.

Colorful Parade At Vermilion Fair

The annual Vermilion Fair was recently successfully concluded in spite of weather which at times threatened to wash out the ac[illegible]. However the much-need[illegible] held off just enough that large crowds [illegible] and took part in the big [illegible].

The Fair opened with the usual parade perhaps the largest ever held in Vermilion, made up of a wide variety of floats which caught the fancy of both young and old. Jimmy Sullivan and his World's Finest Shows, pro[illegible] the midway attractions and [illegible] Drake's grandstand attrac[illegible] proved to be greatly en[illegible].

This year the appeal of the light horse show was evidenced by the large crowds near the judging ring at all times when judging was in progress. Local horses competed with horses from Edmonton and other points near and far and the accommodation of the Society was stretched to the limit. Trophies were won by Briercrest Stables of Edmonton in the Light and Heavy Hunter classes, the class for Riding in Pairs and the highest number of points in the Saddle Horse classes. Miss Gail Ross of Edmonton was declared the Best Lady Rider while R. L. Benson of Lloydminster won the trophy for the Best Stock Horse and Fred Howard also of Lloydminster won the Glamour class. The best boy or girl rider was won by Marilyn Williams of Vermilion.

In the cattle judging, W. L. Robinson and Son of Vermilion were the big winners in the [illegible] classes with other entries showing from John Fegirchuk of Hairy Hill, E. Waring & Son of Nunebor, Sask. and Bert Duncan of Vermilion. In the Aberdeen Angus classes, Willes Bros of Vermilion were the only competitors. In the Hereford classes, Warren Smith of Olds won the Grand Champion bull while Henry Ziegler & Sons of Vegreville took the Reserve Champion bull. Warren Smith also took top honors with his females with Stuart Paxton of Irma as runner-up. G. W. Ferguson of Vegreville also competed in this class. W. L. Robinson of Vermilion won the trophy for the best beef animal in the show.

In the Dairy Cattle classes, W. Lemiski of Vegreville was the top winner followed closely by Hans Mayer also of Vegreville. In the Jersey classes it was D. W. Cole of Vegreville.

In the Swine classes Peter Wyllie of Leduc was the big winner in the boar judging followed by E. E. Prill of Mannville. In the sow classes Knute Berg of Camrose was main winner followed by Wyllie and Sandy MacMillan of Clandonald. Strong competition was also received from Rod MacMillan of Clandonald and W. A. Greenway & Sons of Acme.

The inside exhibits and ladies' work were not as heavy as in some past years but a fine showing was on hand nevertheless.

In the cooking classes Mrs. Ronnie Bauer of Vermilion was top winner while Mrs. Wade of Lloydminster won in the Handicraft section and Mrs R. H. Norton of Vermilion won in the Miscellaneous sections. Mrs. H.A. Whidden of Jarrow, Mrs. John Hunter of Vermilion and Mrs. Les Kreiler of Mannville also won a considerable number of prizes, as well as many others from Vermilion and district points.

Special mention should also be made of the two added attractions which were provided this year. Mr. George Armstrong and his sheep dogs from Calgary proved to be very popular indeed with those attending the grandstand shows and the Highland Games which were presented on Saturday afternoon, together with the Pipe Band which performed during the fair.

The Vermilion Fair summer course which is held at the Vermilion School of Agriculture each year was filled to capacity very early by young people from all parts of the district, and was evidently greatly enjoyed by all attending. The thanks of the Society are gratefully extended to the staff of the V.S.A. for their assistance and co-operation in this regard.

The Society also wishes to take this opportunity to publicly thank all those in the community who assisted in any way with the fair, and the Vermilion Standard for priceless publicity unstintingly given. The fair is a community enterprise and requires the assistance of many to carry it out successfully. This assistance is hereby gratefully acknowledged.

Miss Rose Bloxham R.N. of the University Hospital in Edmonton is spending her vacation with her parents Mr. and Mrs. Charles Bloxham, will leave for Minneapolis Minn., this week where she will be employed.

Mr and Mrs. Jack Chambers and family of Ottawa left Wednesday on the return trip home after visiting with Mrs. Chambers' parents Mr. and Mrs. W. P. [illegible].

Former Mannville Man Dies at Coast

MANNVILLE. — Word has been received here of the sudden death of Ralph Burch who passed away at a west coast hospital on July 28th. The deceased was 53 years of age and was a former resident of the Mannville district, having farmed south of town for many years.

He was born in Devonshire, England, and was a graduate of London College, London, Eng.

Left to mourn his loss are his widow Linda, his father Mr. H. H. Burch, and one sister Mrs. Robert Smart (Marjorie) of Qualicum Beach. Funeral services were held the following Thursday in St. Ann's Anglican Church, Qualicum Beach, with Rev. J. W. Elighton of Tofino officiating.

Paradise Valley

Need we say that it is very, very dry in this part of Alberta? Even your correspondent has been dried up for the past few months. However we hope to do better the rest of the way.

A lot of people are away on vacation. Mr. and Mrs. Geo. Venner are spending their holiday at Edmonton, Stettler, Calgary and other Alberta points. Mr. and Mrs. Mel Nysetvold and family are visiting points west for their annual holiday. Mr. and Mrs. Fred Gaunt of Edmonton were down for a part of their vacation and called at our sanctum to say hello. Another old timer in the person of Mr. Bill Beggs was a recent visitor.

Carpenters in town are quite [illegible]. Mr. and Mrs. L. Vice are having their house renovated and Mr. and Mrs. Leighton who have taken over Gunn's store are enlarging the building and making other changes.

After thirty years Gunn's store has changed hands. On the first of August Mr. and Mrs. Hugh Leighton took over the business. It will still be known as "Gunn's Store".

Gladys and Barney Baxter would like to thank their many friends for kind remembrances of their 25th wedding anniversary on Sunday afternoon and for the splendid gift with special thanks to the ladies who arranged and took care of all the details of the afternoon.

Mr. and Mrs. Harry Fehn of Iowa, U.S.A., are visiting with Mrs. Fehn's father Mr. John Rayson.

Mr. and Mrs. Herb Foxwell and family left for Ottawa on Tuesday morning where Herb has been posted. They have been at Otter Park for the past year or more. While here they visited at the Hoskin and Gordon homes.

WILDMERE WINKS

Mrs. T. Cairns who visited in Wildmere, Vermilion and Edmonton, has now returned to Vancouver. Hope to hear from you again soon Mrs. Cairns.

We are all sorry Lewis Alexander has been a patient in the Vermilion hospital. We all hope he is soon feeling better again.

A shower was held last Friday evening at Basswood Community hall for Donnie Johnson and his fiancee Esther Codd of Vermilion. Donnie is well known by all the young folks out here as he worked one winter in this district. The happy couple received many varied and useful gifts. Mr. and Mrs. C. Johnson and Mrs. Codd were also present. The first part of the evening was taken up with guessing games, and a contest to see who could hold the most clothespins while taking them off a line. Then, just before the shower a mock wedding was staged by Albert Smith (the minister), Wally Westman (the bride), Marie Smith (the groom). Betty Smith was best man, Kenny Schroeder the bridesmaid, Doreen Martin the groom's father, Adam Smith the groom's mother, Kenny Graham the bride's mother and Maureen Cruthers the bride's father who gave the bride away. It was a sad affair according to the bride's mother who wept in a bedsheet. The skit caused lots of laughter, each one acting the part perfectly. The bride's bouquet was composed of artificial flowers and lovely green pigweed. Everyone wished Don and Esther much happiness. They will be married on Aug. 23rd at the First United church in Vermilion. A short dance brought the evening to a close.

The writer, along with many others, attended the wedding last Saturday, Aug. 2nd of Miss Alice Seuffert and Claus 'Nick' Heckhausen in First United church. A reception was held afterwards in the church hall. Mrs. A. Robinson was in charge of the guest book. Alice was born and spent some of her childhood in Wildmere and holds a warm spot in our hearts.

IN MEMORIAM

In loving memory of
ROBERT UPTON
who passed away Aug. 13, 1956.
"Calm and peaceful he is sleeping,
Sweetest rest that follows pain;
We who loved him, sadly miss him,
But trust in God to meet again."
—Ever remembered by father, sisters and brothers.

IN MEMORIAM

In memory of
[illegible] SWEENEY
who passed away [illegible] 11, 1957.
"The blow was [illegible] the shock severe,
We [illegible] thought the end was near,
And only those who have lost can tell
The pain of parting without farewell.
More each day we miss you father,
Friends may think the wound is healed,
But they little know the sorrow
That lies within our hearts concealed."
—Ever remembered by wife and family, brothers and

CARD OF THANKS

We wish to thank the many friends and neighbors who called at our house, and all others for their acts of kindness and help: for floral tributes and expressions of sympathy, and to those who so generously provided transportation during our recent bereavement.

Mrs. Catherine Poleschuk and Family.

APPRECIATION

The United Church W. A. wish to thank everyone who helped in any way in connection with serving meals in the dining hall at the Fair. This includes the conveners, church members and adherents, those who did the planning, buying, phoning, collecting and the workers in the hall. Thanks to all.

APPRECIATION

St. Saviour's Vestry wishes to thank all those who donated pies, and those who helped in any way at the hot dog booth during the Fair. The excellent co-operation received resulted in this being a most successful project.

LOCAL NEWS

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Harry Scott announce the engagement of their daughter, Jessie Thomasina Stovold, to Mr. Roger John Wilson, son of Mr and Mrs. Royal A. Wilson, of Edmonton. The marriage will take place August 23 at 2:30 p.m. at St. Saviour's Anglican Church, Vermilion.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. J. R. Robson of Vermilion announce the engagement of their daughter, Jean Hylton, to Mr. Peter Abt, son of Mr. and Mrs. Kilian Abt of Ponoka. The wedding will take place at twelve o'clock noon, August 30, St. Mary's Cathedral, Calgary.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Louis Hicks of Lac La Ronge, Sask., wish to announce the engagement of Mrs. Hicks' second eldest daughter, Lena Eleanor Davies, to Mr. Rowland Edward Catlin, son of Mr. and Mrs. Amos Catlin of Edmonton. The wedding will take place at the St. Mary's Anglican Church, 112 Ave., 89th Street, Edmonton on August 30th at 4:30 p.m.

ENGAGEMENT ANNOUNCED

Mrs. Catherine Poleschuk of Landonville wishes to announce the engagement of her only daughter Lorraine to Mr. Donald Mazonkowski, youngest son of Mr and Mrs. Frank Mazonkowski of Viking, Alberta. The wedding is to take place at Viking on September 6th at 11 o'clock in the morning.

ENGAGEMENT ANNOUNCED

[illegible] Scharman of Vermilion, Alberta, announce the engagement of their only daughter Anne, to Mr. Edward Koda, only son of Mr. and Mrs. Matt Koda of Forestburg, Alberta. The wedding will take place at Forestburg on Monday, September 15th.

Mr. and Mrs. Jack McLaughlin accompanied by their son and wife Mr and Mrs. Eddie McLaughlin, Maureen and Bernie visited their daughter Jo at Ft St John B. C., and at other points in B. C. for a few days.

A delightful trip to Vancouver made over the Yellowhead route was enjoyed by Mr. and Mrs. Wm. [illegible] and three children, Florence Sylvia and Gary, and Mrs. Chema's father Mr. Stanley Yaremkewich of Elk Point. Travelling through [illegible] presented no difficulties, and Vancouver was reached in time for the party to see Princess Margaret and the wonderful parade which welcomed her. On the return journey a route was picked through the States back to Creston B.C., where relatives were visited, then to Banff and Calgary. Other relatives were visited along the route. The party camped out and the completed journey saw a distance of 2400 miles travelled.

Mr. Richard L. Craig of Sarnia Ont. together with Col. Craig of North Battleford, Sask. were recent visitors with their sisters Miss G. Craig, Mrs. A. M. West and Mr. West.

Mr and Mrs. Clarence O. Wilson and family visited their daughter Mrs. Gordon Bell and Mr. Bell of the Namao district on S[illegible]. The twins, Bill and Gary remained with their sister [illegible].

Mr and Mrs V. H. Cooper returned on Sunday from a two week's holiday the major part of which was spent at Sedro Woolley, Wash. where they visited Mrs. Cooper's sister, Mrs. Lily White, and brothers Elm and Raymond Cowell and families. The trip as far as Edmonton was made by car where a day was spent with daughter Nadeen (Sgt and Mrs. Fred Waite) and family. From there they boarded the C.N.R. Super [illegible]. Upon their return to Edmonton they journeyed by car to Calgary and spent two days with daughter Beverley (Mr and Mrs. J. D. Montgomery) and family. On their way home a side trip was made to Alder Flats where a day was spent with daughter Joanne (Mr and Mrs. Allan Gannon) and family.

Linda-Lee Brix arrived in Vermilion from Medicine Hat just prior to the Fair to visit her paternal grandparents, Mr and Mrs. P. Brix and to enjoy the fair and seeing her school chums. Linda-Lee will later go to Clandonald to visit her maternal grandparents Mr. and Mrs. P. Lee and her auntie and uncle Mr and Mrs. Matt Leslie.

A party comprised of Mr. and Mrs. Fred Stewart and two daughters Elizabeth and Patricia, Mrs. Stewart's mother Mrs. Mitchell and Mr. and Mrs. Reg Mitchell and daughter Joanne are spending their holidays on a motor trip and visit to Campbell River, V.I., B. C.

Mr. and Mrs. Ken McCrae and Douglas accompanied by Mr and Mrs. D. B. Sherreff, motored to Vancouver where they were [illegible] at the home of Ken's [illegible] W. E. McCrae. While there they visited Mr. Clifford McCrae and family and Mrs. Frank Cameron and family. The trip to the west coast was made through Glacier National Park, and the return journey was by the Crowsnest Pass. Weather during the trip was very warm, the thermometer reading 104 in Spokane, Wash.

Mrs. John Bykol spent the last two weeks of July visiting at the home of her parents, Mr. and Mrs. George Seuffert, prior to leaving to make her home at Dawson Creek, B.C. While here she attended the wedding of her sister Alice.

Mr. and Mrs. Doug Cooper and son Dene, accompanied by Mrs. Ken Urquhart returned recently from a very enjoyable week at Jasper and points of interest in that area. A day was also spent at Lodgepole in the heart of the great Pembina oil [illegible] visiting at the home of Mr. [illegible] Elliott and family. The [illegible] made by car.

Mr. and Mrs. Stan McCrae and girls returned recently from an enjoyable holiday of one month spent at the west coast visiting friends and relatives. While there they took in the centennial celebrations and saw Princess Margaret. They also caught a glimpse of the Russian Sputnick.

[illegible] and children, Della 11, Mary 9 and Johnnie 7, from Taylorville, Ill., U.S.A., are visiting Mrs. Sartore's parents Mr and Mrs. S. J. Wickham. They plan to return to their home on August 3rd.

Miss Olga Pashulka, nurse-in-training at Holy Cross hospital in Calgary spent three weeks holiday at the home of her parents at Derwent.

Mr. and Mrs. Bill Pettigrew [illegible] returned recently from a short visit to Regina where they visited Mr and Mrs. Gary Gelhelhaus (nee Marie Millar).

Miss Eleanor Evans returned from a holiday spent at the coast.

Mr and Mrs. Ed Skrodolies and two boys Edward and George of Powell River, B.C. are visiting the latter's mother Mrs. Monk at Clandonald for two weeks and her sister Mrs. Volk at Ponoka. The trip was made by car some 1300 miles being driven to reach Clandonald.

Mr and Mrs. T. K. Holte returned to Winnipeg after spending part of their holidays with Mr and Mrs. Albert Holte and Mr and Mrs. A. M. West. During their visit here they made a quick trip to Banff to visit Mrs. Holte's sister Claire, Mr. and Mrs. Ted Langridge and family.

Judy and Bud Dunn, children of Mr. and Mrs. Chas Dunn of Vermilion have spent the past week visiting at the home of their aunt Mrs. Vera Dingman in Lloydminster.

Mr and Mrs. Clyde Hicks who were recent visitors at Uranium City, Sask. have now returned home. Mrs. Hicks spent a month there and Clyde eight days during which time they visited their son Mr. and Mrs. Edwin Hicks and their daughter and husband Mr. and Mrs. Brian Ford.

Mrs. Cecil Sinden, Jim, Dianne and Marilyn spent last week holidaying in Calgary during which time they were guests at the home of the former's sister and family Mr. and Mrs. A. Potter.

Mr. and Mrs. Les Hathaway are holidaying at Banff and Radium Hot Springs this week.

Mr. and Mrs. John Webb and family accompanied by Mr. and Mrs. [illegible] Bell and children of Warner, Southern Alberta returned last week from a fortnight's vacation at the Webb summer cottage at Loon Lake, Sask.

Mr. and Mrs. Ashle, Cooper and daughter Lois returned Saturday evening from a delightful [illegible] spent in the beautiful Okanagan city of Penticton where they were guests at the home of Mrs. Cooper's sister Mrs. [illegible] Millward and son Donald. Much was happening in Penticton as their annual peach Festival of a week's duration was in progress as well as the centennial celebrations. Penticton is fortunate in being located between two lakes with perfect beaches and is therefore the mecca of an extra large number of tourists. The Coopers made the trip by car. Former Vermilion family Mr. and Mrs. Norman [illegible] on in the peach city.

TO SEE CANADIAN OPEN

A party of Vermilion golfers comprised of Warren Rosenquist, Leo McKernan and Dr. Ben King are leaving this week end for Jasper where they will spend the bulk of their time playing golf. They will then come back to Edmonton on Wednesday and Thursday to see two days of the Canadian Open golf championships.

Dr King will be back in his office on Friday August 22nd.

Mr and Mrs. Bill Brown and son Bill of Fielding, Sask. were recent visitors in town, guests at the home of Bill's twin brother, Jack and Mrs. Brown. While here the twin brothers planned to have their photo taken with Jack's twin grandsons, Kenneth and Raymond Millar. Mr. and Mrs. Jack Brown are in turn spending this week at Fielding.

Mr and Mrs. Wm. Pooks and daughter Lynn returned recently from a vacation spent at Nanaimo where they were guests at the home of Mr. and Mrs. John Thompson.

Recent visitors at the home of Mr. and Mrs. Charles Thompson were the latter's brother, Mr. Russell and Mrs. Russell from Edmonton.

Mr and Mrs. P. H. McNamara of Edmonton paid their customary visit to Vermilion during the fair. Pat says there is no place like the fair to see old acquaintances.

Mr and Mrs. Russell Carroll returned on Sunday from an enjoyable holiday and motor trip to Coeur D'Alene and Trail. At Trail they visited Mr. and Mrs. Jim Swanson and family.

Mr and Mrs. Albert Hareuther, Fay and Maurice left Monday morning for Regina and other Saskatchewan points where they will visit for their holidays.

Boys and girls . . . your own golf 'tourney on Sunday, Aug 24. Be at the club house at 10 a.m. 3-6x

Wm. T. Bothwell of Regina is spending his three weeks vacation visiting his parents Mr. and Mrs. Thos. Bothwell in Vermilion.

L. A. "Buster" Larkins recently spent a week visiting relatives and friends in Calgary and district.

CANADIAN PLANES

The Royal Air Force is thinking of buying some big transport aircraft abroad [illegible] might be Canadair's CL-44 turbo prop, says a Montreal report in The Financial Post. Orders would probably be for 20 to 30 planes.

Three Vermilion youths are training as aircraft technicians in Edmonton this summer. Their two-months R C A F Reserve Tradesmen Training Plan is conducted by 3054 (Auxiliary) Technical Training Unit at the Tactical Air Command Support Unit in Edmonton. The course is designed to train men to RCAF Group 1 standards in their chosen trades.

Pictured left to right: Airframe technician AC2 M. R. Kneale 17, son of Mr. and Mrs. J. V. Kneale; aeroengine technician AC1 M. H. Marshall, 16, son of Mr. and Mrs T. C. Marshall; airframe technician AC2 A. W. Russell, 16, son of Mr and Mrs. W. K. Russell.

NEWS from ISLAY

Many are back home after holidaying. Mr and Mrs. Ev Inman, Mr and Mrs. I. D. Inman spent their time in and around Jasper, the Bill King's and the Bill Shaw's were at Vancouver and Victoria; Mr and Mrs. B. Tenbey, Jack and Marion holidayed at Perdue, Sask.; Mrs. Bell and Sandra were at Perdue for a time and then in Edmonton.

There are a number of new cars in this area — Mrs. Alex Linton, Russell Linton, Mrs. D. Bowman, Mrs. Tom Sherwood, Mr John Shaw, and Mr. Inman a new station wagon, have all been seen in and out of Islay.

Mr and Mrs. D. Jellison (a sister of Mrs. I. D. Inman) from Red Deer, spent a few days with Mr. and Mrs. Inman. Sympathy goes out to Mrs. Inman whose brother passed away at Consort July 23rd. Mr. and Mrs. Inman, Ruby and Ev attended the funeral.

Mrs. Ruby Inman and Mrs. Ida Van den Dolder were hostesses at a shower for Miss Janet Bell who was married July 26 to Mr Gerry Grant. A very pleasant afternoon was spent, Janet receiving many very beautiful gifts. The shower was at the Van den Dolder home.

Mr and Mrs. Jim Forsyth of Edmonton were week end visitors at John Maire's home. They like Alberta and have come back to reside in the city after spending some time at Victoria.

Mr and Mrs. George Schaffer, Don, Grace and Jim spent a few days with relatives at Waseca, Sask.

Miss Erva Sweet and Elaine spent ten days with relatives at Wawota, Sask. Erva has now returned to duty at Lamont hospital.

Mr. and Mrs. Ternoster, who hail from Ontario, are visiting son Emmerson and his wife. It is their first time in our great western country.

Church service will be held on Sunday, Aug. 17th at 11:30 a.m. in the United Church.

News from Tulliby Lake

Last Sunday the Roy Morris family had as visitors Mr. and Mrs. Lee Wendt and family of McLaughlin.

Jimmie Lee was back in the district for two days recently. At present Jimmie is helping his brothers bale hay down at Spring Coulee.

The new employee we've all been noticing at the Cecil Trimble [illegible] He [illegible] around Marwayne.

The Helmsburg Local No. 433 of the FUA held a meeting here in the Central school on the evening of July 21st. 'Yours truly' being a little under the weather, could not attend, hence a detailed report of the meeting cannot be given.

Mr. and Mrs. Alfred Millsap of Cremore Ont., accompanied by the Irwin family, were visitors at the Cecil Trimble home.

Mrs. Bill Adamson and daughter Deanna spent a rather short but very much enjoyed holiday at Rocky Mountain House. While there Mrs. Adamson visited her daughter Norma and family, Mr. and Mrs. Victor Evans. On the way home they dropped in at the home of Mr. and Mrs. S. A. Marshall, Edmonton for a visit.

Market in China

There's a big [illegible] market in mainland China for Canadian makers of non-strategic instruments The Financial Post reports.

A Toronto firm has just won a $50,000 order, for geophysical instruments for mining exploration. The firm was chosen over competing firms from Britain, Germany, Sweden, France and Russia.

People who do as they please get along as well as those who try to please everybody.

PURE BRED SIRE AREA
SWINE

Under date of November 9th, 1956 the Agricultural Service Board of this Municipality recommended the inclusion of Swine under the Pure Bred Sire Act. This recommendation was approved on January 8th, 1957 by this Council. The Provincial Government passed Order-in-Council No. 729 on June 1st, 1957, approving the same.

Therefore, it is now announced that Swine will be included under the Act from November 1st, 1958. It will be required from this date that owners of all boars of serviceable age must have registered papers for them.

Automatic Monthly Payment

SUN LIFE OF CANADA now offers policyholders a new, automatic method of payment of life insurance premiums. When you instruct your bank and the Sun Life, the premium due is automatically paid from your bank account each month. There's no check to write, nothing to mail, no worry about making the payment on time. Let me tell you how this plan can save you time, effort and money.

This arrangement applies to both old and new policies.

MR. AND MRS. RONALD WILLIAM MIX

Parents' Anniversary Chosen For Mix-Gunderson Wedding

Miss June Roberta Gunderson, elder daughter of Mr. and Mrs. Obert Gunderson, chose June twenty-fourth, the twenty-fifth wedding anniversary of her parents, for her marriage to Mr. Ronald William Mix, only son of Mr. and Mrs. William Mix.

Baskets of roses, peonies and daisies provided the floral background at the altar of the Alliance Chapel, Vermilion, for the Candlelight, double-ring ceremony. The vows were exchanged before a beautiful bridal arch. Rev. J. M. Schroeder officiated.

Mrs. Terry Hines and Miss Margaret McLennan lit the tapers. Mr. Albert Mix, soloist, sang "O Perfect Love", "Wedding Prayer" and "Let Them Burn Out For Thee". Mrs. J. M. Schroeder presided at the organ.

The bride, given in marriage by her father, wore a gown of imported Chantilly lace and nylon chiffon, her bodice of lace over satin was fashioned with a draped waistline, complimented with tiny cap sleeves and Sabrina neckline. Her nylon chiffon skirt was designed with a hipline sash ending in floating panels of chiffon. The veil of imported French illusion tulle was held in place with a small sweetheart cap of lace embroidered with pearls and sequins. She carried a white Bible belonging to her paternal grandmother from which fell a cascade of American Beauty roses. Her only ornament was a single strand pearl choker, a gift of the groom.

Mrs. Clifford May was Matron of Honour and Miss Barbara Gunderson, sister of the bride was bridesmaid. Diane Isert was flower girl and Brian Tiessen the ring bearer.

The matron of honour and bridesmaid wore similar floor-length gowns of blue lace and net over taffeta each carrying a shower of pink carnations. The flower girl wore blue net and carried a basket of white daisies.

The groom was attended by Mr. Dwight Gunderson, brother of the bride, and Mr. Ashton Curtis. Ushers were Messrs. Norman Gunderson, George Jensen and Mason Curtis.

For her daughter's wedding, Mrs. Gunderson wore a teal blue lace over taffeta dress with navy and white accessories. She wore a corsage of red roses.

Mrs. Mix wore yellow and white printed silk with white accessories. She wore a corsage of pink roses.

Following the wedding a reception for 150 guests was held at St. Saviour's Parish Hall. Mr. E. Clendenning was Master of Ceremonies for the evening. The toast to the bride was proposed by Mr. R. A. Swanson. The beautifully arranged bride's table was centred with a three tiered wedding cake which had been decorated by Mrs. George Connon. Out of town guests included Mrs. Elling Westby, Mrs. Andne Bakke, Mrs. Chapen Dykers and Mrs. Walter Gunderson from Washington, U. S. A. Mr. and Mrs. Daniel Gunderson, Lac La Hache, B. C. Mr. and Mrs. R. Greenway, Toronto. Mr. and Mrs. Julius Seidel. Mr. and Mrs. Arthur Marshall. Mr. and Mrs. Herbert McNab. Mr. and Mrs. L. Mix. Mr. and Mrs. George Mix and Dawna, Mrs. Cecil Vasey and Mr. Ben Mix, Edmonton. Mrs. Gordon Tiessen and Brian, and Mrs. Bennett Franciscus, Kindersley. Mr. and Mrs. Cameron Isert and Duane, Elk Point. Mrs. Dillie Isert and Mr. and Mrs. August Isert. Mrs. George Connon, Hazeldine. Mr. and Mrs. Larry Isert. Mr. and Mrs. Terry Hines. Mr. and Mrs. R. A. Swanson. Mr. and Mrs. Duncan Addison. Miss Barbara Hancock and Mr. Teddy Kent, Marwayne. Mrs. Albert Isert, Dewberry. Mr. and Mrs. Norman Gunderson, Lloydminster.

Jean Allanach had Mannville on the map again with her display of International dolls at the Fair, which provoked many admiring studies of same.

K. of C. Picnic A Huge Success

A record crowd of nearly 500 people turned out for the annual Knights of Columbus sponsored picnic at Raft Lake campsite on Sunday, Aug. 3rd.

The weather was perfect and many of the visitors cooled off in the lake.

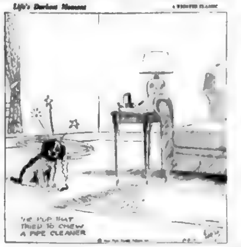
The afternoon sports events so ably handled by Dr. Joe Morlog were thoroughly enjoyed by all the youngsters taking part as well as the cheering onlookers.

The horseshoe pitches never stopped ringing all day and lunch in the shade of the tall trees surrounding the beach was very thoroughly enjoyed by young and old alike as well as those in between.

Mrs. McMullen and her helpers kept gallons of coffee and tea brewing and Louis Garnier and Bill Specht distributed endless amounts of free pop and ice cream for the youngsters and even one round on the house for oldsters like your reporter.

Since plans are being made for the continuing development of the beautiful Raft Lake campsite, everyone is looking forward to even bigger and better parish picnics in the years to come.

Optimism is only half the battle. It must be accompanied by a disposition to work.



Mannville and District Local News

Visiting here on holidays recently were: Noni and Bill Hegarty from Ontario. Joanne Dowicki and parents at the E. Hubbard residence. Mr and Mrs. Bob Clarke and baby Clarke who has recently joined their family. Sharon Osborn at her grandparents home. Mrs. Bessie Adamson from Edmonton at the Lugg and Hubbard homes. Ducks Play Fair

A $35,000 "cafeteria service" or honor system for wild ducks at the south end of Lake Manitoba will be continued in 1958, reports The Financial Post.

Irate farmers within 10 miles of the shore line complained they were losing most of their grain crop to ducks.

The provincial game branch in 1957 tried an experiment.

It scattered grain, chiefly barley along the edges of the lake. The plan proved a success.

The birds showed that for one year at least they were willing to play fair with the government and the farmers. Crop damage was negligible.

District Ladies Go On Extended Trip

Mrs. Effie Allen of Dewberry and Mrs. Lena Good of Clandonald have recently returned from a few months visit in Southern Minnesota. While there, Mrs. Allen visited her two sisters, and a family reunion of relatives on their mother's side was held at Wasera Minn. which was much enjoyed by everyone. Following the reunion, an aunt of the three sisters took them to the farm where their mother had been born and then to the farm on which their parents had lived during the first years of their marriage before moving to East Chain.

Mrs. Good's trip took her as far as Chicago and Dayton Ohio, where her daughter Wilma and family live. She was driven to Greenville on the 6th of July to visit friends and then to Waverly for two days where an enjoyable time was spent. The following week end, the two travellers accompanied by relatives, motored to Niagara, New York and crossed the border into Ontario where they went to see the old Fort Niagara which was built in 1726. They visited the home of President Garfield, which is a four-storey structure containing some thirty rooms.

Other places of interest seen on the trip were Renville and Granite Falls, Minn., West Bend, Iowa, to see the Grotto of Redemption built by Rev. Father Ribbenctive of Germany. It was most interesting and well worth seeing.

DERWENT THEATRE

Showing at Derwent theatre Sat. and Mon. Aug 16 and 18, "Utah Blaine" starring Roddy Calhoun, a splendid action picture; Aug 23 and 25 "Our Town" a terrific drama from the Pulitzer prize play. 5

Hot weather has continued for all of August so far alleviated a little by [illegible] nice showers this past week.

Showers Honor August Bride

On Wednesday evening July 9 the members of Britannia Rebekah Lodge held a surprise party at the Vermilion park in honor of Miss Alice Seuffert. After a delicious supper Alice was blindfolded and taken for a walk down the bridal path. The path, after many amusements, finally ended at a tastefully decorated box containing a lamp and other articles which were presented to her with the best wishes of the Lodge. After thanking everyone the evening was brought to a close by a pleasant hour around a bonfire.

On Saturday evening Aug 19 a number of friends gathered at the home of Mr. and Mrs. R. H. Martin at a party in honor of Miss Alice Seuffert and Mr. Claus Herkthausen. After viewing slides, Alice and Claus were presented with a number of lovely gifts for which they thanked all present. The evening was brought to a close with the serving of a delicious lunch by the hostess.

The home of Miss Jean Burdett was the scene of a shower held in honor of Miss Alice Seuffert on Wednesday July 23rd. Alice was presented with a corsage, then several contests and games were enjoyed following which the bride-elect was presented with a "Utility Plant" filled to overflowing with gifts.

Alice thanked everyone and the enjoyable evening ended with the serving of a lovely lunch.

On Tuesday evening July 29th Mrs. C. Waldenberger held an enjoyable party at her home in honor in Miss Alice Seuffert.

Contests were enjoyed by all, then Alice was presented with a gaily decorated basket containing gifts accompanied by the best wishes of all those present.

Alice thanked everyone for their thoughtfulness and the evening closed with the serving of a delicious lunch.

Baby Shower For Twins at Dewberry

DEWBERRY — An interesting event held recently at the home of Mrs. John Porter of Dewberry was a baby shower for the twins of Mr. and Mrs. Bob Braithwaite.

Firstly the twins themselves were brought in and presented to all the large number of ladies in attendance. They were duly admired to the accompaniment of many oohs, ahs, and ohs. The boy of the twin set Bobby was carried in by his proud grandmother Mrs. May Braithwaite while twin sister Brenda was brought in by older sister Lorraine. Beverley Porter then wheeled in a large doll carriage overflowing with gifts and presented them to Mrs. Bob Braithwaite the mother of the twins. Assisting Mrs. Braithwaite in opening the presents were her mother Mrs. Spicer, Mrs. May Braithwaite and Mrs. Don Braithwaite.

A delicious lunch was served by Mrs. Porter and Beverley. Everyone enjoyed a very pleasant afternoon.

Visit Old Home At Dewberry

DEWBERRY — Mr. and Mrs. Joseph Kinshella and five children motored from their home at Windsor Ont., to visit Mrs. Kinshella's parents Mr. and Mrs. Philbin at Dewberry and to generally renew many old friendships.

The trip was made through the States starting at Detroit, then through Michigan, Wisconsin, Minnesota, North Dakota, to Whitewater, Montana. There they visited Mr. Kinshella's brother Chester and family. The rest of the journey was through Saskatchewan to Alberta and Dewberry.

This is the first visit Mr. and Mrs. Kinshella have made to Dewberry since leaving some 17 years ago. Mr. Philbin was pleased to see his grandchildren for the first time and they seemed equally pleased to meet him. It was also the first time Mrs. Philbin has seen the two youngest Kinshella children and nine years since visiting the older ones.

While they were here a visit was made to Edmonton where they called on Mr. and Mrs. Gervaise Kinshella and Mr. and Mrs. H. Gagne. They were accompanied on the trip by Mrs. Philbin.

Lovely weather favored them all the way on the trip but they claimed the nicest country they travelled through was sunny Alberta.

The visitors left on their return trip on Aug 2nd intending to follow the same route in reverse and with plans to spend a few days with Chester at Whitewater, Montana.

CLANDONALD HALL

Showing at the Clandonald hall on Friday and Saturday, Aug. 15 and 16, "The Hired Gun", a good western starring Rory Calhoune and Anne Francis, Aug. 22 and 23 "When I Grow Up", a comedy. 5

Hindville Old-Timer Dies

Gilbert Hubert Portsmith, a pioneer farmer of the Hindville district, passed away on August 12th at the age of 77 years. The death took place at his home.

Funeral services are being held on Friday Aug. 15th at the First United Church, Vermilion at 2 p.m. Interment will follow in the Vermilion cemetery. The Rev. C. W. MacKay will officiate.

The deceased was well known to his friends as "Bert". Born in Peterborough County, Ont., on Oct. 13th, 1880, he came to Vermilion in 1911 and homesteaded in the Hindville district, 25 miles south-east of town.

He is survived by four brothers and three sisters, Richard of Buckhorn, Ont.; John, Coquitlam, B.C.; Harry and Gordon of Vermilion; Mrs. Maude Bell, Lakefield, Ont.; Mrs. Lottie Clement, Toronto; Mrs. Mabel Fortune, Vermilion.

Moyers are in charge of the funeral arrangements.

Mr. and Mrs. R. Butler recently had as guests their daughter May and family, Mr. and Mrs. Steve Nadurak and children, accompanied by Steve's sister and family. They stopped en route to Vermilion to visit relatives in Yorkton, Sask., arriving in Vermilion Saturday evening. The children had a wonderful time at the Fair on Saturday night. Sunday was taken up visiting the "old home farm". Monday was spent in Wainwright visiting friends. Tuesday evening a reunion of the family was held and all except Marg (Mrs. McInnis) were present. Rev. Fr. Landrigan was also there to meet everyone. After the very short but most enjoyable holiday, Mr. and Mrs. Nadurak and the children left on Wednesday morning for their home.

L. Bowser, Islay Pioneer, Honored On 88th Birthday

On Sunday afternoon Aug. 10, a very happy time was spent at the home of Mr. and Mrs. Bill Waterfield of Islay the occasion being in honor of Mr. Lew Bowser who was celebrating his 88th birthday that day.

Mr. Bowser was born at Manchester Ont. and has resided in the Islay district since 1906, carrying on farming. He still does considerable at the home of his daughter Lila, Mrs. Bill Waterfield. The gathering was held on the lawn at the Waterfield home in the shade of lovely trees, with about eighty relatives and friends coming from as far as Stonewall and Winnipeg in Manitoba; from Wainwright, Edmonton, Rivercourse, Vermilion and Islay.

Seats were nicely arranged on the lawn in the shade. Mrs. Patsy Robertson poured tea and coffee, while Ken Gunn, Eddie Waterfield and Helen McKerihan served the visitors with plates loaded with a very delicious lunch and lastly came the birthday cake. The visitors all signed the guest book.

Some of Mr. Bowser's close neighbors of the 1906 era were in attendance including Mr. and Mrs. Tom Bothwell and Mr. Lance Payne, and some others from nearly as far back. A wonderful time was spent renewing old acquaintances and making some new ones.

Due to farm chores most of the guests had departed by 6 p.m. but a few remained to have the pleasant experience of sitting for a wee while in the front room of Mr. and Mrs. Waterfield's lovely home and gaze out the large picture window to the north, viewing a beautiful scene, ponds and trees, ducks swimming about peacefully on the former, cattle grazing on the hillsides, and a broad upsweep to the highway where cars were coursing to and fro. All was so peaceful that everyone was loathe to leave.

At the present time Mr. Bowser's only son Earl is in Egypt on NATO work.

Few Car Bargains

As the last of the 1958 autos rolled from Canadian plants this summer two probabilities emerged, reports Rodney Touche in The Financial Post.

There will not be many dramatic discount offers during the "clean-up" of 1958 models.

Prices of 1959 cars will remain close to this year's level.

Auto production this year is off 18% on 1957. And as the plants closed down to retool, there was no sign of last year's abundant carry-over of current models. Production has been carefully tailored to sales.

A last minute spurt of buying has even had some dealers talking of shortages.

Prices of 1959 cars will be decided mainly by two costs - steel and labor. Both are still uncertain.

In the current fiscal year it is estimated that spending by Canada's federal government will total $5.8 billion. In 1939 federal spending totalled 553 million; in 1947 $2.2 billion.

Quick Canadian Facts

Egg Ballot Deadline August 30th

The Hon. L. C. Halmrast, Minister of Agriculture has announced that the list of eligible electors for the forthcoming plebiscite on a plan to regulate and control the marketing of commercial eggs in the Province of Alberta has been completed. The total number of electors — those persons having 50 or more female fowl, is 26,415.

Each elector must forward his ballot to the Chief Returning Officer, Legislative Buildings, Edmonton, postmarked not later than midnight, Aug. 30, 1958.

New Hospital Desired By Mannville Board

MANNVILLE — In a recent interview local hospital board member Mr. Coultman and secretary Jas. Hills received courteous attention and information from Mr. B. H. Foster Director of Hospital Administration, as they applied for a new hospital. Apparently a considerable number of requests have been made for building projects and the processing of these have been delayed awaiting changes in the new hospital plan. It was felt by the Mannville delegation that their request would meet and receive favorable consideration, and further that there is the possibility of the Department assuming all capital costs after January, 1959. The Department likewise is waiting to see if the new plan is causing any outflow of patients to other hospitals, thereby decreasing this hospital's occupancy. It will be some months before the new hospital application is processed.

How about your SUB?

OBITUARY

Lawrence J. Polechuk

Lawrence J. Polechuk of Landonville, passed away in the Elk Point hospital on July 29th at the age of 68 years. He had lived in the district since 1914.

He leaves to mourn his loss his sorrowing wife, one son Archie at home, and one daughter Lorraine at Viking.

Funeral services were held at the First United Church, Vermilion, on Friday, Aug. 1st with interment in Vermilion cemetery.

Moyers were in charge of the funeral arrangements.

OBITUARY

MARION MacDONALD

Miss Marion MacDonald, daughter of Mr. Peter MacDonald of Clandonald, passed away on July 26th following a lengthy illness. Besides her father she leaves one brother Archie, also of Clandonald.

Funeral services were held on July 29th at the Roman Catholic church, Clandonald, with interment taking place in the church cemetery.

Moyers had charge of arrangements.

4-H Club Achievement Day Held At Derwent In July

DERWENT. — The Derwent Beef club held their Achievement Day at the school grounds on Wednesday, July 23 with ten calves being shown.

Prize winners were as follows: Grand Champion — Shorthorn, shown by Marshall Jaremco; Reserve Champion — Hereford calf shown by Ronnie Hendel. Showmanship prize, won by Georgie Zuk.

Judging the calves was Vic Jenson of Edmonton. District Agriculturist Alex Lotz was also present. The calves were sold on Thursday, July 24th at the Vermilion fair.

Ronnie Hendel was the winner of a nylon lariat donated by the Hereford Association for the best Hereford calf shown.

Robinson Stock Wins At Calgary And Edmonton

The International Shorthorn show at Calgary proved to be the biggest showing of any beef breed ever held in Canada. The show was judged by James Biggar, Castle Douglas of Scotland, who is a breeder of both Shorthorn and Galloway cattle. W. L. Robinson, the well-known Shorthorn breeder from this area, had ten head at Calgary and made a very consistent showing. The classes averaged more than 25 per class and the following prizes were won by the Robinson herd:

Third and 7th for junior yearling heifers; fourth for junior bull calf, fifth for three calves; sixth for two year old females; seventh for cow; eighth for senior yearling heifer; ninth for senior heifer calf; ninth for breeders' herd; 10th for senior bull calf.

The following week at Edmonton this herd also made a very good showing and had the Reserve Champion female with his well-known cow Glenrobin Secret. He had first for two year old female, second for junior bull calf, second for three calves, 3rd for senior bull calf, 3rd for senior heifer calf and third for breeders' herd.

Mr. W. L. Robinson judged the Shorthorns at the Saskatoon Industrial Exhibition.

Much History Of Area Outlined In Lea Park Booklet

A souvenir booklet commemorating the opening of the bridge across the Saskatchewan at Lea Park contains much interesting history of the area, names and locations of trading posts and forts, remains of several can still be seen, explorers, traders, etc. One of the highlights is a map of the area, drawn by the author of the booklet Mrs. Rosina Dudlyke of Marwayne, who put in countless hours of work on the whole project.

These interesting booklets are on sale at Doake's Drug store, Long's Drug store and the Vermilion Standard office at a cost of 50 cents each. Proceeds from the sales are for the Marwayne Legion Cenotaph fund. 4stf

4-H Clubs Show and Sale Held At Vermilion Fair, July 24th

The Vermilion, Preston, Derwent, North and South Mannville 4-H clubs contributed 71 calves to the inter-club show and sale at Vermilion Fair, July 24th. Donnie Stewart of Vermilion exhibited the Champion steer, a Hereford, for which he received 31 cents a pound. Russell Willes of the South Mannville club was awarded the Reserve Grand Championship for his Angus steer. The Vermilion club's showmanship team of Louise Barr and John Stewart won the trophy for the top pair of showmen. North Mannville represented by Josie McDonald and Arleen McLaughlin placed second.

Jack Crees presented the Hereford Association trophy to Donnie Stewart of the Vermilion 4-H club for exhibiting a Hereford Grand Champion. Russell Willes was presented with the Angus shield and cup for the most outstanding Angus steer by Mr. Warrilow of Minburn. The sale average was 22.4 cents per pound.

Prior to the inter-club show, there were four 4-H Beef Achievement days.

VERMILION

Time: 10:00 a.m. on July 24th.

Exhibited: 20 calves, placed 5 red specials, 14 blue choice and one gold good. Donnie Stewart's Hereford was the champion and brother Johnny Stewart's Hereford was reserve.

Showmanship: John Stewart was first receiving the Eaton award and Louise Barr was second.

Angus Association: Colin Kennedy received the Angus crest.

Hereford Association: David and John Stewart received the Hereford Association prizes of a lariat and photo album for outstanding Herefords.

Shorthorn Association: Louise Barr received the Shorthorn Association medal for the most outstanding Shorthorn in the club.

SOUTH MANNVILLE

Time 10:20 a.m. on July 24th.

Exhibited: 14 calves, placed 5 red specials, 7 blue choice and 2 gold good. Russell Willes' Angus calf was champion and Donnie Willes' Angus was reserve.

Showmanship: Bob Willes was first receiving the Eaton award and Gary Bennett was second.

Angus Association: Russell Willes received a champion crest and Thelma Rustad, Bob and Donnie Willes received [illegible].

Hereford Association: Dianne Renaples and Kenny Dchuk received a lariat and photo album for outstanding Herefords.

NORTH MANNVILLE

Exhibited: 16 calves, placed 1 red special and 15 blue choice. Arleen McLaughlin's Hereford was champion and David Clennett's Angus was reserve champion.

Showmanship: Josie McDonald received the Eaton award for first and Arleen McLaughlin was second.

Angus Association: Angus crests went to Emil Fedeshko, Emery Tohos, David Clennett, Roger McLaughlin, Raymond and Kenneth Seymour.

Hereford Association: Arleen McLaughlin and Gary Woywitka received a lariat and photo album for outstanding Herefords.

Shorthorn Association: John Clennett received the Shorthorn medal for the most outstanding Shorthorn.

PRESTON

Time 11:00 a.m. on July 24th.

Exhibited: 11 calves, placed 1 red special, 8 blue choice and 2 gold good. John Sweeney's Angus calf was champion and George Garnett's Angus was reserve champion.

Showmanship: George Garnett was first receiving the Eaton award and Joan Dibben placed second.

Angus Association: Hewitt Dibben received a lariat and Adam Smith the photo album for the most outstanding Herefords.

Shorthorn Association: George Garnett received the Shorthorn medal for having the most outstanding Shorthorn.

The calves were judged by Mr. Walter Dietz and Mr. Victor Jansen, assistant 4-H supervisors for the Province of Alberta.

Mr. Peter Wiley and Mr. Trevor Jones judged the showmanship.

DERWENT

Ten calves were exhibited at the Derwent 4-H beef show held in Derwent on July 23rd. Marshall Jaremco had the champion calf and Ronnie Hendle the reserve.

Wins Clear Acquittal On Indecent Assault Charge

On Tuesday August 5 in the City Police Court at Edmonton Magistrate Dupre at the conclusion of the Crown [illegible] dismissed a charge of indecent assault against Harvey Gullekson of Wainwright Alberta without the necessity of any defence being called. His Worship found there was no evidence of the guilt of the accused and that no defence was necessary.

The Crown had originally charged Mr. Gullekson with attempted rape and this was reported in the press. At the trial the Crown reduced this charge to one of indecent assault but after hearing the Crown's evidence the Court found no evidence of any offence and dismissed the charge.

Mr. F. J. Richardson Q. C. of Vermilion Alberta acted for Mr. Gullekson.

Vermilion Fair

There is a busy annual fair,
To it no other can compare
It is a three-day holiday
Where everything's in gay array
The grounds are at the edge of town,
Where you will find the crazy clown,
Who does so many silly tricks
And even walks on spindly sticks.
It's where the 4-H calves are sold
To anybody young or old
Who comes to see the many things
Including horses, sheep and rings
There are exhibits great and small
And many shows for one and all
Oh, fair time in Vermilion
Is the best in half a million!

MARWAYNE

Twenty-five boys and girls of the Marwayne district attended the boys and girls camp at the V.S.A. during Fair Week. Eunice Gray, the Grand Aggregate winner for the girls, received a gold wrist watch. Jean Kvill, 1st prize a travel alarm. Grace Hale, 4th, a necklace. Isabel Gray got 1st for her cookies and Jean Kvill for sewing an apron.

Congratulations to Mr. and Mrs. E. Bodnar, Mr and Mrs. M. Johnson, Mr. and Mrs. L. Crowther, and Mr and Mrs. F Christopher, all married on July 19; to Mr and Mrs. D Shaw married in Castor on the 22nd, and to Mr. and Mrs. J Avery married in Vermilion on July 3rd.

The Women's Auxiliary are having a bake sale in Mr. Elliott's office Saturday evening, Aug. 16.

Sincere sympathy is extended to Mrs McLean and the family in the sudden passing of Mr W S. McLean.

Mr and Mrs R. Milne have returned recently from a trip to Jasper, Banff, Calgary and Vulcan where they visited the Giles family. Mr and Mrs. Jim Hale and Wayne just returned from a trip to Yellowstone Park.

Mr and Mrs. A. Protsch and family are visiting relatives at the coast. Mr and Mrs Joe Hale are spending a week at Leon Lake.

Miss Anne Hinstow is now employed in Mr. Curtis' store.

Congratulations to Mrs. Pete Cunningham on her 80th birthday this week and to Mr. and Mrs Homer Hines on the birth of a daughter.

Muriel Craig and Iona Parker are at home on a 3 week vacation from the Lamont School of Nursing.

Joyce McLean is home for 4 days.

Mrs. Carson, Edmonton, has been visiting with her daughter and sons and friends in the district.

The Marwayne Horticulture Show will be held on Friday, August 15 in the Elks Hall sponsored by the F W U A. Entries must be in by 11 a.m. and the show opens at 2:30 p.m.

Mrs. Joe Culbertson and children of Handel, Sask., have been visiting at the home of her sister Mrs. Clyde Allen.

Mr and Mrs Fred Hutchinson had a surprise visit from her father and grandfather last week. While they were here the family enjoyed a reunion at Sandy Beach. Daughter Olive, her husband and baby of Vancouver are visiting here.

Congratulations to Mr and Mrs B Chrichton on their 25th Anniversary on August 9th.

Several local exhibitors at the Lloyd and Vermilion Fairs who won prizes: R. Golightly, sheep; R C Golightly shorthorn cattle, W Giles, Clyde horses, Dennis Bacon and Alvin Parker [illegible] horses.

Mrs Gallagher, Mrs Fleming and Mr W Crowther are all home from the hospital.

Donnie Hancock from Montreal is home on holidays.

Miss Mundle of Saskatoon is visiting with her sister Mrs. E Meiklejohn.

Mr Frank Burns, Calgary spent a few days in town last week. Mrs. Burns stayed at the Campbells in Edmonton.

Mr and Mrs Hardestry, (nee Gloria Gage) and family of Portland visited at the home of W MacDonald Jr.

Mr and Mrs. Dave Doull visited at home for a few days.

Mrs Friday, (nee Viola Smith)

News from Dewberry

Sorry our news has been neglected lately but will try and bring it up to date from now on.

Congratulations go to Mr and Mrs. Floyd Sweet (nee Lily Krawchuk) who were married recently; to Mr and Mrs. Russell Elliott, Edmonton on the birth of a son; To Mrs. Helen Boyce who with two others shared a $200 bingo recently, each receiving [illegible].

Best wishes for a speedy recovery go to Mr. Jim Strachan and Mr. Archie Woods who are patients in the Elk Point hospital.

The United Church looks very nice now with concrete steps and railings, and white painted exterior.

The interior of the Community hall is much improved with a new paint job in green and white. The front of the Dewberry Shopping Center is the latest building to be painted.

Not long ago the White Lunch and the Farmers' Store were both nicely spruced up.

[illegible] two new teacherages are well on the way to completion.

Dewberry has had a number of visitors during the month of July. Mr. and Mrs Russell Elliott visited at the J Kiss home. Mrs. Wade of Edmonton, Mrs. Humphrey from England and Mr Murphy of California visited at the Ernest and Erven Garnier homes.

Mrs. Humphrey, an aunt of Peggy and Monica's, is on a round trip from the north of England, through Canada and the States, visiting relatives on the way. She left Dewberry with her brother Mr Murphy for California, Mrs. Wade accompanying them. At the Wm. Young home were their cousin Mrs G.E. Dalrymple of Toronto and later a niece Miss Astrid Lawrence of Victoria, B.C.

At the Jack Porter's were Mrs. Porter's parents Mr. and Mrs. King and sister Miss Dorothy Blomquist and family of Courtney, B.C., also her brother Mr. and Mrs. Alex King and family of The Pas, Man.

At the Bob Finlay's were their daughters and sons-in-law, Mr and Mrs. Matt Brimacombe and Mr and Mrs Elliott and families, Edmonton.

At Dave Finlay's - Mr and Mrs. Pat Butz, Leduc, Mrs. G. Kinshella, Edmonton, and Mr. and Mrs. Leo Kinshella and family and Wayne Kinshella, Innisfree.

At the McDowall home was Mrs. McDowall's sister-in-law Mrs. Hailey from Edmonton.

At the Philbin home were their daughter, son-in-law and family Mr. and Mrs. Jos. Kinshella of Windsor, Ont. At Jim McGills was his brother-in-law Milt Fry was a visitor. He comes from Stratford, Ont.

On Sunday July 27 Mrs. Mary Deford and family were supper guests at the Philbin home.

Mrs. Allen is back from a trip to her old home town in Minnesota.

Mr. and Mrs. H. Craige also enjoyed a vacation.

Mr. and Mrs. A. Isert have their daughter Mrs. Lois Wilkinson and family from Montreal visiting them.

Mrs. Hornigold and Mary of Edmonton, are visiting at the John Porter home. Margaret Hornigold spent the week end there.

Mrs. M. Morrison of Haney, B.C. wrote that she and her son Alex saw Princess Margaret and were close enough that they could have touched her. They thought her very pretty and gracious.

Jean Craige, who is working at Banff, was hoping to see the Princess on her visit there. Any luck Jean?

Mr Bill Williamson (Pinkie) who is holidaying in England reports he is having a good time, though it is raining a lot. Also reports that 'Dewberry' is signed in the visitors' book in the oldest cathedral in England, Gloucester which was built in the year 681 A.D. and finished in 1088.

Mr. and Mrs. Harold Craige and girls motored to Banff recently where Jean Craige secured a job as waitress in the Upper Hot Springs hotel. En route home the rest of the family took in some of the Calgary Stampede.

and son of Washington were guests at the home of her aunt Mrs L. Fleming.

Mrs Lowrie and Dorothy were here for a few days and will return again after their trip to Colorado.

At the H. Dow home were the Rev J Mayne and Mrs. Mayne, Francis, Sask. Charlie Dow and Miss Donna See, Mrs Parsons and [illegible]

Mac McLean and family motored from California to attend his [illegible]

Mr and Mrs. J Milne, Jackie and Eldon Giles took a trip to [illegible]

Mrs. C Bendixen, George, Lyman and Gordon motored to [illegible] Wyoming and Montana, a trip of over 4,000 miles. This is a remarkable thing as Mrs. Bendixen is over 91 and stood the journey the best of any of them.

A few more campers at Lake Whitney were Mrs. W MacDonald and family, Mrs. H Hathaway and family and Mr and Mrs. F Graham and girls.

The Gardiner family, Fairbairns and L. Isert's travel back and forth periodically from Lake Laurier.

Mr and Mrs. Vernie Franklin and Raymond Haskell attended rodeos at Jasper and Bonnyville. Vernie winning some prizes.

Visitors at the J Thompson home are Mrs. Thompson's brother, Mr C. Manning and his wife from New York.

Mr and Mrs Berg are taking a motor trip to the Coast.

Mr and Mrs. J Spence and son are also away on holiday.

SPOTTING [illegible]

One way to sell houses is reported by The Financial Post. Hire children to note the license numbers of cars which are driving through new housing areas at week ends. Numbers are traced by salesmen. It is being tried in the U.S.

ADVERTISING safeguards the position of established products.

Marwayne F.W.U.A. Plans Horticulture Show This Friday

MARWAYNE. — The regular meeting of Marwayne F.W.U.A. was held at the home of Alice Milne on July 29th with Frances Leslie and Betty Hale as co-hostesses. There were 19 members and two visitors present.

A donation of $10 was received from the Elks for the J. Papp fund, also a donation of $40 from Alvin Parker from the sale of a pig. Final plans were made for Horticulture show which will be held in the Elks hall Aug. 15.

A most interesting report was given by Eunice Gray of the Farm Young Peoples' week which she attended at the U. of A.

Part of the report of Farm Women's week was given by our delegates Dorothy Milne and Doris Tupper. These will be continued at the next meeting which will be held a the home of Mildred Sinclair Monday, Aug. 25th.

KEEPING UP-TO-DATE ON VARIETIES
Farmers today follow with interest any new varieties of grain that hold promise of something better in the way of yield, resistance to disease and early maturity.
Our "Crop Testing Plan" demonstration plots, where different varieties of wheat, oats, barley and flax are grown side by side, offer the opportunity for anyone interested to pay a visit and to see for himself how different varieties compare under local conditions.
Every Searle Agent has a list of the location of these plots which farmers can observe to their profit.

Annie Bristow Becomes Bride Of Merle George at United Church

Baskets of peonies, gladioli and carnations formed the setting for the marriage of Annie Louise Bristow, only daughter of Mr and Mrs. Frank Bristow of Heinsburg and Mr. Byron Merle George, eldest son of Mr and Mrs. Byron George of Marwayne at the First United Church, Vermilion, on the afternoon of June 28th.

Rev. C. W. McKay performed the double-ring ceremony and Mr. Jack Brown played the wedding music.

Given in marriage by her father, the bride wore a floor-length gown of satin brocade in a princess style with lily point sleeves. Her veil of nylon net applique was held in place with a crown of pearls and sequins. The bride carried a bouquet of yellow roses and white daisies. Her only jewellery was a single strand of pearls and tiny drop pearl earrings.

Attending the bride were her cousin Doreen Kjinner, as maid of honor, and Anna Nelson as bridesmaid. They wore identical waltz length gowns of shrimp and turquoise crystalette. They wore white head crowns of pearl centered flowers and carried bouquets of white daisies.

Also attending the bride was Judy Bystrom, cousin of the groom, as flower girl. She wore a floor length gown of yellow crystalette trimmed with white lace and a headpiece of white roses. She carried a basket of white, turquoise and yellow daisies.

Mr. Dale George brother of the groom, was best man, assisted by Kenneth Kjinner, cousin of the bride. The ushers were Donald Kjinner and Tom Bacon. During the signing of the register Mr. John Webb sang the Wedding Prayer.

Following the ceremony a reception for 85 guests was held in the Legion Hall. For receiving her guests Mrs Bristow chose a two piece dress of pink and grey brocade trimmed with grey velvet with pink accessories. Her corsage was of pink roses.

Mrs. George, mother of the groom, wore a dusty rose crepe dress with blue accessories and a corsage of white roses.

Mr. O. R. Hunt proposed the toast to the bride, the groom responding with a toast to the bride's parents.

Miss Sheila Franklin was in charge of the guest book.

Out of town guests were: Mrs Fred Bowtell, Mr and Mrs. A. Peterson, Mr and Mrs. Frank Bowtell, Mr and Mrs Louis Elgnar and Mrs Dennis Norton, all of Edmonton, Mr and Mrs. Geo Kjinner of Fort Saskatchewan, Mr and Mrs J Eralson of Bawlf, Mr and Mrs Karsten Kjinner and Mr Kenneth Kjinner of Ponoka, Mr and Mrs F Kjinner of Beaver Crossing and Mr and Mrs Gunder Sveinunggard of Lethbridge.

The happy couple left for Prince Albert National Park to spend their honeymoon. For travelling the bride donned a navy and white sheath with a navy jacket and a corsage of yellow roses.

They will make their home around Heinsburg.

CLAYSHORE CLIPPINGS

Mr and Mrs. Roy Stebner and Mr. and Mrs. Eugene Stebner and son of Ponoka were week end visitors with Mr and Mrs. Richard Stebner and family.

Mr and Mrs. Allan Olstad and family spent the week end at Edberg where they attended a family reunion of the Olstad family. It was also the 40th wedding anniversary of Allan's parents.

Congratulations go to Mrs. Ronnie Bauer for all the prizes she won at the Vermilion fair.

Also congrats to Mrs. Jack [illegible], Linda Willies, Don [illegible], Russell Willies and the Willies Bros.

A warm welcome is extended to Mr. and Mrs. Richard Stebner who are new residents at the Searle elevator.

Mr and Mrs. Jim Horne and family spent Sunday at Lloydminster with Mr and Mrs. Ernsland and family.

Miss Laurie Horne is spending a few days at Red Deer with her grandmother.

[illegible] and Mrs. [illegible] Willies are away on a trip to their old home in England.

Darrel Karlstrom of Meeting Creek, Alberta, is spending a week with his aunt and uncle, Mr and Mrs. Allan Olstad and family.

Mr and Mrs. Allan Olstad and family and Mr. and Mrs. Richard Stebner and family were Tuesday evening supper guests with Mr. and Mrs Ronnie Bauer and family.

People who do as they please get along as well as those who try to please everybody.

Health Unit Notes

SWIMMER'S ITCH

Since this is the time for 'swimmer's itch,' it is well to have some information about the condition, its prevention and control. A number of placards containing protective measures to be adopted [illegible] Health Unit [illegible].

The medical term for 'swimmer's itch' is a long one — 'schistosome dermatitis.' It is caused by irritation of the skin by the larvae of schistosome worms which have completed their stages of development in a certain species of snail. These larvae are generally duck parasites of the genus, Trichobilharzia, and are not known to mature and become worms in man.

It has recently been known that the itch is a sensitization phenomenon since the initial infection produces only very small non-raised lesions. In persons sensitized by repeated infection the penetration of the larvae produces in about 12 hours raised [illegible] about three to five mm. in diameter. The development of these pimples is associated with intense itching and in a heavy infestation the whole area of penetration may become swollen.

The infection is contracted by contact with water in ponds and lakes while swimming, fishing or washing. The larvae are short lived but are liberated daily in enormous numbers by snails which are essential hosts for development of the early stages of the parasite.

Infestations along beaches can be controlled by elimination of the snails with copper sulphate, copper carbonate and other molluscicides. Treatment of a lake presents a special problem because of the probable larval drift. The cost might well make such a project impractical.

Wiping off vigourously with a towel immediately after swimming has proved of good value in preventing a heavy infestation and your Doctor can prescribe various anti-pruritic agents for relieving the itch. Another preventative measure is to take a shower bath or emergence employing non-infested water, followed by vigorous rubbing with a towel. Avoid waters known to be infested.

Tuesday, August 19 — Ranfurly (Hotel) 11 to 12 noon.

Tuesday, August 19 — Innisfree (Office) 2 to 3:30 p.m.

Thursday, August 21 — Edgerton (Office) 2 to 4 p.m.

Friday, August 22 — Irma (Rest Room) 2 to 4 p.m.

Friday, August 22 — Paradise Valley (United Church Basement) 2 to 3 p.m.

• • •

ATTENTION RESIDENTS OF DEWBERRY AND DISTRICT: Dewberry baby clinic will be held on the second Friday in September (September 12) at the usual time (2 to 3:30 p.m.) instead of the first Friday. The change of clinic is for September only.

Minister's Son Sustains Injuries

MANNVILLE. — Geoff Holter, son of Rev. and Mrs. J. Holter met with a painful accident last week while playing in a neighbor's yard. Bending down near the lower part of the house in the Coxford yard he straightened up suddenly and struck his head a sharp crack on a protruding ledge of the house sustaining a nasty wound to the scalp which required 11 stitches to close. At last report Geoffrey was much improved and active again.

ALLANDALE

Weather — the thermometer has been to 97 above here. Very extreme heat for these parts. There have been a few very welcome thunder showers which have helped considerably.

Mr. and Mrs. Theodore Thrandson and family have recently [illegible] from Ft. McMurray to Lethbridge [illegible] a phone call to his [illegible] in Vermilion.

On July 20th a number from Allandale motored to Elk Point to spend the day with Gertie Swanson, this being her 70th birthday. It was very [illegible] meeting so many and [illegible] visits with folks not seen for some time.

The week end of July 26th Mr. and Mrs. Woody Wilson had the [illegible] sister, [illegible] and family from Rabbit Lake as visitors.

In the August Reader's Digest it was [illegible] to read the story "2000 Tongues to Go" and to note the name of Miss Annie Shaw of the Clandonald district therein. These girls are doing wonderful work as missionaries in South America.

July 27th Mrs. Della Walsh and family from the city arrived at the home of her parents, the Ommess home. The children attended vacation school in Clandonald the [illegible]. [illegible] and Don [illegible] family were also at their [illegible] the week, attending vacation school. The children had a wonderful week at school and at home. They all enjoyed a very pleasant surprise on their last bus ride when Mrs. Tommy Blackwell presented each with a gift of a chocolate bar.

On Aug. 2nd Mr. and Mrs. Louis [illegible] and son, Mr. and Mrs. [illegible] and son motored to [illegible] for the week end to [illegible] Georgina and Morris Blackfoot before she left for the East to visit her family.

On July 21st Mr. and Mrs. Herb McPhee left on a week's holiday to Dawson Creek, B.C., visiting relatives and friends there and in the city.

Mr. and Mrs. Bob McKinnon from Vancouver are [illegible] brother Hank, Hattie and [illegible] and other relatives and [illegible].

Mr. and [illegible] and daughter [illegible] the [illegible] at the Ommess home on Aug. 10th. Mr. and Mrs. Harold Cooper and [illegible] Dean from [illegible] and the Milo Fleming family from town were callers in the evening.

Closing thought: "Each of us has in his heart a little [illegible] called conscience, by which to test each thought and word and deed, and determine whether it is true or false. By as much as a man honestly applies that test to his own heart, and his relations with his fellows, by so much will his life be happy, stable and true."

Cafe Changes Hands

DERWENT. — An important change of interest to the many local patrons and travellers of the Derwent Hotel is the news that Mrs. Sara Hepting of Saskatoon is taking over the stock and management of the Hotel Coffee shop.

With many fine ideas gained from years of cafe experience, Mrs. Hepting's cooking will assure good food properly served with a specialty feature being service and courtesy.

GAS NEWSLETTER

NEWS AND VIEWS FROM YOUR GAS COMPANY

Northwestern Utilities, Limited

GROWING WITH ALBERTA

. . . by helping Alberta grow!

In case you've been too busy to notice, Alberta has been "bustin' out all over" in the last few years. Its growth is reflected in these [illegible] comparative figures for 1947 to 1957.

During these ten years the number of customers served by Northwestern has more than doubled — 37,300 to more than 78,000.

And the amount of gas used in the area served by Northwestern Utilities has risen from 19½ billion cubic feet a year to more than 66.2 billion cubic feet — a jump of more than four times.

Much of this [illegible] is due to the fact that forty-five towns, villages and hamlets have been added since 1947 to the number of communities enjoying [illegible] gas [illegible].

The future? All the signs [illegible] that the demand for natural gas on Northwestern's system will double again in the next 15 years. Our busy, [illegible] province hasn't stopped growing yet.

KEEP THAT PILOT LIGHT BURNING

[illegible]

VERMILION — Despite a severe shortage of rain, Clarence Hodgson, head gardener at the Vermilion School of Agriculture, has kept the lawns and flower beds around the school [illegible] beautiful. He is seen above weeding a flower bed. Mr. Hodgson has been head [illegible] at the agricultural school since 1948.

HOW GARBAGE GETS "DOUBLE BURNING"

The [illegible] of [illegible] and food [illegible], [illegible] only with a gas incinerator, is "double burning".

In addition to the combustion chamber of the incinerator, there is a second chamber in which smoke and odorous fumes pass over a second flame and are destroyed.

To test the "after-burner" [illegible] a burning match [illegible] over the lighted end of a cigarette and watch the smoke [illegible].

Now, in your own basement or utility room, you can burn everything from dinner scrapings to old shoes and soggy vegetable peelings. Nothing remains except a handful of clean ash and you won't find a whisper of smoke or odor.

THE SHAPE OF THINGS TO COME!

TOMORROW'S GAS KITCHEN

To give you a preview of "the shape of things to come", here is a complete "gas appliance wall" developed by the gas industry to save steps and speed up housework. This dramatic "Kitchenette" features [illegible] cooking burners, wall oven-broiler, refrigerator, water heater, washer-dryer and warm air furnace — all in one colorful unit 8 feet high and 18 feet wide. What makes it possible? The efficient, compact design of today's gas appliances! [illegible] the "Kitchenette" is still a "dream kitchen", modern [illegible] can achieve much the same results with the many [illegible] automatic, economical gas appliances and heating units available now from gas appliance dealers.

SUMMER FAIR DRINKS

In your own back yard!

by Marjorie Passchorley, Home Service Director

Tall, frosty cool colored beverages, floats and other fanciful concoctions are a big part of the fun of the fair. Here are a few delicious summertime drinks you can make at home.

PINK CHERRY SODA
1 envelope cherry flavored drink powder
½ cup sugar
2 cups milk
1 quart vanilla ice cream
[illegible] carbonated water or ginger ale

Combine drink powder and sugar. Dissolve in milk. Add scoops of ice cream and pour carbonated beverage over it. Makes 2 quarts.

DOUBLE RASPBERRY MILK SHAKE
1 cup finely sieved fresh raspberries
½ cup sugar
1 pint vanilla ice cream
1½ cups milk

Combine berries and sugar. Add mixture to one half the ice cream, beat until smooth. Add milk all at once and blend. Serve in chilled glasses. Top each with a scoop of ice cream. Serves 4.

PEPPERMINT STICK MILK SHAKE
1 quart milk
red food coloring
1/3 - ½ cup semi-hard red and white peppermint candies
1 pint vanilla ice cream

Scald milk in double boiler; add candies and stir frequently until dissolved. (As mints vary in sweetness, a few more or less may be needed). Add the desired amount of food coloring. Chill. Beat with ice cream until well blended. Pour into tall glasses. Garnish each glass with one or two extra mints floating on top, or serve with a peppermint stick. Serves 4.

ORANGE FLOAT

Fill tall glasses two thirds full of ice cold chocolate drink. Add a generous scoop of orange sherbet. Or for a Frosted Float, pour one quart ice cold chocolate drink into bowl, add ½ pint of orange sherbet, beat with egg-beater or electric mixer until blended. Fill glasses and serve at once. Serves 2.

3 WAYS TO MAKE GOOD ICED COFFEE

1. Quick Method: Make extra-strength coffee by using ½ measuring cup (4 fluid ozs.) of water for each standard measure (2 level tbsp.) of coffee - pour hot [illegible].

2. Pre-Cooled: Make Coffee: 1 standard measure (2 level tbsp.) to each 6 oz. cup of water. Cool in covered non-metal container. For freshest taste, serve within 3 hours. Pour over ice cubes.

3. Instant: Mix twice the usual amount of instant coffee with a little water, add ice cubes, fill glass with water.

HINT — In refrigerator trays, freeze regular strength coffee into cubes — pour fresh coffee over them. Delicious — and no dilution.

THE VERMILION STANDARD

Alberta Provincial Library Dec.58

Vol. L. No. 6. Vermilion, Alberta, Thursday, August 21st, 1958. 12 PAGES $2.50 A YEAR

Joan Findlay, Mannville, To Attend 4-H Club Congress

Award winners of a one week trip to the Montana 4-H State Club Congress being held in Bozeman Aug. 25-29 are pictured above. They are: John Lockhart, High River Beef Club, Hartell; Eileen Szymanek, Evergreen Garden club, Eckville; Joan Findlay, Mannville Clothing club, Mannville (3rd in line), and Norman Cowling, East Longview Barley club, High River. Alberta representatives to the Congress were chosen through recent eliminations at the Olds School of Agriculture. All are high school graduates and have spent six to fifteen aggregate years in various club projects including beef, grain, garden and clothing.

Cardinals Win In Edmonton; Now Play In Provincial Finals

The Vermilion Cardinals won themselves a berth in the Intermediate "B" Championship playoff Sunday. The double knockout tourney took place at Jubilee Park, Jasper Place.

The first game saw the Cardinals edge last years champions Diamond T's 3-2 in a closely contested game going into an extra inning. Eva Gordey hurled a beautiful game to catcher Lil Thompson but that wasn't enough for our Eva. She hit a home run in the 10th inning to win her own game.

The Cardinals second game brought them against Kitscoty, who previously defeated Fort Saskatchewan. Again the Cardinals were victorious defeating Kitscoty 8-5. Betty Robinson and Eva Gordey were Vermilion hurlers.

In the final game of the day the Cardinals defeated Fort Saskatchewan 13-7. The Cardinals took an early lead and never looked back. Eva Gordey again was the winning pitcher. Hazel Barr scored a home run in this game.

Cardinal's line ups for the day were Lil Thompson, Eva Gordey, Doreen MacDougal, Edith Millar, Alice Winters, Hazel Barr, Lucille Thompson, Lila Porter, Edna Martin, Betty Robinson, Lil Scott, Carol Hines, Rose Anne Nelson, Helen Novak.

August 31st and September 1st are the dates of the Intermediate "B" finals in Calgary.

This Sunday the Cardinals along with the Vermilion Ghosts are sponsoring a ball tournament. They would like to see this well supported because part of the proceeds will help defray costs of transportation to Calgary.

The Cardinals would like to take this opportunity to thank the following businesses for the new uniforms: Elbrond Electric, Arts' Cleaners, Longs Drug Store, Stephens Ltd., Craig Bros. Ltd., Vermilion Hotel, George Webb and Sons, Boston and Rio Cafes, Brunswick Hotel, Herzog Motors, Superior Body and Paint Shop, Hillside Service, Joe's Painting and Decorating, Allens Service, Millers 5c to $1.00, Vermilion Petro, Superior Service, Revelstoke Sawmill.

High School Students To Register Next Thursday, Friday

All students planning to attend the Vermilion High school in September are required to register on Thursday and Friday next week, Aug. 28 and 29 between the hours of 9 a.m. and 5 p.m.

Students attending the Vermilion High school for the first time should bring their diplomas or record of standing from their previous school.

Roy Watkins & Son Open Hardware At Leduc

Roy Watkins, for the past six years a business man in Vermilion, in company with his son Lawrence, last Thursday opened a hardware store in Leduc. The new firm is an authorized Macleod dealership store.

The business is housed in a substantial and roomy building measuring 30 by 60 feet located on one of the main business streets in the town. The official opening was held August 14 with considerable fan-fare prizes and according to reports proved quite successful.

Roy came to Vermilion six years ago and built a block and carried on a real estate and insurance business. He sold this business along with the main street building to Mr. Stan Waldenberger earlier this year.

The family have now taken up residence in Leduc.

George Capatos Retires From Cafe Business

Patrons who have been patiently waiting for the re-opening of George's Cafe following the usual holiday period will learn with surprise and dismay that George's Cafe is not being re-opened as the owner and proprietor, George Capatos, liked his holidays so well that he has decided to retire. Mind you, George has every right to retire he's past the age when many men retire from less arduous jobs, but Vermilion without George just didn't occur to anybody hence the announcement will surprise many.

Mr and Mrs. Capatos and Mrs. Cavil will wind up their affairs in Vermilion and go to Penticton, the city of peaches and beaches to settle. Their daughter Marina (Mrs. R. Hall) lives quite close to that city, or will when she returns from her honeymoon to Australia.

George came to Vermilion back in 1923 when he opened a home made candy store in the old Vermilion hotel, later destroyed by fire. He progressed from there to a confectionery business in the building now housing the 5 cent to $1.00 store. The next move was to the Witherbe block where a complete restaurant business has been operated since.

Islay 4-H Club Gets Nice Prize

The Islay 4-H club has received a $50 cheque from the Edmonton Exhibition association for their entry in the thematic display. A special vote of thanks from the club and the parents goes to Mr. Sid Mountford who so generously supplied the transportation of the Islay display to the city.

Co-operation and participation by adults, especially the parents, is most essential to make a 4-H club successful in its work of helping the young people to learn to do by doing.

Superintendent Visits Local Branch

Mr. C. G. Davey of Edmonton, superintendent of the Alberta Treasury Branches, was a visitor at the local branch on Wednesday, conferring with manager E. A. Locke. Mr. Davey remained overnight returning to the city Thursday morning.

Double Fastball Tourneys Here This Sunday

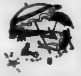
The Vermilion Cardinals and the Ghosts have planned a big double attraction here for Sunday, Aug. 24th when two fastball tournaments will be played men's and ladies'. These are open to the world and some bang up teams will be on hand to show their wares. The games will be played in the Vermilion Athletic park on the south side.

First Threshing Reported

Harvest is underway with cutting, swathing and even a little combining and threshing reported. Weather conditions are ideal. No one is optimistic over yields with oats and barley suffering from the dry summer, although some surprise is expressed over the yield of wheat. Hopes are high that grades will be much higher than for some years.

Farmers Are Urged To Vote In Egg Plebiscite

Everyone eligible is urged to vote in the forthcoming egg plebiscite. All should know that a non-vote is a "NO" vote in this case. Time is running out too, as the ballots must be forwarded to the chief returning officer, Legislative Buildings, Edmonton, postmarked not later than Aug. 30.



Prov. Park Rules

If the operation of boats for personal use causes a disturbance or nuisance to the residents or visitors in a park, the park warden may [illegible] the operation of such boats.

Council Prepares For Fall Election; Appoint Returning Officer

The regular meeting of the town council was held Aug 5th with Mayor Hill and Crs. Locke, McCormick, Rowe, Sutherland, Thompson present.

Correspondence: Planning Advisory Board re transfer part of Lot 13, Blk. 4, Plan 6847S; Hospitals re admission under Benefits Act; Lot Sale, Mrs. A. Green Lot 8, Blk. 4, Plan 5786AY; Building Permit, H. Scott, porch on lot 23, Blk. 27, Plan 635V. Bid re lot.

The following motions carried:

That an easement be secured from Oilfield Motors Ltd. re the westerly ten feet of Lot 13, Blk. 4, Plan 6847S as recommended by Provincial Planning Advisory Board re Board Order No. 46-58.

That Lot 8, Blk. 4, Plan 5786AY, be sold to Mrs. Anne Green for sum of $250, subject to building by-laws of the town.

That H. Scott be given permit to build porch on residence on Lot 23, Blk. 27, 7'x14', cost $400, subject to usual building by laws.

That H. W. Johnston be appointed returning officer for the Town of Vermilion election 1958 at a fee of $25, that H. J. Payne be appointed deputy R.O. for the same election at a fee of $12 and that poll clerks be paid $8 each for the same election.

Instruction to Secretary: Write local detachment RCMP authorizing them to erect aerial in connection with 2-way radio communications at town hall.

Huge Development Program Slated for Alberta Next 5 Years

School Board Allots Grades To Buildings — General Shift

Due to the opening of Vermilion's new Composite High school, there will be a general shift in the allotment of grades to schools when school opens on Tuesday morning, Sept. 2nd.

All students from grade 7 to grade 12 inclusive will attend the new Composite high in the east end of town. This will be presided over by Principal [illegible] David and vice-principal Wm. Novak. It is hoped to have a staff of sixteen teachers when the term opens.

The primary school in the east end will be used exclusively for grade 1 children of which there will be 77. Mrs. Shalka is again in charge as vice-principal with Mrs. Fred Scott and Miss Ina Shaw the other two teachers in the building.

In the elementary school in the east end will be grades 2 and 3 with Mrs. Sheila Dowdell as vice-principal. Six rooms will be [illegible] as regular classrooms. The two cottage schools on these grounds are no longer required while the third-storey classrooms will be utilized on occasion but will not be in regular use.

Grades 4, 5 and 6 will use the two schools in the west end hitherto known as the Junior high and High school buildings. Mrs. Jessie Strome is the vice-principal. Mr. W. F. Stewart is principal of the entire primary and elementary school system, grades 1 to 6 inclusive while an assistant or vice-principal has been appointed in each of the other school buildings.

Grade 12 Students Obtain Provincial Average on Exams

Students writing exams at the Vermilion High school obtained a percentage just a trifle below the provincial average. The provincial average is 65%.

The number of subjects written here totalled 102. The following results were obtained:

No. of H papers — 4 (80-100)
No. of A papers — 19 (65-80)
No. of B papers — 42 (50-64)

A 'B' mark or above is required for matriculation standing.

No. of C papers — 29 (40-49)

[illegible] entitles student to high school diploma standing.

No. of D papers — 8 (failure, below 40).

This means that Vermilion students passed 63.72% of their subjects with matriculation standing, compared with the provincial average of 65%.

While grade 9 results have been received by the individual students the summary has not yet been received from the Dept. of Education by the school division office.

The Alberta Government has launched a five-year development program to bring expanded services from nearly all of its departments and to provide increased welfare benefits in place of its citizens' oil royalty dividend.

Premier E. C. Manning outlined the framework of the program at a press conference late Thursday.

It is described as a gigantic five-year anti-recession development program that will be the boldest, most aggressive and far reaching program of its kind ever attempted by any provincial government in Canada.

TO SPEND $1,500,000,000

It will see the government draw up to $300,000,000 from its accumulated reserves of $330,000,000 and spend in aggregate roughly $1,500,000,000 during the next five years.

Special projects planned to be paid for with about $10,000,000 a year that had been earmarked for the citizens' dividends first paid last year — include homes for the aged, a major hospital for Calgary, road paving in communities throughout the province, development of recreational facilities, treatment centre for children and a provincial archives and museum.

PURPLE GAS FOR FARM TRUCKS

The only immediately effective move permits farmers in the province to burn purple gas — gasoline on which the provincial tax is not charged — in farm trucks being operated on highways. The untaxed gasoline previously was permitted in farm trucks only while being operated on the farm property.

HOMES FOR AGED FIRST

The first of the special projects will be a start next year on 30 modern homes for aged citizens, each with accommodation for 30 persons at 30 locations throughout the province.

Cost of this project is estimated at about $16,000,000 all of which will be paid by the province. The homes, when completed, will be handed over to the municipalities.

The Premier said the program announced Thursday is largely in addition to the program the government is already carrying out.

The estimated dip into reserves for $100,000,000 to $300,000,000 is the amount the government anticipates spending over and above expected revenues. At the end of the five-year program, the province's debt will remain nil and the reserves will be between $100,000,000 and $200,000,000.

SPECIAL PROJECTS

The features of the five-year program notated in the briefest terms include —

In each of the five years from 1959 to 1963 the program features one or more special projects which when completed will put Alberta far ahead of any other province in Canada. These special projects will be paid for in cash with money used in 1957 and 1958 for royalty dividends. Briefly they are:

1959 — 3 modern homes for aged citizens. 1960 — $10,000,000 for local community improvements, street paving in 200 towns, parks, swimming pools, picnic and campsites, youth projects etc.

1961 — New Provincial hospital at Calgary patterned after the Mayo Clinic at Rochester.

1962 — An institution for care of emotionally disturbed children and provincial school for training physically handicapped children.

1963 — Building of provincial archives and museum.

HIGHLIGHTS OF PROJECTED PROGRAMS

1. A 350 million dollar program for education including a scholarship fund large enough to ensure that no deserving student in Alberta will through lack of money be deprived of an opportunity to obtain a University education.

2. A technical and apprenticeship training centre at Edmonton to serve northern Alberta.

3. Effective immediately the abolition of gasoline tax on all gasoline used in farm trucks.

4. A program of Government guaranteed farm home improvement loans through the Provincial Treasury Branches.

5. Commencing January 1st, the Provincial Government will assume the capital costs involved in the new Dominion - Provincial hospital program.

6. The progressive introduction of nursing home care into the program and the provision of outpatient services.

7. At the next session of the Legislature a separate Department of Labour will be established under its own Minister. Fair wage clauses will be inserted in all Provincial contracts.

8. A junior forest ranger organization will be established.

9. Leadership training in cultural and recreational fields, together with special youth projects and programs recognizing women's interests.

10. The integration of domestic and export gas requirements and the protection of Alberta's interests in the development and marketing of oil and gas resources.

11. A permanent co-operation and advisory board to resolve problems in the field of Provincial - Municipal relations.

12. A projected highway and bridge program geared to the anticipated needs of each community in the Province as a whole. Public Works projects will be similarly projected and the entire program geared to the seasonal fluctuations in employment to provide the maximum measure of employment and help stabilize the income of the largest possible number of workmen.

This is the biggest thing that has ever been undertaken by any province. The potential benefits to all people stagger the imagination. It is a program for all Alberta citizens and far above any narrow partisan interests and considerations.

To further quote Premier Manning, "This is the Province of tomorrow and the program for tomorrow. Putting aside all things that divide us let us go forwardly as intelligent, progressive people to claim our heritage and to fulfill our destiny."

Decoration Day Service Set For Next Sunday, August 24th

The annual decoration day service sponsored by Vermilion Branch Canadian Legion will be held on Sunday August 24 at 2 p.m. As usual it will take place at the soldier's plot at the Vermilion cemetery.

The service will be conducted by Rev. C. W. MacKay, Minister of First United Church. The Salvation Army band will provide music for the hymns.

Ex-service men and women and Ladies Auxiliary will fall in near the main gate at 1.45 p.m. and march to the soldier's plot. The pipe band will provide music for the march.

Citizens are urged to attend in memory of service men and women who died in the service of their country. Attendance has not been very large for the past two years so President Geo. Richardson of Vermilion Branch asks that everyone come out who possibly can. Ex-service men and women should wear medals.

Legion members and ex-service personnel who require transportation should report at the Legion hall at 1:15 p.m.

Anyone wishing to donate flowers to decorate the graves should leave them at the Legion Hall by 4 p.m. Saturday. Bouquets or wreaths can be placed by the general public who should let president Richardson know before the parade marches to the plot.

Mallard Duck Walks Into Craig's Store

Craigs have always been famous for their fine foods, and even the wild game seem to recognize this as last Saturday morning what should happen but a fine [illegible] with [illegible] shiny greenhead walked unhurriedly into Craig's side door looking for food and water. Fortunately Monte Hunter, a well known naturalist, was on the job in the store and took charge of the greenhead. Monte fed and watered the duck, who seemed normal in every way, took him home with him in the evening, banded him, and then sent him aloft to the flyways.

Rebekah Lodge Officers Installed

At the regular July meeting of the Britannia Rebekah Lodge the officers for the ensuing year were installed by Sister Elsie Sinden, D.D.P. as follows:

P.N.G. — Sis. Mable Lee
N.G. — Sis. Kathleen Williams
V.G. — Sis. [illegible] Logan
R.S. — Sis. Marjorie Knapp
F.S. — Sis. [illegible] Seuffert
Treas. — Sis. Marion Davis
Chap. — Sis. Madge Callas
Warden — Sis. Corinne Dewar
Cond. — Sis. Doris Martin
Flag Bearer — Sis. Alma Cameron
R.S.N.G. — Sis. Anne Cameron
L.S.N.G. — Sis. Belle Carmichael
R.S.V.G. — Sis. Jessie Stephens
L.S.N.G. — Sis. Ethel Hodgson
I.G. — Sis. Dora Caron
O.G. — Sis. Marion Maggs
Musician — Sis. Addie Mead
Soloist — Sis. Mary Keyes
Degree Captain — Sis. Madge Callas

Decoration Day August 24th

Legion Decoration Day on Sunday, the Legion hall 1:30 p.m. Anyone having flowers please leave same at Legion hall on Saturday Aug. 23rd.

Junior Golf Tourney Planned Aug. 24

Attention all boys and girls 19 years and under. In recognition of the great interest being shown by so many younger people in the game of golf the Vermilion Golf club is sponsoring a Junior tournament on Sunday Aug. 24th commencing at 10 a.m.

All boys and girls are invited, whether club members or not, experienced or novices. There will be a flight for everyone and prizes for each flight. An entry fee of just $1 will be charged, which will be matched by the club and given back in prizes.

Be at the golf clubhouse at 10 Sunday morning, Aug. 24th.

Say dad — how about making it a family affair? — come with your golfing son or daughter, bring mother too — watch the kids start off and then have your own Sunday game after they have teed off.

September 1 and 6 Opening Days for Alberta Duck Hunters

Duck and goose hunting opens Sept. 1 in the northern zone of Alberta and Sept. 6 in the southern zone, the Canadian Wildlife Service, Department of Northern Affairs and National Resources announced today.

As usual there is no open season for Ross's geese and wood ducks.

The seasons are of the same duration as last year, closing on Nov. 29 in the north and Dec. 13 in the south. Wilson's snipe seasons are Sept. 1 - 30 in the north[illegible] and Sept. 6 - Oct. 11 in the southern zone.

Main change in the migratory bird regulations is that no hunter may use a boat to drive birds within range of a waiting hunter.

Vermilion is in the southern zone so the opening day is Sept. 6th.

Vice-President CNR Vermilion Visitor

Mr. J. R. MacMillan of Winnipeg, vice-president of the Canadian National Railways, was a visitor in town on Thursday. Mr. MacMillan and party arrived by rail car at 11:45 a.m. and were met by Mr. R. Jones and Mr. H. Brown of the C.N.R., Mr. E. A. Locke, president Vermilion Board of Trade and Ashley H. Cooper of the Standard. Several matters including express service were discussed with Mr. MacMillan.

The visitors remained here for lunch at the Brunswick hotel and then continued their trip west.

OLD STORY

The country is loaded with people who were just ready to do something when somebody stepped in ahead of them.

A Job For Parents

Steering the youngsters the way they should go is a never ending job, but one which parents should never tire of or give up. One avenue which parents appear to fail to make a good job of is kindness to animal and bird life by the boys particularly.

This thought is engendered by a Canadian Wild Life official, Mr. Lowther bringing into the Standard office a young franklin gull which had a broken wing, obviously struck by a rock thrown by a thoughtless boy. The gull had to be killed, thus ending a life of a bird which is essential around a park. These gulls are the very best "cleaner-ups" we have. They follow picnickers around and clean up the crusts, the crumbs. When fish die around the lake, they are eaten up in next to no time by the myriad of gulls. They do an immense amount of good, they do absolutely no harm. They are protected by the Migratory Birds Convention Act. Boys are often seen throwing stones at the gulls as they swarm along the beach at the lake. A chance hit and a useful bird is maimed, left to suffer and die. We need these birds in our park!

Parents should emphasize to the boys to respect wild life, to leave the birds alone.

Mr. Lowther also informed the editor that boys had dug out a complete colony of the interesting sand swallows from the banks at the old swimming hole. These swallows burrow a foot or so in the bank to nest and they use these holes as their permanent homes. Every one of the holes has been dug out and rendered useless to the interesting birds.

Road Tips

By "ROAD KNIGHT"

Headlights must be lighted one hour after sunset until one hour before sunrise, or whenever visibility is dangerously restricted.

On the Verge of Great Things

The following editorial is taken from the Calgary Albertan, a politically independent newspaper which criticizes fearlessly but which also gives praise and credit when such is due. The Albertan analyzes events from a provincial angle — not from a biased, anti-government or party viewpoint.

"Any suspicions that Alberta's Social Credit administration is decadent and out of touch with the people after 24 years in office were dispelled by Premier Manning in his statement last night.

"The province has come far, particularly in the last few years, and it will go a good deal farther in the next five if the voters permit the government to complete its program. Alberta is on the verge of very great things.

"Let's not have any misconceptions about why it is that way. Oil is part of the answer, but only part. The other part is good administration. The Manning government without oil would have been powerless. Oil without the careful guidance given by the Manning government — guidance which stands out as the best in the world — would have been worthless.

"The Social Credit administration and oil development working together have not only paid off the provincial debt but have put some $300,000,000 into the bank. Most of it is out on loan for productive and constructive municipal purposes, but it is as good as money in the bank.

"It is not the duty of governments to pile up big reserves. Money received from such sources as oil should be re-invested in the province in capital works for the perpetual benefit of the people. That $300,000,000 is awaiting investment. (More will be borrowed to balance any part of that $300,000,000 which is still out on loan when it is needed.)

"Should the Social Credit government leave that money lying around for a possible Liberal or Conservative government to play fast and loose with? Would there ever be a more spendthrift government than any new one inheriting such a legacy?

"This money was accumulated by the Social Credit government through good administration and thrift. It must be spent, and it seems to us that Social Credit has not only the right but the duty to spend it.

"Part of the government's five-year anti-recession plan will be financed by suspension of the oil royalty payments.

"We think that is wise. While the people liked the opportunity to claim their dividends, this measure has not been popular. The people will take more pride in their province, we are sure, if they can point to fine new homes for 4000 old folks, or a large medical and hospital development in Calgary, or a wonderful network of recreation facilities, or the best facilities in the whole world for the care and treatment of disabled children than if they get a small hand-out each year." — *Calgary Albertan.*

To the Money Market With Patricia

Woman's latest claim to fame — the investment field — statistics prove it. Investment dealers confirm it — now more women are clamoring to know about the investment business and how to invest wisely.

Today housewives and business women make up a large group of buyers and sellers of stocks and bonds. They like the results, the added dollars that come from wise investments.

It is a delightful habit — clipping coupons — cashing dividend cheques — making your money work for you and knowing your original capital is safely ensconced in a good bond or stock.

Actually many women have formed their own investment clubs — all members taking an active part in the study and investment of their joint fund. They have not only found it profitable but interesting and have increased their knowledge of business and finance.

One of the smartest current investments is the new Canada Conversion Loan of 1958, now being offered by the Department of Finance. You have your choice of four issues, the longest term bond will give you the highest interest on your investment — four and a half per cent. If you hold any Victory Bonds you just ask your banker or bond dealer to have them converted into the new issue. Your money will earn more and you'll get a cash bonus too.

Is Your Child A Poor Eater?

When a pre-school child has a poor appetite, offer him attractive foods, but don't force him to eat or show concern over his refusal to eat, advises Dr Harvey Bakwin, a New York pediatrician, according to "Today's Health" August issue, received by the Health League of Canada. "The child probably does not need as much food as he used to, because his tempo of weight gain has slowed down. Also he is getting smarter and if he is cajoled he learns that not eating is a way of getting attention or of annoying his parents" said Dr Bakwin in addressing the Illinois State Medical Society. "Youngsters may also become quite bored with baby food at this age and food needs imaginative preparation", he continued.

"HELP!"

Mannville People Appreciate Theatre

MANNVILLE. — A bouquet is being tossed this week in the direction of genial Phil May, owner and manager of the Alta Theatre. When we see and hear of shows such as "Tammy and the Bachelor", "The Robe", "A Man Called Peter" and "A Lamp Is Heavy", being offered along with many more big attraction pictures for the same admission prices as ordinary ones, we feel this calls for appreciation. At the same time there are each month lucky names drawn from the guest list for free shows, numbering six each time as well as special lucky prizes at anniversary time given away. Old age pensioners are shown special treatment as a token of respect, and may see all shows at the price of 35 cents. Usual admission is 50 cents. Furthermore, Phil is co-operative in every sense of the word in community and all church affairs announcing special services and even loaning the theatre for same if needed.

Routine Business At Islay Hospital Board Meeting

The regular monthly meeting of the Islay Municipal Hospital Board was held in the hospital on Tuesday Aug. 5th at 2 p.m. with Messrs. Shirreff, Shaw, Garnier, Beckett and secretary [illegible].

The minutes of the July 3rd meeting and the financial statement were adopted as read.

JAMS AND JELLIES

Find yourself just swamped with jam and jelly making at the height of the preserving season? Freeze the fruit you intend to use for jam and make it up fresh later as you need it. The fresh jam will have a better flavor and color and can be made at your leisure. To store fruit, simply wash and prepare it as for table use, package without sugar or syrup and quick freeze. Usually more juice is extracted from frozen fruit than fresh fruit.

Juice for jelly making can be frozen too. Cook your fruit with enough water to keep it from scorching, strain through a jelly bag and pour the juice into moisture-vapor proof containers. During the fall and winter months the juice may be made into fresh jelly according to your usual recipe. This is probably not as convenient as freezing the fruit as mentioned above.

PIN CHERRY JELLY

Don't let those pin cherries go to waste. For pin cherry jelly use slightly under ripe pin cherries. Wash and pick over. Put in kettle with just enough water to cover, bring to the boiling point and simmer gently until fruit is tender. Force through jelly bag. Add equal amount of sugar to the juice, bring to boiling point, skim and simmer gently until it sheets (two drop together from spoon). Pour into hot sterilized glasses, cool and seal.

Keep the following points in mind when making jelly.

Jelly will be:

(a) Soft if too much sugar has been used or if it is not boiled long enough.

(b) Tough or stringy if too little sugar is used or the jelly has boiled too long.

(c) Cloudy if the fruit was cooked too long before straining off the juice or if sufficient care was not taken in straining the juice. Apple and crabapple jelly may turn cloudy later due to the starch in the green fruit.

(d) Crystallized if too much sugar is used or if boiled too long before sugar is added. If syrup splatters on the pan, crystals may be carried into the jelly glasses while pouring.

WILD ROSE HIPS

When doing your canning, don't forget the "Alberta Orange" — wild rose hips — which are such a good source of vitamin C. If you wish to receive our leaflet on using them, you may have it free of charge from my office.

An excellent bulletin "Jams Jellies and Pickles" is also available.

PLEASE NOTE — I will be in the Vermilion Dept. of Agriculture office on Tuesday and would welcome visits from any of you.

NEWS from ISLAY

Mr. and Mrs. Earl Welin, Darrel and Sandra, of Kitimat, have returned home after visiting Mrs. Welin's parents Mr. and Mrs. Neil McLennan. The trip was made by car.

Congratulations to Mr. and Mrs. Nick Slyma on the birth of a daughter, a sister for Alice.

The school has recently had a coat of paint on the roof, also other buildings in connection.

Charlie Hanna is presently employed at the hospital doing much renovation work. The inside of the building will, upon completion, be almost new with its plasterboard finish and complete interior paint job.

Herman Caro has been engaged to paint the interior of the United church.

Some Islay folk attended the Marwayne Horticultural show. The Elks hall was filled with flowers of many kinds; colors were marvellous. All classes appeared to be well filled. A real novelty, all made of flowers, was a man and woman standing at the front of the hall, very lifelike it was too. Vegetables on display were excellent. Marwayne presents a very pretty appearance, 'a village of flowers' as every home had a yard full of flowers.

All the grade 9 students of the Islay school have passed with good standing. Our two grade 12 boys Henry Kohn and Jim McGuigan received their matriculation.

Two of the men from Moren's Electrical shop in Vermilion, Ken McLennan and George Purvis, spent some time on a job at Heinsberg this week.

People are turning to higher things — the higher cost of living in particular.

Iva Deford and Henry Dyjur United in Marriage at Clandonald

Peonies of red, pink and white decorated the altar of St. Columbus Roman Catholic Church, Clandonald on July 9 when the Rev Father Stewart officiated at the nuptial mass and double ring ceremony which united in marriage Iva Mary DeFord, eldest daughter of Mr. and Mrs. Dever DeFord and Henry Andrew Dyjur, son of Mr. and Mrs. Stanley Dyjur, all of Clandonald.

The bride, given in marriage by her grandfather Mr. George Gilbert, looked lovely in a floor length, traditional white gown of nylon net trimmed with four panels of lace down the skirt, tiered with net and poised over a hooped satin overskirt.

The fitted bodice of Chantilly lace finished down the back with tiny buttons, featured a high scalloped neckline trimmed with iridescent sequins, pearls and brilliants and lily point sleeves. Her fingertip veil of lace trimmed nylon net was held in place by a semi pill box crown trimmed with sequins and pearls. She carried a bouquet of red roses and pink rose buds with ribbons falling from it trimmed with red rose buds.

Mrs. Stella Glass as matron of honor and the Misses Rita Cawthorpe and Carole Brown as bridesmaids, wore identical cocktail length dresses of nylon chiffon in the new shrimp shade fashioned with fitted bodices and wide pleated stoles which formed a collar in front and fell down the back in floating panels. They wore white gloves and carried colonial bouquets of white shasta daisies.

Mary DeFord, youngest sister of the bride was flower girl and looked very sweet in a dress of white nylon over a crinoline underskirt with pink accessories. She carried a nosegay of a pink rosebuds surrounded with lily of the valley.

Barry DeFord, youngest brother of the bride was ring bearer. He carried the rings on a white satin heart shaped cushion trimmed with rosebuds and lily of the valley.

The groom was attended by Eugene and Duane DeFord, brothers of the bride and Edwin Dyjur, brother of the groom.

Messrs Bill Cusack and Michael Dyjur acted as ushers.

During the nuptial mass, the choir sang the hymns "Lord For Tomorrow" and "O Lord I Am Not Worthy". Miss Joan Leslie was organist.

For her daughter's wedding Mrs. DeFord chose a sheath dress of pink lace over taffeta with white accessories. The groom's mother wore a grey suit with white accessories. Their corsages were of white carnations.

Following the ceremony, a wedding breakfast was held at the home of Mr and Mrs. B. Cusack at which about fifty relatives and close friends sat down. The bride's table was covered with a damask cloth and centered with a lovely three-tiered wedding cake made by Mrs. Cusack and beautifully decorated with pink roses, silver leaves and horse shoes and topped with an ornament of bells and lily of the valley. Vases of pink and white roses and white candles in silver candlesticks flanked the cake. The room was decorated with pink and white streamers and bells.

Mr Frank DeFord was Master of Ceremonies and the toast to the bride was proposed by Father Stewart and suitably responded to by the groom.

Approximately 300 guests attended the open reception held in the afternoon.

Miss Linda Lee was in charge of the guest book and serviteurs at the breakfast were Miss Sarah Martin, Mrs. Delore Nelson, Mrs M Convey and Mrs. Zaph. During the afternoon reception a number of ladies served.

Out-of-town guests were Mr and Mrs. Earl Nelson, Elaine and Linda and Mr and Mrs. Hopkins and daughter Shirley Donna of Vancouver, B. C.

A wedding dance was held in the Orange Hall, Clandonald in the evening with Mr Sam Little as M.C. and music supplied by the "Comics."

For her going away outfit, the bride chose a sheath dress of grey and black with a three quarter length duster with white accessories.

The happy young couple will make their home in Lethbridge where the groom is employed at the bank.

POOR POLICY

History proves that telling people things for their own good doesn't improve relations a bit.

In a period of 20 years, the fur trader David Thompson mapped out more than a million square miles of the Canadian west and his only tools were a pocket watch, a sextant, a candle and the stars.

Edwin Torrance Tells Reporter Of Overseas Tour

In a recent interview with the local editor, Edwin Torrance was prevailed upon to tell something of his recent trip abroad, on his Cook's tour.

Landing in France the same day as DeGaulle and preceding him by two hours, Edwin found Paris in a state of excitement with mounting tension everywhere. Thousands of armed troops were in readiness, [illegible] should trouble start. However, all was well which ended well, and he found that the south of France was as peaceful and serene as the other was the opposite. What most impressed Edwin was the boat trip on one of their national holidays, commemorating the Austrian-Russian fight for the [illegible] year, it wasn't certain. However, the boats sailed downstream, and bells rang at brief intervals, upon which the crew sang suitable songs which were explained to the passengers and stories depicted in songs were connected with each stop.

In Italy likewise the atmosphere was quiet but the drivers of cars were most reckless according to Edwin, no laws being made to prevent drivers turning where they wished and almost running one down. Switzerland Edwin described as marvellous, having much the same climate as our own and extremely picturesque, while Holland was thought to be one of the most friendly.

Brussels World Fair, Edwin said was amazing and is of the opinion that one should take at least one month to see everything properly. Rain, when he landed in England, was not appreciated and it was found that an umbrella was more useful than a raincoat. He did like the climate though. Wales impressed him with it's rolling hills, greenness and the picture brought to mind the nation-wide film hit produced in that country, "How Green Was My Valley". Manchester appeared on the other hand, smoky and unclean due to the ever present smog existing at that time.

In Ireland Edwin was delighted with the rich green color of the countryside, the scenic beauty of that land and easily guessed why it was popularly referred to as the "Emerald Isle." Being himself an Orangeman, Edwin was most impressed with the Orange parade on July 12.

Returning home via Newfoundland, many icebergs, whales and dolphins were seen. He was told of a recent incident when a school of friendly dolphins were sucked in by a ship, as they played unsuspectingly in the water nearby and were cut to bits.

Edwin advises future travellers not to go abroad to Europe — in Britain one may see just as much and more, with easier travelling facilities. Seen on this tour was the famous St. Paul's Cathedral where he saw the plaque for those Canadian servicemen who gave their lives during the war. Easily seen was the spot where a time bomb had damaged the building as interesting stories were told of Canadian bravery.

Car Problems

Car dealers don't seem to agree with the general public as to what went wrong with car sales this year says The Financial Post.

A survey of U. S. car dealers' reports showed that [illegible]

When it came to specific reasons from the dealer group however, there was a sharp difference from the views that have been widely circulated. Primarily these dealers blamed the depression for their troubles or more particularly the talk of depression. People had become scared to [illegible] were [illegible] used cars for [illegible]. Few of those interviewed blamed the slump in sales on either the [illegible] or the cost of the current models.

NEWS from ALLANDALE

Grand ripening weather has been experienced if only we had had [illegible].

On July 29th Mr. and Mrs. Enoch Lundblad (Lucy Threst) aunt of Valleyview stopped at the latter's parents' home in Vermilion. The next day they went on to Norquay, Sask., to visit a cousin of Enoch's whom he had not seen for 35 years. They journeyed on to Winnipeg for the three-day Dominion convention of The Order of the Royal Purple. Mrs. Lundblad is District Deputy Supreme Honored Royal Lady of Valleyview. They then travelled south and west through the States, Yellowstone Park, and called at the Hickman's at Great Falls and Christensen's at Sun River. On their way home they visited Lucy's brother Ted and Mabel and family at Lethbridge. On leaving Edmonton Adele and Doreen Walsh accompanied them to Valleyview. The girls will go on to Grande Prairie to holiday with Mr. and Mrs. Bill Spicer and Helene. Mrs. Walsh, Wayne and Laura will join them there later.

Mr. and Mrs. George Jacklin, daughter Mary Lou and son Paul and mother Jacklin from Hamilton, Ont., arrived at the Baldock home on Aug. 11th for a week's holiday. Their son Bill chose to go on a long fishing trip rather than come west. Mother Jacklin will be staying on for awhile [illegible].

Mr. and Mrs. C. Laird and daughters Margaret and Cathryn of Clandonald left on holidays Aug. 12th for points in Saskatchewan and Manitoba visiting parents, relatives and friends.

A nice improvement has been made at the Jimmy Martin Jr. farm by the painting of the big barn red with a white trim. The Martins are very fortunate in having a collie which brings in the milk cows by himself. When Mr and Mrs James Phillips left the farm they gave the Martin family this faithful old dog. An attraction too on the farm, especially for the children is a young black nanny goat, given to Gerald by Uncle Jimmy. Greetings Fanny and Jim in Victoria, we often think of you.

Misses Myrna and Irene McPhee were recent visitors to Edmonton travelling by the new Dayliner. This was their first train ride.

An enjoyable afternoon was had at the Armstrong home on Aug. 14th when the Allandale W.A. held their monthly meeting. It was very pleasing to have mother Jacklin and Mrs George Jacklin with us. September meeting will be at the Throndson home in town. Lunch Mrs. Mildred Baldock and Mrs. Delsie Strome.

Jack Bowman's breaking outfit from Kokneo has been at work on the Omness farm, and is now moved to John Arnold's to do a breaking job there. They have also done a large amount of breaking at the James Martin Sr. farms.

Pleasant Valley

The holidays are nearly over now — nothing seems to last except the dry, hot weather. It is a little cooler today though, and it looks as if it may rain.

The men of the district are busy haying, cutting and combining.

Mrs. Cummings of town spent a few days with the writer and while she was here we attended the flower show at Marwayne. It was really wonderful to see all the flowers and house plants displayed so artistically. Saturday we took a trip to Lloydminster and visited Mountain's Nursery where we saw apples, plums and row upon row of different varieties of shrubs. In the afternoon we took in the flower show there and found it most interesting. We noticed Mrs. Ambler walking away with a lot of first prizes.

Mrs. Gillies and Linda returned from Edmonton where they had a good time visiting son Billy.

News is scarce these days, but work, as always, is certainly plentiful.

Alvin Throndson accompanied Mr and Mrs Don Wilson to the city where they attended the Conservative convention.

Mrs. Stella Mayers was at the the Allan Ronaghan home while Allan and Shirley were in Edmonton attending the convention also.

Miss Sylvia Sheppard from Kitscoty spent the week end of Aug. 15th at the home of her sister, Mrs. Throndson, while Alvin was in the city.

Orley Omness and grandson Raymond Wilson enjoyed a successful trip fishing at Muriel Lake on Aug. 16th.

Rev. MacKay from town conducted church services at Allandale on the 17th. Over fifty were in attendance for Holy Communion and Baptism. Babies baptized were the son of Mr. and Mrs. Fred Dougan, daughter of Mr. and Mrs. Allan Mead, daughter of Mr. and Mrs. Hank McKinnon.

Mr. and Mrs. Bill McKinnon who have been holidaying with Bill's brother Hank and family will be leaving shortly for Winnipeg to visit an invalid sister before returning to Vancouver. (Error in last week's paper — should have been Bill, not Bob.)

A very happy surprise last Sunday — five cars drove in — the O'Fee families and mother O'Fee. More details later.

On Aug. 17th Mr. and Mrs. Rufus Omness and daughter Irene from New Sarepta called at the home of their daughter Mrs. Hobbie in town. They are on holidays and were leaving for son Gerald's at Kindersley, Sask., then to Estevan to visit friends, on to Minnesota to visit Aunt Hannah and relatives and lastly to Wisconsin to visit cousins.

Mr. and Mrs. Milo Fleming, Merna and Jackie of Vermilion left on Aug. 19th for a week's holiday at Calgary and Lethbridge. Carla and Daryl will be staying at the Omness home.

Closing Thought: "May we be wise in our decisions and always in our daily living act as Christians."

Dogs now outnumber horses on the strength of the R.C.M.P. most of the dogs pull police sleighs in the far north, but about 25 are specially trained as trackers.

Dewberry Couple Married In United Church August 6th

On Wednesday, August 6th at 4 p.m. a very pretty summer wedding was solemnized in the Dewberry United Church before a flower-decorated altar, by the Rev. C. W. MacKay of Vermilion, when Irene Hilda, youngest daughter of Mr. and Mrs. Walter Parker of Dewberry became the bride of Arden James Oberstrom, eldest son of Mr. and Mrs. Paul Oberstrom of Lloydminster.

Given in marriage by her father, the bride was radiant in a waltz-length white gown of nylon net and lace styled with empire bodice, long lilypoint sleeved bolero and double net bouffant skirt, with rows and rows of net and lace. Her fingertip veil of net and lace was held in place by a tiara of pearls and iridescent sequins. Her cascade bouquet was red roses, rosebuds and fern. Her only ornaments were iridescent rhine stone earrings and necklace a gift of the [illegible].

As bridesmaid, Miss Lorrainne Braithwaite was charming in a waltz-length gown of pale blue nylon and lace, bouffant style. She carried a colonial bouquet of yellow roses and forget-me-nots. Her headpiece was yellow roses.

Little Lorraine Boyce was the adorable flower girl in pale blue nylon, full-skirted, and carried a basket of yellow roses and forget-me-nots. Her headpiece was also yellow roses.

Mr. Meredith Whiteside supported the groom and Mr. Bob Parker was usher.

Miss Cheryl Jones was organist, also accompanying Miss Evelyn Parker who sang "I'll Walk Beside You" during the signing of the register.

The bride's gifts to her attendants, the organist and soloists were necklaces and earrings. The groom's gift to the best man was gold cuff links, also gold cuff links to the usher.

For her daughter's wedding, the bride's mother chose a dress of light blue flocked nylon with white accessories, and wore white gardenias en corsage. The groom's mother wore navy sheer also with white accessories and white gardenias en corsage.

At 5 p.m. a reception followed in the Dewberry Community hall ably catered to by the Ladies Aid of Dewberry United church. During the reception Miss Evelyn Parker sang, "I Love You Truly". She was also in charge of the guest book in which over fifty registered. Rev. MacKay gave the toast to the bride which was was very ably responded to by the groom.

The bride and groom were the recipients of many [illegible] and beautiful gifts which they [illegible] and displayed to the guests, after which both Irene and Arden thanked everyone in a few, well chosen words.

Out of town guests were Mr. and Mrs. Paul Oberstrom, Norman and Larry, Mrs. J. McKay and Robert, Mrs. Lorne Ingrey, all of Lloydminster; Mr and Mrs. Earl Geake, Donald, Hugh and David, Mr and Mrs. Herb Hemmingway, Lynne and Karen, Mr and Mrs. Doug Thompson, all of Vermilion, and Mr. and Mrs. Jim Miller of Islay.

For a honeymoon trip to Sylvan Lake and points west, the bride changed to a pink nylon dress, pale green coat and white accessories, and a red rose corsage.

The happy couple will make their home in Lloydminster.

A host of good wishes go to the popular young newlyweds for a long and happy married life.

DEWBERRY NEWS

The monthly meeting of the Dewberry Ladies' Aid was held on Aug. 8th at the home of Mrs. E. Brett with nine members and two visitors present. One new member was made welcome and the Aid would be pleased to have others join who are interested in working for the church.

Mrs. Hornigold of Edmonton, a former member read from the Bible and Mrs. W. Young read from the Upper Room.

The catering done for the Fluney and Parker weddings proved most gratifying and were indeed worth the work and effort. A discussion took place in regard to floor covering for the church and suitable colors were decided upon.

At the close of the meeting lunch was served by the hostess, assisted by one or two members.

The September meeting will be held at the home of Mrs. Jack Porter on Thursday, Sept. 4th.

THANK YOU!

As I am retiring from business, may I say a heartfelt "Thank You" to all, near and far in the district, who for years have patronized and extended me such faithful friendship.

George Capatos.

LOCAL NEWS

Mr and Mrs. Wm. Young, Donna and Jack of Dewberry were recent visitors to Calgary and Banff. While in Calgary, they attended a reunion for Alsask, Sibbald and district residents and old timers and at which over four hundred were present. A most enjoyable time was spent renewing acquaintances of past years.

Visitors at the home of Mr. and Mrs. Clyde Engelking are their daughter Mrs. Thomas Allan and children, Gail Susan and Wade Douglas, recently of Pincher Creek. Vera plans to stay until the Labour Day weekend. Also home is their son Clarence of Camp Gage town, N.B. He was a member of the Honour Guard when Princess Margaret visited the camp.

Mrs. Bob Minard of Grimshaw, and daughter Jean, are visiting Mrs. Minard's mother, Mrs. Lily Giles and other relatives and friends in Vermilion for two weeks.

Mrs. Vera Purser left by bus Tuesday evening from Vermilion for Regina where she will holiday until school resumes when she will again take up teaching duties at Paradise Valley.

Mr. and Mrs. Art Burdett and their three daughters from Battleford, Sask., spent a week recently at the home of Mr. and Mrs. Sid Burdett. While they were here they motored to Edmonton where they visited Mr. and Mrs. George Burdett.

Keith and David Morgan of Calgary, grandsons of Mrs. H.P. Long, who have been her guests for the past [illegible], left for home on Monday with their [illegible] Mr. and Mrs. J. M. [illegible] who were returning from a trip to Victoria and Vancouver.

Mrs. A. R. Anderson, daughter Robin, and Mrs. Ken Urquhart were Edmonton visitors Tuesday travelling by CNR 'Dayliner'. Miss Robin [illegible] her younger sister Heather in the city and both will spend a few days at the home of their grandmother, Mrs. Rogers.

Mr. and Mrs. Abe Friesen and family returned last week from New York where they attended the convention of Jehovah's Witnesses. The trip was made by car via all-Canadian route going east, with the homeward journey through the U. S. Abe didn't experience too much difficulty getting around in New York with many points of interest visited while there including the Bronx Zoo and the museum.

Mr. and Mrs. John Ziegler of Vegreville were Sunday visitors in Vermilion at the home of their daughter Mrs. Joe Winter and Mr. Winter.

Mr. and Mrs. George Nestman of Vegreville were visitors in Vermilion on Sunday renewing old acquaintances here.

Mr. and Mrs. Lawrence Hareuther and family left this week for Vernon, B. C. where they will [illegible] and visit Mrs. Hareuther's parents at the family [illegible].

Mrs. W. Smith had as her guests recently her son Mr. Jack Smith, Mrs. Smith and two children, David and Douglas from Vancouver and her daughter Mrs. Mullen and son Neil, also from Vancouver.

Miss Jean McPhee recently enjoyed a holiday spent in Eastern Canada. She returned on the Bluenose special.

Walter Antoniuk now manager of the hotel at Peace River was a recent visitor in Vermilion. Walter was formerly with the Brunswick hotel in town.

Mr. and Mrs. Les Hathaway are back from a holiday spent at Banff and Radium.

Mr. and Mrs. Walter Duncan and two daughters returned last Thursday from a holiday trip to Vancouver, Seattle and the Okanagan. First Mr. and Mrs. Duncan motored to Rivers, Manitoba to pick up the two girls as they had been visiting their grand parents there for the summer.

Mr. and Mrs. R. S. Cooper left last Sunday for Cortez, Colorado where they will spend three weeks visiting their daughter and husband, Mr. and Mrs. Jack Cooke and their new twin grand daughters.

Mr. and Mrs. J. Shaw of Clandonald have purchased the Rumpling house in the west end of town and following the harvest they will take up residence in Vermilion.

Mr. and Mrs. George Capatos spent their holidays visiting the former's brother Jerry in Calgary, at Banff and Jasper with a few days spent with Sgt. and Mrs. Stan Surby at Westlock.

Mr. and Mrs. Alex Mackenzie from Vancouver and Mr. Wm. E. Mackenzie of Edmonton were in town this week visiting at the home of Mrs. Iver Larsen and calling on old friends.

Mr. and Mrs. Stan Calvert and three children from Valleyview, Alberta spent a few days in town on vacation this week. Friends will be pleased to learn that Stan's mother, who has been ill, is showing improvement and is convalescing at the home of her daughter Joan.

Mr. and Mrs. Jack Baddock returned last week from a holiday at New Westminster where they visited daughter Betty and husband, Mr. and Mrs. Philip Lyne. The trip was made by [illegible].

Miss Marnie Huntley plans to leave for her home in Vancouver this Sunday after spending the summer months visiting her aunt and uncle, Mr. and Mrs. L. H. Pochett and family.

A. W. "Wib" Elliott recently sold his house in the east end of town and will now spend his time with his three sons. Purchaser of the house was Mr. Tobro of Clandonald.

Karen Fast, daughter of Mr. and Mrs. Rupert Fast, returned home this week after spending the summer vacation with her aunt in Edmonton.

Mr. and Mrs. Frank Welsh and two children left for Calgary and other points of interest on a holiday trip on Thursday this week.

Mr. and Mrs. E. M. Stewart and the two girls, Ruth and Dorothy Jean returned home on Tuesday from a holiday at their cottage at Jackfish Lake.

Home from attending University summer school courses recently are John David, Frank Welsh, Martin Shalka and Mrs. Vera Mead.

Mr. and Mrs. S. D. Simonson and the two boys are holidaying at Lake Waskesiu in the Prince Albert National Park.

Mr. and Mrs. Albert Duncan and three children of Hamilton, Ont., were recent visitors in town, guests at the home of Mrs. Duncan's brother and family Mr. and Mrs. Daryl Currah. They also visited with Albert's sister and husband Mr. and Mrs. Darwin Enfield at Mannville and Mr. and Mrs. Allan Currah in Edmonton, and Albert's mother Mrs. Vic Duncan in Edmonton. On the return trip they plan to visit Jasper and Banff.

Mr. and Mrs. Ken Greenwood are holidaying at Ram River Falls, south of Nordegg for two weeks.

Mr. and Mrs. Roy Shupe and family of Kitimat, B.C. were recent visitors at the home of the former's sister Mrs. Leo Kaminsky.

Mr. and Mrs. R. A. Renaud and family have now taken up residence in town and have rented Mrs. R. [illegible]'s house.

Mr. and Mrs. Gordon Casey and son have arrived from Westlock and are living in the former Wib Elliott residence in the east end of town.

Mr. and Mrs. Doug Mat[illegible] of Ft. St. John and children are visitors [illegible] this week, guests at the [illegible] of Mrs. Roy [illegible] [illegible] Medrel [illegible] Pockett [illegible] was [illegible] operator at the Beam [illegible] prior to moving north.

APPRECIATION

Rea and Mitch Taylor and family would like to extend their thanks to the many friends who have made their stay in Vermilion so pleasant for the last five years. Particularly to those friends who presented them with the lovely chair and to the parishioners of St. Saviour's and other friends for the gift of a tri-lite lamp they wish to express their deep appreciation. They hope all their friends will visit them in their new residence at 16111-110A Avenue, Jasper Place.

CARD OF THANKS

I wish to thank Dr. King, the matron, nurses and Vermilion hospital staff for the excellent care I received during my stay in the hospital.

Joe Ahlgren.

COOK — Born to Mr. and Mrs. Jack Cook (nee Bernice Cooper) at Cortez, Colorado on July 25, twin daughters, Teena Lucille and Tracy Katherine.

OBITUARY

ANDREW S. WILSON

Andrew S. Wilson, a pioneer of the Landonville district, passed away on August 16th at the age of 81 years. He leaves to mourn his passing one sister, Mrs. Isabell Goldsmith of Vancouver, B.C., and one brother in Australia.

Funeral services were held from the First United Church Vermilion on Aug. 20th with interment following in the Vermilion cemetery.

Moyers were in charge of arrangements.

APPRECIATION

I wish to take this opportunity to thank Dr. King, nurses of the Vermilion hospital and all my friends who sent flowers, baskets of fruit and get-well cards; also those who called on me while I was a patient in the hospital.

Mrs. George Caron.

Success comes to the man who makes the greatest profit from the fewest mistakes.

Miss Pat Thompson is visiting her aunt and family in Edson this week.

What does YOUR label read?

Nature Won't Solve Wheat Problem

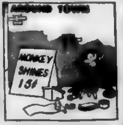
Only a little while ago those responsible for marketing Canada's wheat were telling the public to keep calm and patient. Disposing of the big surplus, they said, was just a matter of time and weather. A couple of poor crops, they said, and Canada would be lucky to have some wheat left to sell.

Well, comments The Financial Post, we have had those two poor crops, last year and the one almost ready to harvest, and what do we hear about market prospects? Canada, says W. C. McNamara, new chief of the Wheat Board, must get out and do some real selling this year if it hopes to keep its head above water.

The reason is not hard to find. While our harvests have shrunk those of other countries and especially the United States have been good.

We just can't count on nature solving a problem that we must solve ourselves. And the only way we can solve it is to sell far more wheat than we have been selling or to stop growing so much of it.

How about that SUB. deal?



Released by AP Newsfeatures

News from Tulliby Lake

Mr. and Mrs. Arthur Fortin (Jr.) and family were visitors at the Edmonton home of Mrs. Fortin's brother and family, Mr and Mrs. Bobbie Connochie.

Mrs. Ruth Ferris and Bill Newcombe have returned after a combination visit and holiday trip down in the States of Nebraska and Oregon.

Mr. and Mrs. S. A. (Art) Marshall and family from Edmonton were week end visitors in the district.

Eric Rotherman and Charles Gullickson have been doing some more pole sitting along the telephone line. A few various minor adjustments and repairs were also made here and there by them.

The latest employee to arrive at the Doug Cooke premises is Eric Moccasin — an immigrant from Denmark.

Several reports have come our way concerning the sighting of bears in the district.

Work has commenced on the new teacherage at the Central School. It is hoped the structure can be made ready for occupancy by the commencement of the school term.

The municipal authorities have completed the proposed road construction starting from Forbes Parks' east gate and then proceeding northward by Adamson's and Marshe's and coming to an end at Behren's south - east corner. All that this road now needs is an application of gravel.

Mr and Mrs. Arthur Fortin (Jr.) and family were visitors at the Edmonton home of Mrs. Fortin's brother and family, Mr. and Mrs. Dick Connochie.

Due to the prolonged dry spell we've been experiencing, many local ranchers and farmers are already starting to search for their winter feed supplies. Doug Ward and Joe Brind are up haying, near Minard's Lake. The Nolin boys, (Raymond and Demase) are haying with [illegible] rens' on a share basis. Forbes Park and his employee are giving Cecil Trimble a helping hand. Charles Gullickson is helping the Tommy Lovells' with their haying.

Douglas Adamson was home for the long week end of August 4. Doug is now employed at the Royal Bank at Consort, having been transferred there from their Edmonton branch.

FAST SERVICE on windshield replacement. Complete stock all makes 1952 to 58. Rowe & Sons Ltd., phones 106 and 89. 44xtf

No Harvest Laborers From East This Year

For the first time since its inception, there will be no labor movement from the east to help with Alberta's cereal harvesting, announces F. H. Newcombe, Director of Extension for Alberta.

Time was when 40,000 men came west: that was in the early 1900's when these huge excursions were backed by the railways. Then around 1942, the responsibility was assumed by the Alberta Department of Agriculture assisted by the Department of Labor at Ottawa. In years to follow the number of laborers varied between 500 to 1,500. The decrease was due largely to increased mechanization which did away with much manual labor and the unavailability of eastern workers swallowed up by ever-expanding industries.

Last year only a little over 125 men came from eastern points to help with the western harvest. Since this amount doesn't appreciably lessen the 5,000 to 7,000 workers needed for Alberta's harvest and since it is believed help can be obtained locally, it was decided not to open the movement this year.

The Department and the National Employment Service, however, are still concerned with the placement of local workers. Those capable of operating harvesting machinery who can offer their services for a day, week-end or longer are urged to notify their nearest Employment Office.

Save yourself useless worry by letting others worry about their own affairs.

NEWS from KITSCOTY

During the past three weeks the following folk have been enjoying holidays: Mr. and Mrs. W. G. Stewart, Mrs. W. R. Stewart, Marilyn and [illegible] were Calgary visitors.

Mrs. Edwin Stewart and [illegible] spent a holiday at points in B. C.

Mr and Mrs. William Murray and family spent three weeks visiting with Bill's folks and other relatives in B. C.

Mr. and Mrs. R. D. Trask and Neta spent a week visiting with relatives in Saskatoon.

Mr and Mrs. Boyd [illegible] and family enjoyed a holiday at Banff and Jasper.

Rev. James Shortt, Lyle and Lynelle are spending their holidays at different points in B. C.

Mr. and Mrs. L. E. Speelman enjoyed their annual vacation with different members of their family at Edmonton, Calgary and Lethbridge.

Mr and Mrs. J. F. Finlin spent some time with their daughter and son-in-law, Mr. and Mrs. T. Foley and other relatives at Vegreville.

Mr. and Mrs. Cliff Miller visited with their aunt and uncle, Mr. and Mrs. J. Crone at Westlock for a few days recently.

Mr. Tom Alton enjoyed a holiday with his brother and other relatives at Kimberley and other B. C. points.

Mr. and Mrs. M. Christoffersen and Arlene spent their holiday in B. C. visiting with their daughter Eleanor who is with the R.C.A.F. (W.D.) and stationed at Comox, B. C. Eleanor accompanied her folks home and will holiday here for awhile.

Mr. R. P. Hind is on a motor trip to Jasper with relatives from Lloydminster.

Mrs. H. Batty is spending a holiday with Mr. and Mrs. G. Driver at White Rock, B. C.

Mrs. R. A. Evans, Bob and Earl spent a week end in Edmonton recently visiting with relatives [illegible].

The following are some of the folks who visited relatives and friends here during the holiday [illegible].

Mr. G. Lowe and Mr and Mrs. W. Talbot of Edmonton visited with Mrs. W. L. Apperson recently. Mr. Lowe was a pioneer settler many years ago and the village of Marwayne is situated on his homestead.

Mr. and Mrs. J. B. Chisholm were guests at the home of Mr and Mrs. C. K. Miller recently and called on some of their old friends while in town.

Mrs. W. Hays of Onion Lake spent a week here recently with her sister and brother Miss Minnie and Mr Roy Parker.

Mrs. T.F. Mason of Edmonton was a recent week end guest at the home of Mr. and Mrs. A. R. Key.

Calling on old friends one day last week were Mr. and Mrs. Alex Potter and Joe from Edmonton. They were accompanied by their daughter-in-law, Mrs. Bob Potter and family.

Sgt. Ken Tinney and Mrs. Tinney and their baby daughter have been visiting Margaret's parents, Mr. and Mrs. R. M. Mathewson after being stationed for a year at Fort Churchill.

Mrs. James Turner returned to her home in Winnipeg after spending two weeks here visiting with Mr. and Mrs. J. C. Potter.

Mr. and Mrs. G. Brennan and boys from Port Renfrew, B. C. spent the past two weeks here with their parents Mr. and Mrs. J. R. Fox, brother Dan and Mrs. Fox.

Mr. and Mrs. Art Wynn spent their holiday visiting with Art's parents, brother, sisters and their families near New Westminster.

Mr. and Mrs. Kenneth C. Gray, Gloria and Don are spending a holiday in Victoria and other B. C. points.

Mr. and Mrs. Ralph Gray and children are enjoying a holiday boating and fishing at Cold Lake.

Mr. and Mrs. Chris Cairns from Lulu Island, B. C. were in town recently renewing acquaintances with some of their old

Also in town for a short stay was Charlie Cairns who was on his way home to Winnipeg from a trip to the west coast.

Mr. Steve Dzus of Elkhorn, Manitoba spent a holiday here recently visiting with his brother Fred, Mrs. Dzus and Peter.

Mrs. E. N. East, Neil and Betty returned to their home in Winnipeg last week after spending the past month here with relatives. They were accompanied by Lila's sister, Mrs. A. C. Linsdell of Edmonton who will spend a short holiday with them in Winnipeg.

Miss Sylvia Sheppard is spending a few days holiday with her sister Mrs. Alvin Throndson of the Clandonald district.

Mr. and Mrs. Robert Seal of Edmonton spent part of their holiday here with Margaret's parents Mr. and Mrs. F. O. Seward. While here Mr. Seal conducted the service in the Kitscoty United Church on Sunday.

Mr. and Mrs. R. A. Bense are at present on a holiday trip to visit relatives at points in the U. S. A.

Congratulations are extended for a long and happy married life to Mr. and Mrs. Clifford Pinder (nee Arlene Joy) who were married in the United Church on July 25 and are now residing in Edmonton.

Congratulations to Mr. and Mrs. Homer Hines of Marwayne on the birth of a daughter in the Lloyd hospital on July 30.

Baby Kathryn Kent visited her grandparents Mr. and Mrs. R. S. Pidcock while her mother and father Mr. and Mrs. Brian Kent and sister Miriam enjoyed a holiday at Dawson Creek, B. C. visiting with Mr and Mrs. Russell Lang and Mr and Mrs. Kirk [illegible].

Miss Neta Trask spent the past week end visiting with Miss Tina Whiteside at Hazeldine.

Mrs. Stan Gerritts has accepted a position in Trasks General Store.

After a long illness, we are pleased to report Mr. W. A. McCourt is able to walk up town and do his shopping.

Best wishes for a speedy recovery are extended to Miss Minnie Parker, Mr Bert Buck, Mr Jeschuck and Mr John Olds who are at present patients in the Lloydminster hospital.

Guests at the home of Mr and Mrs. Alf Franke recently were Mrs. Franke's sister, brother-in-law and family, also her brother Alan Wright, Mrs Wright and family all of Edmonton. Mrs Franke accompanied her folks to the city and spent a week there visiting with relatives and friends.

Mrs. A. W. Govier and Tom accompanied by Mrs. Art Govier and children from Burlington, Ontario, spent a week in Edmonton recently, visiting with relatives.

Mr Richard W. Caldecott visited with friends and attended the Alberta Progressive Conservative convention rally in Edmonton last week.

Mr and Mrs. Henry Johanneson of the Earlie district returned home last Saturday from spending a holiday with their daughter and son-in-law Mr and Mrs. [illegible] Linton and family at Hay Lakes.

The village has installed a new fire siren which sounds off at noon each day. This is not a time check folks. The old bell which has served as a fire warning for about fifty years has been donated to the Anglican Church at Paradise Valley.

There are no snakes in the province of Newfoundland.

Mannville and District Local News

Sympathy of the district and the town is extended to relatives of the late W. D. Ramsey on his passing.

Miss Helen McDowell, now of Halifax, formerly of Mannville, where she was on the teaching staff at Forest Hills (1941 - 2) and later in Mannville for two years, visited the homes of Mrs. R. E. Cain and Abby, Miss Ruth Gray, Minburn and the E. Hubbard home as well as Mrs. H. Arnold, all old friends.

Danny McMillan of Vermilion was a Mannville visitor last week.

Mr. and Mrs Bruce Hubbard have taken up residence in the suite formerly occupied by the Ackermans in the hotel. The latter having moved to a smaller suite. Mrs. Opal Miller has left for the far north.

Mrs. Arlie Marshal is now residing with her family in the house formerly occupied by Miss Pat Winnick and sister Carole, who have left Mannville.

A. E. Williams attended the Progressive Conservative Convention in Edmonton last Friday and Saturday.

Carman and Lucille Hughes and family returned recently from a trip to Seba Beach, Gull Lake, Rocky Mountain House and Kapasiwan Camp where daughter Ruth has been holidaying. An enjoyable trip is reported.

Grade twelve results were outstanding this year, and a full report is hoped for next issue on all grades.

Dennis Norman, his wife and family have purchased the P. Skish house and have moved [illegible].

E. Kreller made a flying trip by car to bring his daughter Lynn and Dawn back from holidays at the west coast.

Mary Malcolm and Heather Morrison have returned from a holiday trip to Banff.

Mr Harry Arnold is expected to return home from hospital this week.

Arlene Leitch, Gwen Thompson and Sandra Leitch enjoyed a holiday trip to Banff via car driven by Arlene.

Mr and Mrs N. Crooks left on Friday of last week for a trip to Ontario.

Mrs. D. Enfield is home after receiving medical attention recently.

Maurice and Ethel Mercer have returned home from a recent vacation spent in the States and Vancouver. Gail spent her holidays at the Lister Emmott farm in Salteaux.

The Ross Ewing family are home from holidays spent in Montana and other points of interest.

Mr. and Mrs. D. Otto are on holidays.

Muriel McLuckie and husband Jim are spending a few days in the city.

Doris (McFadden) Arnett is visiting with her family at the parental home, Mr. and Mrs. D. McFadden.

Mrs. Leonard Forsyth, son David and daughter Jeanie, Barbara Stonehocker and Mr. John Scott of Pierceland, were Sunday visitors at the home of Ron and Betty Forsyth.

There probably is a reason for everything, but too few people take time to reason.

ARCHIBALD CHARLES WOOD

Archibald Charles Wood, of Dewberry passed away in the Elk Point hospital on Wednesday Aug. 20th at the age of 76 years. Left to mourn his passing are his loving wife, one son William of Dewberry, four brothers, Andrew of Dewberry, Tom in London Ont., Jack in California and Robert of Big River, Sask., and two sisters, Mrs. M. Aitcheson of Winnipeg and Mrs. E. Rainey of Dewberry.

Mr. Wood was a veteran of the South African war returning to Ontario in 1900.

Funeral services will be held on Saturday at 2 o'clock p.m. in the Dewberry hall with Mr. Hugh Farquhar officiating.

Moyers are in charge of the funeral arrangements.

Funeral Services Held for Former Landonville Man

Funeral services were held in Edmonton for Jack Landon, aged 62 years, on July 19 at Andrews McLaughlin Funeral chapel. Burial was in the family plot in the Edmonton cemetery.

Mr. Landon was killed on Wednesday afternoon July 16th when the car he was driving was struck by a train on a level crossing in Edmonton. His wife was injured in the same accident.

For many years Mr. Landon lived in the Landonville district, and then in Derwent. He left the latter village in 1935 when he moved to Edmonton.

Pall bearers were Messrs. Stan Irvine, Ken Helps, Andrew Robinson, Carl Thompson, Dune [illegible] and Chris Bagg.

Harvest Underway

The Standard's Wildmere correspondent reports that the first threshing in that district was done by Lloyd Howard who threshed oats on Aug. 19th while barley was combined from Thursday to Saturday last week.

OBITUARY

J. THOMAS BANKS

Mr. J. Thomas Banks, pioneer of the Mannville district and resident of Vermilion, passed away Monday evening, Aug. 18 at the age of 81 years. Surviving him are one son, Jeffrey of Mannville; four daughters, Mrs. W. Killburn, Federal, Mrs. Wm. Ross, Mrs. Russell Hayes of Edmonton and Mrs. Andy Clark of Mannville. He also leaves one sister and ten grandchildren.

Funeral services will be held on Friday, Aug. 22nd at 2 p.m. from St. Saviour's Anglican church, Vermilion with Rev. H. Shell officiating. Interment will be in the Mannville cemetery.

Moyers are in charge of arrangements.

OBITUARY

WILLIAM CLARK

Funeral services for Mr. William Clark, beloved husband of Mrs. May Clark, were held at the First United Church, Vermilion, on July 17th. Mr. Hugh Farquhar, student minister of Clandonald, officiated. Interment was in the Vermilion cemetery.

Mr. Clark died suddenly on July 14th at the age of 68 years and 8 months. He is survived by his loving wife May, four sons, Willie of Vermilion, Frank of Drayton Valley, Ian at Wainwright, Jim of Vermilion; two daughters, Mrs. Lou Matlock (Dot) of Drayton Valley and Mrs. Howard Lumley (Alice) of Derwent. There are four grandchildren, one sister in Manitoba and four sisters and two brothers in Scotland.

The pall bearers were Messrs. Charles Gool, Lindy Fadden, Jas. Wallington, Tom Wilson, Howard Frissell and Arthur Tuey. Honorary pall bearers were Thos. Thompson, Jack Baldwin, E. H. Buckingham, Wm. Simmonds, Don McLelland and Elmer Lewis.

Last rites were carried out at the graveside by the Legion.

Moyers were in charge of the funeral arrangements.

Floral and memorial tributes were received from:

Family Fund: Mr. and Mrs. L. Fadden; Mr. and Mrs. R. Donily [illegible] and Mrs. C. Gool; Mr. and Mrs. J. Labecane; Mr. Best, Mr. and Mrs. W. Whitlock; Mr. and Mrs. R. Thomson; Mr. and Mrs. D. Cooper; Mr. Fred and Mr. John Nichols; Mr. and Mrs. John Ruud, Mrs. M. Ruud; Mr. and Mrs. Jeff Martin; Mr. and Mrs. Fred Haines; Mr. Geo. Haines, Mr. and Mrs. Cliff Cruthers; Mr. and Mrs. Lloyd Howard; Mr. and Mrs. Frank Gibson; Mr. and Mrs. Albert Smith; Mr. and Mrs. Dave Hughes; Mr. and Mrs. Waldon Westman; Mr. and Mrs. W. J. Cemetery Fund: Kate, Hazel, Margaret and Archie; Mr. and Mrs. John Wilson; Ted and Lottie Riley, Mrs. Watson, Frank and John; Fred and Ruth Kottmeier; Tom and Lillian Wilson.

Cancer Fund: Mr. and Mrs. R. E. Lyseng; A. W. Lysons; Keare and Dorothy Seitz; Preston Family; Mr. and Mrs. T. Lysons; Mr. and Mrs. Otto Wolters; Mr. Bert Carey; Mr. Jim Veitch; Mr. and Mrs. [illegible] Ruud.

CARD OF THANKS

We wish to extend our sincere thanks to our neighbors and friends who so willingly helped in our recent sad bereavement; for the flowers and memorial tributes, with a special thank you to Dr. King, Mr. Lloyd Howard, Mr. Jas. Wallington, Mr. Lindy Fadden and Mr. Dick Donily.

May Clark and Family.

Clandonald United Church Notes

Early in July, Mr. Hugh Farquhar, our student minister, assisted with the boys' camp at Whitney Lake, with some sixty boys in attendance. The leaders both men and women, [illegible] freely of their time and [illegible] to make this camping holiday possible for our boys and girls. They would appreciate it very much if parents would visit the camp on Sunday and attend the worship service.

On July 9th Mrs. Cooper was guest speaker at a special W.A. meeting in St. Paul.

Mrs. Nancy Feenstra was the hostess for the W.A. meeting on July 10th when 11 members and four guests were present. Mrs. Richardson from Island Hill gave a demonstration on making flowers from plastic foam. The instructions were so easy to follow that each lady made two flowers. Sincere thanks to Mrs. Richardson and thanks to Mrs. McPhee who provided transportation.

In the spring Mr. Preston and his Boy Scout troop cut the grass and made a general clean up at the cemetery. This was carried out over several days. We who have loved ones resting there deeply appreciate this kindly and thoughtful act.

A very successful vacation Bible school was held in Clandonald under the direction of Mr. Farquhar assisted by the following helpers: Mrs. Omness, Mrs. Mary Wilson, Mrs. Goddard, Mrs. Laird, Mrs. Campbell, Mr. and Mrs. Stanley, Mr. deJong, Marion Mead, Barbara Campbell, Marie Campbell, Gail Goddard and Vonnie Lovell.

This was a joint school of Allandale and Clandonald missions. Mr. Tom Stockwell used his bus to bring the Allandale children in. Mrs. Stockwell and Mrs. Olsen took turns driving. The theme of the school was "We would see Jesus." It was truly amazing the large amount of handicraft made by the children attending.

There was a joint service held in the Orange hall, Clandonald on the Sunday following vacation school. Each class had a part in the service and were well trained, a credit to their leaders. Lunch and a social hour followed the service.

Mr. Raoul Feenstra is ill in hospital at time of writing. His many friends wish him a speedy recovery.

Mr. Harold Schoonmaker who was injured in an accident is now home from some three weeks in hospital.

Morley Douglas Addresses Rotary

Morley Douglas, assistant district agriculturist, gave Rotary members a fine talk on agricultural extension at the club luncheon meeting on Friday, Aug. 1. Mr. Douglas made it interesting by comparing extension methods as in use in Manitoba with that in operation in Alberta.

In introducing the speaker, Ernie Buckingham related some of Morley's life history. He was born in Fairfax, Man., and enlisted in the early days of the war with the Royal Winnipeg Rifles. He served in France and north east Europe where he was wounded. On returning home Morley graduated in agriculture at Winnipeg. He put in four years in extension service and several years operating a grain and livestock farm in Manitoba before coming to Vermilion last fall.

A presentation was made to Carl Heckbert on the eve of his departure for an extended holiday in Europe.

One of the visitors was Arend E. Lakeman of Mawbridge, S. Dakota. As far as any of the members can remember, Mr. Lakeman is the first Rotarian from a foreign country to visit the Vermilion club.

Leo Doucett and Richard Larson of Lloydminster rotated here at the meeting.

It was reported the drivers' school held in Vermilion recently was quite successful. The Rotary club sponsored this school and members are gratified at the support given to it by Vermilion people.

Shower Honors Dewberry Girl

About sixty ladies gathered in the Dewberry hall on Thursday July 31st to honor Miss Irene Parker, bride-elect for August. After a contest Miss Evelyn Parker, sister of the bride-elect, entertained the company with a couple of songs. She was accompanied on the piano by Mrs. Joe Braithwaite. Then a loud knocking was heard on the door and two young girls entered calling "Special delivery for Miss Irene Parker". They pulled in a wagon on which there was a large box marked 'Hi-way Transport', which upon being opened was found to hold another box covered with pink paper, all decorated with silver bells and topped with several miniature cars — the groom works for MacKay's Hi-way Transport of Lloydminster, hence the car decorations. Inside the second box were many shower gifts. In all sixty-three presents were unwrapped and passed around. The bride-to-be upon entering was presented with a red rose corsage. The table at which she was seated was centred by a cake decorated in pink and white and a vase of garden flowers. Helping to open the gifts were her mother and sister Evelyn and Miss Lorraine Braithwaite.

A delicious lunch was served and enjoyed by all to bring the gathering to a close.

Hostesses were Mrs. Elsie Curtis and Mrs. S. Woods. Mrs. Woods made and decorated the box and all agreed that in Mrs. Woods we have a creative genius.

The date your subscription to the Standard expires is shown on the label after your name.

Schools Open September 2nd

Schools in Vermilion and the Vermilion School Division will open for the fall term on Tuesday, Sept. 2nd at 9 a.m. The long summer vacation, which has slipped by very quickly this year, is now drawing to a close and young people are making the most of the final week of holidays.

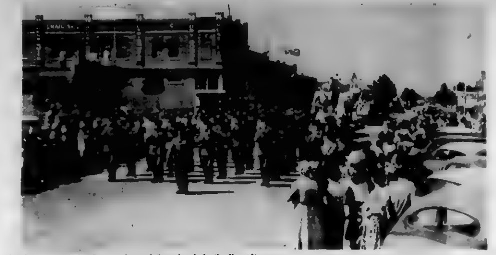
The Vermilion Standard

Vermilion, Alberta, Thursday, August 21st, 1958. Page 1 -- Second Section



Another view of the fine parade which opened the annual Vermilion exhibition. Seen in the foreground is the air force band, one of three bands in the line of march. The parade was led by the 'A' Coy., L.E.R. Pipe band, while the third was from the midway.

Vermilion Rotary Club Hears Talk On Dieselization

The Rotary Club listened to a most informative address by Harry Brown recently. Mr. Brown is locomotive foreman at Vermilion. He spoke on Dieselization and your community.

Mr. Brown made it quite clear that the more diesel the less men it will take to operate a railway. In a community like Vermilion it means less pay cheques coming along.

The advantages of dieselization to a community is mainly in better passenger service but also indirectly in holding down freight rates.

The speaker was introduced by Ken Greenwood who told of Mr. Brown's long career with the C.N.R., first as fireman, then as engineer, trainmaster, assistant superintendent, and now locomotive foreman.

Gil Rampling thanked Mr. Brown on behalf of the club for his talk.

There was one visitor, Mr. Walter Antoniuk of the Peace River Club.

President Jim Robson was chairman. Mr. [illegible] thanked the speaker and welcomed the guest.

Vermilion School Division No. 25

IMPORTANT NOTICE!

Staff shortages at the High School level prevent complete High School courses being available at Dewberry, Marwayne and Paradise Valley for 1958-59.

GRADE 12 WILL BE OFFERED ONLY AT VERMILION AND KITSCOTY.

Parents at the three above named centralizations having children requiring instruction in Grade 12 are requested to advise the Divisional Board so that the necessary arrangements may be made.

WONDERING WHAT TO DO?

- After High School, boys and girls will be wondering what to do. Many will be seeking immediate employment but those looking ahead realize that one or two winters further special training now will put them out front in the immediate future.
- Why not plan now to enroll at one of the Schools of Agriculture for advanced vocational training in Agriculture or Home Economics?
- Write for your free copy of the new Announcement of Courses for 1958-59 from the Principal, School of Agriculture, at Olds or Vermilion or to the Department of Agriculture, Edmonton. It will tell you how you can prepare yourself now for a future in Agriculture or in the many fields associated with home economics.

TEN LESSONS FOR CHILDREN TO LEARN BEFORE ENTERING SCHOOL

There are a few children who are not ready or mature enough to enter school at the usual age. We are listing a few points which these children should learn at home before entering school. If children cannot do most of them, they will fail in school, will be unhappy and will not get along with the rest of the class.

1. Putting on clothes: Able to put on coats, outer clothing, and overshoes. Can button, use zippers or other fasteners. Uses handkerchiefs himself and does not drool. Is able to wash face and hands. Knows his own clothing. Can get a drink alone.

2. Toilet Habits: Cares for self at toilet. Is able to fasten and unfasten clothes. Does not wet or soil clothes.

3. Habits About Play: Is able to roll a ball in play on floor, back and forth to another person. Walks up and down stairs unassisted.

4. Speech and Talking: Is able to talk in short, easy sentences. Speech is better than baby talk that only parents understand. Puts three or more words together in a sentence.

5. Paying Attention: Is able to give fairly constant attention to play project, to listen quietly to a short story, and to sit reasonably quiet for periods of ten minutes or longer.

6. Adjusting away from Parents: Does not cry easily or quickly when parents are not present. Goes about home, yard and immediate neighborhood successfully alone.

7. Playing With Children: Plays reasonably well with other children of same age. Adjusts himself to new playmates, in addition to familiar ones and to his brothers and sisters. Does not injure them.

Likes to draw and use crayon or chalk. Fills in outline figures. Uses sheets of paper, slate or small blackboard.

9. Coloring and Cutting: Able to match simple colors quickly and name some correctly. Notices color of clothes and flowers. Can cut with blunt scissors, and use other simple tools successfully.

10. Number and Form: He knows the difference between big and small, and between one and two things. Is able to fit blocks and toys together.

8. Using crayon or blackboard

If a child is not mature enough school work is a mental strain and he becomes nervous. He becomes unhappy and dislikes school, which is very unfortunate.

Trying to force children with these tasks before they are mature enough is as useless as to expect a baby to walk or talk too early. Parents should avoid either extreme of forcing children in any task too rapidly or of not expecting them to do anything for themselves. A moderately firm but friendly treatment of children is the safest policy.

When children are mature enough, they will begin mastering many of these tasks. Only then are they ready for school.

BABY & PRE-SCHOOL CLINICS

Monday, August 25 — Vermilion (Health Unit Office) 2 to 4 p.m.

Tuesday, August 26 — Wainwright (Office) 2 to 4 p.m.

Thursday, August 28 — Albert (School) 2 t 3 p.m.

* * *

ATTENTION TO RESIDENTS OF DEWBERRY AND DISTRICT: Dewberry Baby clinic will be held on the second Friday in September (Sept. 12) at the usual time (2 to 3:30 p.m.) instead of the first Friday. The change is for September only.

Alberta Choral Festival

The University of Alberta is organizing an [illegible] Choir Festival to be held in the Northern Alberta Jubilee Auditorium in Edmonton on April 26, 1959. All rural Community Choral Groups may participate. The term 'Festival' in this instance does not imply competition but rather a "musical feast."

To ensure thorough preparation of music each Choir must hold regular rehearsals under a local Director and must register for at least two advisory visits by the Festival Director prior to the performance in April. The distribution of voices or the size of the individual choirs does not matter because the Ladies' Glee Club in Berry Creek will be balanced by the Male Voiced Choir of Moose Wallow (it is hoped!) Any city or town choral group is eligible.

The schedule for the advisory visits must be drawn up by the middle of August, therefore interested Choral Societies should write to the Department of Extension U. of A. Edmonton for further information and application forms.

Flower Show At Mannville Success

MANNVILLE. — The flower show held under the auspices of the United Church W.A. Friday last, in the United Church social rooms during the afternoon, was a great success. Flowers arranged for display and judging by Ruth Hubbard, presented a lovely setting for the accompanying tea, held by the same group. There were entered in this showing of flowers, gladioli, snapdragons, sweet peas, clarkia, lilies, pansies, dahlias, nasturtiums, marigolds, asters, mallow, petunias, portulaca, salpiglossis and monk's hood, all attractively arranged in vases of all shapes and sizes. For arrangement, the prize was awarded to Arline Leitch for her effort which boasted a sample of every flower in the garden at her home. Honorable mention was given in the same class to Jean Allanach's three entries of lilies, nasturtiums and a most eye-catching entry of monk's hood mixed with one spray of mallow, also to Nellie Whitson's entry of appealing snapdragons and Mrs. Eber McFadden's vase of velvety dahlias. In the 'special' blooms class the stately glads outstanding in their beauty, won special approval and Annie Hubbard copped first prize with Mrs. Holter and Edwin Torran receiving special mention for their entries. All agreed that this first effort at a flower show in Mannville was most successful with many suggestions for improvement noted, thus proving that we learn by doing. The tea, which was held in conjunction with this affair was nicely served and was a delicious change, fresh buns and fresh fruit in season, as well as added dainties . . . and on one of the hottest days of the year, the social rooms were pleasantly cool and filled with the fragrance from the many flowers on display.

Kindly acting as judges for the show were Mrs. E. C. McPhee and Mrs. G. Barr.

A WAITRESS IS A GIRL WHO THINKS MONEY GROWS ON TRAYS.

"GENIUS IS PATIENCE"
— *(Author's Name Below) —

The compounding of prescriptions requires an infinite amount of patience.

Pharmacists first check the dosage of every ingredient because it is our legal and moral duty to do so.

We pharmacists must always make certain that, from the thousands of different medicines in our prescription departments, we select only the specific ones prescribed. We must carefully type on the label the directions, and permanently record the number for future reference. Because of these patient efforts your safety is assured. You can always be certain each prescription is exactly as specified.

A great many people entrust us with the responsibility of filling their prescriptions . . . May we compound yours?

Dumb Dogs?

EDMONTON — Dogs aren't dumb. Everybody knows that. But somehow H. J. Mitchell of Ottawa didn't quite figure his five-month old Labrador "Taffy" was quite as smart as he turned out to be.

Transferred from Aklavik to Ottawa, Mr Mitchell brought the dog with him, tying it up temporarily in the parking lot of the CNR MacDonald Hotel here. When he came to collect the dog a short while later, however, he found it missing. It had somehow broken away and wandered off.

Alarmed because they were leaving soon on the eastbound CNR Super Continental Mr Mitchell searched frantically all over the city for the dog, but with no results.

Feeling quite upset, the Mitchells went to the CNR station to board their train, without "Taffy." But the dog was way ahead. When they got to the station, they found the dog there patiently waiting for them!

The family were so surprised and excited by the unexpected action that they rushed on the train and forgot their transportation. CNR officials had manag[illegible] to get the [illegible] to them as the train was about to pull out.

During 1957, the seven year-round CNR hotels and Jasper Park Lodge accommodated 643,1[illegible] guests.

SYLVAN AND GULL LAKES

Alberta's picturesque parkland is lovelier for its many spring-fed lakes that dot the wooded landscape with sapphire blue. Two of the largest and most popular of these resorts are Gull and Sylvan Lakes. Plan a holiday here, for such places are meant for family fun from the first sun-up swim until the last ear of corn is roasted over the beach bonfire at dusk. Near the [illegible], famed in Indian lore, Sylvan and Gull Lakes are close to interesting historic sites.

ALBERTA BREWERS' AGENTS LIMITED

Peak Is Named After Princess Margaret

A mountain peak in the Fairholme Range of the Canadian Rockies just east of Banff National Park has been named in honour of Her Royal Highness, Princess Margaret.

Hon E. C. Manning, Premier of Alberta, announced the naming of Princess Margaret Mountain at Banff ceremonies welcoming Her Royal Highness to Alberta. Princess Margaret arrived in Banff Saturday evening, July 26. She spent Sunday and Monday at the famed resort, and witnessed a miniature stampede in Calgary on Tuesday before leaving for Saskatchewan.

The 8,508 foot mountain was visible from Fairholme Lodge, official residence of Her Royal Highness during her Alberta visit. Circle in the photograph marks Princess Margaret Mountain.

WOODVALE NOTES

We have to go back to July and the Vermilion Fair to report some visitors. There was Mr. Charlie Friedland from Cherry Grove who came to see some of his former neighbors here, especially his old fried Ted Monger and afterwards stayed in Vermilion and thoroughly enjoyed meeting old timers there. Mr. Friedland is now 88 years old and, although not quite as hale and hearty as a few years ago, still gets a great deal of pleasure out of life.

Harry Ferguson, another old-timer, paid a visit to the Wolters' home at the same time.

Father Maurice Goutier of Cardston, spent a week at the home of his parents, Mr. and Mrs. Paul Goutier and brought back with him his youngest brother Robert, who stayed with him during the early part of his school holidays. Jeanne Goutier flew to Fort Resolution after school closed to visit her sister Mrs. Marcel Benoit there. She is home too for the rest of the summer. Mr. and Mrs. Camille Goutier and baby Charles accompanied Mr and Mrs. Yvon Benoit and children of Vegreville to Perigord, Sask., to see their sister Thomas Pelletier and family. Another [illegible] was born in the Goutier family when daughter Cecile Helten of Camrose had a son, Michel Joseph in July. Joseph Goutier went to Camrose for the christening and later left for St. Norbert, Man., for his novitiate, where he will be for a year before going to Lebret, Sask., to study for the priesthood, like brother Maurice.

Mr and Mrs. Bud Heidebrecht and little son Brian spent a few days at the writer's home. Bud now has his mechanics papers and still lives in Calgary.

A Red Cross meeting and quilting bee was held at the home of Mrs. Dorothy Seitz on Aug. 7th with ten ladies working on a patch quilt donated by Mrs. Wilson Ford of Vermilion. With all the heat the ladies were very fortunate that the quilt was not too big, leaving them time to enjoy a visit in Mrs. Seitz's spacious home with her mother Mrs. Sadie Oldenberg of Vermilion. The next meeting is tentatively set for Sept. 24 at the home of Mrs. Dorothy Portsmith. It will depend a little on how harvest comes along. If this hot, dry weather persists it should be almost over by then, but one never knows. Quite a number of fields were cut and stooked or swathed last week and harvesting should become quite general this week.

Family and friends flocked to the United Church last Friday to pay their last respects to Bert Portsmith who died quite suddenly on Aug. 12th. Though always a sad occasion to part with an old friend, it was a comfort to know that Bert had passed away so peacefully after a full and happy life. He was 78 years of age.

Mr. H MacAvoy has gone to Sylvan Lake as supervisor of a boy's camp. Previous to this a very successful vacation Bible school was held in Watson Community Centre, and well up to 24 children attending. Church services will be resumed at 11 o'clock this coming Sunday, Aug. 24th at 11 o'clock at Ganton hall. It will be a joint service with the Wildwood congregation. Lunch is to be served after service. Rev. Morris of Lloydminster conducted services in Ganton Hall while Mr. MacAvoy was away.

Congratulations to Mr. and Mrs. Ernie Isley (nee Sheila Franklin) whose marriage took place at Marwayne Aug. 16th. Early in September the young couple will live in Coronation school district where Ernie will teach in Brownfield school.

Mr and Mrs. Colin McLean took a short holiday recently and visited their son at Fort St. John.

Mr and Mrs. Bill Bossinnette and two children of Edmonton spent a holiday with Mrs. M. Watson and were joined there for a few days by Bill's parents from Montreal.

Tips on Touring

By Carol Lane
Women's Travel Authority

Chances are you spend a lot of your vacation time (and motoring week ends) near the water. Have fun, but play it safe. Here are some pointers:

If you swim at an unfamiliar beach, find out from local people if there's an undertow. It's easy to be carried away from shore and then become panicky. Swim near the lifeguard's station. If you're not an expert swimmer, don't go in alone.

At an inland lake? Never dive in without checking first on the water depth, hidden rocks. If you're used to swimming in salt water, take it easy, fresh water won't give you the same buoyancy.

Don't drink lake water without boiling it first.

Are you boating? Always carry life jackets for the non-swimmers. Don't go out too late in the afternoon. Always allow plenty of time to get back before dark.

If, by some accident, the boat overturns — stay with it. Most probably it won't sink. Hang on, stay calm, wait for someone to pick you up.

WASN'T IT AWAYS?

So now you may have a tooth pulled on the installment plan. Time payment is being studied by dentists in Ontario and Alberta, reports The Financial Post. It may be adopted early next year. Scheme is likely to be similar to one in Saskatchewan, which claims to have the first setup of this kind.

FUTURE OTTAWA

A national capital of limited size forever surrounded by a 'green belt' of farmland will be assured by a bill coming shortly before Parliament, reports The Financial Post.

Passage of the bill, which will implement a favorite project of the late Prime Minister Mackenzie King, but one which was largely neglected by the St. Laurent government, is likely before the end of the present session.

The measure is now in the resolution stage. The bill will provide about $20 million to buy a belt of 37,500 acres of land around Ottawa's southern perimeter, meeting the Ottawa River on the east and on the west.

PARADISE VALLEY NEWS

Mr. and Mrs. R. A. Stewart have been in Edmonton during the past two weeks baby sitting for Mr. and Mrs. Robert Stewart while they were on vacation.

Mr. and Mrs. E. J. Duckworth of Oxnard, California have been the guests of Mr. and Mrs. A.M. Levitt during the week. Mr. Duckworth is a brother of Mrs. Levitt and this is the first time in thirty years that they have seen each other. Another brother, Mr. Ivan Duckworth of Vancouver was also visiting at the Levitt home at the same time.

Mr. and Mrs. Donald Levitt attended the wedding of Mrs. Levitt's sister in Edmonton on Aug 4th.

Mr. and Mrs. A. M. Levitt and Ivan Duckworth visited the old family home at Delisle, Sask., and at Saskatoon over the last week end.

Mrs. D. B. Baxter left on Tuesday morning to visit her sister Mrs. Amy Klashinsky in Vancouver, going by C.N.R.

The Alberta Bible Institute at Camrose held a Rally in the Church of God on Monday evening. The male quartet of Dewey Johnson, 1st tenor, Harvey Johnson 2nd tenor, Ira Johnson baritone and Paul Hehr, bass, gave a number of very pleasing numbers.

Miss Mary Hoskins of Viking is visiting her brother and sister-in-law, Mr. and Mrs. M. Hoskins.

Mr and Mrs. Peter Wolfe have returned after an extended visit to New York where they visited relatives there. They report a grand trip which they made by [illegible]

• • •

Mr and Mrs. Alberta McDonald of Ardmore were week end visitors with friends and relatives in town and district.

Mr. and Mrs. Parke Dobson and family and Mr. and Mrs. Art Nicholson and family have returned after a holiday trip that took them to Jasper and Kamloops. They drove out from Jasper on the Yellowhead Pass route and report a grand trip.

Mr. and Mrs. Stan Westley of Edmonton spent the long week end with relatives. Stan joining Herb Foxwell, John Shaver and Montie Hoskins on a fishing trip.

Mr. John Shaver left for his home in Calgary on Friday after spending his holidays with Mr. and Mrs. M. Hoskins.

Mr. Lloyd Knutson had the misfortune to fracture his hip when stepping out of a truck, making it necessary for him to spend some time in the hospital. We are glad to report he is now home and able to work.

Mr. and Mrs. H. Deaville and Donald spent their holidays at B.C. points. Mrs. R. Thibodeau accompanied them and went on to Vancouver to visit her daughter and family.

Mrs. T. Rayson, Mr. J. Rayson, Mrs. R. Smith, Miss Athena Rayson, Ronnie Rayson and Miss Helen Krawchuk visited at Oliver in B.C. Helen and Athena did not return home but have accepted jobs there.

Mr. and Mrs. Floyd Henry and family have returned from a holiday spent at Burns Lake, B.C where they attended the wedding of their niece. Floyd's brother Stan returned with them for a visit with relatives.

Mr. and Mrs. Alex Miller spent their holidays in B.C. also.

Mr. and Mrs. Emil Knor, Frank and Diane spent their holidays visiting friends in Vancouver and Victoria. En route they called to see Bob McDonald in Kimberley and the Harpers at Creston.

Mr. and Mrs. Bill Hall of Ladner, B.C., spent two weeks visiting the latter's parents Mr. and Mrs J. Gus and relatives in town and district. They will be transferred to Vancouver this month.

Congratulations go to Mrs. Jim Gordon who took the following prizes at the Lloydminster fair: 2nd for bread in the Yeast competition, 2nd for Co-op flour competition, 2nd for cream puffs. Well done Florence.

Mr and Mrs. Jim Gordon, Brian and Maureen spent a week's holiday at Loon Lake. Mr. and Mrs. Herb Foxwell, Sherry and Penny and Mrs. H. Fair and girls joined them there for a day or two.

During the last six years continued efforts to improve Canadian National Railways freight train performance have resulted in greater loads per train, longer and faster trains and thus better freight train performance.

Carefree separates in a new plaid of 55% 'Terylene' and 45% wool remain immaculate through active sports wear and seldom need pressing. The tapered slack are tailored with a permanent crease and a matching pleated skirt can also be worn with the jacket.

WILDMERE WINKS

We still have a few items to catch up on. Mr. and Mrs. Ed Schroeder and three daughters came by car to visit Mrs. Schroeder's sister Mrs. Eric Madill of Vermilion and brother Frank Gibson and family of Basswood. They live near Cloverdale, B.C. They could only spend a few days here as Ed had to be back to go on a fishing trip. Mrs. Schroeder, 'Alice' as she is better known, grew up in Basswood. Ed worked for a number of years in the Wildmere district for J. Wallington and Albert Holte. It was nice to see this fine couple once again even if only for a short visit. Their son Kenny has been holidaying at his uncle's and his sister Beverly's and stayed for a longer visit. Both will return home before school commences.

Mr and Mrs. Fred Haines and family enjoyed a short visit from Mrs Haine's aunt Mrs Christine Webb of Big River, Sask., and while here picked and canned several quarts of raspberries out of Mrs Haines' garden. A lot of us owe many thanks to Mrs. Haines for being so generous with her tame raspberries. It was really a miracle they were so plentiful with all this dry weather.

Baillie Holte made a flying trip by bus to Winnipeg and then accompanied his brother Ken of Winnipeg when he motored to Vermilion [illegible] with his family who were here visiting. They visited at the home of their parents Mr. and Mrs. A. Holte of Wildmere.

Mr. E. B. Wilson of Edmonton spent the long week end Aug. [illegible] visiting his sisters Mrs. Holte and Mrs. Morrison and brother John of Vermilion.

Mr. and Mrs. Wally Westman had the pleasure of a visit of two of Wally's brothers, one from Seattle and one from Eastern Canada last week end.

A new teacherage is being built at Preston Central school. It is supposed to be ready for the new principal and his wife before school reopens.

Haying and harvesting is going on [illegible]. Despite the dry weather [illegible] a good crop this year. Lloyd Howard has been combining swathed barley, also has oats cut and stooked on his breaking. J. Wallington will finish cutting his crop Monday. He is also having some combined by Cliff Cruthers. It is surprising indeed how good the grain crops are with so little rain.

John Wilson of Vermilion spent a day or so in Wildmere. He attended church service last Sunday evening. We have [illegible] of church [illegible] as Mr Robinson leaves Sept. 20th after church for Moose Jaw where he will be married Sept. 27th to Miss [illegible] Hill also of Moose Jaw. They will then leave for Nova Scotia where Mr. Robinson will attend college once again. Everyone joins with the writer in wishing Mr. Robinson and his future wife much happiness and success in the years that lie ahead.

Deepest sympathy to the family of Mr. Wm. English who passed away last week. This fine old timer could be seen on the streets of Vermilion chatting with his friends up until only a short time ago. He has seen great changes both in town and country since he and his wife and family came to Vermilion in the early part of the century.

Sincere sympathy is also extended to the sorrowing relatives of Mr. Bert Portsmith [illegible]ville, another fine pioneer gone to his well-earned rest. He always had a cheery word and a kindly smile for everyone. He will be greatly missed by all.

Mrs. Ken Shepherd (nee Janet Cruthers) spent a couple of days in Vermilion hospital with a bad attack of flu. She is now home again and feeling much better.

Mr. and Mrs. George Cruthers and family of Vermilion, also Gary Cruthers of Wainwright visited at the Cliff Cruthers' home on Sunday afternoon.

Mr. and Mrs. Harkness of Edmonton visited over the week end at the Roy Dibben home in Basswood. Their daughter Mary was one of the teachers at Vacation school last week.

Last item but not least — Mrs. Chas. Sweeney would like to have old woollens in by Aug. 27th so she can get them away to be made into blankets etc. before the busy time comes.

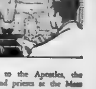
SELL THEM MORE

Some smart U. S. visitors and Canadian retailers — are taking advantage of an attractive feature of U.S. customs regulations.

Visitors coming to Canada for 48 hours or more (at 30 day intervals) may take home purchases of value up to $200 — wholesale, not retail as often supposed.

This means a bonus averaging about 25% more in sales to tourists.

PAID YOUR SUB. LATELY?



"Yes, Christ Gave Us The CATHOLIC MASS"

Perhaps you don't think so, or perhaps you never gave it a thought. And possibly you regard this age-old Catholic worship as mere pomp and ceremony.

But if Our Lord *did* institute the Mass, is it not vitally important to you to find out? If He *did* intend it to be a continuing sacrifice . . . expressing Christian adoration, praise, contrition and petition . . . is it not too great a truth to be ignored?

"Bosh!" some will say. "Christ offered Himself on the cross once and for all. Nothing more is necessary." But wait! Jesus clearly indicated at the Last Supper that more *is* necessary. For after separately changing bread and wine into His Own body and blood . . . signifying the coming surrender of His life on the cross . . . Christ commanded the Apostles: "Do this in remembrance of me."

He was, obviously, instituting a continuing sacrifice in which Christians of every generation might join with Him in the most pleasing act of worship that can be offered to God. In this, as in other ways, the Apostles were to act as Christ's earthly ministers . . . as priests in the external offering of the sacrifice. And when they followed Christ's instructions, Our Lord would offer Himself in sacrifice — the victim would be present as He promised.

This is the heart and core of the Mass, which has been the central act of worship in every Catholic Church on the face of the earth since the time of the Apostles. As successors to the Apostles, the bishops and priests at the Mass recite the very words Christ used at the Last Supper. And when this is done, Christ is present on the altar — offering Himself as He had promised, "for the remission of sins." If this were not true, "Do this in remembrance of me" would be empty and meaningless words, which is inconceivable.

If you would like to know more about the Mass . . . why it attracts thousands upon thousands of people into Catholic churches everywhere on earth, every day . . . write today for an interesting, easy-to-understand pamphlet. We will gladly send it free and without obligation . . . in a plain wrapper. And nobody will call on you. Write today for Pamphlet No. KC-6.

60,000 new reasons every day for mechanized farming!

In these days of man-made planets we tend to overlook this old, but still miraculous, earth that feeds and provides for us all!

That over 60,000 babies are born into this world each day — more than enough to repopulate the whole of Canada in less than a year — goes unnoticed. That these 60,000 new mouths will be fed on the produce of this small earth does not make headline news!

Yet, when we consider this astonishing growth in the world's population, we must wonder how it is that our standard of living — measured in terms of food consumption — remains so high. How is it possible when there has been little appreciable increase in the world farm acreage and a decline in the actual farming population?

The answer lies in farm mechanization in a scientific approach to food cultivation and the development of modern machine methods to increase output per acre and per man-hour worked.

In this development Massey-Ferguson plays a leading role throughout the world — in Canada, in the United States, in France, South America, Great Britain, South Africa, Germany and Australia.

All the world over, wherever farming is mechanized to meet our ever-growing needs, there we find Massey-Ferguson machines hard at work in the fields.

Massey-Ferguson Limited
TORONTO

CLAYSMORE CLIPPINGS

Visitors at the Jack and Oliver Willes homes recently were Mr. and Mrs. Roy Shupe and [illegible] of Kitimat, B.C. It is twenty years since they had last seen one another and the visitors noticed many changes in the district and had [illegible] to talk [illegible] in the short [illegible] they [illegible] here.

Mr. and Mrs. [illegible] Stebner and family have returned from holidays spent at Ponoka.

Mr. and Mrs. Jack Willes and family and Mrs. Alex MacKenzie spent an enjoyable four days at Moose Lake. On Saturday evening the Willes family motored to Coleville Sask., taking Mrs. MacKenzie home.

Mr and Mrs. Allan Olstad and family have returned from holidays spent at Edberg, Meeting Creek, Calgary, Sylvan Lake and New Norway.

Mr and Mrs. Oliver Willes spent a few days at Jasper re[illegible]y. Bob Willes was a visitor at Didsbury and also spent a short time at Banff.

Mr and Mrs. Jim Horne and family holidayed at Red Deer, Brooks and spent some time at Nordegg. Russell Van Nest accompanied them on their holidays.

Congratulations to the Grade 12 students at Mannville who all did so well in their final exams.

Mrs. Laura Van Nest spent last Friday in Edmonton.

Latest word from Mr and Mrs. Percy Willes is they are having a wonderful time and were going at time of writing, to spend a few days in Wales.

John Beatty and Dick Upshall of Vermilion spent several days last week at the home of John's grandparents at Claysmore. John left by bus Saturday morning for his home in Medicine Hat after spending a good part of the summer holidays visiting friends and relatives in the Vermilion district.

Mr. and Mrs. H. Williamson motored to Lav[illegible], Sask., on Friday, Aug. 15 to spend several days with Mrs. Merna Williamson and son Dene.

Mr. and Mrs. H. Ralph were visiting relatives at North Battleford last week end.

The CNR section crews from Minburn, Mannville and Vermilion have been working along the Claysmore section spreading gravel.

Mr. and Mrs. Herman Hamber have returned to the B. Wieture farm after a month's holiday spent at Warburg, Sask.

Harvest has started and will soon be general in this district.

Mr. and Mrs. Stan Gerrie and small daughter Carolyn of St. Albert spent the [illegible] and visiting Mrs. Gerrie's parents Mr and Mrs. Robert MacMillan.

ADVERTISING [illegible] the position of [illegible] products.

Spruce sawfly larvae infesting a tall grove of evergreens on the farm of John Shaw Jr in te Gibbons district, received a dousing with deadly insecticide recently. Malathion, 50% mixed one quart to 100 gallons of water was the chemical used in this case. Inset shows the voracious insects stripping needles from a branch; paper match indicates proportions. Field supervisory staff from the M D of Sturgeon River carried out the spraying with equipment purchased this spring under a new government aid program. At time of spraying Mr. Shaw was busy harvesting a heavy hay crop. Shortly before the pictured operation, the workers sprayed an aphid infestation which was causing severe tree damage in a suburban area in the town of St. Albert.

A new assistance program initiated this spring by the Field Crops Branch, Department of Agriculture, is helping Alberta farmers to combat the ravages of insects in shelterbelts and on livestock.

Municipal districts and counties with farm service boards may obtain grants covering half the cost of purchasing special high pressure spraying equipment. Maximum grant is $600. The charge to farmers is commonly set by municipal officials to cover operational costs. Sturgeon River, near Edmonton, and Mountain View, near Calgary, were the first municipal districts to purchase special insect spraying equipment under the new scheme. Several others are in the process of negotiating contracts with the Department of Agriculture.

NO ADEQUATE DEFENCE

In a world filled with fatuous nonsense and double-talk, it is tragic that the subject of defence brings out the most foolishness.

Last week Canada's defence minister told the House of Commons: "We have an adequate defence to meet the possible attack of today."

That just isn't so, declares The Financial Post.

Such a statement ignores the fact that it requires only one plane carrying a thermonuclear bomb, to get through our defences and wipe out any one of our major cities.

And despite our electronic warning lines and the much-touted air forces of the U. S. and Canada the defence chiefs make no claims that they could stop ALL incoming bombers. At best, they hope to knock down a lot less than half of the invaders.

A freighter sailing from Montreal to the head of the lakes passes through nearly 76 miles of canals.

- Quick Canadian Facts.

Party Honors Mrs. Hay At Mannville

MANNVILLE. — Honoring Mrs. R. Hay on her 70th birthday, Mrs. J. Hills entertained a number of ladies at tea recently when a most pleasant afternoon was spent. The hostess served a delicious lunch to the guests.

Look who's wearing her 'immediate cash adjustment'!

Gracious! What next? A body can hardly keep up with things these days. What with dogs spinning around in the sky and all. And now all this excitement about changing over your Victory Bonds. I was sorry to see mine go. Had it so long you know. But when the young man at the bank explained that these new bonds paid more interest. Well! I know a good thing when I see it. And besides, he gave me a nice cash adjustment—which I straightaway spent on a new bonnet. Like it?

Offer applies only to wartime Victory Bonds.

FOR EXAMPLE: a $500 8th series Victory Bond exchanged for a $500 Conversion Bond paying 4½% will give you $8.75 in cash immediately. The higher interest will yield $22.50 per year instead of the present $15. See your investment dealer, stockbroker, bank, trust or loan company today.

Convert your 3% Victory Bonds. Earn up to 4½% on the new

The following are the teacher placements in the Town of Vermilion:

Grade 1 — Mrs. Shalka, Mrs. F. Scott, Miss Ina Shaw.
Grade 2 — Miss Hancock, Mrs. V. Watt.
Grade 3 — Mrs. Dowdell, Miss Wilson.
Grade 4 — Mrs. Eidem, Miss Scott, Mrs. Wilson.
Grade 5 — Mrs. Strome, Mr. Kindrachuk, Mrs. E. Duncan.
Grade 6 — Mr. Stewart, Mrs. Ross, Mrs. Klashinsky.
Grades 7 to 12 — Miss Sundby, Mr. Lawrence, Mr. Yuskow, Mr. Welsh, Miss Watt, Mrs. McMeekan, Mr. Martin Shalka, Mrs. Sutherland, Mr. Novak, Miss Knapp, Miss Fulcher, Mr. Metcalf, Mr. John David.

Vermilion Teams Win in Fastball

Both Vermilion teams shared in the prize money in the ladies' and men's fastball tournaments held here on Sunday. Vermilion Cardinals annexed the first prize in the ladies' division while the local Ghosts gathered in second prize for the men, losing to Lloydminster in the final.

The Cardinals played a best of three series with Lloydminster ladies and won without extending themselves. The score of the first game was 12-8. Betty Robinson pitched this encounter up to the 7th when Eva Gordey took over. Eva also pitched the second game which ended 6 to 4 for the Cards. Lillian Thompson caught both games.

GHOSTS SECOND

In the men's tourney the Lloydminster team took top money which was $80 with the Vermilion Ghosts getting second of $40. Murray Miller pitched to Gerry Marshall and Joe Brower for the locals.

High Grade Wheat Being Harvested

Wheat, prior to the rain of [illegible] week, was grading No. 2 with yields varying from 10 to 18 bushels per acre. Harvest has been slowed down due to unsettled weather. On Monday nearly a half inch of rain fell, .45 to be exact, followed by .19 on Tuesday. At press time Thursday it was raining slightly and threshing of course was at a standstill. 5% of the wheat has been threshed.

Oats are also of good grade, averaging out however only 20 to 25 bushels per acre. Barley is running 15 bushels to the acre and while grading high, little is being se[illegible] for malting.

After [illegible] very dry all spring and summer, the weather seems [illegible] taken a notion to make [illegible] for this and turn wet. Three weeks of dry weather is needed to clean up the harvest.

Constituency Honors Former Member At Farewell Banquet At Camrose

Representatives from all parts of the far-flung Battle River - Camrose Constituency gathered in Camrose on Tuesday evening for the purpose of regretfully bidding farewell to the former member of parliament, Mr. James A. Smith and Mrs. Smith of Vermilion. The function was arranged by the Constituency Social Credit Association.

Mr. Smith was the member for this constituency from 1955 to 1958. During that short time he took part in three election campaigns. He was elected in a bye-election in 1955, re-elected in 1957 and lost the seat in 1958.

Mr. and Mrs. Smith leave for Hythe, Alberta, 37 miles from Grande Prairie where he has accepted the principalship of the fourteen room school.

The impressive event was held in the hall of the Grace Lutheran church, and took the form of a turkey dinner and program of short talks and a musical number.

Following a delicious dinner deftly served, Mr. Walter Pearson of Camrose, president of the Battle River - Camrose Social Credit Association opened the program, explained that the purpose of the large gathering was to bid farewell to Mr. and Mrs. Smith who were leaving the constituency. Mr. Pearson then called on the vice-president of the association, Mr. Ashley Cooper of Vermilion, to act as toastmaster for the evening.

Following the introduction of the head table guests, Mr. Cooper called in turn on five members of the Alberta legislature, Mr. Chester Sayers of Camrose constituency; Mr. Earl Hardie, of Bruce constituency; Mr. Jack Hillman, Sedgewick; Mr Henry Ruste, Wainwright; with the speaker of the evening being the Hon. Anders Aalborg, minister of Education and member for Alexandra constituency.

All of the speakers, whose constituencies are included within the Federal boundaries of Battle River - Camrose riding, lauded the work of Mr. Smith during his three years in the House of Commons, for the able representation he gave the area and the province, and for his efforts on behalf of the many individuals who appealed to him for help on many matters at the Dominion level. It was the opinion of all speakers that never would the constituency have more sincere, interested and conscientious representation.

In his reply Mr. Smith took occasion to thank all who helped him and supported him, mentioning many by name, paying tribute to the officers of the Social Credit association, stating that despite the rush of the numerous campaigns, the weight of responsibility while in the house at Ottawa, the three years had been an intensely interesting period of his life.

A duet was beautifully rendered by Mr and Mrs. Jake Turner of Ferintosh accompanied on the piano by Mrs. Soderstrom.

Mrs. Smith was presented with a corsage by Mrs. Robert Fair, replying to the sentiments expressed with a very interesting talk containing many beautiful thoughts.

All present felt that while Mr. and Mrs. Smith being the kind of folks they are, will make new friends at Hythe, they'll never be replaced here. General regret was expressed at their leaving accompanied by the very best wishes for happiness and success in their new home in the great north country.

Farewell Parties Honor Mr. and Mrs. James A. Smith

Since returning from Missoula, Montana where both were taking University courses, Mr and Mrs. James A. Smith have been feted at a round of parties which did not leave them free for even one evening prior to their departure for their new home at Hythe on Thursday.

On Sunday Mr. and Mrs. Alf Jack were hosts at a gathering at their farm home south of Islay with friends from Kitscoty, Paradise Valley and Vermilion in attendance. On Tuesday a farewell dinner at Camrose was arranged by the Social Credit Constituency Association. On Wednesday Mr. and Mrs. Cliff Miller were host and hostess at an afternoon and supper gathering at their home in Kitscoty.

On their return home from Kitscoty on Wednesday evening the Smith's found their home crowded with members of the United Church Couples Club, who had gathered to [illegible] the departing couple and to wish them well in their new home at [illegible]. A very happy time [illegible].

Mr and Mrs. [illegible] and daughter Merilyn left Thursday afternoon for Hythe while their son David who is working with Canadian Utilities for [illegible] vacation will follow [illegible] then return to attend University this fall, taking Education.

Board of Trade To Resume Meetings

Mr. E. A. Locke, President of the Vermilion Board of Trade, announces that the regular weekly luncheon meetings of that organization will be resumed on Wednesday next, Sept. 3 and held every Wednesday thereafter.

The gatherings are at 12:10 noon in the banquet room of the Rio cafe.

Mr. Locke also issues an invitation to all businessmen and their employees, professional men, officials of municipal and provincial bodies, and farmers to attend these weekly meetings. The weekly meeting affords an admirable oportunity for everyone interested in the welfare of the whole district, town and country as well, to get together and decide matters of importance to the best advantage to the community as a whole.

Newcomers to town will find this an excellent place to meet their fellow businessmen and to become acquainted much more quickly than [illegible] possible.

Death of Charles W. Young, Pioneer

Charles Walter Young who homesteaded in the district south of Vermilion at Hindville back in 1907 and who still lived on his original homestead, passed away in the Vermilion hospital on Monday, August 25. He was 74 years of age. Funeral services will be held in the Legion Hall at Vermilion on Thursday afternoon, August 28 at 2 p.m. Interment will be in the Vermilion cemetery, and Mr. A. Drummond will officiate.

The deceased was born in Birmingham, England and came to Canada sixty-three years ago. Fifty - one years ago he came to Vermilion and filed on a homestead in what is known as the Hindville district, twenty - two miles south of town.

He served overseas in the first world war from 1914 to 1918, enlisting with the 66th battalion. His regimental number was 100580. He married while overseas in Brussels, Belgium. On June 1st, 1919, Mr. and Mrs. Young arrived back in Vermilion.

Surviving members of the family are his loving wife, two sons Douglas and Charles of Hindville, and six daughters Miss Georgette Young in Belgium, Miss Emily Young in Montreal, Mrs. Lloyd Johnson, Lesleville, Alberta, Mrs. Albert Sharp, Camrose, Mrs. James Pattison, Camrose; Miss Rita Young, Prince George, B. C. There are eight grandchildren.

Moyers are in charge of funeral arrangements.

Decoration Day Service Held At Vermilion Cemetery

Last Sunday, members of Vermilion Branch, Canadian Legion held a decoration day service at the soldiers' plot in the Vermilion cemetery.

Members of the legion and the ladies' auxiliary marched to the cenotaph accompanied by the pipers of "A" Coy of the Loyal Edmonton Regt., Sergeant Major Bob Allan was parade marshall.

The colour party was made up Mrs. T. Thompson, Mrs. C. Sinden, V. Tillett, T. Thompson and S. Burdett.

Rev. C. MacKay had charge of the service in place of Rev. Kells Minchin, padre of Vermilion Branch, who is on vacation in Ontario.

The Salvation Army band under Lieut. Morgan supplied music for the hymns. President Thompson of Post No. 11 read the Legion "Memorium".

Wreaths were laid at the cenotaph by Geo. Richardson for the legion and Mrs. T. Thompson for the ladies' auxiliary.

The Legion wishes to thank all who took part in the service and also wishes to acknowledge the work of Bruno Carlson in keeping the soldiers' graves in such excellent condition.

Labor Day Monday, Sept. 1

Monday, Sept. 1st is Labor Day and a Dominion holiday observed as such all over Canada. Labor Day is also observed in the U. S. A. as a national holiday. All stores and business places in Vermilion will be closed.

Prov. Park Rules

The park is a refuge for ALL wildlife, which are not to be molested in any form.

Cardinals Leave For Play-Offs

Vermilion Cardinals leave this Saturday for Calgary where they will compete in the Provincial Ladies' Fastball play - offs. The Cards won the district playoff in Edmonton, to win their way to the Provincial finals. Best of luck Cardinals!

V. S. A. Applications Show Increase

Sixty-seven boys and 13 girls have registered to date for the coming winter's courses at the Vermilion School of Agriculture, J. E. Hawker, superintendent of schools of agriculture for the provincial agriculture department announced Tuesday.

This is more than double the registration at this time last year, Mr. Hawker said. At the Olds school 73 have registered, 10 more than last year. Classes begin Oct. 28.

There are 29 boys enrolled so far in first year at Vermilion, 28 in second year, and 10 in the special two - years - in - one course.

Longest Glider Flight in Canada

Thought to be the longest glider flight ever made in Canada, Pilot R. I. Mackenzie a member of the civilian flying club at Cold Lake, piloted his engineless glider all the way from Cold Lake to North Battleford on Sunday when he set the unusual airborne craft down on the field there. The only fuel used on the journey was four sandwiches consumed by the pilot.

Vermilion people became interested in the flight when the glider, this time being pulled on a special trailer behind a motor car, stopped overnight at the Vermilion airfield Monday evening.

The return trip by glider was not possible due to the prevailing air currents being from east to west.

Dr. King Reports On Golf Play-Offs

Dr. Ben King gave the Rotary Club an interesting account of his visit to the Canadian Open Golf Championship play-off at Mayfair Golf and Country Club, Edmonton.

Dr. King's talk was a real treat for everyone present as he gave a running report of competitors names strokes and standings at the end of the day.

The Canadian Open is big time golf. The winner takes home the Seagram Gold Cup for the highest points in the 72 hole contest. Many of the best golfers in the United States were there as well as some from Japan and some Chinese.

Visitors at Friday's meeting were Bob Turnbull, Mel Lavold, Rus Robertson, Gordon Shepherd and John Skinner all from Lloydminster Rotary Club. The only guest was Walter Antrim of Parksville Vancouver Island who was introduced by Aldous Kent.

One of the visitors Gordon Shepherd, president of Lloydminster Club reported on the visit of the president of Rotary International to the Calgary Rotary Club last week. Gordon was there and witnessed the creation of the president Clifford A Randall of Milwaukee as a chief of the Sarcee tribe.

It may be of interest to the general public to know that our club meets on every Friday throughout the year except when some public holiday falls on Friday. At each luncheon meeting grace is sung. The grace is as follows

O Lord the giver of all good
We praise thee for our daily
food.
May Rotary friends and Rotary
ways,
Help us to serve thee all our
days.

Mannville Families At Golden Wedding

MANNVILLE. - Mrs. C. Mann, members of her family, Mayor E A Williams, Linda Scoggins, Helen and Ross Leitch, Arlene and Joanne on Sunday last, attended the golden [illegible] celebration of Mrs. [illegible] brother and his wife Mr and Mrs. Jack Gauf of Fort Saskatchewan. Open house was held at the home of a daughter Mrs. H Tomlinson from 3 - 5 in the afternoon and 8 - 12 in the evening on this happy occasion.

HI HODGINS, Octogenarian

Hiram Hodgins is receiving congratulations from all and sundry today as he is celebrating his 80th birthday.

Vermilion Field Used For Mercy Flight

Used in many cases of emergency during the twenty years of its history, the Vermilion air field on Monday evening was used as a meeting place for helicopter and a Dakota aircraft in order to carry out a mercy flight to the University hospital in Edmonton. Both the aircraft were from the R. C. A. F. station at Cold Lake. When a lady in St. Paul became seriously ill with internal haemorraging, medical authorities there appealed to the Cold Lake air base for air transportation for the patient to Edmonton. As it was impossible to land the big Dakota air ambulance plane at St. Paul, a helicopter was sent to pick the lady up and transfer her to the long run ways at the Vermilion air field. Here it was met by the air ambulance also from Cold Lake. The sick woman was taken from the copter to the plane and before taking off the patient was given a blood transfusion. A nurse and doctor accompanied her. Also on the mercy flight was a young boy from Cold Lake who was suffering a serious eye injury received when hit by a thrown stone.

Two Local Burglaries Net Car and Safe

After being relatively free of serious loss through break-ins or by car theft, thieves on Monday night of last week made a clean getaway with Dr. Evan's Volkswagen, then on Friday night took the safe from the Crown Lumber Company.

The car was in Dr. Evan's garage Sunday night but on Monday morning was nowhere to be found. It could have been pushed out of the garage, allowed to coast down the river hill road at that point before having the motor started. Along with the car were two shotguns and a set of golf clubs. No trace of the machine has been found to date.

TAKE SAFE AND CONTENTS

Someone who had apparently thoroughly cased the layout at the Crown Lumber Co. yards and offices, entered the premises on Friday night and made off with the safe. The safe contained approximately $[illegible].00 in cash, $155.00 of this being the property of the yard manager Claude Underdown, some $200.00 in cheques, as well as a lot of valuable personal papers of Mr Underdown, various records of the company, paysheets etc.

Entrance was gained through the large double back doors, a light truck run in. The thieves used a ladder to gain the second storey catwalk and were thus able to gain entrance to the office through the stairway and by forcing one door.

The safe weighed about 350 pounds.

Accepts Position In Stephens Limited

Mr. Clarence Barber of Regina, experienced in men's wear and shoes, has accepted a position with Stephens Limited to manage both these departments. He will move, with his wife and family, to Vermilion the end of this month and will begin his duties on Sept. 2nd.

Homesteader 4-H Club Meets At Mannville

MANNVILLE. — Mannville 4H Calf and Wheat club members held a joint meeting at the home of Mr and Mrs. R. Whitson with 20 members attending as well as 9 parents. Mr. Gamble and Mr Morley Douglas were also present. The group enjoyed a delicious dinner served prior to the meeting. It was decided at the session to hold a 4-H rally at Lake Wapasu, Innisfree on Aug 24.

This rally proved highly successful with swimming, sport and supper being enjoyed by a very large turn-out of members. Highlight of the day was a speech by a former 4H club member, Bruce McDonald who is fast making a name for himself in the field of Agriculture.

Junior Golf Tourney Attracts 16 Entries

The junior golf tournament held here on Sunday by the Vermilion Golf club attracted 16 entries. Arrangements were all carried out by the senior club and the competitors enjoyed a well managed and very interesting tournament. Feature of the day's play was the outstanding score made by Wayne Scott, 15-year-old left-handed strokemaster from Lloydminster who turned in a 40 followed by a 36, which is par for the nine-hole course.

The complete list of winners follows:

1st Flight — 1. Wayne Scott Lloydminster 40 & 36; 2. Ken Alfke, Vermilion, 41 & 41.

2nd Flight — 1. Rod Bailey Lloydminster; 2. Roger Renaud Vermilion.

3rd Flight - 1. Brian Calvert, Vermilion; 2. Roger Stephens, Vermilion.

4th Flight - 1. Richard Mead, Dartmouth, N.S.; 2. Bruce Chivers Vermilion.

Pitch and putt competition — 1. Rod Bailey; 2. Roger Stephens.

Canada has six provincial universities, 16 private universities and about 170 colleges that give degree credit courses.

50 New Old Folks Homes First Major Move In Five Year Plan

Strategically located in predetermined zones serving the entire province, fifty new homes for senior citizens will be constructed by the Alberta Government in 1959. Each will have accomodation for fifty persons.

In addition, two special units have been proposed for each of Calgary and Edmonton, to provide housing for eight hundred persons in each city.

Discussion with the communities will be initiated shortly.

The Alberta Government will bear total cost of construction and furnishing the homes. They will be constructed on acceptable land provided by the municipalities in the areas where the homes are located. When completed, they will be turned over to the people of the areas they serve.

Estimated cost of this modern accommodation for 4100 senior citizens of Alberta is approximately $16,000,000.

Only Twelve Days More To Convert Victory Bonds

Local residents who have not yet exchanged their Victory Bonds for one of the new Canada Conversion Loan issues are being urged to do so at once since there are now only twelve business days left until September 15th when the conversion offer ends.

Many local people and businesses have already completed their conversions and added to the huge total for the whole Dominion. With returns now coming in increasing volume from the smaller centres like this the total now converted is more than twice the amount of the largest Victory loan campaign during the war. A week ago the figure had passed the four billion dollar mark.

The end of the holiday season is expected to see a rush of conversions by private individuals as they return from vacations and visit their banks or investment dealers. September 3 has already been named Conversion Day in some communities with banks and other financial institutions making special preparations to handle large numbers of conversions that day.

Strangely many Canadians had completely forgotten that they owned Victory Bonds and are now richer than they thought they were. Bonds have turned up in the strangest places: in biscuit boxes, old strong boxes, bureau and desk drawers and country attics. These forgotten bonds have coupons attached so that their owners have not only been able to exchange them for new bonds at a higher interest rate but have also collected back interest and their cash adjustment.

[illegible] ment officials [illegible] the following [illegible]

1. Examine all possible storage places in your homes or offices for possible bonds.

2. If you have any bonds in your possession, exchange them for the new Conversion Bonds right away.

3. If you do not have any Victory Bonds but are looking for a good investment, ask your bank or dealer to buy some Victories for you and then convert them to the new issue.

4. Consider the long term 4½ per cent bonds as investments for your children, but remember there are three other shorter terms to choose from.

5. The term "non-callable" does not mean you cannot sell your Conversion Bonds at any time. It simply means that you cannot be compelled to sell them until their maturity.

During the war this community had a quota for each Victory Loan campaign. Its Canada Conversion Loan quota is 100 per cent conversion of the bonds still held there.

New Leader

W. J. C. 'Cam' Kirby, 45, a native born Alberta lawyer, M.L.A. for Red Deer, defeated four other candidates to win the leadership of the Alberta Progressive Conservative party at the well-attended convention in Edmonton. He is the first provincial leader the Conservative party in Alberta has had in 21 years.

Hailstorm Sweeps Clandonald Area

A terrific hail and rain storm swept across the Rusylvia - Clandonald area last Thursday evening, doing damage of 100% to crops in quite a wide stretch. The storm swept south-east, struck to a lesser extent south of Islay and then travelled on to the Paradise Valley district. Rainfall amounted to as much as 1¼ inches in spots.

Death of Robert McGee Aug. 22nd

Robert McGee, former section foreman of the C. N. R. here until retirement, passed away in Edmonton on Tuesday August 22. He was 87 years of age.

Following his retirement Mr. McGee lived in Vermilion for several years and then moved to Edmonton where he has resided since.

Funeral services will be held at the United Church in Vermilion on Sunday afternoon, August 31 at 3 o'clock. Interment will be in the Vermilion cemetery beside the body of his old friend Bob Cunningham. This was an expressed wish of Mr McGee.

The funeral will be under Masonic auspices. The members of the Lodge will meet at the Masonic Hall at 2 15 p.m.

GUEST EDITORIAL

THRESHOLD OF 100 YEARS

When the Canadian Weekly Newspapers Association meets next week in Toronto for its 39th annual convention, delegates will have in mind that association of weekly editors and publishers as a group is almost 100 years old. Next September, 1959, will see the 100th birthday of founding of the Canadian Press Association which included weeklies as well as daily newspapers.

There are in Canada today, more than a dozen weekly newspapers that were charter members of the Canadian Press Association when it was formed in 1859. A number of years ago the dailies and weeklies separated to form their own association, and thus the C. W. N. A. and the Canadian Daily Newspapers Association were born. Both, of course, still retain membership in the century - old Canadian Press Association.

To put it another way, Canadian weeklies have stood together as a fraternity since long before Confederation, enlarging their membership as the various provinces came into being. Today the C. W. N. A. has 317 members from coast to coast representing every province and virtually every community.

Delegates to next weeks convention will come from far away Newfoundland and from Vancouver Island. They will meet to discuss common problems in publishing Canada's well read weeklies. As always too many wives and children will be present for they are part of the C. W. N. A. family. Indeed many of them, as our readers know, are active workers on the family newspaper.

It can be truly said that there are men and women on the staffs of daily newspapers, in radio and TV work and in the advertising world and for that matter, in all walks of life who can take more than a passing interest in the C. W. N. A. annual get - together, for many of them got their start on the hometown weekly. Because of this they are strong boosters, conscious of the importance of the weekly in many small communities.

To these people and, we trust, to our subscribers, many of the problems to be discussed will have real meaning, -- problems such as the rising costs of materials and equipment, and the shortage of experienced workers and our constant fight to keep advertising and subscription rates from rising. To this can be added, of course, the rapid growth in Canada of communities which often means that weeklies must expand their plants and buy new equipment.

These are some of the problems that will confront delegates next week and in attempting to find solutions delegates will be giving real service to the industry, not only to C. W. N. A. members but non-members alike. From convention deliberations will come much that will benefit the subscriber and the public.

Like all conventions the C. W. N. A. get-together will have its social side when delegates will greet old friends and make new ones. But over and through these pleasures will run the serious thread of discussion in the interests of members and the public.

And lest we be ungrateful may we say as we have before, that the faithful subscriber is still the keystone of a newspaper's being.

Sixteen Years Ago

August 20th 1942

The Vermilion Flight of Air Cadets have now been issued their uniforms which appear to be a replica of those of RCAF. The boys make a snappy and neat appearance in their new outfits and the latter seem to have had a psychological effect as well, the boys taking a keener interest than ever before in their work.

Heavy rains which struck the Greenlawn district on Wednesday caused considerable damage to crops. Oats were hit hardest and harm to them is estimated at from 15 to 30%. The rain came down in cloudbursts and the torrential downpours flattened the heavy grain so badly that a considerable acreage will never be picked up by the binder. Over three inches of rain fell on the day of the storm.

32 Years Ago

August 19th, 1926

The American Ladies Athletic baseball team of Chicago played the local men's team here on Saturday last, winning by a score of 7 runs to 6.

The harvesting of the 1926 crop is now well under way. The wheat yield will be the best in years and the average high.

Mrs. B. Klashinsky of Avonlea, Sask., spent a few days in town this week. The family expects to move here in about a month's time.

An auction sale is being advertised for L. H. Newcombe, well known Islay resident.

40 YEARS AGO

August 17th, 1918

The contract for building the Optimist school has been awarded Ferrel and Walker. Tenders are also being called for Mary Lake S. D.

A gentleman presented the editor with a box of cigars during the week as an appreciation of the efforts of the Standard as a newspaper in keeping the town and district's interest to the forefront in an unostentatious and effective manner. Newspapermen, like preachers, don't generally look for rewards here below — and the above recognition is all the more treasured.

At the regular meeting of the town council held Monday night, the auditor's report showed taxes and other monies received for the past three months to be over $9000. The town is now clear of all indebtedness to the Bank of Commerce.

"GREEN ACRES"

SPRAYING PASTURES

A farmer north of Bonnyville sprayed a bush cover of willows and poplar with a mixture of 50 per cent 2,4-D and 50% 2,4,5-T. Three weeks later the tree growth which was from 3 to 10 feet high was found to be killed out and the native grass was making a good growth. The cost of the operation was $2.35 per acre. It is too late this year to use chemicals for brush control but it is something to rember for next year.

LACOMBE SWINE

Again this year Lacombe boars will be offered to the public. Application forms should be obtained direct from the Experimental Farm, Lacombe. The boars will be allotted on a chance draw. The applications must be back in Lacombe by September 29th, 1958.

SMALL FRUIT BULLETIN

The bulletin entitled "Small Fruit Growing" has been revised and reprinted by the University of Alberta. This bulletin has 48 pages of useful information on the growing of strawberries, raspberries, currants, cranberries etc. It is so easy to get small fruits started and with reasonable care they last for years. You can get a copy of this bulletin from your D.A. in Vermilion.

SOW THISTLE CONTROL

The following notice was printed in a Calgary paper "Are You A Yellow Farmer? Destroy Sow Thistle And Protect Your Neighbour." The roads in this district are full of sow thistle and nearly all Thistle seeds grow somewhere. Every thistle plant that goes to seed costs you money or your neighbour.

LABOUR SAVERS

New methods, new ideas and new equipment are coming out all the time. The time is past when anyone in industry or on the farm can make money by using one's hands. Every agricultural paper is full of new ideas. You will be one to say, "Why didn't I do it long ago."

SCHOOL OF AGRICULTURE

I am anxious, of course, to see a lot of boys and girls from this district to attend the Vermilion School of Agriculture and Home Economics. It is on record that most of the students have been 4-H club members. There are bursaries. Why not apply for one? I have application forms at this office. They run from $75.00 to $125.00.

Mannville Cousins Have Surprise

MANNVILLE — Two former Mannville boys who are cousins, namely Alan Swain and Gary Arnold had the surprise of their lives recently. Until meeting on the train enroute to Cornwallis to complete Naval training, neither one knew that the other had joined the navy. Their first reaction was to have their picture taken together which Mrs. Swain says is an excellent likeness of the two cousins. Gary is the son of Son and Rosetta Arnold (nee Swain) who formerly farmed in the Braes district and now reside in B. C. and Alan is the son of Cleland and Mrs. Swain of Mannville.

ADVERTISING is a competitive weapon for both the newcomer and the established concern.

Viking Car Bingo

Number drawn Aug. 23 was N 36

Car blackout has been reported

The following is a list of the numbers drawn to date in the Viking Curling Club's car bingo:

B — 4, 1, 13, 2, 8, 12, 7, 10, 3, 9, 11, 14

THE Homemaker

DONNA SHANTZ
District Home Economist
Wainwright, Alta.

Are you wondering what to do with the rest of those pickling supplies? Two useful bulletins obtainable from my office are "Pickles and Relishes" and "Green Tomato Recipes".

The following recipe for mustard pickles is very good. Why not try it?

GOLDEN MUSTARD PICKLES

- 1 quart small silver onions
- 1 quart gherkins (or cucumbers cut in 1in. pieces)
- 1 medium-sized cauliflower
- 2⅔ cups white sugar
- ½ cup flour
- 2 tablespoons turmeric
- 2 tablespoons celery seed
- ⅓ cup mustard
- 1 quart vinegar

Prepare vegetables, peel the onions, cut cucumbers and cauliflower. Put into cold brine (½ cup salt to 1 quart of water) and add a pinch of alum. Allow to stand overnight. Drain vegetables next morning and prepare a sauce of the other ingredients, first mixing mustard to a thin paste with a little of the cold vinegar. Combine together, cook until thick. Then add vegetables and cook slowly about 15 minutes. Seal in sterilized jars. Yield, 4 quarts.

NEWS from KITSCOTY

The Kitscoty United Church Sunday School will re-open on Sunday, September 7 at 10:45 a.m. with classes for all ages from four years up.

A cordial welcome awaits all old and new pupils.

Mr. and Mrs. George Leighton of Sexsmith visited here recently with the former's mother, Mrs. J. Leighton and brother Art.

Mr. and Mrs. Frank Hale of Ottawa, Ont., are spending a holiday here with their brother and sister-in-law, Mr. and Mrs. Arthur Hale.

Mr. and Mrs. Karrigan and family of Prince Albert, Sask., have been visiting with relatives and renewing acquaintances with several old friends during their holidays.

Miss Marion Inglis of Lacombe and a friend are spending a holiday here with Marion's parents, Mr. and Mrs. J. C. Inglis.

Mr. and Mrs. Burton Parker, Grace and Jean were guests at Miss Florence Rook's wedding in Vermilion on Saturday, Aug. 23.

Rev. O. C. Seward, Mrs. Seward and family of Bentley and Mrs. Bob Seal of Edmonton are guests at the home of their parents, Mr. and Mrs. F. O. Seward.

[illegible] Schmidt and family recently spent a week's holiday at Whitney Lake.

Visitors at the home of Mr. and Mrs. Lyle Cook are Mr. and Mrs. Vere Cook of Stockton, California, U. S. A. This is the first trip to Alberta for the visitors and the first time that Lyle had seen his brother in forty-nine years.

Mrs. Rose Baltare of Vancouver, who will be remembered as Mrs. Charlton by her old friends in the Fenham district has been visiting her daughter Mrs. Gordon Willoughby and family for the past few weeks.

Mrs. Baltare also visited at her daughter Mrs. Mary Bacon's home at the northern mining post at Lynn Lake, Manitoba for several weeks before staying with another daughter Mrs. Gobel of the Marwayne district. She will visit her son Ronnie and family in Edmonton and her daughter Rose in Calgary before leaving for the west coast.

Mr. Henry and Mr. Albert Olds of Edmonton were in town last week [illegible] their father Mr. George Olds and brother John who is ill in the Lloydminster hospital.

Mr. and Mrs. Ted Sheppard, Judy and Kathleen spent a week end holiday at Cold Lake.

Mrs. R. A. Evans, her brother, Bob Ballantine from Mannville and Allan Beaton motored to Dauphin, Manitoba last week to attend the funeral of a cousin. From there, they visited Glenora, Manitoba, Bob and Olive's home town. Mrs. Harold Steven and great uncle Bill Ballantine from Edmonton stayed with Bob and Earl.

Congratulations are extended to Mr. and Mrs. Harold Steven who celebrated their 41st wedding anniversary on Saturday, August 23rd.

Congratulations are extended to Mr. and Mrs. Duncan Dickie of Lamont on the birth of a son. A second grandson for Mr. and Mrs. Harold Steven.

Mr. and Mrs. Kirk Evans and girls from Dawson Creek, B. C., are staying with Mrs. R. A. Evans while Kirk is helping with the harvest.

GREENLAWN Goodwill Club

The August meeting of Greenlawn Good Will Club was held in the Greenlawn hall, as Mrs. H. Mathison was on a holiday. It was a small meeting of 8 members. A donation for a gift to the new bride will be presented at the October meeting. Club delegate, Mrs. George Lumley, gave a talk on the Farm Women's Week at Vermilion.

The rest of the remnant bundle was given to the members for sewing to be sold at a bazaar to be held later on. There will be no September meeting.

Lunch was provided by the members and served by Mrs. W. Jones, Mrs. G. Lumley and Mrs. J. Rainey.

the family's choice for fall

Right now there are men, women and children in need of good quality footwear, properly fitted.

It could be a new pair of Work Boots or Dress Shoes for Dad.

OBITUARY

JOHN THOMAS BANKS

Funeral services for Mr. John Thomas Banks were held at St. Saviour's Anglican church in Vermilion on Friday, Aug. 22nd at 2 p.m. Rev. Sheil of Mannville officiated and interment was in Mannville cemetery.

Mr. Banks passed away on Monday evening, Aug. 18th at the age of 81 years. He leaves to mourn his loss his loving wife, one son Geoffrey, four daughters, Mrs. Edna Kilborn of Federal, Mrs. Evelyn Clark and Mrs. Marion Ross both of Mannville and Mrs. Lorna Hays of Edmonton, ten grandchildren, a sister Mrs. Fanny Munroe of Winnipeg, a brother and a sister in England.

"Tommy" Banks as he was known to most folks here, was born in Wolverhampton, Staffordshire, England, on May 8, 1877. He came to Canada in the year 1902 and to the west in the Edmonton district in 1905 when he filed on his homestead in the Bloomington district north of Mannville. In 1906 he married Clara Agnes Hayward and together they came to the farm in the spring of 1907. Mr Banks served on the Bloomington school board for many years and was a member of the municipal council of Melberta for five years.

In 1943 they left the farm and spent four years at Coronation, after which time they came to Vermilion where he had resided for the past 11 years.

The pall bearers were Messrs. Paddy O'Connor, Ed Summers, Doug Clark, Hugh Thompson, Jim Gordon and Robert McCauley.

Moyers were in charge of the funeral arrangements.

Floral and memorial tributes were received from:

Flowers — The Family; Ross and Fanny; Mr. and Mrs. Hardy Wear and Lester; Mr. and Mrs. Tom Rochford; Will and Ed Barnes; Leon, Annie and Leona; Mr. and Mrs. A. Militz, Betty and Dennis; Karl, Fern and Emma; Harvey and May Seymour and family; Mr. Neil McCrimmon; Mr. and Mrs. Ed Robinson, Mr. and Mrs. Moe Stoltz family, Coronation; Jones Family, [illegible]

Mannville Anglican Memorial Fund: Maurice and Ethel Mercer; Percy, Ethel and girls; Mrs. Rutherford.

United Church Memorial Fund, Mannville: Mr. and Mrs. Neil MacKinnon; Laverne and Robert and Mrs. Gordon; Myrtle and Roy Hay; Mr and Mrs. Jas. McCauley; Mabel and Charlie Finlay and Joan; Mr. and Mrs. T. Wannop; Mrs. Gardiner; Mrs. Roberts and boys.

The Canadian Cancer Society: Irene and Angus Smith; Nelson and Betty Cundal and family; Jennie and Dan Smith; Muriel and Don Lugg; Irene and Irwin Finlay; Fred and Wanda Prill; Ed and Anna Summers; Maurice and Marge Smith; Mr. and Mrs. R. Good; Mr. and Mrs. Harry Modin and family.

Crippled Children's Fund: Ed Baldwin; Mr. and Mrs. Mike Coma; Mr. and Mrs. James McLaughlin; Mr. Upton and Dorothy; Mr. and Mrs. Jim Roch [illegible]

Alliance Chapel Building Fund: Mrs. Anna Geake.

Mannville Cemetery Fund: Mr. and Mrs. Jack McLaughlin; D. H. MacMillan; Mrs. Matney and Edith; Mr. and Mrs. J. Modin; Mr. and Mrs. J. Hawley; Myrtle and Wes; Mrs. Thomas; Mary and Malcolm; Nellie and Pat, Inez, Cleland and family; Mr. and Mrs. Dunn and family; Mr. and Mrs. Wm. McCauley; The Mannville Old Timers' Assoc.; Mr. and Mrs. Doug Clark and family; Five Point W.I.; Mr. and Mrs. Jim Gordon and family; Mr. and Mrs. Jack Clark; Mr. and Mrs. Hugo Kufeldt; Mr. and Mrs. Nick Woywitka; Mrs. Cain and Abbey; Mr. Ivor Berg; Mr. and Mrs. E. Dunsmith; Edward, Elsa and family; Nelson, Vera and family; Mr. and Mrs. R. M. Calder; Mr. and Mrs. Gus Berg and George; Mr. and Mrs. J. M. Wilson; Rousthorn Family; Mr. and Mrs. E. Cline, Coronation.

Many lovely cards of sympathy were also received.

CARD OF THANKS

We wish to express our heartfelt thanks to our many friends and neighbors for their kind expressions of sympathy and for the flowers and memorial tributes during our recent sad bereavement.

Mrs. T. Banks and family

CARD OF THANKS

We wish to express our sincere thanks to Doctor King and Doctor Stephens and to the nursing staff of Vermilion hospital for their care of our dear husband and father during his illness.

Mrs. T. Banks and family

Seats Provided For Old Timers

Two new seats donated by the local Elks and the Mannville Mirror are to be seen outside the municipal office. Painted an attractive shade of green with names of donors inscribed thereon, these resting spots are a much needed and appreciated comfort to people of Mannville and district. Latest reports are that they are seldom vacant as old timers meet for a chat morning, noon or night.

Wutzke - Mahan Nuptials Solemnized At The First United Church

Baskets of peonies, iris and roses flanked the altar of Vermilion's First United Church, for the June 28 marriage of Miss Cora Marlene Mahan, youngest daughter of the late Mrs. Mercy Mahan, formerly of Vermilion, and Mr. Fred Henry Wutzke, youngest son of Mr. and Mrs. Emil Wutzke Sr., of Herbert, Saskatchewan.

Rev. C. W. MacKay officiated at the double ring candlelight service.

Entering the church on the arm of Mr. Curtis Wilson, the bride wore a ballerina length chemise styled gown of cotton waffle flecked with silvery threading. Her finger tip veil of nylon net applique was held in place by a tiny bow shaped cap of the same material as her dress. The bride carried a double strand of ivy topped with a satin streamer and a single Marguerite daisy. Her only jewellery was a pair of seed pearl earrings, gift of the groom.

Attending the bride was her sister, Mrs. Alveso Krebs as matron of honor, and Miss Anne Kernaleguen as bridesmaid. They wore white gowns and bow caps, identical to the bride's, to form an all white wedding. They too carried ivy streamers.

Mr. Steve Kashuba, friend of the groom, was best man. Mr. Len Klingbell acted as usher.

Miss Patricia Gehrke, one of the bride's former students, sang "The Lord's Prayer" and "The Wedding Prayer". Organist was Mrs. Albert West.

Following the ceremony, a reception for fifty guests was held in the United Church Hall. Rev. C. W. MacKay proposed the toast to the bride, to which the groom ably responded. The bride's table was centred with a three tiered wedding cake which had been prepared by her sister, Mrs. Alveso Krebs.

For travelling the bride changed to a printed blue sheath dress. She wore white accessories and a corsage of white carnations.

The couple now reside in Calgary.

Out of town guests at the wedding included: Mr. and Mrs. Leon Krebs, Mr. and Mrs. Bernhard Krebs, Fort Saskatchewan; Miss Anne Kernaleguen, St. Brieux; Mrs. Emil Wutzke, Sr. Herbert; Mr. and Mrs. William Wutzke, Regina; Mrs. Richard Bear, Calgary; Mr. Charles Glebe; Mrs. S. R. Gehrke, Miss Patricia Gehrke, Mr. Robert Gehrke, Red Deer; Mr. Steve Kashuba, Mr. Len Klingbell, Edmonton; Mr. Edward Ernstz, Barrhead.

WILDMERE WINKS

Sunday, Aug. 17th the young people attending Vacation church school conducted the service, all doing splendidly. Miss Linda Smith led the service. Each class group sang the hymn they had learned during the week. Teachers were Mary Gibson, who taught the senior class, Joan Dibben and Linda Kerfoot the intermediate class, Doreen Martin and Mary Harkness the juniors. Mr Robinson was also present to give a guiding hand. On Saturday all enjoyed a picnic to finish up the busy week. Our church was almost full as an even hundred attended. Glad to see Mr. and Mrs. Lloyd Everett and daughter of Auburndale over, also their friends from Wainwright, Mr and Mrs. Harkness of Edmonton and Mrs. Dibben Sr. of Vermilion also attended.

There has been a lot of sickness throughout the country of late, stomach flu predominating.

Combining, swathing, threshing are all going on in our corner. Bill and Adam Smith are swathing and combining rape; J. Wallington finished threshing Monday. Seems early to thresh, the yields are far from being high as the kernel is not large. Lloyd Howard threshed his oats, grown on breaking and got a yield of 50 bushels to the acre. An extremely good average for this year.

On Wednesday evening of last week the Wildmere W.A. had a 'Musicfest' with a good crowd attending. Several were over from Buffalo Coulee, Auburndale and Battleview. Miss Craig, Mr. and Mrs. John Wilson, Mrs Batke from town. Mrs. MacKay of Vermilion was M.C. She was very good, filling in between numbers with little bits of wit and humor. Twenty items made up the program, each participant doing their part wholeheartedly. The Wildmere W.A. heartily thanks everyone for making it such a success. As one party remarked, "we should do it more often". A big thank you to Mrs. MacKay and Mr. Robinson for their splendid help.

WEDDING DANCE

A huge crowd, far too large for the Basswood hall to accommodate, attended Mr. and Mrs. Wm. Smith's wedding dance last Friday evening. At supper time Bill and Lil sat under a canopy of pink and white streamers and white bells, and opened their many gifts. They received many useful and lovely presents among them a nice set of silver ware from several friends. They both sincerely thanked everyone for all the kindness shown them. We are pleased to welcome Lil to our community. Dancing was resumed until 3 a.m. Jeff and Freddy Martin furnished the music and Chas. Sweeney was M.C. May Mr. and Mrs. Smith enjoy many years of happiness together. A thank you goes to the girls who decorated the hall for the occasion.

Corporal and Mrs. Walton and two children, and Mrs. Chas. Morand, all of Calgary attended the wedding dance of their uncle and brother, Wm. Smith, on Friday. They visited at the Smith and Cruthers homes until Tuesday when they returned to Calgary. They travelled by car.

Not many out to church on Sunday. Mr. Robinson gave a very interesting sermon and sang a solo. Next Sunday Rev. MacKay will hold communion and a baptismal service at Wildmere United church. Plan to attend folks, only four Sundays left.

Sorry to hear that Walter Lysons has been ill and in hospital.

Mrs. Ken Shepherd is a patient in hospital again this week. All their friends wish these two a speedy recovery to health.

We were glad to chat for a short while with Mrs. Gould whom we had not seen for some time. It was nice to see you again. Also chatted with Mrs. Sperberg.

A nice attendance at Decoration Day service at the Soldiers plot in Vermilion cemetery on Sunday afternoon, but we are sure many more could have been present. An appropriate service was given by Rev. MacKay, the Salvation Army and Legion men and ladies. After the service the writer and husband went down to Vermilion park where several rides in a motor boat owned by Mr. and Mrs. [illegible] Summers of [illegible] were enjoyed. Mr. and Mrs. George Richardson, Mr. and Mrs. R. Inman of Vermilion and Mr. and Mrs. Geo. Richardson Jr. of [illegible] were also enjoying the motor boat rides. Ronnie, George Jr. and [illegible] were doing some water skiing. Thanks folks, we really enjoyed our pleasant afternoon.

The writer had the pleasure of attending the Ryer-Rocke and Johnson-Cobb weddings on Saturday. Both were lovely weddings. We wish them all a happy married life. A number of Wildmere folks took in the wedding dance of Mr. and Mrs. Donald Johnson in the Elks hall Saturday evening and report a wonderful time.

Premier Manning Announces Gigantic 5-Year Anti-Recession Development Program

• • •

Address delivered by Premier Ernest C. Manning
on Thursday, August 14th, 1958,
over all Radio and Television
Stations in Alberta.

• • •

Hon. E. C. Manning, Premier of Alberta

LADIES AND GENTLEMEN:

I bring you tonight a most important announcement. At a meeting of Government members of the Legislature just concluded, final decisions were reached on a series of major projects on which your Government has worked for many months. I am taking this earliest opportunity to advise you of these decisions.

COMMENCING THIS FALL THE FIRST STEPS WILL BE TAKEN TO LAUNCH IN THIS PROVINCE A GIGANTIC FIVE-YEAR ANTI-RECESSION DEVELOPMENT PROGRAM THAT WILL BE THE BOLDEST, MOST AGGRESSIVE AND FAR-REACHING PROGRAM OF ITS KIND EVER ATTEMPTED BY ANY PROVINCIAL GOVERNMENT IN CANADA.

This is no hasty or ill-considered decision. It has long been realized by the enlightened people of Alberta and emphasized by your Social Credit Government that under the present outmoded, orthodox financial system, recurring cycles of economic recession are inevitable. Knowing this to be true, we purposely have worked for many years to strengthen the economy of this Province in order to assure our people a strong position when the inevitable consequences of the debt and taxation policies of the old line political parties once more become manifest on a national scale. Ladies and gentlemen, that time now has come.

Unemployment, Debt and High Costs

THE CANADIAN PEOPLE TODAY ARE CONFRONTED WITH THE HIGHEST LEVEL OF UNEMPLOYMENT FOR THIS TIME OF YEAR SINCE BEFORE THE WAR. AT THE SAME TIME THEY ARE FACED WITH THE HIGHEST LIVING COSTS, THE HIGHEST LEVEL OF CONSUMER DEBT, THE BIGGEST PEACETIME NATIONAL BUDGET DEFICIT, THE HIGHEST DEBT SERVICE CHARGES AND THE LARGEST ANNUAL INCREASE IN OUR NATIONAL DEBT IN CANADA'S PEACETIME HISTORY.

On top of this they are saddled for the next four years with a Tory Government whose declared policy is to accelerate these current trends on the false assumption that this nation can borrow and tax itself back into prosperity.

Anti-Recession Development Program

In this Province, as I said a moment ago, we have over the years [illegible] strengthened our position against this day. We have encouraged and directed the development of our natural resources for the public benefit and through the buoyancy this has given our Provincial economy and public revenues, we have not only been able to establish high standards of Provincial social services and aid in unprecedented municipal [illegible] and development, but at the same time, as insurance against the evil effects of recession, we have built up Provincial [illegible] reserves which now amount to 330 million dollars.

We now propose to draw on these reserves to the extent of 100 to 200 million dollars if necessary over the next five years to finance the gigantic anti-recession development program I will outline to you tonight.

It was for this very purpose that these reserves were built up. Let it be understood even by our political opponents that it is due to the policies your Social Credit Government has followed down the years that Alberta today is the one Province in Canada in a position to undertake such a program and finance it without recourse to the borrowing of vast sums of new money.

Our Provincial reserves have not been lying idle in a bank vault. They already are hard at work providing facilities for our people, having been invested in municipal, school and hospital debentures maturing over the next 20 years. To finance our new program we will arrange temporary borrowings as necessary but against such borrowings, we will hypothecate an equal amount of the debentures which make up our Provincial reserves. As these mature they will pay off the temporary borrowings. Under this arrangement our net Provincial debt will remain nil. Now let me outline some of the highlights.

For each major department of Government, a comprehensive program embodying many new projects and improved features is being projected for the next five years. I will outline some of these projects in a few moments.

NEXT YEAR THE MUNICIPAL FINANCE CORPORATION WILL BE REVISED AND ENLARGED TO PROVIDE ESSENTIAL CAPITAL BORROWINGS FOR MUNICIPALITIES, SCHOOLS, HOSPITALS AND OTHER APPROVED CATEGORIES OF PROJECTS.

The public service will be reorganized in co-operation with the Civil Service Association to ensure maximum efficiency and the best possible standard of public service with uniformity of treatment and opportunity throughout the service.

Special Projects For The Next Five Years

In each of the five years from 1959 to 1963, the program will feature one or more special projects which, when all completed, will put Alberta far ahead of any other Province in Canada.

1959

The first project to be launched will be a program to erect 50 modern homes for aged citizens, each with accommodation for 50 people. These homes will be strategically located in 50 zones to serve the entire Province. In each of the cities of Edmonton and Calgary, two special units will be erected to accommodate a total of 800 aged citizens in each city.

THE TOTAL COST OF BUILDING AND FURNISHING THESE 50 HOMES AND FOUR SPECIAL UNITS WILL BE APPROXIMATELY 16 MILLION DOLLARS.

They will provide comfortable, modern accommodation for 4,100 senior citizens, many of whom are the pioneers who first opened the doors to the development of this Province. These homes and units, built, furnished and paid for by the Provincial Government, will be handed over to the municipalities in the zones they serve.

1960

A 10 million dollar program for local community improvements, including street paving in some 200 major towns, villages and hamlets and the provision in strategic centres of local recreation facilities such as parks, swimming pools, picnic and campsites, youth projects, etc. The object is to improve living standards and provide recreational facilities readily accessible to and within the financial reach of all our people. We do not believe such facilities should be available only to those with wealth.

1961

A Provincial Hospital, diagnostic and treatment centre to be located in Calgary patterned after the Mayo Clinic in Rochester.

Its operation, combined and co-ordinated with the facilities of the Provincial University Hospital in Edmonton, will give Alberta the most advanced facilities of this kind in Canada.

1962

In 1962 two further major projects are proposed. One will be an institution for the care of emotionally disturbed children.

The second will be a Provincial school for the training of cerebral palsy and other physically-handicapped children. The growing need for such institutions is well recognized and their provision will be a big step forward in preventive health services and in equipping for useful citizenship many whose future otherwise holds for them little or no hope.

1963

Finally, it is proposed to erect a Provincial archives and museum. While Alberta is still a young Province she now is old enough that we should make this necessary provision to preserve the records and milestones of the past for the enrichment of our future.

THE COMBINED COSTS OF THESE SPECIAL PROJECTS OVER THE FIVE-YEAR PERIOD WILL BE CLOSE TO 50 MILLION DOLLARS OR AN AVERAGE OF APPROXIMATELY 10 MILLION DOLLARS A YEAR.

Oil Royalties Dividend

Naturally you are asking where the money will come from to finance these special projects. During the last two years your Government has distributed over 10 million dollars a year in oil royalties' dividends as a direct owner's participation in the development of the oil resources owned by the citizens of Alberta collectively. Most people recognize the soundness in principle of this tangible recognition of ownership and the benefit to the over-all Provincial economy resulting from this practical method of directly increasing consumer buying power.

At the same time many feel that desirable as direct citizen's participation in the development of their resources may be, there is as yet an even more pressing need for the Government to provide facilities of Province-wide benefit of the type I have outlined.

Your Government agrees that both considerations have merit and that each should be accorded its proper place in the intelligent planning and efficient administration of the Province's [illegible].

After completing the distribution of this year's citizens' dividends, the Government proposes to suspend temporarily this method of distribution and each year during the five-year program, will divert the dividend fund, amounting to 10 million dollars a year, to finance the special projects designated for that particular year.

The Oil and Gas Royalties Dividend Act will remain on the statute books so that the payment of citizens' dividends can be resumed after the special projects are completed, if circumstances then indicate that such would best serve the public interest.

Highlights of Program

Let me now give you a few of the highlights of the projected programs for the major departments of Government:

1. **A 350 MILLION DOLLAR PROGRAM FOR EDUCATION INCLUDING A SCHOLARSHIP FUND LARGE ENOUGH TO ENSURE THAT NO DESERVING STUDENT IN ALBERTA WILL THROUGH LACK OF MONEY BE DEPRIVED OF AN OPPORTUNITY TO OBTAIN A UNIVERSITY EDUCATION.**
2. A technical and apprenticeship training centre at Edmonton to serve northern Alberta.
3. **EFFECTIVE IMMEDIATELY THE ABOLITION OF GASOLINE TAX ON ALL GASOLINE USED IN FARM TRUCKS.**
4. A program of Government-guaranteed farm home improvement loans through the Provincial Treasury Branches.
5. Commencing January 1st, the Provincial Government will assume the capital costs involved in the new Dominion-Provincial hospital program.
6. The progressive introduction of nursing home care into the program and the provision of out-patient services.
7. At the next session of the Legislature a separate Department of Labour will be established under its own Minister.
8. A junior forest ranger organization will be established.
9. Leadership training in cultural and recreational fields, together with special youth projects and programs recognizing women's interests.
10. The integration of domestic and export gas requirements and the protection of Alberta's interests in the development and marketing of oil and gas resources.
11. **A PERMANENT CO-OPERATION AND ADVISORY BOARD TO RESOLVE PROBLEMS IN THE FIELD OF PROVINCIAL-MUNICIPAL RELATIONS.**
12. A projected highway and bridge program geared to the anticipated needs of each community and the Province as a whole. Public Works projects will be similarly projected and the entire program geared to provide the maximum measure of employment and help stabilize the income of the largest possible number of workmen.

Further Announcements

We are going ahead immediately with the preliminary steps and by the next session of the Legislature will have everything in shape to get the first full year of the program underway. We will keep you fully advised as we go along and we earnestly ask for the benefit of your views and recommendations as the program unfolds.

THIS IS THE BIGGEST THING WE HAVE EVER UNDERTAKEN AS A PROVINCE. THE POTENTIAL BENEFITS TO ALL OUR PEOPLE STAGGER THE IMAGINATION. I AM SURE YOU WILL AGREE IT IS A PROGRAM FOR ALL ALBERTA CITIZENS AND FAR ABOVE ANY NARROW PARTISAN INTERESTS AND CONSIDERATIONS.

I am aware of the current crop of political speculations by those whose minds are centred on their political party fortunes rather than on the progress of this Province and the welfare of its people. Let me set these speculators at rest by saying emphatically that I have no intention of plunging this Province into a premature election ahead of the normal time when the electors properly expect an opportunity to give a renewed mandate to the Government of their choice.

This is the Province of tomorrow. This is the program for tomorrow. Putting aside all things that divide us let us go forward unitedly as intelligent, progressive people to claim our heritage and to fulfil our destiny.

Authorised by the Alexandra Social Credit Association and the Vermilion Constituency Social Credit Association.

BOWTELL BULLETIN

Sorry folks no news for the past few weeks the writer was like many farm wives busy helping in the fields.

Mr. and Mrs. G. Schonenberger of Fort St. John were recent visitors at the Harrison home. The trip was made by plane, then on to Jasper and Banff for a few days.

Mr. and Mrs. Pierman and family enjoyed a three week holiday in the U. S. A. and at the coast. The trip was made by car. They reported a nice visit with our old neighbors Vic and Rose Dedelly and the Perkins family.

Mr. and Mrs. K. Risdale and baby are at present visiting at the writer's. They made the trip from Rochester by truck.

Grandma Risdale of Vancouver left for home Tuesday after visiting her son Bunny and family in town with a few days at the Knutson and Sherwood homes.

Visitors at the Robinson home during the holidays were Mr. and Mrs. Gerrard Sr., Mr. and Mrs. J. Gerrard, Mr. and Mrs. F. Jones, Mr. and Mrs. F. Gerrard, Mr. and Mrs. Saunders and family, all of Edmonton.

Logan Gow enjoyed a plane trip into the U. S. A. and the west coast.

We certainly had a long dry spell but the last few days have been quite rainy, making poor harvest weather.

Noticed around — Electric light poles being erected on the Williams farm; relatives from Ontario visiting at the home of Mr. and Mrs. O. Repp; Grandma and Grandpa Jones enjoying a visit from Mr. and Mrs. W. Fox of Unity and two friends from England. Mr. and Mrs. Sherwood also enjoyed tea and had the pleasure of meeting the latter on Sunday at the Jones farm.

LOCAL NEWS

Mr. and Mrs. T. L. Conboy returned Saturday evening from a wonderful three weeks holiday spent at Edmonton, Banff, Penticton and Forestburg. In Penticton they were privileged to have a house to live in. While there they met many of their former Saskatchewan friends and had many pleasant reunions.

A picture recalling past glories appeared in the Red Deer Advocate last week showing the Red Deer soccer team of 1910, champions of Alberta. Prominent among the players was Bill Krause, now of Vermilion. Besides being a top-notch soccer player Bill was a runner of note and won the 100 yard dash at the provincial track meet held in Calgary about that same time.

Lieut. Roger Rooks of Calgary was home to attend the wedding of his sister Florence on Aug 23rd. Mr and Mrs. Russell Sutton of Calmar and Mr. and Mrs. Albert Keast of Stettler were also here for the special occasion.

OBITUARY

WILLIAM EDWIN ENGLISH

Funeral services for the late Mr. William Edwin English were held at St. Saviour's Anglican Church on Monday, August 11th at 2 00 o'clock in the afternoon. Interment followed in the Vermilion cemetery. The Rev. Harry Shell of Mannville officiated.

William Edwin English was born in Leeds, Yorkshire England on Dec. 16, 1875 and passed away in the Vermilion hospital on August 8th in his 83rd year.

On April 23rd, 1900, he married Charlotte Chippindale, who predeceased him on Jan. 30, 1952.

Mr. English came to Canada in 1908 when he settled in Vermilion. Mrs. English and the family joined him here in 1911. For 33 years he was employed by the Canadian Bank of Commerce retiring from active duty there on April 30th, 1948.

During his years in the town he had always taken a keen interest in community activities and in his younger years was very active in the St. Saviour's Anglican Church, the curling and bowling clubs.

He leaves to mourn his loss one daughter Lucy, Vancouver, B.C.; three sons, Arthur and Frank in Edmonton, and Jack in Victoria. There are seven grandchildren and four great grandchildren.

He was predeceased by one son Charles on Sept. 6th, 1950.

Moyers were in charge of the funeral arrangements.

Beautiful floral tributes and memorial donations were received from:

Flowers to the house— Manager and staff of Canadian Bank of Commerce; Frank and Eachoe Atkinson; Mamie Boyle; Edith and Fred Adams; Marion and Norman Burch.

Floral tributes — The Family, Hilda and Jim; Iona, Fred Beecroft and family; Arthur Herb Rene and family, Olive Henry and family; Rene, Reuben and family; Ray, Audrey and family; Allen, Mildred and family and Ken, Local Freight Office staff, Edmonton; Frank and Eachoe; Dave and Gom Kuhn, Edmonton; Mrs. Calvert, Joan and Herb, Lydia and Stan Mrs Hicks Sr, Lil Stonehouse and family; the Carroll Family, Mrs Harry Marfleet; Curtis and Marie Martin; Agnes McWilliams and Maurice Long; Beth Witherbe; Mr. and Mrs. Geo. Martin and family; Nell Long; Heckbert Families; Barbara and Melvin Hill; Mac and Gertie Simonsen, Alf Ada and family, Mrs Oakley and Mae Eva and Basil, John Brimacombe and family, Mrs. Gilbert, Maisie and Don, Doris and John; Dar Thelma and Mrs. Duncan; Alice and Bill Krause, Margaret Carlson Oakland, Calif.; Mr. and Mrs Hugh Rose and girls; Wilfred, Kay and Margaret McLennan, Ted and Kate Clark; Claude and Louise Bishop; Jack and Sarah [illegible].

Anglican Church Fund: Margaret, Betty and Gerald Stephens; Eileen Ted and family and Mrs Meakins

Cemetery Fund: Mrs. Mabel Lee, Mr and Mrs. George Capatos and Philip; Mr and Mrs J W Waldenberger, Mr and Mrs. Lawrence Mayhew and family

Flowers placed on the altar St. Saviour's W.A., Afternoon Group.

St Saviour's Memorial Fund Mr and Mrs. Raymond Taylor Dorothy and Margaret, George and Barbara McPhee, Carman and Muriel Long; Mr and Mrs Alex Stone; The Gordons, Mr and Mrs John H Schroder, St [illegible]

Donations to the Cancer fund in memory of Wm English were received from Harold Katherine [illegible] Ken and Betty; Chas. Alma and girls Mr and Mrs Roy Jory

Donations to cemetery fund Billy and Leona McLaughlin Mrs M P Dixon, Mrs. G N King

Pallbearers were John Brimacombe, George Martin, Carman Long, Vic Tillett, Frank Atkinson and George Capatos.

The following out of town visitors were guests at the Mix-Gunderson wedding but their names were omitted from the write-up which appeared recently: Mr and Mrs Oscar Gunderson, Mr and Mrs Iver Gunderson, Mr. and Mrs Arnold Barstad, Mrs. Gudrun Barstad and Selmer, all from Heinsburg; Miss Helen Connon, Hazeldine

Mr. and Mrs. Harold Senz, daughters Marlene and Loretta, and baby son Harold Jr. of Jasper, left on Wednesday after visiting at the home of the former's brother George, and family, for a few days. Other visitors at the Senz home over the week end were Mr. and Mrs. Charlie Senz and daughter from Athabasca.

John C. Foy formerly of Clandonald, drops the editor a welcome line and notes that weather to date at Spondin, Alberta has been very dry and crops are poor. Harvest was well underway at time of writing with the wheat averaging 6 to 7 bushels per acre. New wheat has been delivered and has been grading No. 3 Northern.

Mr. and Mrs H. C. Hemmingway and family motored to Kenaston, Sask., last week. The children remained with relatives there while Mr and Mrs. Hemmingway went to Regina to attend a wedding

Mr. and Mrs Frank Long were pleasantly surprised when they were visited by their grandson Raymond Read and his wife and two children Laura and Tim. Mr and Mrs Long hadn't seen Raymond for 19 years.

Mr. John Isley recently enjoyed a motor trip to Wetaskiwin and Calgary with Mr and Mrs. Mahan Hill. Relatives were visited at each of the two cities.

Mr. and Mrs W R Hayward of Kamloops are now in Vermilion and will remain here while the crop on their farm north west of town is being harvested

D C Folk has been bereaved by the death of his mother Mrs A M Folk who passed away in the General hospital, Calgary. Interment will take place at Lethbridge. Mr. Folk is attending the funeral

Mr. and Mrs. Herb Simmons returned recently from a motor trip to Regina, Estevan and other points in southern Saskatchewan

Henry Robinson who has spent the summer with his uncle and aunt Mr and Mrs. J F McNaught at their farm in Monkton, Ont., has returned home this week. Although he saw many interesting things including the play Henry 4th at the Stratford Shakespeare theatre he is glad to be back in Vermilion and is ready for school once again

Miss Frances Pockett of the General Hospital School of Nursing, spent the past week end with her parents Mr and Mrs L. H. Pockett and family

Clark Richardson of Kitscoty returned recently from Arnprior where he attended the civil defence college taking a special course on survival. On the way home Mr Richardson took delivery of a new car at Windsor and returned home via the all Canadian route

Mr and Mrs Walls Antrim of Parksville Vancouver Island were visitors in town last week guests at the home of Mr and Mrs. [illegible] Kent

A party comprised of Mr and Mrs Gordon Park, two of the children and Gordon's mother returned recently from a trip to Vancouver via the Yellowhead pass [illegible]. Rather rugged travelling is reported but a maximum of work would transform this [illegible] roadway into a second Trans Canada highway

Mr and Mrs Paul Berezluk (nee Jean Hawreluk) and baby daughter from Lodgepole Alta spent several days in town this week visiting Jean's mother, Mrs Hawreluk here.

Mr and Mrs Claude [illegible]

A party comprised of Mr and Mrs [illegible] Mitchell [illegible] Mrs Fred Stewart [illegible] Campbell River [illegible] friends [illegible]

Juvenuk Behrens of Tulliby Lake who writes the news for that district called at the Standard Office on Thursday last

Lt. Cmdr. and Mrs Bert Mead and their four children left on the return trip to Dartmouth, N.S., on Monday after a most enjoyable holiday visiting relatives on both sides of the family. Mrs. Mead and the children were in Alberta from early in July visiting her two sisters at Leduc and Edmonton, her mother at Vegreville and father here. Bert just had two weeks holiday and this was the signal for many gatherings of the Mead families in town and district. While in Vermilion Bert and family were guests at the home of his mother Mrs A. Mead. One gathering at Mrs. Mead's home in town saw 31 members of the Mead family present. Lt. Cmdr. Mead will embark on the HMCS destroyer Nootka bound for the Mediterranean on a fall cruise a little later this year.

Firm Offers $2,000 Cash

CALGARY. — 53 lucky prairie residents over 16 — in Alberta, Saskatchewan, Manitoba or the Peace River district — will receive a cash bonus this fall as winners of a Nitrogen contest sponsored by the makers of Elephant Brand Fertilizers

Weather has been unsettled, breaking with a rain, hail (in some areas) and electric storm last Thursday night. Rain fell again Monday, Tuesday and Thursday.

MARWAYNE NEWS

We regret to report the death of Mr. Gene Wheeler of Kelowna, B.C., a former old time resident of the Belcamp district.

A shower was tendered Mrs. L. Crowthers in the Legion hut on Aug 14th with 87 guests attending. The evening was somewhat saddened as Mr. and Mrs. E. Wirtz had received word that day of the death of their brother-in-law Mr Louie Styre of Estevan in a car accident. Mr and Mrs Wirtz left immediately after the shower to attend the funeral

Mr and Mrs. T. Carmichael were quite startled one Sunday morning recently when a bear crossed the road just ahead of them of the south side of the Forbesville ferry

Lorna Katzmarzyk and Maureen Culford are taking courses at the McTavish Business college in Edmonton.

A very successful horticulture show was held Aug. 15th sponsored by the F.W.U.A. A full report will be given next week.

Congratulations to Mr. and Mrs. J. L. Hutchinson on the birth of a daughter in Lloydminster hospital on Aug. 23rd.

MARWAYNE

Mrs. Bobroski has had her house raised and a foundation put under it; Mrs. Holmes also had a foundation put under her house where carpenters are living. The Nelson Lumber Co of Lloydminster moved the schoolhouse to the foundation on the lot between the Spence and Swan houses and are finishing the inside. Mr H. Petryshen, who has been made vice-principal, and family, will live in the new residence. Mr. and Mrs M. Gudzowaty and family have now moved to Wetaskiwin where he has accepted a position as principal of the school.

Mrs. Alexander and daughter, mother and sister of Mrs. G. Williams Jr., are moving from Hamilton, Ont., to Saskatoon where Mrs. Alexander will teach and the daughter nurse in a Saskatoon hospital.

The Alvin Parker family attended the Grand Centre rodeo where Iona, Louise and Audrey rode.

Mrs. P Cunningham of Lloydminster visited with Mrs. Doull last week. Mrs. Doull entertained a few old friends on the occasion of Mrs. Cunningham's 79th birthday.

Mr and Mrs. Craig and Muriel have returned home after a visit to their old home in Saskatchewan.

Mr. and Mrs. Jas. Hale and Wayne went to Yellowstone Park on a trip coming back by way of Swift Current and visited at their former home.

Mrs. Doull and Ella, and Mr Lawrence Perks were visitors in Edmonton last week.

Mr and Mrs. Saltzberry are home from holidaying at Lacombe. Mrs. Lafoy is on holiday from the Co-op store; Mr. and Mrs. A. Protsch and family and Mrs. P Miller motored to the coast; Mr and Mrs. Alex Romanick are holidaying at Yellowstone Park.

Sunday school classes in St. George's church will resume on Sept 7th at 11 a.m. and will continue throughout the year being held with church service except the first Sunday of the month. On that day Sunday school will be at 11 a.m. and church at 7 30 p.m.

Leah Culford of Calgary has been home on holiday.

Mr. and Mrs. Peter Chudoba (nee Doris Shaw) and Valerie arrived home just in time to attend Doug's wedding in Castor. Mr and Mrs. Doug Shaw were home visiting last week end.

Mrs. Jean Currie of Pennsylvania is visiting her sister Mrs. Joy Tupper and other relatives here while Mrs. Dafoe (nee Marion Golightly) is coming this week.

Mrs. Russell of Vancouver visited with Mr. and Mrs. Lucas.

Mr and Mrs. Alex Finlay of Mission City, B.C., are visiting at the Swan home on their return trip from Ireland.

Mr and Mrs. Alfred Davison of Calgary returning from Portage la Prairie visited old friends here and took their parents Mr. and Mrs. F. Davison back to Calgary with them.

Visitors to the Dudlyke home last week end were Mr. and Mrs. D. R. Dudlyke, Mrs. Somers and Mr and Mrs. Geo. Slade of Glace Bay, N.S. It was a happy reunion for Dave on his first visit home for 17 years, since his regiment the 16-22 Saskatchewan Horse left for the east and overseas. Just two days visit was all too short for him to contact all his buddies, although it was a memorable few hours of recollections when his old sergeant, Vern Lowrie came to see him. The trip was by car and the first time Dave's in-laws had been this far west. They were greatly impressed by the vastness of Canada and the beauty to be seen and compared with their home province of Newfoundland and residence in Nova Scotia. The trip was completed by a visit to Banff and then home through the States.

Mr and Mrs. J. Manson and Herbie holidayed at Prince Albert and Lac La Ronge.

Mr. Joe Humble of Edmonton has been visiting with his family here.

A fishing trip to north lakes was very much enjoyed by Mr. and Mrs. Ron Price of Calgary when visiting here with Mr. and Mrs. L. Isert.

Congratulations to Mr. and Mrs. Ernest Isley on their marriage in the United Church at Marwayne on Saturday, Aug. 16. Open reception was held on the lawn at the home of the bride, Mr. and Mrs. L. Franklin, and a wedding dance in the Elks hall that evening.

A shower was held for Sheila in South Ferriby school Friday, Aug. 8th in honor of her marriage.

Quite a number of ladies from Marwayne thoroughly enjoyed the strawberry tea sponsored by the Irwinville W.A. on the beautiful lawn at the home of Mr. and Mrs. G. Gardiner last Friday.

FAST SERVICE on windshield replacement. Complete stock all makes 1952 to 58. Rowe & Sons Ltd., phones 106 and 89. 44xtf

'The Bible Today'

"I don't want to keep it; it disturbs me when I read it", said an African native as he returned a copy of a Bible he had purchased from a colporteur. He got his money back but it is doubtful if that transaction will erase from his mind all that he has read.

The Bible, unlike any other book, disturbs, corrects, convicts, refreshes and rejoices the hearts of its readers. The attitude of approach to it and the decision of the mind and heart when we have read its counsel, will determine its effect upon our lives.

Suggested readings for next week: Sunday — Psalms 112:1-10; Monday — Job 35:1-16; Tuesday. — Job 36:1-33; Wednesday — Job 37:1-24; Thursday — Job 38:1-41; Friday — Job 39:1-30; Saturday — Psalms 104:1-35.

McLAUGHLIN'S SELF-SERVE

Vermilion Bride Will Live At Gull Lake, Saskatchewan

ALDAG—FENTON

Good Hope Lutheran Church, rural Gull Lake, Sask., was the scene of a pretty double-ring ceremony on July 21st when Kathleen Laura Evelyn Fenton became the bride of Donald Edward Aldag. The bride is the daughter of Mr. and Mrs. J. T. Fenton of Vermilion, and the groom is the son of Mr. and Mrs. John Aldag of Gull Lake.

The church was tastefully decorated with vases of summer flowers. Pastor V. E. Eriksson, of Shaunavon officiated at the ceremony. Mrs. D Schoneck was organist and Miss Barbara Brown was soloist.

Entering the church on the arm of her father, the bride wore a floor-length gown of nylon net over satin with sequin motifs. Her brocaded bodice featured a Peter Pan collar and lily point sleeves. A chapel-length veil trimmed with French lace was held in place by a tiara fashioned with seed pearls. The bride carried a bouquet of red sweetheart roses and wore a double strand of cultured pearls, a gift of the groom.

Miss Norma Fenton, sister of the bride, was maid of honor. Miss Coleen Aldag, sister of the groom, was bridesmaid. They appeared in identical gowns of pink and blue lace and net over satin with brocaded boleros and matching accessories. Rhinestone necklaces, gifts of the bride, complemented their attire. They carried bouquets of yellow and white carnations.

The groom was attended by his brother, Mr. Calvin Aldag as best man, and Mr Don Girodat as groomsman. Mr. Larry Buck and Mr. Roy Thompson were ushers. The groom presented his attendants and the ushers with tie clip and cuff link sets.

During the signing of the register, Miss Barbara Brown rendered a solo, "The Wedding Prayer", accompanied by Mrs. D Schoneck.

A reception and dinner for sixty guests was held in the Horse Shoe Bend hall following the ceremony. The ladies of the Aldag Community club catered. Miss Marilyn Girodat attended the guest register. The toast to the bride was proposed by the Master of Ceremonies Mr. Don Harris and ably responded to by the groom. Mr Don Girodat proposed the toast to the bridesmaids.

For the occasion the bride's mother chose a dress of navy blue with white accessories. The groom's mother wore a flowered nylon dress with white accessories.

Out of town guests included Mr. and Mrs. J. T Fenton, Norma and Bryan of Vermilion; Mr and Mrs. G. T. Fenton and Carol of Rouleau; Mr Roy Thompson, Regina; Mr. and Mrs. L. Curtis, Mr and Mrs. H Goosen and Bill, and Miss Verna Rogers, all of Toronto; Mr. Leslie Fitschen, Abbotsford, B.C.; Miss Barbara Brown, Mr. Gerald Aldag, Mr. and Mrs. R. Helinski, Mr. and Mrs. F. Girodat, Gerald and Marilyn, Shaunavon, Mr. and Mrs. J. Hauschild and Mary Ann, Swift Current; Mr Don Harris, Chauvin; Pastor and Mrs. U. Eriksson; Shaunavon, Mrs. M. Rowe and Bobby, Moose Jaw; Mrs. Jack Butts and Rocky, Coronation, Alta.; Mrs. Vic Schaffer and Patsy, Magrath, Alta.

After a wedding dance held in the Horse Shoe Bend hall, the bride and groom left by car for a honeymoon in Banff. The bride chose a blue knitted dress for travelling. Upon their return, the happy couple will reside at their farm home in the Aldag district near Gull Lake.

Farewell Couple At Alliance Chapel

About fifty friends gathered at the Alliance Chapel, Vermilion, on Monday evening, August 25, to bid farewell to Mr. and Mrs. Cliff May who leave this week to take up residence in Three Hills, Alta. Mr and Mrs. May are joining the staff of the Prairie Bible Institute, where he will be staff electrician.

Games were enjoyed, followed by a devotional period. Musical numbers were contributed by Mrs. Marjorie Curtis who sang a solo and by Misses Doreen Currah and Margwynne Clendenning, a duet. The Pastor, Rev. J. M. Schroeder gave a short devotional message. Mr Albert Tovell, one of the Elders of the Chapel, made presentation of a Gospel Plaque to Mr and Mrs. May. In his remarks Mr Tovell said how much the services of this young couple have meant and expressed best wishes and God's blessings on their future plans. Mr May suitably replied on behalf of himself and Mrs May. Master of ceremonies was Mr E. Clendenning.

Lunch was served by the ladies of the Chapel.

The arrangements for the evening were made by a committee comprised of Mesdames J. M. Schroeder, R. Tidsbury and E. Clendenning.

It often takes some nifty side stepping for a politician to make himself popular.

Mannville Library To Open Soon

MANNVILLE — With a complete new line of excellent books this month, local librarian Miss A. Cain advises that hours for out of town children are from 11:30 to 1 p.m. when the library opens on Tuesday, September 2. Books in stock should be of special interest to the members.

DERWENT THEATRE

Showing at Derwent theatre Sat. Aug 30 and Mon. Sept 1 "Wee Geordie" in technicolor starring Bill Travers and Alistair Sim in a roaring laughter-filled joy fest. One of the most outstanding comedies of our time. 7

Mannville and District Local News

Miss Karen Hubbard is spending part of her holidays at the home of her sister Mrs J Dowlecki, Edmonton.

•• • ••

R. Weaver Sr. was a recent visitor at the home of Rev. and Mrs. C. MacPherson of Fort Saskatchewan.

•• •• ••

John Misik, his wife and family are reported to be enjoying holidays this last week.

•• • ••

Mr A. J. Smith has returned home from summer school as has Mr A. Toronchuk. Both are reported to be planning the remainder of the vacation with their families on a holiday trip.

•• • ••

Miss Loretta Swain is a holiday visitor at the home of brother Danny and wife at the ranch where Danny works.

•• • ••

Mr. and Mrs. Stanley Chittick and family of Fitchburg Mass. U. S. A. called at the home of their aunt and cousin Mrs. R. E. Cain and Abby. Mrs. Chittick was a former Medicine Hat girl. They have been travelling and sight-seeing throught the western states and now touring Alberta on their holidays.

•• • ••

Mr. and Mrs. Perkins from the U. S. have been visiting friends and relatives here recently. They formerly hailed from Lavoy, where the Hubbard family lived for some years.

Mrs. Jim Armitage has been a guest at the Ackerman home this last week as daughter Pauline (Mrs. Don Symington) took over her mother's duties at Cold Lake as she and her husband holidayed there. Mrs. Armitage is a sister of Mrs. George Ackerman and Mrs. W. Chrysler as well as Archie and E. Hubbard.

•• •• ••

Mr. William Younge, a former Scotstown resident oldtimer, visited at the home of his sister Mrs. R. S. Tod and Maggie and other relatives out of town. Mr Younge now resides in Edmonton.

•• •• ••

Rev. Harry Shell, Mrs. Shell and children attended the funeral of the former's aunt in Edmonton on Wednesday of last week.

•• •• ••

Florence Otto has been home for her holidays with her parents.

•• • ••

Master Lorne Nicoll is spending some holiday time with the M. Malin family.

•• • ••

Mrs. Symington, who formerly was a Mannvillite, is enjoying a visit at the old home town from Edmonton.

•• • ••

Mrs. Ivo Smith has as her guest her sister Mrs. Prest from Vancouver.

•• •• ••

Mrs. C. Mercer is visiting at her daughter's home in Edmonton.

New Experiment In Highway Surfacing

Initial success has been achieved with an experiment of the Alberta Department of Highways in sealing highway surfaces in a manner that permits their use by traffic within hours instead of days as formerly.

First trial was applied to a strip of one lane of No. 2 highway south of Ponoka. The road surface was sealed with an application of a penetration asphalt binder in place of emulsified asphalt used previously.

Before the surface was rolled, crushed rock was applied. Immediately behind the roller intense heat was applied by a mobile bank of burners stretching eight feet across the road surface.

The heat drew the asphalt binder on the crushed rock to hold it in place. The binder set quickly.

The road was opened to use two hours after finishing the processing, instead of the two to four days required previously.

A second experiment will be undertaken on No. 16 highway just east of Beverly. Confirmation of finding of the initial trial could change the province's seal coating methods. Road closure time would be reduced and seasonal coating periods could be materially extended.

Pick Ripe Apricots

Mrs. H. J. Payne picked four dozen ripe apricots from a tree in her yard in town. This is the first season that the fruit has ever ripened on the tree.

Swine Erysipelas

Kills and Cripples!

Acute Swine Erysipelas outbreaks occur suddenly, often striking many animals in a herd at once. Temperatures flare and pigs go off feed. Pain and swelling in the joints cause sick pigs to lie in their bedding. Lameness and arched backs may appear. Some animals may die.

Reception On Campus Follows Wedding

A reception in the Wauneita Lounge followed the wedding of students of the University of Alberta, Miss Sarah Eileen Nicol and Mr Gerald David Harle, which was solemnized in Robertson United Church, Edmonton.

Miss Nicol, daughter of Mr. and Mrs. Carl Alex Nicol, is a physical education graduate and a member of Delta Gamma women's fraternity. The groom, a dentistry student, is a member of Delta Kappa Epsilon. He is the son of Mrs. Harle of Vermilion and the late Mr. Oswald Harle.

Pink and white gladioli, white satin bows centred with pink floral nosegays and pink and [illegible] candles formed an attractive background for the afternoon ceremony at the church. The couple exchanged marriage rings and vows before Rev. Dr. R. Douglas Smith.

Given in marriage by her father, the bride wore an imported gown of pure silk designed with scoop neckline outlined in floral motifs hand - embroidered with pearls. The skirt swept to a chapel train. A Juliet cap held in place the bride's fingertip veil and she carried a white Bible surmounted with a white orchid, stephanotis and pink streamers.

Mrs. R. Dubisky, matron of honor, wore a rose Empire gown with cummerbund extending in streamers to the hemline. Miss Norma and Miss Connie Harle, sisters of the groom, were bridesmaids. The attendants complemented their gowns with picture hats and matching gloves.

Randy Wilson was ring bearer.

The groom was attended by Mr John Stewart, Mr. Gary Johnson and Mr. Henry Gillespie. Miss Mary Young was soloist, accompanied by Mr. Douglas Millson.

At the reception, Mr. E. G. Ellerton proposed the toast to the bride.

For a wedding trip to the north western United States, Penticton and the Okanagan, the bride donned a green flowered sheath with matching linen duster coat. Beige accessories and an orchid corsage completed her ensemble.

Mr. and Mrs. Harle will make their home in Edmonton.

Out-of-town guests at the wedding included Mr. and Mrs. S. Dubisky, Calgary; Mrs. K. Perry, Ottawa. Mr. and Mrs. James Gray, grandparents of the bride, Victoria; Mr. and Mrs. H. C. Rayley, Victoria; Mr. R. Manahon, Brockville, Ont.

NEWS from ISLAY

Some of the Islay ladies had a most enjoyable afternoon on Aug. 20th when they attended the Strawberry lawn social of the Irwinville W.A. on the beautiful and spacious lawn at the home of Mr. and Mrs. Graham Gardiner. Some 125 people were there. The tables were set in the shade. A driveway leads up to the house which is set back from the road, with lawns on either side. The very green grass looks like a carpet lovely to walk on. Trees surround the lawns which are bordered with flower beds. A back lawn, partially separated from the front by shrubs, gave plenty of space for parking cars. Ladies of the W.A. had quite a showing of handwork hung on lines under the trees. This work quickly sold. The ladies bemoaned the fact that they had not double the quantity on display. After a most delicious tea all gathered on a side lawn where Mr. and Mrs. Ambler and Mrs Libby Young, all of Lloydminster, spoke to the gathering. Mrs. Young, CKSA, was introduced by Mrs. Kent. Mrs. Young in turn introduced Mr. and Mrs. Ambler who are ardent gardeners. They spoke on horticulture. Mrs. Ambler advised her listeners to bring home a plant, a shrub of a wee tree from points on your holiday trips and gave tips on setting out your lawn. Mr Ambler spoke on dahlias and gladioli. Mrs. Ambler said she has a blue poppy from Tibet, Sweet William from Germany, other flowers from Lake Louise, etc. She advised all to pay a visit to the grounds at the agricultural school in Vermilion. The gardener there is always happy to give you plants or cuttings before the freeze-up, free of charge. It was a grand afternoon and many were heard to say "we hope it is to be an annual event".

Mr and Mrs. Gardiner are most gracious hosts. A pleasant surprise too for many was renewing acquaintance with Miss Winnie Gardiner of Edmonton, a sister of Mr. Gardiner who was in the employ of Stephens Ltd in Vermilion for some years. Miss Gardiner is visiting at the home of her brother.

The annual W.M.S. rally of the United Church will be held Sept. 4th at 3 p.m. All ladies are welcome. Tea will be served in the church hall at the conclusion of the meeting.

Mr. and Mrs. John Shaw, driving their new car, were visitors Sunday at the home of their daughter, Mr. and Mrs. Teskey.

Mr. and Mrs. Charlie Young of Vermilion were callers on Mr. Jim Allan Tuesday. Mrs. Allan is in the hospital.

Mrs. Bill Purvis returned by Dayliner Monday night after a few days in Edmonton when Sheila had an operation on a knee. It is fine now and will stay put. She had a visit with Mrs. Baxter who has been with Mrs. George Guernsey (nee Madge Shaw).

The first load of wheat, combined, was delivered to the A.P. elevator Wednesday, Aug. 20th, by Mr. Val Budzilka. It graded No. 2 Northern.

One hardly recognizes the country coming into Islay from the south. The new road in the making has certainly changed the appearance.

Mr. Whitcher and Irwin were in town on Tuesday.

Mr and Mrs. Albert Beck spent ten days at Eston, Sask., at the home of their daughter and son-in-law Mr. and Mrs. Proudlove.

4H Garden Club Achievement day Saturday Sept. 6th at 1:30

Letters to the Editor

The Standard does not hold itself responsible for opinions expressed by correspondents

Dear Mr. Editor:

During recent weeks, the question has frequently been posed, "How can membership in a farm union benefit me"? I would say plenty.

Now suppose I am having trouble with an oil company drilling on my land, and am unable to get a just settlement for damage due. I can appeal to the farmers' union. If I have stated my case honestly and have a legimate complaint, prompt and powerful assistance is made available to me.

I can send my books into the F. U. A. accounting department and have my income tax filled out at a very nominable cost. I can also go in and receive advice from our tax consultant free of charge.

If I drive a car or truck, I can have them insured in the F.U.A. pool at cost — quite a considerable saving.

The farmers' union has consistently fought for the retention of the crows nest freight rates on cereal grains.

Today, due to our efforts, the federal treasury pays for the storage on surplus wheat in the terminal elevators.

We have asked for, and been granted a reduction in farm delivery truck license fees.

On January 15, 1958, we requested that the farm truck be regarded as regular farm equipment and that as such, it be allowed to use tax - free purple gas. In recent legislation, that, too, has been granted.

At the annual convention in December, 1957, delegates were unanimous in requesting that government cash oil patronage dividends be discontinued, and that the money be used for needed hospitals, old peoples' homes etc.

The Interprovincial Farm Union Council maintains an office in Ottawa and seldom is farm legislation brought out without consultation with someone from that office. During the past two years, F. U. A. officials have spent many weeks in Ottawa, acquainting members of both sides of the House of Commons with our many problems. The results may be seen.

These are only a few of the farmers' union's many activities.

Thank you, Mr. Editor, for your valuable space.

Ralph A. Wilson,
District 7 director, F. U. A.

The Vermilion Standard

Vermilion, Alberta, Thursday, August 28th, 1958. Page 1 -- Second Section

July Traffic Deaths In Alberta Are the Highest In History

The Alberta Safety Council summary of traffic accident statistics for the month of July shows that 44 traffic deaths were recorded in Alberta making that month the worst in the history of the province. The previous high month was October, 1956, when 41 deaths were reported. This brings the total number of deaths for seven months of this year to 178. For the same period last year the figure was 118. In [illegible] 114; 1955, 108; 1954, 96 and 7[illegible] in 1953.

Accidents in July numbered 2013 resulting in 578 injuries, bringing the 7-month total to 12,-684 accidents and 3,104 injuries. Accidents are up 6% and injuries 3%, while deaths have soared 49% above the same period last year.

Vehicle registrations at the end of June were up 9%.

During the seven month period the RCMP have reported 4% less accidents and 9% less injuries while deaths have increased from 100 to 163 for a 63% gain over the same period in 1957.

Edmonton has had 13% more accidents and 25% more injuries but deaths are down from 7 to 4 for a 43% decrease.

Calgary has had 15% more accidents and 16% more injuries and now have 5 deaths against three last year for a 34% increase.

Lethbridge accidents decreased 3%, injuries are up 34% and deaths are down from 3 last year to two this year.

Medicine Hat has had 24% less accidents, 45% less injuries and no deaths.

MR. AND MRS. JERRY GRANT
—*Photo by Photocraft.*

St. Saviour's Church Scene Of Attractive Summer Wedding

St. Saviour's Anglican Church Vermilion, was the scene of an attractive wedding on July 26 when Janet Lorraine, eldest daughter of Mrs. Hilda Bell of Islay was united in marriage with Mr. Jerry Grant, son of Mr. James Grant of Vermilion.

The Rev. K. A. Minchin performed the double ring ceremony. Mrs. W. L. Roebuck presided at the organ.

The bride, who was given in marriage by her uncle, Mr. W. Shaw, looked lovely in a floor-length gown of nylon chiffon and lace. Her fingertip veil, trimmed with lace was held in place by a nylon chiffon cap trimmed with rhinestones and sequins. She carried a cascade bouquet of American Beauty roses and white daisies.

Miss Shirley Bootsman, cousin of the bride, was maid of honor, and Miss Sandra Bell, sister of the bride and Miss Marion Teskey, cousin of the bride were the bridesmaids. They wore identical gowns of nylon chiffon in colors of pink, yellow and blue respectively. They wore matching headpieces and gloves and carried bouquets of pink carnations and white daisies.

The groom was attended by his brother Mr Harry Grant and the ushers were Mr Charles Goodman of Edmonton and Mr Gordon Gould of Islay.

During the signing of the register Miss Myrna York of Edmonton sang "The Wedding Prayer."

Following the wedding a reception for seventy-five guests was held in the Islay hall. Mr Colin Farrell, uncle of the bride proposed the toast to the bride to which the groom ably responded. The groom then proposed a toast to the bridesmaids and it was responded to by Mr Gould. Miss York then sang "O Promise Me" accompanied by Mrs Roebuck. Miss Linda Farrell was in charge of the guest book.

Assisting the bridal party in receiving the guests were Mrs Bell, mother of the bride and Mrs A. Simonet, sister of the groom. Mrs Bell wore a white flowered sheath with pale blue duster coat and white accessories and a corsage of pink carnations. Mrs Simonet wore a beige afternoon dress with white accessories and a corsage of red carnations.

Later in the evening a wedding dance was held in the Islay Hall where many friends and relatives of the bride and groom gathered to wish them happiness.

For a trip to Southern Alberta, the bride wore a pale green [illegible] dress with a green duster and beige accessories. She wore a corsage of yellow daisies.

Out of town guests were Mr and Mrs C Farrell Jean and Linda, Mr and Mrs Frank Anderson Mr and Mrs D Bootsman and Shirley Mr and Mrs K. Shaw and boys Mr and Mrs J York and Myrna Mr and Mrs E Neumann Miss Carol Layden, Mr Bob Robinson Mr and Mrs D Tradewell Mr and Mrs G Harasin and Mr and Mrs F Tetrault all of Edmonton Mr and Mrs R Wilkinson Don and Dale Mr J Wilkinson and Mr G Rabo all of Perdue Sask.

Mr and Mrs Grant will make their home in Edmonton.

Blackfoot Man Found Dead in Car

Harold Norman Black, 28, of the Blackfoot district was found dead in his upturned car Monday on a seldom used stretch of a district road. He apparently had been killed in an accident Saturday night.

The mishap occurred less than a year after a similar accident in the same area in which Paul's brother Earl was killed.

The small car he was driving had gone off the road and rolled over in heavy brush about 1½ miles west of Blackfoot.

It was discovered Monday afternoon by a passing motorist.

The man who refuses to work when offered [illegible] is usually [illegible] friend.

LEGION NOTES

Gen. Richardson, president of Vermilion Branch Canadian Legion wishes to announce that Carl Burns of Clandonald won the raffle for the registered Yorkshire boar which was drawn for on the last day of the Vermilion fair.

This boar was donated to the Legion by Rod MacMillan of Clandonald.

The next social evening will be held on Saturday night August 30th.

The Canadian Legion offers a bursary of $100.00 for sons or daughters of veterans to attend the School of Agriculture or home Economics. Application forms can be obtained from the Legion secretary, E. H. Buckingham.

Mannville Group Enjoy Outing

MANNVILLE. Transported by Ron Forsyth, Ralph Leitch, Mrs. F. Renspies and E. Hubbard a group of Anglican young people journeyed to Lake Wapasu at Innisfree for an outing of fun and fellowship. Swimming of course at this popular resort, was the order of the day, after which a sumptuous lunch was served under the capable leadership of Edith Pedersen. All agreed that a good time was had.

Young Couple Will Reside On Groom's Farm At Islay

In an [illegible] at Grace United Church in Lloydminster on July 12, Miss Gladys Svean, second daughter of Mr. and Mrs. Conrad Svean of Rivercourse, became the bride of Mr. Harold Rorbuck, only son of Mr. and Mrs. William Rorbuck of Vermilion. Bouquets of mixed spring flowers decorated the altar for the double-ring ceremony which was performed by Rev. R. R. Smith.

The bride, whose father was not able to attend owing to illness, was given in marriage by a very good friend, Mr. Rasmus Hvild.

She was very beautiful in a floor length gown of white embroidered nylon which she designed and made herself. The fitted bodice had scalloped neckline, lilypoint sleeves with full tulle flounce falling from scalloped hemline.

A headpiece of seed pearls and iridescent sequins held her shoulder length veil and she carried a white Bible garlanded with red roses and streamers. Her only jewelry was a double string of pearls, gift from the groom.

Mrs. John Knowlson was her sister's matron of honor choosing a waltz length gown of blue crystaline princess style featuring bustle effect at back with matching bolero. She carried a fan of white gladioli.

The bridesmaids were Miss Edna Svean, sister of the bride and Mrs. Marion Walline sister of the groom, whose dresses were identical to the matron of honor, and they carried fans of yellow gladioli.

The little flower girls, Miss Marilyn Knowlson, niece of the bride and Miss Laurie Walline niece of the groom, were lovely in matching dresses of yellow dotted nylon and they each carried a basket of pansies.

Mr. Bill Good, cousin of the groom, was best man. Mr. Jim Walline, brother-in-law of the groom and Mr. John Knowlson, brother-in-law of the bride, were ushers.

Mr. Herb Dewhirst was soloist and sang "The Wedding Prayer" and "I'll Walk Beside You", accompanied by Mrs. Dewhirst at the organ.

Mrs. Svean, for her daughter's wedding, chose a dress of Caribbean Blue spun silk with white accessories, and [illegible] a corsage of red roses while the groom's mother wore a mauve dress and hat with white accessories and corsage of [illegible] carnations.

[illegible] a reception [illegible] at the Rivercourse [illegible] where some sixty guests sat down to a very delicious wedding dinner in charge of Mrs. Eleanor Berg.

The bride's table was centered with a three-tiered wedding cake beautifully decorated by Mrs. Anders Aalborg. Mr. Aalborg proposed the toast to the bride, to which the groom very capably responded.

Miss Barbara Svean was in charge of the guest book.

The gala evening which followed was very much enjoyed by all, the bride and groom receiving and opening many beautiful and useful gifts.

Best wishes of all go to the happy young couple who will reside on their farm at Islay.

Guests from a distance were Harold Moore, Vancouver; Mr. and Mrs. H. Dewhirst and Art Moore, Ponoka; Mr. and Mrs. J. Walline and Laurie, Mr. and Mrs. Anders Aalborg, Mr. and Mrs. B. Dickson, Edmonton; A. P. Good, Bill, Anne and Blaine, Innisfail; Mr. and Mrs. Roland Rorbuck, Creston, B.C.; Mr. and Mrs. R. Willer, Edwin and Larry, Saskatoon; Mr. and Mrs. B. McLennan, Islay; Mrs. H. Johnston, Mrs. Nellie McFadden, Mr. and Mrs. W. Rorbuck, Mr. and Mrs. R. Inman, Mr. and Mrs. Ted Richardson and Dr. and Mrs. E. F. Evans, all of Vermilion.

OUR LETTER FROM EDMONTON

Conservatives Pin Hopes On W. J. C. Kirby As Leader

by KEN MASON

EDMONTON — Provincial Progressive Conservatives will be pinning their hopes in the next election of a 48 year old lawyer, W. J. C. (Cam) Kirby, the sitting member of the Legislature for Red Deer riding.

Whether Mr. Kirby can lead the Tories to victory in Alberta, or even to a sizable gain in House representation, is anyone's guess at this point.

Of the five candidates running for the Conservative leadership at the party convention in Edmonton last week, Mr. Kirby was the obvious choice. From a performance standpoint, he's been the strongest PC member in the Legislature.

The question yet to be answered is whether he's well enough known or a politician of sufficient stature to swing a big vote behind the Conservative party when Albertans go to the polls again, probably next year.

At this point, the Tories don't look like much of a threat. Of course, a lot depends on how much of John Diefenbaker's popularity and influence remain at the time of the next election.

Social Crediters that we've spoken to, say they aren't too worried about the Conservatives right now. They were worried earlier, when there was talk of the Tories drafting either Art Smith, MP for Calgary, or Agriculture Minister Douglas Harkness, to lead the provincial party. Had that happened, one high Socred official said, the Conservatives could be a real threat.

Even though the possibility of a sweep is being discounted, the Conservatives should pick up a few more Legislature seats. The Tories have their first provincial leader in more than 20 years, and this should mean a stronger organization to drum up votes.

At their convention here, the Conservatives passed a flock of resolutions which will go toward making up the party's platform. One of them said the oil and gas dividend legislation should be removed from the statute books.

Others dealt with municipal finance, highway construction, closer integration of health services and [illegible] forest and game conservation. Improvements in the province's education program [illegible] changes in labor laws to raise [illegible] wage rates and improve management negotiations.

On highways, the Tories said main and secondary roads are "below the standard that gives satisfactory service and steps should be taken immediately to rectify this condition."

The convention also had some things to say about the public works department. A resolution called for revamping and streamlining to eliminate waste and duplication and to provide proper co-ordination with other government departments in preliminary planning, employing of competent [illegible] and outside technical advice and adequate preparation of detailed plans and specifications."

Now that the Tories have got themselves a leader, they'll be concentrating on building up a strong organization to prepare for the next election.

LIBERAL LEADER NEXT

The next development will be the naming of a Liberal leader to replace Harper Prowse. Here, a lot depends on the strength and stature of the man chosen to head the liberals. Once the man is selected in the late fall, it will give a better picture of how the political battles will turn out next year.

LITTLE THINGS MEAN A LOT

There was more evidence last week that Social Credit feels it will have to wage a really strong battle to get back into office.

Education Minister Anders O. Aalborg announced that, as of next year, Ukranian language will be offered as an optional course in Alberta high schools. Looking at this realistically, it's quite obvious that the move will bring a good many votes from the sizable Ukranian - Canadian population in Alberta.

There's no denying that Ukranian language instruction will be a valuable addition to the curriculum, but look for arguments in some quarters to the effect that there are other more important things the schools could be doing.

PLEASE THE PUBLIC

An interesting sidelight on Premier Manning's five year plan came out at the Conservative convention last week. Leadership candidate Alan Lazerte, Edmonton, said the plan was based on the results of a public opinion survey carried out by Social Credit. How he learned about the survey hasn't been determined, but government sources confirm that it was carried out. However, they say, Lazerte had many of the questions and answers wrong.

People who do as they please get along as well as those who try to please everybody.

Ideal beach mates, these scuffies and tote bag are fashioned in a smartly striped plastic which stands up well to sand and water. The new 'Fabrilite' drawstring bag carries all anyone would need for a day at the beach — even a wet bathing suit — and the shoes are ideal for protecting wet feet from hot sand. Soap and water keeps them shiny.

TULLIBY LAKE

Mr. and Mrs. Frank Fox had a visit from their daughter Elsie (Mrs. Jimmie MacFarlene) of Rainier, Alta.

We are sorry to report that Miss Helen Ward has been hospitalized in Elk Point hospital for the past while.

The rains on Friday and Saturday nights were more than welcomed by all.

With the arrival of the canning season many a housewife is busy storing up what they can find for what many expect could be quite a severe winter. The supply of wild fruit has by no means been plentiful. The high bush cranberries down by the river seem to have failed, however, a few pincherries have been reported by Charles Gullickson and the Alvin Ruud's. Mrs. Christina Maas was fortunate in having a good supply of Saskatoons but nearly all others desiring this delicious native fruit had to travel to Jumbo Hill. Several with an 'extra' cream cheque lying around went and purchased some tame fruit at their favorite grocery store.

Mrs. Lloyd Cardinal of Prince George, B.C., has been visiting her many friends and relatives in the district.

The Greenvale Mutual Telephone Co. is again having its share of line troubles. On Monday your correspondent noticed a pole flat on the ground near Gordon Coleman's — we put it up again, thus telephone service was resumed to the north-west portion of Tulliby Lake.

Donna Nelson is a patient in the Elk Point hospital. Her trouble is a badly infected big toe.

Another scrap iron round-up is underway here. Anyone having a quantity of this commodity is advised to contact Ed Cariveau.

The week of Aug. 12 to 17 was a special one for all Jehovah's Witnesses in and around Lloydminster. That week the circuit-servant, Mr. R. J. Fahie, visited the local congregation. On Tuesday evening the regular service meeting and Theocratic Ministry school was held in the Kingdom hall. Mr. Fahie, speaking to upwards of 90 people, outlined several highlights of the "Divine Will" International Assembly of the Witnesses which was held recently in New York City. All present were astounded but very pleased to hear that more than 250,000 people jammed Yankee Stadium and the Polo grounds for this event. The Willard Larson family, accompanied by Mrs. Mollie Behrens and Juvenile, motored to Lloydminster and attended this meeting.

On the evening of Aug. 13th several of Jehovah's Witnesses from the Lloydminster congregation, journeyed up to Tulliby Lake and assembled at the home of Mrs. Mollie Behrens. A Bible study, pertaining to the days of Noah in comparison to those of our day, was enjoyed by all present. The evening came to a close when 'Bob Fahie' offered sound spiritual encouragement to all attending. The next day saw several engaging in field service from door to door throughout the district.

BY-LAW No. 906
AND AMENDMENTS THERETO
Municipal District of Vermilion River No. 71

A BY-LAW of the Municipal District of Vermilion River No. 71 to limit the operation of trucks, trailers and traction engines on all public roads, highways, streets, and lanes in the Municipal District of Vermilion River No. 71.

WHEREAS under the provisions of the Municipal Districts Act 1954 the control of all public roads, highways, streets and lanes within the said Municipal District is vested in the Municipal District of Vermilion River No. 71 and there is a duty on the Municipal District to repair the said roads, and

WHEREAS under the provisions of the Public Services Vehicles Act the Council may prohibit the use of any district road, local road, or portion thereof, by any truck, trailer or traction engine and the said Public Services Vehicles Act and the Highways Traffic Board do not provide for the control as contemplated by this By-Law.

THEREFORE the Council of the Municipal District of Vermilion River No. 71 enacts as follows:

> The term "truck" shall include all trucks with a rated capacity of one ton or more and the term "tractor" shall include traction engines operated on wheels and also such motor vehicles as run on tracks.
>
> No person shall operate any truck, trailer, or tractor on any district road, local road or portion thereof during any rain storm or during a rainy season or at any time when the said vehicle breaks through the surface of the roadway or causes rutting or breaks chunks of road materials from the road bed.
>
> Any person or persons who are found guilty of a breach of this By-Law shall be guilty of an offence, and liable on summary conviction for a first offence to a penalty of not more than twenty-five ($25.00) dollars and costs, for a second offence to a penalty of not more than fifty ($50.00) and costs, for a third or subsequent offence to a penalty of not more than one hundred ($100.00) dollars and costs, and in default of payment to imprisonment to a term of not more than 60 days.

BY-LAW No. 906 Done and Passed in Council on the 3rd day of April, 1957, A.D.

AMENDING BY-LAW No. 984 passed in Council on the 3rd day of April, 1958, A.D.

Our Trip To England

By WM. B. ELFORD

Knowing Mr. W. B. Elford's ability to tell a vivid, humorous story, The Standard invited him to write an account of the recent trip to the Old Country enjoyed by himself and Mrs. Elford. The following is the first instalment:

* * *

For many weeks my wife and I had been looking forward to an adventurous trip which would take us over the Polar regions by plane to the land of our birth — England.

Eventually the momentous day arrived and we were [illegible] prepared to take our courage in both hands (or, in our case, four hands) and boldly face whatever might lie ahead.

The date was June 17, and we had decided to travel by train on the first lap to Edmonton. And we were very happy — for awhile.

But it was here, right at the start of our trip, that we met our first rebuff.

It happened when the Stationmaster told us we had to buy tickets before we boarded the train. Not having travelled by train for several years, I was not familiar with this procedure. I argued that the Canadian National Railway was owned by the Federal Government which really was the people of Canada. It followed, therefore, that, as a taxpayer, I owned at least a small part of the Railway system. After all, this is a democratic country: and I was not asking much since my wife and I did not take up much space in the coach.

However, the Stationmaster was adamant, so I reluctantly paid the fare, but incidentally made a mental note to deduct the amount from next year's income tax.

I must state that, from this point, the Stationmaster was most solicitous. He even went to the trouble of telling the Engineer that there were two very important personages on the train and that he should go slowly around curves, watch for school zones and constantly remember that "Courtesy is the rule of the road."

The actual trip to Edmonton was very pleasant and uneventful. However, we were rather disappointed when the train arrived at Edmonton. His Worship Wm Hawrelak, the Mayor of Edmonton, was unable to greet us at the station. (He had evidently sat up all night trying to catch up on his homework.) But, at least he was thoughtful enough to send the Head Janitor of the Civic Block to act on his behalf. (We found this Head Janitor to be a very affable gentleman and he certainly looked cute in his T-shirt and overall.) But the next day was the real day. We were to be at the Airport one-and-a-half hours before the plane took off at 4 p.m. This we dutifully carried out: and, after certain formalities regarding luggage, weight and passports, we sat in the capacious lounge room awaiting the announcement of the departure of our plane. Here again we were bunted off our schedule: since, owing to an influx of American planes at the Edmonton Airport, we had to be transported by coach to Namao Airport, a few miles north. And here we thought was the real thing. And it was!

So now we were to board the plane. This was accomplished by means of a movable stairway consisting of very steep and narrow stairs, which passengers ascend in double file. Most of the climbers find some difficulty in navigating this ascent. I personally found it rather arduous until I noticed a gentleman of very generous proportions in the adjoining file. He probably weighed about 240 pounds but seemed to be possessed of more than average agility. Here I thought was an opportunity not to be overlooked. So I shifted from my side of the double file to the other side, which placed me immediately in front of this gentleman. Now, all I had to do was to place one foot on the next step and my other foot was automatically propelled upwards by the cushiony paunch of this helpful individual. This was very successful up to the top of the stairway, but when we arrived at the entrance to the cabin, he gave me one last push with his paunch which promptly precipitated me right in the arms of one of the two stewardesses who were waiting to welcome the passengers. (And I certainly didn't mind that!) We were then conducted to our seats which were conveniently situated right across from the entrance to the cabin. (This entrance by the way was also used as an exit which enabled my wife and I to get off or on the plane at will on the trip.)

Once ensconced in our seats we awaited the take-off. This consisted of taxi-ing around the runways. (Still on the terra firma but, fortunately, for no extra charge.)

This formality over we started to climb up to the nuclear regions. (This is accomplished by gradual ascents until the plane reaches what they term "normal cruising height"). During this climb we were instructed to fasten our safety belts which consist of a canvas strap attached to each seat and which is enfolded around the abdomen. So far, so good: but nearing the peak of our "cruising level", we were ordered to tighten our safety belts. This I took to be a warning to the passengers not to be too optimistic about the size of the meals we were to be served on the trip. This surmise, I must admit, later proved to be unfounded.

Eventually we reached the desired cruising altitude and the fact was announced over a public address system, presumably from the control room. This announcement gave the added information that we were flying at a height of 17,000 feet. (I am not prepared to substantiate this calculation, since, from where I was sitting, I judged the altitude to be less — probably not more than 16,980 feet.) But I was in no mood to argue and, after all, Captain Emmery, the skipper of our plane, which bore the illustrious name of "The Empress of Toronto" was entitled to a little leeway on these matters.

So we resigned ourselves to the inevitable and adjusted ourselves in our seats — there to ponder over the whole situation. Personally, I was assailed by thoughts of varying emotions and it was with much trepidation that I viewed the hazardous journey which confronted us. Were we wise to even consider such a trip? Supposing the exit door was accidently left open and we fell 17,000 feet down to the bleak, uninhabited rocks below! There we would be without a roof over our heads, and probably not even soles to our feet, possibly to be found by Polar bears who would horribly maul us and eventually eat us. Or we would be hunted by a band of roving Eskimos looking for human targets for a little practice in harpoon throwing. Then it suddenly occurred to me that this type of sordid meditation was unworthy of such personages as my wife and myself. Were we not (at least to some extent) pioneers in this aeronautic method of crossing the Arctic circle? I understand that passenger service over the Polar regions was inaugurated by the Canadian Pacific Airlines when the plane (christened by Mayor Wm Hawrelak as the "Empress of Edmonton") left Edmonton for Amsterdam in April of this year 1958. So by making this trip a few weeks later we must be considered, at least, among the very early air travellers on this particular route to Europe.

We confidently expect, therefore, that in the years to come the history books of this country will find our names listed with such illustrious Polar explorers as Peary, Amundsen and Stefansson.

But now to resume our trip. Everything was pretty smooth flying — the stewardesses were most solicitous regarding our comfort — frequent refreshments were available and up - to - date periodicals were distributed to all who wished to pass the time in reading.

For my part I realized that we were fast approaching the North Pole and it had always [illegible] my ambition to carve my [illegible] on this structure. And then, [illegible] ing out of the window, I [illegible] plainly see it, not more than [illegible] yards away. Rushing to [illegible] Control Room I persuaded [illegible] pilot to fly in low gear and cruise around a bit while I accomplished my purpose. Dropping lightly from the plane's exit door, I landed right side up and then jumped from one iceberg to another, until I stood at the base of the Pole itself. Here I was at the very roof of the world and few could possibly imagine the emotions that surged through my breast. But action was necessary, so, grasping by jack-knife in one hand and my passport in the other hand, I began to climb to the top of the Pole.

And it was at the very peak that disaster overtook me! I dropped my jack - knife! I could hear the groans of passengers watching my efforts from the plane windows, and who, up to this point had been madly applauding me. I was beaten! I could not make another try as the pilot kept on honking his horn and was evidently prepared to continue his journey without me. However, safely back in the plane I was the recipient of many congratulations for my gallant though unsuccessful efforts. Several of the passengers had taken snapshots of my exploit and told me they would treasure them as souvenirs. Souvenirs! Ye Gods! I have a souvenir that will still be a constant reminder to me personally long after their films are faded and forgotten. As a matter of fact I can assure you that I descended from the top of the Pole in much less time than it took me to make the arduous climb. To be bluntly frank dear readers, did you ever get a splinter from the North Pole where I got one?

This episode, of course, was an impromptu stop on the journey to Europe.

Our first official scheduled stop was at a place called Frobisher Bay, where the plane went through the process of being refilled with gasoline, oil and what not. Here all passengers and crew disembarked in order to do a little leg - stretching and where those who desired it were regaled with cups of coffee. Personally I was not interested in this gesture of hospitality. I remember [illegible] told many years ago, by a prominent medical authority that coffee contained caffeine (a drug of some potency) so, not wishing to become a drug addict, I have always steadfastly refused to imbibe the insidious beverage.

Now, after a short stay, we file back to our respective seats on "The Empress of Toronto", sit down complacently and view the clouds below — beautiful, but monotonous. And this goes on for many miles. But there is an end to everything in this world and it came with another announcement over the public address system: "We are nearing the city of Amsterdam — please adjust your safety belts. We shall start to descend in a few minutes."

This was the signal for the greatest animation we had yet witnessed on the plane. The ladies (with the aid of eyebrow pencil, lipstick and face cosmetics) were, in the space of a few minutes, transformed into glamorous replicas of Marilyn Monroe or Greta Garbo. The gentlemen contented themselves with combing their hair, putting on their shoes and straightening their ties. For my part I travelled comfortably — no tie no braces, no money!

However, during the time I was waiting for the other passengers to disembark at the Amsterdam Airport, I reviewed some of the lessons in the Dutch language which I had received from Mr. Van Wageningen, a gentleman who is widely known in this part of Alberta. He very kindly taught me a number of phrases which would be useful to me in Amsterdam including such friendly greetings as "Please scratch my back," "How is your old man?" and "Where is the nearest store where I can buy bubble gum?"

This I must seriously say about the city of Amsterdam, — viewed from the air, at a height of several thousand feet, it is an unforgettable sight. It appears to have as many canals as streets and, with the surrounding country, is a place of enchanting beauty. Here too, in Amsterdam must be almost the greatest airport in the world. It seems to be the focal point for all airplanes travelling Europe and it is most efficiently operated by the most courteous officials.

Much as we would have liked to see more of Amsterdam we were due to continue our journey to London Airport where we landed during a downpour of real English rain and with no hotel within miles.

Free! Free!

MIRACLE PLATE Silver and Gold CLEANER

Cleans and brightens Gold and Silver instantly . . . No rubbing . . . no caustic boiling. Removes tarnish, protects and cleans silver plate, solid silver and gold, — also silver jewellery.

The new method will not harm, as you eliminate hard rubbing, therefore protecting your silver and gold.

VERY EASY TO USE!

Subscription Premium Offer!

The Standard will give away, ABSOLUTELY FREE, one MIRACLE PLATE, as follows:

1 New Subscription .... 1 Plate
2 Years Renewal Subscription ... 1 Plate

Subscription rates remain the same:
ONE YEAR ..... $2.70 TWO YEARS $5.00

If you live out of town and wish to obtain one of our premium MIRACLE PLATES, fill in the attached form and add 10c for mailing.

Health Unit Notes

[redacted]

During the past two months, our Health Unit Staff has been examining many of the pre-school children in our area who will be commencing school in September. The most common single defect found was dental decay and so we think it advisable to discuss dental health.

Good teeth are necessary for four reasons:

a. For good health.
b. Good looking teeth aid good appearance.
c. For proper chewing.
d. They assist in speech.

Nature has provided us with two sets of teeth, primary (or baby) teeth and secondary teeth. There are twenty-one primary teeth and these are partly formed before the child is born. They begin to appear when the baby is about six months old and usually have erupted by the time baby is two and a half years. Normally they are all lost by the age of 12. They should not be considered as temporary teeth but as foundation teeth and should be preserved in health until the secondary teeth are ready to erupt for four reasons (a) For proper chewing of food (b) To help guide the secondary teeth into position (c) To aid in normal jaw development (d) To prevent irregularity of the second teeth. Normally there are 32 secondary teeth and they begin to appear between the fifth and seventh year.

The child should be taken to the dentist soon after the baby teeth have appeared at about the age of 2½ to 3 years and thereafter at least twice a year and more often for dental examination. If decay is found early, the dentist can remove it with little or no pain, and fill the cavity while it is small and thus preserve the tooth. If treatment is delayed, decay progresses towards the pulp (nerve) in the centre of the tooth and later leads to an abscess and sometimes illness.

The mouth is an ideal place for the growing of disease germs. The cleaner the surfaces of the teeth can be kept, the less inviting they are to germs. The grooves on the chewing surfaces of the teeth, the surfaces between the teeth and also the surfaces near the gum margins require special brushing and decay usually begins here.

Take the child to the dentist before discomforting operations are necessary. This will prevent fear of the dental office and enable the dentist to make friends with the child.

Teeth should be brushed regularly and thoroughly because brushing helps prevent decay and improves their appearance. The teeth should be properly brushed after each meal or at least every night before going to bed and every morning after breakfast and the mouth should be thoroughly rinsed with warm water. Children should use a small tooth brush and adults one of medium size. Your dentist will advise you regarding the type of brush and the tooth brushing method best suited to your mouth.

Diet is important in growing and maintaining good teeth. Some foods are more nearly adequate than others for protecting health and promoting growth. They are called "protective foods" and should form the basis of meal planning. These foods include milk and milk products, vegetables and fruits, whole grain cereals and breads, eggs and lean meat, poultry and fish.

In the research field many workers agree that there is a relationship between candy-eating or excessive amounts of sugar and dental caries. By restricting the amount of sugar in the diet, it has been possible to partially control dental caries. A special effort should be made daily to include raw or crisp foods requiring chewing such as bread crusts, celery, hard toast and lettuce.

Dental defects may lead to: 1. Pain 2. Irritability 3. Loss of teeth 4. Loss of chewing surface 5. the omission from the diet of foods which require chewing 6. Bad breath 7. Loss of good looking natural expression 8. Self consciousness and an inferiority complex 9. An unsightly condition of the teeth and malformation of the jaw 10. Lowered physical resistance and impairment of good health 11. Great expenditures for correction.

BABY & PRE-SCHOOL CLINICS

Monday September 1 - Vermilion (Clinic will be cancelled due to a holiday)

Tuesday September 2 - Wainwright Office 2 to 4 p.m.

Thursday September 4 - Derwent School 10.30 to 12 noon.

Thursday September 4 - Clandonald School 2 to 3.30 p.m.

Thursday September 4 - Kinsella (Hotel) 2 to 3 p.m.

Friday September 5 - Dewberry (Clinic will be postponed till Friday September 12)

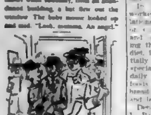
If all practiced what they preached, preaching would soon become a lost art.

A GOOD BUY

Cozy five-roomed house, garage on one acre corner lot. Five miles west on highway 16. Cash only. Apply Owner, Philip Duffy or box 1751, Vermilion. 6-7

We are now entering the season when politicians are willing to give the taxpayer the shirt off his own back.

Animal Kingdom. The story is being told of a momma mouse and her baby mouse who were walking along at night when suddenly, from an abandoned building, a bat flew out the window. The baby mouse looked up and said, "Look, momma. An angel."



The wife of a middle-aged business executive met him at his office late one afternoon. As they were going down in the elevator, it stopped and a high-octane secretary got on. Poking the executive in the ribs, she said gaily, "Hello, cute pie!"

Unperturbed, the executive's wife leaned over with a smile and announced, "I'm Mrs. Pie."

The dentist told the millionaire Texas oil man that his teeth were in perfect condition. "But I feel lucky today," pleaded the Texan, "drill anyway!"

AROUND TOWN

"I want to ask you a very important question Gwendolyn, provided you don't rush out and quit your job!"

McIntyre-McEwen Nuptials At Lloydminster United Church

Grace United Church, Lloydminster, was the scene of an attractive afternoon wedding on Saturday, June 21st when Doreen May eldest daughter of Mr. and Mrs. Russell McEwen of Hewitt Landing, Sask., became the bride of Mr Robert George McIntyre, son of Mr. and Mrs. W. J. McIntyre of Vermilion.

The wedding ceremony was performed by the Rev. R. R. Smith before an altar banked with vases of pink and white mums.

The radiant bride entered the church on the arm of her father to the strains of "The Wedding Hymn" played by Mrs Elliott.

The bride looked lovely in a traditional white floor-length model of lace and nylon net over taffeta, the fitted bodice finished with tiny buttons down the back, was dotted with iridescent sequins and featured a scalloped neckline and lilypoint [redacted]. Her fingertip veil was held in place by a crown decorated with mother of pearl sequins and she carried a cascade bouquet of red sweetheart roses. Her only jewelry was pearl earrings, gift of the groom.

Misses Betty Lou Rooks and [redacted] of Lloydminster, were bridesmaids and wore identical waltz-length frocks of nile green nylon patterned with tiny pink flowers. They wore matching nile green headpieces and carried bouquets of white carnations. Their jewelry was pearl necklaces and earrings, gift of the bride.

Mr Keith McIntyre brother of the groom and Mr Bill McEwen brother of the bride were best men. Ushers were Mr Leo McCambridge and Allan McEwen.

Following the ceremony a reception for 150 guests was held in the Elks hall, Lloydminster, where the bride's table was laid with white linen and centered with a beautiful three-tiered wedding cake made by the bride's mother.

Miss Mary Ellen McIntyre, sister of the groom, was in charge of the guest book.

The toast to the bride was proposed by the Rev. R. R. Smith and telegrams of congratulations and good wishes were read by Mr. Keith McIntyre.

For her daughter's wedding Mrs. McEwen chose an afternoon dress of printed silk in pretty shades of blue with which she wore a white hat and accessories. Her corsage was pink carnations.

Mrs McIntyre, mother of the groom, wore an afternoon [redacted] of a dusky rose shade, with white model hat and accessories to match. Her corsage was pink carnations.

For a honeymoon trip to Jasper and Banff the bride changed to a brown print silk dress and beige bengaline duster complemented with white model hat and accessories. On their return the happy couple will make their home in Vermilion.

Included in the list of out-of-town guests were: Mr. and Mrs. Ed Pitterson and Eric, Mr. and Mrs. John Hedlund, Mr. and Mrs. A. Brunner and family, Mr. and Mrs. Art Patterson and Norma, Ernie Casselman, Miss Audrey McIntyre, Miss Viola Varbiles, Mr. Walter Johnson, Mr. and Mrs. Fred West and Ken, Mr and Mrs Pat McCambridge, Mr. and Mrs. Mike Simonet, Mr. and Mrs. Stan Jones, Mr. and Mrs. Walter Coulter, Mr. and Mrs. Floyd Botorff, Mr. and Mrs. Ort Strome, and Beverly, Mr. and Mrs. Wm. Hall and Janet, Mr. and Mrs. Bob Maggs, Miss M. Knutson, Miss M. Perri, Miss Jean McPhee, Miss Pat Mullen, Miss Lillian Halvorson, Miss Marie Charchun, Miss A. Keith, Mrs. Nellie McFadden, Miss Mildred Scarfe, Mrs. Alf Scarfe, Mr. and Mrs. George Richardson and Karen, Miss Alice Rodermond, Miss Ann Crossen, Mr. and Mrs. George Farkash, Mr. and Mrs. Rock Mead, Mr and Mrs. Harvey McLeod, Miss Patsy Cross, Mr. Dave Chase, Mrs. Glenn Broadhead.

World Famous Don Cossack Chorus To Appear Here

New and outstanding musical entertainment will be presented to the people of Vermilion and the surrounding district on October 10 when the Vermilion Rotary Club will sponsor the world famous Don Cossack Chorus and dancers in their appearance at the new Composite School auditorium. This is the first time in the history of the town that a group such as this has played here. They are possibly the most famous musical group ever to appear in town or district.

This season is the 19th annual cross-country tour of the famous Chorus, an attraction that is becoming as familiar a part of the Canadian and American scene as the National Baseball League or a famous circus. Season after season, the dashing Cossacks sing their musical journeys across the land, winning new fans and pleasing old ones with their stirring music, their brilliant [redacted] and sensational dancers. Sometime this coming season the Cossacks will give their 7,000th performance.

The first concert of the original General Platoff Don Cossack Chorus and dancers was sung in Vienna in 1927: their first concert in Canada was December, 1938 and the first in the United States was at the San [redacted] World's Fair in 1939.

There are many famous Cossack dances for which the Chorus is famous. One, the spectacle of a dancer juggling 10 knives from his forhead, shoulders and clenched teeth is startling enough to hold any audience breathless. In the final dance a dozen men join in, each vieing with the other in spectacular leaps and whirls while the rest of the Chorus keeps time with shouting and clapping.

Tickets for this production will be on sale shortly in Vermilion and throughout the district: they can be obtained from any member of the Vermilion Rotary Club, or by writing E. H. Buckingham, Vermilion. The admission price is set at $2.00 per person, a price much below the cost [redacted] provided in either Edmonton or Calgary. It is felt that there will be a very keen demand for tickets and it is suggested that you arrange a party now to plan to attend this outstanding production, and that you get your tickets as soon as possible, to avoid any possibility of disappointment.

The New York Times is reporting on a concert attended by 14,000 at New York "they greatly delighted the enthusiastic audience. Mystic, religious effects and boisterous humor were successfully projected." This is an oportunity for all to see and enjoy one of the world's most famous groups, an opportunity which none should pass by.

Mannville Student Attains High Marks

MANNVILLE. — Harold Kruschnig, grade 12 student of the Mannville high school, passed the recent grade 12 departmental matriculation examinations with the high honors standing of 87 per cent. By attaining this outstanding mark Harold wins the Alberta Wheat Pool 3-year scholarship which is for $500 for three consecutive years in higher education. The brilliant young student whose picture will appear in the Standard next week, also becomes eligible for the scholarship of $500 awarded by the Alberta Hotelmen's Association.

[redacted] to say Harold is the recipient [redacted] congratulations while the Mannville high school teachers are also basking in the reflected glory.

No Deer Season In This Zone

Shooting of [redacted] in zone 21, which includes Vermilion district, is prohibited this year. [redacted] extends from Calgary [redacted] and north to the North Saskatchewan river.

This is an amendment to the big game regulations, as it was previously announced that there would be an open season on deer from Nov. 1 to Nov. 8th.

Remember hunters — no deer shooting in zone 21. 8-11

Town Elections Loom This Fall

Town elections now loom up in the fall instead of in the spring due to a change in the Town [redacted] Act, consequently nomination day is Wednesday, Sept. 24th with election day three weeks later, Wednesday Oct. 15.

In Vermilion this calls for some serious thought as the terms of two councillors, G. W. Sutherland and Percy E. Cooper expire, while councillor E. A. Locke has recently sold his holdings in town and is no longer a ratepayer. This means that he will retire from the council at election time as well. This calls for three nominations and if Sutherland and Cooper decide they have had enough municipal administrating, three new mem[redacted].

Another thought also on the election scene is that Mayor Hill whose term has another year to run, could take a notion to do some travelling, having recently retired, which might just mean his resignation from the council also.

Attention Residents Health Unit Area

Notice has reached the local Health Unit from the Hospital Division of the Department of Public Health in Edmonton that a survey of the need for nursing homes in Alberta is now being made.

In order to help with the survey Minburn - Vermilion Health Unit will have to estimate the number of bed patients being cared for at their homes within the Unit boundaries, and who would be cared for in a nursing home if such were available.

Since this is very important to all who have friends or relatives who are bed-patients being cared for at home, all help possible would be appreciated in this matter.

Please forward to the Health Unit, the name, address, age of the bed-patient and the name of the disease from which patient is suffering together with name of doctor as soon as possible to this address:

Medical Officer of Health,
[redacted] Unit
No. 12
Vermilion, Alberta.

Self-discipline your mental forces and you will have mastered the forces of life.

Cardinals Again Win Ladies' Intermediate Fastball Title

The ladies fastball team have again brought honor to Vermilion by retaining the Alberta Intermediate "B" fastball championship.

The Cardinals, under the management of Herman Rowher Sr., and coached by Johnny Gordey and Bert Moore journeyed to Calgary over the long week end to meet the other semi-finalists, Bowness Montgumeries and Grande Prairie.

The first game of the double knock-out series got under way Sunday afternoon with the Cardinals meeting the Southerners. Sparked by the battery of Eva Gordey to Lillian Thompson, the "Cards" took an early lead and helped by Hazel Barr's home run in the third inning, went on to defeat Bowness 15 - 3. The next game saw Bowness and Grande Prairie fight a tight battle with Bowness emerging the winners.

In the last game of the day, Vermilion again became winners by taking Grande Prairie completely out of the series with a 4 - 1 win.

On Monday morning the Cardinals again met Bowness. The Montgomeries took a lead of 2 - 0 for 3 innings until Vermilion's strong supporters, Brown, Joe & Co., led the Cardinals out of the rut with their "razzing yells." The two teams fought a tight battle, with the "Cards" again proving themselves to be Alberta's best by defeating the Cowgirls 8 - 5.

The battery for all three games was Eva Gordey to Lillian Thompson. The line-up was: Lillian Thompson c, Eva Gordey p, Doreen McDougall 1b, Edith Millar 2b, Edna Martin 3b, Alice Winters s.s., Hazel Barr l.f., Lucille Thompson c.f., Lila Porter r.f. Carol Hines, Lillie Scott, Sandra Park, Roseanne Nelson, Helen Novak, Betty Robinson.

THANKS FOR SUPPORT AND HELP

The Cardinals would like to take this opportunity to thank their manager, Herman Rowher Sr, coaches Johnny Gordey and Bert Moore, and all the business people and residents of Vermilion who supported the team this season, as well as all those who donated towards the trip to Calgary. The following are those who financed the trip south. Checker Transport, R. H. Norton, Delainey Implement Co., Harcuthers, S. C. C. T. Heckbert, Champion's, The Standard, Long's Drug Store, McLennan & Rooks, The Vermilion Hotel, Harry's Tailor Shop, The Brunswick Hotel, Mike White, I. Gordon, Jack Tucker, Canadian Legion, Vivian's Style Shop, R. Carroll, Renaud & Casey Hardware, F. French, M. Simonsen, R. Boake, D. E. Maxwell, Vermilion Welding, W. H. Little, Vermilion Petro Distributors, Cockshutt, Wainwright Producers, G. A. Park, McColl Frontenac, Joe Green Sr., Ches Waldenberger, G. Ross, Ken Isley, G. Glass, T. Watts, Shoprite, Albert Miller, A. MacMillan, J. Baddock, K. Urquhart, McWilliams & Long, Macleod's Ltd., McLaughlin's, Rowe & Sons, Chas. Upshall, Civic Tire & Battery, C. McCormick, Stanley Motors, Curtis Martin, Vermilion Wholesale, Dr King, Kupin's, Dargatz Tire Service, Variety Store, C. Morem, Boston Cafe, Bernie's Bakery Co-Op, Canadian Order of Foresters, M. Jackson, Columbia Theatre, O. Strome, W. Cross, T. C. Marshall.

School Attendance Passes 800 Mark For New High Total

School [redacted] went to 807, over the 800 mark for the first time in the history of Vermilion with attendance in the various grades and number of rooms taught as follows:

Grade 1:	3 rooms	77
Grade 2:	3 rooms	77
Grade 3:	2 rooms	70
Grade 4:	3 rooms	67
Grade 5:	3 rooms	71
Grade 6:	3 rooms	83
Total		445

These figures at present make a total of 445 but nine more children have been registered and 454 will be attending before the week is out. The above rooms are being accommodated in the primary school, old brick school, the former junior high and former high school buildings.

AT NEW COMPOSITE SCHOOL

Attendance at grades 7 to 12 in the new Composite school is as follow:

Grade 7	2 rooms	75
Grade 8	2 rooms	61
Grade 9	2 rooms	53
Grade 10:	2 rooms	65
Grade 11:	2 rooms	49
Grade 12:	2 rooms	50
Total		353

It will be noted that there is a very large grade 12 this term, fifty as compared to 27 at the commencement of the term one year ago.

Kinettes Present Bookcase to Hospital

On Wednesday, August 20th, Mrs. Marguerite Webb, Past President of the local Kinette Club, and Mrs. Jean Inman, convenor of the Library Committee, presented a very attractive portable bookcase to the matron, Miss Jean McPhee, of the local hospital. This library is for the use of all patients, and will be kept filled with up to date magazines by members of the Kinette Club. It is of a portable type, which will enable it to be taken from floor to floor, as well as from room to room. It is hoped by this Club that persons being hospitalized will use this to help pass the time.

INSINCERE

It's a poor brand of religion that makes a man pray for his neighbor one day and try to sell him gold bricks the other six days of the week.

Movie Program Is Completed at Park

The program of picture shows undertaken for each Sunday evening at the band shell in the Vermilion park was completed last Sunday evening. A large crowd as usual was on hand for this entertainment.

The shows have been improved as time went on so that they were a genuine pleasure to watch by the time the last movie rolled around. The parks committee plan to continue with this much appreciated entertainment next season as it proved very popular.

It was quite remarkable the manner in which the films drew the crowds on Sunday evenings. The program usually consisted of a comedy or two for the kids, then a film of educational as well as entertainment value.

50-Lap Feature Race At Stock Car Races This Sunday

A fifty-lap feature race will highlight the program at Golden Speedway, Vermilion, this Sunday, September 7th. A handsome trophy will go to the winning driver.

In addition to the 50-lap event there will be a complete program as formerly. The meet is slated to start at 2.00 sharp. It is expected that a record number of stock cars will be on hand for this big event.

Vermilion Student Best In Canada

Ivan Cross, son of Mr. and Mrs. Pat Cross of Vermilion, a graduate in Commerce, has achieved a most remarkable record in winning awards in his field. Ivan is well remembered in Vermilion as he spent his boyhood years here. The first award won by Ivan was a gold medal given by the Society of Industrial and Cost Accountants of Canada, and was for obtaining the highest marks in Canada in Advanced Cost Accounting, 96%. The second medal was for obtaining highest aggregate marks in the final exams in B. C. These final exams included advanced cost accounting, industrial legislation, and business organization and management. Ivan now has the initials C.G.A. (Certified General Accountant) after his name, and following the writing of a thesis will have obtained his R. I. A. (Reg. Industrial Accountant).

Local Gardener Wins Flower Show Prizes

E. H. Buckingham showed in a number of flower classes at the recent Horticultural Show at Lloydminster. Mr. Buckingham won 15 prizes including 7 firsts.

There are a lot of good flower growers in Lloydminster, and around 650 entries were placed in the show. Mr. Buckingham is to be congratulated on his winnings.

Ladies' Golf Tourney Sunday

The ladies of the Vermilion Golf club will hold a tournament and social on Sunday, Sept. 7th with everyone interested welcome to play. Tee-off time is 10 a.m. with entry fee a modest $1.50, and this sum includes lunch. Teen-age players are very welcome to play in this tourney. 8-[illegible]

Resumes Weekly Meetings

New Business Men Introduced At Board of Trade Luncheon

Several businessmen who have come to town while the Board of Trade has been in summer recess were present at the opening dinner meeting on Wednesday. Introduced were Mr Rodi Renaud and Mr Gordon Casey, partners who are the new owners of the Nelson Hill Hardware store, and Mr Gerry Simpson, manager of the Monarch Lumber Co. here. Introductions were made by Jim Champion, Angus McMillan and Al Locke respectively. Another visitor present was Mr Doug Harney of Marshall Wells introduced by Russell Carroll.

In all, 28 businessmen attended this opening session and lost no time clearing things away for new action. Looming large in the field of activities will be new approaches to obtain industry to locate here: more publicity for the Vermilion provincial park and camp-site particularly as to being located on maps of oil companies, government publications etc. A new committee NEW MEN AT BD OF TRADE comprised of D. R. Mitchell, Dr. A. B. King and Gerry Simpson was named for this latter purpose.

TOWN & COUNTRY BANQUET

The entertainment committee has been busy and have already obtained an outstanding speaker for the town and country banquet to be held on Wednesday, Oct. 22. The speaker will be Mrs. Ellen Armstrong, President of the F. W. U. A. and a member of the executive of the Farm Women of the World, who has recently been on a world tour.

Acting principal Alex Palin announced the cheerful news that enrollment at the V. S. A. for this term had already reached 91, some 18 more than attended last term.

Ashley Cooper drew attention to the fact that nomination day for councillors was Sept. 24 with elections on October 15. As there are to be three vacancies he urged the business-men present to give vigorous thought to filling these with capable and interested [redacted].

[illegible] OF CARDINALS

The achievement of the Vermilion Cardinals Fastball team of winning the Alberta Intermediate Championship came in for much praise, and the matter of some sort of recognition for the team was left to the entertainment committee.

New teachers in the town will be guests of the Board at a dinner at an early date.

The Board will meet again on Wednesday next at 12.10 noon at the Rio with everyone interested invited to attend.

Tenants Move Into Imperial Block, Empty Twelve Years

The Imperial block, built by a company of British capitalists back in 1912 as a swank apartment and office block, and which enjoyed popularity for many years, only to fall on evil times which led to it being closed up to stand empty for 12 long years, is once more restored to its former splendor and enjoying the busy hum of life again.

Last year the block finally became the property of the town through tax recovery proceed[redacted]. It was sold to Mr Israel Miller, who engaged Mr [redacted] McCormick to completely [redacted]vate the second and third storeys. Eight fully modern and very inviting suites are now awaiting the tenants.

To achieve the present modern appearance the interior of the block was practically torn apart, all finishing work, door jams, window sashes [redacted] boards, wainscotting, plumbing and electrical wiring were torn out and replaced. Plaster board attractively painted now adorns the walls, modern cupboards and clothes closets with the latest in plumbing facilities, electrical fix[redacted] and [redacted] equipment have transformed this big apartment block into very desirable living accommodation.

[redacted] has experienced a brisk demand for the suites, until now only two of the eight remain empty.

Work is continuing and will not stop until the bottom floor is completely renewed.

A building which for years stood empty and useless is now once again occupying a useful and important role in the life of the town.

The original owner company gradually disintegrated through death until only one known director or member remained, the Count de Topor. He too passed away and the last remaining link with the company was severed. This company too built some half dozen large houses in the east end of town and sixteen small ones [redacted] street. These were all disposed of as time went on although for many years Count [redacted] a common term in Vermilion.

FREAK PIGS REPORTED

DEWBERRY - John Anderson of Dewberry has a pig on his farm which has three hind legs and only one front leg. The legs are properly placed, one hind leg being where a front one should be. The pig is in good health. At first it tried walking on all four but the misplaced leg proved awkward and little porky now travels holding the 'hind front' leg up.

MANNVILLE - R. Holder who farms 7 miles north of Mannville reports another freak pig. The animal has two snouts, both are perfectly formed each has a set of teeth and a tongue and the piglet takes nourishment. It also has three eyes.

The little fellow is one of a litter of nine and comes from a cross between a Yorkshire sow and Landrace boar.

Catches Fish in Great Bear Lake

Herman Dargatz had the experience last week of standing on the shores of the Arctic ocean then fishing in Great Bear Lake and returning home [redacted] the space of a few days.

Herman flew from Edmonton with his son-in-law Don Gavel who works and lives at Norman Wells. They went from there to the shores of the Arctic where they saw a radar installation in the Dew defence line at a spot with an Eskimo name of Tuctoyactuc. On the return trip they stopped off [redacted] caught some lovely 15 pound salmon trout at Great Bear Lake on Wednesday and these were packed in ice and in Vermilion Friday morning.

Grade XII Examination Results Above Average At Mannville

MANNVILLE. — The work of a well balanced, well qualified teaching staff plus earnest efforts of an especially capable and hard working group of students have resulted in above-average marks achieved by Mannville high school in the Grade XII examinations held last June. Eleven out of 17 candidates trying for senior matriculation have successfully attained clear passes with averages ranging from a minimum of 60% to a high of 87%. At least two others are expected to clear their standing by writing supplemental exams.

Two others succeeded in getting marks high enough [redacted] to schools of nursing. Twenty out of a total of 23 students taking sufficient credits for graduation, have earned their high school diplomas.

A breakdown by subjects shows the following results: Pass Standing 50% or over (Provincial average 85% pass) English 96% Social Studies 92% Mathematics 100% Chemistry 93% Physics 100% Biology 100% French 94%.

Matriculation Standing (50% or over) (Provincial average 60% pass) English 71% Social Studies 78% Mathematics 87% Biology 71% Physics 83% Chemistry 79% French 94%.

One student is reported to have won a valuable scholarship, while several others have standings which entitle them to substantial government grants or loans to aid their higher education. It is believed that no less than twelve of the total class of 28 students are planning to enter the University of Alberta this fall. Several others are entering nurses' training, technical training, or business colleges.

School of Agriculture Bursaries Still Available for Fall Term

Applications for bursaries offered by United Grain Growers Ltd for the fall term in agriculture at the [illegible] Vermilion School of Agriculture will still be considered if submitted by September [illegible] information received [illegible] from the Department of Agriculture, Edmonton.

The basic requirement for an applicant [illegible] 17 years [illegible] a home [illegible] or [illegible] have taken a leading part in community activities such as junior club work, etc. The bursaries are intended to help those who could not otherwise attend a School of Agriculture or School of Home [illegible] and who have proven themselves worthy of assistance.

Full information and application forms may be obtained through the offices of District Agriculturists, District Home Economists, Principals of the Schools of Agriculture or by writing to United Grain Growers Limited, Calgary.

Air Cadets Graduate From Training Course

EDMONTON — Two Vermilion airmen graduated from the R C A F's Reserve Tradesmen Training Plan 2-month summer course last week. They are AC1 M. H. Marshall, 16, son of Mr. and Mrs. T. C. Marshall, who graduated from the aero-engine technican's course with a final percentage of 80. AC2 A. W. Russell, 16, son of Mr. and Mrs. W. K. Russell, graduated from the airframe technician's course with a trade examination result of 61%.

ADVERTISING speeds the introduction of new products that are needed.

Earl Pollard Tells Rotary Of Indianapolis 500-Mile Race

Arrangements for the appearance of the Don Cossack chorus in Vermilion were discussed by Curt Alfke at a regular meeting of the Vermilion Rotary Club. Mr [redacted] said that this great aggregation of entertainers would appear in Vermilion on October [redacted].

This is a wonderful opportunity for Vermilion and district people to hear and see this famous group of artists.

Tickets will be on [redacted] committee in charge - Curt Alfke, Chas. Heckbert and E. H. Buckingham or from any Rotary member.

Chas Heckbert gave a talk on the history of the company known all over America and Europe as "Don Cossack Chorus."

The guest speaker for the meeting was Earl Pollard, who reported on his trip to see the world famous automobile race at Indianapolis, Indiana.

Earl said that there were 200,000 people in the grandstand and 25,000 cars were parked close at hand. It is a 2½ mile hard surfaced oval track.

In 1911 the winner's speed was 74 miles per hour but the record now stands at 135 miles per hour. The winner this year was Jim Byron. The meet was saddened by the accidental death early in the race of Pat O'Connor.

George Webb introduced the speaker and Reg Mitchell thanked him for a very fine talk.

Visitors at Friday's meeting were John Craig of Prince Albert Club, Dr Dickout of Lloydminster and Rene Hayward of Kamloops club. Guests were Morley Douglas and Mr Cook of Vermilion and Flight Lieut. Alton Ronning of R. C. A. F. at Saskatoon.

Vice-President Ross Boake was chairman of the meeting.

The "Human Who Failed" Is Dead

The most frightening aspect of the recurring list of human deaths in traffic on long, holiday week ends is the fact that 90 per cent of the fatal accidents need never have happened. That, claims the Canadian Highway Safety Conference, is another way of saying that more than 3,000 people, the population of a Canadian village, died without reason.

"The vehicle went out of control," usually heads the list of accident causes, reports the Conference, which means that the driver either forced his vehicle into a position where he could no longer command it, either through speed or stupidity, or lacked the facility to handle a vehicle in the first place. High on the list is "rear-end collision," chiefly parked vehicles struck from behind. In surprisingly many of these incidents, the parked vehicle is plainly identified — a truck with flashing lights showing, a car with parking lights on.

The people who died fall into three categories — driver, passenger and pedestrian. If bicycle riders can be listed with the pedestrians. On the traffic list drivers occur twice as often as passengers. Among killed pedestrians, [illegible].

Everywhere, human failure appears as the underlying cause of highway fatalities. If the human at the wheel had only acted as he should — and could have acted, the thousands who died would be living today. And these thousands, the Conference points out, include the humans who failed.

Accidents In Childhood

According to a survey by Rodney S. Fowler, M.D., published in [illegible] of August 15th, received by the Health League of Canada, accidents have become a very important cause of mortality and morbidity in all age groups but especially in childhood. In Ontario, from 1951 to 1955, they were the leading cause of death in all age groups from 1 to 35 years.

Approximately 1500 children die annually from accidental causes.

More children die annually from accidents than from the ten leading infectious diseases combined. The decrease in mortality from infectious diseases has made accident mortality relatively more important in recent years.

In Canada from 1922 to 1926, in the age group 1 to 14 years, there were on an average 11,734 deaths yearly due to infectious diseases and an average of 7704 deaths yearly due to accidents.

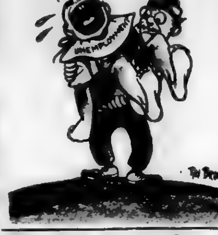
In the years 1942-1946 deaths due to acute infections dropped to an average of 5110 yearly while those from accidents rose to an average of 7315 yearly. During this 20-year period there was an increase in the population of Canada from about 9,500,000 to over 12,000,000.

The [illegible] continues that these mortality figures show only a small part of the problem. It has been estimated that for every fatality due to accident there are 100 accidental injuries and 10 permanent disabilities.

Some have estimated that for every fatal accident there are 150 non-fatal ones. Of 20,902 admissions to the Hospital for Sick Children in Toronto during 1956, 2006 (9.6%) were due to accidents, poisonings and violence.

Statistics from Europe and the United States also indicate a similar immense public problem, which is receiving all too little attention at present.

Anybody Got A Formula?



Health Unit Notes

FEEDING THE SCHOOL CHILD

Many children are now at school for the first time. Mothers will be faced with the problem of altering the plan of meals to see them through the day. Each meal must be complete in itself and contain all the things necessary to provide fuel for energy, heat and growth. That is to say a balance of carbohydrates (sugar and starches), fats, proteins (body building foods), minerals and vitamins. The following suggestions may help in planning meals:

BREAKFAST — This meal must be more sustaining than the child probably had before to give him a good start on his way and should always include milk and some form of protein (egg, bacon, meat, fish or cheese) as well as cereal and bread.

LUNCH — It will be hardest to plan if your child has to take a packed lunch to school but the essentials can still be provided even in a cold meal. Whole wheat bread, bran muffins and oatmeal products are better than white bread and cookies as they contain minerals and vitamins as well as fuel for energy. Fillings for sandwiches should be varied as much as possible; lettuce, grated onion, celery or carrot can be added to meats; flaked cucumber or tomato juice to fish; parsley or onion to egg; jam, jelly, nuts or lettuce to cheese; peanut butter with honey or fruit.

Raw vegetables such as lettuce, tomatoes, carrots, and radish add variety to the meal, and chopped dates or raisins and nuts are a nice surprise as is an orange or [illegible].

Milk, jelly, junket or pudding can be safely carried in a screw topped jar and hot milk, cocoa, or chocolate can be put in the thermos. Try to pack the meal attractively and with care so that one food does not spoil another. Ask your child to bring home what he does not eat so that you will be able to judge his appetite and avoid waste.

TEA — If your child has been away all day, see that there is a hot meal ready for him when he gets back in the evening.

Cod Liver Oil — The vitamins in this are essential to the growing child for hard bones, sound teeth, and protection from colds and respiratory infections. In the summer months the body manufactures its own supply but in the winter months cod liver oil is a *MUST* in the child's daily diet.

Progress in School — If your child seems unusually tired after school, lacks energy for play and fails to make the progress of which you think he is capable, look first to his diet as this together with insufficient sleep can so often be the root of the trouble.

Letters to the Editor

The Standard does not hold itself responsible for opinions expressed by correspondents

* * *

The Editor
The Vermilion Standard,
Dear Mr. Editor:

There has been much talk in recent weeks on the proposed deficiency payments to farmers.

One daily newspaper of local circulation referred disparagingly to the farmers being in need of a handout.

It is of common knowledge that agriculture throughout the dominion is in a depressed condition. Much of our produce must be freighted, at our expense, across a continent and an ocean and then must compete with subsidized agriculture of other lands.

On the other hand, the Canadian manufacturer of say, "paper napkins" is protected from competition from Great Britain by a tariff of 17 per cent, from commonwealth countries by a tariff of 22½ per cent and from the rest of the world by a tariff of 35 per cent.

The manufacturer of synthetic textile clothing rests safe behind tariff walls of 20 per cent, 27 per cent [illegible] most favored countries and 30 per cent plus a 7 cent per ounce tax from the rest of the world.

The Canadian consumer is subsidized by agriculture in that food, in relation to money earned, is cheaper in Canada than anywhere else on earth. Small wonder that the Canadian farmers feel justified when they say "we are just deficiency payments."

Thank you, Mr. Editor, for your valuable space.

Ralph A. Wilson,
Director, Dist. No. 7 F. U. A.

The Homemaker

DONNA SHANTZ
District Home [illegible]
Wainwright, Alta.

Do you find that with harvesting and school-opening and everything else that keeps you busy, you just have not time to enjoy life?

Do you realize that 5 minutes saved on dishwashing means 7 hours per month for other activities?

Maybe some of these short cuts in home management will help you:

1. Grease bake dishes generously.
2. Put all utensils to soak as soon as empty.
3. Soak all egg and milk dishes in cold water — dash cold water over egg beater, rolling pin, mixing bowls or anything with flour or dough to prevent sticking.
4. Scrape dishes and wipe the greasy pans with paper before [illegible].
5. Pour scalding water over dishes and pots, leave to dry. Bottles, sealers and saucepans may be dried quickly in a slow oven.
6. To quick dry cutlery — remove entire bundle from drainer with one motion, remove water with a quick shake, place on a folded towel, tines and bowls up, then pat with another towel on top, saves 43% time used to hand dry and no difference can be distinguished in appearance of the silver.
7. In a small family, wash dishes twice a day — saves time.

FOOD PREPARATION

1. Roll out cookies on cookie sheet, cut, pick up trimming and tins are ready for oven.
2. Roll out biscuits or pastry on floured canvas or brown paper. Canvas can be rolled around rolling pin and used again and there is no board to wash.
3. Keep some seasoned flour or sugar in paper bags to use to flour chicken, sugar doughnuts, etc., by placing food in bag and shaking.
4. Prepare major part of supper while getting dinner — cook dessert while clearing away dinner and cereal for breakfast enough for two days — while preparing or clearing away supper.
5. Use food chopper (coarse blade) to chop lettuce, apple, carrot, etc., for large bowl salad. Individual salads take more time than salad bowl salads.

More Tourists

Those who would cater to the traveller might take heed of the comment from a survey of summer visitors in Alberta. About one-third are campers this year. While national park registrations show a nice rise, of some 15 to 20 per cent, the level of spending is down by about 10%. Camping makes the difference, is the suggestion.

WOODVALE NOTES

Rain at harvest time after the hot, dry summer! Something almost everyone was afraid of. Maybe the long term weather forecast will be right again and a warm, dry September will follow. Quite a bit of harvesting has been done with often very surprising yields, up to 25 for wheat and 25 bushels of barley per acre on summerfallow.

This time we again have to extend sincere sympathy to a bereaved family upon the passing of Mr. Charles Young on August 25. Relatives and friends filled the Legion hall to pay their last respects and many stayed to comfort Mrs. Young and her children with their warm personal feelings for them and their husband and father who will be greatly missed, but so lovingly remembered.

Mrs. J. Wheeler of Pasadena, Calif., stayed for a two weeks visit with her niece Mrs. Thelma Sweeney and sister-in-law Mrs. Euna Lysons and got acquainted at a family reunion with all the children and grandchildren of her brother and enjoyed her stay here very much.

HARNESSING THE FLOOD

Mrs. Margaret Moore shown seated in the wheel chair in the above photo, recently celebrated her 90th birthday at Nelson, B.C. She is the mother of Mrs. William Krause and resided here for some six years with Mr. and Mrs. Krause before moving to the milder B.C. climate.

Four generations are represented in the picture, Mrs. Moore is holding her birthday cake; sitting on a stool is Bonnie Kahar, great granddaughter of Mrs. Moore, and standing from left to right are Mrs. Leslie Hall and Mrs. Frank Kohar of Nelson, granddaughter, and Mrs. Tom Rush of South Burnaby. Mrs. Hall and Mrs. Rush are daughters of Mrs. Moore.

Mrs. Moore has in all, two brothers living, Walter and John Birney of Calgary, one son Dick and four daughters Mrs. Hall, Mrs. Rush, Mrs. Krause of Vermilion, Mrs. Ray Leary Jennie of Langley Prairie. There are fifteen grandchildren and 19 great grandchildren.

Marwayne United Church Scene Of Pretty August Wedding

ISLEY—FRANKLIN

The United Church of Marwayne was beautifully decorated with summer flowers to provide a background for the wedding of Sheila Anne, eldest daughter of Mr. and Mrs. Lorne Franklin of Marwayne, to Ernest Douglas, son of Mr. and Mrs. Wesley Isley of Vermilion.

The double-ring ceremony was performed by Rev. C. W. MacKay of Vermilion. Music for the occasion was played by Mrs. Andrew Ferguson. During the signing of the register Mrs. Alex MacDonald sang "The Wedding Prayer".

Given in marriage by her father the bride looked lovely in a floor-length gown of lace and satin, the skirt being over a hoop. The over bodice was of Chantilly lace with a pointed lace down the back of the skirt and buttoned down the front to the waist with an attached overskirt of nylon net. Her veil was of nylon net decorated with lace motifs and held in place by a tiara of pearls and iridescent sequins. Her bouquet was twelve red roses with fern trim set in a lace and net doily. Her jewellery, gift of the groom, was a necklace and earring set of black [illegible].

The bridesmaid, Miss Janet Kent, wore a waltz-length gown of turquoise crystalette with a hooped skirt and fitted with a large bow at back hip line. Her headpiece was a matching tiara and she carried a nosegay of pink and white carnations.

Also attending the bride was Judy Bystrom, a cousin of the bride and Mary Isley, sister of the groom, as flower girls. They wore identical dresses of yellow crystalette over taffeta, and white headpieces and carried baskets of sweet peas.

Attending the groom was Mr. Gilbert Kerr of Lousana.

For her daughter's wedding Mrs. Franklin wore a two-piece dress of green linen with white accessories and a corsage of pink roses.

The mother of the groom chose a dress of dark turquoise crepe with white accessories and a pink rose corsage.

Mrs. Reichenbaugh, grandmother of the bride, wore a white trimmed dress of green with white accessories and a corsage of candy striped carnations.

The groom's grandmother, Mrs. Ross, wore a printed rayon dress of navy and white with navy accessories and a candy striped carnation corsage.

A reception for approximately 160 guests was held at the Franklin home at South Ferriby. Miss Glenda Bystrom was in charge of the guest book. Mr. William Curtis proposed the toast to the bride which was fittingly responded to by the groom.

The bride's table was centred by a three-tiered wedding cake baked by the bride's mother.

The bridal party drove to Lloydminster for photos and later opened gifts at home received by Carol Franklin from many friends and relatives.

A dance followed later in the evening with music supplied by the Combos which was well attended and enjoyed by all.

The couple left for a honeymoon to Banff and Jasper. The bride wore for her going away outfit a dress of pale blue and a navy duster with pale blue lining and white accessories.

The couple will make their home at Brownfield where the groom will commence duties as a teacher for this term.

Sixty Attend Catechism Camp Held At Raft Lake

MARWAYNE. — A mixed Catechism camp was held at the K. of C. 15-acre campsite at Raft Lake from Aug. 10 to 16. In all, 61 boys and girls attended from Clandonald, St. Andrews, Dewberry and Marwayne. The girls were housed in the large dormitory which the Knights had built and the boys were in tents. Catechism was taught during the usual school hours. Teachers were Rev. Mr. Joseph McGuckin and Rev. Mr. John Nowakowski of Clandonald. These two young men will be ordained to the priesthood shortly. Assisting with the teaching and helping in the camp were Louise Garnier, Joan Leslie and Gloria Nowakowski. The camp was organized and supervised by the Rev. Fr. Hensel of Clandonald. The time table was as follows: 7:30 a.m., rise, morning prayers, breakfast, work orders or free time. At 9, classes until 10:15; quarter hour recess, classes again until 11:45; Angelus; dinner at 12. After dinner work orders and 45 minute siesta. Class again from 1:15 [illegible] with another 15 minute recess. From then until supper at 6 games were played and 6:30 until 7:30 ball games, swimming, etc. A campfire, sing-song and a weiner or marshmallow roast was then enjoyed with a spiritual talk. Lights out at 9:30 finished the day.

Each day different ladies from Clandonald and Dewberry cooked and served bountiful meals. Some of the food was bought and some donated. Anyone who had children at the camp can be assured that the food was good. The writer visited the camp one Friday afternoon just as supper was being prepared. It consisted of salmon, mashed potatoes, a green salad, cream corn, devilled eggs with jello and whipped cream for dessert. The rest of the meals during their stay were just as delightful and satisfying.

Father Hensel is to be congratulated and thanked for the hard work and time that he put in organizing and supervising the camp and classes. Thanks also to the teachers, helpers and the cooks.

This camp is to be an annual affair and as each year comes there will be many improvements. Judging by the laughter and comments the children enjoyed their camp very much.

Marwayne F.W.U.A.

The regular meeting of the Marwayne F.W.U.A. was held at the home of Mildred Sinclair on Aug. 25th with Margaret Miller and Frances Gray co-hostesses. There were 18 members and 2 visitors present. The meeting opened with the singing of "Bringing in the Sheaves."

After the report of the horticultural show was given a discussion was carried on as to ways and means of improving next year's show.

A motion was made to donate $20 to the Home and School. It was decided to cater to the wedding reception for Joyce McClean at 5 o'clock Oct. 3rd. Committees were formed as follows: Food — Dorothy Milne, Ruby Hale, Lillian Tupper; Dressing — Alice Dowling, Violet Elliot, [illegible] Kvill, Gladys Hutchinson; Dishes — Betts [illegible] Parker. Instructions will be given at the next meeting.

A [illegible] on "Arthritis" was read by President Frances Gray.

Dorothy Milne completed her very interesting report on Farm Women's Week.

Next meeting will be Sept. 22. Hostesses are Angeline McClean, [illegible] and Kay Hillaby. The roll call will be "The Most Unforgettable Character I Have Met".

Migratory Game Bird Season Opens Saturday, September 6th

The migratory game bird season for this area will be officially open one-half hour before sunrise on Saturday, Sept. 6th.

Hunters are asked to note that this does not include upland game birds. The season on these will not open until 8 a.m. Oct. 11th.

BAG LIMITS

Bag limits for ducks: 10 per day, possession limit 40 (of which not more than 20 may be species other than Mallards).

Geese — 5 per day, possession limit 15. Ross's geese are protected at all times and must not be shot.

BE A SPORT

Enjoy good hunting; obey the game laws and bag limits; give your quarry a 'sporting chance', never shoot a 'sitting duck'.

HUNTERS, spare those swaths. Already farmers are finding that hunters with special licenses are driving over the grain swaths, flattening them down worse than the ducks. Hunters should not drive their cars over swaths of [illegible]

Sixteen Years Ago

Sept 3rd, 1942

Five persons were injured on Aug. 27 1½ miles east of Mannville when two cars were in a head-on collision. Among those injured were W. J. Whitehouse editor of the Mannville Mirror and Mrs. Whitehouse both of whom suffered fractured arms; Mrs. J. Sprakow and daughter Faye who each suffered cuts and bruises. In the other car and seriously injured was Duncan Springham, traveller for Mid-West Paper Co. Edmonton, who received cuts, bruises and a jaw fracture and J. A. Perron of Edmonton, traveller for National [illegible] and Confection Co., who escaped serious injury.

One hundred and twenty-eight students registered at the Vermilion High school on opening day and this number set a new attendance record for that institution.

Four town and district boys have joined the Air Force. They are Charles Heckbert son of Mr. and Mrs. S. C. Heckbert, Morley Swanson, son of Mr. and Mrs. D. H. Swanson of the Campbell Lake district; Marlie Anthony Logan, son of Mr. and Mrs. John Logan of Ranfurly and Edward George Snelgrove, son of Mr. and Mrs. Steve Snelgrove of the Mary Lake district.

32 Years Ago

Sept. 2nd, 1926

J. W. G. [illegible] received the unanimous nomination of the Conservative convention held at Wainwright.

Harvesting has been held up by cloudy weather.

48 YEARS AGO

I. Witherle, lumber merchant from Fish Lake, Sask., is spending a few days in town.

Armstrong Bros. intend to steam up for the 1910 threshing season on Monday, Sept. 6th.

A cricket match, Campbell Lake vs. Vermilion, will be played on Thursday at 3 p.m.

School inspector H. R. Parker has just returned from a trip through a considerable area of country north of the Saskatchewan River. He found indications of a great influx of settlers at all points.

OBITUARY

Mr. Mike Pudruchney

On August 30th, 1958, Mr. Mike Pidruchney of Mannville, Alta. passed away at the age of 41 years. He is survived by his loving wife, Nadia, one son and one daughter, Ted and Lorraine at home; also his loving father, Mr. Paul Pidruchney of Mannville, three brothers and one sister, Peter of Vermilion, John and Joe both of Myrnam, Mrs. Alex (Anne) Sutherland of New Westminster, B. C.

Prayer service was held on Tuesday, September 2 at 8 p.m. at the Ukrainian Catholic church at Mannville. Requiem mass was celebrated on Wednesday, Sept. 3 at 10 a.m. at the Ukrainian Catholic church at Mannville. Rev. Fr. R. Starodub was the celebrant and interment took place in the church cemetery.

Mrs. Lillian Croft

On August 30th Mrs. Lillian Emily Croft of 10034 80th Ave., Edmonton, passed away in a city hospital at the age of 78 years. She is survived by two sons, Lowell of Kitscoty, Alberta, Dudley of Mannville, Alta., four daughters, Mrs. J.H. (Muriel) McLuckie and Mrs. D. (Gwen) Hanning both of Mannville, Mrs. R. B. (Lillian) Bennett of Edmonton, Mrs. N. (Vivian) Greenlaw of Wetaskiwin, one brother, Leonard Sturgeon of London, Eng., fourteen grandchildren and three great grandchildren.

Funeral services were held on Wednesday at 3:30 p.m. in the Holy Trinity church with Archdeacon W. M. Nainby officiating. Interment in the Mount Pleasant Cemetery.

Mrs. Wm. McCourt

The funeral service of the late Mrs. William McCourt, of Kitscoty, Alberta, was held on Saturday, August 30th in the Kitscoty United church. The Rev. James Shortt conducted the largely attended service. Interment took place in the Kitscoty cemetery. The pall bearers were Messrs. Charles Gray, Oliver Seward, Clifford Miller, Gordon Inglis, Vernon Page and George Patnoe.

Mrs. McCourt is survived by her husband, three sons, Bert, Kitscoty, William, Hughenden; and Edward, Saskatoon.

Good News for Homemakers

Anne Marshall

SOUPER BURGERS GALORE!

Open your mouth wide, take a big bite and you'll agree these are super burgers! Actually they're Souper Burgers. A combination of ground beef, various seasonings and condensed soup. Wrap the cooked mixture in a toasted bun and settle down for some pleasurable eating.

[illegible] ½ teaspoon garlic salt [illegible]

Brown onion in ½ tablespoon shortening. Add ground beef and separate particles. Add rest of ingredients. Simmer 5-8 minutes. Serve on toasted hamburg rolls.

These hot sandwiches suit many occasions. For the gang's gathering at your house [illegible] the outdoor barbecue [illegible] the final picnic of the summer. Cook the burgers over the campfire in an iron frying pan under the late afternoon sun. There'll be a heavenly aroma in the air from the smoke curling lazily off into the trees.

Later roast sugary doughnuts and your favourite fruits to finish eating as the sun sets and everyone gathers around the fire to harmonize on old familiar tunes.

SOUPER [illegible] BURGERS

- ½ cup finely chopped onion
- 1 pound ground beef
- 1 can (10 ounces) condensed Beef Soup
- ⅛ teaspoon pepper

SOUPER MUSHROOM BURGERS

- 1 can (10 ounces) condensed Cream of Mushroom Soup
- 1 pound ground beef
- ½ cup dry bread crumbs
- 2 tablespoons minced onion
- 1 tablespoon minced parsley
- 1 slightly beaten egg
- 1 tablespoon butter

Mix ½ cup cream of mushroom soup with ground beef. Add dry bread crumbs, minced onion, minced parsley and slightly beaten egg. Shape into 8 patties. Brown in butter. Blend remaining soup with ⅓ cup water, pour over patties. Cover and cook 5 minutes. Stir occasionally. Serve on 8 toasted buns.

Onion soup, tomato soup and minestrone soup make interesting and tasty combinations for Souper Burgers!

Lot Sales and Building Permits Occupy Time of Town Council

The regular meeting of the town council was held on Monday Aug. 18 with Deputy Mayor K. E. Rowe and Crs. Cooper, Locke, McCormick, Thompson in attendance. Absent were Mayor Hill and Cr. Sutherland.

Correspondence: M.D. Vermilion River re building permit SE 30-50-6W4th; Alberta Civil Defence re Federal Civil Defence Course No. 320; Vermilion Municipal Hospital re capital requisition. Monarch Lumber Co. re erection of sign; Civic Tire & Battery re erection of sign; Hospitals re admissions under Benefits Act.

Lot Sales: Wm. and Leona McLaughlin, Lot 10, Blk. 34, Plan 635V. Walter Stoyko Lots 5 and 6 Blk. 30, Plan 635V.

Moving permit: W. J. McLaughlin, Lot 10, Blk. 34.

Building Permits: W. R. Jory, garage on Lots 9 and 10, Blk. 16, Plan 6647S; Miss I. Shaw, garage on Lot 25, Blk. 19, Plan 6647S.

The following motions carried:

That Council have no objection in connection with the M.D. of Vermilion River issuing a building permit to W. J. Pettigrew for a building on NE corner of SE ¼-30-50-6.

That permission be granted to Monarch Lumber Co. to erect a sign on their business premises, subject to town by-laws.

That Civic Tire & Battery be granted permission to erect a Goodyear sign on building Lot 9, Blk. 5, Plan 6647S subject to town by-laws.

That Lot 10, Blk. 34, Plan 635V be sold to William and Leona McLaughlin for the sum of $200 subject to usual building regulations.

That Lots 5 and 6, Blk. 30 be sold to Walter Stoyko for $200, subject to usual building by-laws.

That Wm. and Leona McLaughlin be given a permit to move a house from Lots 12, 13 and 14, Blk. 36 4097S to Lot 10, Blk. 34, subject to usual building regulations.

That W. R. Jory be granted a permit to build a garage on Lots 9 and 10, Blk. 16.

That Miss Ina Shaw be given a permit to build garage on Lot 25, Blk. 19.

That Ackerman Construction be paid the balance of construction of water and sewer mains in amount of $726.70.

Paradise Valley

Mr. and Mrs. Alex Miller have as guest Mrs. Miller's mother Mrs. Pickering of Calgary. Mrs. Pickering is on her way home after visiting her son at Fort St. John.

Congratulations to Mr. and Mrs. Charles Mag[illegible] of Ardmore, Alberta who were married August 23rd. Mrs. Magistad the former [illegible] is a daughter of Mr. and Mrs. [illegible] residents of Paradise Valley.

Mr. and Mrs. Jem Brotner of Red Lion, Pa., U.S.A. arrived here to visit relatives. Mr. Brotner is a grand nephew of the late Mrs. James Shields who passed away many years ago. They have many relatives in the district and are enjoying their visit to Paradise Valley. They intend to start on their return trip about Sept. 3rd.

The Paradise Valley High School auditorium was filled on Friday evening when a public meeting was held re the closing of the high school at this point. The Hon. A. O. Aalborg was present and stated he would recommend that the Divisional Board reconsider their decision and operate as in past years as they have a full quota of teachers to to teach the complete course. What will happen is not known at time of writing.

The annual drive for funds for the British and Foreign Bible Society of Canada is now on. If anyone wishes to support this worthwhile Society you may leave your contribution at the post office and receive an official receipt for your donation.

Mr. and Mrs. George Orbeck of Sudbury, Ont. and Mr. and Mrs. Middlemiss of Montreal are guests of Mr. and Mrs. L. Orbeck.

Mr. and Mrs. Glen Knutson of Edmonton and Mrs. T. Hagen of Calmar, Alta., were recent guests at the home of Mr. and Mrs. L. Knutson in town.

Another First For C.P.A.

First trans-Pacific jet propelled service from North America to the Orient will be inaugurated by Canadian Pacific Airlines this [illegible] mile-an-hour 100 passenger Bristol Britannia jet props begin twice weekly service between Vancouver and Tokyo August 24. With its ability to cruise up to 5,000 miles without refuelling, this "long winded" jet era transport is ideally matched against the long staged route pattern of C.P.A. Flying time to Tokyo will be 12 to 13 hours as the aircraft cruises in the smooth sub-stratosphere six miles above the earth. On arrival, C.P.A. aims to ensure that Canadians become intimately acquainted with the Orient. Vacationers taking advantage of Canadian Pacific's 29-day "magic carpet" tours through Japan, Hong Kong, Manila, Bangkok and Honolulu will see such exotic sights as the gigantic bronze Buddha at Kamakura, Japan built in 1252 (lower left), with the Osaka Castle, one of Japan's most beautiful feudal structures (next to the Buddha); flower arranging, an ancient and skilled art, demonstrated here by a modern Japanese maiden, and (right lower corner) is Hong Kong. Uninhabited only 100 years ago, Hong Kong is a shopper's paradise. Today this "free port" offers duty-free goods from the markets of the world.

Copy Held Over

A considerable quantity of news material WAS HELD OVER DUE TO LACK OF TIME FOR SETTING this week as Monday was a holiday. Chief among the stories is the account of the special [illegible] held in the Paradise Valley school last Friday evening for the purpose of asking the divisional board to continue offering grade 12 instruction in the Paradise Valley [illegible]

A red hot 68 on a cold, windy afternoon gave Henry Martell the Seagram Shield and the Canadian Professional Golf Association title Tuesday at the Calgary Golf and Country club. Martell of Edmonton Highlands Golf club, was eight strokes behind Murray Tucker of Toronto Rosedale at the start of the final 18 holes, but carded the best round of the 54-hole tourney in driving wind and rain to edge the easterner by one stroke. Martell had 209 while Tucker's 75 gave him 210. Martell won $1000 and the Seagram Shield as a field of 33 were hampered by Calgary's worst storm of the summer.

Islay Lady Wins Nice Prize

Writing your name on a ticket at a booth at the Vermilion Fair proved to be lucky for Mrs. Marvin Gould of Islay. Shortly afterwards she was informed by the Aristocratic Cookware Co. that she was the winner of a $300 cash prize.

Clandonald United Church News

Mrs. Sophie Feenstra was the hostess for the W. A. meeting held Aug. 14. Nine members and four visitors were present. Mrs. R. Lovell was welcomed as a new member of the W.A.

The next meeting will be held at the home of Mrs. Elsie Campbell on Sept. 11th. Roll call — a small item for kiddies' bazaar table.

On Aug. 17th Mr. MacKay held Communion and Baptismal services in the Clandonald United Church. The daughter of Mr. and Mrs. John Forsyth, Deborah, was baptized.

Only a few more Sundays left then our student minister Mr. Hugh Farquhar will be leaving us. His stay here has been enjoyed by all the congregation. It is hoped that he will be back again next year.

Mrs. R. Feenstra of Clandonald is still a patient in the hospital but her condition is improving.

Floating a loan makes a mighty poor life preserver.

4-H Girls Honored at Mannville

MANNVILLE. — Tribute was paid recently to 4-H members Joan Clennett, daughter of Mr. and Mrs. C. Clennett, Chailey district, and Joan Finlay, daughter of Mr. and Mrs. C. Finlay of the Hamilton district. Both girls merited the right by work achieved in the Club, to represent Alberta, Joan Clennett at Toronto and Joan Finlay at Montana for 4-H Clothing Club. Attendance at this affair was affected by harvesting, but those gathered had a most enjoyable social evening. From the Hamilton district, Mrs. W. McCauley, on its behalf, aided by Jetty te Kampe, presented Joan Finlay with a travel iron and expressed congratulations and good wishes to the young recipient. Tom Rostron of the Chailey district, presented on its behalf, a set of luggage to Joan Clennett, expressing the pride and goodwill from her home district. Both girls responded graciously with 4-H members then made a presentation of their own to these two members as the two Joans were given travel alarm clocks, as a token of tribute and esteem. Lunch was served at the conclusion of the social evening.

Fault finding — like charity — very often begins at home.

24 Teachers On Mannville Staff

MANNVILLE.—There are now 24 [illegible] on the staff [illegible] Mannville schools. [illegible] as follow.

ELEMENTARY

Mr. J. Misik (vice-principal), Mrs. T. Enfield, Mrs. M. Gamble, Mrs. M. Lugg, Mrs. A. Hamilton, Mrs. S. Baldwin, Mrs. T. Trynchuk, Mrs. M. Otto, Mrs. R. Hubbard, Mrs. D. Keating, Miss M. Whelan.

TIP TO MOTORISTS

Common courtesy on the highways may be old fashioned, but you never heard of it getting a man into trouble.

There's always plenty of room at the top if a man is willing to

the Snapshot Guild

This picture represents several of the best techniques of baby picture making—the subject is certainly happy, rested and well-fed; the background is free of clutter; the "costume" is natural and flattering; and it is a good close-up view.

Baby Picture-Taking Tips

In a recent interview, one of the top baby photographers whose pictures appear on the covers of some of the leading magazines outlined a few very basic rules for working with tiny subjects.

These rules seemed to us to make so much sense that we thought we'd share them with the young parents—and doting grandparents—among our readers.

Here they are:

1) A happy, rested, well-fed baby is the best subject—and will [illegible] the best picture.
2) [illegible] patience is a "must" [illegible] you snap a baby.
3) A simple, unclut[illegible] background is necessary to show off Baby to his best advantage.
4) Baby's clothes should be simple—even a diaper makes a flattering costume!
5) Close-ups are often the most effective shots of Baby.
6) Keep it natural—the only prop you need is a rattle or a cuddly toy.
7) Experiment with "bouncing" flash or flood lights from the ceiling for a soft over-all lighting effect.
8) A last-minute look through the viewfinder before snapping is always a wise pre[illegible]

Don't you agree that if simple rules like these work for a famous professional photographer, they should help you get better baby pictures, too? Remember, Maytime is picture time—which makes it a fine time to snap the baby at your house!

GLUT IN DIAMONDS?

Says The Financial Post: This could create a predicament for every wife and girl friend. Moscow is claiming vast diamond deposits in Siberia. While production figures are secret, output is reported to be rising. Main factor in diamond prices and value has been the "organized marketing" system in Western Europe.

PAID YOUR SUB. LATELY!

Pay Dirt

The first day's sitting of the public accounts committee of the House of Commons turned up what the taxpayers could only consider pay dirt. Going over Auditor General Watson Sellar's report on 1957 accounts the committee looked into an electronic device which the Navy started out to build for $1,070,000. When the cost got up to $6,000,000 and the estimated cost of completion was put at $19,000,000, the project was abandoned. And it turns out that a similar device can be bought in the United Kingdom for $800,000. There was also the matter of the Government Printing Bureau, recently completed in Hull: its cost was estimated at $6,000,000 but the final total was over $15,000,000. There was also the sampling study of 73 civil servants who drove government vehicles into traffic accidents on which the government paid claims of $169,000 whereas the civil servants involved were penalized only $863. For those who claim to be seeking ways and means of cutting government expenses, the committee's hearings should prove to be very instructive. — C.J.H.

Notice of Application For Change of Name

NOTICE is hereby given that I, Vincent Lizical, of Heinsberg, in the Province of Alberta, Farmer, intend to make application to the Provincial Secretary, under the provisions of the *Change of Name Act*, for the change of my name, from Vincent Lizical to Vincent Lisec; also for the change of the name of my wife from [illegible] Lisec, and further, for the change of the name of my infant daughter from her present name of Aranka Lizical to Goldie Irma Lisec.

(Signed) Vincent Lizical. 7-9

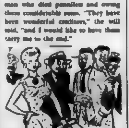
A proud 16-year-old turned into the family driveway at the wheel of the family car. His father sat beside him. Several younger brothers converged on the scene.

"I passed my driving test," shouted the happy driver. "You guys can all move up one bike."

Six prominent Chicago men were named as pallbearers in the will of a man who died penniless and owing them considerable sums. "They have been wonderful creditors," the will said, "and I would like to have them carry me to the end."



Loveless advice to a young woman in a Wisconsin paper: "The story that nice men are hard to find is completely untrue. Every city has many of them. The only reason you are single is because you haven't exposed yourself in the right places."

"I thought you were going to your lodge meeting!"

"It was postponed. The wife of the Grand Exalted Inevitable Supreme Potentate wouldn't let him out tonight."

By AL SMITH

WILDMERE WINKS

The community along with the writer extends deepest sympathy to Mrs. Chas. Young and family on the loss of a loving husband and father. Mr and Mrs. Young had the Hindville post office for many years. Mr. Young was highly thought of and was a kind and helpful neighbor. Thus another link is broken in the long chain of pioneers who gave their best in the development of our vast country. "Well done good and faithful servant, take now thy well-earned rest".

Ducks are swarming onto the swathed grain by the hundreds and farmers will be glad when this week end comes and shooting season opens. The birds in their quest for food tramp the grain so flat that the combine is not able to pick it up.

A few local showers have held up combining and threshing the past few days. We hope it will soon dry and let the farmers gather in what crop they do have.

All were pleased to see Mr. and Mrs. Cosh and family on Friday. Mr. Cosh is now principal at McLaughlin. They were in Edmonton during the summer school session which Mr. Cosh attended. Mrs. Cosh Sr. in England is keeping well but finds it lonely since the passing of her husband quite suddenly last spring.

Tuesday saw the children and teachers off to school once more. Holidays this year seemed to fly by so quickly. All the little beginners will experience quite a new life to what they have been used to.

Mary Gibson, Betty and Marie Smith and Kenny Graham are returning to high school taking junior 12; also Elnora Bonily and Margaret Steele of Triangle who will be in grade XI this year. To all these students is wished every success in the work that lies ahead of them. It will be hard work but it is worth it in the end.

Rev. C. W. MacKay of Vermilion held baptismal and Communion service at the Wildmere United church on Sunday evening. Mr and Mrs. Frank Gibson of Basswood and Mr. and Mrs. Lloyd Howard of Wildmere had their baby daughters baptized. Rev MacKay gave an interesting sermon on "False Gods and how to worship the true God". Only three Sundays left for our summer services folks.

Mr. Earl Robinson had the pleasure during the long week end of a visit with his fiancee Miss Benita Hill of Moose Jaw. While here she stayed at the Holte home in Wildmere. They will be married Sept. 27th. She left for her home by bus Monday. We will miss Mr. Robinson when he bids farewell on the 2nd. All hope that he will be in the west again next year.

Mr. and Mrs. Hughes of Edmonton spent the long week end visiting their son David and family of Basswood. They all attended church Sunday evening. Evan Hughes visited his grandparents in the city last week and brought home a couple of goldfish. How are they faring Evan?

Mr. and Mrs. Albert Matteo (nee Evelyn Howard) and children made a short stop in Wildmere on Monday and called on a few neighbors and her brother Lloyd Howard and family. They have lived in the U.S. in and around New Jersey State for several years but now intend to settle down in Edmonton where Evelyn's parents Mr. and Mrs. Harry Howard reside. Sorry we did not see you folks when you called Evelyn but those threshers have to be fed.

Funniest Thing — we wonder who the two ladies were who thought they were ducks Saturday evening in Vermilion during the rain storm!

Insulating Your Own Home

Insulating your home is not quite as easy as falling off a log. But it is simple, economical and timesaving if you go about it the right way.

An average couple with no previous experience can insulate their attic in one afternoon with vermiculite — a product with special appeal to the do-it-yourself trade. Vermiculite is simply poured from the bag between the joists of the unfinished floor, then raked level. That's all there is to it. Once in place, it requires no further care. It will outlast the house, cannot rot and is fireproof and verminproof. Properly installed insulation can reduce fuel costs as much as 40 per cent.

An important feature for the home handyman is vermiculite's light weight. While a cubic foot of sand for instance would weigh about 100 pounds, a cubic foot of vermiculite weighs only from six to 8 pounds.

A mica-like material, vermiculite is found deep in the earth. Small particles of the ore are processed in special furnaces that expand them to fluffy light granules. In this expanding process, countless tiny dead air cells are trapped inside and it is these that make vermiculite one of the best insulations known to man.

Vermiculite is better known in Canada under the trade name of 'Zonolite'.

WOODVALE

Everyone hopes that Walter Lysons soon will regain his strength after an attack of polio that kept him confined to hospital for several weeks. Also that Mr. Tom Preston might soon be home again after his operation.

Mr. and Mrs. John Crooks and three little daughters came a week later to stay with Mrs. Lysons and to visit Walter at the hospital.

Harry Ferguson has not gone back as yet to B.C. and is staying with Chris Thomson.

Congratulations go to the Gr. 9 pupils Lloyd Isley, Dorothy McLean, Pat Portsmith and Jimmy Sweeney who all were successful in their exams.

CARD OF THANKS

We wish to extend sincere thanks to our many friends and relatives for the lovely floral tributes and expressions of sympathy during our recent bereavement.

Mrs. Isabelle Goldsmith, Bob, Cathie and Margaret.

HARWAYNE

Mrs. Eddie Bodnar left for Uranium City on Thursday to join Eddie who is working there and now has accommodation ready. Ronnie Bodnar accompanied her on the trip and intends to work there also.

Mrs. Elmer Parker has bought and moved into the house owned by Mrs. Harriet Reishus. Mrs. Reishus is now teaching on the Kitscoty school staff.

Mr. and Mrs. C. Currie have bought the United Church manse.

Mr. Tim Holgate, a former accountant here on the bank staff, was married in Edmonton on Saturday, Aug. 30th. Congratulations to you Tim.

Mrs. Bobroski, Mr. Jay Tupper and Freddie Culford are patients in Lloydminster hospital. Mrs. W. Moorhead has just returned from there.

The re-organization meeting for the 4H club will be held in the school on Monday Sept. 22nd at 8 o'clock. Directors from Edmonton will be present. Any girl over the age of 12 years wishing to join the club is invited to attend.

Friends and neighbors of Mr. and Mrs. Gudzowaty tendered them a farewell party at the home of Mr. and Mrs. Arnel Johnson on Wednesday last. Mr. Gudzowaty has been on the teaching staff here for a number of years.

Mr. and Mrs. Cliff May (nee Martha Swanson) left Vermilion this week to take up residence in Three Hills. They are joining the staff of the Prairie Bible Institute where he will be staff electrician.

Mr. and Mrs. J. Dunlop who are former residents of the Belcamp district, were visitors at the J. Lowrie home, also Mrs. Lowrie and Dorothy.

Mr. and Mrs. C. Cook, Mr. and Mrs. Anderson, Mr. and Mrs. Reg Box, Mr. and Mrs. D. Hooker attended the wedding of Donald Johnson, youngest son of Mr. and Mrs. Carl Johnson, former Fenham residents, in Vermilion last week.

Mr. and Mrs. D. Hooker and sons have just returned from a two weeks trip to Duncan, B.C., where they visited with Mrs. Hooker's sister and family, Mr. and Mrs. Percy Nixie. They also were at Penticton to visit Mrs. Hooker's brother Mr. and Mrs. Reg Smith.

Eldon Giles returned recently from a month spent at Vulcan with Neal Giles and family.

Mr. and Mrs. Giles, Donna and Wayne are now home from a visit with Mrs. Giles mother.

Mr. Keith Kent is now home from the hospital.

Mr. and Mrs. Angus Good of Vancouver are here visiting with relatives.

We are sorry to report the death of Mrs. McCourt Sr. of Kitscoty and sincere sympathy is extended to the family. Mr. and Mrs. McCourt were homesteaders many years ago in the Elgin district.

MEAL CHECKS — For Cafes, lunch counters, dining rooms, etc. at the Standard Office —

Wildmere Women's Institute Notes

The August meeting of the W.I. was held at the home of Mrs. Lloyd Howard with eight members present. Owing to the president being absent Mrs. W.J. Garnett was in the chair. Roll call was answered by 'International News' with Princess Margaret holding the spotlight. The treasurer's report was accepted as read by Mrs. Howard and Mrs. Haines. It was moved and seconded by Mrs. J. Wallington and Mrs. Haines that we send $5 to the A.W.I. fund.

Mrs. Howard thanked the group for the nice baby spoon and Mrs. Haines for bringing it to her.

Social Service had no report. Treasurer Mrs. W. J. Garnett is to buy a new brief case for the secretary to keep club books in.

There was no correspondence to deal with. Mrs. Garnett had received a card from Mrs. Davis of the Barton W.I. in England.

Mrs. A. Holte gave her conference report which was very interesting. On a motion by Mrs. Haines and Mrs. Sweeney Mrs. Holte was paid expenses of attending the conference.

Topic was to be by Mrs. W. T. Garnett but as she was absent Mrs. W. J. Garnett gave a talk on "The Federated President." Mrs. Keith Rand of Wolfville, N.S. She is the fifth generation of the McKee family to live on the farm. It was a very interesting paper.

Mrs. Noel Garnett had the social "How Can I?" taken from the Vermilion Standard. It was very educational. J. J. Up was won by Mrs. J. Wilson, now living in Vermilion.

September meeting will be at the home of Mrs. Ray Osterberg on Wednesday, Sept 10th. Topic, Mrs. Gibson; Social, Mrs. W. J. Garnett; lunch, Mrs. Gibson, Mrs. Haines and Mrs. Holte; roll call, name a favorite school teacher you had.

Mannville and District Local News

Life's Darkest Moment

A WEBSTER CLASSIC

THE CADDY WHO CARRIED DOUBLE

OBITUARY

ANDREW S. WILSON

An old timer of Landonville district, Mr. Andrew S. Wilson, passed away suddenly on Aug. 15th in Jasper while enroute to Vancouver where he intended to make his home with his sister and niece.

Mr. Wilson left Scotland early in the century, and after spending several years in Montana came to Vermilion. He homesteaded in Landonville in 1906 where he had since made his home.

Left to mourn his loss are his sister, Mrs. Isabelle Goldsmith and his niece Margaret at Vancouver, a niece Mrs. Cathie Lovell at Yellowknife and a nephew Bob Goldsmith at Cluny. A brother, Hamilton, lives in Australia.

Pallbearers, all old timers, were R. E. Stanley, Oliver Goldsmith, Will West, Peter McQuid, Bill McNamara and Fred Douglas.

Many old timers and numerous other friends were present at the funeral which was held in Vermilion United Church, on August 20th with Rev. MacKay officiating.

Most fittingly, while the remains of this fine old Scotsman were being laid to rest, the tunes "My Home" and "Highland Laddie" could be heard in the distance being played on the bag pipes by little Betty Forbes.

Floral tributes were received from: Herb and Rene Dorey, Clive, Irene and Johnnie; Mr and Mrs. Geoff Dorey; Mr and Mrs. Jim Johnson; Mr. Fred Douglas, Shirley and Johnnie, Gladys, Freddie and family. Mr. and Mrs. Mike Stuparyk and family; Mr. and Mrs. Ed Lovell and family; Mrs. Effie Allen, George, Blanche and family, Mr and Mrs. Oliver Goldsmith, Margaret and Alex Goldsmith; Harry and Arla Goldsmith and family; Peter McQuid, Mrs. Lena Good, Cliff, Ilean and little Rita; Landonville District; Greenlawn Old Timers' Association; Fay and Dick Dorey; Billie and Susie Good; Sister Tib. Belle; Bob, Margaret and family; Cathie, Russ and family.

Donations to the Crippled Children's fund:

Mr. and Mrs. Frank Molineux, Mrs. M Molineux, Mr and Mrs. Fred Goddard; Andrew Melnyk; T Gordon Good; Mr and Mrs Ed Etherington; Bill and Susie Good, Mr and Mrs. C. Dorey, Mr and Mrs. Herb Dorey, Mr and Mrs T. Stockwell; Mr and Mrs. C Goldsmith, Norman Seal; Mrs. Quick and Allan, Gus Garnier; Harry, Olive and family; Mr. and Mrs. Reg Lovell and family.

Elk Point Hospital Fund: Mr and Mrs. Don Pinder and family; Mr. and Mrs. Tom Lambie and family.

NEWS from KITSCOTY

Miss Judy Sheppard left last week for Lamont and will train as a nurse at the hospital there. Good luck Judy in your chosen profession.

Mr. and Mrs. J. McCorry met their daughter Sheila in Edmonton last Friday when she returned by air from Paris, France after spending a very enjoyable three months holiday touring the British Isles and the Continent. Sheila spent the week end at her home here before going to Calgary where she has accepted a teaching position in one of the Junior High Schools.

Mr and Mrs. A. C Linsdell of Edmonton spent several days here last week visiting with Mr and Mrs. R. S. Pidcock and other relatives and also renewing acquaintances with old friends. Little Miss Karen Howlett, their granddaughter returned home with them after spending a holiday here with relatives.

Guests at the home of Mrs. A. McClelland over the Labor Day week end were her sister Mrs. J. Wyman and her nephew Mr. Gordon Armstrong from Calgary.

Mr. and Mrs. Fred Armstrong and family from Grande Centre spent last Sunday visiting with their sister and brother-in-law, Mr. and Mrs. M. Christoffersen and Arlene.

Mr and Mrs. Henry Joy motored to Edmonton last week end to attend the wedding of their niece Miss Lena Davis on Saturday. They were accompanied by Miss Kathy Lang and Miss Deanna Green who visited with relatives and friends.

Sgt Ken Tinney, Mrs. Tinney and baby daughter of Edmonton brought Mrs. Mathewson, Margaret's mother back to the girls dorm at the week end where she will again be matron for the coming year.

Mr. and Mrs. Leslie Gray and family of Edmonton spent the long week end here visiting with relatives.

Mrs. Schmidt of Guernsey, Sask., is at present visiting with her son Arnold, Mrs. Schmidt and family.

Mrs. John Parkin of Vermilion spent the Labor Day week end here visiting her mother Mrs. E. H. Sheppard.

Sincere sympathy is extended to Mr. W. A. McCourt and family on the passing of Mrs. McCourt last Thursday at her home here. Mr and Mrs. Wm. McCourt and Larry of Hughenden and Mr and Mrs. E. A. McCourt and Michael of Saskatoon attended their mother's funeral which was held on Saturday from the Kitscoty United Church.

Mr and Mrs. Jack Tyler and baby son from Drayton Valley visited for the long week and with their father Mr. E. Tyler and family and with their grandmother, Mrs. W. L. Apperson.

Writes from Hospital

The following note from Mrs. Peggy Korman in hospital at Winnipeg will be of great interest to her many friends here:

"Just a few lines to the Standard to let all my friends and relatives know that I am feeling quite well and still progressing.

I had the great pleasure to have a visit from my brother Bill and his wife from Vancouver and want to thank you all for the messages sent with them.

I would also like to thank the editor of the paper for the prompt service I have had in receiving my Standard each week."

THE WEATHER

Frost was registered here on Wednesday morning to the tune of 2.2 degrees, the thermometer sinking to a low point of 29.8. Rain fell on Thursday and Saturday last week with a heavy shower on Monday morning this week. This stopped all harvesting operations and drying since has been a slow process due to the cool weather.

NEWS from ISLAY

School opened here with a full staff and rooms full of pupils. Mr. Merlin Moncrieff is principal. Miss Janet Kent is in charge of the Intermediate room and Miss Eva Brassington Primary room with 12 beginners.

Mr and Mrs. Edwin Dallyn and girls from Bruce visited Mrs. Dallyn's parents Mr. and Mrs. Dave Buchanan over the week end; also Mr. and Mrs. Bill Kutney and family of Lloydminster visited the same home.

The Home and School held a farewell for grade 9 students on Friday night in the form of a dance. The scholarships were presented, Gerry Maire obtaining first, $30, and Raymond Kowalski second, $20.

Church services are now at 11:30 a.m. The church has been newly decorated and looks very nice. Mr. Herman Caro did the painting and an excellent piece of work it is.

Mrs. Martin Sr. spent an afternoon last week at the home of the Stone's.

The Andersons had visitors over the week end from Edmonton, Mrs. Anderson's brother and his wife, and their son Glenn and wife and five children.

Due to wet weather some of the members of the church board did some work at the church last week. The fence was put up, rain pipes put on the hall and grass cut.

The Papworth family of Edmonton were visitors at the home of Mr. and Mrs. Bill Shaw over the week end.

Mr. and Mrs. Gerry Grant were down for the week end at the home of Mrs. Hilda Bell.

Pleasant Valley News

Showers of blessing which came a little too late have been falling during the past week and are now anything but a blessing.

Ducks are really plentiful these days and are really playing havoc with the swathed fields.

Farmers in the south are reported finished harvesting. They are surely fortunate.

Mrs. Cummings at the wheel took Mrs. Vandenbolder, Mrs. Urquhart and Mrs. B. Gould to the lovely garden party at Hazeldine. It was a perfect day. The ladies, all dressed in summer frocks with pretty hats some large some small, all looked very pretty among the tall evergreens.

We met Libby Young that day too. Who is this lady did someone say, Libby Young from CKSA.

Sylvia Gould is visiting with her son Marvin.

Bill Gillies and family were visitors on the farm over the long week end.

On Sunday the writer had company from Elk Point.

Saul Clark visited his brother Christie on Sunday. On Monday a sister of Mrs. Clark and husband were visitors there also.

Albert Dupuis was seen on Saturday nursing his little grandson: looked quite becoming, Albert!

Many thanks Mrs. Dudlyke for your very interesting booklet. Everyone hereabouts should read it. The title is "Where Two Rivers Meet" and it is on sale at the drug stores and the Standard office.

Say, Mr. Bothwell, who was the mail driver in 1905?

Congratulations to Mrs. Marvin Gould who won first prize from the Aristocratic Cooking Wares Co. duringg the fair. She entered her name on a ticket and had a lucky number.

Garfield Potvin returned to his teaching duties at Nampa over the week end.

Mrs. Keith Inman spent last week end at Drumheller where husband Keith has been transferred by Canadian Utilities.

OBITUARY

ARCHIBALD CHARLES WOOD

The book of life has closed for another pioneer of the Dewberry district in the person of Archibald Charles Wood, who passed away in the Elk Point hospital on August 20th at the age of 76 years and 10 months.

Mr Wood, who had been in failing health for some time, was admitted to the hospital a few weeks before his death with a broken hip which he suffered through a fall in the livery barn which is run by his son Bill.

A veteran of the South African war, he returned to his home near Stratford, Ont., in 1900 and came to the Dewberry district in 1908. In 1910 he married Miss Annie Olive McMullen and farmed in the Greenlawn district until 1954 when they and their son came to reside in the town.

He is survived by his loving wife, one son William, four brothers, Alexander of Dewberry; Tom of London, Ont.; Jack of California and Bob of Big River, Sask.; two sisters, Mrs. M. Aitcheson of [illegible] and Mrs. E. Rainey of Dewberry. He was predeceased by a brother and two sisters.

Funeral services were held in the Dewberry hall on Aug. 22nd with interment in the Dewberry cemetery. Mr. Hugh Farquhar officiated.

Pall bearers were all nephews of the deceased, Gordon Rainey, Jack Rainey, Archie McGillewee, Floyd Axton, Stewart Wood and Wm. McMullen.

Honorary pall bearers were Alex Wood, Jim McGillawee, Altie Stone, Ray Thomson, Fred Madden and Walter Jones.

Moyers were in charge of the funeral arrangements.

Floral tributes and memorial donations were received from:

Friends of Dewberry and Community; the Greenlawn Goodwill Club; Mrs. Wm McMullen; Mr. and Mrs. Wm. Klemik and Mr and Mrs. Milo Hodgson; Thelma, John and Jimmy Yeo; Leonard, Beth and family; Grant Albean and family; Mr. and Mrs. Vic Dennill and Mr and Mrs. H. Dennill; Wm. McMullen Sr.; Violet and Betty, Gordon, Mabel and Artie McMullen.

In lieu of flowers to cemetery fund: John and Mollie Maluta:

Flowers: Gordon, Alma and family; Erling, Olive and family; Jack, Annie, George, Elizabeth, Evelyn and family; Floyd, Dorothy and family; Myrtle Bill, Una, Dean, Dan and Grandma.

Many sympathy cards were also received.

CARD OF THANKS

We would like to thank Dr. Ross and the staff of the Elk Point hospital for their care and attention to our loved one during his stay in the hospital; also thanks to the Greenlawn Old Timers and the Dewberry Community and to all who sent floral tributes and other offerings, also for the many sympathy cards received and to all who were kind to us in our time of [illegible] and bereavement.

Mrs. A. Wood and Bill

Returns Home From University Hospital

Friends will be pleased to hear that Mrs. Emily McLean has returned to Vermilion from the University hospital where she was receiving medical attention to her badly broken leg suffered in an accident a month ago. It will be recalled that Mrs. McLean fell in her own home and suffered the painful injury. She will now convalesce at the Vermilion hospital and then at the home of her daughter Mrs. Ted Edey.

Wedding Bells

ADAM —SHAW

Miss Beverly Ann Shaw and Mr. James Frederick Adam wish to announce their marriage on Friday, August 29th, 1958, in Edmonton, Alberta.

WEDDING ANNOUNCED

Mr. Don Taylor of Vermilion wishes to announce the marriage of his daughter Diane Margaret to Robert Green, son of Mr. and Mrs. Joe Green of Vermilion.

The ceremony took place in St. Agnes' Roman Catholic Church in Edmonton and was officiated by Father Landrigan of Vermilion.

A small wedding reception was held at the home of Mr. and Mrs. Don Taylor Jr. in Edmonton.

The couple are honeymooning in the Rockies.

The Vermilion Standard

Vermilion, Alberta, Thursday, September 4th, 1958. Page 1 -- Second Section

Tourists Appreciate New Alberta Camp Sites

Visiting tourists and resident Albertans alike are making heavy use of the roadside camping and picnic spots provided along heavily travelled highways by the Alberta Government. The Alberta Travel bureau reports that the number of visitors camping out is almost twice that of 1957, and the trend is still growing in popularity. The bureau estimates that 20 per cent of all motorists use the camping or picnic facilities.

The Department of Highways has located 43 roadside campsites throughout the province. Each is equipped with a rustic type shelter, cook stove, tables and toilet facilities. Fresh water wells are provided wherever possible. Some spots have proven so popular that a second shelter has had to be built.

By the end of the season, Alberta's provincial parks will have 52 shelters, 850 picnic tables and 171 rest benches. The government will equip 21 locations this year with children's playground equipment. Many communities adjacent to overnight camping spots have supplied playground equipment to encourage use of the province's tourist facilities.

In addition to the camp sites, the province has located dozens of highway tables. These are located where possible at viewpoints or other points of interest.

Total out-of-province visitors is up seven per cent this year over 1957, national park registrations indicate. Visitors last year spent $85,000,000 during their stay in the province.

News from Dewberry

The sympathy of the community and the writer is extended to those left to mourn the passing of one of our old timers, Archie Woods who passed away in the Elk Point hospital on the 20th of August. Interment was in the Dewberry cemetery on the 22nd. The large attendance in the hall testified to the respect in which the deceased was held.

Mrs. John Romanchuk visited her daughter Bernice, her husband and daughter in Sudbury.

As school draws nearer our holiday makers are returning. Mrs. Durnin is back looking well after her vacation and also Mrs. Haskell. Both ready and we hope eager to get back to teaching. By the time these notes appear in print the students will also be "raring to go"!

Mrs. Margaret Fry is home again after undergoing an operation in the Elk Point hospital.

Mrs. Jim Ryan is a patient in the same hospital. She had been in for some time and come home but had to return as she had a recurrence of the same illness. To her and other Dewberryites we wish a speedy recovery.

Congratulations to two of our old timers who celebrated birthdays recently. Mr. Tom Lee who is 79 years young and Mr. Jack McGillawee who is 74 years young.

Mr. Tom Lee's birthday was celebrated with a turkey supper and all the trimmings at the home of his daughter, Grace Maddex. All the families were in attendance. It was a double celebration as it was also his great granddaughter's birthday, Olive Lee Ewan who was five that day. To all these people we wish many more such happy birthdays.

We were pleased to have a chat with Jerry Conlon of Edmonton on Saturday when he was in town. Come and see us again Jerry. Hi Mary, how are you?

Those in Dewberry who knew Mrs. Henry Kinshella (Myrtle Allen) of Detroit will be sorry to know that she passed away after a very painful illness.

We notice work is progressing in the main street in town. It will certainly improve it as after a rain it was always very bad.

The latest building to receive a face lifting is Redman's garage.

Kenneth Porter has accepted a position in a bank in Edmonton.

[illegible]

A geological crew sent out by the Saskatchewan Research Council is conducting the first phase of a search for underground water supplies, reports The [illegible].

Over the years, the survey will be extended to cover other parts of the province.

One important result of the study is expected to be the discovery of water supplies for farms and municipalities.

The study may also be helpful in the location of gravel deposits.

Pretty August Wedding Unites Alice Seuffert, Claus Heckhausen

Baskets of gladioli, mums and daisies formed the setting for the marriage of Alice Beryl Seuffert, daughter of Mr. and Mrs. George Seuffert to Mr. Claus Hechausen of Vegreville which took place at First United Church Vermilion, on August 2.

Rev. C. W. MacKay performed the double-ring ceremony and Mr. Jack Brown played the wedding music.

Given in marriage by her father, the bride chose a slipper length gown of French Chantilly lace and white nylon chiffon styled with fitted lace bodice, low round neckline and lily point sleeves and bouffant chiffon skirt.

Her veil of fine illusion net was dotted with pearls and rhinestones and held in place by a matching head piece of illusion net trimmed with pearls.

The bride carried a bouquet of red roses and white daisies and her jewellery, pear earrings, were a gift of the groom.

Attending the bride were her cousin Doreen [illegible] as maid of honor and Shirley Underdown as bridesmaid. They wore identical ballerina length gowns of light blue nylon chiffon over taffeta and wore matching bandeaux of blue nylon. They carried bouquets of pink and white carnations.

Also attending the bride was Kathy Waldenberger as flower girl. She was charming in a dress of pink nylon with white lace trim and wore a bandeau of pink flowers. She carried a nosegay of pink and white carnations.

Mr. John Schvenen was best man assisted by Mr. George Thursby.

The ushers were Mr. George Riley and Neil Thompson.

During the signing of the register Mr. Tom Watts sang "The Wedding Prayer."

Following the ceremony a reception for one hundred guests was held in the church hall. The bride's table was centred with a three tiered wedding cake embedded in tulle and flanked by pink tapers and bowls of sweetheart roses.

For her daughter's wedding, Mrs. Seuffert chose an afternoon dress of rosewood lace over taffeta with rosewood hat and white accessories. Her corsage of pink roses and white carnations completed her outfit.

Mr. Ches Waldenberger was Master of Ceremonies and Mr Claude Underdown proposed the toast to the bride to which the groom suitably responded.

Telegrams of congratulations were read from the Williams family in Stouffville, Ontario, John Bubel, Dawson Creek and Al and Anneliese of Yellowknife, N. W. T.

Mrs. Archie Robinson was in charge of the guest book.

Out of town guests included Mrs. John Bubel, Dawson Creek, Miss Shirley Underdown, Uranium City, Neil Thompson, Mr and Mrs. L. Langpap, Mr. and Mrs. E. Makowichuk, Mr and Mrs. A. Skolton, Mr. and Mrs. K. Fooks, Mr. and Mrs. G. Goraline, Mr. and Mrs. W. Molarski, Mr and Mrs. R. Kelly all of Vegreville; Mr. and Mrs. J. Wilter muth of Maidstone, Sask. Mr and Mrs. J. Bortnick, Lavoy Thelma Barnett and Donna Rae, Edmonton: Mrs. Gus Thursby, Edson: Mr. and Mrs. Merle George, Heinsburg and William Zabados and George Riley of Wainwright.

Following the reception the happy couple left on a honeymoon trip to Radium Hot Springs.

For travelling, the bride donned a red printed silk dress with a black top coat. Her corsage was of white roses.

Mr and Mrs. Heckhausen will make their home in Vegreville.

CLANDONALD THEATRE

Showing at Clandonald hall Thurs., Fri. and Sat Sept 4, 5 6, "Giant" in technicolor. A truly great picture, don't miss it; Sept. 12 and 13 "Jail House Rock" with Elvis Presley 8

Bowtell Bulletin

Sorry to report that Mr. Morrison was ill in the hospital, but at time of writing it is pleasing to learn he is home and improving.

Neil Harrison journeyed to Edmonton recently for medical attention to his foot. He is now home with the foot having to be kept in a cast for some three weeks.

Beverly Sherwood celebrated her ninth birthday September 4.

This item was intended for last week -- Miss Dianna Risdale of Rochester visited relatives and friends for a few days.

Mr and Mrs. Robinson, Margaret and Bryan were guests for supper Saturday evening at the Freestone home.

The grade nine pupils at Islay certainly did well in their recent examinations. [illegible] Mr M. Moncrief is to be congratulated.

Frances Sherwood is attending the new school in Vermilion taking grade ten.

Jimmy Isabell and Frances Sherwood were guests for supper on Sunday at the home of Mr and Mrs O. Repp. The occasion was Isabell's birthday.

Miss Maybelle Knutson spent a few days this week in Edmonton.

Tom Fenton is still taking treatments in Edmonton but is able to be home at week end. Good luck Tom.

Legion Plans Addition To Hall

MANNVILLE. — The old saying "the more the merrier" proved true as regards the working bee held by the Canadian Legion members Wednesday of last week. About 18 to 20 members turned out to pour cement for the new kitchen which is a planned addition to the Legion hall.

CARD OF THANKS

I would like to thank Dr. King, Dr Evans, nurses and staff for their kindness and good care while I was a patient in the Vermilion municipal hospital. Also a special thanks to Mr and Mrs. S. May, Mr. and Mrs. D. J. Dibben and everyone else for their help at the home while I was away. Thank you Mrs. Dora Caron for the lovely flowers. I certainly appreciated them.

Mrs. Thelma R. Luchyk.

"THE DIFFICULTY IN LIFE IS THE CHOICE"

— "(Author's Name Below) —

For generations, people have depended on pharmacists to supply them with medicines and health-aids. Our required knowledge protects against improper use.

Unfortunately, desire for greater profits is influencing super markets, variety stores, and even door-to-door salesmen to sell medicines and health-aids, despite their lack of knowledge.

Since the prices we pharmacists charge are the same, your choice to secure all medicines and health-aids from us is wise. Without that business, which helps to reduce overhead costs, all drug stores would have to increase prescription prices.

A great many people entrust us with the responsibility of filling their prescriptions . . May we compound yours?

There Is Money In Romance

One of the most important business indicators in the next few years will be the state—or rather the temperature—of romance, says The Financial Post, which explains that soon the baby-boom babies of the forties will be reaching marriageable age. Instead of a net gain of [illegible] new families a year (the present rate) we'll be gaining 100,000. The number of marriages taking place each year will be greater than ever before in our history.

These brides will keep Canadian business very busy. When she's setting up a new home a modern bride buys (according to a recent survey) three quarters of all the sheets and towels she'll buy in her married life, two-thirds of the blankets and other household items and a third of her lifetime supply of furniture and appliances. Her family and friends spend upward of $3,000 on and around the wedding day. Even a simple wedding starts the cash register bells, as well as the church bells, ringing.

MALTING BARLEY & RAPESEED

During the past few years, many farmers in Western Canada have turned to the growing of Malting barley and Rapeseed as a means of providing a ready cash return. Our elevators are equipped to handle both these special crops which may be delivered outside of the quota in effect. Your nearest Searle agent will be pleased to give you full particulars upon receipt.

Our Trip To England

By WM. B. ELFORD

(continued from last week)

The London Airport, though something to marvel at, we found was not as pretentious as the one at Amsterdam. We did not have a long stay here, the formalities of passing through customs, of having passports checked and of going through the procedure of changing travellers' cheques into English currency being speedily disposed of. Now the immediate problem was to find a place where we could get a night's sleep. London was bulging at the seams with an overflow of tourists and hotel accommodation was virtually unobtainable. However, after travelling to the centre of the city on a suburban train — a one hour journey — we eventually secured a room at a famous hotel on the Strand where we spent the night. Almost the whole of the next day was occupied in seeking a more permanent abode. This we found late in the afternoon in the west end of the city within one block of Hyde Park where the management graciously arranged to give us "bed and breakfast" for one week. I mention specially the term "bed and breakfast" because English hotels do not rent rooms any other way. You may take breakfast or leave it, as you wish, but in either case it is included in your hotel bill. A cup of tea will also be brought to your room at 7 a.m., if you desire it — and if you place your shoes outside the door of your room when you retire at night you will find them cleaned and polished ready for wear the next morning. The hotel certainly suited us admirably and we enjoyed our stay there. So now we could look forward to a week of sight-seeing in London. We were both more or less familiar with the city as we had made occasional visits in our early youth and my wife had left Canada to become a permanent resident for three years during the First World War. But that did not mean very much, since London is so crammed with places of interest that it would take several years to cover them in detail. Our first impression of London was that it had changed very little — and this applied very much to the Londoners themselves. Surely no nation can derive more pleasure from the simple things of life as this race of Saxon, Danish and Norman ancestry. Keen of wit with a ready smile and possessed of an innate courtesy to strangers, they seem to get and give the most out of life.

While on the subject of personalities one cannot overlook a class of people whom we would probably term "beggars" in Canada. They buttonhole the passerby on the sidewalk offering trinkets and souvenirs of every description to the gullible tourists. They frequent the main thoroughfares in all parts of the city, not excluding fashionable Oxford and Regent Streets. Many of them are singers and instrumentalists and these specialists stand on the edge of the sidewalk, place a hat or other receptacle on the ground before them and display their individual prowess for hours on end. Most of them possess some degree of talent and some of them display remarkable artistry. This is especially true regarding the violinists who interpret the work of Brahms, Beethoven, Mozart and other great classical composers with outstanding accuracy and a very high standard of artistry. This method of earning a livelihood is quite legal—and also quite lucrative. Many of these people retire after a few years, financially secure for the remainder of their lives.

Still on the topic of personalities we noted that the ladies were very exceptionally well dressed and that teen-age girls were easily distinguishable from teen-age boys. We saw no teen-age girls wearing jeans and no elderly women wearing slacks. Men of practically every age do not wear hats and many of the very young men grow beards. The exception to this is the "city man" the man who works with the big financial institutions. He cannot be mistaken. He is immaculately dressed, is clean shaven, wears a bowler hat and always carries a very neatly rolled umbrella. Incidentally he is usually a "handsome brute" who could easily outshine most movie stars as a specimen of masculine charm. On this point I must admit I was on one occasion sadly disillusioned. One day I was travelling on the Underground Railway. I happened to occupy a seat next to a man wearing a bowler hat. I presumed that he was a city man. He had a very wrinkled, rather wizened looking face and appeared to be quite elderly. I engaged him in conversation, during the course of which I learned that he was actually a college boy going home for the summer vacation. I was dumbfounded for the moment but then remembered the old adage — "you cannot tell the age of a mosquito by counting the wrinkles on its face."

As I mentioned earlier, London has so many places of interest to offer the sight-seeing tourist that it would be futile for me to attempt to list all of them, let alone describe them in detail. But I will do my best to give you my personal impression of one or two of the outstanding attractions. Of all the historic places I would say that the Tower of London has the most appeal to the average tourist. Dating back some 900 years it has been closely connected with the course of English history. It is now particularly noted for three main attractions — the Yeomen of the Guard (often called the Beefeaters) the Crown Jewels and Dungeons where many an illustrious personage has languished while awaiting the axe of the Public Executioner. As I understand it, the duties of the yeomen consist of three tasks — to act as guards of the Tower itself, to keep a close watch on the Crown Jewels and to sweep the cobwebs from the dungeons. To this day they still wear medieval garb which is both quaint and picturesque. It consists of buckled shoes, stockings, knee-length bloomers, scarlet tunics and peculiar but comfortable [illegible] bonnets and they are armed with long spears. I was rather intrigued with their unusual appearance and was definitely puzzled as to why they were called "Beefeaters". I made several inquiries but nobody seemed to have the answer. Eventually I decided that they derived the nickname from their bonnets, which are so shaped that they resemble inverted pork pies and were probably given to them free by some enterprising meat packing company as an advertising project. And if these gentlemen in their colorful costumes present such an unforgettable spectacle what can be said of that first breathtaking glimpse of the Crown Jewels? Here are tiaras, pearl necklaces, adornments of every shape and size encrusted with priceless gems of endless variety. Truly a colossal collection! Catching the eye above all else is the famous Koh-i-noor diamond, reputedly the largest diamond ever discovered. I do not know exactly what its weight would be, but I would judge it to be anywhere between 15 ounces and 22 pounds, depending on whether you view it with the naked eye or through binoculars.

Then a visit to the dungeons provided food for much thought. They seemed to be haunted by the ghosts of the unfortunate human beings who were destined to spend the last few hours of their lives within these gloomy walls. During the reign of King Henry the Eighth public executions became common events to which people from near and far flocked to witness these sordid exhibitions of chopping off the heads of people who, in many instances had committed only minor crimes. King Henry himself took full advantage of this method of disposing of people who did not meet with his approval, including his six wives. Here he seems to have shown a certain degree of shrewdness since it was obviously a less expensive procedure than divorcing them and having to pay alimony to six women at the same time. But it was not long before the general public became incensed at these brutal slayings and according to information given to me by one of the Yeomen of the Guard, a law was passed by the parliament of the time prohibiting the execution of British subjects by [illegible] of "severing the head from the body." How then, I argued, was it possible for Queen Elizabeth the First — the following monarch — to instigate a number of beheadings, including those of such celebrities as Sir Walter Raleigh and The Earl of Essex? He was stumped! This was something he could not explain. But with my usual building determination I made up my mind to get at the root of the matter. Where could I glean the necessary information? It occurred to me that the obvious place to get at the facts was the library of the House of Commons. So, hurrying to our hotel I changed into my other shirt and took a taxi to Westminster. Arriving at the main gate of the House of Commons, I saw the inevitable policeman who closely checks all visitors. However, with commendable resourcefulness I outwitted him by the simple expedient of turning my hat back to front which gave him the impression that I was coming out instead of going in. Eventually confronted by the massive door of the House itself I knocked 75 times, which I had been given to understand was the only method by which accredited visitors can gain admittance. Once inside I immediately strode towards the Speaker's chair, situated at the other end of the chamber. As the House was in session at the time, heatedly debating the Middle East crisis, I was regarded as an intruder, and boos and catcals greeted my progress up the aisle. The hubbub faded out when the Speaker called out "Gentlemen, order please!" So I took him at his word and ordered a brandy and soda, which a waiter graciously brought to me. Feeling refreshed and more confident I then asked the speaker if he would favor me by adjourning the session for a half-hour as I wished to do some research work in the Commons Library and could not concentrate with all the chatter going on in the chamber. With true British courtesy towards a stranger (for he could tell I was a Canadian when he noticed my "drip-dry shirt") he granted my request. Entering the Library it was not more than a matter of minutes before I found a book which appeared to be just what I was looking for. It was titled "The Life and Times of King Henry the Eighth." So, turning to the chapter dealing with Parliamentary Statutes I found the original text of the "Bill dealing with Beheadings." It had been drawn up by the Attorney General (not to be confused with the Paternity General who was head of the Department of Birth Statistics.) It seemed obvious then, that the Bill had been sponsored by the Attorney General, Sir Marmaduke Twinkletree. It stated that "Whereas, wherein and wherefore the method of executing convicted criminals by the act of severing the head from the body" is repugnant to the people of this nation — therefore from this date know ye that it is unlawful and punishable offence for any person to take part in the barbarous custom." And then I discovered what was the solution to my problem! Printed in very small type I read the following under Clause B, Section 4, Sub-section 4X, Paragraph 8 — "Though the above Act makes it unlawful and a criminal offence to execute a human being by "severing the head from the body," it does not debar an executioner from 'severing the body from the head'." This was a nice legal point, and one which Sir Marmaduke worked to the limit, for he himself had inserted the clause. Why? I found the answer in the appendix of the book I had so luckily taken from the library shelf. Here were some excerpts from the writings of a famous chronicler of the time — a certain Peter Snozzle. In making some comments on the life of Sir Marmaduke Twinkletree, he records that Sir Marmaduke was eventually brought to trial on a charge of accepting monies from the company which owned the peanut and popcorn concessions at public executions, and would naturally desire that such executions continue. It was for this reason that the Attorney-General added his cunningly worded Clause B. Being found guilty the presiding judge ruled that his punishment should be (1) Deprivation of his knighthood and (2) that both his arms be severed at the elbow. "This sentence", the chronicler continues, "was extremely harsh, inasmuch as Sir Marmaduke had suffered for years from a malady known as scalp itch, which enforced the gentleman to scratch his head every few minutes. Being deprived of both hands, he was necessarily obliged to scratch with his toe nails. This caused him a very considerable inconvenience,' and (as the chronicler adds) "did also mightily annoy his wife." So I had mastered my problem and was now free once more to continue other sightseeing trips which my wife and I had in mind.

Weekly Editors Holding Annual Convention At Toronto

TORONTO — Weekly editors and publishers with their wives and families, representing most of Canada's 600 English weekly newspapers, will gather at the King Edward Hotel here September 4, 5 and 6 for the 39th annual convention of the Canadian Weekly Newspapers Association.

The three-day meeting will centre around discussions of the problems facing the industry and sessions will be held with representatives of advertisers and the Audit Bureau of Circulation.

Highlighting the discussions, both formal and informal, will be the matter of better promotion of the weekly newspapers as an important medium for local and national advertisers.

This is expected to bring official sanction by delegates for the inauguration and support of a fulltime promotion and public relations department in the C W N A national offices in Toronto.

According to William Telfer, C W N A managing director, promotion of weekly newspapers as an important medium will go a long way towards increasing revenues thereby assisting many weeklies now finding it hard to hold advertising and subscription rates at present levels and still meet rising costs.

Combined circulation of the English weeklies in Canada has now passed the 1¼ million mark, Mr. Telfer said.

A number of national associations and companies will entertain delegates at various luncheons and the Government of Ontario will give a dinner.

Among guests will be John Thomson, managing director of the Northcliffe group of weeklies in the United Kingdom. He is currently touring Canada.

Lucian Fontaine, of Val d'Or, president of the French Language Weekly Newspapers of Canada is also expected to be present at the convention as will several representatives of weekly newspaper associations in the United States.

National Farm Union Week—November 3rd to 8th. 7-8

MEAL CHECKS — For Cafes, lunch counters, dining rooms, etc. at the Standard Office —

on GRASSLAND it pays to
FALL FERTILIZE WITH NITROGEN
for early spring pasture

ALL CROPS NEED NITROGEN Without nitrogen, your crops will starve. Your soil loses many pounds of this vital plant food every year! It can be replaced with a fall-application of Elephant Brand HIGH NITROGEN Fertilizer.

NITROGEN FOR GRASSLAND To maintain or increase the fertility of your soil apply Elephant Brand HIGH NITROGEN Fertilizer this fall. Your grasslands will be ready for grazing weeks earlier . . . will feed more livestock . . . and re-grow faster. Livestock on fertilized grassland gain faster, are healthier, give more pounds of meat or milk.

BUFFALO COULEE ACTIVITIES

Harvest is in full swing. Where has the summer gone? Lots of activities make the summer slip by very quickly.

Back to Fair time since the last report was before that. Five B. C. girls, Katherine Barlow, Lyla Eyben, Lorena May, Alayne Stone and Lenore McInnis all attended Fair Camp and report a very good time. Alayne got second prize for the girls work.

BIBLE VACATION SCHOOL

A very successful Bible Vacation School was held at the Auburndale Church during the first week of August. There was a good attendance all week and a very fine program presented on Sunday with Betty Marfleet of the Senior [illegible] taking the leader's part [illegible]. The leaders were: Senior, Mr. [illegible]nson; Junior, [illegible] Stone and Katherine Barlow; and Kindergarten — Lila Eyben and Donno McCauley. Donna was also organist for the week.

NEWLYWEDS SHOWERED

Congratulations have been extended to Mr. and Mrs. Matt Majury who were married in Saskatoon late in July. A shower was held for them on August 8 with a large crowd attending. Games and contests were enjoyed. Mr. Robinson sang "I'll Walk Beside You" just preceding the arrival of a decorated school house loaded with gifts brought in by Mickey Macnab and Nancy McInnis. Gordon Larsen on behalf of those assembled welcomed Dorothy to our community and wished them both the very best in their married life. Matt fittingly thanked all for their gifts and good wishes.

Mrs. Majury Sr., Rita and boys and Kay, Rhona and Doug were all down from the city for the shower. Mrs. Majury is going to spend the winter with her daughter Rita in Edmonton.

Dorothy Majury is going to teach the Primary room at Buffalo Coulee this coming term.

RITA EVERETT BRIDE-ELECT

Another shower was held on August 13 for Rita Everett, a former B. C. student who is to be a September bride. The evening was spent in dancing. The gifts were presented in a decorated wagon containing a "teller's cage" (the groom is a bank employee) wheeled in by Linda Olsen dressed in a nurse's uniform. Lunch was served by the ladies of the Autumn Leaf group.

Rita, who has been nursing at the Wainwright hospital this summer, will be living in B. C. after her marriage. Best wishes of her many friends are extended to her for a long and happy married life.

ATTEND EDMONTON WEDDING

Quite a few people from B. C. attended the wedding of Jerry Harle and Eileen Nicol in Edmonton on August 16. It was a lovely wedding. Congratulations to Jerry, a former B. C. boy and his bride. They will be living in Edmonton with Jerry continuing his studies at the University.

A number of children from here have taken swimming lessons again this year, ending with their tests last Wednesday. At present the results are not known.

MUSIC FEST

Several ladies from the Auburndale W. A. attended the Music Fest put on by the Wildmere W. A. last Wednesday night. It was a splendid program but just too bad that harvest operations affected the crowd, particularly the men. A lovely lunch was served by the Wildmere ladies.

The Young People's League has been quite active. They held a wiener roast in the coulee some time ago and this Thursday are holding a travelling supper at the school.

Mr. Bauman returned last week end from summer school [illegible] his family on a fishing trip this week.

The grade nine results were quite good, with most of the students getting a good pass.

Vernon Smith and Marjorie Brook will be attending school in Vermilion this year for grade eleven and Bette Caron will be going to Wainwright for the same grade.

There has been quite a lot of coming and going in the way of visitors and holidays.

Mrs. Cleland has been enjoying a visit from her sister and brother from Ireland and a cousin from England. Last week the Cleland families took their visitors on a motor trip to the Rockies. The trip over was by air. They plan on spending about six weeks here.

The Ken Kennedy family spent a week of holidays in Edmonton and Calgary.

Hennig and Ruth Haverslew and family were away for a few days visiting in Edmonton, then going on to Calgary across to southern Saskatchewan and back home by way of Saskatoon.

Mrs. Robert Woodruff enjoyed two weeks holiday with relatives in Calgary. Her nieces brought her home by car and spent a couple of days here.

Mr. and Mrs. Geo. Rodgers and baby Carol spent their holidays at the Alex Stone home late in July.

Mr. and Mrs. Stuart Little and [illegible] left this week for the [illegible] country. Stuart will be teaching in Wembly this year. He attended summer school while Grace and the baby spent most of the summer with her parents Mr. and Mrs. Frank Eyben. Mrs. Eyben has her aunt from the States with her for a visit.

Mr. and Mrs. Jack Smith, David and Douglas and Mrs Don Mullen and Neil all of Vancouver were visitors at the Stone and Smith homes this month. On Sunday, August 10 a reunion of the Smith family was held at the Alex Stone home when all members except Bill of Penticton were in attendance. Supper was served on the lawn and lots of pictures taken.

Mrs. Dell Dawson and family of Edmonton and Mrs. Helen Hawkins and family of Oklahoma visited with their sister Mrs. Ruth Haverslew.

Mr. Kyn Haverslew, from England is on a visit with relatives here alternating his time between his cousins, Henry and Hennig Haverslew.

The sympathy of the community is extended to Mr. Wilson Brooks on the death of his mother at her home near Regina. Mr. and Mrs. Brooks Sr., had just returned home from visiting Wilson and other members of the family in Edmonton. Wilson and Vera attended the funeral, returning home Moday night.

Mrs. Elward returned home last Thursday after spending two weeks in the hospital with virus pneumonia.

The quarterly meeting of the W. A. groups is to be held in the church on September 17 at 2 30 p.m. so ladies keep this date in mind and let us have a good attendance.

Rev. C. W. Mackay of Vermilion will be conducting service at the Auburndale church this coming Sunday, holding the sacrament of baptism and communion. Following this Mr Robinson will just have three more Sundays. This young man has certainly given us most inspiring services in sermon and song during the summer months. Attendance has fallen off during the last few Sundays but now that holidays are over how would it be if we all "go to church on Sunday."

Your Farmers' Union is working for you. 7-8

FIRST PRIZE $1,000.00 CASH

CALGARY. — More than 50 cash prizes will be awarded soon to prairie farmers by a Canadian fertilizer firm. A $2000 cash prize contest, open to residents of Alberta, Saskatchewan, Manitoba and the Peace River district, has been announced by the makers of Elephant Brand Fertilizers.

[illegible]

According to contest officials, purchases are not necessary. To [illegible] only answer 7 easy 'yes' or 'no' questions such as "Is nitrogen essential for plant growth?" — and the first prize is $1000!

Entry forms are available from any Elephant Brand agent. The winners will be chosen by draw. 8sf

176-Trailer Caravan

Emphasizing the increase in trailer travel during the past few years was the arrival in Alberta this past month of 176 American trailers on an organized tour. The visitors stayed at Calgary and at Banff are continuing on to British Columbia and back to the States. The growing number of these vehicles on Canadian roads underlines the need for increased trailer park accommodation in this province.

The 2 day stay of this group in the one center, Calgary, provided $17,000 in additional revenue to that community, city tourist officials estimated.

This is ALBERTA ... ENJOY IT!

ELK ISLAND NATIONAL PARK

Here's modern holidaying in an authentic old-West setting! You can golf on well-kept links . . . dance in an airy lakeside pavilion . . . dine in good restaurants . . . swim or boat at an up-to-date recreational park . . . while, within your sight, roam herds of magnificent plains buffalo. Reached by good all-weather highways, Elk Island Park has achieved outstanding popularity for its highly scenic setting and its large herds of wild animals. More than 1,000 buffalo roam the park — the largest preserve of its kind in Canada.

...so both are building up bank accounts

Nowadays, practically everybody has a bank account.

Last year alone, forward-looking Canadians opened 450,000 new deposit accounts in the chartered banks—almost as many as the increase in population.

The owners of today's 11 million accounts know a bank is the safe, convenient, pleasant place to build up funds for every need and purpose.

They know, too, that in a chartered bank you deal with skilled, friendly people, ready to help with *all* your banking.

Pinder-Joy Nuptials Solemnized At Kitscoty United Church

The Kitscoty United Church was the setting for a very pretty wedding on Friday July 25 at 2:30 p.m. when Arlene Rose, only daughter of Mr and Mrs. Henry Joy of Kitscoty became the bride of Clifford Pinder, son of Mr and Mrs. J. Pinder of Lashburn, Sask. The double ring ceremony was performed by Rev. James Shortt of Kitscoty.

The altar was tastefully decorated with bouquets of summer flowers in pastel tones, while nosegays of pansies tied with white ribbons marked the guest pews.

Given in marriage by her father, the bride was radiantly lovely in a floor length gown of white satin with nylon chiffon overskirt, styled with a lace yoke and long lily point sleeves. The fitted bodice of the dress was fastened up the back with tiny satin covered buttons, a headpiece of satin and pearls held her fingertip veil of fine silk net in place. The bride also wore a blue stone set pendant worn by her great grandmother at her wedding seventy nine years ago and to complete her bridal attire she carried an arm bouquet of red roses and fern tied with satin ribbon.

The three attendants wore identical dresses of nylon chiffon over taffeta with picture hats and mittens to tone, maid of honor Miss Yvonne Pinder of Prince Albert, Saskatchewan, sister of the groom, wore pale blue and carried a colonial bouquet of pink carnations. The bridesmaids, Miss Lona Davis, Edmonton, cousin of the bride, was gowned in a maize dress and Miss Juliet Mouwn of Edmonton wore pale green. Each carried bouquets of white carnations.

The best man was Mr John Phillip and the groomsmen were Messrs. Art and Fred Pinder, brothers of the groom. Ushers were Mr. Victor Zern and Mr James Coolridge.

Miss Beverlie Jack of Edmonton was soloist, singing "The Wedding Prayer" accompanied by Mrs. H. Batty who played the wedding music.

Mrs. Joy chose a white blue cornflower patterned [illegible] piece nylon dress with [illegible] pleated skirt, a hat to tone and white accessories for her daughter's wedding and a corsage of white carnations.

Mrs. Pinder, mother of the groom, was becomingly attired in a white and blue figured silk dress, complemented with white accessories and white carnations on corsage.

Following the ceremony a reception catered to by the Legion Ladies Auxiliary was held in the Tracy Memorial Hall.

The bride's table was laid in white linen and hand made lace, centred by a three tiered wedding cake, decorated with rose [illegible] and silver leaves and topped with a miniature bride and groom. The cake was finished with tall pink tapers in silver [illegible] while vases of pink roses decorated the table.

The Reverend Mr Shortt gave the invocation. Mr Victor Zern proposed the toast to the bride. Telegrams were read by the best man from the bride's aunt and uncle Mr and Mrs. Lawrence Joy, Dean and Carolyn of Hamilton, Ontario and from friends in Edmonton. One hundred and ten relatives and friends signed the guest book presided over by Miss Beverlie Jack.

During the evening relatives and close friends were entertained at the bride's home. Later in the evening a well attended wedding dance was held in the town hall.

For a honeymoon trip to Banff the bride chose for her going away outfit, a chemise style dress of red and white silk cord, white accessories and corsage of white carnations. Mr and Mrs Pinder are making their home in Edmonton.

Out-of-town guests from Lashburn were Lina Pinder, [illegible] Pinder, Cecilia Neilsen, Mr and Mrs. Jack Nethelis, Don and Barbara Hardy, Mr and Mrs. Farrell, Mr and Mrs M Farrell, Mr and Mrs. J Coaker, Mrs F. Hemsley and Evelyn. Edmonton guests were Margaret Reppert, Rowland Cattlin, Mr Ronald Mathewson, Mrs. A Govier, of Burlington, Ontario, Mrs. Orval Bills and Miss Edith Bills of Calgary, F.O. Mervin Yanke, Claresholm, Mr and Mrs. E. A. Bills and family, Cronsfields, Mrs. C. A. Jones, Flaxcombe, Sask., Carolyn Jones, Marengo, Sask., Mr and Mrs. Alf Jones, Mrs. Bert Gould and Mr and Mrs. Arnold Fortien all of Islay, Mr. and Mrs. Frank King and Mr and Mrs M. Horpstad of Lloydminster, Mr and Mrs Pike, Wasera, Sask., Mrs. L. Martin, Maidstone, Sask., Mr and Mrs. D. Trammer, Edgerton, Mr McKay, Edgerton, Mrs. J Turner, Winnipeg, Joan Currie, Leighton, Daniel Kearney, Port Alberni, B. C.

Highway Program Nearing Completion

The 1958 highway construction program is more than two-thirds completed, the Hon. Gordon E. Taylor, Minister of Highways announced this week. This is the best progress in construction achieved by this time of year for a number of years and with reasonably good weather it appears that the 1958 program can be completed this season, he said.

To date more than 155 miles of new grade have been constructed and more than 151 miles of asphaltic surfacing has been applied and more than 132 miles of seal coat work has been completed.

Last year at this time less than 60% of the work had been done.

As tangible evidence of the better weather experienced this season records show that 719 shifts have been lost due to rain and inclement weather while last year at the same time some 1,282 shifts had been lost.

DEWBERRY NEWS

The front of the Imperial Lumber Co. office was badly smashed up in the early hours of Sunday morning when a truck ran into it. It is thought the truck went out of control.

Congratulations to Grandma Anderson of Edmonton who celebrated her 73rd birthday recently, 73 years young, she bowls in the Royal Club, Edmonton, three times a week and won the cup of the month two months running. Good going Mrs. Anderson. Mr. John Anderson has reason to be proud of his mother.

We hope Milton Brett is now feeling better. He is a patient in the Islay hospital having met with an accident while swathing. It is thought he probably had sunstroke and passed out while working.

We are pleased to see Mr. and Mrs. Will Porter back again from Vancouver. They are here to help Philip with the harvest, driving from the coast in a brand new car.

Mr and Mrs. Jim Bailey motored from Calgary to visit the latter's mother Mrs. E. Allen. As Mrs. Allen was at her daughter Blanche's (Mr and Mrs. Geo. Butz, Landonville) they proceeded there. Mrs. Allen is helping Blanche and George during harvest. Mrs. Grace Wood accompanied the Bailey's as far as Dewberry where she visited her dad Mr. Jim McGillawer.

Word came from California of the passing of Mr. Jack Wood two and a half hours after the death of his brother Archie Wood on Aug. 20th. Our sympathy is offered to the Wood family on their double bereavement.

News from Tulliby Lake

The afternoon of August 17th witnessed a near capacity crowd at the Kingdom Hall of Jehovah's Witnesses in Lloydminster. Mr. R. J. Fahie, travelling circuit servant representative of the Watchtower Society, delivered the widely-advertised discourse entitled "Meeting the Needs of Life-Seekers". This was followed by a Bible study on the subject "Finding Your Place in the New World Society". The afternoon's proceedings came to a close when Bob Fahie delivered his farewell talk to everyone attending. The Willard Larson family, accompanied by Mrs. Mollie Behrens and Juvenile, motored down to Lloydminster and attended the gathering.

On Friday, Aug. 29 Dr. Bourke, Medical Health Officer from Vermilion, was at the Tulliby Lake Nursing station. He administered polio shots to all eligible adults and children who were due for them in June, July and August. Dr. Bourke also had available inoculations for various other children's diseases.

Local No. 422 of the Alberta Farmers' Union held a meeting in Frog Lake hall on the evening of Aug. 18th. The minutes of the previous meeting were read and adopted. Discussion of the evening centered around the egg marketing plebiscite controversy. The meeting came to a close with the serving of lunch.

Philips Larson of Winnipeg, Man., has been spending a [illegible] tion of his school holidays [illegible] the Willard Larson's. On Sunday evening Philip called on the Behrens'.

Mr John Kay is down in the Islay district visiting his daughter and family, Mr. and Mrs. Frank Robinson.

Forbes Parke [illegible] spending an unwelcome holiday in [illegible] hospital at Paradise Hill.

The stomach flu bug is very busy swarming around the district. One fortunate thing about it is that the attacks seem to be of a very short duration.

Sorry to report that Mr. Ingver Belsheim is once again on the sick list. A few years ago when 'Old Doc' removed his tonsils one happened to escape the forceps. This has caused an uncomfortable swelling in Mr. Belsheim's throat. A week in the Elk Point hospital has helped the condition very much.

Herbert Ruud is spending a few days at Charles Gullickson's.

Several Oral Roberts' slides were shown during the course of last week at the Mission Centre.

We are sorry to to report that Mrs. Alec Marsh's mother is confined to the Lloydminster hospital. Mrs. Adams is well along in years and has not been enjoying good health of late.

Wm. Novak Installed President Of Kinsmen; Active Year Forecast

Wm. Novak, well known assistant principal of the Vermilion Composite high school, was installed as president of the Vermilion Kinsmen Club on Monday evening. On the executive with him and duly installed on that occasion also, were Joe Hart as vice president, Wm. Flechuk as secretary, Bruce Anderson treasurer, Bob Rowe, registrar, with Jim Ferguson, Nick Kowalchuk and Art Morgan as directors.

In charge of the installation was past president Bob Anderson who is now district deputy governor of zone 2 while chairman for the evening was retiring president Jack Wright.

Mr. Wright was presented with a past president's pin by Mr Novak, along [illegible] some [illegible] complimentary remarks regarding Jack's activity during his term of office.

DISTRICT GOVERNOR GUEST

The opening of the club's year was further highlighted by the attendance of Mr. Ian Coates of Edmonton, Governor of District No. 4.

KIDDIES WADING POOL AND PLAYGROUND SUCCESSFUL PROJECT

Heading the projects of the past year was the operation of the children's wading pool and playground. These had been patronized in larger numbers than ever before. Appreciation was expressed for Mrs. Hemmingway and Miss Merlyn Smith who had been in charge of the pool and playground. These had proved a boon to the little kiddies and to the mothers too.

MAKE MONEY ON ..... CAR RAFFLE

Another big project of the Kin year was the annual raffle of a car which takes place at the Vermilion Fair. This year a small car had been the prize with praise going to Oilfield Motors for supplying same at less than cost. A net profit of $305.00 was reported with the main cost besides the car being the $250.00 paid to the Fair board for the concession.

LOCAL KINSMAN ELECTED

Considerable satisfaction was voiced too over the election of local Kinsman Bob Anderson as D.D. Governor of District No. 2. The election took place at the Red Deer convention with a large delegation present from the Vermilion Club. The election and attendance at the convention had proved an incentive for the club.

Plans for an active year and the recruitment of several new members were made during the evening session. The meeting followed a delicious steak dinner, served in the Kinsmen club room at the Brunswick.

District Deputy Anderson also announced plans for a meeting of Zone No. 2 which will be held here on Sept 21.

Besides District Governor Ian Coates, Ashley Cooper was welcomed as a guest.

Elected President

WM. B. NOVAK

Enter Training School For Nurses, Vegreville

Among the fifteen probationers enrolling in nurses-training classes at St. Joseph's General hospital, Vegreville, recently were Miss Gloria Gannon, Vermilion; Miss Sally O'Neil, Rusylvia; Miss Frances Rodwell, Innisfree; Miss Lucille Bartling, Elk Point.

Thirty-two Entries in Ladies' Golf Tourney at Vermilion

The Vermilion Ladies' Golf tournament held Sunday Sept. 7 was the most successful in the ten-year history of the competition. Besides local ladies competing, there were six from Daysland, two from Lone Rock, three from Camrose and three from Lloydminster, a total of 32 entries.

Mrs Emma Locke of Vermilion was again the winner of the championship trophy, defeating Mrs Helen Myers of Camrose in the finals. At the conclusion of the day-long competition the golfers were welcomed officially by the president of the ladies' club, Mrs. Jean Rowe, and the prizes presented.

The following is a list of the prize-winners of the various flights. Unless otherwise mentioned the winner is from Vermilion:

1st Flight — 1. Mrs. Emma Locke; Consolation, Lorna Hartnett, Camrose.

2nd Flight — 1. Mrs. Maxine King; Cons. Mrs. Cis Davidson, Lone Rock.

3rd Flight — 1. Mrs. Laura Sutherland; Cons. Mrs. Elsie Black, Daysland.

4th Flight — 1. Mrs. Edith Waldenberger; Cons., Mrs. Mary Mitchell.

5th Flight — 1. Mrs. Madelon Edey; Cons., Mrs. Norma Hannahan, Daysland.

6th Flight — 1. Mrs. Blanche Squires, Lloydminster; Cons., Mrs. Ada Bethune, Lloydminster.

7th Flight — 1. Mrs. Marian Anderson; Cons., Mrs. Myra Tanich, Daysland.

8th Flight — 1. Mrs. Ethel Harney, Daysland; Cons. Mrs. Mildred McMeekin.

Special prizes Low score - Emma Locke; high score - Mrs. Dot Torrance; hidden hole - Mrs. Mona Pockett and Mrs Marion Anderson; pitch and putt — Mrs. Ethel Harney.

Drawmaster was Dr. A. Ben King.

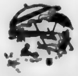
"A" Coy. L.E.R. Notes

Parades for the coming fall and winter months started on Sept. 4th. Capt. Scales, O/C, gave an outline of the courses to be taken. He stressed the value and importance of the course on Civil Defence, which the Army will be taking this year. A general meeting for the organization of committees was also held.

During the past months a Junior 'NCO' course was held with part one of the course being taken at the armories and part two, a summer camp course, held at Hamilton - Gault Barracks, Griesbach. The following personnel having passed parts 1 and 2 have been promoted to the rank of Corporal: A/Sgt. Herbert, Cpls. Lamoureux, Tebbutt, L. Hareuther and Dowdell. Passing part one of the course and promoted to Lance Corporal are the following: Coulbourn, Hinton, Risdale, Willmer and Engelking.

New recruits are cordially invited to come to the armories on Thursday evenings at 8 p.m. where they will be made more than welcome.

A few words to the point are better than a long speech.



Prov. Park Rules

Final Rule for this season is Remember, the Park is for the enjoyment of all. Use common sense and courtesy at all times.

Gideons Hold Meeting; To Distribute 2000 New Testaments

The local camp of the Gideons International, held their regular monthly meeting at the home of President and Mrs. Hartley Sorenson, Vermilion, on Friday, Sept. 5th.

Members attended from Marwayne and Wainwright and a new member was accepted into fellowship, Mr. John Hull from St. Paul, Alberta.

Plans were discussed for the presentation of over 2000 copies of the New Testament to grade five pupils in north-eastern Alberta and in the Lloydminster school unit. This is an annual activity of the Gideons in Canada and the United States, requiring about 1,750,000 copies of the New Testament each year.

Plans were also made for the formation of a committee at St. Paul with Mr. Hull as chairman and to include the six members in that area.

Lunch was served by the ladies following the meeting.

Bank Manager Farewelled On Departure

DERWENT. — A farewell party was held for Mr. and Mrs. John Faulkes at the National hall on Tuesday, Sept. 2nd.

Mr Faulkes has been bank manager here for the past two years and is being transferred to Airdrie. During their residence here Mr. and Mrs Faulkes were both active members in the community. Mr. Bill Zenluk succeeds Mr. Faulkes as manager.

Constable Girling was M. C. and speakers for the evening were George McConnell, Matt Charchun, Albert Willmer, Nick Wintonyk and Harry Borowski. Charlie Gordon presented the guests of honor with a gift, a movie projector and a kitchen stool, on behalf of their many friends in the community. Card games were played during the evening and lunch was served which brought the evening to a close.

Brings New Dining Service To Public

Mr Ed Sikorski, proprietor of the Vermilion Bakery and Coffee Shop, has now brought a new dining service to the people of town and district, having commenced the serving of full course meals.

New equipment has been purchased for efficiency and service in cooking, while booths have been installed for those who desire privacy instead of the open coffee counter.

Mr. and Mrs. Sikorski and Bernie invite everyone to try this new service.

AN ADDED FEATURE

An added feature of the Bakery and Coffee shop is their new deep frying equipment, and potato chips may now be ordered to take out. This is proving very popular.

See the display advertisement elsewhere in this issue.

Pioneer Couple Are Honored

On the evening of August 31, a gathering of neighbors convened at the home of Mrs. Julia Farkash, in honor of Mr. and Mrs. Ed East, who are leaving our district. In June, Mr East held an auction sale of his farm and equipment, and they have purchased a home in Vermilion.

During the evening which was spent in visiting, Mr and Mrs. East were presented with a lamp, with all good wishes extended to them by J. K. Thompson, on behalf of those gathered there. In replying, Mr. East related a few episodes of his early homesteading days, having come to this community over fifty years ago. Mrs. East added her thanks to all for the gift tendered them.

A sumptuous lunch was served by Mrs. Farkash, and Mrs. Noel Garnett, assisted by several ladies.

After a holiday trip to the east, Mr and Mrs. East are taking up residence in their new home in town where we wish them many happy years of well-earned retirement.

V. H. S. Grads Win Scholarships

Two 1958 graduates of the Vermilion high school have been awarded scholarships at the University of Alberta. The students are Ronald Edward Mathison, son of Mr. and Mrs. Wilfred Mathison of Dewberry, who has been awarded the Robert David Sinclair scholarship, and Robert Donald Galloway, son of Mr and Mrs. Robert Galloway of Vermilion who wins the Canadian Society of Exploration Geophysics scholarship.

Perishable Surprise Package Well Cared For by C. N. R.

Mr Herb Simmons had a big surprise last Saturday afternoon. He received a telephone call from the C. N. R. station at Wainwright and was told by the agent there was some express there, and it was perishable, so it should be picked up before 5 p.m. "What could it be"? wondered [illegible].

However, over he goes, to Wainwright, walks into the express office and asks for the parcel for Mr. Herb Simmons. "Yes sir, just a minute." The agent disappeared and back he came with two people, Mr Simmons' brother and his wife from Ontario, on a surprise visit.

Grand Mistress of L. O. B. A. Visits Mannville Lodge

MANNVILLE. Prevailing good weather made all the more enjoyable the visit of R.W. Sister N Lehman, Provincial Grand Mistress of Alberta, of Camrose when she visited the Mannville Prince Edward No. 292 Lodge on Monday evening, Sept. 8. 26 members were in attendance with Deputy Grand Mistress for the Province R. W. Sister Jackson of Irma and Sister Pyle of Irma also visiting the Lodge. Corsages were presented in due ceremony to the Grand Mistress, Deputy Grand Mistress R.W. Sister Colborne, Deputy Grand Treasurer of Mannville, honorary member of Prov. Grand Lodge R. W. Sister Caroline Marr, Mannville and the W.M. of Prince Edward Lodge Mannville, Wor. Sister Ethel Hawley who presided at the meeting in her official capacity. R. W. Prov. G.M. Sister Lehman in [illegible] and comprehensive report of undertakings in the interests of the lodges and supported by her also gave a most informative report of the achievements at Most Worshipful Grand Lodge (Dominion) with new rulings outlined, which she attended.

Following presentation [illegible] a souvenir gift a tasty lunch was enjoyed during which members had a chance to chat with the Grand Mistress personally and mix with visitors. Prior to the meeting W.M. Ethel Hawley entertained the Grand Mistress, D.G.M., D.G.T., Sister Pyle and Deputy Mistress of Mannville Sister Jean Schock at supper at her country home.

Mrs. Colborne was hostess to the visiting ladies while they were here.

NOTICE

Any person having crutches on loan from the Vermilion hospital please return them as they are urgently needed. 9-10c

Civil Defence Day Spotlights Necessity of Co-Operation By All

George Martin, Civil Defence Director for the town of Vermilion today summarized the purpose of National Civil Defence Day Friday Sept 19 when he stated:

"Each province and municipality from the largest to the smallest, has a vital part to play in Canada's Civil Defence plans. Without this participation and mutual co-operation life may come to a sudden end.

Optimistic as some may be, the possibility and prospect of a nuclear war can not be dismissed by any plain thinking person.

Salvation for citizens of target cities will lie in a complete dispersal from the city into reception areas. Residents of these reception areas must stand by to assist in feeding, housing and clothing their fellow men evacuated from target cities. The evacuated citizens would arrive in the reception areas over a period of about six hours and would be housed on the basis of one for each member of the household in the reception area.

Later on, the final balance of city dwellers would arrive in a shorter period of time. They would at first have to be housed on a five to one ratio in reception area households.

When and how many target city dwellers would arrive and be housed in any reception area will depend upon that area's distance from any target city. The aim of evacuation planning is that the first evacuees would travel the farthest and later arrivals would be placed in communities closer to a target city.

One of the prime purposes of Civil Defence is to plan for the care of evacuees and their accommodation. The methods and transportation required by a sudden exodus of large numbers of city population into town and rural areas is a matter of continued discussion and planning by Civil Defence officials.

Without co-operation of all residents, Canada's future survival could be jeopardized. Civil Defence Day is held as a reminder to all citizens that they have a duty to perform to ensure the safety of Canada and of their family and self."

Grade 12 Will Be Taught At Paradise Valley

At the meeting of the Vermilion School Division Board held on Aug. 14th considerable concern was voiced by members of the board because of the Grade 12 results at the various schools in the division.

It was agreed that any action would affect not only students in Grade 12 but also those in Grades 10 and 11. The best interests of all pupils was the single aim. Finally after considerable deliberation and acting on the recommendation of the superintendent, it was decided to offer Grade 12 instruction only where adequate staffs were available.

Following a parents' meeting in Paradise Valley the board requested that the high school inspector for this area make a survey of the available staffs at Marwayne, Dewberry and Paradise Valley. When the report of the survey was received the divisional board was still of the opinion that in the best interests of the students, Grade 12 should not be offered at these [illegible].

A ratepayers' meeting was then held at Paradise Valley with the Minister of Education in attendance. He strongly urged that the board proceed to provide Grade 12 at Paradise Valley and the divisional board acceded to [illegible].

Cliff Porter Dies In Edmonton

Many friends of Cliff Porter and the family were shocked this week at his death in Edmonton on Sunday, Sept. 7th in the Royal Alexandra hospital. He had been a patient there just a week when he passed away. He was 69 years of age.

Cliff, as he was familiarly known, came to Vermilion in 1933 and from that time until September, 1936, conducted a very well managed trucking service. In 1936 he was forced to retire due to ill health, and he never did become well, spending considerable time in hospital.

Born at Mount Forest, Ontario on April 1st, 1889, he came to Vermilion in 1933 and has resided here since that time.

He leaves to mourn his loss his loving wife Hazel, one son William, and three daughters, Lila, Shirley and Rita, all at home, one brother Kenneth, and one sister Mrs S. S. Blackburn, both [illegible].

Funeral services, conducted under the auspices of the Vermilion Masonic Lodge of which Mr Porter was a member, were held on Wednesday afternoon at the First United Church, Vermilion with interment taking place in the Vermilion cemetery. The Rev. C. W. MacKay officiated.

Moyers were in charge of the funeral arrangements.

Retailers To Consider Formation of Branch

A meeting of all retailers including automotive dealers will be held in the Legion hall on Monday Sept 15th at 8 p.m. to consider the formation of a local branch of the Retail Merchants of Canada Inc. Guest speakers from headquarters in Edmonton will be present. This follows the tentative plans made this spring. 9

Winner Rotary Fellowship From New Zealand Addresses Local Club

In Canada on a Rotary Fellowship to study at McGill University, Montreal, Kenneth Rae M.A. of Auckland New Zealand addressed the Vermilion Rotary [illegible] Friday. Mr Rae gave a most [illegible] talk covering the [illegible] geography, scenery, industry, farming, sports and recreation of that wonderful Dominion in the South Pacific.

The speaker told about the splendid race of people called Maoris, the original inhabitants of the island when the British arrived. The Maoris are intelligent and talented, they do well in school [illegible] anxious for an [illegible] many [illegible] lawyers and teachers.

The people of New Zealand are contented and industrious. There are 100 soccer teams in the little city of Auckland and [illegible] sports are just as popular. Everyone seems to take an active part in one or more kinds of sport, including cricket, tennis, swimming, surf riding, sailing and soccer.

No one in that country is very poor but on the other hand no one is very rich either. The government is progressive and benevolent. State Medicine is more than 30 years old in that amazing land.

Mr Rae is a high school teacher. He is now on his way to take post-graduate studies at McGill University. He was chosen by the Rotary clubs of the Auckland area as a Rotary Foundation Fellowship student. All of his expenses are paid by Rotary. Besides needing to be an outstanding student and individual, one who will be a fine ambassador of goodwill in other countries, he is required to select a university in another country for his course of studies.

It is very interesting to learn that Ken Rae is a relative of [illegible] Manson and Clarence Barr and that Bill on his trip to New Zealand a few years ago, visited the Rae family.

When Mr Rae landed at Vancouver on his arrival in Canada Bill Barr was at the dock to greet him. He also accompanied him eastwards and was present at the Rotary Club dinner as a guest along with brother Manson.

President Jim Robson introduced the speaker and the thanks of the Club for the exceptionally interesting talk were extended to Mr Rae by vice-[illegible].

Permits Near $400,000.00

Vermilion Enjoying Boom Year For Home Building

Vermilion is enjoying a boom year for home building with permits issued for twenty three new residences. All but two of these have been commenced and are in varying stages of construction, several have been completed and are now being lived in by their owners. Vermilion has become a town of home owners with few houses available for rent. As a result of owning their own homes the yards are landscaped, beautified and cared for much more so than in many cases of rented dwellings.

Vermilion is apparently far ahead in building privately owned housing for 1958, no other town enjoying such construction activity in this line.

In addition to the new homes three houses have been moved in and renovated up to the standard required by the town building regulations.

The new houses are to be seen in every section of the town, south side, hospital subdivision, new school area, and the south-east corner, all sharing alike in the activity.

The houses being built vary in value from $9,000.00 to $12,000.00 and building permits now total $362,454.00 for the year. With tenders recently closed for the new Macleods Ltd store this will probably top the $400,000.00 total before the end of the month.

COMMERCIAL BUILDING [illegible]

Commercial building is also seeing the most active year for considerable time. This is highlighted by the new Federal building at a cost of $112,000.00 but will be augmented by two large store buildings being erected for the use of Hareuther's Red and White store and Macleod's Ltd Hardware. Construction has already been started on the first, while tenders for the Macleod's store were closed at Winnipeg on Sept. 8 this week. Vermilion Beverages have a permit for an addition at their plant and Rowe and Sons Ltd. plan an addition at their garage and body shop.

This summer too saw the restoration of the former Imperial apartment block on which some $24,000.00 was spent and which now provides eight modern suites with the ground floor still to be renovated.

Travellers claim Vermilion is the boom town for construction this year.

$1,000.00 Cash Is Big Prize At Curling Club Bingo

A dazzling $1000 in cash is the main prize at the Curling Club's cash bingo which will be held in the arena rink Saturday night, Sept 27th commencing at 9:15.

Along with the big prize are eleven $50 cash prizes for the first 11 games. All in all, the Curling club will distribute some $1550 of new purchasing power around the district that evening.

Kitscoty Student Wins Scholarship

Miss Ruth McCourt, a student of the Kitscoty High school has been awarded the Joan Bellward Memorial scholarship for 1958.

The scholarship of $150 is awarded annually by the Auxiliary to a Grade XII graduate residing in the Lloydminster Municipal Hospital District who has been accepted for a three-year nursing course in an approved hospital. The basis is scholastic ability, adaptability and financial need.

Miss McCourt, the daughter of Mr and Mrs J H. McCourt of Kitscoty, is a graduate of the Kitscoty High school and is in training at the University hospital, Edmonton.

Home & School To Resume Meetings

The monthly meetings of the Vermilion Home and School Association will be resumed commencing Tuesday Sept. 23rd. Mr S D Simonson, the school superintendent, will be guest speaker on that occasion. The meeting will be held in the same place as usual, the former Junior high school and will start at 8 p.m.

For the October meeting the guest speaker will be Mr. A. A. Aldridge, vocational guidance director, Department of Education, whose subject will be "Helping Your Child Choose His Career". This meeting will be on Tuesday, Oct. 28th at 8 p.m.

Bill Noyes Again Wins Feature At Vermilion Stock Car Races

A crowd of three hundred witnessed a classy race meet at the Golden Speedway on Sunday. The track was fast and the drivers at their peak, resulting in high class competition and entertainment par-excellence.

Bill Noyes of Lloydminster again captured the 50-lap feature race repeating his victory of the last race meet here. The complete list of winners for the five [illegible].

First Race — 1. Len Kohn, 40; 2. Bill Noyes, 00; 3. Henry Mills, 96.

Second Race — 1. Henry Mills; 2. Clayton Harrower, 74; 3. Gordie Allen, 444.

Third Race — 1. Bill Noyes; 2. Clayton Harrower, 3. Gordie Allen.

Fourth Race — 1. Peter Ra[illegible] 09; 2. Henry Mills; 3. Al [illegible] 67.

Feature Race, 50 Laps — 1. Bill Noyes; 2. Clayton Harrower; 3. Gordie Allen; 4. Irv Stang.

HAROLD KEUSCHNIG

Mannville Student Wins Scholarship

Harold Keuschnig, a grade 12 graduate of the Mannville high school, who attained the brilliant average of 87% in passing his grade 12 examinations. His exceptional standing won for him the Alberta Wheat Pool scholarship which is for $200.00 per year for three years duration.

WANTED: Three Men . . .

Yes, three men, interested in making Vermilion a fine place in which to live, to carry on business, to raise families. These three men must be prepared to sacrifice much of their own time to administer the affairs of the town in a fair and impartial manner. They must be prepared to absorb considerable criticism for their efforts and not to expect any praise, or at best, very little appreciation for their efforts. In many cases they must put town before self or business. They must be prepared to serve for three years . . . yes, Vermilion needs three good men to fill three vacancies on the town council this October. Have you taken your turn yet?

More Examination Centres for Drivers

Gordon E. Taylor, Minister of Highways, announced today that a further step towards improving the safety of drivers has been taken with the opening of 12 additional examination centres in the Province effective immediately. This brings the number of Driver Examination Centres to 33.

New Examination Centres have been opened at Barrhead, Bow Island, Cardston, Edson, Evansburg, Foremost, Jasper, Mayerthorpe, Oyen, Vauxhall, Vulcan, and Warner.

New headquarters have been located at Lethbridge and at Medicine Hat and resident Examiners have been posted. Transferred from Calgary to Lethbridge Sr. Examiner S. G. Healy with Examiner C. F. Rudolph assisting. Sr. Examiner C. W. Churchill has been transferred from Calgary to take charge of the Medicine Hat area.

Full coverage of the Province is now in effect with one exception of a small area around McMurray.

Foster Parents Plan Helps Many Distressed Children

Youngsters these days have their minds on just one thing — its school time again. Eagerly or reluctantly they talk of little else — the new teacher, new books, new studies, new clothes. Parents too, are a bit excited as they make sure that their offspring get off to a good start in the new school year.

It's a different, and less happy outlook for thousands of children in other parts of the world. Victims of war, or the aftermath of war many of them, they have scant hope of carefree school days unless they have the good fortune to be "adopted" through Foster Parents' Plan Inc.

Like Park Hee Sook, for example. She is thought to be six years old. Hee Sook lived with her mother on the outskirts of Pusan, Korea. The mother put the little girl to bed one evening then stole out of the house and has not been seen since. A nurse came upon Hee Sook, shivering with cold, pathetically undernourished, wandering about the railway station. Now she lives in an orphanage.

Thanks to the generosity of a Canadian woman who lives in the Province of Quebec who has "adopted" the child through Foster Parents' Plan, Inc., Hee Sook anxiously looks forward to the day when she can begin school, which will be in April, 1959. She knows what she wants to do when she grows up and that is to be a teacher.

Under Foster Parents' Plan, Hee Sook will have all the material benefits required for normal growth and development. She knows, too, that she has a Foster Parent who cares for her. Each Foster Parents contributes $15.00 a month toward the support of his or her "adopted" child. From this gift each child receives $8.00 in cash and the remainder in food and clothing.

Individuals or organizations interested in helping distressed children overseas may enroll by writing to Foster Parents' Plan, Inc., P.O. Box 65, Station "B" Montreal Que.

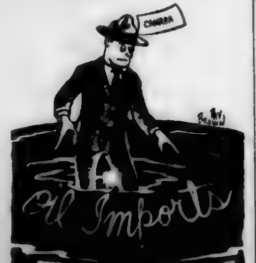
Knee Deep In A Problem



The Homemaker

[illegible]
District Home Economist
Wainwright, Alta.

WILD GAME SUGGESTIONS

1. Instead of plucking your ducks, try skinning. It is much faster. Start by slicing down the centre breast from neck to tail. Peel off skin and remove the entrails.

2. Stuff your ducks with a moist dressing. Some use sausage meat or small chunks of sausages browned slightly and added to the bread crumbs. Others add wedges of unpeeled apples or oranges to the bread crumbs.

3. Use sage, rosemary, basil and tarragon spices in the dressing for duck; for goose, use sage and marjorum.

4. It is important to cook duck at a low temperature, 325° and to baste often. Extra fat will have to be placed on the breasts and thighs to keep the meat moist. Try fastening strips of side bacon on with toothpicks. Some use orange, pineapple or grape juice as a baste — pour the juice over the duck and let it combine with fat and juice of the duck. Rebaste often.

5. To remove the excess fat from geese, prick the skin all over with a fork before starting to cook. Then place the goose on a wire rack set in the bottom of an open roasting pan. After roasting at a low temperature, (350) for half an hour, run the dull edge of a knife down the breast and thighs of the bird to express the melted fat. This may be done again as the bird continues to cook.

WHAT TO CONSIDER WHEN YOU BUY A WINTER COAT.

Buying a winter coat is a major investment, one about which you cannot afford to make a mistake. Consider carefully:

1. The length. This winter's coats come in every length from hip-length to skirt-length. These less than full length coats look newer, but require the most careful kind of co-ordination with every skirt you plan to wear under them. A full length coat may be a better buy for you.

2. The color. Coats now come in a rainbow of beautiful colors. A clear red or a nice bright tweed can be a bright sight on a winter's day. But remember that when you buy a winter coat, you have to wear this for a long time for winter is long, and perhaps ofr several more winters, so be careful to pick the coat you will not tire of quickly.

3. Trim on your coat. If your coat is to be an all occasion one, it might be a good idea to choose one you can wear different scarves, fur pieces or jewellery, and therefore have different looks for different times of day.

VERMILION DAY

I am sorry I unavoidably missed one Tuesday. However, I hope this won't hapen again and I will be in the Department of Agriculture office every Tuesday from 10.00 a.m. to 5.00 p.m.

Of Many Things . .

By AMBROSE HILLS

DEAR JIM

"I am writing you that you are a lucky boy. You have had your last loan from me and you need pester me no more. Your mother and I, after a long and painful talk, decided last night that you must make your own way from now on. Looking back on your past performance we are sorry that we did not make this decision the day you finished High School. However, we have made it now. You are lucky that we found the courage at long last. Good luck to you on your own."

I saw that letter last night. Jim showed it to me. It was dated 1954. Jim has carried it with him always, and today he shows it off very proudly. He can afford to: he has the ability . . . an ability he discovered within six months after parental apron strings had been severed.

I am not suggesting that fathers and mothers should be [illegible]. But Jim had been one of those lads whose first thought, when difficulties arose, was a letter to Mom and Dad for help. He had been bailed out of jack pots of his own making. He had quit jobs for no good reason — except that he didn't like his foreman or the hours were long, or he felt like a change. Father had always come through with an allowance to ease the suffering.

"For a couple of months after Dad had cut me off," he said, "I was mighty bitter. It seemed unfair, yet somewhere in the back of my mind I knew he really meant it when he said I was lucky, for he never was a versatile man. He meant it. So I started to learn a trade . . . right on the job."

"Today I'm a good, efficient worker. Barring a bad depression, I can make good money steadily and I have every chance to make a great deal more. Fact is, I'm saving money right now in case a chance comes along to buy a small service shop and have a crew of my own."

Apron strings are all right for the very young. They're bad business for those who ought to have reached maturity. They are bad for an individual, bad for a nation. Government apron strings, parental apron strings . . . get rid of them early, if you want to give self reliance and manhood a chance.

"GREEN ACRES"

SWINE CROSS-BREEDING

Cross breeding tests at the University of Alberta indicate that cross-bred pigs had more vigour at birth and resulted in earlier marketing. It was also proved that pounds of feed for the amount of grain eaten depended more on the individual sires and dams than on the breed. This was also true of the grading so we cannot expect to improve grades and feeding ability of our pigs by cross breeding. The best way to improve pigs is still to use a good type purebred sire and the best type gilts that can be found.

FALL CULTIVATION

The best time to kill Sow Thistle and Canada Thistle is in the fall. One or two cultivations of stubble land after harvest is a sure way to thin out patches of thistle. Many farmers who follow this practice year after year have no problem in controlling thistle. In fact fall is the time to kill perennials and summer cultivation gets the annuals.

TREES AVAILABLE

The list of trees available to farmers for 1959 has now arrived. Orders can be placed at this office or write for an application form. Small bundles of ornamentals will be available again but there will be a smaller supply so get your order in early.

GREATER MECHANIZATION

It's a big word but the dictionary says it simply means replacing men by machinery. Economic experts now state that agriculture is to become more specialized and more mechanized. If that is so and I think it is then our present farm machinery is generally speaking too small for the job. It all sums up to one thing either farmers must handle more acres and raise more live stock per man or they will not be able to stand the competition.

WARBLE CONTROL

Two new treatments for control of warbles are now on the market. Trolene is used in pill form and it costs about $2.25 per 800 pound animal. Co-Ral is sprayed on animals at 400 lbs pressure. The cost is about 84c per animal. The old method of using derris dust in the spring costs about 11c for each animal. So if you forgot to use derris dust last spring you can still use Trolene or Co-Ral at this time of the year.

There is no hurry in cutting flax as frost does not hurt the flax seed that are ripe. The green watery seeds won't amount to much anyway. Hence, it is best to leave flax until quite a heavy frost before cutting the crop. Flax does not shatter like grain. I have seen good flax crops being cut after the ground was frozen but this is not generally recommended as the rough ground shakes the combine up pretty well.

THERE BEFORE YOU START

A CPA Britannia airliner landed in Vancouver two hours by the clock before it had left Japan. Crossing the international date line helped, of course, passengers gaining a day when they moved eastward over that imaginary line.

The new planes, comments The Financial Post, bring one across the Pacific in the same number of hours today as it used to take days by steamship and weeks for a sailing vessel.

Checks Your Oil

Good news for motorists: A Swedish firm, reports The Financial Post, has come up with an oil indicator. This eliminates use of oil dip sticks. Enables motorists to check contents from driver's seat.

The Editor,
Vermilion Standard,
Vermilion, Alberta.
Dear Sir:

Once again The Salvation Army National Red Shield Appeal can record victory, as reports reaching this headquarters indicate the objective will be exceeded when all returns are in.

We are indebted to The Standard for the generous support accorded the local appeal, for the encouragement given the committee and canvassers, and for the practical interest in our work which is constantly displayed.

On behalf of The Salvation Army may I extend our grateful thanks.

Yours sincerely,
L. Bursey, Brigadier,
National Campaign Director.

PITFALLS OF LIFE

Debt is a trap—easy to get into, but sometimes it takes a lifetime to get out.

Three Baby Whoopers!

Three baby whooping cranes have been spotted in Wood Buffalo National Park, which brings the total known world population of the rare species up to 35, including 6 in captivity.

The young cranes were discovered by Canadian Wildlife Service biologist N. S. Novakowski in the Sass River area in the Northwest Territories portion of the park. He saw one pair of adult whoopers with 2 young and another pair with one young.

The whooping crane, a native North American bird, is in grave danger of becoming extinct. Whoopers usually select the most remote areas for breeding and will abandon their nest and their young if disturbed by humans. The prairies at one time were the selected breeding grounds of the whooping crane. Ranching, farming, railroads, oil drilling and other signs of human progress deprived the birds of much of their usual breeding habitat and by 1945 these and other causes had reduced to only 17 the number of cranes still surviving.

The whoopers' plight has become a challenge to North American conservation agencies. Through their efforts and the splendid co-operation of thousands of hunters in Canada and the U. S., the rare bird is slowly regaining its numbers.

The only known nesting grounds of the crane are in Wood Buffalo Park, a 17,300 square mile area on the Alberta - N. W. T. border. However, officials of the Canadian Wildlife Service are convinced that there must be another breeding grounds in the north.

During September and October each year the birds migrate southward to their wintering grounds on the Aransas Wildlife Refuge in Texas. In this sanctuary they congregate close enough to be counted. The present estimates of their total number cannot be confirmed until they have all returned from Aransas this autumn. At that time it will be known whether all the birds have made the long journey again safely.

LEGION NOTES

Friday night is meeting night. It will likely be nomination night too so everyone ought to be out to get members nominated whom you think would be best on the executive.

On Saturday this week there will be a social night in the club room. Members and honorary members are eligible to come to these social evenings and also ladies' auxiliary members and invited friends.

On Friday, September 19th the L. A. is putting on its first whist drive of the season. Everybody is welcome so why not bring your wife or your girl friend or both and have a sociable game of whist.

The police, fire, social and other public services are geared for peace time operations - - you can assist them in time of disaster by training with Civil Defence. 9 - 10.

Sixteen Years Ago

SEPT. 10, 1942

The big frame barn on Robert Butler's farm in the Allandale district was struck by lightning about 8 o'clock during the storm Wednesday morning. It was set on fire practically from end to end completely destroyed along with two head of horses, 11 sets of harness, two loads of chop and a grinder.

An electrical storm which was accompanied by considerable rain was experienced here Wednesday morning. Harvesting operations were held up for another day or two.

A. M. West's thoroughbred mare, 'Ladybelle' made a wonderful showing in the Northern Alberta Light Horse show held in Edmonton on Sept. 4 and 5 when she won 8 ribbons out of a possible 11.

[illegible] Hodgson of Dewberry high school has been awarded the Coronation Bursary of the I.O.D.E. for the year 1942-43 amounting to $400. This was awarded on the basis of his high school record. In addition this outstanding student has been awarded the Dominion and Provincial scholarship for $50 for an average of above 85% in his matriculation subjects.

The second class at the C.W.A.C. training centre here opened Monday with an enrollment of approximately 325 recruits.

32 Years Ago

SEPT. 9, 1926

The various judges proclaimed the Vermilion school fair the best in the province.

Merchants and farmers at Wellsdale held a meeting and formed a board of trade with Tom Souder as president. T. Rea, G. A. MacLeod, Geo. Maggs, F. A. Howie, L. Hicks and H. Geake as members of the executive.

Ross MacKenzie has opened a general store at Wellsdale.

George Whitcher lost a thumb in an accident while drilling a well in the Ethelwyn district.

Adverse harvesting conditions continue to prevail.

48 YEARS AGO

T. N. Kearns has been appointed as buyer for the B. A. elevator at Mannville.

John J. Hope returned during the week from three months sojourn in England better pleased than ever with Vermilion.

The new Elk Point schoolhouse is nearing completion.

Sylvester Neill, a well digger lost his life when he fell down a well he was digging on the farm of Mr. Buchanan, two miles south of Islay.

Ignorance is bliss but not during a nuclear war. Learn how to survive by joining and supporting your Civil Defence organization. 9 - 10

St. Saviour's Anglican Church Scene Of Late Summer Wedding

St. Saviour's Anglican Church, Vermilion, was the setting for a pretty late summer wedding when Miss Jessie Thomasina Stovold Scott became the bride of Mr. Roger John Wilson.

Rev. David E. Jones of Edmonton officiated at the ceremony for the daughter of Mr and Mrs. Harry Scott of Vermilion and the son of Mr. and Mrs. Roy Wilson of Edmonton.

Baskets of pastel shades of gladioli decorated the church with the altar arranged with white gladioli.

Given in marriage by her father, the bride chose a formal gown of tulle and chantilly lace. The bouffant handkerchief tiered skirt was arranged over crinolines and the fitted pleated bodice was styled with tiny sleeves and portrait neckline. A crown of rhinestones and sequins held her fingertip veil of illusion and she carried a cascade bouquet of red roses and daisies.

The bride's sister, Mrs. L. LeClerc of Edmonton was matron of honor and Miss Doreen Perkins of Los Angeles, California, was bridesmaid.

They were gowned similarly in waltz length dresses of crystal charm in gold. Their dresses were fashioned with bateau necklines, small sleeves and full skirts. Small cocktail hats matched their dresses and they carried cascade bouquets of turquoise and bronze chrysanthemums.

Mr. Bruce Wilson was his brother's best man and ushers were Mr. Edward Clegg and Mr Robert Kostynuk of Edmonton. Mr W. R. Elford played the wedding music and Mr Thomas Watts was soloist.

Following the ceremony a reception was held in St. Saviour's Parish Hall where Mr. Watts proposed the toast to the bride.

For a honeymoon trip to the west coast, the bride changed to a grey tweed suit. Her accessories were in sapphire blue and black patent leather. At her shoulder was a corsage of pink roses.

Out-of-town guests included Mr. and Mrs. Roy A. Wilson, Mr. Bruce Wilson, Miss Phyllis Hanech, Mr. Edward Clegg, Mr. and Mrs. Robert Kostynuk, Mr. and Mrs. Ralph Gibson, Mrs. E. Pell, Mr. and Mrs. J. R. Dewar, Mrs. J. Grant Sparling and Dorlel, Mr and Mrs. W. Ewanchuk, Mr. and Mrs. G. Schellenberger, Mr Hugh Willis, Mr. David Willis, Mr. and Mrs. L. LeClerc, Mr and Mrs. A. Bartlett, Mr. and Mrs. W. Ratcliffe, Mr. W. H. White, Miss Mary Richter, Miss Eleanor Wade, Miss Faye Campbell, Miss Ann Strus, Miss Joy King, Mrs. Frank Pilkie, all of Edmonton; Miss Doreen Perkins of Los Angeles California; Mrs. Harold Reid of Edson; Mrs. A. Little of Vegreville; Mr. Jack Sauld and Mr. A. Clark of Calgary; Mr. and Mrs. Marvin Willmer of Derwent.

Beautiful Blooms At Marwayne Flower Show

MARWAYNE — The 5th annual Horticulture Show held under the auspices of the F. W. U. A. No. 716 on Friday, August 15 was a great success. All classes were well filled and the color and fragrance was marvelous. "Welcome" made of pink and blue batchelor buttons on foil covered plates set in front of the sweet pea class indeed made one feel welcome. A girl and boy, all made of flowers standing behind a large window box of petunias on the platform was a real novelty. The vegetables were excellent and again all classes were filled.

The judging was in the very capable hands of Mr. Buckingham, D. A. at Vermilion.

Some doubt was felt at the last meeting whether to have the show or not owing to the dry season but from now on there will be no doubts. The F. W. A. wish to thank all the exhibitors for their grand support and help to make the show such a success.

WILDMERE WINKS

Combining is going ahead and if the weather continues fine the big percentage will be cleaned up this week. We surely hope it does stay dry till everyone gets their harvest done.

Mr. and Mrs. Albert Matteo, two children Dorian and Wendy of Edmonton, accompanied by Mrs. Matteo's parents Mr. and Mrs. H. Howard also of the city, visited from Friday till Sunday afternoon at the L. Howard home in Wildmere. It was nice to have a little chat with you all again.

Our deepest sympathy goes out to Mrs. George Dollman and daughter on the loss of a loving husband and father, Mr. Dollman was an old pioneer of the west. During the spring of 1908 he and Jim Wallington used to ford the mail across the Battle River to go to Wainwright before the railroad came or the bridge was built over the Battle River. One by one the old pioneers are fastly going on to their well earned rest. What a lot their books of Life have on the pages when they close.

On Sunday Mr. and Mrs. A. Holte and Baillie accompanied Mr. and Mrs. Gordon Green to Cadogan to see Howard Plant who is a student minister there. Howard was a former student at Wildmere about three years ago. More to tell of their trip next week.

Mr. and Mrs. Peter Morand of Calgary are at present visiting with Peter's uncles William Adam and Albert Smith and with [illegible] and family Mrs. C. [illegible]. Mr. and Mrs. Morand were married only about ten days [illegible]. He is the youngest son of Mr. and Mrs. Chas Morand formerly of Wildmere but now living in Calgary.

[illegible] August Mr. and Mrs. Norman Smith of Edmonton [illegible] family visited Mr. and Mrs. [illegible] Smith and brothers Adam and Albert Little [illegible] returned home with her parents after spending the holidays with her aunt and cousins Mrs. C. Cruthers.

[illegible] at time of writing a patient in the Vermilion hospital. Everyone wishes him a speedy return to health and home.

[illegible]

[illegible] good summer services will be [illegible]

[illegible] Mrs. Herman Eyben [illegible] birthday but it had my name on the Rotary Calendar. My birthday is in July, Jenny but we appreciated your thoughtfulness.

[illegible] Mrs. [illegible] the hospital again. All wish her a speedy recovery. Everyone is pulling for you Mrs. Eyben.

DONALD FLEMING, MINISTER OF FINANCE

Monday, Sept. 15th Is Deadline For Victory Bond Exchange

After next Monday local residents are reminded, it will no longer be possible to exchange old Victory Bonds for the new, higher rate Conversion Loan Bonds.

Bonds may be exchanged up until the close of business on September 15. After that, the government offer expires.

With well over 80 per cent of the new Conversion Loan now taken up, it is indicated that people of this community followed the example they set during the war and invested heavily in these government securities. There may be a few, however, who for one reason or another have delayed converting and they should go to their bank or investment dealer at once and take advantage of the "rights" which go with their Victory Bonds.

Some local people who held [illegible] one or two Victory Bonds [illegible] who would like a larger investment in Conversion issues are being advised that they may increase their holdings by purchasing additional Victory Bonds and then converting them. This also applies to those who have no Victory Bonds and who would now like to become investors in [illegible].

The nation-wide response to the Conversion Loan program has been most encouraging, Loan officials in Ottawa report. Particularly impressive has been the return from the smaller communities throughout the country where a large number of small units were held by individual citizens. Without the all-out support of these rural and small town Canadians, the campaign could not have been a success.

By the time the books close next Monday Canada will have carried to a successful conclusion the largest financial transaction in its history. The public, by once again showing its faith in Canada has also, according to [illegible] of [illegible] Fleming taken an important step towards combatting inflation and has made it possible for the government to carry on its anti-recession program.

United Church W.A.'s Hold Annual Rally At Islay

The Women's Association of the Islay United Church which is associated with the St. Paul Presbytery of the Women's Missionary Society, held their annual rally on Thursday, Sept. 4, commencing at 3 p.m.

Mrs. Swart, president, was chairlady for the afternoon and extended a warm welcome to the visiting ladies. The church was filled to capacity with ladies attending from Vermilion, Kitscoty, Marwayne and other auxiliaries from the surrounding districts.

Miss Bessie Anderson conducted an inspiring worship service with other members of the group taking part and telling of beautiful deeds done by the women of Bible times.

Miss Muriel Stone gave a most interesting report on the opening of the John Neil hospital at Cold Lake.

Rev Mr Shortt and Mrs. Shortt gave informative and very splendid reports on the work of the Leadership Training school held at Naramata, B.C. The Shortts, with their family, spent two weeks' holiday at this centre. They attended the school the first week and helped with the activities the last week. Mr. Shortt directed the boys' camp and Mrs. Shortt superintended the Junior girls' activities.

Solos by Mrs. Axley and Miss Kent were beautifully rendered and very much appreciated.

Mrs. Sonley of Marwayne presented the new W.M.S. study book "Concerns of a Continent" by Jas Hoffman.

Miss May Shields was guest speaker. Miss Shields, a former Vermilion girl, is home on furlough from South America where she has spent the past 13 years in missionary work. For the past six years she has been in Bolivia. Many of the people there are of mixed bloods, mostly Spanish and Indian. Dressed in the afternoon garb of the Bolivian woman, she gave a most enlightening address.

At the close, lunch was served in the new spacious hall at the rear of the church.

Mrs. Neil MacLean, president of the Vermilion W.M.S. voiced the appreciation of the ladies for the program and for the welcome and hospitality which is always extended by the Islay ladies.

NEWS from KITSCOTY

The first Kitscoty Cub pack will hold its first meeting of the 1958-59 season September 15 at 7 p.m. Boys eight to eleven years inclusive are welcome. Parents of boys who are interested, but who are not yet eight years old may contact any of the following leaders: — Mrs. V. J. Page, Mrs. Gordon Blake or [illegible].

Congratulations are extended to Miss Ruth McCourt who has been awarded the Jean Bellward Memorial Scholarship in Nursing for 1958 by the Lloydminster Hospital Auxiliary. The scholarship is awarded on the basis of scholastic ability, adaptability and financial need. Ruth is the daughter of Mr. and Mrs. H. J. McCourt and is a graduate of the local High School. She is at present in training at the University hospital in Edmonton.

Miss Jean McKerihan, daughter of Mr and Mrs. R. L. McKerihan, and her cousin, Miss Linda McKerihan, daughter of Mr and Mrs. Geo. McKerihan, left last week for Edmonton where they entered the Royal Alex hospital to train as nurses.

Mr. and Mrs. C. Hubert from Oregon, U. S. A. spent a holiday here recently with Mrs. Hubert's brother and sister-in-law, Mr and Mrs. Chas N. Gray and family. While here the visitors enjoyed a fishing trip to Cold Lake.

A warm welcome is extended to Mr. and Mrs. Clarence Venance and family who have taken up residence here. Mr. Venance is on the High School teaching staff.

Mrs. R. Raishus who has been on the Marwayne teaching staff for several years but calls Kitscoty home, has joined the staff here. A warm welcome is extended to you Harriet.

Mrs. B. Anthony of Blackfoot spent several days here last week visiting with her daughter, son-in-law and grandchildren, Mr. and Mrs. Gordon Blake and family.

Mrs. A. Russell of Endeany, Alberta is at present visiting with her daughter, son-in-law and grandsons, Mr. and Mrs. W. Clifford and boys.

Mr and Mrs. D Tramere of Edgerton visited one day last week with Mr. and Mrs. Henry Joy in the Kinnaird district.

Sincere sympathy is extended to Mr and Mrs. L. Croft and family on the passing of Mr. Croft's mother in Edmonton last [illegible].

Mr Fred Zeechuk passed away in the Lloydminster hospital on Friday, September 5. Sincere sympathy is extended to Mrs. Zeechuk and family in their loss.

Mrs. Ernest F Sheppard of the Kinnaird district has accepted the position as matron of the school dorm for boys for the coming year.

Mr and Mrs. Ken Gray and family spent a week end recently at their cottage at Cold Lake.

Mrs. P. Miles spent a week's holiday with her daughter and son-in-law, Mr. and Mrs. Russell Sutton at Calmar. Miss Margaret Miles was an Edmonton visitor and accompanied her mother home.

Princess Selected Clandonald Raised Horse At Banff

(By our Dewberry correspondent)

During the recent visit of Princess Margaret [illegible] Fairholm Lodge at Banff, she selected a black four year old horse named "Eagle" for her own use during the extensive riding she did while there.

"Eagle" was bred and raised by Homer Campbell of Clandonald. The fine animal was broken only last spring by Bruce Craigie of Dewberry, and then bought by Bill Martin of Banff, who operates a riding [illegible] in the mountain resort. [illegible]ally Mr Martin is also a former Dewberry man and is the son of Mr and Mrs. Peter Martin who farm at Dewberry.

A colored picture appeared in the pictorial section of the Journal during the visit of the Princess showing Princess Margaret with "Eagle", Bill Martin, and the R. C. M. P escort just prior to the party leaving for a horseback ride along mountain trails. Bill and the police escort accompanied Her Highness for two days, riding over rough terrain.

Called to Bar

A 1957 graduate of the law faculty at the University of Alberta, Alexander Hogan, 26, of 11961 Jasper Ave., was admitted to the bar in a ceremony before Mr. Justice Johnson at the Court House Friday.

Mr. Hogan is the son of Mrs. K. Hogan of Mannville. He took his public and high school courses in Mannville and came to Edmonton to the university, graduating with a [illegible] in Commerce in 1954. In 1957 he received his law degree.

He plans to continue his law practice with the firm of Duncan, Miskew, Dechene, Bowen, Craig and Brosseau, with whom he articled.

OBITUARY

Lawrence James Poleschuk

Funeral services for the late Lawrence James Poleschuk were held at the First United Church, Vermilion, on Friday, Aug. 1st at 2:00 o'clock in the afternoon. Interment followed in the Vermilion cemetery. Mr. Hugh Farquhar, student minister of Clandonald, officiated.

Lawrence James Poleschuk was born in Russia on Feb. 12, 1880. He came to Canada in 1914, living here since that time.

He leaves to mourn his passing his loving wife, one son Archie at home, one daughter Lorraine of Viking, a niece Lina Tomkins of Kerrobert, Sask., and one nephew Harry Nezaruk, New Westminster, B.C.

The pallbearers were Messrs. Herb Dorey, Dennis Waltz, Reg Lovell, William Mayowski, Mike Trach, Anton Quickstad.

Beautiful floral tributes were received as follows:

Archie and Lorraine; [illegible] Lina Tomkins and family; Wm. Dacyshin; Mr and Mrs. Harry [illegible] and family; Mr and Mrs. [illegible] Bochen and family; Mr and Mrs. John Olechon and family; Mr. and Mrs. Pete Safranovich and family; Mr. and Mrs. Danny O'Shea and family; Mr. and Mrs. Art Austin and family; Mrs. Rose Swischuk and family; Doctors and Matron, Nursing Staff of the Viking Hospital; Mr. and Mrs. Herb Dorey; Mr and Mrs. Clive Dorey and family; Mr and Mrs. Mike Osinchuk and family; Mr. and Mrs. Horace Osinchuk and family; Mr. and Mrs. Willie Osinchuk and family; Mike Osinchuk; Mr and Mrs. Wm. Mayowski and family; Mr and Mrs. Ernest Mayowski and family; Mr. and Mrs. George Butz and family; Mr and Mrs. Albert Quickstad; Mr and Mrs. Alec Sikora and family; Mr. and Mrs. Colin West and family; Mr. and Mrs. R. McFarland and family.

Memorial donations to the cemetery fund: Mr. and Mrs. A. R. Goldsmith and family; Mr and Mrs. Harry Goldsmith and family.

Memorial donations to the Crippled Children's Fund: Mr and Mrs. T. Storkwell; Mr and Mrs. Mike Mayowski; Mr and Mrs. Frank Molineux; Mrs. M. Molineux; Fay and Dick Dorey; Mr and Mrs. C. Goldsmith; Mr and Mrs. H Schneider; Mr. and Mrs F. Goddard; Mr and Mrs. McMorrow and John; Mr and Mrs. Ronnie Johnson; Mr. and Mrs. Oliver Goldsmith, Edmonton; Mr. and Mrs. Dennis Waltz, Kenneth and Marvin; Mr and Mrs. Horace Smith; Mr. and Mrs. Eric Nettleton and girls; Mr and Mrs. Harry Trach and family; Billie and Susie Goad; Mrs. Lena Goad; Cliff, Eileen and Reta Goad; Fred, Gladys and Jerry Douglas; Gus Garnier.

Elk Point Hospital Fund: Mr and Mrs. Thomas Lamble and family.

Meyers were in charge of the funeral arrangements.

New Fish And Game Chief For Alberta

Alberta has a new fish and game chieftain. He's Curt P Smith Jr., well known sportsman and he's walking into a tough job at a particularly tough time in the field of wildlife management in Alberta.

The appointment of Mr. Smith has political overtones. A powerful and vociferous group of sportsmen has been pressing the government to appoint a full-time fish and game administrator. In the past, the government has resisted the pressure, but now apparently it has decided to yield.

Eric S. Huestis, who has been director of forestry and fish and game commissioner for the past 17 years, will now devote all his time to forestry. The announcement of the change mentioned that the new five year plan will mean a lot more work in forestry.

Mr. Smith, an agriculture graduate and former president of the Alberta Fish and Game Association and Western Canada Fish and Game Council, is at present the assistant superintendent at Elk Island National Park. He takes over his new post Nov 1st.

In his new job, he'll be under a lot of political pressure from many quarters. Nothing, but nothing, can stir up [illegible]roversy like fish and game policies. And experts agree that wildlife management is one thing that should be based strictly on science, without any inside interference.

Whether Mr. Smith can handle one of the toughest jobs in the provincial government and still keep everyone happy is anyone's guess at this point. But the initial reaction from sportsmen is that the idea of a full-time fish and game chief is a good one.

It's Whooper Migration Time Again Don't Shoot at ANY Large White Bird

The last wild whooping cranes in the world are about to face another stern test in their struggle for survival. Any day now, the great white birds will begin moving down from their breeding grounds in Wood Buffalo Park enroute to their winter quarters on the Gulf of Mexico. People along the perilous, 2,500-mile migration flyway are urged to guarantee safe passage to these sorely threatened birds.

At least three young whoopers have been hatched this summer, the Audubon Society of Canada reports. Young birds, though just as large as the adults at this season, are a rich rusty brown in color. Adults are pure white with black wingtips. Cranes fly with long neck outstretched, long legs trailing. Whooping cranes usually travel in family units sometimes in larger groups. These magnificent creatures [illegible] five feet tall, have a seven [illegible] wingspread.

The addition of three young would bring the total number of wild whooping cranes flying south this month to an estimated twenty[illegible] November will we know precisely how many remain, when they will be counted accurately on their wintering ground at Aransas Refuge, Texas.

In the meantime, residents of eastern Alberta, Saskatchewan and western Manitoba are asked to be alert to the possibility of the whoopers appearance. At this time of year the birds face their greatest single danger. Each autumn, protection along the migration route becomes more vital.

Remarkably successful breeding birds, whoopers' most serious losses have been suffered during the fall flight, as a direct result of illegal shooting. Once again the Audubon Society of Canada appeals to everyone on or near the migration route to help protect the cranes at this critical time.

Friends of the whooping crane are now legion. The close co-operation of government agencies, sportsmen's groups, civic and conservation organizations has illustrated the way Canadians feel about their most precious native birds. But the risks are great, and the danger area so extensive that the help of everyone is needed. If you live on or near the whooper flyway, contact your nearest conservation club or agency. Offer to do your part. You will be helping to save one of the most majestic living symbols of our Canadian heritage.

Of Many Things . .

By [illegible]

[illegible]

A friend of mine who never seemed to have much energy had suddenly become quite a bundle of get-up-and-go. I asked him where he'd picked up the pep, and he grinned a bit sheepishly. "Haven't you heard about royal bee jelly?" he asked me.

I had noticed something about it in the magazines but paid very little attention to it. Apparently [illegible] to their queen so that she gets to be several times bigger than her subjects and outlives them several times over. Seems to me those worker bees are a bit silly not to swipe a bite or two of the jelly for themselves instead of feeding it all to the queen.

I inquired at a drug [illegible] about the jelly and found that it costs quite a bit. So I'm telling myself that my droopy friend has brightened up not so much because of the jelly — but because he thinks it peps him up. It is surprising what the power of suggestion can do! Meanwhile I feel good about what [illegible].

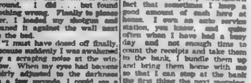
For all I know, the bee jelly may be all its cracked up to be. But there are other ways to increase your pep, and I think they ought to be tried first. I'll tell you a few that work for me.

I'm naturally a lazy guy, yet I plow through a tremendous amount of work in a day, which astonishes my friends who know how much I like to loaf when I can. Here's how I do it, and you might want to give it a whirl.

First, I give myself a pep talk as soon as the old orbs open. In this matter, I took the advice of Sir William Osler who cried, "Be your own daysman! and sigh not with Job for any mysterious intermediary, but prepare to lay your own firm hand upon the helm." I find that when I start the day right, with some zeal and determination, I am often able to accomplish more in a morning than some of my friends get done in an entire half-hearted day. I also use the old slogan of Abe Lincoln, who said "Most men are as happy as they make up their minds to be." By making up my mind, first thing in the morning, to be gay and spry, I get more done. You can't work well in a mood of depression — [illegible] moods can be banished.

Then aware of my own laziness, I ply myself with incentives. If I can work hard I'll have more time free. I can make it to the cottage for a swim tonight if I [illegible] now and do my best work. Such thought acts on me like a gasoline additive.

Royal jelly? That's for the bees! Give me a good start on the day, and plenty of incentives as I go along and watch things fly. I'm happy when I'm working smoothly and efficiently. I feel punk when work piles up. So lazy or not I'd better hustle! You'd better do the same thing, friends! It makes life much more pleasant.



YOU ARE THE DETECTIVE

** ** **

The woman's face and body are a horrible sight — riddled by the blast of the shotgun. You note the position of her body on the floor of the bedroom just in front of the one window, the blood spatters on the floor and on the window sill. Then you turn to the man who is seated on the edge of the bed, bent over, his head in his hands, and sobbing out his grief.

After he has recovered somewhat, Matt Ritter begins his story:

"My wife seemed unusually tense and nervous tonight. Several times, after we had gone to bed, she was startled by noises she said she heard outside the house, and asked me to look around. I did . . . but found nothing wrong. Finally to please her, I loaded my shotgun and leaned it against the wall next to the bed.

"I must have dozed off finally, because suddenly I was awakened by a scraping noise at the window. When my eyes had become fairly adjusted to the darkness in a few seconds, I could see a figure standing just outside the window. I grabbed my gun, [illegible] scrambled out of bed, and [illegible] on the light. To my horror, there was my wife, lying on the floor in front of the window . . . [illegible] Oh, why did this have to happen?" And he bends forward and breaks into sobs again.

"Have you touched or moved anything at all since this happened?" you ask.

"Oh, no . . . only the phone when I called Dr. Hague and [illegible]."

Dr. Hague, who has entered the room quietly and made his examination, then tells you, "She received the charges directly in the face and front of the body. Death was practically instan[illegible]."

You nod thoughtfully and then, after mopping the perspiration off your brow, you walk slowly over to the window and raise it to let in some of the cooling night breezes. You turn back to Matt Ritter: "Do you keep anything of value in the house here, anything that might attract a thief?"

"Yes, it's a pretty well-known fact that sometimes I keep a good amount of cash here at home. I own an auto service station, you know, and quite often when I have had a busy day and not enough time to count the receipts and take them to the bank, I bundle them up and bring them home with me so that I can stop at the bank the first thing the next morning. I guess maybe that was what made my wife so nervous tonight, and as it turned out, she was right, there was a thief — only I didn't, this horrible accident . . ."

You break in: "Your crime was very badly planned, Ritter. I'm taking you in with me on [illegible]."

Why do you suspect Matt Ritter?

** ** **

SOLUTION

If the tragedy had taken place as Ritter described it, surely the window behind the victim would have been broken. But you had to open it in order to admit some air into the room!

Pleasant Valley News

It has really been pleasant the past few days and we are hoping the [illegible] are over for awhile.

Combines are [illegible] while some are threshing with just one or two teams.

Trees are looking very pretty at present with fall colors starting to show which means that it won't be long before they will soon be bare and depressing for another six months.

Alfred Pratt and family visited at the Potvin home on Sunday and also at the home of the writer.

Claude Underdown, his family and sister-in-law Nellie Gould, were supper guests on Sunday at the writer's home. Claude brought his movie projector and a very enjoyable evening was spent looking at the lovely scenic pictures that were taken [illegible] the Underdowns [illegible] days through [illegible]. They are wonderful. Bears were [illegible] bold on the roadsides.

[illegible] to Strome on Sunday.

Why buy B.C. crabapples folks when our local growers have so many they are going to waste and falling to the ground? We know of one orchard where they are selling them for 5 cents per pound and besides getting nice crabs one gets an equally nice drive.

[illegible] including police, fire, medical and [illegible] together with [illegible] volunteers, have received [illegible] Defence training since 1951. 9-10

LOCAL NEWS

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Clark Richardson of Kitscoty, Alberta, announce the engagement of their eldest daughter, Jean Isobel, to Mr. Roger Marvin Hall of Lloydminster, eldest son of Mr. and Mrs. John Hall of Lashburn, Sask., the wedding to take place at the United Church, Kitscoty, on Wednesday, October 10th, 1958, at 4:30 o'clock in the afternoon. An open reception will be held in the Legion hall, Kitscoty at 5:30 p.m.

Guest at the home of Mrs. Kay Shattuck and her daughter Ilene, is Miss Doris Fleck from The Dalles, Oregon. Doris arrived via T. C. A. Tuesday in Edmonton. Miss Fleck attended Holy Name College with Ilene in Spokane, having graduated with a Medical Secretary certificate. Since graduation, Doris has been employed in the Medical Library at The Dalles General Hospital.

Mr. and Mrs. Steve Warawa and boys were week end visitors at Devon where they visited Mr. and Mrs. Mike Malinowsky.

Miss Denise Johnson of Vancouver spent last week visiting her aunt Mrs. M. P. Dixon.

Miss Alma Cameron and sister Mrs. J. Harvie of Streamstown returned from a most enjoyable three weeks holiday spent visiting friends at Hudson's Bay, Prince Albert, Saskatoon and Delisle, Sask.

Wm. Barr of Victoria is spending a few weeks of the harvest at the old home farm, visiting son Jim and family.

Mr. and Mrs. R. S. Cooper returned Saturday from a three week vacation spent at Cortez, Colo., visiting their daughter and husband, Mr. and Mrs. Jack Cooke and the twin daughters now just six weeks old. They also spent some time at Albuquerque, New Mexico.

Welcome visitors at the home of Mr. and Mrs Ashley Cooper on Saturday were Mr. and Mrs. Morrison Smeltzer, Sheila and Gerry who were motoring home after spending the summer vacation touring England and Scotland with a trip to the World's Fair at Brussels and to Paris. They took with them their own station wagon and thoroughly enjoyed every minute of the trip and holiday. They had landed at Montreal on Wednesday and already a week late for school, lost no time travelling back to Edmonton where both are on the [illegible] staff. Sheila received the welcome news that she had passed her grade 9 exams with an honors standing, all H's. While in a museum in London, they were surprised to meet Mr and Mrs Percy Willes.

Jerry Marshall of Vermilion won first prize in the 13th flight in the well attended two day golf tournament over the Labor Day week end at Vegreville. Quite a number of local golfers competed with several just missing out in the final rounds of the various flights.

The C. W. L.

The September meeting of the Vermilion C.W.L. was held in the parish hall on Sept. 6th. Due to the absence of Fr Landrigan the opening prayers were read by the spiritual convener. There were 23 members present and 7 new members were reported.

Reports were given on the Knights of Columbus banquet [illegible] fast.

Doris Keating reported an enjoyable as well as instructive home freezer demonstration by Canadian Utilities on Aug 7th.

President Mrs. Kay Williams gave a detailed report on the 39th Edmonton Archdiocesan convention held in St. Andrews [illegible] at which she was voting delegate for the Vermilion branch. Mrs. Williams was accompanied by Mrs. Doris Keating.

A visiting of the sick committee was formed, under the convenership of Mrs. Margaret Perrier, consisting of Mrs Helen Rogers, Mrs. Betty Shalka and Mrs Gena MacIntyre.

Project for this month is a bake sale to be held on Sept 20 in the Co-op store.

Hostesses for the delicious lunch served after the meeting [illegible], Nancy Shongrunder and Terry Kelly.

RECEPTION

Mr. and Mrs. J. K. Thompson will be at home on Sunday, September 14th, the occasion of their 25th wedding anniversary, from 3 to 6 p.m. and from 7 to 9 p.m.

"Percy," Not Pat

In the story relating the very high attainments of Ivan Cross in his chosen vocation which appeared in last week's Standard, he was stated to be the son of Mr. and Mrs. Pat Cross, this should have of course read Mr. and Mrs. Percy Cross as everyone well knows.

Mr. and Mrs. Sig Lindroth spent a most enjoyable three weeks holidaying with relatives at Fort Seward, Sacramento, and Los Angeles, Calif. The visit in Los Angeles was spent with Mrs. Ida Bowman and family, who are former Vermilionites.

Mr and Mrs. J. W. C. Wilson were pleasantly surprised to have their son Jim walk in at breakfast time last Saturday. Jim is stationed at Bagotville, Quebec, with the R.C.A.F. He came to the Cold Lake air base with his squadron's representative for the annual rocket shoot contest being held there. Later in the day Louise and Robert McAlpine and son Robert motored down from Edmonton.

Miss Betty Giles is enjoying three weeks vacation in Vancouver. She plans to return home this week [illegible].

Cecil Porter of Los Angeles is in town this week, visiting his mother Mrs. Tom Smith and Mr Smith. Cecil visited in Toronto with brother Bert and family and travelled by air to see his mother [illegible].

Mr and Mrs Ed East left on Saturday last by Canadian National for London, Ontario, where they will visit for the next six weeks.

Leslie Geake of Jasper Place spent last week end in town visiting his mother and brother Earl and family.

Frank Cameron spent last week end in town, enjoying a shoot on Saturday. Mrs. Cameron and the children stopped at Minburn to visit at the former's home.

Charles Stewart of Dauphin, Manitoba has now returned to his home after a very enjoyable summer visiting his brother-in-law John Brimacombe here and nephews in Edmonton. While with nephew Stewart and family he accompanied them on a motor trip to Vancouver and Victoria.

IN MEMORIAM

In loving memory of
W. H. GORDON
who passed away Sept 13 1951
"Peacefully sleeping lies one
of the best
In God's own garden now at
rest
He left us suddenly his
thoughts unknown
But he left a memory proud
to own."
Ever remembered by his
loving wife and family

IN MEMORIAM

Dearest and fondest recollections of
Henry Richard Dorey
who passed to his rest Sept 13
1949
"The garment of his soul has
passed away,
The shining spirit and the love
light stay;
The echo of his voice, his eyes
his smile,
Just as they were are with
us all the while."
Mum, Dad, Brothers
and Sisters
Toronto 1, Ontario
Sept 5th, 1958

IN MEMORIAM

In loving memory of
E. H. (Ernie) SHEPPARD
of Kitscoty who passed away
Sept 9, 1955
"One of the finest the world
could know
A cheery smile and a heart of
gold
To those who knew him all
will know
How much we lost three years
ago."
Always remembered by his
loving wife Julia, daughters
sons and grandchildren

A great many people believe [illegible] half of what they hear and then make up the rest.

Showers Honor Miss Jean Robson

In honor of Miss Jean Robson, Mrs. Gordon Park and Mrs. Carmen Long were joint hostesses at a pre-nuptial shower recently. A beautiful flower-decked wishing well, complete with bucket, was brought in by the Misses Sandra Park and Linda Long, filled to overflowing with many beautiful gifts. The bride-to-be expressed her deep gratitude for everything, especially as she has been absent from town so long.

The following night Mrs. Melvin Hill was hostess for another shower where much advice on how to run a home was given Jean, especially her laundry. Following this, Miss Elizabeth Stewart, dressed in Chinese garb, presented her with a laundry bag filled to the brim and overflowing with gifts for her new home. Jean thanked the ladies present and expressed her deep gratitude [illegible] people and for all their good wishes for her future happiness.

Miss Jean Robson Feted At Party

In honor of her daughter, a bride-elect of late August, Mrs. J. R. Robson entertained at a lawn tea at her home recently.

The bride-to-be, Miss Jean Hilton Robson, daughter of Mr and Mrs. J. R. Robson of Vermilion, is a graduate of the University of Alberta and was a member of the Delta Delta Sorority.

The groom-to-be, Mr. Peter Abt, son of Mr. and Mrs. Killian Abt of Ponoka, is a graduate of Notre Dame University.

Standing in front of a beautiful bed of begonias, gladioli and other [illegible] her mother in receiving the guests. Chairs were placed in the shape of a crescent at the top of the terrace which slopes down to a rock garden overlooking the lake.

Miss Marjorie Knapp, moving among the guests with the Memory Book, obtained over one hundred signatures.

Tea was served on the patio on a lace covered table, decorated with white and pink gladioli and sweet peas centred with a four tiered wedding [illegible] decorated by the mother of the bride-to-be.

Pouring were Mrs. Melvin Hill, Mrs. Jack Kneale, Mrs. Carman Long and Mrs Gordon Park.

In charge of the serving was Mrs. Claude Brennan, assisted by Mrs. S. D Simonson. Serving were the Misses Dorothy Jean and Ruth Stewart, Glenda Brennan, Linda and Judy Long, Sandra Park, Avril Kneale, June Strocher and Mrs. Dorie Troescher.

The guests were invited indoors to view the beautiful gifts received by Miss Robson.

The weather for such an event was perfect and departing guests took with them memories of a happy event culminated in a charming setting.

Market Comeback

How far have your stock holdings recovered from the recession lows established in the third week of October 1957?

The averages by which market lows are measured suggest that you should have had about a 2[illegible] rise in the value of your holdings since that low point was reached last fall, answers The Financial Post.

Miss Mae Shields Speaks at the Alliance Chapel

A visitor of special interest to Vermilion and district was Miss Mae Shields, missionary home on furlough from Bolivia, South America.

At services on Sunday Sept. 7 held in the Alliance Chapels at Vermilion and Mannville, Miss Shields told of her experiences on the mission field. At the evening service in Vermilion slides were also shown of the country and the work in which she is engaged.

Miss Shields plans to return to Bolivia this coming November to again serve in missionary endeavor.

Alliance Chapel Honors Vacation Bible School Staff

Vermilion Provincial park was the meeting place for about 35 staff members of the Alliance Sunday school when they met to honor the staff of their summer vacation Bible school held last July.

The evening was spent playing games, gospel singing and concluded with a bean, sausage and pie supper which was thoroughly enjoyed.

The excellent facilities of the park lent themselves admirably to this kind of outing, many remarks being heard as to the conveniences provided, and it is heartily recommended to all who plan any outdoor activity.

ADVERTISING speeds the introduction of new products that [illegible].

CARD OF THANKS

We wish to express our heartfelt thanks to our many friends and neighbors for their kind expressions of sympathy and for flowers and memorial tributes during our recent sad bereavement.

Mrs. Fortune, Harry and Gordon Portsmith and families.

CARD OF THANKS

I would like to thank Dr. King, nurses and staff for their kindness and care while I was a patient in the Vermilion Municipal hospital. I would also like to thank my friends for the many kindnesses extended me in the form of cards, flowers, gifts and visits; these all were much appreciated and helped to make my stay in the hospital a more pleasant one.

Mrs. P. M. Calvert.

Tips on Touring

By Carol Lane
Women's Travel Authority

Are you a Jekyll and Hyde when it comes to motoring manners? So many drivers are perfect ladies and gentlemen until they get behind the wheel. Then they forget their manners. Courtesy and safety go out the window.

Here are some tips on motoring manners:

1. Keep to the right except to pass. Don't hog the left lane if the driver behind you wants to pass.

2. Always signal for turns, for slow downs, sudden stops.

3. Use your horn for emergencies only.

4. Don't stay too close to the car ahead. Even if you pride yourself on quick reflexes, this is a dangerous practice; you're discourteous to your passengers, too, by making them nervous. Stay at least one car length back for each ten miles per hour of speed.

5. Always dim your headlights when an oncoming car appears.

6. Slow down BEFORE taking a curve or rounding a corner. Fast turns are dangerous and they make passengers uncomfortable.

Remember that the Golden Rule applies to driving too. Practice it, and you'll be a more courteous and safer driver.

Money is of no value to the man without experience, so a great many get the experience while earning the money.

Personal

SPIRELLA Foundation Garments and post-operative belts. Standard or made-to-measure in the privacy of your own home. Ten years experience. For appointment phone or call Mrs. A. Hildreth, Vermilion. 9-11

WHY FEEL OLD? Feel Years Younger. Ostrex Tonic Tablets revitalize thousands past 40. Only 60c. At all druggists. 9-14x

Pioneer Auto Wreckers, Lloydminster, ph. 3105 (after hours phone 3421). 5xtf

Men who fail to make a hit sometimes try to lay the responsibility on the hammer.

MARWAYNE

On the teaching staff of the school this year are Mr. J. Gardiner, principal; Mr. H. Petryshen, vice-principal; Mrs. Hathaway, Mrs. Mary Hughes, Mrs. Anne Murray, Miss I. Hannis, Mrs. Alice Milne, Miss Scarfe, Mrs. Spence, Mrs. Astley, Miss Virginia Ford.

The grade 12 students are being taken to Kitscoty in two cars. A second bus has been put on by E. Wirtz to bring in the extra pupils, by addition of Lea Park and South Ferriby schools.

Miss Barbara Hancock is on the teaching staff at Vermilion again this year and Miss Ella Drill has returned to Edmonton after teaching for two years in Germany. Miss Janet Kent is teaching in the Intermediate room at Islay.

A large number of pheasants were released Wednesday morning by game officials along the Vermilion River west of town. Residents are asked to refrain from shooting these birds.

Ted Carson is having a rug made from the skin of the bear he shot in the Elgin district last Tuesday.

A number of Marwayne-ites attended the recent car bingo in Edmonton but failed to bring home any prizes.

'Explorers' will start soon. All parents are asked to let Mrs. Ree know on or before Oct. 15th of any new members wanting to join. The girls must be 9 years of age by Nov. 1st.

Mr. and Mrs. Bert McClean have had visiting them Bert's mother Mrs. R. McClean; his brother and wife Mr. and Mrs. Cecile McClean and his uncle and wife Mr. and Mrs. Ed McClean, all from Owen Sound, Ontario.

Six ladies of the United Church attended the Missionary Rally in the United Church in Islay on Thursday.

Mr. L. Lowrie has the excavation made and started on the foundation for his new house.

Sorry to report that Mrs. J. Ure is a patient in Islay hospital. Mrs. Ure had her sister from California visiting with her recently.

Some of those visiting at their respective homes over the week end were Mr. and Mrs. A. Lowrie, Mr. and Mrs. David Lowrie, Mr. and Mrs. Norman Murray, Mr. and Mrs. C. Brown, Mr. and Mrs. Paul Wack, David Crichton, Maureen Culford.

Others visiting here were Mr. and Mrs. Benny Murray from Edmonton; Mr. J. Murray, Vancouver; Mr. and Mrs. McKenzie (nee Bev Campbell) at Murray Lowrie's; Marjorie Campbell with Doris Olmstead; Mrs. Rose Culford and Linda Farrel at Culford's.

Dates to mark on the calendar: Ladies Auxiliary to Canadian Legion annual bazaar and tea in Legion hall Friday, Oct. 17; W.A. of St. George's church will hold their bazaar and tea in the church basement on Friday, Nov 7th.

Mr. and Mrs. L. Crowthers have returned to Marwayne and are living in the Hayes' house. Len is operating a Caterpillar tractor for George Lowrie.

Measles are still going the rounds among the small children. Joanne Romanick is one of the latest victims.

Your selling

. . . put your advertising where people ready-to-buy

MUST SEE IT!

An advertisement can't even begin to sell unless and until it is SEEN by those who are in the market for what is offered for sale. Best way to make sure that your advertisement will be SEEN by the right people at the right time is to advertise in this newspaper. It's all as simple as one-two-three: (1) Folks who want to buy something like to get all the information they can get about what's for sale. (2) They turn naturally to the advertising columns of this paper for a quick comprehensive look at the market. (3) Your advertisement here is never an intrusion or interruption, instead it is exactly what your best prospects are LOOKING for! Take the shortest distance to your largest, most responsive market . . . via advertising in this newspaper.

Luring Canadians

Lure of Australia looms strong for Canadians and Americans who have sent 600 enquiries to the State of Victoria's Chamber of Manufacturers in response to an invitation to workers to migrate to Australia, reports The Financial Post. Nearly all have enough capital for down payment on a house, 95% are skilled or semi-skilled, 65% say they could come at once. Since end of World War II, 13,000 Americans have settled in Australia.

The Boy Scout motto also fits Civil Defence. Be prepared for disaster by joining Civil Defence — it may save your life.

OBITUARY

CHARLES WALTER YOUNG

Funeral services for the late Charles Walter Young were held at the Legion Hall, Vermilion, on Thursday, Aug. 28th at 2:00 p.m. Interment followed in the Vermilion cemetery.

The deceased was born in Birmingham, England on Dec. 5th, 1883. He came to Canada in 1894 and in 1907 came to Vermilion where he filed on a homestead in the Hindville district, residing thereon until the time of his passing. He served overseas in the first world war 1914-18, enlisting with the 88th battalion, 4th division, regimental number 100560. On June 1st 1919 he was married to Miss Marguerite Jadot in Brussels, Belgium and on Aug. 2nd, 1919 Mr. and Mrs. Young arrived in Vermilion. He passed away on August 25th in the Vermilion hospital.

Surviving members of the family are his loving wife, two sons, Douglas and Charles of Hindville; six daughters, Miss Emily Young in Montreal, Miss Georgette Young in Belgium, Marjorie (Mrs. Lloyd Johnson) Leslieville, Gladys (Mrs. Albert Sharp) in Camrose, Mildred (Mrs. James Pattison) Camrose, and Miss Rita Young of Prince George B.C. There are eight grandchildren. He was predeceased by his only sister Beatrice (Mrs. Ray Whitlock) in February, 1946, and only brother Herbert on Jan 19th, 1953.

Order of funeral service was as follows: Hymn, "It Pays to Serve Jesus"; Prayer by Mr. C. Rankin; Solo "Only One Life", by Miss R. Lindman; Message by Mr. A. Drummond; Hymn "Jesus Came From Heaven". At the graveside, hymn "Called Home to Rest", scripture reading 1 Cor 15th chapter verses 50 to 58; Prayer by Mr. E. Drummond.

Pallbearers were Messrs. W. Fortune, G. Haines, R. Tessman, R. Hind, R. Rankin and W. Proctor. Honorary pallbearers of the Canadian Legion, Messrs. G. Richardson, T. Wilson, A. Hildreth, G. Martin, A. Colburn, E. Lewis.

At the close of the committal service each paid their last respects to their fellow comrade.

Moyer's Funeral Home had charge of arrangements.

Floral tributes were received from:

Loving wife and family; Carl, Florence and Wayne, Dick and John, the Pattison Family, Wes and Irene; John, Jean and Gayla Stewart and Miss Annie Pratt; Hughie, Ruby and children, Joe, Marjorie and family and Mr. and Mrs. L. Oxby, John and Ruth McLeod, Goods, Red Deer; Mrs. Cora Rankin and the Teasdales; Mr. and Mrs. A. M. West and Mr. and Mrs. E. M. Stewart, Laura and George Stewart and family, Joe and Minnie Kleven and Charles and Irene Stewart and family, Mr. and Mrs. Wm. Klemme and family, Mrs. L. Richards, Mrs. A. Fraser, Mr. and Mrs. Bob Rankin, Mr. and Mrs. Clarence Lysons and family, Mrs. F. Dickson, Mrs. H. Saffran, Mrs. A. Terry, Mr. and Mrs. W. Crocker, Mr. and Mrs. Chas. Pearman and family, Mr. and Mrs. H. Stewart and family, Mr. and Mrs. F. Atfield, Mrs. Turner and Glenn, Mrs. Strocher and family, and Doris, Ernest and Cindy Troescher.

Flowers to the house: Mabel, Johnny, Marlene and Carmen, Mr. and Mrs. R. Sharp.

Family, Frank, Harry, Edna and children, Mr. and Mrs. Ed Patterson, Mrs. Saffran, Mr. and Mrs. C. Lysons, Mrs. F. Dickson, Mr. and Mrs. C. P. Crocker, Mr. and Mrs. Paul Gonter and family, Kate, Hazel, Margaret and Archie, Ray and Violet, Mr. and Mrs. Will Parsons, Hunter Family, Mr. and Mrs. R. Sharp, Don and Maureen Parsons, Mrs. M. Watson, Frank and John, Charlie and Hazel Little, Mr. and Mrs. Shoddice and family, Mr. and Mrs. Proctor and Reg, Mr. and Mrs. Hugh Stewart and family, Luther and Mary Thompson; Mr. and Mrs. Colin McClean, Mr. and Mrs. Carl Nelson, the Preston Family, C. F. Lewis, Mr. and Mrs. R. McQuid, Mr. and Mrs. H. F. Portsmith, Mr. and Mrs. A. W. Lysons, E. Webber, F. S. Slocum, Chris Thomsen, Mr. and Mrs. O. L. Wolters and family, Canton Watson Red Cross Auxiliary, Duff and Mary McGrath and family, Kaare and Dorothy Selte, Mr. and Mrs. Archie Thompson and family; Mr. and Mrs. R. Tessman; Mr. and Mrs. Robert Galloway and family; Mr. and Mrs. W. Fortune; Mr. and Mrs. R. Lamport; Bill Lamport; Mr. and Mrs. F. Van Wageningen and Florent; George Gow; Mr. and Mrs. Wes Isley, Mr. and Mrs. Clarence Crocker and girls, Mr. and Mrs. Wes Lamport; Mr. and Mrs. Ken Watt and girls, Logan Gow; Mr. and Mrs. Ralph Thomsen; Mr. and Mrs. Roger Watt and family; Oilfield Motors; G. Webb and Sons; Gordon, Dorothy and girls; Joe Thompson and family; Cliff, Marjorie and boys.

Crippled Children's fund: Chas. and Olive Redmond and girls; Mr. and Mrs. Frank Sperberg.

Cancer Fund: Ralph, Bill and Ethel; Hans Eyben and family; Mr. and Mrs. Jim Duncan, Fred and Ruth Kottmeier, Evelyn Whitlock; Wes and Isabel Lamport and family; Mabel and Howard Frissell.

Cemetery Fund: Mr. and Mrs. T. Wilson, Logan Gow, Mr. and Mrs. W. J. Crocker, Alec Galloway, Eileen, Gary and Ritchie.

CARD OF THANKS

We wish to express our sincere thanks to Dr. Evans, the hospital staff and Moyer's Ambulance service for care and comfort rendered to our loving husband and father in his recent illness, and also kindness shown by all in our bereavement.

The Young Family

The Thrill That Comes Once in a Lifetime

Allandale District News Items

Weather has been rather damp at times but harvesting is again in full swing, swathing, binding and threshing.

Mr. and Mrs. Tommy Greaves and family arrived at the home of Mrs. Greaves' parents, the Baldocks, on Aug. 16th for holidays. They left on the 21st to spend some time at Evansburg with Tommy's parents.

Dick Arnold started threshing on Aug. 19th. It's been years since we've had such an early harvest.

A big bear was seen on the 20th by Thomas Martin.

Mr. Oliver Goldsmith of Edmonton was a recent visitor at the Wm. Armstrong home. About 45 years ago Oliver was engineer on the Jim Armstrong (Bill's twin) steam outfit threshing and breaking in the surrounding districts. They had a grand time reminiscing.

On Aug. 24th Mr. Hugh Farquhar had a wonderful service taken from the 20th chapter of St. John.

Miss Phoebe Redpath was awarded a $150 Dalhousie University standing scholarship for the coming year.

Mr. Hugh Farquhar received a $200 Proctor and Gamble standing scholarship, $125 from Eastern Star Training award for Religious Leadership and $50 Greer prize. Our congratulations to Phoebe and Hugh on winning these scholarships and our very best wishes for the coming year.

We received our largest rain of the season on Aug. 21st, over half an inch. Right here the hail didn't do too much damage but was worse around Clandonald according to reports.

A speedy recovery to Bill Armstrong who injured his knee a short time ago and has been forced to use crutches.

Mrs. John Arnold broke a bone in her wrist and has it in a cast at present. Speedy recovery is wished her also.

Mr. and Mrs. Johnny Nelson and daughter Alva from Lloydminster were visitors in the district on Aug. 24th.

The Willoughby Rock Crushing outfit is stockpiling gravel on the Vermilion River flats on Jack Cross land. The gravel is being used on Highway 41.

Mr. and Mrs. Sellas Lee have had the phone put in on the farm. Their number is 2821 — 2 long and 1 short.

Lynda and Greg Lee are going to school in Vermilion.

Mr. and Mrs. Louis Baldock, mother Jacklin and Mr. and Mrs. Glen Baldock and son motored to Camrose to visit the Hogabooms.

Church was well attended on Aug. 31st and a grand sermon was given by Mr. Farquhar. The 14th will be our last church service for the summer.

Closing thought: "Sin forsaken is the best evidence of a changed heart."

Leavell says: "The mission and purpose of the Sunday school is to shape the immortal destiny of souls"

OBITUARY

ROBERT McGEE

[illegible] auspices, funeral services for the late Robert McGee were carried out on Sunday Aug. 31st at 3 o'clock in the afternoon at the First United Church, Vermilion. Interment followed in the Vermilion cemetery beside the body of an old friend of Mr McGee's, Mr Bob Cunningham. The Rev C. W. MacKay officiated.

Mr. McGee passed away in Edmonton on August 22nd at the age of 87 years. He served as section foreman in Vermilion for many years. Following his retirement he remained here for several years, then removed to Edmonton where he had resided since.

The funeral services were attended by brethren of the Vermilion Lodge and the impressive ritual of the Masonic Order was carried out at the graveside.

Over 12,000 survival conscious Canadians have attended courses at the Canadian Civil Defence College since its establishment in 1954. 9 - 10

Rain on Tuesday stopped harvesting operations after several days of perfect [illegible]. Since Tuesday however it has been dry and warm.

Outstanding Attraction

Tickets Now On Sale For Don Cossack Chorus Oct. 10

The world famous Don Cossack Chorus which is to play at the Composite School Auditorium here on October 10 appears to be proving very popular with Vermilion and district people. Tickets are selling very briskly, and it is expected that the auditorium will be sold out well in advance of the day of the performance.

The Don Cossack Chorus and Dancers are a group composed of White Russian emigres who were the pioneers in the fight against Communism in Russia. They eventually migrated to the United States, and all are now American citizens. After leaving Russia, the Chorus performed their first concert in Vienna in 1937, and have been touring the world ever since. They have toured on all six continents, and have crossed the equator 19 times, have travelled on 107 different ocean liners and have performed in 65 different countries around the world.

Vermilion is indeed most fortunate to have the opportunity to hear this famous group, and everyone is urged to plan to attend. The group, which has made a large number of R.C.A. Victor Red Seal records are most certainly outstanding, and well worth hearing. The Vermilion Rotary Club who are sponsoring this production wish to take this opportunity to urge anyone who is thinking of attending to make up a party of friends or relatives and arrange for your tickets as soon as possible. Any member of the Rotary Club can provide you with tickets, or if you will write or phone Curt Alfke (ph.11) E. H. Buckingham (ph. 76) or C. T. Heckbert (ph. 206) arrangements will be made to provide you with tickets.

NEWS from ISLAY

BIG 'PUNKIN'

Mrs. Bob Drysdale grew a 37 pound pumpkin, the only one on the vine.

Mrs. Merriman of Washington, D.C., and Mrs. Holstead of Calgary visited their sister Mrs. Alex Linton and Mr Linton. Mr and Mrs. Linton drove by car taking Mrs. Merriman as far as Melita, Man., on her return. Previous to this visit they had Mrs. Linton's sister and brother-in-law Mr and Mrs. Horsepool from Calgary. Perry Linton was home from Hay River for a time.

The 4-H Garden Club held its achievement day on Saturday at 2 p.m. There was a splendid showing of vegetables, canning etc. The girls must have carried pails and pails of water this year to obtain such good results in their gardens.

The W. M. S. rally held last Thursday was well attended by ladies from Wildwood, Vermilion, Dewberry, Marwayne, Kitscoty and Islay. Rev. Mr. Shortt and Mrs. Shortt told of their work at Naramata school and of the lectures given by Dr Harkness which they attended while there. Mrs. Sonley of Marwayne spoke of the study book for this year "Get Acquainted with Your Neighbors on the North American Continent". We were pleased to have with us again Miss Mae Shields, missionary on furlough from Bolivia, S.A., who spoke of her work there. Miss Bessie Anderson took the Devotional period and had some of the members read selections on Stewardship as carried out by women in the [illegible]. Two very lovely solos, "[illegible] Great Thou Art" by Mrs. Jean Axley, and "My Task", by Miss Janet Kent, were sung with Mrs. Lila Waterfield at the organ. A very pleasant half hour was spent at the tea tables in the church hall.

Have you ever heard of magpies, crows and blackbirds eating cabbages, corn, watermelon, etc. in the garden? They are doing just that in this area — maybe we have more garden pests to contend with!

Mrs. Jim Allan is home from the hospital. Sunday they had some relatives from Calgary call on them, Mr. and Mrs. Cowan, Ian and Heather—quite a surprise.

"He that hath the Son hath life." —I John 5:12

You Are Welcome.

Derwent Cadets Return

DERWENT — Five cadets recently returned from Vernon Cadet Trades Training camp. The boys in training were: Blain Berg, Orest Lychak, Orest Kinjak, Jim McConnell and Gary Algot. Gary was chosen as the best cadet in the 'D' Company at Vernon and Jim McConnell was a member of the Guards who marched in the Vancouver Exhibition parade. The cadets enjoyed their training and had a chance to view the Okanagan Valley and all wish to go back next year.

There are 34 cadets in the Derwent Corp and the instructors were Constable Girling, Nick Wintonyk and Nick Zalasky.

Dewberry Man Pilots Plane To Home Village

DEWBERRY — A piper cub plane of the McPhail Airways piloted by James Munro of North Battleford formerly of Dewberry, accompanied by Lieut Raymond Henn of the North Battleford Fire Dept. flew over Dewberry one day in August. The plane landed on the Frank Bowman field just west of the village.

A large number enjoyed plane rides, many like the writer for the first time and many for the umpteenth time. One enthusiast had at least three rides during the afternoon. Many would like to know when James is coming home again as they like to go "up in the air." The writer was a bit doubtful about going up but is now eagerly awaiting the next trip of the young pilot. To the lady who says "it's strictly for the birds" why not try and be like a bird. It's surely nice to see your own home and the town and country from up above.

Pilot Munro says [illegible] do crop spraying, charter trips, air photography, and operate flying schools at North Battleford, Rosetown and Camrose.

The Dominion government grant of $100.00 now cuts down the cost of a private license to $200.00. The age limit is 70

CHATSWORTH CHATTER

In response to inquiries as to the missing 'Chatter' column here we are again — didn't know so many folks missed it! (Hope the Ed can read my typing!)

(Ed. Note: Excellent, keep it up!)

Harvesting is well on the way to completion hereabouts, with the weather at time of writing, behaving quite nicely. Given two weeks of dry weather the harvest should be completed. It is a short harvest this fall — in more ways than one. This locality was without rain, even an odd shower, for weeks. Consequently crops are short-strawed, and difficult to pick up. Wheat will likely be of good grade, but late sown coarse grains have really taken a beating from the drought. The hay crop is about the same as last year's and pastures are standing up well. The gardens, especially those which were watered through June and July, have yielded good returns.

Mr. and Mrs. Neil East who were visitors at the home of Mr and Mrs. Ed East, have returned to their home in Winnipeg.

The excitement of school's reopening seems to have subsided somewhat this week. Most of the pupils are as happy to get back as they were to get out in June! A beginner from this district is Holly Scoggins.

The August meeting of Chatsworth Country club was held on the 6th in order to have a speaker from the Utilities at our meeting. Miss Lowe, from Edmonton of the Home Service Dept. of Northwestern Utilities, and Miss Ilene Shattuck of town, gave very interesting talks on a number of small home appliances. A list of available publications was passed around and these were mailed out to the [illegible] the following week and [illegible] most acceptable. A number of useful items were drawn for, compliments of the Utilities, namely, a 'trivet' (electric), won by Kay Good; an apron, Mrs. N. East; pot holders, E. Henningsen; cookie cutters, Mrs. E. East, Mrs. Burns, Mrs. A. Tovell and Mrs. R. Hutchinson. A very delicious lunch, served by the hostess Mrs. S. Jacula, assisted by Louise Sturt, and several of the ladies of the lunch committee, brought the afternoon to an enjoyable close. The September meeting is to be held at the home of Mrs. Patterson on the 18th, and all those who have old woollens to ship, please bring them to this meeting. Anyone, regardless of membership, is welcome to send along old woollens for [illegible] blankets, or other goods. [illegible] shipment is over 115 pounds, is borne by the company, and the club pays the return charges on manufactured goods. The secretary, Mrs. H. Good, or president, E. Henningsen, will be glad to give any information on the matter, to anyone unable to attend this meeting.

Black bears are very much in the news these days and not to be outdone this community is 'doubtfully' boasting bear visitors also. An adult animal and two cubs were seen in the Indian Lake vicinity some four weeks ago.

CLANDONALD HALL

How about your SUB?

Health Unit Notes

YOUR CHILD'S SIGHT IS YOUR RESPONSIBILITY

Your child's sight is of such importance that great consideration should be given to its care. If his eyes are injured or inflamed, get medical treatment at once and don't delay with home remedies. Bathe his eyes with clean water if [illegible] gets into them.

If your child has poor vision he is facing life with a definite handicap. He becomes clumsy and unable to compete well with other children. He may seem hesitant and slow, awkward and even 'stupid' when all the time the trouble is poor eyesight. Many a child has been unjustly branded as backward because his eyes are not up to their normal level of ability.

EYES SHOULD BE EXAMINED

The important thing to remember is that your child will not complain of poor eyesight. He doesn't know he is not seeing as well as he should and the parents usually do not realize that their child cannot see normally.

POOR VISION QUITE COMMON

Recent surveys in Canadian schools have shown that about two out of five children in kindergarten and grades one and two had eye trouble of one kind or another. Most children are long sighted at birth. As the eyes develop the vision tends to become normal. If the long sightedness persists, glasses are necessary to give normal vision and to prevent the development of squint.

If shortsightedness develops it comes on usually at about four or five years of age and may increase up to the age of sixteen. Short sighted children must wear glasses all the time. They should not try to read small print or hold their work close to their eyes.

GOOD LIGHTING IS IMPORTANT

Make sure that good light is always available for your child doing homework or reading and he should not be allowed to read in bed or in poor light. Many homes are poorly lit and this [illegible].

If your child squints (one or both eyes turn in, up or down) or blinks, has marginal redness on his eyelids, is clumsy when playing, holds things too close in order to see them; then he is showing signs of eye trouble. Be on the alert for any of these symptoms and when in doubt consult your Doctor or local Health Clinic and follow their advice.

SQUINTS IN CHILDHOOD

The great majority of squints make their appearance between the ages of two and four years although some squints are present from birth and a few cases develop during school age and in adult life. About three per cent of children have squints. All squints can be straightened either by glasses and other medical means or by operation. The squint which develops between two and four years of age cannot only be straightened but normal vision restored in most cases if the treatment is begun soon enough. The squints that come on between five and twelve of age are usually easier to treat successfully. The squints present from birth can only be straightened by operation.

WHAT TO DO ABOUT IT

Take your child to the medical eye specialist as soon as the squint is noticed. No child is too young for treatment. Those squints which are caused by certain types of poor vision may be prevented by the fitting of proper eye glasses at an early age before the squint develops. That is why doctors advise that your child should have his eyes examined as soon as he is old enough to walk. Where the condition has already shown itself, glasses will cure it in many cases. Neglected squints are the most frequent cause of one-eyed blindness. Other steps the eye specialist may decide on include eye exercises or an operation or a combination of both.

Remember, a child will not complain of poor vision because he knows no better. He will act and play as if normal sighted. The first indication of trouble may be the occasional turning inward of the eyes, but unless medical advice is sought early, many cases of poor vision are not detected until long after the child enters school. He may make poor progress because he cannot see the blackboard well. If he has to strain to see it, then he will get headaches and other symptoms of eye strain.

Squint is a definite handicap. The child tends to become shy and self-conscious when he learns that his eyes are different from those of the other children. When he grows up he will resent it deeply when he learns that his eyes could have been straightened and normal vision probably restored if his parents had taken the proper steps in time.

Every child who squints should have this good chance of cure. No child is too young for eye treatment and if the treatment is to have a good chance for success, it should never be delayed.

FUA President Regrets Departure From Deficiency Payments

"We are pleased that the Government is at last giving some consideration to the Western Grain Grower" said A. W. Platt, President of the Farmers' Union of Alberta. This statement was made in response to a news report about grain subsidy issued by the Canadian Press from Ottawa. "We are also pleased that they are apparently giving special attention to the small farmer. He can stand all the help he can get." Mr. Platt said.

"However, we are disappointed that the Government has departed from the principle of deficiency payments. Farm organizations have designed a suitable plan of deficiency payments. This plan takes into consideration the prices received by farmers and the cost of production. We have no data as to how the figure of a dollar per acre was arrived at," Mr. Platt said.

"The problem is that owing to conditions entirely beyond the farmers control the price at which he must sell his grain has been decreasing and the cost of production increasing. The purpose of deficiency payments was to make up to a minimum level this deficiency in income. If the Government goes ahead with the proposed reported scheme, our objective will not be accomplished. The rates and maximum are too low.

"We assume it only a stop gap measure, and that the Government will undoubtedly come up with other schemes, to bring to farm people a fair share of national income."

Brother, Sister Observe Jubilee In Religion

MANNVILLE. — Mrs. Walter Laurenceson, accompanied by her husband and son Donald, recently attended in Vegreville, the silver jubilee of her brother, Father Georges Tetrault, OMI, and her sister, Sister Ange-Marie ASV (the former Angeline Tetrault of Vegreville).

Highlights of the festivities was a solemn high mass celebrated by Fr. Georges Tetrault, assisted by his brother Father Alexis Tetrault and Father Nadeau. A special sermon was delivered by Father Alexis Tetrault both in English and French. Most relatives and friends received Holy Communion from the hands of the jubilarian, Fr. G. Tetrault, the first of whom was Ange-Marie.

The high mass was followed by a family dinner in St. Martin's parish hall.

Attention Residents Health Unit Area

Notice has reached the local Health Unit from the Hospital Division of the Department of Public Health in Edmonton that a survey of the need for nursing homes in Alberta is now being made.

In order to help with the survey Minburn - Vermilion Health Unit will have to estimate the number of bed patients being cared for at their homes within the Unit boundaries, and who would be cared for in a nursing home if such were available.

Since this is very important to all who have friends or relatives who are bed-patients being cared for at home, all help possible would be appreciated in this matter.

Please forward to the Health Unit, the name, address, age of the bed-patient and the name of the disease from which patient is suffering together with name of doctor, as soon as possible to this address.

Medical Officer of Health,
Minburn-Vermilion Health Unit No. 12,
Vermilion, Alberta. 9-9

Now it does not matter which end of the cigarette you put in your mouth. Says The Financial Post, you can light either end of a new filterless cigarette. This is the latest claim and counter claim of the "straight" vs. filter cigarette war. It's something the filter fraternity may find [illegible].

Dewberry Ladies' Aid Meet

The September meeting of the Dewberry Ladies' Aid was held at the home of Mrs. John Porter with eight members and two visitors present. The opening hymn was followed by Bible reading, then Mrs. S. Weberdale read from the Upper Room.

A letter was read from Mr. E. H. Buckingham in answer to information asked for regarding a flower show to be held in Dewberry next year. A meeting, at which Mr. Buckingham hopes to be present, will be held in the near future to discuss this matter and make plans. Anyone interested in a show of this kind will be most welcome.

Mrs. Harold Cooper of Clandonald kindly consented to give a talk to the Aid about knowledge she received from attending a conference recently at St. Stephen's College. She will be invited to the next meeting to be held at the home of Mrs. W.S. Porter on Thursday, Oct. 2nd.

At the close of the meeting a delicious lunch was served by the hostess assisted by some of the members.

"A BAD BEGINNING MAKES A BAD ENDING"

— *(Author's Name Below)* —

The beginning of any illness is the best time it may be more quickly cured. Serious sickness has not yet taken full hold.

Some people begin badly by either neglecting to take care of themselves or attempting self treatment. Unless they are lucky, sickness time is prolonged and sometimes life, itself, is endangered.

A quicker, happier ending to any sickness is almost assured if you consult your physician quickly and take the specific medicines he may prescribe for your particular trouble.

A great many people entrust us with the responsibility of filling their prescriptions . . May we compound yours?

Heavy Agenda Contains Many Matters Of Interest At M. D. Council Meeting

The Council of the M.D. of Vermilion River No. 71 held the monthly meeting at the office at Kitscoty on Aug. 12 and 13. The Reeve, J. H. Kelly presided and Crs. J. W. Gordon, J. D. Stone, D. E. Wilson, P. McGuigan, F.H. Wheat and J. C. Anderson attended the meeting. Minutes of the meeting July 8 and 9 were reviewed and passed, the financial statement for the month of July was given careful scrutiny and accounts approved by the finance committee were passed for payment.

NEW PEST CONTROL OFFICER APPOINTED

Early on the Tuesday morning Mr J Gurba, supervisor of Crop Protection Services and Pest Control, in the company of Mr E. H. Buckingham, D.A., attended the council meeting. Mr Gurba expressed pleasure at being informed of the appointment of Mr H Cundliffe as pest control officer in this M.D. The matter of baiting farms by the P.C.O. was discussed and the department is not in favor of the principle but extenuating circumstances make this practice advisable in some cases. However, no bait should be set out at a farm without the full knowledge of the occupier of the premises. Mr Gurba discussed the matter of the availability of Endrin and similar chemicals for the control of cutworm and webworm. It was made known that Endrin was a Shell Oil Co. product and that it was usually made available at Shell Oil Stations. It was unfortunate that these outlets were not in existence in this district to any great extent. The suggestion was put forward that possibly the Alberta Association of Municipal Districts might be induced to handle the products for the control of cutworm and webworm, so that supplies could be made more available to the municipal districts and at the same time an effective check on the cost of chemicals would be put into operation. The council expressed their gratitude to Mr. Gurba for his visit and the information which he brought from the Department.

The names of the appellants to the Assessment Appeal Board and the parcels appealed were reviewed briefly by the Council. The date for the hearings had not been set at the time of the Council meeting.

RURAL RESIDENTS ARE AGAINST INCORPORATION

A ratepayer from the rural area of Lloydminster attended the council meeting to present a petition signed by the ratepayers and residents of the particular area in which he resided to the effect that any move to incorporate this area into the City of Lloydminster would be unsatisfactory to them. He also gave an indication of the feeling of the people on this subject which proved of interest to the council.

COMPILING HISTORICAL RECORD OF COUNCILS

A communication was received from the Alberta Assoc of Municipal Districts dealing with 50th anniversary, purchase of anti-freeze, the purchase of grader blades, and payment of Association fees. This was made available to the Council and instructions were given to refer the various items to the departments concerned. It is interesting to note in connection with the 50th anniversary that the Association is compiling a publication containing the names of all present acting councillors together with information concerning these gentlemen and length of time in which they have been in office and have also requested information about councillors who served in the days of the smaller M.D.'s. They would also like to receive information as to the occurrences and interesting anecdotes concerning the early days and if possible pictures of councillors or work being done. Any information that is available along this line would certainly be appreciated by the Association and could be forwarded to them through the M.D. office at Kitscoty. Some of the members of the older councils have been approached with regard to information of the type outlined above but no replies have been received to date.

EXTENSIONS TO R. E. A. L.

Extensions to the Islay Rural Electrification Association Lines, the Lea Park R.E.A.L. and an extension in to the Alcurve store on the SE 25-52-1 all proposed by Canadian Utilities Ltd. were approved by the Council. A by-law was passed concerning the purchase of land to provide extra road width in the area east and south of Kitscoty north and west of Lloydminster and south and east of Paradise Valley.

PRAIRIE FARM ASSISTANCE

It was brought to the attention of the council that an application must go forward from the municipal office for the inspection for P.F.A. benefits by Sept 12th, 1958. Some discussion took place regarding the best way in which to gather information on which to [illegible] an intelligent application. Four methods were examined, namely 1. from information supplied by the Field Supervisor and the weed inspectors, 2. from information supplied by the councillors; 3. from information supplied by the elevators and 4. it was suggested that the secretaries of the Farmers' Union locals might choose to give some indication as to the prospects in their respective areas. Note was taken of the fact that coarse grains can now be used in computing yields where wheat is not the main crop.

FUA MEMBER TO ATTEND

The proposal put forward by the Farmers' Union of Alberta concerning the collection of union dues through the M.D. office was considered by the Council and it was decided to take advantage of the very kind offer of the Farmers Union headquarters to have a provincial Farmers' Union member attend the September council meeting to discuss the matter in detail.

DAMAGE CLAIMS

Four damage claims in various stages of development were reviewed by the council and up-to-date information was supplied in each case. A by-law was passed for the purpose of disposing of a parcel of land bordering on the banks of the North Saskatchewan River under terms of the Tax Recovery Act.

DISTRICT ENGINEER PRESENT

Mr K. Belsheim, District Engineer, Department of Highways, attended the council meeting and discussed the progress of the public works program. Other matters which were discussed with the council were the problem of sandbars at the Forbesville ferry which may render the continued use of this ferry impracticable and the availability of municipal machinery for use in building the road south from Lea Park to a junction with highway 45.

The minutes of the meeting of the Public Works committee which met July 29th at the municipal office at Kitscoty were reviewed and adopted by the council. The specific item discussed at this meeting was the matter of negotiating a rental agreement and option to purchase with the Waterous Equipment Ltd. in the matter of a TS200 motor scraper. A satisfactory agreement was negotiated and approved.

INFORMATION FROM DEPT. MUNICIPAL AFFAIRS

A letter from the Department of Municipal Affairs in reply to inquiries by the Council as to the use of municipal machinery in the following cases: 1, that of building up the streets in various built-up areas throughout the M.D.; 2, that of digging basements for farmers; 3, that of constructing dug-outs for farmers; 4. that of snowplowing for farmers, and 5. that of doing work for the school division in districts of the municipality was read to the council. The following quotation from the letter: "If the municipality wishes to compete with private contractors they must be subject to the same licenses and taxes as the private contractor. It must be pointed out that by doing such custom work you place the municipality in a position where they do not qualify for sales tax exemption on such equipment which may be used for gain or hire", proved of particular interest to the council. A decision was made by the municipal council to appeal to the Lieutenant-Governor-in-Council to exempt from the licensing requirements of the Mobile Construction Equipment Licensing Act equipment owned by this municipality used within the borders of the municipality for various specific types of work.

REJECT FEED LOT AT VERMILION

An application for the purpose of establishing a feed lot on the outskirts of Vermilion was rejected by the council. A building permit was issued for a dwelling south of Vermilion and another permit was issued for the establishment of a dwelling south of Lloydminster.

SUPPORT YELLOWHEAD HIGHWAY ASSOCIATION

An open letter from the Trans-Canada Highway System Association Yellowhead Route asking for continued support was presented to the Council and instructions were given to inform the Association that the support of this council could be assured.

CONVERT BONDS

It was moved by the council that the necessary steps be taken to convert $[illegible] in Victory Bonds to Canada Conversion Bonds 4½%, 25 years, and that the cash adjustment on this conversion be placed in the general revenue.

The report of the committee appointed to interview the Village of Kitscoty regarding the serving of the municipal shed in Kitscoty with water and sewer was received by the council. Satisfactory arrangements have been made to complete this project and work should begin at an early date.

The report of the gas inspector was received and accepted by the council.

The report of the Public Works superintendent was received and accepted by the council.

Council approved installation of street lights in the area south of Lloydminster and an additional street light in the hamlet of Hazeldine.

Notification of the shipment of 1000 pounds of grass seed for roadside seeding was received from the Field Crops Branch and pamphlets dealing with Poultry Coccidiosis and Blackleg and allied diseases were received from the Dept. of Agriculture and made available to the council.

The second quarterly report of the Minburn - Vermilion Health Unit was received and presented to the council.

CIVIL DEFENCE DAY

Mr. Geo. Martin, Civil Defence director for this area, attended the council meeting to solicit the support of the council in making Civil Defence day Sept. 19th, a success. He was assured of the full co-operation of the council. The subject of choosing a suitable date for the official opening of the Civil Defence headquarters in the M.D. office was discussed and it was decided to defer decision in this matter until next council meeting due to the harvesting situation at this time.

Arrangements were made to provide heat in the new Kitscoty shed and work should commence on this project immediately. The council adjourned late in the evening of Wednesday, Aug. 13.

CLAYSHORE CLIPPINGS

Mr and Mrs. Ronnie Bauer and family and Mr and Mrs. Richard Siebner and family, were Sunday dinner guests at the Herman Dargatz home in Vermilion.

Mr. and Mrs. Ernie Larcombe and family were Sunday supper guests at the Allan Olstad home. Bernice and Beth Larcombe spent the week end at the Olstad home.

Congratulations to Mrs. Ronnie Bauer who won $10.00 over CJCA for sending in slogans to use on their programs.

Mr and Mrs. Stewart Barr and family were Sunday evening callers at the MacMillan home.

Several from here attended the slides and talks given by Miss Lainchbury and Miss Parish in Mannville on Monday evening. These two girls were nurses at a Missionary hospital in East Africa and their program was enjoyed by all. Miss Lainchbury is a Mannville girl and Miss Parish comes from Washington, D. C.

CAN YOU BEAT THIS?

Robert MacMillan dug a hill of potatoes that produced forty potatoes of an average size. Many of these grew from sprouts on the potatoes.

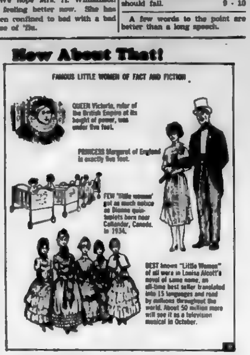
Linda Willes celebrated her birthday on Monday afternoon with fifteen little friends helping her on this occasion. A lovely birthday cake and ice-cream topped off the rest of the good eats served by her mother. Mrs. Jack Willes.

We hope Mrs. H. Williamson is feeling better now. She has been confined to bed with a bad case of 'flu.

Radioactive fallout from an H-bomb can contaminate an area 200 miles long by 40 miles wide — Civil Defence provides information on survival if such a bomb should fall. 9 - 10

A few words to the point are better than a long speech.

How About That!



FAMOUS LITTLE WOMEN OF FACT AND FICTION

QUEEN Victoria, ruler of the British Empire at its height of power, was under five feet.

PRINCESS Margaret of England is exactly five feet.

FEW "little women" got as much notice as Dionne quintuplets born near Callander, Canada, in 1934.

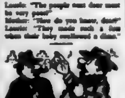
BEST known "Little Women" of all were in Louisa Alcott's novel of same name, an all-time best seller translated into 15 languages and read by millions throughout the world. About 50 million more will see it as a television musical in October.

A five-year old showed up at kindergarten one day dressed in faded blue jeans under a frilly petticoat and a beautiful ruffled party dress. Pinned to the dress was this note from the girl's mother: "I hope you don't think this was my idea!"

"Have you ever been troubled by diphtheria?"
"Only when I tried to spell it."

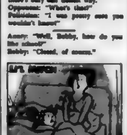
Mrs. Black: "Yesterday I almost got killed."
Mrs. Blue: "What happened?"
Mrs. Black: "I walked into an antique shop and asked, 'What's new.'"

Louis: "The people next door must be very poor."
Mother: "How do you know, dear?"
Louis: "They made such a fuss when their baby swallowed a dime."



Politician: "There are many ways, my friends, of making money. But there's only one honest way."
Opponent: "What's that?"
Politician: "I was pretty sure you wouldn't know!"

Aunty: "Well, Bobby, how do you like school?"
Bobby: "Closed, of course."



"It may have been my bottle. I brought it in with me."

PARADISE VALLEY NEWS

Mrs. Ruth Thibadeau returned this week after spending several weeks at Vancouver with her daughter and son-in-law Mr. and Mrs. George Kitching and at Powell River B. C. with her son and daughter-in-law Mr. and Mrs. Keith Thibadeau. She reports a wonderful vacation.

Mr. David Young who now calls Cal[illegible] his home was in town visiting with his father, Mr. Albert Young and his brother George. It had been four years since David was home.

Mr. and Mrs. Gordon Guy of Edmonton spent the long week end with Mr. and Mrs. J. W. Guy and other relatives in town and country.

Mr. and Mrs. Archie Olds of Marysville, B. C. were in town for a short visit to say "hello" to their old friends. Mr. Olds carried on a butcher business in town some years ago.

Mr. and Mrs. Roy Dibbens of Preston were Sunday visitors at the home of Mr and Mrs. Hugh Leighton. They attended the local United Church. Mr. McDonald our present minister was a student minister at Preston many years ago.

Mr. and Mrs. Art Murphy of Edmonton returned to Edmonton after spending two weeks with their daughter and son-in-law Mr. and Mrs M. Kitching.

Miss Gloria Elliott, Miss Gloria Baxter and Ernie Walters left on Monday for Edmonton where Miss Elliott will take a course as a Nurse's Aid. Miss Baxter enters the Royal Alex hospital to train as a nurse and Ernie to take his Grade 12 in a college there.

The first frost of the season came on Tuesday night and as a result gardens are now black. We do not think it will hurt the crops as they are quite ripe. The potato crop in this district is very poor and a lot of spuds will have to be shipped in.

We are glad to see our old friend Ira McLeod from the Lloydminster hospital where he has been a patient for some time.

Mr. and Mrs. Ted Nordquist of Edmonton were week end visitors at the home of Mrs Nordquist's parents Mr. and Mrs. A. M. Block. Miss Irene Block who has been visiting at Hinton accompanied them home.

Mr and Mrs. Clarence Conarroe were down for a short [illegible] during the week and reports all the Paradise Valley people doing well at that point.

Mrs. John Leighton and Mrs. R. Fair of Vermilion and Kitscoty were guests at the Leighton and Gunn homes over the week end.

School re-opened on Tuesday, September 2 with the exception of Grade 12 which did not open until Monday, Sept. the 8th. Quite a change in the staff this year. D. L. Clarke, E. H. Walters, Mrs. E. H. Walters, Mrs. E. Welsh, Mrs. L. Howe, Mrs. Gallegher, Mrs. A. Venance, Miss E. Howe and Mrs. Purser. Of last year's staff, Mrs. A. Miller, Mrs. P. Dobson and Miss Lil Krawchuk have resigned.

No Deer Season In This Zone

Shooting of deer in zone 21, which includes Vermilion district, is prohibited this year. Zone 21 extends from Calgary east to the Saskatchewan boundary and north to the North Saskatchewan river.

This is an amendment to the big game regulations, as it was previously announced that there would be an open season on deer from Nov. 1 to Nov. 8th.

Remember hunters — no deer shooting in zone 21. 8-11

Keep Canada strong and at peace. Civil Defence is a major factor in maintaining a strong Canada. 9 - 10

Our Trip To England

By WM. B. ELFORD

(continued from last week)

The following afternoon found us at the Royal Zoological Gardens — usually termed the "London Zoo," where we spent a very interesting time until almost closing time. Here we saw beasts, reptiles and birds from all parts of the globe. Most of the animals seemed to do nothing else but eat and sleep, with the exception of those in the monkey house, where the chatter was deafening. It was here that I witnessed a very remarkable incident. An old chimpanzee, who had been in a deep sleep in a corner of his cage, suddenly aroused himself, walked to the front of his enclosure and muttered in a mixture of broken English and Hindustani: "You humans think you are pretty smart coming from faraway places to stand and grin at us but do not forget that, after all, we are your ancestors." (And looking 'round at the assembled crowd, I think he was probably right.)

Regarding the abnormal eating capacities of the animals I must exclude the stately giraffe from this category. In spite of his size he has an extremely small appetite, and with my exceptionally keen power of observation I soon found the solution. When you consider the extraordinary length of his neck and the distance between his mouth and stomach, it is quite obvious that he can make a little grub go a long way. The reptiles, too, drew some of our attention and we were particularly interested in an oversize rattlesnake which kept on rattling and held the interest of a number of school children who mistook it for a piggy bank and insisted on dropping pennies in its mouth. We watched this performance for about ten minutes, during which time I would judge that the snake had swallowed about 4 pounds, 7 shillings and 6 pence in English currency, which I considered to be quite a healthy contribution towards his old age retirement fund. The birds, too, offered a pleasing diversion and comprised specimens from almost every known species. We found all of them very interesting but were most fascinated by the emu, a member of the ostrich family, native to Australia. It is a very graceful looking bird but it is rapidly dying out. This, we were given to understand, was due to the fact that, though emus are at present fairly numerous, there are no shemus — and consequently no emulets.

Another bird which attracted our attention was an ootamagoota a strange looking bird from South Africa, which had the peculiar habit of flying backwards, presumably to keep the dust out of its eyes.

It was late in the evening when we arrived back at [illegible] hotel and my wife feeling a bit weary, retired early while I spent the evening with an old school chum who lived nearby. By the time I returned it was quite late and the desk clerk informed me that my wife was upstairs in our room. So I started towards the elevator when he called me back and said "By the way, sir, perhaps I should tell you that they are having trouble with the old geyser in your room." This remark made me mad and in no uncertain terms I made it clear that I strongly objected to him referring to my wife as an "old geyser." He was most apologetic and then explained that the "old geyser" was the "gadget wot 'eats the 'ot water." From then on he became quite friendly, even inviting me to take a few puffs from the very excellent cigar he was smoking.

The following day we went to "Madame Tussaud's Waxworks." Here we spent an interesting time viewing the numerous life-like wax effigies of celebrities in every field of endeavor — kings, queens, statesmen, soldiers, etc. Here too for a [illegible] you can enter what is termed "The Chamber of Horrors." This eerie place exhibited the wax figures of England's most notorious criminals, with murderers in the majority. We did not stay here very long although I was personally very interested in the wax image of Charles Peace, the most notorious murderer in the annals of English crime. Credited with more than twenty murders during his career, his eventual arrest and trial was the subject of much controversy at the time. Cunning and extremely ingenious in the execution of his crimes he also displayed remarkable poise at his trial. Testifying in his own behalf (and at the same time admitting his guilt) he rested his case on the fact that he had never robbed any of his victims and that in no instance had there been an ulterior motive. He could only say that he had committed his crimes "just as a hobby." His defence however did not convince the jury and he was convicted and later hanged. But heated controversy regarding the trial of Charles Peace continued for some time and I can recall reading a copy of London's leading newspaper — "The London Times" and scanning the blazing caption on the front page — "Should a Henglishman be 'anged for 'avin an 'obby?" It makes one wonder if there is such a thing as justice in this world.

Having now spent a week in London we decided to take a jaunt into the English countryside and so it was that we sallied forth to the thriving and picturesque town of Berkhamsted in the county of Hertfordshire and about forty miles from London. This town was to be our headquarters from which we made numerous trips to places in the surrounding area including many beauty spots in the adjoining counties of Buckinghamshire and Berkshire. We had arrived in England at a very opportune time of the year and we were enthralled by the unending panorama of beauty which presented itself on every side. Driving over miles and miles of country lanes on the most perfect roads we had ever seen, this part of our vacation was one of the great highlights we shall never forget. The very neatly trimmed hedges on the sides of the lanes, the century old trees with enormous branches which met overhead like a sheltering arch, the profusion of flowers on every side — especially the roses which seemed to be everywhere, all combined to make our excursions a source of unalloyed enjoyment. But the time went all too quickly and there was still considerable travelling to be done.

Our next journey took us to Hastings in the county of Sussex. With a population of about 70,000, it is one of England's most popular seaside resorts and is noted for its mild climate and soft ocean breezes. Its citizens are justly proud of its splendid promenade which runs along the shore of the English Channel and stretches from one end of the town to the other. The sea front has a background of cliffs and on the top of one of these stands what remains of Hastings castle — the first castle to be built in England by the Duke of Normandy who became King William the First of England after defeating the Saxons in the eleventh century. The town and adjacent territory is full of places of historic interest. Here can be seen ancient castles, monasteries and churches of every type of architecture. Indeed the whole of the county of Sussex is a tourist's paradise and it was within the boundaries of this beautiful town that my wife and I first saw the light of day for this is our 'home town.' Having taken the precaution to reserve accommodation a few days before our arrival we were able to walk right into a hotel conveniently situated about a hundred yards from the sea. Most of our week's stay here was spent in the town although we found time to visit a few places in other parts of Sussex as well as in the neighboring county of Kent. It was all very delightful and we especially enjoyed visiting the scenes of our early youth. The only thing that tended to mar our pleasure was the all too frequent sight of the devastation wrought by German bombings in the last war, for Hastings suffered severely [illegible] period. During [illegible] the countryside we [illegible] the site where the [illegible] of Hastings was [illegible] actually about [illegible] from the town [illegible] lies on the fringe of a bustling market town aptly named Battle. I would like to mention a few facts [illegible] Battle of Hastings [illegible] First let me [illegible] ancestors were [illegible] with the [illegible] great grandfather [illegible] taking [illegible] struggle. [illegible] invasion of [illegible] by the Duke of Normandy [illegible] Saxon King [illegible] received news of the Duke's [illegible] and immediately [illegible] had [illegible] army was [illegible] France and [illegible] lot of extra [illegible] increases [illegible] gave the Duke a swelled head and he dubbed himself "William the Conqueror," a term which the Saxons changed to "William the Corn Curer." It was certainly a fitting title, since it was known that in his younger days the great soldier had been a professional chiropodist. After weeks of waiting the momentous day arrived. History books affirm that the actual invasion was carried out in 1066 (or, as we would say in our modern age, — six minutes past eleven.) Immediately after landing, William led his army to the battle-ground where Harold was waiting to greet him. Meeting face to face they grinned at each other and then shook hands (for they were both members of the same fraternal society.) Then after a short confab regarding the rules of conduct to be observed by the combatants they were introduced to the referee — a Chinaman by the name of Eldrich von Streltski who then climbed to the top of a huge elm tree from which vantage point he could obtain an excellent view of the battle. It was ideal weather for the event and the grandstand and bleachers were both filled to capacity. Ice cream and hot dog vendors did a roaring business and the pari-mutuels also handled big money as the odds were constantly changing in accord with the varying fortunes of the opposing armies. The initial stages of the struggle definitely went in favour of the Saxons who had a great advantage since Harold, having won the toss for choice of position had elected to defend the east side of the stadium which was on a hill while William was forced to place his troops on the west side, situated in the valley below. The battle continued with unabated fury all through the heat of that memorable day of bloodshed and individual heroism. Then, as evening drew near and the shadows of twilight stretched across the battleground, William appealed to the referee for a recess on the grounds that he was suffering torture and was in no condition to continue the fight until he could relieve himself of the discomfort he was enduring. The recess being granted the Duke's followers got busy and in a few minutes of diagnosing discovered the cause of his dire distress. It was a flea! Evidently it had worked its way inside his suit of armour, which encased the Corn Curer from head to toe. And the poor man had suffered all day from the sharp teeth of this repulsive insect simply because he had left his can opener on his dressing table in Normandy and was unable to make contact with the little blighter. What a relief! He became once again the dauntless leader inspiring his men to unbelievable acts of bravery. Just before nightfall the last Saxon resistance was overcome and the Duke of Normandy had become William the First of England. And what of my ancestors? My great great grandmother was awarded the Military Medal for her untiring and ceaseless efforts to keep the Saxon troops constantly fed during the course of the battle. Moving freely among the weary men she supplied them with mugs of hot tea and bowls of real Boston baked beans, all of which she herself had bought out of her meagre old age pension, even arranging to have the beans imported [illegible] from the bean mines in [illegible]. And my great great grandpop? A man of superhuman strength he stood six feet eight inches in his stocking feet and about two inches less when he took his stockings off. It was said of him that during the battle he seemed to be everywhere at once, sometimes picking up two armoured knights at the same time and clanking them to death in the iron grip of his huge hands. For his outstanding valour he was awarded two Victoria Crosses, one made of gold to be worn on festive occasions, the other made of plastic which was to be worn during the hours he worked at his chosen profession. He was a sheep-herder! Surely, with such blood in my veins, I should be pardoned for occasionally boasting of my ancestry. From [illegible] of Hastings we travelled [illegible] county of Surrey where [illegible] visited Witley, a charming [illegible] well known [illegible] the famous Witley Camp [illegible] World War [illegible] troops from Canada received their [illegible] training before crossing [illegible] Channel to [illegible] While in [illegible] we found time [illegible] little town of [illegible] few miles away [illegible]. This was much [illegible] with a person [illegible] Surrey was [illegible] we were due to [illegible] where we had [illegible] as well as [illegible] of details relating to our impending departure [illegible] on Friday [illegible] our suitcases were packed and we set off for the London airport where we boarded the plane for Amsterdam at 8 p.m. (English time). After an hour's stay in the Dutch city, we took our seats in a Canadian Pacific Airlines plane, "The Empress of Auckland", arriving in Edmonton at 8 a.m. the next morning. After spending the rest of the day in the Alberta capital we clambered out wearily from the C. N. R. train at 8 p.m. tired but happy to be home again. And what of the trip? The highlights were: (1) the pleasure we derived from meeting once again our relatives whom we had not seen for so many years. (2) the numerous trips we made in to the English countryside (3) the hustle and bustle and unending fascination of London — and last but not least, our visit to our "home town" of Hastings, which brought back so many happy memories of bygone days. It was indeed a wonderful vacation for both of us and we are hoping that at some future date we shall see the Old Country again.

THE END

FIRST PRIZE $1,000.00 CASH

CALGARY. — More than 90 cash prizes will be awarded soon to prairie farmers by a Canadian fertilizer firm. A $2000 cash prize contest, open to residents of Alberta, Saskatchewan, Manitoba and the Peace River district, has been announced by the makers of Elephant Brand Fertilizers.

NOTHING TO BUY

According to contest officials, purchases are not necessary. To enter, contestants need only answer 7 easy 'yes' or 'no' questions such as "Is nitrogen essential for plant growth?" and the first prize is $1000.

Entry forms are available from any Elephant Brand agent. The winners will be chosen by draw. 9tf

News from Tulliby Lake

School days are here again! The doors of the Tulliby Lake Central School were flung wide open on September 2 to commence another term. Emile Wysocki will again be acting principal while Mrs. Tommy Carmichael will occupy her usual position in Room 3. Miss Margaret Campbell did not wish to continue teaching Room 2 so Mrs. Thompson will be filling that vacancy.

Juvenile Behrens spent the week end in Lloydminster taking chiropractic treatments on a displaced vertebrae in the upper part of his neck.

Charles Gullickson has been making some more repairs to the telephone line.

Miss Cauleen Trimble underwent a tonsillectomy in the Elk Point hospital. She is now home feeling pretty chipper.

Charles Gullickson has reported seeing two medium sized black bears up on the big hill west of house.

The installation of a water and sewer system is underway at the Tulliby Lake Nursing Station.

EFFICIENT FEEDING AND LIVESTOCK MANAGEMENT

By Dr. Gustav Bohstedt
Emeritus Professor of Animal Husbandry
University of Wisconsin

Check Depraved Appetites

A reader writes, "one of my neighbors is having trouble with his cows not eating their feed, but when turned out for the day they go directly to the manure pile and start eating. My neighbor feeds silage, alfalfa mixed hay and concentrates, so I wonder why [illegible] cows go for the manure pile?"

Dr. Bohstedt

Usually such depraved appetites result from a nutritional deficiency, but sometimes the animals are merely [illegible] of the roughage, perhaps of [illegible] common a quality and fed for months at a time. Lack of salt is one of the most common causes of such depraved appetites and you can easily cure these cases. Just be sure that the cows are getting one per cent added salt mixed in their grain rations. In addition to the salt in the ration, which serves both to increase its palatability and to meet the physiological need for salt, it is always wise to have salt, either loose or block salt, available free choice for the animals.

Experiments at Cornell University with dairy cattle showed one of the early symptoms of salt deficiency to be a depraved appetite and the experimental animals would [illegible] urine or eat dirt or other objects to satisfy their need. When sufficient salt was made available the [illegible] returned to normal.

At times cows or sheep will refuse to eat their feed if the feed has been grown on soil that is severely deficient in one or more minerals such as phosphorus or cobalt.

For instance, range cattle on phosphorus-deficient land in South Africa have been known to chew carcasses of other cattle that had died from infectious diseases, in order to obtain phosphorus from the bones, and even from the meat. In our own country sheep that are grazing on cobalt-deficient pasture or fed hay grown on such land will go off their feed. Even though these sheep may be fed all the corn they want in addition to the cobalt-deficient roughage in their ration they will stop eating, become emaciated and succumb unless the cobalt deficiency is remedied.

Free-choice feeding of a simple calcium-phosphorus mixture and trace mineral salt should be ample insurance against the more common causes of depraved appetites in dairy animals.

◆

Question: Can salt be overfed in a ration?

Answer: Not ordinarily. Beef cattle producers on range areas can adjust the amount of protein supplement consumed by beef cows or steers by mixing in salt and self feeding. Beef cattle have been known to consume as much as one pound of salt daily for long periods of time without any injury whatsoever. Of course, plenty of water must be available when feeding such large amounts of salt.

NEWS from ALLANDALE

Weather has been showery with a light frost on the morning of Sept. 3rd.

Mrs. H. O'Fee, her seven children and grandchildren who have been holding a re-union in Bawlf, were visitors in the Clandonald district on Sunday, Aug. 17th. After church in Clandonald they motored to the old farm in the Allandale district for a picnic lunch, renewing acquaintances in the district that was their home for many years. They then went to D. McCormick's for a dinner at 6 p.m. The family included Kathleen, Sister Mary of Good Counsel; Mrs. W. D. Porter (Bridie) and children of Ottawa; Mr. and Mrs. J. D. Fighter (Mary) and children of Vancouver; Mr. and Mrs. G. Mayhew (Anna) and children of Bawlf; Mr and Mrs John O'Fee and girls of Williams Lake B.C.; Mr and Mrs. Liam O'Fee and children of Kamloops, B.C.; Mrs G. Steward (Claire) [illegible] children of Dawson Creek, B.C. On Thursday Aug. 14th the entire family had a banquet at the O'Connell Institute, Edmonton. Sister Mary Good Counsel then accompanied them to Bawlf. The following day there was a special mass in St. Joseph's church at Bawlf with Msgr. Lyons officiating. Brian Mayhew and Johnnie Fighter were altar boys. The family had their own three voice choir and organist for the mass and the Benediction in the evening. The re-union, the first in 25 years, was highlighted by the baptism of little Kathleen Claire, daughter of Mr. and Mrs. Liam O'Fee who was born Aug. 11th in Daysland hospital. Mrs. H. O'Fee accompanied her daughter Bridie to Ottawa en route to New York.

A trail ride was enjoyed on Aug. 31st. Our appreciation to Mr and [illegible] Bob Maggs and helpers for a wonderful afternoon. Seeing the riders brought back memories of yester year. Now our grandson Raymond Wilson carries on and enjoyed very much being one of the trail riders that day. Supper was enjoyed and then the riders gave a [illegible] of horsemanship, all very interesting. We met that day Mrs Ray Fuller from Vegreville. She taught the Morrison school in 1936 and '37. She was then Miss V. Thompson. She inquired about all you folks in that district and sent greetings.

Mrs Mabel Lee accompanied her sister Mrs. Mayer to Wainwright visiting relatives and then went on to New Sarepta to visit brother Rufus, and Ruth Omness.

Mr and Mrs. Mike Mayowsky accompanied Mr and Mrs. Glen Baldock to Lake Wabamun the week end of Aug. 23rd. Mr and Mrs Ed Magistad are at their home at the lake and the young folk got one of their boats for fishing.

A weiner roast was held at the Omness home on the evening of Sept. 3rd. Singing old songs around a blazing campfire was in order. Mrs. Nora Ronaghan from Islay was among the group and has a good memory for the lovely old lyrics. Danish songs by the Hanson brothers was enjoyed very much.

A most enjoyable afternoon was spent in Islay at the W.M.S. rally. A very interesting program was given. We have heard much of the Christian Leadership Training school at Naramata, B.C. and the speeches given by Rev. and Mrs. Short enlightened us further about the school. Lunch and a social time in the church hall ended a perfect afternoon.

It was a pleasant surprise to meet Mrs. Sylvia Gould in Islay. She has had a wonderful summer, most of it spent in California with a niece; she also spent a week in Vancouver with a niece Mr and Mrs. Earl Nelson and family. She was leaving shortly for Strome to be with her daughter Laura and family. Laura is teaching there.

Deepest sympathy to Mrs. Joy Dollman and daughter Helen on the passing of a dear husband and father. "Even death has its wonderful mission, though it robs us of those we love, it draws us from our surroundings to long for the meeting above."

Mr. and Mrs. Harold Cooper were holidaying in the city last week of August visiting daughter Joyce, Don and family and Mrs. Cooper attended the Leadership Training school also.

Mrs. Dave Bury from Lloydminster was one of the ladies who attended the same school in Edmonton. Her oldest daughter Margaret accompanied Dr. Stone and family on holidays to Kalispel, Montana and had a wonderful trip.

Mr. and Mrs. Eby Walker of Greenlawn were visitors on Sept. 7th at the Omness home.

Mr and Mrs. Henry Martens from Chilliwack, B.C., arrived at the home of their daughter Mr. and Mrs. Woody Wilson on Sept. 4th. Mrs. Wilson and family accompanied them to Rabbits Lake, Sask., on Saturday to visit daughter Elsie, Mr. and Mrs. John Pauls and family. Woody joined his family there on Sunday and they returned home that evening.

Mission Church service was held Sept. 7th, and Mr. Farquhar had an excellent sermon on the great missionary Paul. Spare an hour or so and join us Sept. 14th for our final service.

Closing Thought: "Truthful lips endure forever, but a lying tongue is but for a moment."

Pro. 12-19.

OUR LETTER FROM EDMONTON

Alberta Research Council Discovers Rich Uranium Field in Province

by KEN MASON

EDMONTON — A uranium rush appears to be developing in the extreme northeastern corner of Alberta. Where it will end at this point is anyone's guess but people in mining circles say it looks big.

It all came about as a result of work carried out in 1957 and 1958 by geological field parties of the Research Council of Alberta.

The geologists found deposits of molybdenite, important in atomic reactors and in steel hardening processes, and radioactive minerals including high-grade uranium.

A preliminary report on the Research Council's findings was released last week, and the result was a flurry of excitement among prospectors and geologists in Edmonton and other parts of Canada.

The mineral-rich area covers about 130 square miles north of Lake Athabaska, about 450 air miles north of Edmonton. At the time of writing, prospectors were flocking to the area.

Dr. C. P. Gravenor, Research Council geologist, headed the field parties which studied deposits in the area where the Precambrian shield cuts across the northeastern corner of Alberta.

He emphasized that the Research Council report is based only on surface showings and certain "grab" samples of rock which were brought out of the area. He said detailed exploration by prospectors and geologists will prove whether valuable ore is present in commercial quantities.

Even so, the release of the council's report caused a lot of excitement in mining circles here. Prospectors rushed to Research Council headquarters here to grab up copies of the report and examine samples which were on display. Then they made arrangements to fly into the remote northern area for an on-the-spot investigation.

Airlines and charter plane firms reported a rush of business. It was so big, in fact, that some of them couldn't handle it. The charter companies have all their spare aircraft tied up on forest fire operations in northern Alberta.

There also were reports of prospectors flocking into the area from the Beaverlodge uranium mining district a few miles east in Saskatchewan.

One of the most interesting features of the report deals with samples taken from a zone containing highly radioactive bands with molybdenite. Geologists followed the radioactivity for more than half a mile.

An assay of the samples showed 1.03 per cent uranium oxide. This may seem small, but to mining men it's anything but small when you consider the Beaverlodge, Sask., mining empire was built on rocks that assayed around .3 per cent.

It's probably coincidental, but the Research Council report comes at a time when controversy is raging over the route for a railway to provide access to rich base metals deposits on Great Slave Lake in the Northwest Territories.

The discovery of valuable minerals in northeastern Alberta will add strength to the arguments of those who favor a route through Waterways and McMurray in northeastern Alberta.

OTTAWA HEDGES ON RAILWAY

At the moment, the proposed northern railway is cloaked in considerable doubt. It seemed certain a couple of months ago that the route would go north from McMurray, but residents of the Peace River country in the northwest raised a storm of protest.

Now Ottawa says plans must be delayed in view of the controversy.

This more or less bears out a prediction made by Premier Manning at the height of the dispute, when opposing sides were asking his government to take a stand in favor of one route or the other.

He said his government favors the building of a railway to the Northwest Territories. A big squabble over the route, he said, would give Ottawa a perfect excuse to postpone action on it.

Nothing has been said officially, but word has it that if factions in Alberta continue to fight over the railway, Ottawa might decide to build it north from Manitoba or Saskatchewan. Then what would happen to Alberta's claim to being the gateway to the last frontier.

Besides strengthening arguments for the northeastern route, the Research Council report also confirms a belief prospectors have held for some time about the far corner of Alberta. In 1938, a small staking rush developed in the area. Some 1,200 claims were staked, but no work was done and they were allowed to lapse.

[illegible] men are hopeful that it will be different this time. Indications are that some big companies are interested, and if this is so there could be some major development work.

Over 300,000 Canadians including police, fire, medical and other services, together with public spirited volunteers, have received Civil Defence training since 1951. 9-29

Additional Air Navigation Radio Aid Planned For Vermilion By Department of Transport

The Department of Transport plans to construct a VOR (Visual Omnirange) approximately 25 miles south of Vermilion. Checking for a suitable site is now being carried out in the Auburndale district. It is important that the site be on high ground and away from obstructions such as trees, buildings and high voltage power lines.

This new station will provide an additional airways route between Edmonton and Winnipeg, in fact these stations are being constructed all across Canada.

The V O R equipment is much more modern than the present radio range installations which only provide four courses, whereas V O R provides an infinite number of courses, enabling the pilot of an aircraft to select any compass direction he wishes to fly. A pointer on a dial indicates when he is on the correct heading or deviating to right or left. Another instrument indicates whether he is flying towards the station or away.

Omniranges operate in the frequency bands of 112.1 to 117.9 megacycles which is relatively free from static or interference. V O R signals give reliable reception up to 30 miles but may normally be received 150 miles from the transmitter at high altitudes.

When completed, the new station will operate continuously 24 hours per day and will be tied in with the Vermilion control point. Weather broadcasts will go out simultaneously over the present range and VOR transmitter. Communications with aircraft may also be made from the control point using the VOR facility.

Melvin M. Cunningham

Rotary Governor Will Visit The Vermilion Club

On Tuesday, September 23 the members of the Vermilion Rotary Club will be hosts to M. M. Cunningham, Governor of District No. 536 of Rotary International, who is making his official visit to each one of the 32 Clubs in the district. He will address the local club and confer with Jim Robson, President, Reg Mitchell, Secretary and the Committe Chairman on Rotary administration and service activities.

Mr. Cunningham is a member of the Insurance and Real Estate firm of Botterill McKee Cunningham Ltd., of Red Deer. He is a past president of the Red Deer Rotary Club. He has served as president of the Red Deer Chamber of Commerce, President of the Alberta Chamber of Commerce; and a Director of the [illegible]. He is a past president of the Dominion Association of Implement Dealers. For the past eleven years he has been Red Deer's representative on the Alberta Industrial Development Board.

Mr Cunningham was elected District Governor of Rotary International for 1958-59 fiscal year at Rotary's 49th annual convention at Dallas, Texas.

No Egg Marketing Board

The results of the plebiscite on the egg-marketing question were released last week. Only 40.62 per cent of the 26,410 eligible to vote were in favor of the plan. Under the provincial legislation, at least 51 per cent of those eligible must be in favor.

Of those who actually took the trouble to vote, a heavy majority favored the board. There were 10,728 ballots marked yes, and 4,573 marked no. Some 11,000 poultrymen didn't bother to vote and, in effect, they helped kill the plan.

However, the percentage in favor was down from a similar vote held last year, when 48 per cent voted for the egg board. The second plebiscite was held this year because farm organizations claimed last year's enumeration was faulty.

The new vote may mean an end to talk of a producer-controlled egg board for the time being but sooner or later farm organizations probably will press for a new act making it easier to introduce a board. They want the vote to carry on a majority of those who actually cast ballots.

V.H.S. Grad Given Bursary by W. A. Canadian Legion

Miss Norma Harle who graduated from the V.H.S. in June has been awarded a Canadian Legion W.A. bursary. This bursary is given to a member of a serviceman's family and Norma was eligible through her grandfather who served in the first world war. The bursary is for one year and must be used for furthering education after taking grade 12. Norma is presently enrolled at McTavish Business College, Edmonton, where she is continuing her commercial training by taking a secretarial [illegible].

The Canadian Legion W. A. awards twenty of the $100 bursaries annually.

[illegible]

Alf Green of Auburndale reports threshing out 300 bushels of wheat from a ten acre field, 30 bushels to the acre [illegible] for a dry summer and what would have happened if a shower had fallen!

J. Raymond Taylor, Homesteader 1906, Dies At 83 Years

One of the finest gentleman it has ever been our fortune to meet, John Raymond Taylor passed away on Sunday evening, September 14th at the Vermilion hospital. He was 83 years of age. Enjoying good health until this spring, Mr. Taylor suffered a stroke while in his garden, and never recovered from [illegible].

Mr. Taylor was born in Bakewell, Derbyshire, England, on May 4th, 1875. He came to Canada in 1905 and to the Vermilion district in 1906 where he homesteaded in the Chatsworth district in company with his brother Ernest. Ernest gave his life for his country in the first world war. In 1927 Mr Taylor retired from farming and moved into Vermilion where the family home has been ever since.

Left to mourn the loss of a loving husband and father are his sorrowing widow, one son John at Wainwright, and three daughters, Mrs. George McPhee (Barbara) of Clandonald, Dorothy in Edmonton and Margaret of Vermilion. There are five grandchildren. Two sisters and one brother reside in England.

Funeral services were held at St Saviour's Anglican Church on Wednesday morning Sept. 17th when the large attendance of friends and sympathizers testified to the esteem in which Mr Taylor was held. Interment was in the Vermilion cemetery. The Rev. K. A. Minchin [illegible].

Moyers were in charge of the arrangements.

Institute of Power Engineers Forms Sub-Branch In Vermilion District

The first inaugural meeting of the Vermilion sub-branch of the Institute of Power Engineers was held on Saturday, Sept. 13th in the sample room of the Brunswick Hotel.

Mr T. Fleming of Fort Saskatchewan, president of the [illegible] Edmonton Branch, together with G. Purich and W. Dunne were in attendance and assisted with the organization part of the program.

A good attendance of members who are all certified steam engineers [illegible] the enthusiasm with which this branch is being received in the district. Members are drawn from Vermilion, Two Hills, Lloydminster, Lindbergh and Wainwright.

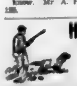
The Institute originated in Ontario in 1929 and today is a fully chartered engineering institute with branches from coast to coast. Its fundamental objects are to promote business relations, a mutual understanding among power engineers, to protect the interests of its members and to assist in their advancement and education. There is also a social and entertainment section in each branch.

The election of officers absorbed most of the evening's activities with E. Roberts, Vermilion, district boiler inspector being elected chairman, J. V. Kneale of Vermilion, vice-chairman and R. T. Fast, Vermilion, secretary-treasurer.

Other officers elected were K. Balzun, Vermilion, Educational Chairman; J. V. Kneale, in charge of 'Entertainment' assisted by L. B. Baldock of Vermilion, F. Linklater, Two Hills, and N. Round of Lloydminster membership chairmen combined.

Mr. Fleming remarked on the keenness displayed by the members and extended special thanks to J. V. Kneale and E. Roberts who were instrumental in the formation of this sub-branch. The Vermilion sub-branch will for the present function within the frame work of the Edmonton branch.

LOST — Budgie bird from home of Mrs. W. Thompson, next door to Ashley Cooper's, on Thursday morning. The bird flew out the kitchen door and immediately disappeared. A reward will be paid for return of this pet budgie. Anyone seeing the bird please let us know. Mr A. H. Cooper, ph. [illegible].



Hunting Hints

BE A SPORT! Shoot on the wing — never "pot" a sitting bird.

Outstanding Attraction

Tickets Now On Sale For Don Cossack Chorus Oct. 10

The world famous Don Cossack Chorus which is to play at the Composite School Auditorium here on October 10 appears to be proving very popular with Vermilion and district people. Tickets are selling very briskly, and it is expected that the auditorium will be sold out well in advance of the day of the performance.

The Don Cossack Chorus and Dancers are a group composed of White Russian emigres who were the pioneers in the fight against Communism in Russia. They eventually migrated to the United States and all are now American citizens. After leaving Russia, the Chorus performed their first concert in Vienna in 1927, and have been touring the world ever since. They have toured on all six continents, and have crossed the equator 19 times, have travelled on 107 different ocean liners and have performed in 63 different countries around the world.

Vermilion is indeed most fortunate to have the opportunity to hear this famous group, and everyone is urged to plan to attend. The group which has made a large number of R.C.A. Victor Red Seal records are most certainly outstanding, and well worth hearing. The Vermilion Rotary Club who are sponsoring this production wish to take this opportunity to urge anyone who is thinking of attending to make up a party of friends or relatives and arrange for your tickets as soon as possible. Any member of the Rotary Club can provide you with tickets, or if you will write or phone Curt Alfke (ph 11), E. H. Buckingham (ph 76) or C. T. Heckbert (ph 208) arrangements will be made to provide you with tickets.

Road Tips

By "ROAD KNIGHTS"

After passing do NOT return to the right side of road until the vehicle passed can be seen in the rear view mirror.

Regulations Re: Use of Purple Gas

Alberta farmers may now use purple fuel oil for the operation of farm trucks for farm business or pleasure purposes as a result of recent amendments to the Regulations under the Fuel Oil Tax Act.

Farmers, ranchers and market gardeners owning trucks licensed as commercial vehicles and bearing "F" license plates, may use the purple fuel oil only in connection with their farm, ranch or market garden operations. The fuel may not be used in connection with any other line of business in which the owner may be engaged.

Purple fuel oil may also be used in farm trucks being used for pleasure [illegible].

Fuel oil agents at bulk or service stations will not, however, be able to deliver or dispense the purple fuel oil directly into the fuel tank of a motor vehicle. Farmers must use their own dispensing equipment on their own farms in servicing a farm truck [illegible].

Regulations are effective immediately.

Retail Merchants Assoc. Form First Branch in Province Here

The first branch of the Retail Merchants Inc., was formed in Vermilion on Monday evening and will be known officially as Vermilion Branch No. 1 of the R. M. A. Inc. E. Clendenning was elected president with Thos. Watts as sec.-treas. Addressing the meeting were Jack Robinson of Edmonton, secretary-manager for the province for the R. M. A., and Trevor Self, field representative.

Prior to the decision to organize a regular branch here, Mr. Robinson gave a very interesting talk. He noted that the Retail Merchants Assoc. first came into being in 1896 in Canada, and was granted a charter in 1910. He went on to enumerate the aims and objects of the association, showing just how much help it could be to the individual merchants.

Keen competition from cities was now making itself felt in towns such as Vermilion, and it is necessary that stores maintain good stocks, have attractive layouts, good clerks, and make the best of advertising to keep the trade at home. He remarked on the mammoth amount of advertising in the Edmonton Journal and the effect that it must have on shoppers in Vermilion. It should be noted that in these big shopping issues all the stores seem to band together to attract shoppers to the city; the mass amount of advertising has proven effective, as the chief aim is to get the shopper into the city, once he is there he will shop. All stores and business places in towns such as Vermilion must help in attracting trade int their town in order to counteract city advertising. Too many businesses in towns coast along on the other firms advertising and do little to entice shoppers into their town. If all firms advertise as they should the mass effect in their town paper would attract people into their home town.

Many individual firms in Vermilion are already members of the R. M. A. and following Mr Robinson's talk the following motion was made "That a branch of the Retail Merchants of Canada Inc., be formed in Vermilion and be known as Vermilion Branch No. 1 of the R. M. A." The motion was carried.

As a result of the motion, election of officers followed:

President — E. Clendenning
Sec. treas. — Thos. Watts
Executive members [illegible] Harreuther, Wm Delainey with the automotive association to appoint their own representative.

Additional representatives of various other lines in town will be added as needed.

A tentative date, October 27 was set for the next meeting when organization will be completed.

Nomination Day Next Wednesday

Nomination Day is just around the corner, Wednesday, Sept. 24 from 11 a.m. to 12 noon. H. W. Johnstone is the Returning Officer and the place is the town hall. See the official notice elsewhere in this issue.

At the present time there are three vacancies to be filled with no aspirants yet in the field.

Constable and Mrs. Kelly Farewelled

Constable and Mrs. Maurice Kelly were farewelled at a party held in the Legion Hall last Saturday at a very enjoyable social evening. A purse of money along with a multitude of good wishes was presented to the popular young couple.

Constable Kelly has been selected by the R.C.M.P. for a special one year course in Commerce at the University of B. C. He and Mrs. Kelly left Tuesday night for Vancouver.

Nine New Teachers Welcomed At Board of Trade Dinner

Nine of the eleven new teachers on the staffs of the Vermilion composite and elementary schools were guests of the Board of Trade [illegible] Wednesday noonday luncheon and received a warm welcome to the town by President E. A. Locke and the members of the Board.

Introducing the newcomers to the Composite school staff was Principal John David who made known to the large gathering of 35 the following teachers: Miss Margaret Watt, Mrs. Wilma Sutherland, William Yushow and Martin Shalka.

Principal Fred Stewart of the elementary school in turn introduced Mrs. E. Duncan, Mrs. Irene Wilson, Miss Janet Hall, Mrs. Bertha West and Miss [illegible] Wilson.

Another newcomer to Vermilion was present in the person of [illegible] Harker who has [illegible] from Regina to [illegible] the men's wear and shoe department in Stephens' store. Clarence was introduced by Ross Beake.

TO FETE LADIES FASTBALL TEAM

In recognition of their outstanding achievement in winning the Intermediate ladies fastball championship for the province of Alberta for 1958, the Board will entertain all members of the team at a dinner on Wednesday noon, September 24.

Town Mourns Passing of Gerald F. Stephens

People of the town and district of Vermilion are this week mourning the death of one of their foremost citizens in the person of Gerald Fulton Stephens, who passed away early Sunday morning, September 14 in the Vermilion hospital. He had been ailing for the past three months.

Gerald or "Gerry" as he was affectionately known to a multitude of friends and acquaintances, was born in Vermilion on November 5, 1908, the son of the late Mr. and Mrs. Henry N. Stephens. He was a graduate of Vermilion schools, following which he entered the employ of the Royal Bank of Canada. Taken ill with tuberculosis, he was for some seven years a patient in the Sanitorium at Calgary, but he returned to enter the Stephens Limited Department store, and to take a complete part in all phases of the life and activity of the town. He became manager of the store in 1937. Established in 1906, the store was the first one in Vermilion and has always been managed by a member of the Stephens family.

Besides carrying on the management of the department store, Mr. Stephens was a past-president of the Board of Trade, served on the town council, was a past president and past-secretary of the golf club, an active curler and a charter member of the Rotary Club. Fond of music he sang in the United Church choir and was a member of the Vermilion mixed chorus. A devout churchman, he had been a member and treasurer of the Board of Stewards of the United Church for the past nineteen years.

He is survived by his loving wife Betty, one daughter Jean; two sisters, Margaret in Vermilion and Mrs. Agnes Bowman in Placentia, California; two brothers, Dr. Clive W. Stephens, Vermilion, and Dr. Henry N. Stephens, St. Paul, Minnesota.

Funeral services were held on Wednesday, September 17 at 2 o'clock at the First United Church. Interment was made in the family plot in the Vermilion cemetery. The Rev. C. W. MacKay conducted the services, his words carrying a message of comfort and solace to the mourners.

Esteemed, respected, liked as friend, citizen and businessman, the death of Gerald Stephens is the cause of community-wide mourning and to his sorrowing wife and daughter, to the sisters and brothers, is extended sincere and heartfelt sympathy.

1959 Model Buicks Are On Display

The first of the new model cars is now on display in Vermilion. Rowe & Sons Ltd., having a 1959 Buick on their showroom floor with a picture appearing elsewhere in this issue of the Standard. You are cordially invited to drop in and see the new Buick.

Fish Again Biting In Vermilion Lake

After showing very little interest in the best that local fishermen could offer in the way of spoons, lures, flies and worms the fish in the Vermilion Lake have again become hungry and are grabbing eagerly at anything that looks like food.

Fishermen have become despondent over the fact that the fish had become too wily for them and that catches were few and far between. Now it's just like old times again and it would probably be a good thing if anglers took a number of the fish out of the lake. Some nice 4 to 6 pound jacks have been caught this week with fishermen reporting good sport and good catches.

Rebekah Lodge Awards Scholarship To Gerry Pauls

The Britannia Rebekah Lodge has been instrumental in having Gerry Pauls, a former Vermilion boy and grandson of Mrs. Mary Koss, awarded a bursary which is sponsored jointly by the I. O. O. F. and the Britannia Rebekah Lodge. This bursary is for $100.00 per year for three years, and is for use in obtaining University Education. Gerry commenced University one year ago.

Radioactive fallout is deadly - Civil Defence teaches you how to protect yourself and family.

Sudden Death Of Alex S. Morrison Shocks District

The sudden death of Alexander Service Morrison, well known farmer of the district, who passed away at the Vermilion hospital on Monday, Sept. 15th, proved a shock to people of the town and district. Suffering from a heart condition for several years he yet was quite active and a frequent visitor to town. He was 62 years of age.

The deceased farmed first in what is now known as the Buffalo Coulee district, before moving to a farm four miles east of Vermilion.

He is survived by his [illegible] wife, two daughters, Mrs. D. C. Naylor, Edmonton, and Mrs. M. Neilsen of Schenectady, N.Y.; and three sons, John Hugh of Vermilion; Dr. A. B. Morrison of Evansville, Illinois; Dr. R. T. Morrison, Edmonton; three sisters Mrs. E. E. Wright of Vancouver, Mrs. Jen Simpson of Vancouver and Mrs. Elizabeth Scott of Edmonton. There are ten grandchildren.

Funeral services are being held this Thursday afternoon, Sept. 18th at 2:00 o'clock from the United Church. [illegible] will follow in Vermilion cemetery.

Moyers are in charge of arrangements.

George Dollman, Old Timer, Laid To Rest

An old time farmer of the Vermilion district, George Frederick Dollman, passed away at the Vermilion hospital on Thursday, September 4th at the age of 85 years. He leaves to mourn his loss his loving wife and one daughter Helen.

Mr. Dollman was born in Washington, Penn., U.S.A., on March 11th, 1873. He came to Alberta in 1908 and to Vermilion in 1912. He commenced farming in the Campbell Lake district where he had lived ever since.

Funeral services were held at the United Church, Vermilion, on Monday, Sept. 8th at 2:00 o'clock with interment in the Vermilion cemetery. The Rev. C. W. MacKay officiated.

Moyers were in charge of funeral arrangements.

Alberta Exhibit At California State Fair

Thousands of residents of the west coast saw the Alberta exhibit at the annual Sacramento California State Fair last month when the [illegible] of the Province were displayed through the efforts of the Department of Economic Affairs.

The thirty foot booth depicted in picture and exhibit the sports opportunities, the recreational [illegible] and the [illegible] centres of the province. Examples of handicraft [illegible] in the province were arranged in interesting array on shelves at the booth. These articles included examples of pottery, batik, metal and leather work, and wood carving.

A large map centered the display showing the network of first class highways that serve the province and illustrating the ease by which Alberta can be reached from British Columbia. The province has had a display at the fair for the past several years. It has been a major center of attraction for fair visitors and has contributed to a material increase in visitor totals from the west coast section of the United States to Alberta.

Civil Defence Day September 19th

Alberta Civil Defence organization will play a keen go-ahead part in the 2nd annual National Civil Defence Day observance, Friday September 19th according to the Honourable L. C. Halmrast, Provincial Cabinet Minister responsible for Civil Defence. Fifty municipalities throughout the Province will actively participate while the remainder will display Civil Defence Day posters and other promotional material.

Mr. Halmrast said, "Civil Defence Day is designed to focus the public's attention on Civil Defence planning and preparation across the country. Here Albertans will learn of the excellent work being done by the provincial and municipal Civil Defence organizations to prepare the province against natural disasters and thermonuclear warfare."

In Alberta the Civil Defence Day observance will take the form of displays, demonstrations, talks by Civil Defence personnel, film showings and general publicity drives. Newspapers, radio and TV stations have pledged complete co-operation in this program of public awareness. A number of large grain, oil and drug companies and department al stores have distributed posters and other promotional materials to their outlets for display leading up to September 19.

Alberta Civil Defence Headquarters located in Edmonton, will concentrate mainly on operational tests of its new communications vehicles. A network test of the Northern Zone radio system is scheduled for Friday morning with a similar test of the Central Zone network to follow in the afternoon. In addition, a number of personnel from Alberta Civil Defence Headquarters will travel to many points in the province to take part in the day's activities. For various reasons these activities will be held either on the 18th, 19th or 20th.

The Light Is Beginning To Dawn

The premier of New Brunswick, the Hon. John Hugh Flemming, made a public declaration during the conference of premiers of the four maritime provinces, in which he asked that a Royal Commission be set up to study the monetary policy of the country and of the Bank of Canada, with a view to establishing a monetary and financial system more suitable to the existing needs of the country.

Role of Community Board of Trade To Be Discussed at Convention

One of the highlights of the 29th annual meeting of The Canadian Chamber of Commerce, to be held in Montreal Oct. 6-8 will be a panel discussion on "the role of the community Chamber in preparing for tomorrow". Skilled speakers will outline the activities which can be undertaken at the community level in order to achieve better planning, better leadership, better education and better government.

Other panel discussions, tied to the overall theme "Blueprint for Progress" will deal with employer-employee relations, foreign trade development, and freedom. Business and community leaders from all ten provinces and delegates from many of the Canadian Chamber's more than 750 Boards of Trade and Chambers of Commerce across the nation will be in attendance.

Resolutions on many topics of community and business interest, submitted by member Boards and Chambers, will be considered and voted upon. Each Board and Chamber has a vote of equal weight, irrespective of size. The policies adopted at the annual meeting will be presented to the government in Ottawa shortly after the Montreal meeting.

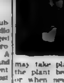
TOWN OF VERMILION
NOTICE OF
Nomination
1958

Public Notice is hereby given that I will attend at the Town Office on **Wednesday, the 24th day of September**, from **eleven** o'clock in the forenoon until **twelve** o'clock noon for the purpose of receiving nomination of candidates for offices of Councillors (3) for the next ensuing three years and one year, as the case may be.

Given under my hand this 9th day of September A.D. 1958.

H. W. Johnston,
Returning Officer.

The Homemaker



DONNA SHANTZ
District Home Economist
Wainwright, Alta.

TRANSPLANTING PEONIES

Once established the showy, popular peony does not like to be disturbed, says P.D. McCalla, Alberta's Supervisor of Horticulture Division and transplanting may take place however, when the plant becomes too crowded or when new stock is wanted. For new stock never divide a plant under three years. Plants ten years and over respond more favorably.

Choose a sunny, well-drained location for the new plants, protected from wind but not too close to tree or shrub roots and prepare the soil for the years ahead. Cultivate it to a depth of over one foot using good loam mixed with 20% well-rotted manure. If the manure is not well rotetd keep it away from direct contact with the roots.

Early in September carefully dig down at a distance of 15 to 18 inches on either side of the old plant so that roots won't be bruised or injured. Lift the clump shake thoroughly and place in the sun for two to three hours. Roots then lose their brittleness and will be easier to separate. Using a sharp knife cut into pieces at weakest points. Each piece should have at least 4 strong pink shoots. Remove and discard all hollow or damaged spots and cut foliage back to 2 inches. When planting the crown of the peony should be two inches from the surface. Too shallow planting may result in winter kill, too deep planting may retard blooming for another year. So that settling won't take place, firm the earth around roots.

4-H ORGANIZATION

Why not organize a 4-H Club? All you need are Eight girls between the age of 12 and 21, and one or two adults to lead the club.

Girls who have been 4-H members realize it offers a great deal. Projects in clothing, foods and home decorating teach the girls proper techniques. Conducting business meetings, taking executive duties and working with others on group projects is also an important part of 4-H. Social and recreational programs are as much a part of 4-H as the educational program.

Any group interested in forming a club please contact me and I will be glad to come and give complete details on 4-H Club work. Let's hear from lots of you.

Keep Canada strong and at peace. Civil Defence is a major factor in maintaining a strong Canada. 9 - 10

The Financial Post Carries Full Page Fluoridation Article Aug. 16

The Health League of Canada calls attention to an excellent article on fluoridation in the August 16th edition of The Financial Post.

The full page article entitled "Fluoridation: Why Fight the Facts" was written by the F.P. Science Editor Leonard Bertin, illustrated with a drawing of a tooth in cross-section.

The following facts are especially mentioned in a panel: "90% of all children in Canada have decayed teeth, before they attend kindergarten."

"This figure is 65% lower in other areas where fluorides are naturally present in drinking water supplies or where the natural percentage has been increased to about one part per million."

"Fluorine is an essential constituent of healthy tooth enamel."

"Artificial fluoridation is the only practical way of supplying deficiences of fluoride to large population groups."

"Painting of individual teeth is both expensive and less effective."

"Apart from evidence available from communities that have always had naturally fluoridated drinking water supplies, many communities have used artificial fluoridation for 12 years or more."

"No other public health measure has had such a wide background on which to judge it during the initial stages of application."

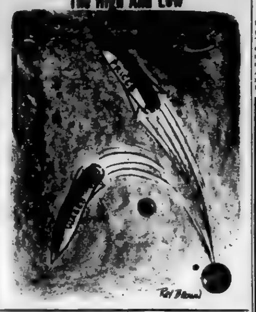
"The results have leways been good."

The writer mentions the many organizations supporting fluoridation of water including a statement of The World Health Organization and he asks: "When the facts are so obvious why should there be any difficulty." Why you may ask is Fluoridation not universal in Canada?" Mr Bertin continues. "Part of the reason, both here and in the U.S.A. is that there is no [illegible] easier way to secure the public eye politically than by opposing health measures about which there may be in some [illegible] [illegible] a shadow of doubt. [illegible] other reason is that there is big money to be made out of this sort of thing by writers and broadcasters who are prepared to take a [illegible] line and stand by it whether or not they believe in it or know anything about it."

The article concludes that fluoridation is safe and that it would take 800 tons of any fluoride compound to poison the population of any Toronto, by such method.

This is 200 times the amount required for daily consumption.

The High And Low



"GREEN ACRES"

FALL TILLAGE

At the Lacombe Experimental Farm yields from land that was fall tilled gave 10 percent more crop than spring tilled land. Also, we should not forget that Canada and Sow Thistle can be thinned out with fall tillage. In fact farmers who cultivate their stubble regularly in the fall get bigger crops and have no thistle problem.

PLANTING PEONIES

These popular flowers do better if planted in the fall.

It is best to set out roots by September 20 or 25th. Do not put manure right cose to the root and do not plant deeper than two inches. This means where roots lie on their sides then the top of the root should not be more than two inches to the surface.

ONE MAN 400

A fellow by name of McKague who farms near Teeswater, Ont., that's in Bruce County, feeds and handles 150 steers at a time all by himself. This is what I meant last week when I said that farmers will have to harvest more bushels or feed more livestock per man or they cannot survive in modern competition. Yes McKague uses trench silos, loose housing, farm-hands, etc.

LICE ON CATTLE

There is no doubt that lice take a terrific tole of profits in the feed lot and in breeding stock also. No matter how much these cattle eat they are still thin. Why not use your weed sprayer to give the cattle a dose of lice spray. A spray is needed to raise the pressure up to 350 or 400 pounds. In many communities in Alberta neighbours get together and purchase a high pressure pump then they take turns at spraying their cattle. Circulars on spraying for lice and warbles can be had from this office.

FARM GATES

Plans are available from your D.A. for building farm gates, not the three strand barb wire kind. They are no-sag and add greatly to the appearance of the entrance as well as being useful. After harvest is a good time of year to fix some gates.

Letters to the Editor

R. R. 3, Vermilion.

The Editor,
Vermilion Standard.

Dear Sir:

I was very pleased to see the letters in your paper from Mr. Ralph Wilson explaining matters pertaining to the business of farming and wish to congratulate you on publishing same. I will not go into details, but hope he will continue the good work.

It will soon be time for the membership drive in the F.U.A. and farmers should think seriously of the debt they owe the F.U.A. and join up. It is very important that membership be maintained and increased.

Speaking of hand-outs, I would like to quote what an editor says about the recent bond conversion. "Canadians are going into debt to the tune of another billion dollars without gaining a thing — and isn't that a heck of a way to run a country!"

I, of course, agree -- what a heck of a way to run a country!

Yours sincerely,
Hardy Wear.

Mannville United Church W. A. Meet

MANNVILLE — Members of the United Church W. A. met at the home of Mrs. I. Holter on Thursday evening last with an exceptionally good turnout and a number of visitors present with one new member being welcomed. A number of former senior W.A. members were in attendance at this meeting. Arrangements got underway for the fall bazaar and plans were made to hold a chicken supper on September 26 in the social rooms of the church. A happy social hour brought the evening to a close as tasty lunch was served by Mrs. A. Baker and Mrs. Holter.

Swim Certificates And Awards To Be Presented September 24th At New School Auditorium

Solid sunshine is not always the best for farm folks, but it [illegible] for a terrific swim season. This summer the park enjoyed its most successful term, and down on the lake front the swim program continued as in other years — most enthusiastically. Children and adults alike took advantage of the instructions offered.

Communities represented this year were Islay, Buffalo Coulee, Derwent, Preston, Fabyan, Wainwright Rural, Mannville, and of course, Vermilion. The instructional staff consisted of regulars Marj Waldenberger, Shirley Porter and Howard Robinson. Volunteer work in instruction was given by Ken Alfke and Mrs. Lynn for which a sincere 'thank you' is given. The swim was directed by Syd Moore.

On Wednesday, Sept. 24 swim certificates and awards will be presented at the new auditorium in the Composite high school at 8 p.m. The program will consist of water safety movies, and a comic short. The Parks Board will be represented by Mayor Hill and K. G. Urquhart.

The list of persons below are those who have passed tests this year:

FROM TAD TO MINO

Marilyn Kaiser; Barbara Mullen; Barbara White, Fairview; Nancy Hill; Lorraine Pidruchney, Sharrie Young, June Stefanyk, Linda Holden, Judy Holden, Doris Johnson, all of Mannville; Carol Mapstone, Wendy Calvert, Heather Anderson, Merle Morgan, Janice Maggs, Lorrette Morris, Carol-Ann Park, Chris Pederson, Helen Moyer; Doris Stewart, Linda Ballentine, Mavis Stewart, Lorraine Watling, Judith Allan, Georgia Watling, Wendy Whitson, Eugene Evanchiew, Clarence Schock, Ken Ilchuk, Bill Calder, all of Mannville; Bobby Killen, Don Jones, Tommy Thompson, Kevin Gannon, Robert Kaiser, Darvin Heinemann; Kenny Noster, Derwent; Eric Dowdell, Richard Cooper, Bruce Dixon, Donny Brennan, Dennis Lindroth; Gary Stefanyk, Don Stefanyk, Mannville; Cecil King, Evan Hughes, Ernest Gibson, Lavern Howard, Gloria Osterberg; Stephen Kennedy, Robert Haverslew, Buffalo Coulee.

FROM MINO TO BEGINNER

Donald Moren; Robert Finlay, Terry Hasinoff, Gordon Watling, Kevin Manz, Mannville; Lyle Fieldler, Fabyan; Janet Gurney, Robin Anderson, Candice Clendenning, Marjorie Winters, Sharleen Morris, Sharon Dyke, Billy Palin, Stanley Welsh, Terry Gibbons, Edie Alfke, Michael Scales, Arne Simonson, Jan Evans; Phyllis Finlay, Lana Donnenworth Mannville, George Pheasey, Linda Noster, Derwent, Darlene Eyben; Anna Groeneveld, Lorraine Bee, Mannville; Marie Lychak, Derwent; Linda Johnson, Jean Torrance, Sandra Roberts, Bonnie Maggs, Lenora Herzog, Brock Allan, Mannville; David Johnson, Wainwright; Herbert Gould.

BEGINNERS TO ADVANCED BEGINNERS

I — 17, 25, 24, 30, 20, 23, 28, 29,
N — 31, 34, 41, 43, 33, 45, 36, 42, 39, 37, 44, 40
G — 47, 48, 54, 55, 58, 60, 56, 50, 52, 59, 57, 49
O — 61, 64, 66, 71, 72, 73, 75, 67, 68, 69, 74, 70

All minor prizes have been won.

The grand prize is a 1958 Dodge Crusader 42

Mannville bingo cards sold in Vermilion by Walter Fisk.

SQUARE NOTES From Circle 8

With many of our square dancers having finished their harvesting and the remainder very nearly completed, we have had many enquiries about the Circle 8's proposed plans.

A number of names have been turned into the executive of persons desiring lessons to get into the fun. If our square dancers would make a point to bring these people out to the first lesson it would be greatly appreciated.

May I take a bit of space and time to explain to those of you who have no opinion regarding modern square dancing. Whether you are semi-interested or have never had an opportunity to dance at all, the Circle Eight executive invites you to turn out to the Bowtell Community hall on Monday, Sept. 29th at 8:30 p.m. sharp. You are under no obligation whatsoever up to the third lesson as one can't possibly form an honest opinion about something he or she has never tried or seen before. If after these first lessons you do not enjoy your evening more than any other sport or for some other reason you are unable to attend further lessons you just simply drop out with absolutely no charges involved. All square dances and lessons commence at 8:30 sharp and quit at 11:30 with lunch immediately after. This means that everyone has an opportunity to get home early.

Over five squares collected at the Bowtell hall to surprise Cora Maxwell on her birthday, Aug. 29th. An exceptionally fine evening was enjoyed by all. Cliff Reid on behalf of all square dancers presented Cora with a lovely necklace set. Everyone departed for home overstuffed with the many goodies the ladies supplied to complete a perfect party.

Remember we will see you at Bowtell on Monday, Sept. 29th at 8:30 whether you are already an enthusiastic member or someone who has never danced a step before. The lessons will be advertised for the benefit of those of you who have been out of touch with dancing for some time and would like to brush up a bit to get back into the swing of things.

The police, fire, social and other public services are geared for peace time operations ... [illegible] assist them in time ... [illegible] by training with Civil Defence. 9 - 10

BONTELL BULLETIN

Rain and more rain. Harvesting was brought to a halt on Saturday by the heavy downpour of Friday night.

Larry Payne is attending school in Vermilion.

Mr. and Mrs. R. Pulk visited at ye writer's on Wednesday.

Since starting these notes the district was [illegible] to learn of the passing of Mr. Alex Morrison on Monday. Although Alex had been in poor health for a long time it was little thought the grim reaper was so near. We wish to extend our own and the district's deepest sympathy to the sorrowing family.

We were also saddened to learn of the passing of Mr. Gerald Stephens. May God comfort the bereaved in their hour of [illegible].

A very enjoyable afternoon was spent at the home of Mrs. B. Gould recently when the [illegible] of the Loafers Lodge [illegible]. We were pleased to have Mrs. J. Gould, Mrs. G. Gould and Mrs. M. Gould as visitors. Jean Miller was the lucky winner and three ladies received presents. The next meeting will be held at Mrs. Payne's in October.

Mrs. Robinson recently enjoyed a fishing trip with Mr. and Mrs. Freestone.

Mr and Mrs. J. Repp and Frances and Grandad Sherwood journeyed to Lashburn Tuesday

Government planning and assistance provides guidance for survival in nuclear warfare, but only you and your local Civil Defence unit can make it work. 10-11

ROTARY PICTURE CONTEST

Have You A Pretty Scene of VERMILION?

A Pen and Pencil Set will be given to the person submitting the picture to be used on the

Rotary Birthday Calendar for 1959

The picture chosen will be of a pretty scene taken in Vermilion or district, with no personal touch.

Submit your picture as soon as possible to

Curtis Alfke, Mgr. Bank of Commerce

THE ROTARY CLUB

is again sponsoring the

Community Birthday Calendar

It will be the most interesting and informative Calendar you have ever seen!

The Rotarians want every person in Vermilion and district to have their name printed in the Calendar. Your name will appear on the date your birthday falls. Everyone will know when your birthday comes, and you will know the birthday of everyone else in Vermilion and district. But it doesn't tell how young you are!

YES! Once again this is going to be the

CALENDAR OF THE YEAR

—and a lot of fun for everyone!

The members of the Rotary, beginning right away, are going to contact you about putting your birthday on the calendar. The cost of the name is only 25c, and the name of every member of your family is desired on this calendar. Each family buys a calendar for only 50c. Extra calendars may be purchased if desired.

The wedding anniversaries of all our married couples will be listed on the date of their anniversary, with a little bell after the names, at a cost of only 25c.

ALL PROCEEDS TAKEN IN BY THE ROTARY CLUB ON THIS PROJECT WILL BE USED FOR COMMUNITY BETTERMENT AND YOUTH ACTIVITIES IN THIS AREA.

Proceeds from previous calendar sales have been distributed in part as follows: For support of Little League baseball team; Pee-Wee hockey; revolving fund for students requiring financial assistance; Rotary Christmas tree; Grant to Library; Sponsored Band Concert; sent delegate to the United Nations Short course at Banff; Grant to Scout Hall; sponsored Courtesy Contest; sponsored Car Rodeo. It is expected that a considerable portion of current revenue will be used for extra equipment for an Elderly Citizens' Lodge during 1959.

Anyone from out of town, or not at home when the canvass was made, may have their birthday listed, or order a calendar from any member of the Rotary Club. Here are a few of them: Ross Banks, Elmore Stewart, Ed. Ewing, George Webb, Ken Greenwood, Ernie Buckingham, Reg. Mitchell, Jim Nelson, Curt Alfke, Ashley Cooper.

— OR —

Fill in the attached coupon, listing names of members of the family, their birthdays, and anniversary, on this coupon and forward with remittance to SECRETARY D. R. MITCHELL, VERMILION ROTARY CLUB.

THE ROTARY CLUB OF VERMILION

Buffalo Coulee Activities

And the rains came! Quite a few have finished harvesting and some others have not too much left to be done. It will be some time before things get going again.

At a recent communion and baptism service held in Auburndale church by Rev. C. W. [illegible] Kay of Vermilion, four babies were baptized, namely, Ronald Lee, son of Mr. and Mrs. Alvin (Bill) Arthur; Murray Curtis, son of Mr and Mrs. Bud Staden, Brenda Anne, daughter of Mr. and Mrs. Bill Veitch, and Carol Gwendolyn, daughter of of Mr and Mrs. George Rodgers.

On Sunday, Clara Green, Stewart Eyben, Clifford Cunningham and James Seale were presented with their Bibles as a gift from the congregation. It has been the practice of the Auburndale church for quite a number of years to give a Bible to each of the young people of the church who are leaving to go on to higher education or in business elsewhere. Mr Robinson made a very fitting presentation. Clara is finishing her high school in the city. Stewart is in business in Edmonton and Clifford and Jim the University of Alberta.

School is now in full swing with two new teachers, Mrs. Matt Majury and Miss Bernice Topilka. There are thirteen beginners this year so attendance is being well maintained.

The Students' Union held their first meeting of the new term on Friday and elected the executive. The officers are: President — Lyla Eyben; Secretary — Alayne Stone; Vice-Pres. — Colleen Kennedy; Treasurer — Katherine Barlow; Points Sec — Doreen Dicke.

A shower was held at Buffalo Coulee last Friday night in honor of Mr and Mrs. Jerry Harle who were married in Edmonton in August. The evening was spent in dancing. Following lunch served by the ladies of the Heatherbell group, Gordon Larsen on behalf of their many friends extended to Jerry and Eileen very best wishes for a long and happily married life, and, as Henry Eyben played the Wedding March, Mickey Macnab and Jimmy Haverslew, dressed as bride and groom, wheeled in a large beautifully decorated wedding cake filled with gifts. Jerry and Eileen graciously thanked everyone for the lovely presents and good wishes and extended an invitation to all to visit them in the city. Mrs. Rose Harle, Miss Connie Harle and Mr. Stewart Cooper were guests with the happy couple at their table. Jerry is entering the Faculty of Dentistry at the U. of A. and Eileen is a teacher at Victoria Composite high.

The last [illegible] of the Autumn Leaf group was held at the home of Mrs. Wm. Crabb and the Willowby group at Mrs. Alf Green's home. On Wednesday afternoon the quarterly meeting of all the W.A. groups is being held at the church with Mr. Robinson taking the devotional.

The Young Peoples organization will hold the last meeting of the season on Thursday night. This will be a farewell for Mr. [illegible] with a gift being presented and best wishes extended to him for a happily married life as he is being married in Moose Jaw on Sept. 27th to Miss Benita Hill. Next Sunday will be Mr Robinson's last one of the season with us so let's have a full church. This talented young man has given us very fine services all summer that will be long remembered and the best wishes of all go with him for the future.

Mr. and Mrs. Norman [illegible] and two sons Douglas and Robert of [illegible] were visitors at the Elward home over the Labor Day week end. Last week Mrs. Rutledge and daughter Dorothy of Ottawa, and Mrs. Kathleen Brown of Hull, were also visitors at the same home. Mrs. Rutledge and Mrs. Brown are nieces of Mr. Elward. It was the first visit west for any of them and they were thoroughly enjoying it, travelling by car. They left on Friday to continue on to Banff and Waterton and then home through the U.S.

Congratulations to Sidney and Beth Cooper on the arrival of twins, boy and girl; also to Mr. and Mrs. Jack Barlow on the birth of a daughter.

Best wishes for a speedy recovery to Mrs. Frank Eyben who is a patient in the Vermilion hospital.

Mrs. Majury of Edmonton has spent the past week with Matt and Dorothy, returning to the city on Sunday.

Mrs. Allan Irving of Edmonton and her daughter Mrs. McCormack and two children of Delaware, U.S.A., spent last week end at the home of Mr. and Mrs. Alf Green. A special note from the Green farm.

The sympathy of the community goes out to the Stephens family on the loss of a loving husband, father and brother. Mrs. Stephens is a former Buffalo Coulee girl and has two brothers, Henning and Henry Haverslew in the community. Stephens store just isn't the same without "Gerry" and his contributions to the community as a whole will be sorely missed.

Sympathy is also extended to the Taylor family and the Morrison family, each on the loss of a loving husband and father. Alex Morrison formerly lived in this district where his children attended the old Paradise Valley school. May the Lord comfort all at this time.

Sixteen Years Ago

SEPT. 17th, 1942

A new Ferranti X-ray 100 milli amperes machine was installed in a special X-ray room at the Vermilion Municipal hospital last week at a cost of $3,065. The new X-ray is one of the most modern machines manufactured and is capable of doing work such as is done in the largest city hospitals. The X-ray is in charge of the hospital superintendent, Miss A. Keith, who has specialized in X-ray work.

Cool, unsettled weather with numerous and heavy scattered showers and alternate drizzles has been the order of this week. Harvesting operations are being carried on under extreme difficulties.

The Brunswick hotel is receiving a thorough paint job with all the trimmings.

Three new members have been initiated into the Stagette club. They are Patsy Burns, Cora Harrison and Hazel Lawrence.

32 Years Ago

SEPT. 16th, 1926

Snow commenced to fall Tuesday, Sept. 14th shortly after 1:00 p.m. and continued until Wednesday evening. The fall was very heavy and though melting fast, as we go to press the ground is still covered to quite a depth.

Archie Campbell is conducting an auction sale for the Queenie Creek Stampede Association of all their buildings, stock tanks, corral materials, gates, fencing, etc., thus marking the winding up of a widely known organization which has provided people of a large district with plenty of top-notch attractions in the years gone by.

The Vermilion Amateur Athletic Association has donated a silver cup for girls' basketball competition.

H. E. Spencer, U. F. A., was elected over J. W. G. Morrison in the federal election.

48 YEARS AGO

SEPT. 14th, 1910

Fully 85% of the harvest is completed here and threshing is well underway.

Bert Duncan is rebuilding his barn which was destroyed by fire two weeks ago.

Vermilion Fair is to be held on October 5th.

The Vermilion football team is scheduled to play at Islay tomorrow afternoon.

Two prominent Vermilion citizens were found guilty of hunting on Sunday and were fined $1 and costs each. (They even did it then!)

Sixty Pound Pumpkin Grown At Mannville

MANNVILLE. — Achieving notoriety in the gardening world hereabouts is a pumpkin grown by Mr. L. Hanch, a retired farmer living in the town of Mannville. Mr. Hanch apparently still has a mighty green thumb as the pumpkin in question tips the scales at 60 pounds.

• • •

57 POUND PUMPKIN TOPS AT ISLAY

ISLAY — Mrs. Walter Carlson has a pumpkin on display in McCaughan's store which weighs in at 57 pounds. She grew many more this summer right up around that weight. It must have been the kind of growing season for pumpkins as they had a banner season.

Mannville 'Teen Club Reorganizes As A Church Group

MANNVILLE. — Members of last year's Teen Club [illegible] Wednesday of last week in the Anglican Church hall with 13 members present and Mrs. J. Coxford and Mr. Shell as leaders. It was decided to change the name of the group to "Anglican Young Peoples' Association".

Officers were elected as follows:

President — Jim Elliott
Vice-Pres. — Brian Scoggins
Secretary — Dianne Whitson
Vice-Pres. of Work — Myrna Whitson
Vice-Pres. of Fellowship — Ruth Hughes
Lunch Conv. — Douglas Blackford.

Meetings are to be held every two weeks and a Sunday meeting once a month.

on STUBBLE it pays to FALL FERTILIZE WITH NITROGEN

for rapid straw decomposition!

CROPS ROB THE SOIL. Every harvest, you send hundreds of pounds of nitrogen to market with your crops. This nitrogen should be replaced or your following crops will suffer! To replace this essential plant food, fall fertilize with an Elephant Brand HIGH NITROGEN Fertilizer.

CROPS ON STUBBLE NEED EXTRA NITROGEN. Field tests prove that stubbled-in crops fertilized with enough Nitrogen can give yields equal to crops grown on summerfallow. Rotting stubble ties up soil Nitrogen that following crops need. This fall, be sure to apply enough Elephant Brand HIGH NITROGEN Fertilizer, not only for stubble decomposition, but for next year's crop as well.

$2,000.00 IN CASH PRIZES!
Nothing to buy! 1st Prize — $1,000.00.

Salvation Army Officer Welcomed

About fifty people gathered at the Salvation Army hall Thursday evening, Sept. 11th to welcome the new officer, Lt. Herrick to the Corps. A short devotional was taken by Mrs. Dargatz' group, which was in charge of the evening. Miss Craig gave a warm speech of welcome, to which Lt. Herrick replied, saying she was very pleased to be here and that she felt it was the place the Lord would have her work.

Musical selections were given by the band and orchestra: a piano solo by John Smith; a duet by Mrs. Earl Kost and Miss Donna Isley, and a humorous reading by Mrs. Jensen. A lovely lunch served by the Home League brought the pleasant evening to a close.

Mr. and Mrs. Gerry Harle of Edmonton were guests of the former's mother Mrs. Rose Harle for the week end. While here the newlywedded young couple were feted at a shower and party given at the Buffalo Coulee school and where an excellent party was enjoyed.

Check that date now.

LOCAL NEWS

Mrs. L. P. Horne has just returned from a four month's tour of England and the continent. During her tour she visited Belgium, Germany, Austria, Switzerland, France Luxembourgh and land, France, Luxemburg and Liechtenstein. She also toured parts of Scotland and saw most of England. Mrs. Horne is at present visiting her son David and family in Calgary for a few weeks.

Mr. A. W. 'Wib' Elliott, former Vermilion resident now living at the home of his son Arthur in Fort Saskatchewan, was a welcome visitor to Vermilion renewing acquaintances, for a few days this week.

Miss Connie Harle returned to her nursing duties at the University hospital on Sunday after an enjoyable three weeks vacation spent at Sylvan Lake and Vermilion.

Mr. and Mrs. Mike Kowalchuk of Edmonton were guests last week at the home of the former's son Nick and and Mrs. Kowalchuk.

Friends of Mr. and Mrs. Jack Kerns formerly of the V. S. A. staff and now of Ponoka, will be interested in the recent marriage of their daughter Jaqueline Anne to Mr. Lyle Ford. The marriage was solemnized at St. Mary's Anglican Church in Ponoka. The young couple will reside in Regina.

Mr. and Mrs. Keith Fooks are spending a few days in town this week prior to leaving for Los Angeles on Friday where they plan to make their home.

Mrs. L. Goad has just returned from a two week's visit with her two daughters, Bernice at Red Deer and Gladys at Wetaskiwin. While in Red Deer a very pleasant afternoon was spent visiting Mr. and Mrs. Bert Howard (nee Mamie McDonald). Mamie worked for Mrs. Goad during the memorable winter of 1919. While at daughter Gladys' home, Mrs. Goad called on Mr. and Mrs. McKinnon and found these fine old folks well and happy. On the way home a day was spent in Edmonton with Mrs. Margaret Goad and Pauline.

Mr. and Mrs. Jack Lownds of Silverton B. C. were visitors at the home of Mr. and Mrs. J. L. Filgate and family on Sept 4 and 5th. From here the visitors, accompanied by Mrs. Filgate went on to Marshall, Sask., to visit Mrs C. A. Morgan and then Mrs. Morgan joined the party for a trip to Dundurn, Sask., to visit brother Herb and family. This was the first time in ten years that brothers and sisters had been all together.

Mr and Mrs. George Webb are away on a car trip to Vancouver and other coastal points for a holiday.

Brent Long who has spent the past year as an apprentice in an Edmonton drug store, is spending this week at the family home prior to registering in pharmacy at the University.

Acting principal Alex Palin of the V. S. A. has returned from spending a week in the Peace River country [illegible] several boards of trade and other bodies in an effort to encourage students to attend the Vermilion school this fall and winter.

Quite a number of former Vermilion residents were in town on Wednesday to pay their last respects to the late Mr. Gerald Stephens. Among them were James J. Part and Bill Parker of Drumheller and Mr. and Mrs. Dymond of Edmonton.

Mr and Mrs. Allen Rasmussen and son Gordon returned to their home in Calgary on Saturday last after spending two weeks holidays with Mrs. Rasmussen's parents, Mr. and Mrs. Harry Brown.

Jack Luman, who has just returned from a trip which took him to New Zealand, Australia and far corners of the world, is visiting in town this week, a guest at the home of his son-in-law and daughter Dr. and Mrs. E. G. Evans and family.

Mr. and Mrs. Henry Lyle who now live at Smoky Lake where Henry is the manager of the Canadian Bank of Commerce, are on holidays and are renewing many pleasant acquaintances in Vermilion this week.

Mr. Tom Bothwell who homesteaded in the Islay district back in 1906, celebrated his 82nd birthday at his home in Vermilion on Wednesday. During the afternoon and evening numerous old friends called to wish him many happy returns.

AB Seaman Herbert Milligan who recently rejoined the R. C. N. and Mrs. Milligan, spent a week at the home of their parents Mr. and Mrs. Tom Milligan and Mr. and Mrs. Frank Schmidt. Herbert and Mrs. Milligan were tra[illegible] from Port Arthur to his new posting at Victoria.

Mr. and Mrs. W. G. Sutherland left this week for Vernon B. C. where they will spend some two weeks visiting their daughter Shirley and husband, Dr. and Mrs. Don Lemiski, and where they will get their first look at their new little granddaughter.

You Are Welcome.

Mr. and Mrs. Ernie Corlett are visiting in town from Edmonton for a week, guests at the home of their son-in-law and daughter, Mr and Mrs. Cyprian Bell. Ernie dropped in to pay his sub which reminds us that he has been a subscriber ever since the Standard was established in June 1909.

Roger Rowe left Edmonton by T. C. A. on Wednesday bound for Windsor where he will take delivery of a new school bus and drive it back home.

Tom Applegate of Dewberry returned this week from Windsor with a new cab over engine G. M. C. truck purchased from the local dealers, Rowe and Sons Ltd. Along with his own truck, Tom brought one for Rowe's riding piggy-back.

Old friends and former students here of Miss Donalda Bawden who was at one time a member of the Vermilion High School staff, will be interested to learn of her recent marriage to Mr. Audley Oscar Williams on September 6, 1958 at the St. Andrew's United Church, Niagra Falls Ontario. The newlyweds will make their home at 27 Meadow Road, Lewiston, N. Y., U. S. A.

Miss Betty Gilles returned home last Saturday from a very enjoyable holiday spent at the west coast during which time she was a guest at the home of Jack and Mrs. Reasbeck at Sea Island. A trip was made to Langley where those well remembered Vermilion district old timers were visited, Mr. and Mrs. Vic Dedelly and Mr. and Mrs. Harry Perkins. They are all well and send greetings to their friends here. On the way home Betty spent a day with Mr. and Mrs. Norman Yarwood in Edmonton.

Miss Jennifer Ashby of Farnham, Surrey, England, is at present visiting at the home of Mrs. C. M. King and Keith. Miss Ashby returned recently from a most enjoyable holiday spent at Victoria, B.C.

Sandy Watt paid a brief visit to Vermilion last Thursday and Friday and while here was a guest at the home of Mr. and Mrs. Loyal Amos. Mr. and Mrs. Watt visited son Bob and family at Red Deer and then were in Edmonton and Sandy just couldn't resist the urge to say 'Hello' to Vermilion friends.

Mr. and Mrs. Bill Dyck left by car on Sunday for a holiday trip to various points in the State of Iowa. They plan to be away for two weeks.

E. T Mayhew of Victoria has spent the past three weeks visiting his brother Lawrence and family in town and his two brothers at Clandonald, as well as renewing acquaintances with other relatives and old friends. He is planning to leave on his return trip this week end.

Mr and Mrs. Wilfred Little of Cranbrook, B. C. have spent the past week here visiting the former's parents Mr and Mrs W. R. Little and other members of the family. Wilfred has decided that more education is the essential thing and has enrolled at the Seattle Pacific College taking the first year of a three year course in Education.

Rex Boake is spending the week with his parents Mr and Mrs Ross Boake prior to returning to his medical studies at the University this fall

W. M. S.

The W. M. S. of the United Church held their regular monthly meeting in the church hall on Thursday, Sept. 11 at 2:30 with President Mrs. Agnes MacLean in the chair.

The meeting opened with the singing of a hymn. The president took the devotion, a passage of scripture was read and prayers were offered up. Then Mrs. M. Hill gave a wonderful and very interesting synopsis of our new study book on different lands. The president introduced Miss Mae Shields, missionary of the Alliance Mission who was present to address the group and tell of her work in Bolivia, South America. She gave a short talk and then showed the pictures she had brought with her. It was most interesting and much enjoyed by all.

The June minutes were read and approved and roll call was taken. There were 24 members and 13 visitors present. Necessary reports were taken up and business was concluded.

The meeting was brought to a close with prayer by Mrs. Metcalf and the committee in charge then served a delicious lunch and a social half hour was enjoyed.

Mr. and Mrs. Anson Simmons of Moorefield, Ont., here on a surprise visit to the former's brother and wife Mr and Mrs. Herb Simmons, left on Thursday morning on the Railiner for Edmonton and the west coast. They will visit Vancouver and Victoria and then return to their Ontario home over C.P.R. lines. This is their first trip west and they plan to see just as much of Canada as possible. The visitors spent two weeks at the Simmons home in Vermilion.

Honored At Post-Nuptial Shower

On August 28, Mrs. C. W. MacKay and Mrs. A. E. Kather were co-hostesses at a shower held in honor of Mrs. W. Baier, (nee Florence Rooks.)

The many friends gathered in the church hall to extend their best wishes for the future to Florence.

Games and stunts were enjoyed and a very special bridal-book was made for the guest of honor.

The bride was presented with a basket over-flowing with gifts and although she had great difficulty in unwrapping some of them she eventually succeeded, after which she thanked everyone for their gifts, their good wishes and the opportunity of sharing a pleasant afternoon with those present.

CNR To Cut One Train In Winter

WINNIPEG. — Canadian National Railways will experiment this winter with one transcontinental passenger train service daily instead of two. Its decision is based on use and occupancy studies carried out over the past two years. These showed insufficient volume of transcontinental train travel to support the two trains during the winter months but increasing satisfaction with overnight, inter-city services.

The new schedule will be announced with the changeover to Standard time on Oct. 26. While the "Super Continental" train is being retained with its modern passenger accommodation, its elapsed time, coast-to-coast, will be lengthened a few hours to afford more en route stops.

Over the Christmas, New Year and Easter holiday periods, the increased demand for train accommodation will be met by operating extra sections of the "Super Continental" as well as other main line trains.

During the June-September vacation months, the CNR will restore the second transcontinental train and its "Super Transcontinental" will resume an accelerated three-day schedule between Montreal, Toronto, Vancouver.

Attendance at Banff And Waterton Up

Waterton Lakes park visitor total is up 21% over last year, so far. There have been 213,990 visitors. Banff had 181,415 visitors so far this year a jump over last year.

You can't buy protection with taxes but you can with time — your time — spent in Civil Defence training. 10-11

TULLIBY LAKE

That same morning Leslie Ferris had much the same experience on his walkway with a slop pail. In the fall Les hurt his left arm and shoulder to a certain extent but no medical attention was needed in this case.

Miss Freda Stick is employed for the harvesting period at Doug Cooke's.

Miss Mollie Ward is helping with the household duties at the home of Mr. and Mrs. Ingver Brisheim.

Douglas Adamson spent the week end at home. He is now employed at a branch of the Royal Bank at Consort, Alberta, having been transferred there from their Edmonton branch.

Stanley Hayes is visiting his brother Wesley for a few days.

This year the staff of teachers at the Central School reads as follows: Room 1 — Emile Wysocki (principal), Room 2 — Mrs. Thompson and Room 3 — Mrs. Tommy Carmichael.

The weekly Bible instruction meeting was held in the Mollie Behrens home on the evening of September 7. The subjects under observation were "Baptism" and "The Making of This Cosmos Begun."

Roy Wagner acted as conductor while Juvenile Behrens did the reading. Lunch concluded the meeting.

On Friday Gordon Humble took his brother George down to Lloydminster to receive another injection to help relieve his sufferings from asthma and hay fever.

The Lea Park Cattlemen's Association held their sale on Tuesday, September 9th. The weather was rather disappointing — cloudy, windy and even some rain. Approximately 700 head of cattle passed under the auction hammer of Jock Black, both from Saskatoon. Everyone seemed to be well pleased with the prices that were received. The one booth on the grounds did a roaring business. This was operated by a number of the local ladies with the proceeds going to the Tulliby Lake Nursing station.

The date your subscription to the Standard expires is shown on the label after your name.

WOODVALE NOTES

We have not heard much local news lately, which is far from unusual for this scribe. However, now we have a chance to send in our notes we might just as well write them. In this district we have had our first real rain of the season. The odd heavy shower fell here and there through the summer, but now we have all received our generous share. Thinking back over last year's weeks of rain when harvest started, who could foresee then that this rain would bring us this year's only good yields on summerfallow. So we might well have had the present interruption of combining and threshing. Quite a lot of fields have been cleaned, but on many farms much work remains to be done.

Susan Wolters has returned home to continue her Grade 12 studies after a year's work in Edmonton.

Mr. Al Karl and his bride Anneliese called at the Wolters' home while on their honeymoon. Mr. Karl was formerly a member of the staff of the Canadian Bank of Commerce in Vermilion and is stationed at present in Yellowknife, N.W.T.

Mr. and Mrs. Brooks Lysons and boys, accompanied by a former V.S.A. schoolmate of Walter Lysons, visited with him recently when he was just home after his polio attack.

Part of the road east of Rosewood school near the Grizzly Bear coulee is being widened and straightened out. It was a very pretty and winding road, known locally as the Ponoka Trail, because the farmers working to create it thirty years ago were threatened by nervous breakdowns managing their four and eight-horse outfits on the steep coulee slopes. If we remember right, they also had a lot of fun there working out part of their taxes. But, with modern traffic, it had become a dangerous piece of road and it will be an improvement that way. However, a beautiful piece of country scene will disappear.

Mr. H. McAvoy left Monday to return to his home town, Hamilton, Ont., via Calgary, and will resume his studies in Toronto later this month. His congregations here will miss his church services and visits and will always, we are sure, remember his stay with great pleasure and wish him success in his further studies.

A really honest person never had to advertise the fact.

NEWS from KITSCOTY

Mrs. H. Wright of Beahaw is spending a holiday with her daughter, son-in-law and family, Mr. and Mrs. J. Crews and family of the Earlie district.

Mr. Don Gray of Edmonton spent a short holiday here recently visiting with his grandparents Mr. and Mrs. C. N. Gray and other relatives.

Mr. and Mrs. J. F. Finlin spent a few days in Lloydminster recently, visiting with their daughters, Mr. and Mrs. J. Dyson and Mrs. T. Rovang and Linda.

Mr. Lew Wright returned to his home in Edmonton last week end after spending two weeks here visiting with his sister and brother-in-law, Mr. and Mrs. Alf Franke and Lloyd.

Mr. and Mrs. F. O. Seward accompanied by Mr. and Mrs. A. R. Seal of Edmonton attended the Schroeder — Stewart wedding in Camrose on Saturday, September 13.

Mr. and Mrs. Russell Lang and children of Dawson Creek, B. C. spent their holidays here visiting with May's mother, Mrs. R. A. Evans and with Russell's mother Mrs. Wm. Lang and sister Judy.

Mr. and Mrs. Earl Franke of Fort Saskatchewan spent the week end here visiting with Earl's parents Mr. and Mrs. A. Franke and Lloyd.

Mrs. M. K. McDonald is at present visiting in Edmonton with her son Norman, Mrs. McDonald and family.

Mrs. C. K. Miller was an Edmonton visitor for the week end and attended her niece Miss Barbara Bootsman's wedding on Saturday, September 13.

Mr. and Mrs. Clifford Pinder of Edmonton were week end visitors at the home of Arlene's parents, Mr and Mrs. Henry Joy and Sunday supper guests at the home of their grandparents Mr. and Mrs. Ted Joy.

The Kitscoty United Church Sunday School open rally day service will be held in the United Church, September 28 at 10:45 a.m. Come and bring a friend. A friendly welcome awaits you.

Last Rites For Lillian Emily Croft

There passed away in an Edmonton hospital, August 30th, 1958, Mrs. Lillian Emily Croft at the age of 78 years. Born Lillian Emily Spurgeon, in London, England, in the year 1880, she was married on August 1st, 1904 to John Lowell Fenton Croft, also of England, a carpenter by trade. In April 1905 Mrs. Croft with her husband came to Canada, to Edmonton, where she lived until her husband filed on a homestead in Chailey in 1906. They lived on the farm at Chailey till 1913 when they moved into town at Mannville, where they resided until 1947, when they moved to Edmonton. Mr. Croft passed away in December of 1950. Mrs. Croft was an ardent church member and worker, attending Christ Church, Anglican, regularly, and was a staunch member of the W.A. while at Mannville. Mrs. Croft had been ill since last November, and has lived alternately with her married daughters. At the time of her death she was residing with Mrs. Lil Bennett in Edmonton. Surviving her are two sons, Lowell at Kitscoty, Alberta, Dudley of Mannville, Alberta; four daughters, Mrs. J.H. (Muriel) McLuckie, Mannville, Mrs. D. (Gwen) Hanning, Mannville, Mrs. R. B. (Lillian) Bennett, and Mrs. Norman (Vivian) Greenwall of Wetaskiwin, Alberta, one brother, Leonard, of London, England, 14 grand children and three great-grand children.

Funeral services were held at Holy Trinity Church, Edmonton, Wednesday, September 3 with Archdeacon W. M. Nainby officiating and interment in Mount Pleasant Cemetery. Pallbearers were Maurice Mercer, A. E. Williams, Garney Majeau and Wally Osborn of Mannville, Douglas Burch and Alex McCollum of Edmonton.

If You Would Know Canada

If you want to know how the nation works, lives and thinks, advises Bruce Hutchinson in The Financial Post, don't go to Ottawa, Bay Street or St. James Street. Go to your own special point of reference. Use your own touchstone.

In this boasted Century of the Common Man look at the genuine article who is never common and always surprising. And if you want the best holiday purchasable in this wide world, don't stray a mile beyond the borders of Canada.

No nation can afford a full time Civil Defence staff. Volunteers must provide the backbone — join now.

A man inherits his past, and devises his own future.

Mannville and District Local News

Mrs. James L. Johnstone and Doris spent a few days in Edmonton last week.

•• •• ••

Margaret Baguley, who has been employed at the Bank of Commerce here, is leaving to attend University where she intends to further her school teaching knowledge. She and her family are moving in the near future.

•• • ••

Mrs. Connie Ewing has accepted a position with the Canadian Bank of Commerce. Connie worked at the Bank before she was married, so is no stranger to us.

•• • ••

Leslie Torrence, manager of the local drug store with his mother Mrs. Torrence left Sunday for Red Deer to visit Mrs. Ada Garrison (nee Torrance) and family.

•• •• ••

Rain measuring a depth of three inches is reported and this we can well believe. Harvesting operations are delayed for some time.

•• •• ••

Mrs. R. S. Tod Sr. recently celebrated her 91st birthday quietly at home.

•• • ••

Carman and Lucille Hughes are spending a few days holiday in Edmonton.

•• • ••

Visitors at the home of Mr. and Mrs. Dudley Croft were Mrs. C. Lynbeck (nee Lyn Croft) and children, with the new baby who recently arrived.

•• • ••

Mrs. E. Barlow of Edmonton was a weekend guest at the R. Lung home arriving here from a holiday to the States. She accompanied Stan Eogness back to her home in Edmonton by car.

•• • ••

The old timers association advise us that they plan their annual reunion on October 9th for all eligible members, so kindly keep this date open. Watch for further advertising in the columns of this paper.

•• •• ••

Miss Kay Sutton and Mrs. Joan Lung spent a most interesting afternoon at the home of Harold Hawkins, Camrose, Sunday, learning that Harold's recovering very well after a broken neck after 11 months in the hospital.

•• • ••

Cement is being poured as this news goes to press at the Christiansen property, where a new house is being erected. It will be erected west of the Betty Ramsey residence.

J. N. FORD

General Manager Canadian Utilities

J. C. Dale, president of Canadian Utilities Ltd., announced Tuesday the appointment of J. N. Ford as general manager of the electric utility company. Mr. Dale, who formerly held both responsibilities, will retain the position as president. The appointment becomes effective immediately.

A native Albertan, John Norman Ford was born in 1909 and attended Calgary public and high schools. A graduate of the University of Alberta, he received his degree in electrical engineering in 1934.

Mr. Ford entered the electric utility field upon graduation, joining the Prairie Power Co. at Regina as serviceman. Two years later he joined Calgary Power and served as distribution and transmission engineer. In 1951 he was appointed chief electrical engineer for Canadian Utilities, and five years later he was named manager of operations.

Mr. Ford is an active member of the Engineering Institute of Canada and the Professional Engineers of Alberta.

Married in 1934, Mr. and Mrs. Ford have one son attending high school and a daughter, Mrs. Peter Hodgson.

CNR Has New Film For Group Showings

WINNIPEG. — Canadian National Railways has released a new film, an exciting account of modern railway building in Canada's northern wilderness called "Railway Builders of the North." Five new C. N. R. lines are shown under construction. The film is in color, runs 28 minutes, and is available through CNR passenger agents for group showings.

APPRECIATION

We wish to take this opportunity to thank all our friends and those responsible for the very enjoyable social evening tendered us in the Legion hall on Saturday evening last, for the many good wishes expressed, and for the very generous presentation received. We take away with us the very kindest thoughts and pleasant memories of Vermilion.

Maurice and Terry Kelly.

CARD OF THANKS

I wish to sincerely thank Dr Stephens, the nurses and staff of the Vermilion hospital for the care and attention received while a patient there and to all the friends who visited me, sent baskets of fruit and cards. All this was very much appreciated.

Mrs. Rosi Feenstra.

IN MEMORIAM

Florence Rooks Becomes Bride Of William Beier in Pretty Ceremony

In an afternoon ceremony at First United Church, Vermilion, on Saturday August 23, 1958, Miss Florence Audrey Rooks and Mr William Beier [illegible] marriage vows [illegible] banked with baskets of gladioli and mixed summer flowers.

Rev. C W MacKay performed the double-ring ceremony uniting the second daughter of Mr and Mrs F. T Rooks of Vermilion and the son of Mr and Mrs E. Beier of Calgary Alberta.

Given in marriage by her father the bride looked lovely in a floor length gown of white net and lace over bridal satin, with a bouffant skirt and lily point sleeves. The mother-of-pearl studded bodice featured a Sabrina neckline. Her floor length veil of illusion misted from a mother-of-pearl encrusted headpiece and she carried a cascade bouquet of red roses and fern. Her only jewellery was a gold locket with matching earrings gift of the groom.

Miss Margaret Rooks, sister of the bride was maid of honor and wore a semi-formal gown of flocked blue organdy over taffeta, featuring a matching cumberbund, with a blue sequined headpiece and matching gloves. She carried a bouquet of pink [illegible].

Bridesmaids were Miss Doris Friebelt, cousin of the groom, and Miss Kathleen Rooks, cousin of the bride. They chose semi-formal gowns of net and lace over taffeta in shades of pink and yellow with matching gloves and sequined headpieces and carried bouquets of blue and green carnations respectively.

Mr Herman Friebelt was best man and Messrs. Herb Sutton and Paul Friebelt attended the groom. Ushers were Mr Russell Sutton and Mr Gordon Fahely.

Mr Jack Brown played the wedding music and accompanied Mr John Webb who sang "The Wedding Prayer" and "O Perfect Love."

For her daughter's wedding, Mrs. Rooks chose a dress of blue silk crepe complemented with white accessories and a corsage of yellow [illegible].

Mrs. Beier, mother of the groom, wore a dress of blue lace over taffeta with black and white accessories and with yellow [illegible] corsage.

Mrs Beier Sr., grandmother of the groom, chose a dark crepe dress with matching accessories complemented with a corsage of yellow roses.

A reception for the wedding guests was held in the Legion hall where the bridal couple and their parents received the guests.

The bridal table was laid with a lovely [illegible] and centered with a beautifully decorated, three-tiered cake, embedded in pink tulle and flanked by tall pink tapers in silver candlesticks and bouquets of summer flowers.

Rev C W MacKay proposed the toast to the bride to which the groom fittingly replied.

Miss Margaret Miles was in charge of the guest book.

The bride and groom entertained the guests at a dance in the evening in the Legion hall.

Guests from out-of-town included Mr. and Mrs. R. Sutton of Calmar, Alberta; Mr. and Mrs A. Kraut of Stettler, Alberta; Mr. Roger Rooks of Brooks, Alberta; Mrs. E. Beier and Mrs. E. Beier Sr., of Calgary; Mr Herman Friebelt, Mr. Paul Friebelt, Miss Doris Friebelt, Miss Lillian Friebelt, and the Misses Betty Lou and Kathleen Brooks, Edmonton; Mrs. P Witt and Mrs. J. Friebelt, Edmonton, Mr. and Mrs. R. Kopernik, Mr and Mrs. J. Hude, Mr and Mrs. W Erismann, of Calgary, Mr. and Mrs. J. Hergert Spokane, Wash., U.S.A.

After a honeymoon to points south and west, Mr. and Mrs. Beier will make their home in Calgary where they are both employed at the General Hospital.

Rain last Friday, Saturday and Sunday proved disastrous to the harvest and all operations have been held up and will be for some days yet, although good drying days were experienced all week with the exception of Wednesday morning. In all 1.27 inches of rain fell in the three days.

Birthday Party At Auditorium To Honor Premier Manning

Plans to hold an anniversary celebration at the Jubilee Auditorium in Edmonton on Tuesday Sept. 30th, to mark Premier Manning's 50th birthday were announced Monday by Orvis A. Kennedy, president of the Alberta Social Credit League.

Mr Manning who was born in Cardiff, Sask., actually will reach the half-century mark on Sept. 20th.

"As the closest date available when Mr Manning will be in the city and the auditorium can be obtained is Sept. 30th, it has been decided to hold the birthday party then," Mr Kennedy explained.

The program will commence at 8.30 p.m. There will be two addresses one by a cabinet colleague and the other by Hon. Dr J. J. Bowlen, lieutenant-governor of Alberta, to which Mr Manning will reply.

Program details are in the hands of a committee composed of Mr Kennedy, Hon. A. O Aalborg, minister of education, Hon. A. R. Patrick, minister of economic affairs, Hon. Fred Colborne, of Calgary, minister without portfolio who will be master of ceremonies, and J. Arthur Davies, vice-president of the SC League.

There will be a presentation and an illuminated address for the premier, said Mr Kennedy. An attendance of possibly 3,000 is expected.

A large birthday cake is planned. There will be a free distribution of booklets, which will review Mr Manning's career. They are being prepared by Tony Cashman, of Edmonton, and Mrs. Manning will head a receiving line in the rotunda of the auditorium.

HAPPY HOUR TO MEET

The first meeting of the St Saviour's Anglican Church Happy Hour group is to be held Thursday, Sept. 25th when they will journey to Mannville. Please be at [illegible] at the church at 7.45 p.m. 10

Any persons having crutches on loan from the Vermilion hospital, please return them as they are urgently needed. 9-10c

Vermilion Rotary Entertains Little League Champions

The Rotary sponsored Little League Baseball team players were guests of the club at last Friday's luncheon meeting. Bill Sutherland on behalf of the Rotary club complimented the boys on their good playing and their even better sportsmanship during the schedule and the championship games.

President Robson congratulated the team on winning the league championship. He also thanked the committee in charge which was composed of Gordon Park, Alex Palin and Bill Sutherland.

Ross Marion on behalf of the team thanked the Rotary Club for sponsoring them by providing uniforms and ball equipment and in coaching them througout the season. Ross made a good job of his speech.

Claud Brennan, chairman of Rotary Information Committee gave the members an inspirational talk on "Share in the Object of Rotary."

ROTARY CALENDAR

Cliff McCormick stated that listings for the Rotary Birthday Calendar would be in full swing next week. [illegible] that last year several people mentioned that they had not been canvassed to have their birthdays listed on the calendar. The same thing can happen again so would everyone who is interested (and that is everybody) please contact a Rotary Club member and get the names of all the family put on the calendar.

COMMUNITY PROJECTS

It might be well to mention in case everyone does not know already that any money collected on this project or any other Rotary project is used for deserving community projects. Radios at the hospital, the public address system at the park, scholarships etc. are only some of the ways that the club has used the money collected under the calendar project. It is only a small donation from each person but it adds up to a lot when used for the good of the peopel in the town and district.

BIG DEMAND FOR DON COSSACK TICKETS

Curt Alfke reported that 340 tickets had already been sold for the Don Cossack Chorus and it is still three weeks to the big night. The accommodation is limited so everyone interested - and that ought to be everyone in Vermilion - - should get tickets at once. It is very likely that there will not be enough to go around. It is not a small show, either, as 27 performers will appear at this concert.

Very seldom does this world famous aggregation put on a show outside of a good sized city. We are fortunate in this district to have the Don Cossacks come right here to our own town.

Old Timers At Enjoyable Supper

A very sumptuous pot luck supper was held last Wednesday, Sept. 10th by the Golden Age Friendship club and the Vermilion Old Timers. After all the good food was stored away genial Johnny Webb led in [illegible]ty singing accompanied by Mrs. B. Rogan at the piano.

President Wes Waldenberger took over the mike with a few well chosen words. He was followed by Mayor Hill who told the gathering that they could have the keys of the town anytime after such a fine supper. Mr George Webb then spoke on behalf of the Old Timers' Association.

Visitors attended the event from as far east as Toronto, and Kamloops in the west.

The floor was cleared and dancing was in order. Mrs. Mabel Lee called the square dances in masterly style (take note Johnny Maxwell) with the old master himself Mr. W. D. Williams on the violin and Mrs. Simonet playing the piano.

A few hands of cards completed the evening along with coffee and doughnuts.

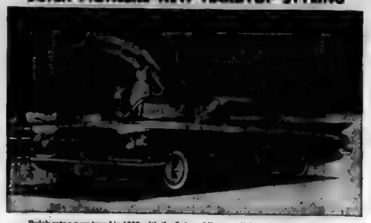
BUICK PIONEERS NEW HARDTOP STYLING



Buick sets a new trend in 1959 with the flat roof line on all four-door hardtop models. This model, in LeSabre series, features a curved rear window that encompasses the entire rear passenger compartment. Compound windshields that eliminate wind noises are featured on all 1959 Buick models. Aluminum front brake drums are standard on all Buicks in 1959 and all models are equipped with distortion-free safety glass throughout. LeSabre is mounted on a 123-inch wheelbase and is powered by a 364-cubic inch engine with 10.5-to-1 compression ratio.

Health Unit Notes

TUBERCULOSIS

Tuberculosis is caused by a germ, the tubercle bacillus. The infection more commonly occurs in the lungs though it can occur in other parts of the body, for instance, bones and joints. None of us would like to develop tuberculosis but it is comforting to know that it can be cured and more quickly in its early stages. Treatment usually takes at least six months but it can be longer. It is much better to discover tuberculosis early, to be treated properly, and to get well as fast as possible. Almost all who die from this disease could live by finding their tuberculosis early and by having it treated correctly.

SYMPTOMS:

Often the patient does not feel sick but a periodic X-ray will discover tuberculosis early, when it can be cured more readily. Another mode of diagnosis is the tuberculin test, a simple skin test. In some cases, symptoms such as lassitude, weight loss, night sweats, loss of appetite, raised body temperature, cough and spitting up blood occur. If you have these symptoms, seek the advice of your doctor. Your symptoms may not be those of tuberculosis but make sure.

HOW DO YOU CATCH T. B.?

It is not inherited but is got by (1) breathing air containing the tubercle bacillus; (2) by kissing someone with active tuberculosis; (3) by putting objects in your mouth which have not been sterilized after being used by someone who has active tuberculosis.

The most serious danger of infection comes from the person who has tuberculosis but does not know it and from the person who knows he has tuberculosis but will not follow his doctor's orders. You can develop the [illegible].

VACCINATION

There is a vaccine called B.C.G. which affords some protection. In Canada, B.C.G. is used mainly in special groups when there is a special danger of developing the disease.

TREATMENT:

1. Rest -- in hospital is practically essential.

2. Good Food —the important thing is a well balanced diet.

3. Medicines —of which there are a good number: streptomycin for example.

4. Surgery — in certain instances operations are advised.

AFTER CARE: A person who has had tuberculosis will always have to take care of himself and have periodic check-ups, but we all should do this. Usually he will be able to lead a normal life. These patients often get training in hospital so that they can find easier jobs when they get better and often this training helps them to get better jobs at more pay too.

PREVENTION OF T. B.

1. Keep in good general health. Eat a balanced diet. Get enough exercise, rest and sleep.

2. Have a chest X-ray and check up with your doctor every year.

Teachers, Students Feted At Mannville

MANNVILLE. -- The Grade 12 class of 1957-58 experienced a delightful treat Sunday last when they gathered for a most enjoyable dinner party at the home of Mr. and Mrs. C. Finlay and Joan, with Mrs. Finlay and Mrs. George Younge as hostesses of the evening. Following the dinner, Mannville teachers and their wives joined the social event when a variety of amusing games were enjoyed in the spacious rumpus room of the Finlay home. Further entertainment was offered by Danny [illegible] films and slides by Joan Finlay, both highlighting the same theme namely graduation exercises of last year. Serving of a delicious lunch climaxed an evening to remember.

Marwayne H. & S. Hold First Meeting

The first meeting of the '58-59 season of Home and School was held in the school on Tuesday September 9 with a very good attendance.

The meeting was opened by the reading of the "Parents Code of Ethics" by the President, Mrs. Sinclair.

It was reported that 8 good teeters have been built and will be set up as soon as the building has been completed in the school yard.

A donation of $20 was received from the F. W. U. A.

Each month $2.00 will be given for a book, to the room having the most parents present at the meeting.

Mrs. G. Doull accepted the nomination for secretary-treasurer. Program Committee is as follows: Mrs. E. J. Carson, Mrs R. C. Golightly, Mrs. H. Petrysben and Mrs. H. Hathaway.

Mrs. Spence will look after the lunch supplies.

The marks obtained by Marwayne high school students were equal to any in the Division and the reason Grade 12 is not being taught here this year is the shortage of a high school teacher.

In answer to a question as to why the Vermilion Division is short of teachers Mr Gardiner replied that it was due to this division's geographic location, lower salaries and the housing situation.

Mr J. Doull Jr showed some very interesting pictures taken on their trip up the Alaska Highway to Whitehorse and Mayo. There were also some of the

Happy Hour Group Meet At Rectory

MANNVILLE. With a good attendance reported, members of the Anglican church Happy Hour W. A. met at the rectory on Thursday evening of last week. The new silverware for the parish hall kitchen was duly admired and approved and plans were approved for a coffee urn. It was decided to cater to a supper for members of the Lea Eastern Star on Friday of next week and plans were examined for the catering of the Old Timer's Banquet in the near future. It was agreed also to entertain a sister group at the coming meeting next month.

Former Vermilion Boy Married At Lisieux, Saskatchewan

LISIEUX, Sask. — In a double-ring ceremony at the Church of St. Therese of the Infant Jesus, Miss Dolores Mary-Ann Prefontaine daughter of Mr. and Mrs. Philip Prefontaine of Lisieux, became the bride of Mr James William Part of Edmonton. The groom is the son of Mr. and Mrs. James J. Part of Drumheller.

Rev. Maurice Minne officiated at the nuptial mass in which the bride was given in mariage by her father.

For her wedding, the bride chose a gown of white Chantilly lace. The slim bodice featured lily point sleeves and scalloped neckline, embroidered in pearls and sequins and the slipper length skirt was bouffant over crinolines. Her veil of French illusion was held in place by a jewelled coronet and she carried a white prayer book with a mauve orchid.

Miss Jeanine Cote of Edmonton was maid of honor and Miss Janice Moore of Regina was bridesmaid. They were dressed alike in sheath dresses of white lace with picture hats and carried bouquets of blue Shasta daisies.

Therese Prefontaine, the flowergirl in a hoop-skirted frock of pink chiffon carried a bouquet of pink Shasta daisies.

Mr William Part and Mr Guy Prefontaine were groomsmen. Mr Leo Prefontaine and Mr Ronald Prefontaine were ushers.

Terry Part and Richard Emond served the mass, and Mr. Roger Lalonde was organist. Miss Jeanine Cote, Miss Lucille Sabourin sang.

Mr. Theodore Prefontaine was toastmaster at the reception following the ceremony.

For a wedding trip to Washington, the bride chose an aqua silk jersey dress with white accessories.

Mr and Mrs. Part will make their home in Edmonton.

Alberta Wheat Pool Awards Bursary To Brilliant Mannville Student

Bursaries worth up to $2,500 each have been awarded two Alberta farm boys by the Alberta Wheat Pool. Winners are Lawrence Copithorne, of Cochrane, selected from the southern half of the province and Harold Keuschnig of Mannville, from the north.

The scholarships, two of which are awarded each year are restricted to farm young people who have shown exceptional scholastic ability and have demonstrated a keen interest in community and school activities. Worth $500 a year they are tenable at the University of Alberta in Edmonton and may be renewed, during a student's undergraduate years, for a period of up to five years, providing a high scholastic standing is maintained.

Eighteen year old Lawrence Copithorne took his early schooling in one-room country schools and his high school at Mount Royal College in Calgary. In Grade 12 he received an average mark of 82.6 percent. He was active in sports, the school paper, High Y, drama clubs and music and has been a member of the Tuxis and Older Boys' parliament of Alberta for five years. He will enroll in agriculture and hopes to obtain his Master's degree and then take up a position as an agriculturist with the Food and Agriculture Organization of the United Nations or the Colombo Plan, or in the agricultural services of Canada's diplomatic corps. He is the son of Mr. and Mrs. George Copithorne of Cochrane.

Harold Keuschnig, 17, was raised on a farm in the Mannville district and attended a one-room rural school for two years before completing his education in Mannville. He graduated with an average of 87 per cent in grade 12. He has taken an active interest in sports, particularly hockey, and was a member of the local juvenile team. He plans to take engineering at the University.

In addition to this year's winners, other students attending the University of Alberta this year with the assistance of $500 Wheat Pool bursaries are: Robert McCauley, Pincher Creek; Keith Nicholson, Vegreville; Winnifred Swainson, Red Deer; Stewart Fraser, Clyde; Mary-Duane Gotterhlich, Lacombe and Larry Bilan, Tofield.

HAROLD KEUSCHNIG

$1,000.00 Cash Is Big Prize At Curling Club Bingo

A dazzling $1000 in cash is the main prize at the Curling Club's cash bingo which will be held in the arena rink Saturday night, Sept. 27th commencing at 9:15.

Along with the big prize are eleven $50 cash prizes for the first 11 games. All in all, the Curling club will distribute some $1550 of new purchasing power around the district that evening.

FOOLPROOF LOCK

Designed for factories and stores, a new locking system employs a series of interconnected keys and makes it impossible to forget to lock any doors when closing up at night, says The Financial Post. Each door can only be locked in a predetermined sequence. Locking releases key for the next one.

PARADISE VALLEY NEWS

Mr Dick Rayson of the R.C.N. stationed at Halifax is home for his vacation. His chum C. Milton of Chilliwack came with him and he will be posted at Vancouver while Dick will return to Halifax.

Mr. and Mrs. Johun of Edmonton and former residents of the Moyerton district, paid a short visit to the district during the past week.

Mr. H. Hilliker, Mr. and Mrs. Ralph Bell and family of Wainwright were Sunday visitors at the home of Mr. and Mrs. G. M. Venner.

The Paradise Valley W.A. met in the Paradise Valley United Church Sunday School hall on Sept. 2nd at 8 p.m. with Mrs. J Gordon and Mrs. G Henry as hostesses. A good attendance with all officers present. The group will sponsor one Sunday evening service from Grace United Church, over CKSA. A donation was sent to St. Stephens College again this year. The date for the annual chicken supper was set for Oct. 24th. Final plans will be made at the October meeting which will be held on the 7th with Mrs. Knutson and Mrs. Fred Strett as hostesses. There will be a bazaar as usual. Rev I. MacDonald was invited to meet and speak to the group. He would appreciate the co-operation of the members in organizing the church congregation in a fellowship group to meet on a week night. Literature was ordered to study this further.

A pot luck supper was discussed. Owing to such a busy time it was left until some future date, so keep it in mind folks. A motion was passed that the W.A. meet in the afternoons at 2 30 beginning with the October 7th meeting.

The Ladies Hall club met in the waiting room of the hall on Sept. 8th. Tickets will soon be ready for the hope chest raffle. Mrs. D Clark will take charge of all donations for this chest. A dance will be held as soon as an orchestra is available.

Miss Mildred Teasdale was taken to the Lloydminster hospital for an appendix operation recently. We wish her a speedy recovery.

Mrs. Fred Brassington is also wished a speedy recovery to health and home.

Mr. and Mrs. D Clark spent the week end in Edmonton. Mrs. Parke Dobson substituted for Mr Clark on Friday afternoon.

Miss Helen Krawchuk is spending a holiday with her sister and family in Yorkton, Sask.

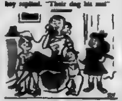
Miss Athena Rayson has accepted a position with the Bank of Commerce in Lloydminster.

Miss Lorraine Fredericksen is employed at the Lloydminster Co-op. store.

The Rev Ira MacDonald will be inducted as minister of the Paradise Valley - Edgerton Pastoral charge in the Paradise Valley church on Friday Sept. 19. Present at the service will be the Rev H. W Inglis, Rev Clinton Swallow and Rev. D W. McMcPherson. Members of the congregations of Edgerton, Rosedale, McLaughlin and Paradise Valley are invited to this service.

A clergyman received a phone call from the local income-tax man inquiring about a $535 contribution listed as having been paid his church by a parishioner. "Did he make this donation?" the tax man asked. The clergyman hesitated, then replied: "No—but he will, he will."

The seventh grade class which my brother teaches was holding a magazine-subscription sale. The morning after the sale started one boy reported that he had already sold $50 worth. "How did you manage to sell so many so quickly?" my brother asked. "I sold them all to one family," the boy replied. "Their dog bit me!"



The Hollywood Columnist telephoned the movie star. "Is it true," she asked, "that you are divorcing your fourth husband?" "Don't be silly," giggled the star. "Why should I divorce him? I barely know the man!"

Editor: "Did the play you saw tonight have a happy ending?" Critic: "Oh, yes. Everybody was happy when it ended."

Terry: "Why did they hang that picture?" Mary: "Probably couldn't find the artist."

BANFF AND LAKE LOUISE

The scope and splendor of this mountain wonderland is unforgettable; but yours will be more personal memories: the brilliance of poppies blooming by the jade waters of Lake Louise ... the tug of a well-cast fly as it touches white water ... the ripple of a canoe paddle in a quiet lake ... the silence of the forest trails ... You need no guide book to direct you to the beauties of the Banff and Lake Louise areas, your personal discovery of them is an adventure in itself.

No Deer Season In This Zone

Shooting of deer in zone 21, which includes Vermilion district, is probhibited this year. Zone 21 extends from Calgary east to the Saskatchewan boundary and north to the North Saskatchewan river.

This is an amendment to the big game regulations, as it was previously announced that there would be an open season on deer from Nov. 1 to Nov. 8th.

Remember hunters — no deer shooting in zone 21. 8-11

OUR LETTER FROM EDMONTON

Special Committee Appointed To Scrutinize Hutterite Issue

by KEN [illegible]

EDMONTON. — The long-smoldering Hutterite issue in Alberta is going to come under the scrutiny of a three-man government committee.

Hutterite colonies already have spread about as far as they can under present legislation in southern Alberta, and before long they're going to be in desperate need of more land.

The government hopes its committee will come up with a solution to the ticklish problem before it becomes any more acute.

W. E. Frame, the retired chief superintendent of schools for Alberta, heads the committee. The other members are Charles P. Hayes, Strome, president of the Alberta Association of M.D.'s, and J. M. Bentley, North Edmonton, vice-president of the Alberta Federation of Agriculture.

The Hutterites and their communal way of life have been a thorn in the government's side for many years. Under existing legislation, colonies can't be established any closer than 40 miles apart.

With one of the highest birthrates in the world, the Hutterite population is increasing to such an extent that the 40-mile limit is going to cause trouble one of these days. And government officials strongly suspect that the section of the Communal Properties act which sets the limit is invalid, because it is legislation against a minority group. If it's ever contested in court, they say, it might be thrown out.

There are some 5,000 Hutterites in Alberta now, mostly in colonies in the south, but it is estimated that within a century they will number around 1,000,000.

Most of the trouble stems from the fact that the Hutterites set up self-supporting colonies and have little or no contact with the outside world. They set up their own schools on the colonies, are exempt from military service, and they don't vote.

The main complaint against them is that their presence has a harmful effect on the economy of the community. They produce nearly everything they need, which is a bare minimum, hence they don't support local business to any great extent.

But on the other hand, they occupy large tracts of land, work harder on it and farm it more efficiently than other farmers. They can even make a living on marginal land land that other farmers wouldn't touch, but it's when they absorb good land that the neighbors begin complaining.

Some colonies have been getting around the 40-mile limit by leasing land instead of buying it, but this has stirred up trouble. Last year a real hub-bub developed over a case near Wardlow in the south where the government violated its own Communal Properties act and permitted the sale of land to a colony. The fuss which arose forced the government to rescind the order-in-council which authorized the sale.

This year, when the Hutterite problem was discussed in the legislature, Premier Manning said the legislation is "not complete or even satisfactory."

What the committee will recommend is anyone's guess. But one of its jobs will be to see how other provinces and states deal with the pacifist sect which moved into Canada from the U.S. during the first great war.

Some people have suggested a program of gradually integrating the Hutterites with the rest of the population. But the Hutterites have shown no indication of being willing. Earlier this year when a Hutterite in the south applied for his Canadian citizenship papers it raised a storm of protest from the colonies.

All the Hutterites want is to be left alone but if their presence is detrimental to the rest of the population, what is to be done?

WILDMERE WINKS

Here is an item we should have had in last week's news — on Sept. 3rd, Jim Wallington's birthday, he had a nice surprise when his sister Ruth and husband (Mr. and Mrs. Jim Summers) drove down from Stony Plain to wish him a happy birthday. They left again the next morning as Mr. Summers is busy digging wells. Like many places here this year, wells were running dry owing to the lack of rainfall.

Everyone joins with the writer in expressing sincere sympathy to Mrs. C. Porter and family on the loss of a loved one. Mr. Porter was well known here, for many years he was a trucker and hauled grain etc. in and around Vermilion.

We certainly have had a lot of rain the past few days. Just about three times as much as we had all year. Wouldn't the farmers be smiling if they had gotten this moisture in June! Granaries would have been much fuller. But it will help next year as the ground before this rain was bone dry. It's a great next year country anyway.

Harvesting of course was brought to a sudden halt by this rain and it will take some good windy, sunny days before they get going again.

By all accounts the Elfords had a wonderful trip to England and we truly enjoyed the amusing way Mr. Elford described it in the Standard.

Maureen Cruthers had the misfortune to sustain an injury to her nose at school on Friday while playing football. It was necessary to take her to the hospital in Vermilion for attention. She returned home Saturday evening. We all wish her a speedy recovery. Easy on that football Maureen, it's a rough game!

J. C. Wallington returned to his home too Saturday evening after spending eight days in the hospital. He is feeling much better after treatment and rest.

Hello Mr. McDonald of Paradise Valley. Why don't you take a run up to Wildmere sometime? We would be pleased to see you. Hello also to Mr. and Mrs. Leighton, glad Mr and Mrs. Dibben called on you.

Mr and Mrs. Holtz and Baillie and Mr and Mrs. G. Green and family enjoyed their visit on Sunday Sept. 7th at Cadogan. They attended church where Mr. Plant had service and afterwards drove out to Albert Holtz's homestead where they had a picnic dinner. Then an old neighbor had a number of old friends in to meet the Holtz's who lived there several years ago. Mr Plant leaves there to attend college for another term this week.

We are pleased to hear little Grant Friesen's eye is improving very nicely after being punctured with a nail sometime ago. According to the specialist sight will gradually return to it.

Only one Sunday left of our summer church services. Next Sunday church will be held at 2:30 p.m. and a social hour will follow with a lunch. So, everyone plan to attend and give Mr. Robinson a happy send-off. We are very sorry to see him go and will remember his splendid sermons delivered during his stay with us. May he and his bride-to-be enjoy many years of happiness.

BAKE SALE

C.W.L. Bake sale will be held in the Co-op. store on Saturday Sept. 20th from 3-5 p.m. 9-10c

RUMMAGE SALE

A rummage sale will be held in the Salvation Army hall on Saturday, Oct. 20th from 10 a.m. to 5 p.m. All donations for the sale will be gratefully accepted. 9-11

Beware Asian Flu

Asian Flu will strike again this winter, predicts The Financial Post. But, it says it won't be as severe as last year's epidemic. Most of those who went down with it last year will have immunity against another attack. For the remainder — vaccine shots are recommended.

Why The Catholic Church Says "INVESTIGATE!"

Probably not more than a handful of people hate the Catholic Church as it really is.

But many have heard anti-Catholic calumnies from sources they have been taught to respect, and have come to fear and suspect the Church as it has been falsely represented to them.

It is hardly reasonable to believe that hundreds of millions of people would remain in the Catholic Church if the rumors circulated against the Church are true. Nor would thousands of others become Catholics every year if they believed such things — without inquiring into the facts.

That is why the Catholic Church says again and again to people everywhere: "Investigate! Investigate!"

The Church makes this appeal not merely to settle an argument, nor primarily to win the good-will of the non-Catholic people, although this is a hoped-for result.

Its more important aim is to invite people to inquire into Christ's truth as taught and preserved by the Catholic Church down through the centuries. For no man, seeking the salvation of his own soul, can conscientiously discount the Catholic claim to be Christ's Church on the basis of mere rumor and slander when the truth is so readily at hand.

The Catholic Church therefore invites you to inquire into its teaching and practices ... to find out for yourself if what you believe about the Church is true or false.

Learn for yourself, for instance, if it is true that Catholics give divine worship to Mary, the Mother of Christ ... or if this is not just another calumny. If you have been led to believe that Catholics worship idols and statues ... buy and sell the divine worship of the Mass ... are opposed to the religious freedom granted all religions by our national laws, then you have been deceived and misled.

If you have harbored these or any other false beliefs about the Catholic Church and its teachings ... and if, above all, such misunderstanding has kept you from examining the Catholic claim to be the Church established by Christ Himself ... you owe it to yourself in good conscience to seek the truth.

FREE — We shall be glad to send you free on request, a booklet dealing with the points mentioned here and many others ... including the attitude of the Church toward Birth Control ... secret societies ... the salvation of non-Catholics ... why Catholic priests are called "Father" ... the Inquisition and the alleged goings-on behind convent walls. Write today ... ask for your copy of Pamphlet No. 7—KC.

BY-LAW No. 906
AND AMENDMENTS THERETO
Municipal District of Vermilion River No. 71

A BY-LAW of the Municipal District of Vermilion River No. 71 to limit the operation of trucks, trailers and traction engines on all public roads, highways, streets, and lanes in the Municipal District of Vermilion River No. 71.

WHEREAS under the provisions of the Municipal Districts Act 1954 the control of all public roads, highways, streets and lanes within the said Municipal District is vested in the Municipal District of Vermilion River No. 71 and there is a duty on the Municipal District to repair the said roads, and

WHEREAS under the provisions of the Public Service Vehicles Act the Council may prohibit the use of any district road, local road, or portion thereof, by any truck, trailer or traction engine and the said Public Services Vehicles Act and the Highways Traffic Board do not provide for the control as contemplated by this By-Law.

THEREFORE the Council of the Municipal District of Vermilion River No. 71 enacts as follows:

> The term "truck" shall include all trucks with a rated capacity of one ton or more and the term "tractor" shall include traction engines operated on wheels and also such motor vehicles as run on tracks.
>
> No person shall operate any truck, trailer, or tractor on any district road, local road or portion thereof during any rain storm or during a rainy season or at any time when the said vehicle breaks through the surface of the roadway or causes rutting or breaks chunks of road materials from the road bed.
>
> Any person or persons who are found guilty of a breach of this By-Law shall be guilty of an offence, and liable on summary conviction for a first offence to a penalty of not more than twenty-five ($25.00) dollars and costs, for a second offence to a penalty of not more than fifty ($50.00) and costs, for a third or subsequent offence to a penalty of not more than one hundred ($100.00) dollars and costs, and in default of payment to imprisonment to a term of not more than 60 days.

BY-LAW No. 906 Done and Passed in Council on the 3rd day of April, 1957, A.D.

AMENDING BY-LAW No. 984 passed in Council on the 3rd day of April, 1958, A.D.

ELECTRIC LIGHTING MAKES STREETS SAFER

In Alberta villages at the turn of the century, street lighting—if it existed at all—could hardly be classed as adequate. There is a big difference today . . . and the difference is electrical. But electric power has done more than bring good light to the streets of Alberta. It has helped local commerce by encouraging night and window shopping; it enables local police forces to provide better protection for citizens, homes and businesses; it makes streets safer for both motorists and pedestrians, and it plays a large part in the encouragement of community activities. Every day . . . every night . . . we live better, when we live electrically

Death and Funeral of Mrs. Wm. McCourt, Kitscoty Pioneer

One of Kitscoty's oldest and best-beloved residents, Mrs. Elizabeth McCourt, passed away on August 28th. The late Mrs. McCourt was born in 1870, in Downpatrick, Northern Ireland. She married William McCourt on Christmas day, 1901. In 1910 the family moved to Canada and homesteaded in the Tring district, north of Marwayne. In 1918 they settled on a farm near Kitscoty. A few years ago Mr. and Mrs. McCourt retired from the farm and moved into town.

The late Mrs. McCourt was a devout Christian whose life was a manifestation of her faith. In the early homesteading days she was known far and wide for her hospitality, and her eagerness to help her neighbours in time of trouble. She reared her family in the faith she believed in, and extended the same guidance to many others. She founded the Millerdale Sunday School, and for some years conducted it in her own home. An accomplished singer in her younger days, she gave freely of her talent in choir and solo work. She was for many years a member of the Kitscoty Ladies' Aid, until the infirmities of her age compelled her to withdraw from active participation in the work she cherished.

Mrs. McCourt's passing was sudden, and free of great suffering. She died in sure hope of the Resurrection. On earth she lives in the memory and hearts of the many who knew and loved her.

The funeral service, conducted by the Rev. James Shortt, was held on Saturday, August 30th, in the Kitscoty United church with which Mrs. McCourt was associated for forty years. The Kitscoty choir was in attendance. Mrs. Elsie Batty presided at the organ, and sang one of Mrs. McCourt's favorite hymns, "Sleep On, Beloved." Pall-bearers were Messrs. Charles Gray, Oliver Seward, Gordon Inglis, Clifford Miller, Vernard Page and George Patnoe. Interment took place in the Kitscoty cemetery. Funeral arrangements were in charge of Moore's Funeral Home, Lloydminster.

Mrs. McCourt is survived by her husband: three sons, Bert, Kitscoty, William, Hughenden; Edward, Saskatoon; and ten grandchildren.

The family wish to acknowledge, with deepest thanks, the following floral tributes and donations:

Flowers: The Family; Mrs. Emily Carson, Fin, Betty and Jeannie; Mr. and Mrs. Ted Carson and Bill; Mr. and Mrs. Tom Carmichael and family; Mr. and Mrs. Clifford Miller, Jack and Nita; Mr. and Mrs. Everett Miller; Mr. and Mrs. Roy Phillips; Mr. and Mrs. Charles Moxley; Mr. and Mrs. Mac Hiltz and the boys; Mrs. Patnoe, Grace, George and the boys; Messrs. Harry and Bert Buck; Mrs. Apperson; Mr. and Mrs. Wm. Hancock and the girls; Mr. and Mrs. Bert Parker and the girls.

Gideon Bibles: Mr. and Mrs. George Carson; Mr. and Mrs. D. Addison.

Memorial Fund, in memory of the late Mrs. McCourt: Mr. and Mrs. V. J. Page and family; Mr. and Mrs. Bill Chew; Mr. and Mrs. C. N. Crichton and family; Mr. and Mrs. N. C. Browne and [illegible]; Mr. and Mrs. M. K. McDonald; Mrs. Eva Lang and Judy; Mrs. C. Leighton and family; Mr. and Mrs. J. G. Inglis and family; Mr. and [illegible] K. C. [illegible] and family; Mr. [illegible] Mrs. F. O. Seward and family; Mr. and Mrs. Fred Drus and Peter; Mr. Robert Paterson; Tjerk and Bill Bootsman; Mr. and Mrs. L.E. Croft and family; Mr. and Mrs. L. E. Speelman; Allan and Ethel Beaton; Mr. and Mrs. C. N. Gray and family; Mr. and Mrs. C. A. Richardson and family; Mr. and Mrs. R. E. Gray and family; Mr. and Mrs. R. D. Trask and Nita; Perrin family; Mr. and Mrs. M. Christofferson and family; Mr. and Mrs. Howard Walton and girls; Mr. and Mrs. G. Leighton and Gordon; Kitscoty U. C. Women's Association; Kitscoty U. C. Sunday School; Mr. and Mrs. William Swyripa; Mr. and Mrs. Alf Franke and Lloyd; Mr. and Mrs. J. Christensen; Mr. and Mrs. J. R. Chisholm and family; Mr. and Mrs. John Spence and family; Mr. and Mrs. R. S. Pidcock and family; Mr. and Mrs. Allan Batty and family.

Cancer Fund: Mr. and Mrs. C. K. Miller; Mr. and Mrs. Dan Poraybo; John and Mary Orlesky; Mr. and Mrs. T. M. McKerihan and family; Mr. and Mrs. Johan Bootsman and Grace; Mr. and Mrs. Alex Johnston; Mr. Tom Stephenson; Mr. Robert Jamison; Mr. and Mrs. Tom Givens; Mrs. Annie Whittington and Vera; Mr. and Mrs. Jim Crews and Mrs. Wright.

United Church Building Fund: Perrin family; Pauline McLean and family; Mr. and Mrs. J. McCorry.

Marwayne United Church Building Fund: Mr. and Mrs. Garfield Midgley and the boys, and Mrs. Hancock Sr.

Crippled Children's Fund: Mr. and Mrs. Paul Weir; Mrs. McGreevey.

Cemetery Fund: Mr. and Mrs. J. H. Fox.

St. John's Anglican Church Building Fund: Mr. and Mrs. Gordon Blake; Mr. James Locke; Mr. Herbert Stokes.

Pleasant Valley

It's anything but pleasant these days . . . everything is very wet which means no threshing for awhile.

We hope to hear better news from Mrs. Ronaghan. We were sorry to hear she had taken ill.

The sympathy of the district is extended to Mrs. George Dallman and daughter.

Hi Edna, are you waiting for the roads to dry up? We missed you at the meeting.

Mrs Gillies spent two days at the writer's home. While she was here we went to Mrs. McClelland's to pick crab apples. The trees were simply loaded with fruit. We also enjoyed an afternoon visiting with Mrs. Potvin.

Rain had stopped at time of writing the sun is shining again. Everything looks lovely and green and the flowers look nicer than they have all summer.

Don't forget those bulbs for winter blooming folks. They're here now why not get a few and 'pot up' soon. There is a new wonder bulb called 'Colchicums'. These bulbs will bloom without soil or water, simply place in a sunny window in a dish. Very simple isn't it?

C. of L. Higher

Living costs are still advancing reports Financial Post. Canada's consumer price index (1949 equals 100) climbed 0.4% from 124.7 to 125.2 between July and August to continue the upward trend that had temporarily halted in the two previous months. The index stands 2.1% above August 1957 level of 122. Month's increase is largely due to a 1% rise in the food index and a smaller increase in the shelter index. More expensive foods included tomatoes, pork, oranges and bananas.

CANNED HOSE

New way of marketing hosiery is two pairs to a tin, complete with a package of soap powder, says The Financial Post. The idea will soon be reaching the supermarkets. Two benefits: Lower handling costs and less pilferage.

News from Tulliby Lake

The month's free home Bible discourse was presented at the Behrens home on the afternoon of Sunday, August 31. As the weather was ideal, everyone assembled on Mollie and Juvenile's lawn. All listened attentively as Gordon Enns of Lloydminster spoke on the arresting subject, "Is Everlasting Life Possible?" Then, after a short intermission, Roy Wagner conducted the Bible study, "The Supreme Will To Be Done." Juvenile Behrens did the reading. These discourses are held [illegible] each month at the Mollie Behrens and Christina Maas homes by representatives of the Watchtower Society from Lloydminster. All people of goodwill are cordially invited to attend.

Hector Benson was home for the week end. We are given to understand that Hector is now playing the Spanish electric guitar with an orchestra in Edmonton. He was even recently heard playing over radio station CHED. Our congratulations go out to this local boy who is making such a success of his musical ability.

We're still seeing bears out this way. Wesley Hayes encountered a medium sized black one last week. The bear was shot by Wes and taken to Onion Lake where some Indians soon removed it's clothing. They had bear steak for dinner while Wesley is keeping the bear skin to foster his memories of the occasion.

The Behrens home is enjoying a series of recorded tapes featuring western music from Australia. Juvenile is receiving these through his membership in the organization "World Tape Pals." You are all welcome to drop in at the "house on the hill" and give a listen.

Herman Benson spent the week end at home. Herman is doing quite well for himself in the carpentry trade at Meadow Lake.

Mr. and Mrs. Lee Wendt and family of McLaughlin were Sunday visitors at the Behrens home.

The rainy morning of Sept. 1 didn't turn out so well for Mr. John Kay. It seems that John went outside to empty his slop pail. No doubt you can recall the walkway leading up to the Kay house. When returning with the pail John happened to slip on the wet boards of the walkway, falling down on his chest. He journeyed to Elk Point the following Wednesday and consulted Dr. K. C. (Jim) Miller. The patient's chest was x-rayed and a bone fracture was located. After being securely [illegible] up John returned home, and, at last report, is recovering quite well.

That morning Mrs. Ruth Ferris had a similar mishap while carrying her water pail. Luckily the result was only some minor [illegible] on her arm.

THE VERMILION STANDARD

Alberta Provincial Library Dec 58

Vol. L. No. 11. Vermilion, Alberta, Thursday, September 25th, 1958. 12 PAGES $2.50 A YEAR

Enrolment Doubles At Vermilion School of Agriculture

After experiencing declining enrollment during the past several years, the Vermilion School of Agriculture will again have many full classes. With approximately one month for applications still to be received, the School of Agriculture has an increased enrollment of 37% from its own area. In addition 23 students are enrolled from the Fairview School of Agriculture area, making an overall increase of 80% in enrollment, nearly double last year, at press time. This renewed interest in agricultural education is most gratifying.

AGRICULTURAL CLASSES FILLED TO CAPACITY

For the first time for four years Agricultural classes will be filled to capacity. Though there is an encouraging increase in the number entering the Home Economic courses it appears that these will be only about half full.

Another encouraging note is the fact that the average age of the students is up this fall. To date there are fifteen over the age of twenty years. These older students are most welcome as they add much to the social life of the school.

ENROLLMENT NOW 139

Enrollment on Thursday had reached 139 students, divided by classes as follow:

BOYS—

First year	62
Second year	40
Two-in-one Class	19
	121

GIRLS—

First year	9
Second year	3
Two-in-one Class	6
	18

STAFF MEMBERS FROM FAIRVIEW

The Vermilion School of Agriculture is fortunate in [illegible] the services of former staff members of the Fairview School. Miss T. Graham, formerly of the Vermilion staff and more lately of Fairview, will once again be dietitian. Mr. B. Godwin will be teaching Horticulture and Botany. Mr. R. Warner will teach English and other associated subjects.

Lone Whooping Crane Observed

George Martin while on his mail route south of Vermilion on Friday last observed a whooping crane flying south-east, apparently headed for the wintering grounds in the Aransas Bird Refuge, Texas.

George was watching a flock of ordinary cranes flying south when his attention was caught by a much larger bird flying higher in a south-easterly route. By its size and black wing tips he knew it to be a whooping crane. There was no mistaking the unusualness of the bird.

Vermilin Lady Wins Roadeo At Calgary

Louise Lang repeated [illegible] victory of last year when [illegible] was adjudged the top lady driver at the Calgary AMA's fourth annual roadeo held recently. This is the second year in a row that Louise has won the title. She is the daughter of Mr. and Mrs. Tom Davis and is a driver for the Red Cross blood donor clinic in Calgary. Louise now goes to Edmonton to compete in the provincial final for the Hon. Gordon Taylor trophy.

Ladies Win Golf Prizes

Three Vermilion ladies competed in the annual golf tourney at Lloydminster on Sunday and each brought home a prize. Mrs. Emma Locke won second in the first flight, losing by one stroke; Mrs. Maxine King was first in the second flight and Mrs. Gertie Simonsen first in the 4th flight.

Attend Oil King Hockey School

Three Vermilion boys, Lee Coyne, Larry Dargatz and Jim Reid got in some early hockey this fall as they were invited to attend the hockey school being carried on by the Oil Kings in Edmonton this week. These three were starry members of the Juvenile Bobcats last winter. Another of their team mates, Swyripa from Myrnam is attending the hockey school also.

To Study Agriculture

Bob Willes, son of Mr. and Mrs. Oliver Willes of Claysmore, has commenced university this fall, enrolling in Agriculture. Bob attended the V.S.A. last winter, a member of the two-in-one class.

Over 12,000 survival conscious Canadians have attended courses at the Canadian Civil Defence College since its establishment in 1954. 9 - 10

Vermilion Art Class Re-organized; First Lecture October 7th

The Vermilion Art class held a re-organization meeting to prepare for the 1958-59 season, and the executive cordially invites all those interested in drawing, painting and art appreciation to attend. These community art classes are sponsored by the Ex[illegible] Department of the Uni[illegible] of Alberta all over the province for the purpose of stimulating an interest in creative art, with the hope of some day building a true Western Canadian style of art that would depict our environment and way of life. The class is strictly educational and a non-profit organization.

The fee for the winter classes is $4 to cover costs of lectures and expenses of a class supervisor.

The executive is glad to an[illegible] that this winter there [illegible] be a minimum of four lectures by Prof. H. Wolfarth, art specialist for the Extension Department.

The other nine classes will be supervised by Mr. Lindsay Evans of Lloydminster. Mr. Evans is well known as an artist in western Canada as well as being an honored old timer in east central Alberta.

Anyone wishing to join or to learn more about these art classes may do so by contacting any member of the following executive -- Mrs. Grace Stewart, president; Mrs. Maxine King, treasurer; Mrs. Addie Mead and Mrs. Carman Long, directors; Mr. F. Van Wageningen Jr., secretary.

The first lecture of the season will be held in the Perron Baker elementary school (former Vermilion high) on Oct. 7 at 8 p.m.

United Church Board Holds Meeting in Islay

MARWAYNE. — A meeting of the official board of the Kitscoty Pastoral Charge, United Church was held this week in Islay with Kitscoty, Dewberry, and Marwayne well represented.

Church work was reviewed for the past three months, and plans were made for the fall as the groups have been very active.

During October, November and December, Marwayne church service will be held each Sunday afternoon at 3:00 p.m. Sunday school will be conducted while service is held. World-wide communion will be observed on Sunday, Oct. 5th at all preaching points.

Conservative Leader To Visit Vermilion

W. J. C. Kirby, newly elected leader of the Alberta Progressive Conservative party, will visit Vermilion on Tuesday evening, Sept. 30th to confer with key men and women of the party. He plans to spend Tuesday, Wednesday and Friday of each week until mid-November visiting the 41 provincial constituencies.

Chance To Attend Grey Cup Game

The fourth annual Knights of Columbus Bingo and Draw with an all expense paid round trip to the Grey Cup game as the big prize will be held this year on Saturday, November 22 at 9:15 p.m. It is expected that this big event will be held in the armouries as usual.

Proceeds will go to the support of our home town Vermilion Bobcats, who hold the North Eastern Alberta Juvenile Hockey Championship, at present.

It will be of interest to Vermilion residents to know that while our Juvenile Hockey champs were playing in the Northern Alberta finals, three members of the Bobcats, Jim Reid, the goalie, Lee Coyne and Larry Dargatz were picked out by the Detroit Red Wings scout to try out for a position with the Edmonton Oil Kings which team is sponsored by the Red Wings.

The support of all sport lovers will be sought in the near future as Knights in Vermilion and district prepare a town and country wide ticket sale for the Grey Cup Bingo. Watch the Standard for further details.

Eastern Star Enjoy Supper Meeting At Mannville

MANNVILLE. Approximately 40 members and visitors sat down to a supper in the Anglican Church basement rooms when Worthy Grand Matron Mrs. Evelyn Hillabrecht and Worthy Grand Patron Clyde Coe visited the local lodge. Toastmaster Art Baker proposed the toast to the Queen as well as to the visiting dignitaries. Following the supper the members retired to the lodge rooms for their meeting. The Happy Hour Group catered to the supper.

Outstanding Attraction

The Cossacks Are Coming!

The plans and arrangements for the production by the famous Don Cossack Chorus and Dancers are proceeding favourably, and the Vermilion Rotary Club can guarantee you one of the finest evenings of entertainment that you have ever had. This is an opportunity for the people of Vermilion to hear one of the world's most famous musical groups in a variety type of concert which will include several types of singing — religious music, folk tunes, military songs, dances and popular melodies as well as comic songs, in a musical mixture that has entertained listeners all over the world. Vermilion is most fortunate in having this opportunity to hear the Cossacks.

This is to be the first public performance of any kind in the new Composite School auditorium, and the people of Vermilion are invited to take this opportunity to get a look at this fine new building. The stage has never before been used, and it is being set up as requested by the Don Cossack Chorus which will serve to make their production as attractive as possible.

The Rotary Club suggests that you make up your party now and plan to attend this concert. At the present rate of sale, tickets will be completely sold out well before the concert, so you are urged to get your tickets now to avoid the possibility of disappointment. Seating is definitely limited to the number that can be seated in the new auditorium, so don't delay — get your tickets right away.

The Cossacks have travelled throughout the world in presenting their concerts, and have played to as many as 20,000 in a single audience. Clippings taken from newspapers all over the world show how popular they are with their listeners, and everyone who possibly can should plan to be there on October 10.

Hunting Hints

Observe the bag limits. They protect our heritage.

Banquet Planned For Boy Scouts, Cubs, and Their Parents

All Boy Scouts and Cubs, along with their parents are invited to attend a banquet on Wednesday, Oct. 8th at 6:30 p.m. in the Elks hall.

A special invitation to all prospective members of both groups and their parents is extended.

This is your chance to meet the leaders and hear what is proposed for the forthcoming year.

All boys between the ages of eleven and a half and fifteen years are invited to the meetings of the First Vermilion Troop of Boy Scouts, the first of which will be held on Wednesday, Oct. 1st at 7 p.m. in the Scout hall. This group is being completely re-organized this year and a full, entertaining and instructive term will be assured for all. Any former Scouts and Cubs, and all prospective new members are also invited to attend, with their parents, the "Pot Luck" supper to be held Wednesday, Oct. 8th at 6:30 p.m. in the Elks hall.

SCOUTS

All Scouts, including new members, are to report to the Scout hall on Wednesday, Oct. 1st at 7 p.m.

Dr. Ben King is Scout Master this year, boys so looks like an exciting year is in store.

CUBS

All Cubs, including new members, are to report to the Scout hall on Tuesday, Sept. 30th, at 4:30 p.m.

MOTHERS' ASSOCIATION

A Cub and Scout Mothers' Association meeting will be held on Sept. 29 at 8:00 p.m. in the Scout Hall. Mothers of new Cubs are cordially invited to attend also.

Tag Day In Aid of Blind

The I.O.D.E. will hold a tag day in town on Oct. 18th with proceeds for the C.N.I.B.

The I.O.D.E. will also undertake the usual canvass of all business men for funds to aid the work of the Canadian National Institute for the Blind. 11-13

Sudden Death of Dr. Marvin Crowell At Grande Prairie

News of the sudden death of Dr. Marvin Crowell, aged 30 years at Grande Prairie on Tuesday, Sept. 23rd shocked many friends of the family here. Mrs. Crowell is the former Norma Williams, daughter of Mr. and Mrs. Gordon Williams of Vermilion. Dr. Crowell is survived by his wife and three sons.

The death of Dr. Crowell followed an operation in the Grande Prairie hospital.

Marvin lived in Vermilion for a number of years during which time he attended high school. The family later moved to Edmonton where Marvin attended university, graduating in dentistry some three years ago. He had practised in the northern city for the past two years.

Funeral services will be held at the Anglican Church, Grande Prairie, on Friday at 2:30 p.m., with a service at Hainstock's Chapel in Edmonton on Saturday. Interment will be in the Evergreen Memorial cemetery, Edmonton.

Mike Pearson To Tour Alberta

Mike Pearson, national leader of the Liberal party, arrives in Alberta Sept. 30 on a 3-day fact-finding and get-acquainted tour. His visit to this province, and a further visit a month later, during the Liberal leadership convention, are part of his campaign to gain a better first-hand knowledge of western conditions. These visits are in line with a statement to western farm representatives in Ottawa recently that Liberal M.P.'s intend to give special attention to Western problems in order to make sure their views are heard on the floor of the House of Commons.

Huffy Skunks Hold Up Works

What is more unpopular than a skunk at a garden party? The boys of the Vermilion water and sewer department will answer that one in a hurry -- it's two skunks down at the bottom of a narrow water line ditch 8 feet deep. That's just what the workmen found on reporting to continue work on a water line ditch at the Norton Implement Agency Thursday morning. The skunks became excited by the onlookers from above and immediately began to protect themselves in their usual efficient if somewhat odorous manner, to protect themselves, resulting in the trench being highly perfumed. By and by the two animals had to be shot and removed . . . but that particular project was postponed for the rest of the day in order to allow the air to clear.

Six Clubs Represented At Kinsmen Zone Meeting Here

On Sunday, September 21st, twenty-five Kinsmen delegates from Vermilion, Edmonton, Vegreville, Provost, Wainwright and Grand Centre attended the fall zone meeting in the Vermilion Legion hall. Dist. Deputy Governor Bob anderson presided at the meeting, which began with a presidents' educational session. sidents' educational session.

At 1:00 p.m. the Vermilion Kinette club served a delicious turkey dinner, after which business on the national, district, zone and club levels was discussed. Governor Ian Coates addressed the meeting, as did Expansion Director Doug Foster who congratulated the zone on chartering two new clubs, Provost and Grand Centre. D.D.G. Bob Anderson announced that Vermilion again will be the site of the next zone meeting in March.

Besides Deputy Governor Bob Anderson, Vermilion Kinsmen attending the meeting included Ralph Cudmore, Jim Ferguson, Joe Hart, Bill Novak, Wally Polinsky, Bob Rowe, Jack Wright.

Mrs. Norma Novak New Kinette Pres.

Kinette meetings have resumed after two months of inactivity. Fifteen members were present at a dinner meeting on September 18 at the Rio Cafe.

Dr. Bob Anderson, District Deputy Governor, and Mr. Bill Novak, President Vermilion Kinsmen Club attended a portion of the business meeting with the former installing the new officers for 1958 - 59 as follows —

President -- Norma Novak; Vice President — Marion Anderson; Secretary -- Ruth Rowe; Treasurer -- Joan Kowalchuk; Registrar -- Jean Wright; Sgt. at Arms -- Kay Hart. The Directors are Jean Inman and Nora Ferguson.

A library committee for the following month of Helen Rogers and Nora Ferguson was appointed. It was moved that this com[illegible] purchase some children's books to form the nucleus of a children's library at the hospital and it will be their responsibility to keep the mobile library stocked for the next four weeks. This library was presented to the Vermilion Municipal hospital during the summer months by the Kinette Club.

It was agreed that the Kinettes would cater at the noon banquet for the Kinsmen Zone J meeting held at the Legion hall on Sept. 21st.

Initiations will be held at the meeting in October for the new members and an active year in community projects is hoped for.

Acclamations Fill Council Positions

Three vacancies on the town council were filled by acclamation on nomination day, Wednesday, September 24 when papers for Percy E. Cooper, printer, Charles T. Heckbert, insurance, and Reginald Ireland, oil and implement agent, were filed with returning officer Herb Johnston.

Cooper was thus re-elected while Heckbert and Ireland are new to the council. Retiring councillors are E. A. Locke and W. G. Sutherland.

Vermilion's governing body will thus be made up of Mayor Melvin Hill, former councillors Charlie Thompson, Cliff McCormick, Ken Rowe, and the three elected on Wednesday as notated above.

Local Doctors Attend Fall Medical Meeting at Wainwright

The regular fall meeting of the Vegreville District Medical Society was held in Wainwright on September 10th with 22 doctors attending from Lloydminster, Vermilion, Vegreville, Lamont, Viking, Chauvin and Mannville. The facilities of Wainwright Military camp were made available for the scientific part of the meeting and also the banquet. Guest speakers for the afternoon and evening meeting were Dr. Doug Ritchie and Dr. T. R. Clarke of Edmonton and Lt. Col. Guy MacLaren, Chief Medical Officer, Western Command. A paper was presented by Dr. Paynanski of Wainwright, based on post graduate work which he had done in Middlesex, England during the last year. Also, as part of the program, a film was shown entitled "Cholecystectomy" -- the surgeon and commentator being Dr. Richard Cattell, world famous doctor of the Lahey Clinic in Boston. Dr. E. Kettewell, assistant registrar of the College of Physicians and Surgeons said a few words about the hospital plan.

Local physicians attending were Dr. A. B. King, who is President of the District Society, Dr. C. W. Stephens and Dr. G. Bourke, local Medical Health Officer.

Varsity, Business Colleges, Jobs Claim V. H. S. Grads

Vermilion high school graduates of 1958 are now well scattered with university, business colleges and trades claiming the majority.

Enrolled in university this week are David Smith in Education; Donald Galloway, Education; Ronald Mathison, Agriculture; Norma Harle, attending McTavish Business college; David Kindrachuk, articled to a firm of chartered accountants in Calgary, Roger Stephens and Dean McMullen finishing grade 12 at the Lutheran college, Camrose; Tom Kibblewhite, at the V.S.A.

No less than three of the students have entered the employ of the Canadian Bank of Commerce. These are Lila Porter in Vermilion, Bill Payne and Ken Porter in Edmonton. Bill Marian is working with Canadian Utilities and Miss Mavis Bottorff has a position as a dental nurse with Dr. Lynn in Vermilion.

Home & School To Resume Meetings

The monthly meeting of the Vermilion Home and School Association will be resumed commencing Tuesday, Sept. 30th. Mr. S. D. Simonsen, the school superintendent, will be the guest speaker on that occasion. The meeting will be held in the same place as usual, the former Junior high school and will start at 8 p.m.

For the October meeting the guest speaker will be Mr. A. A. Aldridge, vocational guidance director, Department of Education, whose subject will be "Helping Your Child Choose His Career." This meeting will be Tuesday, Oct. 28 at 8 p.m.
